HALL DECIDES ON OFFICE LOCATION

Geology, Forestry and Water Power to Remain at Charlottesville.

Chairman Wilbur C. Hall of the Conservation Commission announced this week that he would continue the location of his divisions of geology, forestry and water power at the Charlottesville location.

Advantages of centralized location at Richmond were said to be outweighed by the more expensive rental situation at the Capital.

An important question under discussion at Conservation headquarters in Richmond this week was that of limiting the use of newly-constructed truck roads which have been built to aid in fire control. Complaints are being received, it is said, that these new highways are being rapidly torn up by private logging operations. It is probable that some plan of assessment against the logging concerns for road maintenance may be worked out.

It was announced that W. H. Stoneburner of the park service has been transferred to the state forestry service with the title of assistant state forester.

The Conservation Commission has also announced that in May a tour of state parks will be made, with national park officials as guests.

ODD FELLOWS SEAT NEW NOBLES

Deputy Smith's Team Performs Before Eminent Guests.

Highland Lodge No. 252, I.O.O.F., met in regular session Wednesday, Feb. 13. Due to the very bad roads and rainy night quite a number of members were absent. The absentees missed quite a treat.

There was quite a representation from Potomac Lodge, Alexandria, Va.

Bro. W. P. Reynolds introduced the noble grand and through the noble grand to the lodge, the visiting brothers, who were received very graciously by the noble grand in behalf of the lodge.

The visiting brothers were as follows: B. Turner, G. W. Bontz, P. G. H. Hudson, P. G. W. C. Cunningham, P. G., G. W. Reynolds, P. G., C. D. Lucas, Elmore Mudd, P. G., and Senior Grand Warden of Grand Encampment of Virginia, A. J. Hall, Bro. Lewis from Butler Lodge No. 535, Drums, Pa., A. J. Butcher, P. G., N. E. Evans, P. G., J. D. Runaldue, P. G., W. P. Reynolds, P. G. W. H. Scott, P. G., Bro. O'Mara, P. G. H.

After a short business session the lodge was set in order for installation of officers. This was put on by the past grand's degree team headed by J. W. Smith, district deputy grand master. Leroy Woodyard was installed as noble grand and W. A. Wine as vice grand.

After installation Bro. W. H. Scott was introduced by D. D. G. M. as a direct representative of the G. M. of the state of Virginia, who gave a very fine address, followed by short talks by some of the visiting brothers. Nearly everyone responded in some way, many giving very inspiring and informative talks. Bro. Hutchinson spoke in behalf of the Northern Virginia Association, he being president of the association. Bro. Lewis of Pennsylvania gave two very impressive readings, "The Good Samaritan" and "Stump the Toe." Bro. Lewis was both soul stirring and amusing, and everyone enjoyed his dramatic way of putting things.

The following members were present from the R. E. Lee Lodge, Dumfries, Va.: Bro. Abel, P. G.; Bro. Shumate, N. G.; Bro. Williams, P. G.; Bro. Oleyar, P. G.; Bro. Keys, P. G.; Bro. Crawford, P. G. These were introduced and received, and proved a great help in making the meeting a success.

Sandwiches were served at the close and everyone seemed very glad to have been there.

REV. HOOPER HEADS MASONS

Rev. Thomas W. Hooper, D.D., of Culpeper, Va., was elected Grand Master of the Grand Lodge, Ancient Free and Accepted Masons of the Commonwealth of Virginia, at the closing session of the 157th annual communication of the Grand Lodge in Richmond this week.

The friends of Mr. H. M. Daniel of Nokesville will be sorry to learn that he has returned to the hospital for treatment. His condition is not considered critical.

IMPORTANT NOTICE

Chief Howard of the Manassas Vol. Fire Dept. wishes to call attention to parties calling the Fire Department outside of Manassas to say when the call is put in if they have a hand dug well, cistern, pond or branch in convenient distance to the fire. We can not draft water from a drilled well.

Owing to the present condition of our dirt roads it will be impossible to answer out-of-town calls other than those reached by hard-surfaced roads until the condition of the dirt roads improve considerably.

