TOBACCO FETE TO BE BEAUTIFUL

Elaborate Plans Laid by South-side Virginia.

The National Tobacco Festival, which is to be held in South Boston, Va., September 25, 26 and 27, is taking on a magnitude highly pleasing to its sponsors. It is truly becoming national in fact. The program as at present outlined includes, on the first day a parade, orchestra and band concerts, speakin, with the presentation of the pageant, which is entitled "The Culture of Tobacco," at 8 o'clock, following which a square dance will be held, which will feature smiling Jack Shook and his Missouri Mountaineers.

On the second day, which is Thursday, the proceedings will open at 12 o'clock at the fair grounds, when William Collins, head of the tobacco section of the AAA, will make a stirring address, at which time he will outline the new policies of the AAA and also outline the good the Administration has done the farmers of Virginia and North Carolina particularly. At 3 o'clock, the feature parade will be held, in which will be found over sixty extravagant floats, which have been erected by manufacturers, wholesale and retail concerns, cities and towns. There will be six to eight bands in competition for the substantial cash prizes, as well as many other features arranged by Watkins G. Hunt, and his active committee, which will not be known until time of the parade. The parade is expected to be three or four miles long and will be formed in South of Dan, which was old Boston, and run a course up Main street out Wilborn avenue, to the fair grounds.

The leading float, which was built by the town of South Boston, will carry Miss Westwood Byrd, daughter of U. S. Senator Byrd and Mrs. Harry Flood Byrd, the twenty or thirty maids of honor following in subsequent floats.

At 8 p.m. the pageant will again be presented following which Little Jack Little and his famous Columbia roadcasting "System orchestra will play for thousands to dance on the 75,000 square feet of floor space available for this event. Many breakfast parties are being planned following this feature.

The magnitude and scope of the projected plans of the celebration committee have placed the National Tobacco Festival Pageant, scheduled in South Boston for September 25, 26 and 27, on a par with any pageant to be held this autumn anywhere in America, according to Robert F. Nelson of the Virginia State Chamber of Commerce, and the size of the celebration, together with its nature and importance, makes it a most fitting opening event for the State-wide Autumn Travelogue.

The costumes of the characters, which number more than 700, were secured from a New York customer and are valued at more than \$100,000. The Westinghouse Electric Company is providing the unusual lighting effects for the 150-foot stage which is set in a natural amphitheatre, and there is a seating capacity arranged for more than ten thousand spectators.

Written by T. Beverly Campbell, playwright, of New York, and a native of Richmond, Va., the story of the pageant presents interesting phases of the history of tobacco and the prominent part it played in the growth and colonization of the Old Dominion. The scenes tell graphically the story of the culture of tobacco, which, after all, is largely the story of Virginia.

The list of maids of honor appointed up to Saturday includes the following:

Miss Rose Ratcliffe as "Miss Manassas," Miss Edna Birdsong as "Miss Lunenburg County," Miss Ellen Davis as "Miss Clarksville," Miss Rebecca Bohannon as "Miss Virginia," Miss Mary Lou Pannill as "Miss Martinsville," Miss Josephine Shearer as "Miss Rocky Mount," Miss Sarah Booth as "Miss Franklin County," Miss Mary Elizabeth Lawton as "Miss South Boston," Miss Harriette Martin as "Miss Halifax," Miss Lena Hubbard as "Miss Halifax County," Miss Mary Lee Edmunds as "Miss Danville," Mrs. Gene Thomas Vincent as "Miss Emporia," Miss Mary Louise Elmore as "Miss Lawrenceville," Miss Margaret Dorch as "Miss South Hill," Miss Sarah Hines as "Miss Oxford," Miss Kathleen Shackleton as "Miss Victoria," Miss Frances Woltz as "Miss Clover," Miss

UNEMPLOYED URGED TO REGISTER

WAR MOTHERS PLANS COMPLETE

Convention to Be Held Early Next Month.

Plans are well under way for the 10th National Convention of American War Mothers September 28 to October 4, 1935, at the Wardman Park Hotel, Washington, D. C.

It is estimated that about eight hundred delegates and visitors will be present to hear a review of work done during the past two years as well as suggestions for the coming season.

The National President, Mrs. William E. Ochiltree, has just returned from the far and middle west where she visited many chapters and says much enthusiasm was expressed concerning the coming convention. She gives an interesting account of her trip of 6,410 miles in a Ford with her daughter driving and no mishaps.

Heretofore, as is natural, veterans needs have been an important topic. At this gathering attention will be given to needy Mothers as well.

Since Tree planting occupies an important place in the activities of the American War Mothers, there will be suitable exercises when two trees are dedicated in the Potomac Park in honor of two past National Presidents on the afternoon of October 4. Following this will be another tree planted at George Washington National Masonic Memorial in Alexandria, Va., in memory of the World War Veterans and possibly a visit to Gadsby's Tavern to see the most wonderful complete collection of antiques temporarily housed there.

The American War Mothers organization is actively engaged in combating communistic propaganda defense program and the U. S. Constitution as originally written. An informal reception will be held on the evening of the 28th and the Convention proper will go in session Monday morning preceded by a meeting of the National Executive Board. Outstanding speakers to address the conference will be named later.

There will be an informal tea at the National Headquarters Sunday afternoon, September 29. Arrangements are being made for trips to Arlington, Mount Vernon, Alexandria and Annapolis besides visits to the Cathedral, the Monastery at Brookland, and other places of interest.

Special Religious Services will be held Sunday, September 29 at 9 A. M. at Monastery and 11 A. M. at the National City Christian Church.

PAGEANT OF THE GAY NINETIES

On October 5, at 2 p.m., Peter's field at Haymarket will be the scene of an attractive pageant entitled "The Gay Nineties," which promises to be most entertaining, if the activities of the committee in charge is any indication.

Miss J. N. Kerr, of Broad Run, is chairman. The entrance fees and prizes to be awarded are advertised elsewhere in The Journal.

DISASTROUS FIRE

Late yesterday afternoon the Manassas Fire Department responded to a call on Fairview avenue but the call was made too late to extinguish a fire which completely burned the home of Mr. Walter Sorg.

