VETS TO VISIT BULL RUN FIELD

Confederate veterans on June 25 will parade down Pennsylvania avenue in Washington, where Federal troops marched in 1865, and for the first time in history will be reviewed by the President of the United States.

The Washington trip will be the day following the close of the forty-second annual reunion in Richmond and has been arranged by the Sons of Confederate Veterans, who also will attend the reunion.

Plans include the arrival of the veterans, their sons and the Confederate Southern Memorial Association at 10 o'clock in the morning. A parade will follow to the White House, where President Hoover will review the veterans and hold a reception.

After contingents from the various southern states place wreaths on the monuments of Confederate heroes in the Hall of Fame, the Board of Trade will tender a reception to General De-Suassure, commander-in-chief of the veterans, and his staff and the others present at the Willard Hotel.

After the luncheon, the party will make a pilgrimage to Manassas battlefield where there will be appropriate memorial exercises and a basket picnic. At 5 o'clock in the afternoon, the visitors will visit Arlington cemetery, near the home of General Lee, and place a wreath on the tomb of the Unknown Soldier of the World War.

A cavalry drill at Fort Myer will follow the brief stop at Arlington and there will be a George Washington Bi-centennial pageant in the Sylvan Theatre, commemorating Washington's military career.

Tentative plans for the Washington parade include most of the Fort Myer garrison, troops from the Third Corps Area, regular army, with army bands. Robert S. Hudgins of Richmond, vice-commander of the Sons, said a large contingent of National Guardsmen also would parade, along with three regiments of high school cadets.

W. C. T. U. MEETS WITH MRS. LEWIS Will Hold Prayer Service.

An interesting meeting of the W. C. T. U. was held May 26 at the home of Mrs. Lewis. After the devotional period, roll call was responded to by the reading of many stirring articles on Prohibition from the pen of gifted writers—men who stand high in religious and educational circles—men who speak with authority and are acknowledged as leaders in all that pertains to the highest and best interests of their fellowmen.

It was stated that there is no uncertain ring in their declaration of what the 18th Amendment has done for our nation.

Realizing the great danger at this time of electing wet candidates to any office, high or low, the members of the Manassas W. C. T. U. pledged themselves to unite in prayer in their various homes at 6 o'clock on Thursday morning, June 2, and petition the Great Ruler of the Universe to safeguard our nation at this time of her crisis.

BENNETT SCHOOL LEAGUE

The Patron's League of the Bennett school, Manassas, will meet Friday, May 27, at 8 p.m.

GORGEOUS DISPLAY OF BLOSSOMS GREETED VISITORS AT FLOWER SHOW

Most Beautiful Exhibit So Far Held in Northern Virginia.

A gorgeous display of color and an atmosphere of fragrance transformed the Guild Hall into a garden as rich and rare as a scene from colonial days at the flower show today. The exhibit, beyond question, was the most elaborate so far held in northern Virginia.

During the afternoon, the colonial idea so cleverly suggested in arrangement, was carried out by a group of ladies in costumes of the last century greeting the guests and pouring tea. A silver bowl of white columbine and baby's breath flanked by delicate silver candlesticks, set on an embroidered luncheon cloth of white, brought first prize and honorable mention to Mrs. Robert Smith with the judges' comment that the decorations were the prettiest they had ever seen.

The "living garden" came in for a large share of praise which was richly deserved. The details of the design were accurately carried out, even a fallen blossom floated in the bird's fountain.

The show was three times as large as the one held last year. There were 228 entries. Mrs. Margaret Lewis won sweepstakes, Mrs. Wenrich second, and Mrs. Robert Smith, third.

Prizes were awarded as follows: class I roses—Mrs. C. N. Snap, first; Mrs. Williams, second and third. Class II roses—Mrs. G. R. Ratcliffe, first and second. Roses, class III—Mrs. V. V. Gillum, first; Mrs. Pearl Evans, second, and Mrs. Robert Smith, third. Roses, class IV—Mrs. Wenrich, first and second, and Mrs. Pearl Evans, third. Roses, class V—Mrs. G. R. Ratcliffe, all three prizes. Roses, class VI—Mrs. Pearl Evans, first; Mrs. Wilbur Smith, second, and Mrs. Pearl Evans, third. Roses, class VII—Mrs. Keys, second.

Iris, class VIII—Mrs. C. W. Dalton, first; Mrs. Joe Lyon, third. Class IX—Mrs. C. R. C. Johnson, first; Mrs. Didlake, second, and Mrs. Fred Rollins, third. Class XI—James Knox, first; Mrs. C. R. C. Johnson, second, and Mrs. C. R. C. Johnson, third. Class XII—Mrs. Cooksey, first; Mrs. Didlake, second, and Mrs. Chas. Lynn, third. Class XIII—Mrs. C. R. C. Johnson, first; Miss Emily Johnson, second, and Mrs. Margaret Lewis, third.

LANDING FIELD OPENS JUNE 8

The formal opening of the Manassas landing field will take place with appropriate ceremonies on Wednesday, June 8.

Invitations to be present have been sent to a number of prominent persons, and also to several air transportation concerns in Virginia and the District of Columbia, and it is probable that there will be both private and commercial planes on the field, with exhibition flights.

An open-air picnic will be held on the field and the public is invited to come and bring their lunch baskets. This field has been constructed by the town in conjunction with the

state and is to be maintained by the town as a free field.

Among the special attractions will be a stunt plane with parachute jumper, the Quantico band and the Boys' Band from Linton Hall.

NOTICE TO TAXPAYERS

Don't forget this is the last week you have in which to file your State Income report and return of Intangible Personal Property with the Commissioner of Revenue of your county.