He also wishes to state, Firemen will be on duty at all indoor public gatherings and at all shows held in the Dixie Theater.

KIWANIS GREET'S FERA EXECUTIVE

Public Works Program Is Discussed.

The Kiwanis Club had the pleasure last Friday night of meeting the new regional relief chief, Mrs. Ruth Thompson, of Morrisville, who has since opened up her office in the Hixon building on North Main street.

Mrs. Thompson was brought to the club through the courtesy of Mr. Lynn, program chairman of the evening. She spoke briefly but very charmingly of the aim of the project and stated that she was delighted to have located here.

Others from the relief and health work were Warren Coleman, disbursing officer; Mrs. Marion Lewis, welfare worker, and Miss Sabina Neel, Red Cross nurse.

Bob Hutchison expressed himself as highly delighted with the personnel of the new bureau, particularly its chief, and these sentiments were loudly endorsed by the rest of the club.

Mr. Lynn also called on Town Manager Coker to say something in regard to worth-while public works programs. The latter claimed that the cross-county road and the battlefield park were without doubt the two most important projects before the county today.

Perhaps the most pleasant instance of the whole evening was the appearance of Win Athey just as the program was started. Win was still a little weak on his pins but mighty happy to be there and the club certainly gave him a hand.

Ray Ratcliffe was busy most of the evening counting pennies to see whether there was a profit left on the Kiwanis benefit last week.

The club will meet in regular session tomorrow night and it is expected that the occasion will bring forth some patriotic response.

HIGH PRICED CATTLE SOLD IN PRINCE WILLIAM

Conner and Kincheloe sold to the Cochran Hill Packing Co. of Baltimore, Md., 20 fat cattle for 8 3-4 cents per pound weighed at Gainesville, Va. These cattle weighed 1166 1-2 pounds each and netted \$2041.37. This is the first case of cattle that have been sold in this section for over \$100 per head for a long time. These cattle were grazed and fattened by Mr. Frank Lee Huffman on his farm near Catharpin, Prince William County. They were bought around 4 cents per pound last year. It looks as though the farmer's good times are coming back.

APPLICATIONS FOR HEADSTONES

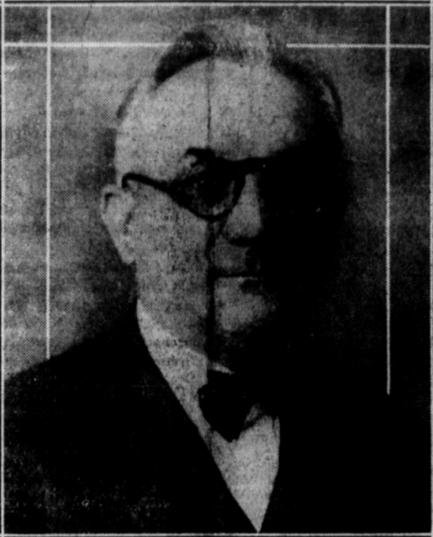

Through the investigation of the American Legion, Prince William Post No. 158, we have learned that it is possible to have headstones made for graves of all the dead who have given their service or defended the flag. This applies to the War between the States, Spanish-American War and the World War.

The headstones will be made of American white marble of fine granite, good texture and may have an inscription befitting each soldier. Each headstone will be thirty-nine inches long, twelve inches wide and four inches thick. Any family in the county who have members that have passed on and wish to have a headstone made, please apply to the adjutant or commander named below.

These are granted entirely without cost, with the exception of putting them up on the grave which will have to be supervised by members of the family.

Margaret Lynch, Adjutant.
Howard Jamison, Commander.

HON. GEORGE W. HERRING

ANNOUNCEMENT EXPECTED

Upon the authority of friends of Mr. Ed Conner of Manassas he is expected to announce his candidacy for the State Senate within the next week or two.

ORGANIZING COMMUNITY BAND

Mr. Charles C. Trimmer desires to contact with all those musically inclined and who desire to organize a community band. There are several experienced players in the town and these will be grouped in one class while the novices will be instructed separately.

Mr. Trimmer is aiming at an organization with a membership of twenty-five and has blanks on hand for application. The first meeting will probably be held early next week.