The cause of the fire has not been ascertained but apparently originated in an attic and the flames had made such headway before discovered that even the very prompt response of the local fire department was unavailing. Most of the household furnishings were destroyed. The loss is said to be partially covered by insurance.

Lucy Tucker as "Miss Charlotte County" and Miss Beulah Duling as "Miss Northern Neck." At least twelve more towns and cities have signified their intentions of sponsoring a maid of honor.

FIFTH MARINE BATTALION TO ESCORT FESTIVAL QUEEN

Hon. Melvin C. Hazen Is Native of Prince William County.

The honor of escorting Queen Regina V and her Court this year at the Fifth Annual Piedmont Virginia Dairy Festival will fall to the Fifth Battalion, Fleet Marine Corps Reserve of Washington. Members of the battalion from Alexandria, Indian Head and Rockville will also participate in the brilliant event.

Hon. Melvin C. Hazen, District Commissioner, who extended the invitation to the Fifth Battalion, is taking an active interest in the festival as he has in past years.

Under command of Capt. DeWitt, the troops, garbed in their colorful forestry green uniforms, will act as Guard of Honor to the Queen at her coronation, in the pageant, and will also precede the royal floats in the "Milky Way Parade." The battalion band, under the direction of Leon Brusloff, well-known leader, will be a feature of the parade, in which a number of other bands, including school bands, will participate.

Announcement has been made that a 4-H and F. F. A. dairy cattle judging contest will be held in connection with the festival.

GAME FORFEITED TO MACS AGAIN

Manassas and Ballston End Second Half Tied With Seven Wins and Two Losses.

The Macs, who have been on the receiving end of most of the tough luck passed around this season, acquired another sizable hunk Sunday. For the second time this season an opposing team was unable to put the necessary nine men on the field and was forced to forfeit the game by the conventional score of 9 to 0. To add to the confusion, the umpire failed to put in his appearance at the appointed time. Arlington, picking up a pair of men from their followers, engaged the Macs in just about the weirdest game seen in these parts this season. Sheedy deserted the locals for the afternoon to do the umpiring. His work behind the pitcher left the fans with the impression that he's still a good first baseman. The result of the game was never in doubt after the first inning, when the Macs with the aid of five hits and a walk chased six runs across the plate. They ran the total to somewhere in the neighborhood of eighteen before the game was over, which proved sufficient, as the visitors were able to garner but an even half dozen over the same stretch. Tennant, who took turns hitting, walking and striking out the opposition finally quit by request after giving up three runs in the seventh. He was relieved by Dreifus who, with the aid of the umpire in the ninth added another pair of runless innings to his total.

The win, by forfeit, left the Macs and Ballston in a tie for first honors for the second half of the season. A meeting will be held during the early part of the week to settle the details for the playoff.

YOUNG PEOPLE'S PROGRAM

The people of Prince William County are most cordially invited to see the pageant, "Youth Buildeth," presented by the County Young People's choir at the Brentsville District High School building Sunday night, Sept. 29, at 7:45 o'clock.

"Youth Buildeth" epitomizes in word and song the duty of youth in its great task of building character. Thirty-four young people in their turn bring helpful and wise suggestions to youth explaining how the master has given a great task and how youth must strive to do their best in order that they may fit themselves for other tasks bigger and greater which will come before them as they journey through life. A quartette from the Washington City Church of the Brethren will be present, and furnish music both vocal and instrumental.

NOTICE

The Commercial Department of the Manassas High School has found it imperative to close the Intensive Business Class after Monday, September 23. The reason for doing this is because of the intensity of work. A full two-year course must be completed in one year; therefore, it is highly essential that members of the class be enrolled early.

with the festival.

County agents and vocational agricultural instructors of the participating counties have been invited to enter boys from their counties and vocational agricultural departments in the contests. The counties included in the festival are Arlington, Culpeper, Fairfax, Fauquier, Loudoun, Madison, Orange, Prince William, Rappahannock, Stafford and Spotsylvania.

The awards announced provide for liberal cash prizes for the outstanding judges of the dairy breeds. The contest is scheduled to start promptly at 9:30 a.m. on the morning of October 11 so that the boys will have completed judging in time to see the remainder of the festival program.

Last year more than 200 boys from the eleven counties were entered in the contest.

W. R. Legge, district supervisor of agricultural education, Winchester, Va., and Gordon A. Elcan, Virginia State Boys' 4-H Club Agent, Blacksburg, Va., are co-operating with this feature of the festival.

NOTICE TO FARMERS

J. Gray Beverley, Field Supervisor, announces he will be at the office of the county agent at Manassas, Virginia, Wednesday, the 25th of September between the hours of 9:00 a.m. and 1:00 p.m., for the purpose of taking applications for fall loans to be made through the Emergency Crop and Feed loan Act of Congress approved February 20th, 1935.

Farmers desiring to make applications should arrange to be present at the time and date above stated.

WOMAN'S CLUB MEETING

The first regular fall meeting of the Manassas Woman's Club was held at the high school building on September 11 with a good attendance. There were not many reports given, the civic section having the best. They had been active through the summer and had been promised the co-operation of the town manager and asked to send one of their committee to meet each month with the town council and also to give a talk before the Kiwanis Club about the work they are planning to do.

The membership committee gave in the name of the new member, Mrs. Paul Arrington, that was accepted with pleasure by all present.

Miss Neel and Mrs. A. A. Hooff were appointed a committee to look after the jams and jellies to be collected this week for the Crippled Children's Home in Richmond. These are to be left at Mrs. McDonald's store.

Our president, Mrs. Cooksey, then introduced us to our state and national chairmen by pictures and told interesting facts about many of them.

Mr. R. Worth Peters, principal of the high school, was the speaker of the meeting and he gave a splendid talk on schools, beginning back with the colonial school and bringing it on up to the present. He ended by giving aims and ideals of the schools today.

SCHOOL HEAD ADDRESSES KIWANIS

The Kiwanis Club held its regular meeting on Friday evening at the Prince William Hotel with President Hutton presiding.

The matter of the Constitution celebration at Alexandria on Tuesday was brought up and as many members as possible were urged to attend.

The guest speaker of the evening was Professor R. Worth Peters of the Manassas High School who gave a brisk and interesting talk on co-operation between the home and faculty and the new ideals of individual attention to needs and characteristics of the respective scholars.