After June 1, a minimum penalty of \$2.00 will be imposed by the Department of Taxation for failure to file.

WANTED—Old-fashioned iron pot about 2 gallons. Journal office.

IMPORTANT NOTICE

Notice having been inadvertently published that delegates and alternates to the Democratic State Convention to be held at Richmond, June 9, would be selected at Manassas, May 28, 1932.

Further notice is given that the County Committee meeting to be held May 28, 1932, will then provide the method and time for selection of such delegates and alternates.

LADIES' NIGHT AT MEN'S CLUB

Date Fixed for Annual Event.

The Men's Club held its installation of officers at a postponed meeting last Thursday. Rev. John Kline conducted the ritual seating the president, F. G. Sigman (re-elected), vice-president, A. S. Wilfong; secretary-treasurer, G. C. White, and assistant secretary, Walter Sudd.

It was decided to hold annual ladies' night on June 23. This will probably be the last meeting before August 11.

President Sigman made a neat little "inaugural" address, citing the progress of the club in the past two years, and some of its aims.

Town Manager Cocke gave some excellent suggestions relative to the potential possibilities of the club among the young people of the community.

Mr. Everett and Miss Eleanor Kline gave several vocal and instrumental selections which were greatly enjoyed.

There were fourteen members present.

The local organization is sponsored by the Kiwanis Club, which is doing much good among the children of the county. Mr. Bibb, who was the scoutmaster of the old troop in 1925-26, volunteered to act in that capacity again.

SPECIAL NOTICE

Franklin Hibbs, manager of Pitts' Dixie Theatre, announces that pursuant to the recent request received from the Division of Motion Picture Censorship of Virginia that at the show to be given here on Wednesday and Thursday of next week that children under fourteen years of age must be accompanied by members of the family above that age or older people who stand sponsor for the children entering the show.

On Tuesday, May 31, at 2 o'clock p.m., a tablet will be unveiled marking the site of Cedar Run Court House, the second court house in Prince William county.

The court house was located on the farm now owned by Mr. Newton Berryman, located near Orlando. The land on which the monument is being erected is being deeded to Prince William county as a donation from its present owner, Mr. Newton Berryman.

The project is being sponsored by the school leagues of the county under the leadership of Mrs. J. B. T. Thornton, who is chairman of the Prince William County School Leagues Joint Committee for the celebration of the two hundredth anniversary of the birth of George Washington and the two hundredth anniversary of the founding of Prince William county.

The program which is being worked up for the occasion includes in it the participation by school children from the committee of Orlando, Fayman and Aden which are the communities immediately adjacent to above mentioned site.

The following is the program in full—Mr. R. C. Haydon, presiding. Song, "Prince William"

Benediction—Rev. J. R. Cooke

The celebration grew out of a program dating back to April 1931 when Mrs. J. B. T. Thornton was appointed chairman of the George Washington Bi-centennial Committee to represent the County School Leagues—later in the same month a meeting was held at Rippon Lodge, the home of the Hon. Wade H. Ellis and at that meeting a County Committee was appointed to celebrate jointly the births of George Washington and the founding of Prince William county—Mrs. Thornton was made a member of that committee and at a similar meeting called at Annandale by Hon. Howard W. Smith she was also made a member of the committee representing the Eighth Congressional District of Virginia.

On May 12, 1931, a meeting was called at the home of Mrs. Thornton with the following in attendance: Mr. and Mrs. E. H. Hibbs, Mr. and Mrs. A. A. Hoof, Mr. and Mrs. H. T. Davies, Mr. and Mrs. W. F. Cooke, Dr. and Mrs. E. H. Marsteller, Misses E. H. Osbourne and Sara Pitts, Mrs. Marshall Haydon, Grace F. Hite and J. B. T. Thornton and Messrs. D. J. Arrington, F. D. Cox, Harry P. Davis and R. C. Haydon. This meeting adopted the following objectives to be carried out during the Bi-centennial years of 1931 and 1932:

1. That the county history now being worked up by a teacher of the Bennett school for use in the 4th and 5th grades be carried to completion.
2. That the history of Manassas being worked up as a project in the 6th grade be continued and completed.
3. Locate and mark all important historical spots in county.
4. Collect all interesting facts concerning George Washington as related to history of Prince William county.
5. Prepare and put on display relics relating to the history of the county.
6. Try to get Mr. Fairfax Harrison to make available for the public more copies of his history, "Landmarks of Old Prince William."
7. Beautifying town and county highways as far as possible.
8. Place an exhibit of pictures and relics at headquarters in Washington.
9. Have competent volunteer guide service to direct visitors to places of interest in the county.
10. Have a county celebration such as

- (a) Colonial Day.
- (b) Battlefield Day.
- (c) Northern Virginia Dairy Festival.

NOKESVILLE

Well, it looks as if the depression
has at last hit the Nokesville news
letter. The younger generation
around this vicinity is busy cramming
for the final examinations and the
older folks are up to their necks in
the business of planting and plow-
ing corn and hoeing potatoes.

"But," you say, "that's no news,"
and nobody knows how true that is
any better than myself. We'll hang
on a while. Maybe something will
turn up.

We have had one series of notable
events in Nokesville, however, in the
meetings being held by the Rev.
Japhet, assisted by his wife and Rev.
Frame.

For the past two weeks Rev.
Japhet has been delivering nightly
interesting discourses on the
Bible. The meetings will close Wed-
nesday night.

We understand that Rev. and Mrs.
Japhet intend to make their home in
our town. We are very happy to ex-
tend them a hand and say, "Welcome
to our midst!"

BETHLEHEM GOOD
HOUSEKEEPING CLUB

On May 18 the Bethlehem Good
Housekeeping Club met with Mrs.
Boteler and Mrs. Hutchison assistant
hostess.