LIFE OF CHRIST COURSE

In the leadership training school to be held in the Manassas High School building, Monday and Thursdays, March 18 to April 4, at 7:30 p.m., one of the important courses to be taught is "The Life of Christ."

Church people and Sunday school workers cannot know too much about the unique life and dynamic teachings of Jesus. Behind the movement of Christianity and underlying it was the person, life and work of Jesus, the Christ. His life and teachings have changed the course of history.

The Rev. Wm. M. Compton, the successful pastor and preacher of the Methodist Episcopal Church, South, will be the teacher. He not only is a well-read man in religious literature but has had experience in teaching the Life of Christ.

This course ought to prove a very popular course and also a very profitable one.

SPONSORING WELFARE BENEFIT

The School League at the Occoquan High School is sponsoring a charity ball in the auditorium Friday night, March 1. The purposes of this entertainment will be to raise funds for welfare purposes in Occoquan district.

WE SINCERELY HOPE SO

We have been advised that our distinguished fellow townsman, Mr. R. L. Sadd, has deserted the Republican party and come over to the ranks of Democracy. We hope he will verify this rumor at once!

To the Voters of Prince William and Stafford Counties:

I take this occasion to announce my candidacy for re-election as Delegate from Prince William and Stafford Counties in the General Assembly of Virginia subject to the Democratic Primary.

My record as your Delegate is the best evidence of my sincerity of purpose in laboring effectively to improve our public schools, secure a proper return of State revenues to the localities, lessen your heavy burden of taxation, and to protect the welfare of the two counties that I have represented in all of the activities of the House of Delegates.

Should my candidacy continue to meet your approval, I shall, if elected, be enabled to add to the effective service which I have sought to render, the additional power of representation which comes with added years of continuous service.

Thanking you for your good will and votes in the past and trusting that my candidacy meets with your hearty endorsement, I am

Very sincerely yours,

GEORGE W. HERRING

BYRD WOULD END HOTEL SCANDAL

Senator Byrd has introduced a bill in Congress giving Virginia police authority over the Chamberlin-Vanderbilt Hotel at Old Point Comfort, which is located on federal property and is selling liquor in violation of Virginia law.

Representative Bland is sponsoring a similar measure in the House and it is believed that the hotel will be forced to comply with the Virginia liquor laws.

JUDGE EPES WAS BORN HERE

Distinguished Jurist Was Native of Prince William.

The late Judge Louis Spencer Epes, of the Supreme Court of Appeals of Virginia, whose death a few days ago was the occasion of widespread sorrow, was a native of Prince William County.

Although it has been recognized that he was born in this county, some have erroneously believed that he was born at Haymarket.

The facts are, however, that he was born at Greenwich, while his father, Rev. Theodore Epes, occupied the pulpit of the Greenwich Presbyterian Church.

About five years ago Judge Epes called at the home of the late M. M. Washington of Greenwich and was assisted by Mr. and Mrs. Washington in his efforts to locate the house in which he was born.

FARMERS RECEIVE MORE THAN \$35,000

Other Payments to Follow.

\$35,987.82 in corn-hog and wheat adjustment payments have been received by Prince William farmers up to this time. \$19,876.54 of this amount went to wheat and \$16,111.28 to corn-hog contract signers. Other payments will follow during the year.

The wheat contract, entered into for two years, covers the crop now in the field. The 1934 corn-hog contract terminated November 30, 1934; and a new contract for 1935 is now being signed by corn-hog growers of the county at the office of the county agent. While these payments represent a considerable amount of money, the real benefits of the control programs have been from their influence toward bringing about higher prices for corn, wheat and hogs.

JUNIOR WOMAN'S CLUB MEETS

The Junior Woman's Club of Manassas met on February 14 at the home of its president, Miss Esther Warren Pattie, with Misses Lucy Arrington and Ann Bradford as hostesses.

The publicity committee reported having sent articles to the "Clubwoman" for publication in the Junior issue.

Announcement was made of the silver tea to be given by the Girl Scouts at the home of Mrs. Didlake on Friday, February 23. The scouts were organized under sponsorship of the Junior Club, so interest is always taken in their undertakings.