On motion of Mr. R. S. Hynson, resolutions were passed, endorsing the action of the Chamber of Commerce asking for improvement of committee was appointed to co-operate with the committee appointed by the Chamber of Commerce.

The Woman's Christian Temperance Union will meet at the home of Miss Maggie Smith on Wednesday, September 25, at 3 P. M.

At this, the last meeting of the W. C. T. U. year, the delegates to the State Convention at Portsmouth, Va., October 11-14 will be elected.

JUDGE SMITH IN TOWN TODAY

Our popular Congressman, Howard Worth Smith, was in Manassas today visiting around among his friends.

We are always glad to see the Judge.

COUNTY CHAMBER THANKS SHIRLEY

Mrs. Abel Offers Resolution of Appreciation.

At a recent meeting of the Manassas-Prince William County Chamber of Commerce which was held at Manassas, a resolution was adopted expressing the Chamber's appreciation to H. G. Shirley, head of the State Highway Commission, for having made an allocation of funds for construction work on Route 234 from Dumfries to Manassas and asked that some provision be made to keep this important link in travelable condition pending its final completion. The resolution was offered by Mrs. Janie Abel, member of the roads committee, and was adopted by the unanimous vote of the Chamber.

Route 234, which connects U. S. Route 1 with the Lee Highway, is one of the most important routes in the county and not only serves the residents of Prince William County but also serves as an outlet for the entire northern Virginia, thereby relieving Alexandria and the more congested sections from the flood of southbound traffic from this section. While the amount set aside for the construction and relocation of this road is adequate for only a small part of this work it is hoped that the Highway Commission will make further appropriations in order to complete the entire link.

The roads committee, which is composed of Dr. Wade C. Payne, chairman; C. C. Lynn, Mrs. Janie Abel, John Oleyar, J. L. Dawson and M. J. Sheppard, is working on this project.

FORTY HOURS DEVOTION AT ALL SAINTS CHURCH

Last Sunday the devotion of the Forty Hours Adoration began at All Saints Catholic Church, Manassas. The celebrant of the Missa Expositionis was the Rev. Joseph B. Collins, S. S., professor of Dogmatic Theology at the Sulpician Seminary, Washington, D. C. Present in the sanctuary were the Rev. John Smith, O.S.B. chaplain at Linton Hall, and the Rev. John C. Ryan, pastor of All Saints.

Immediately after the mass there was a procession of the Blessed Sacrament in which some sixty men of the parish took part. The altar boys taking part in the ceremonies were: James H. Payne, cross-bearer; Bobby Lion and Buddy Merchant, acolytes; George Stefko and Allen Staples, both of Minnieville, mass-servers, and James Giles and Jack Fallon of Linton Hall, incense-bearers.

The choir under the direction of Mrs. Wm. Compton rendered the "Missa de Angelis."

Sunday evening the Rosary was recited by Father Collins, S. S. Rev. Philip Hasson, S. M., who conducted a mission in All Saints Church in the early spring, preached, taking as his subject "The Real Presence." The Rev. Thomas Healey, pastor of St. Mary's Church, Fairfax Station, and former pastor of All Saints, presided in the sanctuary.

On Monday morning the Missa pro Pace (The Mass for Peace) was celebrated by Father Hasson, S. M. Monday evening Father Hasson, S. M., preached, taking as his subject "The Sacrifice of the Mass."

The devotion of the Forty Hours Adoration was brought to a close on Tuesday morning by the Missa Repositionis which was celebrated by the Rev. John C. Ryan, pastor of All Saints Church.

ANNUAL STATE FAIR TO BEGIN SEPTEMBER 30

With a "Children's Day," a "4-H Club Day," a "Farmers' Day," a "Northern Neck Day" and an "Auto Race Day" among the features of the 1935 Virginia State Fair to begin September 30, officials are preparing to handle the largest influx of visitors ever to make the pilgrimage to Richmond for the annual week of educational, agricultural and entertainment exhibitions.

Fair officials said today that they had expended \$35,000 in rearranging and modernizing the entire plant for this year's visitors, no small part of

YOUNG DEMOCRATS HOLD MEETING

Will Distribute Sample Ballots for November Election.

A called meeting of the Young Democratic Club of Prince William County was held at the Town Hall, Manassas, Virginia, on Tuesday, September 17. In the absence of Mr. J. Jenkyn Davies, president, the meeting was called to order and presided over by Mr. William T. Sweeney, vice president of the club.

In view of the resignation of Mr. Eugene Davis from the office of secretary-treasurer, it was moved, seconded and unanimously voted that Mrs. Nelle Holmes be nominated to the office of secretary, and that Mr. Davis be retained as treasurer of the club.

The chairman called upon the secretary for the minutes of the last meeting, which were read and approved with a minor change.

It was voted that a committee be appointed to raise money and have sample ballots printed and distributed to every voter in the County prior to the November election. Mr. William H. Leachman was made chairman of this committee.

A report of the membership committee, made by its chairman, J. Carl Kincheol, indicated that eleven new active members had been secured since the meeting of last week, bringing the total membership to thirty-four active members and five honorary members.

The chairman called on the delegates for a report of the annual convention at Richmond, Va., held Friday and Saturday, September 13 and 14, and Mrs. Holmes responded with the statement that Prince William vote in favor of having the next annual convention at Alexandria rather than Charlottesville, Roanoke or Bristol.

It was voted that the next meeting be held on Friday, October 4, and the secretary was instructed to so notify all members of the club, and to also send cards to the members of the old club and invite them to be present.

It was suggested that Mr. Richard Moncre, president of the Falls Church club which has 480 members, be invited to address this club at its next meeting on October 4, and give us some ideas on increasing our membership.

Hon. John Rust, our State Senator, who was the guest of the club, gave a very interesting and instructive talk on the purposes and ideals of the Young Democratic Clubs, and expressed the hope that Prince William would have a real, live club with a large membership.

The club invited Senator Rust to the next meeting, and asked him to extend an invitation to Hon. Chas. H. Brough, former Governor of Arkansas, who is now chairman of the District of Columbia-Virginia Boundary Line Committee, to be present and address the club at the next meeting on October 4.