Mrs. Hutchison called the meeting
to order using a gavel presented by
Mrs. Hodge. It was made of wood
from a pew in an old church near
Philadelphia that George Washington
attended during the Revolution. Fol-
lowing the Lord's Prayer, Mrs.
Hodge's prayer was a memorial to our
late president, Mrs. Charles Lewis,
who was with us one year ago.

Mrs. Marion Lewis, who is a mem-
ber from our club of the advisory
board, gave a report of the recent
meeting. A remarkable woman from
Washington entertained the children
for several hours with games. Af-
terwards refreshments were served.

Educational committee reported
several new books given to library:
"Stonewall Jackson," "American Civil
War" by Henderson; "Life of Lee,"
"A New Life of Washington" by Dr.
Weir Mitchell; "Epic of America,"
"Young Washington," "Mosby's
Night Hawks," "A Virginia Scene" by
Miss Maud Ewell. Garden shelf-
10 practical books on the garden and
Weems' Life of Washington now out
of print.

Adjourned for the social hour which
was enjoyed by all.

June meeting with Mrs. Spies.

RECREATIONAL MEETING HELD IN MANASSAS

The 4-H Clubs of Prince William were well represented in a very interesting recreational meeting at the gymnasium of Manassas high school. The meeting began at 4:30 o'clock and closed at 9. The Women's Club sold supper from 6 to 7 o'clock.

The meeting was called to order by Doris Bubb, president of the county club council.

Miss Gardner had charge of the meeting. The first part of the program was given to learning funny and serious songs.

The songs were followed by a talk on posture with some exercises for the improvement of posture.

After the posture talk Miss Gardner led the group in single circle games. The games played under this group were: Have You Seen My Sheep?; Flying Dutchman, etc.

The couple games played were: Fire in the Mountain; Face to Face; Back to Back.

"FREAKS" TELLS GRIM DRAMA OF SIDESHOW FOLK

"Freaks," a picture said to be as strange and fantastic as the armless and legless wonders who have a prominent share in its cast, will open Wednesday at the Dixie Theatre as the latest directorial effort of Tod Browning, creator of the mystery hits "Dracula" and "The Unholy Three."

While the cast is headed by such well-known film names as Wallace Ford, Leila Hyams, Olga Baclanova and Roscoe Ates, it is the appearance of such unusual persons as Johnny Eck, the boy with half a torso; Randian, the Living Torso; Schlitz and the Snow Twins; white Pin Heads; Pete Robinson, the Living Skeleton, and Koo Coo, the Bird Girl, in an engrossing drama built directly upon the intimate lives of these freaks of nature, that gives this picture the reputation of being the most unusual ever seen on either silent or talkie screen.

The strange plot, based on Tod Robbins' story, "Spurs," concerns the romance of Harry Earles, the midget who scored in "The Unholy Three," and Olga Baclanova, in the role of a trapeze artist. Miss Baclanova is seen as an unprincipled woman who marries the midget only for his money and takes the first opportunity to realize on her investment by an attempt to poison him. The midget, however, discovers the plan and with the help of his loyal fellow-freaks inflicts the most fiendish and horrible revenge on his scheming wife yet devised for a screen plot. This thrillingly gruesome tale is given a pleasant aspect in the depiction of the love affair between Ford and Miss Hyams which comes to a pleasant conclusion.

CHRIST FOR ALL—ALL FOR CHRIST

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize a Bible selection each week, it will prove a priceless heritage to them in after years.

A SAFE FORTRESS.—As the mountains are round about Jerusalem, so the Lord is round about his people from henceforth even for ever.—Psalm 125:2.**POPPY DAY**

The first public activity of the local post of the American Legion is POPPY DAY. This will be held on Saturday. These little poppies will be offered for sale by ladies of the families of the members of the Legion.

Whatever the price asked or the price offered, the poppies are worth it. The appeal is set forth more fully in the beautiful cross printed on the back page of this issue.

DON'T FORGET POPPY DAY.**SPLENDID WORK**

The floral exhibit put on by the Garden Club section of the Woman's Club was truly one that the town and community should be proud of.

The variety, arrangement and profusion of selections were surprising. It is hard to realize what the women have done in the few short years that this effort has been under way.

The Journal is satisfied in making the statement with all truth and justice to other exhibits made by clubs in northern Virginia that it does not believe that any other exhibit came up to that of Manassas.

We congratulate the ladies!

THE MORAL DEPRESSION

One need not be moved by religious fervor to agree with Pope Pius that what the world needs most today is a more general adherence to a higher code of ethics, whether such adherence be the result of piety or merely the prompting of a spirit of fair play. This observation applies to nations as well as to individuals.

In the United States lawlessness runs rampant. And the worst feature of the situation is that governments appear helpless before the criminal element. The menacing shadow of organized hoodlum grows larger instead of smaller. Things are publicized throughout the country as having committed every crime in the calendar, yet they walk the streets as free men.

The stock market gambling which characterized American life during the Coolidge boom

days was a phase of the general condition of recklessness. Prudent men realized that this orgy must, perforce, and in disaster. It betokened a grasping spirit that could not be curbed, either by moral or economic appeals.

Similarly, the nations of the earth have revealed wild thinking and a restlessness which have resulted in strange, new governments and military establishments which do not square with the ideals of world amity that gained such a hold on the imagination directly after the great war. Governments are moved by the spirits of the individuals who make them.