The club was favored by a delightful informal talk on furniture by Miss Madeline McCoy in which she discussed the arrangement of furniture and characteristics of outstanding period furniture.

Delightful refreshments were served by the hostesses.

SODALITY RECEPTION AT LINTON HALL

Twenty-two cadets were added to the great army of the Sodality of the Blessed Virgin Mary, in an imposing ceremony, which took place in the Chapel of the Immaculate Conception, Sunday, February 17.

Rev. Francis P. LeBuffe, S. J., business manager of "America," officiated, and received the candidates after their presentation by the prefect, Leonard B. Doggett. Father LeBuffe gave a short address, in which he impressed on the young sodalist, their union with thousands of other members throughout the world, all striving for the same end. Special mention was made of the courageous group in Mexico, fighting hard to keep alive the spark of faith in their own and others souls. During Benediction, which followed immediately, Archbishop Curley's prayer for Mexico was read and typed copies were distributed to the cadets after the ceremony.

FOUR COUNTIES TO CO-OPERATE

Fairfax, Prince William, Albemarle and Greene Unite for Co-operation.

Boards of supervisors in four of the counties of the Eighth Congressional District have already joined the new Association of Virginia County Supervisors, and others are expected to do so shortly. County Executive Henry Haden announced in reporting upon the district organization meeting in Culpeper last week. Those who have joined are Albemarle, Fairfax, Greene and Prince William supervisors.

Six counties were represented at the meeting, which was thrown open to discussion by all those present.

Mayor Harry Davis of Manassas, former president of the League of Virginia Municipalities, said he felt the organization of supervisors would be welcomed by the league of cities. The two bodies should co-operate in many matters, he said.

Charles W. Crush of Christiansburg, who is now serving without remuneration as secretary of the association, outlined the plans and purposes of the body. The constitution includes six, as follows:

"(1) To inculcate and foster co-operation between county boards of supervisors.

"(2) To bring about an exchange of views, experience and business policies between the counties of the State.

"(3) To place the counties of Virginia upon a more business-like and efficient basis of operation.

"(4) To co-operate with the officials of the State government in matters leading to the betterment of conditions generally in the counties.

"(5) To handle legislative matters affecting the interests of the counties.

"(6) And for all purposes of general interest to, and welfare in, the counties."

Purcell McCue of Greenwood, vice-chairman of the Albemarle board, is head of the organization in the Eighth District. Others from Albemarle who attended the Culpeper meeting were Mr. Haden and Mr. Ballard.

JUNIOR WOMEN SPONSOR DANCE

Committees Are Selected for Dance on March 15.

At the last meeting of the Junior Woman's Club the plans for the St. Patrick's day dance to be given on March 15 were completed. Miss Rose Ratcliffe was appointed general chairman and the following committees were selected: Publicity, Lucy Gibson and Mary Lynch; decorations, Sally Lewis and Walter Conner; music, Frances Bushong and Pattie Saunders; invitations, Marion Lynn and Janet Truster.

It was decided that the dance should be held at the Manassas High School gymnasium and that the decorations should carry out the St. Patrick's day theme. The proceeds from this dance will be devoted to the various charitable works of this club.

FRANCES WILLARD MEMORIAL SERVICE

The Woman's Christian Temperance Union will hold their Frances Willard memorial service at the home of Miss Maggie Smith on West street Wednesday, Feb. 27, at 3 p.m. Please remember the roll call is answered by sayings of Miss Willard's or special Bible verses she loved, or short readings about her.

This is one of our national Red Letter days. All ministers and friends are invited. Everyone welcome.

GEORGE W. SHAFFER

George W. Shaffer, one of the most esteemed residents of the Nokesville community, died Wednesday night, February 20, after a brief illness. He is survived by his wife who was a Miss Swank and one daughter, Mrs. W. D. Nolley.

Mr. Swank moved to Prince William County from Rockingham about thirty years ago. He was a member of the Church of the Brethren and is mourned by a wide circle of friends. Not only was he a sufficient and prosperous farmer but he had gained quite a reputation for his skill in woodcraft and blacksmithing.

Funeral services will be conducted at Valley View Church Friday at 11 o'clock a.m.