It was resolved that each member make a special effort to secure as many new members as possible, and get out a large crowd for the next meeting, which should prove exceedingly interesting.

The meeting adjourned, with the next meeting scheduled for Friday, October 4, to be held at the Town Hall, Court House, high school auditorium, or some other suitable place to be announced later.

TO RESURFACE CENTREVILLE ROAD

Crushed rock, sand and other materials are being placed along the Centreville-Manassas road this week preliminary to a resurfacing. The re-tread treatment which has been authorized by the Highway Department is considered by engineers as a more or less permanent character, designed to stand up under very heavy winter traffic. The resident engineer, Mr. Hubbard, states that the resurfacing will commence some time next week, weather permitting, and will require from a week to ten days. Traffic will not be materially embarrassed during the work.

The sum being spent in constructing a new macadam midway. It was pointed out that this would virtually eliminate the dust that in previous years has lengthened the hay-fever season for more than one amusement seeker.

FEDERAL LOANS SHOW INCREASE

Manassas Office Located in Hutchison Building.

Federal Savings and Loan Units Increase in 20 Months from 59 to 900 with Assets of \$375,000,000. Due to Insurance Feature.

An outstanding aspect of the slowly reviving mortgage market is the establishment of the nation-wide system of federal savings and loan associations, rapidly growing into substantial proportions.

There are now approximately 900 such institutions, with assets approaching \$375,000,000, against only 59, with assets of \$280,000, on January 1, 1934. Charters are pending for some 250 more of the federal institutions, including new organizations and converted state institutions, with aggregate resources of \$285,000,000. It is estimated that at least 1,150 of these financing institutions, with resources of \$650,000,000, will be in operation within a few months.

The great success in setting up federal savings and loan associations is attributed to the existence of the Federal Savings & Loan Insurance Corp., an institution similar to the Federal Deposit Insurance Corp., to insure the savings of each investor up to \$5,000. State institutions without the insurance feature are placed at a distinct disadvantage.

Another factor in their growth has been the investment by the Treasury of some \$43,000,000 in the associations. The Treasury is empowered to invest in a proportion not to exceed \$3 for each \$1 privately invested in any association.

Many state chartered building and loan associations have taken advantage of the insurance feature, however, and there are some 73 now insured by the F. S. & L. I. C., in addition to 882 federals. About 1,213 applications for insurance have been received, of which 955 already have been approved.

More than 700,000 are now investors in insured savings and loan companies. The number of insured investors and their resources have tripled since February 1.

The insurance feature is regarded in Washington as a vital factor in the outlook for more abundant long term mortgage credit and lower cost to home owners.

The possibility of obtaining fairly high interest rates in government insured institutions has been important in attracting new savings. Rates are slowly falling, but it is still possible to obtain 3 1-2 per cent in the federals.

From the point of view of liquidity, naturally, investment in the institutions is not the equivalent of a bond or an equity. In the case of insolvency, investors cannot obtain their entire investment back until the lapse of three years. Only about half of it is returnable within a year or two.

Investors who place their funds in Federal savings and loan associations can buy so-called shares either on instalment or on a full-paid basis. The funds can be withdrawn at any time, under normal circumstances. The Federal home loan banks are always available as lenders to the savings and loan associations in case of need.

There has been a definite gain in the business being done by the savings and loan associations, as well as by other building and loan companies, in the past few months. This is indicated by the lending activities of the home loan banks to their 3,371 members.

New advances by the home loan banks in the week ended August 31 totaled \$2,000,000, one of the largest weekly advances since the bank system was created in 1932. Net outstanding advances have risen nearly 20 per cent in the past four months and now stand at \$86,025,000. The increase in the lending activities of

the banks have been especially marked since the reduction of lending rates in May to a minimum of 3 per cent on long term advances, permitting members to borrow from the home loan banks to greater relative advantage. — Wall Street Journal.

A Federal Savings and Loan Association is operating in Prince William County, and has its offices located in the Hutchison building, Manassas. For further information concerning the operation of one of these associations consult the officers of the Federal Savings and Loan Association of Prince William County. The officers of your local association are: C. C. Cloe, president; W. E. Trusler and A. A. Hooff, vice-presidents, and W. Hill Brown, jr., secretary and treasurer.

DIRECTOR INSISTS ON NIGHT TIME FOR LOVE-MAKING

The night was made for love. And Director Edward H. Griffith saw to it that it was used for this purpose.

Declaring that screen lovers can't be expected to put much force behind a torrid love scene in the cold, gray light of morning, the noted director arranged to film many sequences of "No More Ladies" at night.

Now finished, this picture comes to the Dixie Theatre next Monday.

On days when Joan Crawford and Robert Montgomery, the co-stars, were to be in romantic dalliance, or when sequences of dramatic importance were to be filmed, the company began work at one p. m. and finished at ten, instead of the customary nine to six.

"Love scenes or intense dramatic action a degree of emotionalism as impossible in the morning as pork pie or chocolate candy," Griffith said. "Besides," he added, "who ever heard of making love in the morning, anyway?"

Griffith had no difficulty winning the co-operation of his star-spangled cast. To a man Charlie Ruggles, Franchot Tone, Edna May Oliver, Reginald Denny and others joined with the co-stars in enthusiastic acceptance.

BLONDE LUCILLE BROWN SPLENDID HORSEWOMAN

Lucille Brown is one actress who enjoys the unqualified respect and admiration of her fellow players, especially the cowboys with whom she appears in "The Texas Terror," currently filming at the Dixie Theatre. An accomplished horsewoman, she rides with dangerous abandon—too dangerous in the opinion of studio officials whom made a restraining order against her daring feats during production.

John Wayne, star of "The Texas Terror" remarked: "Lucille would be a good ranch hand if she could only bull-dog a steer." Imagine his consternation when she offered to try it.

BAPTIZING AT CENTREVILLE

Rites of baptism will be administered at Centreville on Sunday afternoon by Rev. A. S. Gibson, rector of St. John's Diocesan Mission, to Georgia Mary, daughter of Mr. and Mrs. Henry Woltz, and Edna May and William Robert, children of Mr. and Mrs. James Powers.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a precious heritage to them in after years.

Let nothing be done through strife or vainglory; but in lowliness of mind let each esteem other better than themselves.—Philippians 2:3.