Perhaps this is only a temporary condition, traceable to the conflict of 1914-18, when conventions were discarded and men scoffed at things which hitherto they held sacred. Perhaps soon the dawn will break after a dark night. At any rate, the Pope, as the head of a great religious organization, world-wide in its ramifications, has sounded a much-needed call for return to a higher plane of living. It is to be hoped by all of us, regardless of church affiliations, that his appeal has not fallen on deaf ears.—Richmond Times-Dispatch.

ACTRESS NOW FLIES OWN PLANE JUST FOR THRILL

Paula Lind found the life of a successful stage actress so deficient in thrills, that she took up aviation as a diversion from her humdrum existence. She holds a pilot's license and flies her own plane. Recently she sought another field of self-expression—the screen. She makes her picture debut in "Wayward," shown at the Dixie Theatre Monday and Tuesday, with Nancy Carroll, Richard Arlen and Pauline Frederick in the featured roles.

Miss Lind, a graduate of the Sargent Dramatic School, made her first stage appearance in "The Passing Show of 1924," in which, coincidentally, Nancy Carroll, who has one of the leading roles in "Wayward," had a song and dance number.

The young aviatrix attracted national attention by flying solo after only five hours and ten minutes of dual instruction at Roosevelt Field, Mineola, L. I.

THE BEER TALK

(sent in by a subscriber on Route 1)

Why is Germany in trouble?

She has beer.

Why has England got its double?

She has beer.

Why is Belgium in distress?

Italy in such a mess?

Why grow pesos less and less,

Where there's beer?

One would think there'd be no sorrow

Where there's beer.

The millennium come tomorrow

Where there's beer.

Yet the countries that have brought us,

To the brink where now you spot us,

Raising bogies that have got us—

All have beer!

I'd espouse that panacea

Foamy beer.

I'd believe there would be a heaven

here.

Were there beer.

But the grieving is the deepest

Where the stuff has been the cheapest;

Road to solvency seems steepest

Where there's beer!

Were that brew the magic token—

Potent beer.

Then that word should soon be spoken

Over here.

But those frantic demonstrations

Of a lack of clothes and rations

In those beer-befuddled nations—

Whoops, my dear!

—Strickland Gilliland.

VEGETABLES DAMAGED BY CUTWORMS

Watch out for cutworms on transplants and seedlings. Cutworms are small caterpillars from one to two inches long, of various shades of yellow, gray and brown, and with few or no hairs. They cut off the plant near the surface of the ground. A simple

method of control is to place a narrow band of paper around each plant and support the band by pulling dirt against it. They can also be effectively controlled by the use of the following:

Poison Bran Mash.

Bran 1 pound
Paris Green or Arsenate of Lead 1 ounce

Salt 1 ounce

Cheap Syrup 2 tablespoons

Sufficient Orange or Lemon to Flavor

Whole.

Add sufficient warm water to make a crumbly mash. It should fall apart readily after pressing together in the hand. Apply at close intervals a small amount to each place. It is usually best to apply in the evening. Keep poultry out of treated garden.

"HORSE SENSE" IS NEEDED FOR PART IN "GHOST CITY"

Selection of a horse of unusual intelligence to make a thrilling rescue from a burning mine shaft just prior to an explosion was one of the problems of Harry Fraser, director of the sensational Monogram Western, "The Ghost City," starring Bill Cody and Andy Shuford.

Fraser's final choice after looking over more than a score of film horses, is the mount used by 12-year-old Andy, who engineers the rescue of his pal from the abandoned shaft.

"The Ghost City," which comes to the Dixie Theatre next Saturday, is probably most thrilling Western seen in this town for some time. Among the action highlights in addition to those mentioned are several fist-fights, three gun battles, the blowing of a safe, a duel in a city street, and several rip-roaring chases on horseback.

ENTERTAINS FOR MISS MUDDIMAN

Mr. Edward Webb of Chain Bridge gave a birthday party in honor of Miss Ann Louise Muddiman, daughter of Mr. and Mrs. Grover C. Muddiman, of Manassas.

There were forty-eight guests, all of whom were from Manassas, Chain Bridge, Nokesville, Washington etc.

Among the guests were Mrs. T. M. Gentle, Mr. and Mrs. Williams and Mr. W. T. Athey of Washington, Mr. and Mrs. W. J. Herndon and family of Nokesville, Mr. and Mrs. Fred Carper of Alexandria and two daughters, and Miss Evelyn McDaniel of Baltimore and many others.

Refreshments were served at 10 o'clock and the large birthday cake decorated with candles was the center piece of the table, followed by dancing.

Mr. Tommy Brown of Washington who sings over the radio made the evening quite enjoyable by handing us good music.

The evening was greatly enjoyed by all, the weather being ideal and the lawn and trees, with the full moon, made an attractive setting for the party.

Near the closing of the party, Miss Muddiman received many nice and useful gifts, the guests wishing her many more birthdays to come.

Possible to Read by Light Mushroom Gives

Reading by the light of mushrooms is a novel experience. A striking phenomenon shown by certain fungi is luminosity of phosphorescence, according to Vera K. Charles, pathologist of the United States Department of Agriculture, and an Australian species of mushrooms is said to give out such a clear, emerald-green light that it is possible to read by it. The phosphorescence sometimes noticed in dead wood is caused by the underground or vegetative part of the mushrooms, which often gives off a bright glow that may be seen from some distance. Phosphorescence is sometimes shown by the mushroom itself, as in the cases of Clitocybe illudens, commonly known as Jack-o'-lantern, and Panus stypticus, a very common species. Phosphorescence in mushrooms has been the basis in some countries for fairy stories and superstitions about ghosts.

DISTRICT MEETING MISSIONARY MEETING

Alexandria District Holds Interesting Session at Falls Church.

The Alexandria district meeting of the Woman's Missionary Society was held at Falls Church May 19-20.