CATHARPIN

Well, we have often heard the expression that "this world was just one thing after another." We shall not say the bad word that one usually hears in connection with this saying but our present experience certainly proves it true. But, still, there is consolation in the fact that they come "goose fashion" or single file rather than double up on us at one and the same time. For the past several weeks we were wallowing in snow drifts, flirting with zero temperatures, mails missing and paper boy frozen up for a week and otherwise everybody uncomfortable. And now as we write this Monday morning everything has gone in reverse; instead of wallowing in snow we are now wallowing in mud as deep or deeper, and this is also accompanied by missing mails and mired down paper boy. So it's a good thing, sometimes, that things do follow each other rather than try to overwhelm us with either joys or sorrows. Perhaps, after all this is one of Nature's ways of teaching us patience and fortitude in times of difficulty. Who knows?

As a rule, though, we as a people seem to enjoy complaining; or at least it might so appear since we do more of it, perhaps, than we should. At any rate, we have known cases where complaining had become a disease, and when this happens, we betide both the complainor and the complainee; for there is nothing so unenjoyable as a complainor. Do you remember that little couplet about "Smile and the world smiles with you"? You know the rest of it? If you don't, look it up at once; it might be useful. So we shall not take time now to complain about the roads, the mails, paper boys, etc. but let us all bide our time and when an opportunity comes, help our public officials to better the conditions for the future; thus in course of time we shall have contributed something of real value to our community. Complaints, as such, never gets us any place, but compliance with reason and judgment with existing laws and opportunities will work wonders.

Mrs. L. J. Pattie of Belle Farm is now sojourning in the Capital City this week visiting her daughter, Mrs. Briggs, and other friends in the city. It is not often that Mrs. Pattie thinks she can spare herself away from duty that long, but we are sure those at home will keep the "Home Fires Burning" until her return.

Mrs. L. L. Lynn and daughter, Elizabeth, spent Wednesday of last week with her mother, Mrs. Metz, in Manassas.

We were not expecting Government operations and especially the alphabetical part of it to penetrate to Catharpin, but such is her fame. Miss Hill, the teacher of the Catharpin school, and the children celebrated Valentine's Day by holding a little Valentine party during which the celebrated CCC was their happy experience—Cocoa, Cookies and Candy. A very pleasant little occasion was the verdict of all.

Miss Ora Haislip of near Catharpin joined the ranks of the indisposed last week and took her turn suffering from a case of flu.

Miss Bertha Pattie spent the week-end with her aunt, Mrs. J. H. Akers, of Rock Hill.

Mr. L. L. Lynn, our genial miller, was doing jury duty last week.

Aunt Sallie Berry, an old and respected colored woman of the Catharpin neighborhood, is seriously ill suffering from bronchial pneumonia at present writing.

"Soup's on!" Beginning this week soup and hot lunch is being served daily to the children of the Catharpin school being supervised by Mrs. L. L. Lynn.

Mrs. Audrey McIntosh Munday of Washington is spending some time with her aunt, Miss Sallie McIntosh, of this community.

For the first time since it started the school bus was unable to negotiate the whole route the first of this week; road conditions on the Groveton-Catharpin section becoming impassable, the bus, for a few days, shuttled between Gainesville and Catharpin where our recently constructed "Boulevard" enabled it to gather up most of the children. There's nothing like living on a "boulevard."

Mr. W. S. Brower has been confined to his bed during the past week suffering from an attack of sciatica.

Miss Virginia Hill, teacher of the Catharpin school, spent the week-end with friends at the State Teachers College, Harrisonburg, Va., last week.

Miss Annie Tolley of King's Tree, S. C., who has been suffering from a serious attack of flu, is now much improved and able to leave her room.

Miss Tolley is a cousin of Mrs. R. A. Collins of Marble Hill, with whom she spent the winter a short time ago thus becoming acquainted with many friends who shall be glad to learn of her recovery.

Believe it or not, but that old Quilting Bee which has been buzzing around this neighborhood for the past six or eight years has again "broken cover" and is a "busy as a bee"; there being no less than three quilts on the stretcher at the present time.