THE YEAR DESCENDS

The moment comes, every year. A bright swirl somewhere ahead, along a shaded walk, and we move close to see what the wind is playing with. It is always a shock to find that the first leaves have fallen.

It is gloomy or cheerful, as you choose to look at it. There is no denying its aspect of dissolution. As a symbol of death, the dropping of leaves, especially, it means the end of burgeoning and of increase, the point beyond which life loosens and goes down to slack.

Yet always man has known how to make himself cheerful at the funeral of summer. Where there is a harvest there is rejoicing. With his granaries and his cellar full, the toiler cheats despair by resting from his labors and by taking an extra round of everything. He scares the demons from his night stoop in the encroaching nights by putting a candle in a pumpkin shell, he loads his tables until groan, and he gives thanks to God. He even propitiates his neighbor with gifts and invitations. A happy rite is his in raking the yard, and he lives hugely though gusty days when open fires half heat the room and pour pungent wood smoke back into his eyes. In all of this, the child of Nature is merely following her example, for where he lifts his gaze to the roadsides and the mountain flanks, he sees her, too, laying aside the season in a prodigal blaze of color. —Richmond Times-Dispatch.

ILLITERACY IN VIRGINIA

With reasonable pride, Superintendent of Public Instruction Sidney B. Hall yesterday pointed to the result of the recently completed census of Virginia children of school age which shows that there are now only 7,490 among this group who are unable to read or write. These figures compare with 46,831 in 1910; 32,185 in 1915; 28,456 in 1920; 14,084 in 1925, and 11,494 in 1930. It will be seen that the decline in illiteracy among children has decreased at an almost startling rate. Perusing these figures and looking forward to the State's educational program in the future, Dr. Hall says that, five years from now, only an occasional and exceptional child should be found in Virginia who will not have learned to read and write in some fashion.

System to your saving

System in your business cannot be attained unless you utilize the facilities of a safe and friendly bank.

When you carry your transactions through this Bank you can be assured of the best that sound banking can offer.

The Peoples National Bank of Manassas

With regard to our statement made last week in The Journal concerning continuance of the policy of furnishing a free weekly calendar to the churches of the county we are pleased to note that all of the ministers to whom we have discussed the matter deplored the circulation of the art calendar printed in Richmond and circulated in Manassas.

In fact, these ministers are open and positive in their condemnation of such advertising methods. One of them stated from the pulpit that he would appreciate the cooperation of any member of his congregation in notifying him of any such practices in the future so that a prompt stop could be applied.

The thoughtlessness which encouraged this so-called art calendar inconsiderately allowed merchants to be imposed on in a mistaken idea that the churches were being benefitted.

We shall continue to publish the church calendar as heretofore.

The results of this census are distinctly encouraging. If the educational program proceeds with equal effectiveness, the time will come when Virginians will not be disposed to bow their heads in shame when literacy comparisons with other States are made. The Federal census of 1930 gave the Old Dominion a distressingly low rating. Just eight other States in the Union showed a greater percentage of illiteracy among adults and children of school age. Most of these States were in the Southern group. Two of them, New Mexico and Arizona, are just west of this same general territory. It is interesting to note, in this connection, that Washington and Oregon, with 1 per cent of their respective populations illiterate, enjoy the highest ratings in the country, with the exception of the District of Columbia, which ties them for first honors.

The public school renaissance in Virginia dates, roughly, from 1906. Since then the problem of education has been attacked with vigor on all fronts. Now Dr. Hall says illiteracy is definitely "on the toboggan." The figures seem to bear him out. It must be remembered, however, that among the adult population there are still many thousands of persons unable to read and write who for some time to come will keep the State far down the list of literacy ratings. They are the unfortunate who received no benefit from the public school renaissance. Happily, their children and their children's children will be in a better position to equip themselves for the duties of citizenship. Virginia should spare no effort to keep up the good work. —Times-Dispatch.

JOHN T. SMITH

Funeral services for Mr. John T. Smith who died in Alexandria Hospital on Sunday, Sept. 8, were held at his home on Tuesday at 2 p.m., Sept. 10, Rev. V. H. Councill officiating. Interment was in Clifton cemetery.

DOG MART SET FOR OCT. 17

All Day Affair at Fredericksburg a National Event.

Fredericksburg's Dog Mart year will be an all day affair, according to the program adopted by the committee at its meeting last evening. The registration of the entries will begin on the morning of October 17 at 9:30 a. m., and will continue until 11 at which time the judging will begin. The judges will complete their work at 1 p. m., and an hour's adjournment will be allowed for lunch for the patrons.

At 2 o'clock the auctioning of the dogs will begin and will continue until the entire group offered for sale are auctioned by the veteran Nathaniel Bacon Kinsey.

Every member of the committee which is composed of Jesse Burgess, chairman; Leo Timberlake, Edwin A. Gibson, Dr. J. Minor Holloway, Jesse Payne and W. Marshall King, was present last night and full details of the Mart which has every indication of being the biggest in the history of the age old institution, were discussed.

The following committees were appointed: Registration, Leo Timberlake, chairman; Jesse L. Payne and Kuszner Bauman. Reception, Dr. J. Minor Holloway, chairman; Jesse Burgess and W. Marshall King. Grounds: Carlton C. Massey, chairman, and Edwin A. Gibson. Amplifiers: A. L. Wight.

Over 500 dogs from all sections of Virginia and neighboring states are expected to be entered in the Mart this year.

INTREPID FRONTIER BANDIT CHASERS WERE PREDECESSORS OF MODERN POLICE MACHINE

Sixty-five years before the lethal chatter of machine guns announced the modern gangster's reign of terror, frontier towns of the West were gripped by dread of desperadoes who spoke their disregard for the law with roaring six-shooters. They were, perhaps, an even greater menace to civilization than their present day counterparts, since the law enforcement agencies of the era were loosely organized.

The presentation of "The Arizona" at the Dixie Theatre next Monday recalls to mind some of the bad men's clashes with famous champions of the law. For in this cinematic account of a peace officer's war upon frontier crime, Richard Dix as the protagonist encounters renegades, rival those of actual criminals. Marauders and outlaws whose careers got Grahame plays the heroine of this RKO Radio Picture.