It was evidenced throughout the sessions that our district secretary, Mrs. George Parker, had given much of time and thought and prayer to make this meeting one of such high spiritual order.

The reports showed gains in both membership and finances. Many phases of the work were presented by those who have it in charge.

An outstanding feature of the meeting was a talk given by Miss Rumbough, a returned missionary from Poland, who told in graphic words of her work there and the difficulties met and overcome. Miss Rumbough is now council secretary of "Children's World Friendship Clubs," an organization that has as its object the bringing of the children of the world into an understanding of each other, and creating a love for each other by the sharing of gifts.

Mrs. J. D. Cook, district key woman of "Christian Social Relations," told what had been accomplished in that organization, which had co-operated with twenty-six other welfare organizations. Petitions concerning peace and disarmament had been sent Congressmen and to the President. Jails and hospitals were visited and many other activities.

A clear note of protest was sounded by this body of Missionary women against any modification of the 18th Amendment. They stand firm for Missions, Peace and Sobriety.

The devotional periods conducted by Mrs. Grover of Washington carried us into a high realm of thought and experience.

Eleven ministers and two presiding elders were present.

The church was filled with delegates and visitors. Lunch was served to 175 delegates and others.

FAMOUS POLICE CASES FURNISHED DRAMATIC MATERIAL FOR "THE BEAST OF THE CITY"

Revelations of celebrated police cases gleaned from secret service records and secrets of some of the ruses used by detectives in tracking down their prey form an important part of the plot structure of "The Beast of the City," dramatic story of city life and political corruption, which will open next Friday at the Dixie Theatre.

The multifarious tricks of rum-runners and hijackers, the manner in which they move contraband in produce trucks, how alarm systems protect the "plants" of bootleggers, how bandits organize—are all shown in this picture.

How detectives utilize delicate scientific apparatus, how finger-prints are classified, how the micrograph, camera, dynamometer and other aids to scientific detection are operated, how the "psychological third degree" works are other revelations in the story which presents an accurate insight into the machinery for enforcing the law in large American cities.

Police officers and criminology experts aided in technical research and two hundred policemen were secured to appear in the more important scenes in order to make the police atmosphere absolutely authentic. Charles Brabin directed the production from an original story by W. R. Burnett, author of "Little Caesar."

Featured in the cast are Walter Huston of "Criminal Code" fame, Jean Harlow, Wallace Ford and Jean Hersholt. Though a vivid panorama of the police problem of the average American city, the picture is basically a dramatic romance. The love story between Miss Harlow, as the blonde charmer of the underworld, and Ford, as the young detective, runs through the rapid-fire structure of tense drama, heart interest and spectacular excitement.

Dramatic highlights include the sensational race of police cars and the bandit truck, the thrilling battle of the alley, the radio alarms and runs of the police cars, and the fight in the underworld cafe.

BEAUTIFUL GARDEN

There's a garden abloom with the fairest

And rarest flowers of earth,
It is bright with the light of their faces

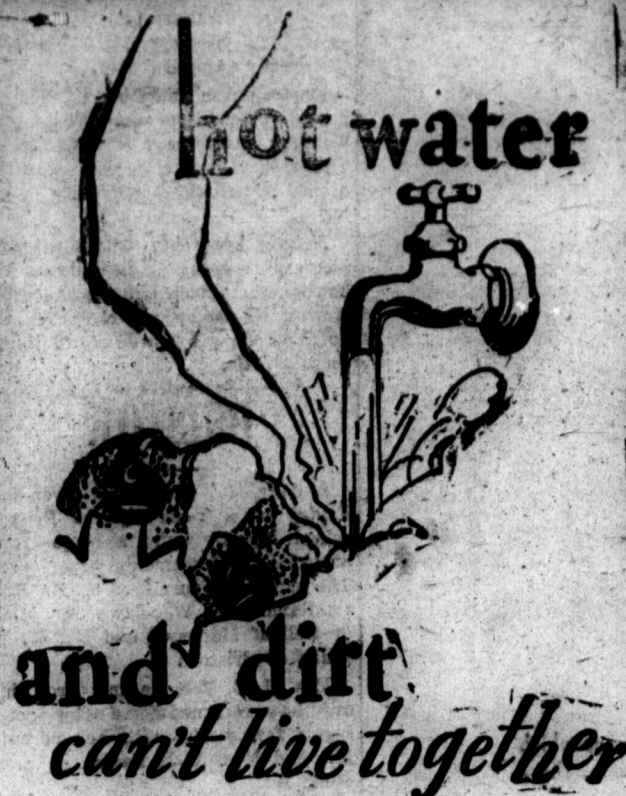

It rings with the joy of their mirth.

It is my garden of memory.

Of friends I have lost for awhile;
Tho' I miss the joy of their presence
I can vision the warmth of their smile.

Like lilies they grow in this garden
No sorrow or grief to enthrall,
He reigns—the sun of the morning.
He lives—when their fragrance fall.

This beautiful memory garden,
A blessing to me from above,
Some day we will greet the bright flowers,
That bloom in this garden of love.

O. F. A. HONORS DEPUTY BAKER

Faithful Worker Given State Office.

At the State Council held last week at Alexandria, Joseph N. Muddiman failed by a few votes to get on as State Outer Guard. This was largely because District No. 5 was miserably represented in point of numbers in the Council.

It was a distinct disappointment to Bull Run Council as its past president deserved a place in the State Council.

This circumstance was leavened by the fact that the Executive Board placed George D. Baker, for several years deputy of District No. 5, on the State Credentials Committee. (Congratulations, Brother Baker.—Ed. note).