All of them, however, are not of the mercenary kind—that is, to make money. One group in the Groveton neighborhood made a wool comfort and presented it to a person in need of just such an article during the severe weather. This, with other necessary supplies contributed by that group has certainly brought comfort where comfort was needed. Cases of this nature can be duplicated many times if they were made public. "The hand of mercy" around the Sudley neighborhood is quietly doing its duty in many places which are unknown to the general public.

BIBLE THOUGHT AND PRAYER

GOD'S OPPORTUNITY: The sacrifices of God are a broken spirit; a broken and contrite heart. O God, thou wilt not despise.—Psalm 51:17.

MR. HERRING ANNOUNCES

It is a pleasure to note in this issue of The Journal the announcement of Hon. George W. Herring's candidacy for re-election as our Delegate in the General Assembly of Virginia.

By his sincere and effective efforts to promote the welfare of Prince William and Stafford Counties in particular, and the Commonwealth of Virginia in general, Mr. Herring has proven his worth. Many who did not at the outset appreciate the high type of representation which he has given us, now recognize the excellence of his accomplishments in the General Assembly.

The coming session is one of the most important in the history of this oldest legislative body in America. The nation is being rebuilt and Virginia will be asked to do many unprecedented things, some advisable and some undoubtedly inexpedient. It is particularly important, therefore, that we have an experienced legislator in Richmond.

The characteristics most desired at this time are combined in a very satisfying manner in the qualifications of Mr. Herring and we believe the voters of Prince William and Stafford Counties would make no mistake in re-electing their present Delegate.

THE GOLD DECISION

By a close margin of five to four the United States Supreme Court has ruled on the "gold case." The decision is said to have been regarded as a great victory for the Administration. Maybe so, but there are some aspects of the matter which are likely to make the average citizen a little dubious.

There has long been a school of thought in the world which argued that national expediency outweighs moral obligation. The Northern States said this when they refused to obey the rulings of the Supreme Court and precipitated the War between the States. Germany said this when it proclaimed a sacred treaty a "scrap of paper."

Folks who believe that governments should be honest in the face of all difficulties are shocked by the present decision

GOOD ADVICE

If money is an important factor in life, why not heed the advice of your banker?

He unhesitatingly urges that you deposit regularly in this friendly bank. It is not how much but how consistently you make deposits that counts.

Why not be prepared to meet the emergencies and opportunities of the future by building up a substantial balance here where your deposits are protected by Federal guarantee.

The Peoples National Bank of Manassas

which says that the United States Government has done wrong but that there is no permissible appeal from such action.

There is no question that a righteous conduct would have caused a great deal of trouble and would have complicated the progress of national recovery. Therefore, in the interest of the national welfare, it is committing an unconstitutional act because there can be no appeal from the action.

The federal debt is said to be about twenty-eight billion dollars. About thirteen billion of this was redeemable in gold. To protect a margin of forty per cent of this, or slightly over five billion dollars, the Government is going to deliberately violate the Constitution.

In placing national expediency above moral obligation our government has done a very dangerous thing. Our Supreme Court has ruled that the act is wrong. By its action, then, our government is doing exactly to its own citizens what the various European governments that owe us money are doing to us. One and all join in a mighty chorus: "We repudiate; collect if you can."

SENATOR BYRD JUSTIFIES HIS COURSE

"From the beginning of federal government" — we quote from Senator Byrd — "pensions have only been paid to those who have rendered military or other services to the government. It is of course obligatory on the government to prevent starvation and physical distress, after the resources of the States are exhausted. In every political campaign the issue will be made to reduce the age limit and to increase the amount of the pension. No government can afford to pay direct pensions to permit citizens to purchase luxuries as a means to increase the purchasing power of the public. Such a policy begun in time of depression will destroy any future prospect of prosperity."

"I realize that the American people have been educated to believe that there is a Santa Claus in Washington with an inexhaustible supply of money, but some day the money we are now borrowing will have to be paid. I am conscious that a public man who opposes plans to give away the public money will be severely condemned and criticized, and made to appear that he is unsympathetic with human suffering. I will vote for any appropriation that may be necessary to prevent starvation and to clothe the people, but I will not vote to foist upon this country a Federal pension system which I believe will mean our disaster."