The tales are endless; bloody in some cases, humorous in others. Invariably, they are thrilling. In the fact-table of "The Arizona" they have a colorful equal.

The film's locale is Silver City, Arizona, a fictional town which is a composite of all its historic prototypes: Hangtown, Deadwood, Abilene, San Antonio, Dodge City, Tombstone. The store and saloons bordering its rutted main street are authentic reproductions of frontier buildings. Its citizenry, a heterogeneous lot of gamblers, rustlers, fast ladies, merchants and marshals, embodies the spirit of the '80's. Its half-historic story, a saga of the coming of law and order to the frontier, dovetails into that background.

To the Voters of Prince William County:

I hereby announce myself as an independent candidate for the office of Sheriff for Prince William County, subject to the general election, November 5, 1935.

MODERN GANGSTERS DATE BACK TO OLD WEST, AVERS McCOY

The modern American gangster and gunman was born and bred in the old West.

This was the assertion of Tim McCoy, Columbia star of "Justice of the Range," which will open at the Dixie Theatre tomorrow. Billie Seward is his leading lady.

"Feuds and quarrels of all natures were frequent during the early days of the West," McCoy declared. "These quarrels were usually over a few certain bones of contention."

"One of the fiercest of all feuds was and is that between cattlemen and sheep men. Many persons have forgotten the reason for this feud but it is only too clear. The cattle men were the first to move into the open ranges of the West. When the sheep men came and turned their flocks loose on the prairies the food for the cattle began to disappear. Sheep crop the grass so close to the ground when eating that there is nothing left for the cattle."

"In these early feuds the bandmen of the West and their followers often were hired to do the fighting. The guns of these early gangsters blazed and many innocent men were slain. In retaliation the assaulted side would import its own killers and the bloody wars started. The history of the early West is red with the record of many bitter private wars. Many of the killers spent their spare time as rustlers, stage-coach and railroad robbers. They often raided whole towns and cleaned all the gold from the safes belonging to the banks and to Wells-Fargo express."

LEGAL NOTICES

VIRGINIA:

In the Clerk's Office of the Circuit Court of Prince William County, in vacation, the 4th day of September, 1935.

James L. Carrico,
V.

E. L. Kilby and Sarah J. Kilby.
ON AN ATTACHMENT

The general object of the above-styled suit is to attach the real and personal estate of the said E. L. Kilby and Sarah J. Kilby, particularly the undivided interest in and to a tract of land of which W. G. Carrico, trustee, for Annie E. Carrico, died seized and possessed, containing about 80 acres, lying and being situated on both sides of the public road leading from Greenwich to Brentsville, adjoining the lands of Henry Haislip, Robert Robinson, and others, being the same conveyed to W. G. Carrico, trustee, by Mary E. Langtyher and Elizabeth Ann Rollins, by deed dated Dec. 8, 1884, and recorded in Deed Book 35, at folio 235, of Prince William County Clerk's Office and to recover a judgment on a note waiving the homestead exemption, dated Jan. 19, 1931, whereby the said E. L. Kilby and Sarah J. Kilby, sometimes called Mrs. E. L. Kilby, promised and agreed to pay to James L. Carrico four months after its date the sum of \$250.00, with interest from date, and with ten per cent additional as attorney's costs for collection, and to make sale of the said undivided interest of said defendants in said tract of land and for general relief.

And, it appearing by affidavit filed according to law that the above-named defendants are not residents of this State; that their last known address was at, or near Frederick, Maryland; it is therefore ordered that the said E. L. Kilby and Sarah J. Kilby do appear within ten days after due publication of this order, in the clerk's office of our said Circuit Court, and do what is necessary to protect their interests. It is further ordered that this order be published once a week, for four successive weeks, in The Manassas Journal, a newspaper printed and circulating in the county of Prince William, Virginia, and it is further ordered that a copy of this order be posted at the front door of the Court House of said county on or before the next succeeding Rule Day, and that a copy of this order be mailed to each of the above-named defendants at the post office address given in said affidavit by Prepaid Registered Mail.

Complainant

V.

Marshall R. Payne, B. F. Perrow, M. G. Ely, Burnett Miller and Edwin H. Gibson, Trustees, J. P. Honaker, J. S. Carpenter, Grady Lester Hutchison and interested persons unknown

Defendants.

IN CHANCERY.

The object of this suit is to foreclose certain mortgage (s) given by Marshall Payne, to The Federal Land Bank of Baltimore, to secure the payment of debt for the sum of \$1,000.00, and to have a sale of the mortgaged lands, and to have the funds arising therefrom applied to the discharge of the aforesaid mortgage debt.

And an affidavit having been filed in this office that the defendant, Grady Lester Hutchison, is a non-resident of Virginia and his last known Post Office address was 5021 Illinois Avenue, Washington, D. C., and an application having been made for this order of publication, it is, Therefore, ordered that the said Grady Lester Hutchison do appear here within ten days after publication of this order and do what is necessary to protect his interests in this suit.

It is further ordered that the Clerk of this Court do send a copy of this order to the said Grady Lester Hutchison, by registered mail, to the address given in the aforesaid affidavit; that a copy be published once a week for four consecutive weeks, in The Manassas Journal, a newspaper published and circulating in Prince William County, and a copy posted at the front door of the Court House of said County on or before the 16th day of September, 1935; that being the first Rule Day after this order is entered.

TRUSTEE'S SALE OF VALUABLE REAL ESTATE AND PERSONAL PROPERTY IN BUCKLAND, VA.

By virtue of a certain deed of trust, dated September 13, 1928, and recorded among the land records of Prince William County in Deed Book 85, page 462, from James P. Fowler and Leitha May Fowler, his wife, to the undersigned trustee, to secure the payment of a certain promissory note in the sum of \$1850.00, default having been made in the payment of said note, the undersigned trustee, at the request of the holders of the said note, will offer for sale, at public auction, on

SATURDAY, OCTOBER 5, 1935, at eleven o'clock, A. M., of that day, in front of the Peoples National Bank of Manassas, in the Town of Manassas, Virginia, all those two certain adjoining lots or parcels of land, together with the buildings and other improvements thereon, lying and being situated on the Lee Highway, in the village of Buckland, in Gainesville Magisterial District, Prince William County, Virginia, one of said parcels of land containing three-fourths of an acre, more or less, and the other of said parcels of land containing one-half an acre, more or less, together with the easements in said deed of trust mentioned, to which said deed of trust reference is made for a more particular description of the said land; and also all of the fixtures and furniture in the store house situated on the said premises and all of the fixtures connected with the filling station on said premises.

