<input type="checkbox"/> Off site Material			<input type="checkbox"/> Per approved revised site plan		
GUARD RAIL					
<input type="checkbox"/> Per Approved Plan					

*** In lieu certifying the Wall Geometry and Layout Information, a Retaining Wall Land Surveyor Certification shall be attached to this Certification. Please enter the word "attached" in the "Inspector" data field.**

At the time of this inspection, all items inspected were in accordance with the County approved building plans and the Virginia Uniform Statewide Building Code; a copy of the required building permit was posted on the construction site. Additionally, the erosion control devices were properly installed and maintained; or the Department of Public Works was notified within one business day of an erosion control deficiency in accordance with [Policy 1.16 Third Party Inspection Certification Program](#).