"x x x We should know where this money will come from."

The foregoing is so eminently sane and sensible, and withal farsighted, that it ought to commend itself to the approving judgment of every thoughtful citizen. To our way of thinking, Senator Byrd makes an excellent justification of his course in opposing the old-age pension plan now under consideration, a plan which contemplates an increase in Virginia taxation in excess of one hundred per cent.

MUSICAL PROGRAM AT YOUNG PEOPLE'S MEETING

The Farrington Young People's Union met at Manassas Feb. 14. A very interesting musical program was given by Manassas. The young people of Warrenton had charge of the worship program. Mr. Miller of Remington gave a talk on "The Marks of a Christian." We have gotten a charter for our union.

Nokesville won the banner with a large percentage of members present.

The next meeting will be held at Warrenton April 11. They are going to try to get a missionary to speak if they cannot, Nokesville will have charge of the worship program.

We went into the next room where games were played and refreshments served. The meeting was closed with a candlelight service.

Dear Editor: Your subscribers may enjoy a big glad word from way down in Florida, among fruits and flowers, fresh vegetables from garden and strawberries right from patches are new to a "Nokesviller." Mercury stood 89 in shade last even at sundown.

Just clipped and measured new growth of old field pine—ten inches. Good for Valentine day. Nice people. Many tourists. The Bok Singing

THOMAS WOOLFENDEN

The entire community was shocked and grieved on Saturday morning, February 16, when news was received that Thomas Jackson, the beloved son of Thomas J. Woolfenden and the late Mabel Wright Woolfenden, had passed away at Triangle, Va.

He had been ill only a short time and was thought to be improving, but in the solemn stillness of the early morning, Jack, as he was called by his friends, fell asleep.

He was a devoted son, brother and a friend to all who knew him. Only those who knew him could appreciate the kindly virtues of this young man. God saw fit to call from his earthly home.

He leaves to their loss his father and stepmother, Mr. and Mrs. T. J. Woolfenden of Kopp, Va., Mrs. Anna Cameron, Miss Cline Woolfenden of Philadelphia, Pa., Miss Julia Woolfenden of Richmond, Va., Karl, Kenneth and Joe Woolfenden of Washington, D. C., besides a host of friends, relatives and friends.

Funeral services were conducted on Tuesday at 2 o'clock at Belle Haven Church by Rev. Murray Taylor and he was laid to rest beside his mother to await the Resurrection.

The many floral contributions and the large crowd that attended the funeral seemed to show the esteem in which he was held. The pall bearers were Tom Patton, Bradford Lowe, Richard Cornwall, Joseph Milstead, Louis Suthard and Howard Mountjoy.

COUNTY AGENT'S COLUMN

Seed Testing
 Seed will be sent for you to the State Laboratory for testing or you may send samples directly to G. W. Koerner, State Commissioner of Agriculture, Richmond, Va. Portions of seed should be taken from a representative number of containers, or from different places where seed is kept in bulk, and all mixed together to obtain a sample to represent the entire lot. These tests are made free of charge.

Estimating Weights of Cows
 A table by which the weight of cull cows may be estimated to a high degree of accuracy by simply measuring the heart girth will be furnished upon request.

Building Plans
 Approved plans, with bill of materials, for almost anything from a feed hopper to barn can be supplied immediately or upon short notice. Many requests for these, particularly the brooder and laying house plans, are being received.

Poultry Lice
 Poor laying is due almost as often to lice infestation as to any other cause. Dust beds of road dust or fine ashes help to prevent infestation but when they are once present the use of commercial lice powders, sodium fluoride or Black Leaf Forty is recommended. Nicotine Sulphate or Black Leaf Forty, painted lightly on the roosts just before the birds go to roost is very effective in killing the lice. Lice live on the scurf of the feathers and body.

Poultry Mites
 Mites are blood-suckers, spending the night on the bodies of the fowls, engorging themselves with blood, then returning to the walls and floors of the houses and nests during the day. They also seriously affect the health of poultry. To prevent or destroy mites, thoroughly disinfect the house, roosts, dropping boards and cracks with kerosene or stock dip.