The said two parcels of land abut directly on the Lee Highway, in the said village of Buckland, and have on them a commodious dwelling house and certain outbuildings and also a combined store and filling station. Because of its exceptional location on the Lee Highway, the said real estate is exceedingly desirable property.

The above-described real estate and personal property will be sold subject to the lien of a certain deed of trust against the same in the sum of \$1,000.00, dated July 11, 1927, and recorded among said land records in Deed Book 83, page 346.

TERMS OF SALE: The said property will be sold for cash.

T. E. DIDLAK, Trustee.

COUNTY AGENT'S COLUMN

Production Loans.

The Field Supervisor of the Emergency Crop and Feed Loan Office, Farm Credit Administration, will be at the county agent's office between the hours of 9:00 a.m. and 1:00 p.m., Wednesday, September 25, for the purpose of taking applications for fall loans.

Seed Testing.

Seed may be sent directly to George W. Koiner, State Commissioner of Agriculture, State Office Building, Richmond, Va., for testing or it will be forwarded without cost to you here from the office.

New Wheat Contracts.

The new wheat contract will be very much like the one that has been in effect for the past two years except that for this fall's seeding only a five per cent reduction from the 1930-31-32 base acreage is required. You will be notified when the contract forms are received. The new contract guarantees parity price on farm allotments for the period that it is in effect. "Wheat Parity Price" for a stated period means that average farm price, for that period, of wheat per bushel throughout the United States, which will give wheat a purchasing power with respect to articles that farmers buy, equivalent to the purchasing power which wheat had on the average throughout the United States for the period August 1909 to July 1914. "Farm Allotment" for a farm means that number of bushels of wheat equal to fifty-four per cent of the average annual wheat production of such farm.

Virginia State Fair.

The Virginia State Fair will be held at Richmond from September 30 through October 5. Premiums are being offered both for adult and 4-H exhibits. Tuesday, October 1, has been designated as 4-H Day. A copy of the catalog may be obtained from the county agent's office or by writing to Chas. A. Somma, secretary, Va. State Fair, Richmond.

Smut Control.

For the control of stinking smut of wheat, powdered copper carbonate dust is used at the rate of two ounces per bushel. A barrel churn, revolving box or barrel or other similar receptacle may be used in the dusting operation. Grain may be seeded immediately after treating or stored until time for seeding.

Oculist — Optician
Making Special Visit to
Manassas
MONDAY, SEPT. 23
9 A. M. to 12 Noon only

M. MILTON TALKIN, M. D.

Owing to inclement weather that prevented many of our local people from calling upon Dr. M. Milton Talkin, he has decided to make a special visit to Manassas to afford such optical aid as they stand in need of, hence, the doctor will be in Manassas again on Monday, Sept. 23rd from 9 A. M. to 12 o'clock noon only.

Dr. M. Milton Talkin is one of the few physician-eye specialists who strictly confines his practice to one field—OPTICS. By this strict concentration he is enabled to afford the people better service at moderate charges. Terms may be arranged to please one's convenience.

In view of the fact that school has begun it would be well to have the eye sight of all pupils examined. Bring them to Dr. Talkin Monday morning for that purpose.

GREENWICH WOMEN TO MEET

All women of Greenwich community are cordially invited to the September meeting of the Greenwich Home Demonstration Club which will be held at the home of Mrs. Earl De-Grange on Thursday, Sept. 26, at 1:30 o'clock. Miss M. Sabina Neel will talk on "Posture and Shoes as Related to Health."

CATHARPIN

Have you gotten your new fall "permanent" yet? If not, you better hurry up.

Mr. R. A. Collins, of Marble Hill, thinking he had his work pretty well up-to-date, slipped away for a ten-day visit with relatives out in Waynetown, Ind., from whence he has just returned after a very pleasant visit, and, best of all, with no broken bones. It will be remembered that on a former visit to Indiana he was injured by a passing automobile and came home with a broken leg. He was more careful this time and traveled by bus thus relieving himself of the hazards of private conveyance.

Mr. and Mrs. John Fryland of Delaware, N. J., were calling on friends in the neighborhood for several days last week. Mrs. Fryland, nee Miss Ruth Brown, a former resident of this section, has many friends who were glad to see her again.

Last week about finished the silo operations in this part of the county. With the present prices of cattle and hogs, the farmer is beginning to feel some comfort from his occupation. For the past five years he has been reduced almost to abject penury, in many instances having to borrow money with which to pay his taxes. Now that things are picking up a bit he is startled by a great and mighty wail emanating in most part from people who have never lost a pay-day since the depression began. Here is an instance we quote from the Pathfinder, a paper published in Washington, and which no doubt, can

be duplicated thousands of times. To quote—"A laborer in Washington was offered a job at \$17 per week. He spurned the offer saying 'I'm on relief already at \$15 a week.' You must be sick to imagine I would work for \$2 a week." (End of quote.) Since Uncle Sam is giving him \$15 a week for doing nothing at all, all he would gain by working would be the extra \$2. So the farmer can console himself that his privation is at least helping to bear the tax burden that is keeping this "gentleman of leisure" occupied smoking his "Pipe of Peace," and complaining of the high cost of living.

Mr. and Mrs. Millard F. Collins and daughter, of Chicago, are on a vacation trip among relatives in the neighborhood and making headquarters with Mr. Collins' uncle, Mr. R. A. Collins of Marble Hill.

The last quarterly Conference of the year was held at Sudley on Saturday last and was well attended. Dr. J. Howard Wells, the retiring Elder, delivered a wonderfully helpful sermonette which was very much appreciated by all. At the close of the conference, resolutions of appreciation were adopted signifying the churches' love and respect for the services rendered by its presiding officer. The whole conference was inspiring, but it still needs your help to finish up the year's finances. Don't let September pass until you have fully completed your financial obligation for the year. Please.