MEMORIAL WINDOWS DEDICATED

Rev. A. S. Gibson last Sunday morning formally dedicated the beautiful new memorial windows in Trinity church, this Sunday being the ninth anniversary of the move into the new church.

These windows were given in memory of Dr. William Fewell Merchant, Mrs. Augusta Ann Hynson, little Margaret Law and the Herrell family. Another given by Miss Mildred Lawler as a memorial to her family will be dedicated at an early date.

These windows represent the latest type in the church architecture and the inscriptions are truly inspiring.

REPORT OF MANASSAS HIGH SCHOOL COMMUNITY PATRON'S LEAGUE FOR YEAR 1931-1932

Manassas League has not only aimed for a standard league financially, but has aimed for the high mark of a better community.

Under the leadership of efficient officers, the league has so far had a very successful year.

We have sent delegates to all important meetings held, such as state and county, and have held all of the extra meetings, such as having a speaker from State Board of Education and one to speak on re-organization of county government.

The league made the free-will offering to state work and subscribed to Community League News.

It has helped considerably in beautifying the school grounds—planting shrubbery and trees. One tree planted in honor of the Bi-centennial year.

The league began work in the fall with a much depleted treasury. After much talk and discussion as to how to raise the money needed to pay its obligations, the members decided to serve lunches to the pupils of the school. By soliciting the necessary materials for these lunches, they could be served at such a small sum that any pupil could buy a delicious hot lunch, served from the kitchen of our school.

The lunches were served during the months of December, January and February, and then turned over to the Graded School League for the month of March.

This work not only gave us the much needed funds to meet our debts, but has been the means of bringing school faculty, pupil and patron together in a most helpful and pleasant way.

The league has paid for this school \$90.00 toward librarian's salary, \$25.00 toward additional books for school library, \$25.00 for music supply for school, and several minor debts.

We labor persistently to have county officials make available the services of a Public Health nurse, a home demonstration agent, and a county agricultural agent.

We support the "five-point child" program, and are looking forward to doing a better work for our schools and community in 1932-33.

Respectfully submitted,
MARY T. LYONS, Secretary,
Manassas High School Community Patron's League.

A SAD ACCIDENT

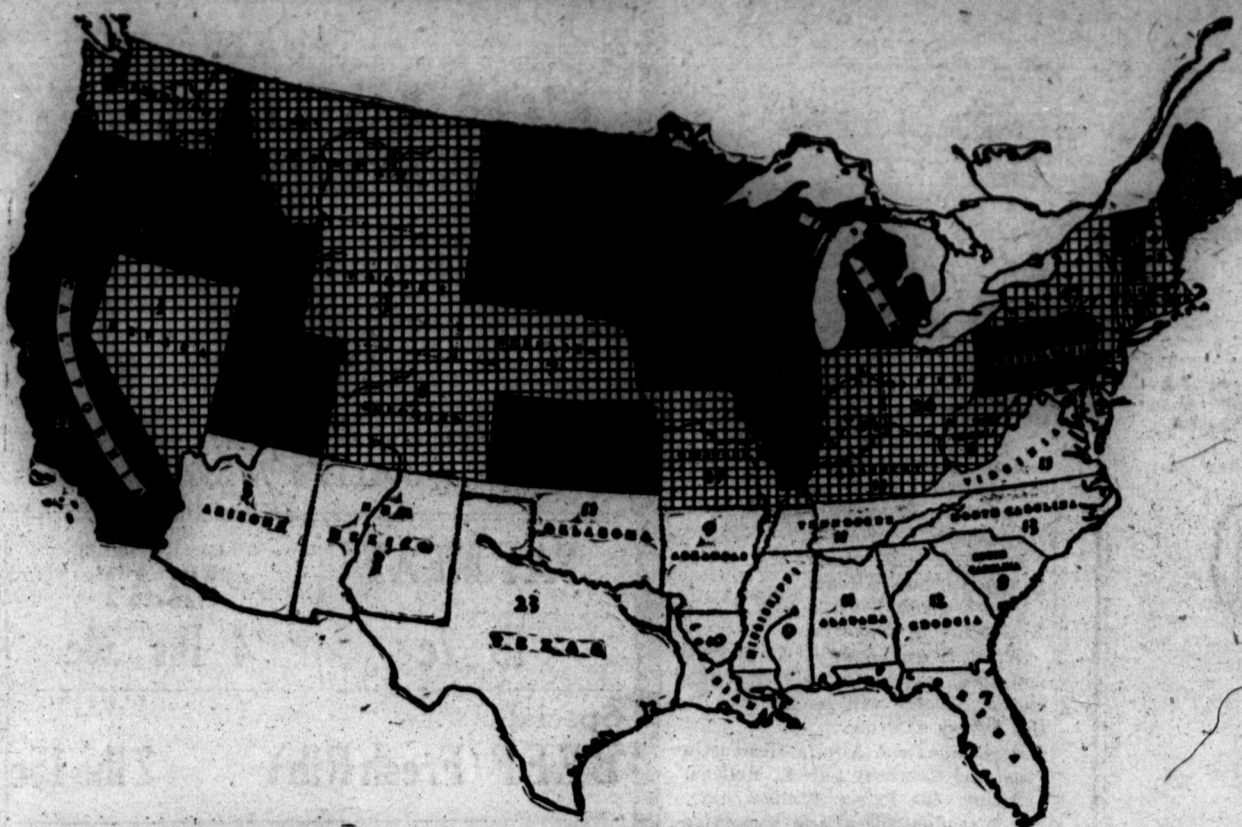

Early Tuesday evening, John Hynson, one of the town's young business men, had a most unfortunate accident which will keep him laid up for most of the summer.