EGGLESTON FOR SUPREME COURT

State Senator John W. Eggleston, of Norfolk, has been appointed to the Virginia Supreme Court of Appeals to succeed the late Justice Louis S. Epps.

Senator Eggleston was chairman of the commission which studied the problem of liquor control and has had judicial experience. His father at one time was secretary of the Commonwealth. He is the first Supreme Judge ever to be appointed from Norfolk.

MY HEART CALLS

My heart keeps calling, calling for you,
 But you fail to answer, dear,
 To the heart that loves you truly,
 To the heart that longs to be near.

There's one heart that's blue and lonely,
 One that's full of grief and pain,
 And my heart keeps calling for you,
 Down the same old winding lane.

And some day I hope you'll answer
 To my everlasting plea,
 Then two souls will be united,
 While my heart's call ends with Thee.
 By Miss Othello E. Jones,
 Fredericksburg, Va.

Tower is quietness and beauty personified. Lakeland is a gem of a town. I like Florida but Virginia is good enough. Love to all of Prince William County.

• "Daily" Feeds were chosen to feed more than ten million chickens in this country during the past year.

• The owners of these flocks weren't guessing! They were experienced chicken raisers who, in most cases, had tried "Daily" Feeds with most satisfactory results. Haymarket Group Petition F.E.R.A. Help.

The condition of the unemployed in Gainesville district, being critical, a public meeting was called to be held in Masonic Hall, Haymarket, February 18, at 8 o'clock, which was attended by a representative group from the community.

Dr. Wade C. Payne was appointed chairman and Mrs. Susan Morton, secretary. After an interesting discussion of governmental problems, Mr. Carpenter moved as a resolution that in order to give a more equitable distribution of Federal aid, a sub-station of the F.E.R.A. be established at Haymarket, to work in conjunction with the main office at Manassas. The motion seconded and carried.

It was pointed out that while it was desirable to have a more permanent work program, lacking regular employment, it is better a man have at least a little income.

Mrs. Morton pointed out that there was a large number of men registered at the National Reemployment Office, and that lacking a means of getting in touch with the F.E.R.A. office in Manassas, that often the men who needed it the most, failed to get in touch with the proper ones.

Mr. Carpenter then moved that a committee put the request before F.E.R.A. authorities that the unemployed be given immediate work on feeder roads. Motion seconded by Mr. Rust and carried, Mr. Carpenter, Mr. R. B. Gosson and Mr. Roland being appointed to act as a committee.

The advantage of putting a large force of men on the roads being pointed out, Mr. Gosson suggests that lacking supervision be overcome by appointing a local man, familiar with the workers, their needs and abilities. That would be most desirable.

It was also suggested that as in many homes the woman was the potential wage-earner, work for women should be provided in the community, suggesting that a sewing room, such as is now in operation in Manassas, but out of reach of many in remote parts of the district who are in need of employment, be maintained in various sections, as a branch of the main project.

A motion was offered and carried that the minutes of the meeting be published, after which the meeting was adjourned.

"Belle-haven" house, which is located on the Antioch to Haymarket road, burned to the ground on Wednesday, Feb. 13. The owner, Mr. Chas. Wilkerson, moved to Haymarket several years ago, and the house was occupied by caretakers. In the days of the 60's the plantation was known as "Clover lawn" and was the home of Mr. Joel Clark. Following the war it was owned by Mr. Collins Foote. About 1897, it was purchased by Mr. J. W. Bell of Gainesville, who in 1904 built a large and commodious dwelling, retaining a part of the old house, which was built of logs, with huge fireplaces. The home was then known as "Bell-haven." About fifteen years ago, it was sold to Mr. Chas. Wilkerson of Front Royal, the present owner.

The Woman's Missionary Society of Antioch Church met at the community hall here on Wednesday afternoon for their regular monthly meeting. Miss Cynthia Leonard was the leader for the program—"Lifting the Banner in Our Own Land."

Services will be conducted at Antioch Sunday at 3 p.m. by the pastor, the Rev. Mr. Councill. Perhaps it would be well to add, weather and roads permitting.