While walking about his yard, his foot became entangled with the low wire about his flowers, giving him a very sudden and hard fall. Not realizing that he had sustained a green fracture, Mr. Hynson arose, and his weight caused the collapse of his ankle, occasioning a very serious break.

The swelling was so severe that up to the time this article is being written, the bone had not been set.

Mr. Hynson's presence from the store will be greatly missed by the many people who are accustomed to his friendly greeting, and general sympathy is felt for his unfortunate

CHILDREN SING FOR KIWANIS

The Junior Sponsors came to the rescue of the Kiwanis last week and put over a nice little program. Nancy Leachman sang and played, Virginia Pullen recited and joined in the singing. Althea Hooff introduced the Bi-centennial feature by playing the President's March, explaining how it was played during Washington's trip to his first inauguration. It was real sweet and pretty and the big boys thoroughly enjoyed it.

Fred Hynson and Dick Hynson reported briefly on the Washington birthday anniversary (not George's). The rest of the club was regretful of not having the opportunity of going.

Nobody knew just where the next meeting is going to be held as the housing committee went to sleep, but it may be somewhere else than the hotel as the grads will crowd things there a little.

BRISTOW

A delightful dance was given last Friday of a week ago at Bristow school house. Quite a large crowd attended. Refreshments were served. The music was furnished by Mr. Robert Randalls of Woodlawn, Mr. Mickey Bell of Manassas and Mr. W. W. Walls of Bristow.

Mrs. H. C. Venable and three children have returned home after spending a few weeks with her parents, Mr. and Mrs. J. J. Feaga, in Frederick, Md.

We are sorry that Mr. and Mrs. Mark Swank have moved out of the community.

Mr. Mark Long and Miss Evelyn Walls were Sunday visitors at her home town at Midland.

AMELIA EARHART, whose non-stop solo flight across the Atlantic in 15 hours and 59 minutes, broke all time records for trans-Atlantic crossings. She used "Standard" products—Stanavo Aviation Gasoline and Stanavo Aviation Engine Oil.

She Needed Everything...

...She Had Everything

It takes plenty of flying skill to solo across the Atlantic. But that's only part. It takes good weather, good judgment, good instruments, courage, ability, training. And it takes an adequate supply of fuel and oil that you know you can depend on. A trans-Atlantic flight takes everything.

TAKE a tip from Amelia Earhart. You can't sit on top of the world unless you've got everything. Real gasoline must have everything, too. Quick starting is not

enough. High octane rating (anti-knock) is not enough. Mileage is not enough.

If your car bucks and stalls in hot weather and heavy traffic, if you're paying needless repair bills for cleaning valves or carbon jobs, you're not getting your money's worth. You're paying twice for your gasoline. Once at the pump and again at the repair shop.

1932 gasoline must have everything. "Standard" 1932 gasoline has everything.

Quick starting for traffic jams. Smooth and silent power when you need it. Added miles of low-cost, trouble-free transportation. Read the list at the left. Check it. It spells savings. A sweet engine.

Next time you buy gasoline—buy "Standard."

It has everything a real gasoline should have.

"STANDARD" HAS EVERYTHING! Check it!

- ✓ CARBON-LESS—Spark plugs, pistons, cylinders and valves stay clean. Saves repair bills.
- ✓ GUM-LESS—No clogged manifolds—no sticky valves. Cuts repair bills.
- ✓ SULPHUR-LESS—No corrosion. Saves repair bills.
- ✓ ANTI-KNOCK—Extra power, less noise, less upkeep cost through reduced hammering of pistons and bearings. Cuts repair bills.
- ✓ QUICK STARTING—Minimum use of choke—quick power and pick-up—less contamination of crankcase oil.
- ✓ "BUBBLE-FREE"—No stalling and bucking from vapor bubbles in gas line and carburetor—even, steady flow of power in the hottest motor.
- ✓ ODOR-LESS—Refined "sweet"—no disagreeable smells.
- ✓ CRYSTAL CLEAR—Made clear—stays clear—a guarantee of perfect cleanliness. Saves money.
- ✓ UNIFORM—Same quality and results always, everywhere. Always more miles for your money.

CATHARPIN

Mr. and Mrs. C. C. Lynn and Mr. and Mrs. W. K. Caldwell visited Hagerstown, Harper's Ferry and other points of interest last Saturday, returning via Purcellville and dining at the Fairway Inn in that city. They report an interesting trip over these historic grounds.

Mrs. J. L. McCutcheon and daughters, Mrs. Onley and Mrs. Feuschel, and their children packed a lunch and came to Oakwood lawn on Friday last and asked the privilege of eating it under the old oaks and incidentally inviting the "natives" to join them in the feast. This was somewhat out of the usual order; generally 'tis the other way 'round when city folks come to visit their country cousins. Needless to say a delightful visit was the result.

Mrs. Esther D. Terrell while still confined to her room at the Warren-ton hospital is gradually improving tho' probably not as rapidly as might be desired but satisfactorily. She is now able to see her friends and it is the hope of all that she may soon be restored to her usual health.

"Dinah's Quilting Party" was an event much enjoyed by the ladies of the Sudley Missionary Society when they met last week in the lecture room of the church quilted two quilts in a little less than two days. Each took a lunch and several ladies, not able to sew, attended to the coffee and table arrangements and at high noon a delicious dinner was enjoyed by all. It is the desire of the society to do as much quilting as they can during the summer and fall since it will add something to their exchequer and afford an excellent opportunity to get together for a good old chat.

During the past week Mr. and Mrs. R. A. Collins of Marble Hill had the pleasure of entertaining their cousins, Mr. and Mrs. Tolley and Miss Baker of Hampton, Va., who are accustomed to make this visit an annual affair. While here they were taken to many points of historic interest in Prince William and elsewhere and all attended Sunday school and church services at Sudley on Sunday morning and were much interested in what they saw and heard. After services they enjoyed a good dinner with their cousin, Mrs. C. F. Caton.

The Sudley Sunday school has been reorganized and graded for the summer's work and last Sunday witnessed the largest attendance of the year. The work as now planned bids fair to increase the interest in all departments. 56 were in attendance at the Bible class session. The spirit is fine among both teachers and pupils and Sunday school day is set for early in June.

Two of our farmers visited Washington one day last week delivering some calves and lambs to market. As usual, when noon time arrived, they got hungry and going to a restaurant ordered a dinner, receiving two thin slices of beef weighing probably about 1 ounce; two thin slices of bread, a spoonful of potatoes, a cup of coffee and a small cube of butter, all for the price of fifty cents. As one of them soliloquized on his way home, at the price he received for his lambs and calves, the meat he consumed must have cost about five-sixteenths of a cent; bread at 5 cents per loaf, his portion was worth about one-fourth of a cent; potatoes at 50c per bushel his portion was so infinitesimal that he could not calculate it; his butter, according to the 15c price he was receiving for his butter-fat, must have been worth about fifteen-fortieths of a penny; and the coffee he could not calculate. All in all he figured that a 200-pound calf, two bushels of potatoes and four pounds of butter-fat would furnish the basis for about 1600 meals, which at 50c would equal about \$800; this, in comparison to the small sum of about \$12 which he would receive for the above named commodities, and the aching void in his stomach caused him to become dizzy and fall off his seat.

Mrs. Wilbur Donahoe and daughter of Washington spent Monday with Mrs. Bertis Caton.

Mrs. J. W. Alvey and Mrs. W. Holmes Robertson were Washington shoppers on Monday.

The Catharpin boys met the Green- wich team on the home grounds at Catharpin on Saturday and came off victors by the score of 12-8. This makes three in a row for the home folks. They play the Triangle team again on Saturday in Manassas. Its time now for the Catharpin boys to begin "looking out"; their winning streak has attracted the attention of the other clubs and they sure will try to break it. They must uphold the "tradition of the Elders."

Better Breakfasts

THERE is no use in trying to palm off "the same-old-thing" on anybody during the month of May. Spring sunshine is too bright and that spring feeling that the world is a charming place and must live up to its possibilities is too strong.

Take the family which has all winter breakfasted uncomplainingly on prunes and oatmeal and toast! It simply turns up its collective nose when these time-honored favorites appear in their accustomed dishes of a brilliant May morning. The world—in the person of the presiding housewife—has to do better for them than that! They have to have something with a "spring-ish" element of novelty about it. They should have something with the necessary elements of nutrition in it, for they need nutrition in spring as well as any other time.

TO MARK SECOND PRINCE
WILLIAM COURTHOUSE

tival Day.
11. Ask each important organization in county to appoint a representative to form a general committee to meet and work out a plan to submit to Mr. Wade Hampton and his county committee.

On April 27, 1932, Mrs. Thornton called a meeting of her committee with the following present:

Mrs. Guy Allen, Mr. and Mrs. J. R. Evans, Mr. W. H. Ellicott, Miss Beatrice Clark, Mrs. Albert Speiden, Miss Sarah Pitts, Mr. O. D. Waters, Mr. and Mrs. H. T. Davies, Mr. M. J. Hotte, Mr. and Mrs. E. H. Hibbs, Mr. J. L. Dawson, Mrs. J. B. T. Thornton and Mr. R. C. Haydon.

Reports made at this meeting revealed that:

(1) The county history with the co-operation of teachers and others had been completed and was now in use in the schools.

(2) That the site of the first Court House near Woodbridge has been permanently marked and with appropriate ceremonies.

(3) That the history of Manassas had been worked up and completed by Mrs. Hite and her teachers at the Bennett school.

(4) That all organizations, religious, civic and fraternal had been observing the anniversaries and celebrating them appropriately in their programs and by planting trees and by other exercises.

(5) That plans are on foot to celebrate Battlefield Day, July 21, with Mrs. Albert Speiden representing the United Daughters of the Confederacy as chairman.

The committee hopes that there will be very general interest in the Cedar Run Court House unveiling as there was at the celebration at Woodbridge. It hopes at some future date to permanently mark the site of the third county court house which was located in the town of Dumfries.

BOARD ATTENDS
TO ROUTINE

Tuesday's Session Developed
Nothing Out of the Usual.

The Board of Supervisors held a meeting largely devoted to routine on Tuesday.

Two road relocations and one new location were up for consideration.

In the matter of the Independent Hill-Joplin road, Miss Bertha Woolfenden accepted \$40 as payment for land taken.

On the Aden-Brentsville road, Henry Keyser donated a small parcel while the county will pay J. F. Landis and J. D. Collier each \$20 for land and improve the road from the gate on Wright property to the new location.

In the Carolina road to Jannet's Mill proposition, the report was referred back to the viewers for a supplement report.

The Board ordered the county treasurer to pay over to the county fund all delinquent taxes and to so do until further ordered.

Numerous matters of minor detail were disposed of and the Board rested on its oars until its next meeting on June 28.

Buy and Wear a POPPY

SATURDAY, MAY 28

KEEPING faith with the heroic dead of the World War this year has a greater significance than ever before. Countless veterans of that great conflict today are feeling the pangs of suffering . . . not only from wounds but from present economic conditions as well. They're in need of a **HELPING HAND**.

Once, they, too, gave unselfishly for our Peace and Happiness. Many gave life itself. 'Tis little enough we can do in return now by opening our hearts and our purses and **BUYING A POPPY**. Keep ye the faith!