The Sudley Woman's Missionary Society held its regular meeting on Thursday of last week and completed final arrangements for the annual bazaar and supper which will be held in the church on Thursday, October

24, 1935, at which both dinner and supper will be served. This year promises an innovation in regard to the fowl part of the menu. Usually chicken was the piece de resistance, but the owner of one of the fine flocks of turkeys in the neighborhood said—"Let's give them roast turkey this year instead of chicken." This suggestion strangled the multitude for about three or four seconds when another lady said—"I'll give one." and before the suggestion was two days old enough turkeys had been donated. So those attending the dinner and supper may regale themselves on roast turkey, oysters etcetera, all for the price of 50 cents. Now don't forget the date.

With the open swing of the educational doors of the country, begins the regular fall activity of "getting the children ready for school"; new dresses, coats, hats, stockings, (Beggars, they don't wear stockings any more.) socks, pencils and a hundred and one other things, too tedious to mention, but never-the-less require time, labor, patience and money to get the "future generation" started on the highway of success. Altho it happens every year, yet the opening of school or college is an event of great moment to the student; its an end of an epoch or era, so to speak, in a child's life, and transports it from its old overalls, stone-bruises, rags and tags of the summer's playtime into the realms of new clothes, new teachers, new grades and the seniority of 365 days over the last time it had the same experience. The school bus will be roll-

ing along to waken us from our morning slumbers and the whole population will take on the beginning of a new life after a summer's duties and hard work; and when the leaves begin to turn, we shall know for a certainty that the producing season is about over and the consuming season is upon us. So here's our best wishes for the success of both teacher and pupil, and may this school year be the best you ever had.

This section of Gainesville District will be well represented in the different schools and colleges during the coming school year. Miss Frances Robertson, of Lawn Vale, and Miss Virginia Piercy, of Gainesville, will matriculate at the State Teachers' College at Harrisonburg. Miss Mauguette Latham, of Snow Hill, will attend Mary Baldwin at Staunton, Va., while Miss Mary Currier Pattie will avail herself of the scholarship awarded her from the

Strayer Institute at Washington. These four young people will be a credit to themselves and to the community they represent.

MRS. A. P. HEYMOND

Mrs. May H. Heymond, wife of Arthur P. Heymond, and only daughter of the Rev. Alexander Haverstick of Maryland, died in Washington, D. C., early Sunday morning.

Funeral services were held here in the absence of the rector, the Rev. A. S. Gibson, by the Reverend J. F. Burka, from Trinity Episcopal Church of Manassas.

Besides her husband, Mrs. Heymond is survived by two brothers, Messrs. S. G. Haverstick of Frostburg, Md., and A. G. Haverstick of Akron, Ohio.

She had many warm friends in Prince William, who regret to hear of her sudden death.

MINNIEVILLE

The schools have opened and the children are back busy at work again.

There were quite a few attended services at Minnieville school house Sunday night. Mr. Hunt gave a very interesting talk. There will be Sunday school at 10:30 and preaching at 8 o'clock in the evening by Rev. H. H. Bass. Miss Emma Jane McGallard of Muncie, Ind., spent a few days last week with Misses Bertha, Gladys, and Dorothy Gordon.

Miss Arcelia Dane visited at the home of Mr. and Mrs. Raymond Curtis Sunday.

Those that visited at the home of Mr. and Mrs. J. H. Gordon over the week-end were Rev. and Mrs. J. D. Hunt and grandson, Bruce Coopes, Ms. and Mrs. Claude Hunt and little daughter, Gladys, all of Alexandria, Va.; Mr. and Mrs. Howard Ross of Springfield, Ind.; Mr. and Mrs. C. F. Ramey and Miss Beatrice Gordon of Washington, Mr. Archie Gordon of Falls Church, Va., Mr. Mauck and daughters, Minnie, Mildred and Mirrie of Hoadly, Va., Mr. and Mrs. V. R. Gordon of this place. The young people all went on a straw ride Saturday night and reported a good time.

Mr. and Mrs. Luther Alexandria of Washington, D. C., called on his sister Sunday, Mrs. Raymond Curtis.

CHRISTIAN SCIENCE

"Substance" was the subject of the lesson-sermon in all churches and societies of Christ, Scientist, on Sunday, September 15.

The golden text was "Ye had compassion of me in my bonds, and took joyfully the spoiling of your goods, knowing in yourselves that ye have in heaven a better and an enduring substance" (Hebrews 10:34).

Among the citations which comprised the lesson-sermon was the following from the Bible: "Fight the good fight of faith, lay hold on eternal life, whereunto thou art also called, and hast professed a good profession before many witnesses" (1 Timothy 6:12).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "When we come to have more faith in the truth of being that we have in error, more faith in Spirit than in matter, more faith in living than in dying, more faith in God than in man, then no material suppositions can prevent us from healing the sick and destroying error" (p. 368).

SEPTEMBER SHEEP TREATMENT NOTICE

Regular treatment of sheep for stomach worms is important during the late summer and fall months so that the flock will go into the winter in a strong, healthy condition. The life history of the stomach worm given below explains why regular monthly treatment during the grazing season is needed.

The stomach worm is a parasite of the fourth stomach. In size it is from one-half to one and one-quarter inches long, and about as thick as an ordinary pin. The eggs produced by the female pass out in the manure

THE NEW WHEAT CONTRACT

District wheat meetings were held last week throughout the State to acquaint Extension Workers and County Allotment Committees with the new wheat program.

The new contract is similar to the 1933-35 contract which expires with the harvest of the 1935 crop. Allotments are based upon production during the base period which includes the years 1930, 1931, and 1932. The Secretary of Agriculture has announced that signers are only required to make a 5 per cent reduction for the 1936 crop year.

The new contract is for the crop years, 1936, 1937, 1938 and 1939. Any producer who wishes to terminate his contract at the close of the crop year 1937 may do so by filing a Notice of Termination with the County Control Association not later than June 1 of that year, provided he has complied with his contract in full up to that time. The Secretary of Agriculture may terminate the contract at the end of any contract year by proclamation by July 1 of such year.

The signer agrees to adjust the base wheat acreage on the farm covered by the contract in each of the contract years by an amount prescribed by the Secretary of Agriculture not to exceed a reduction of 25 per cent for any given year of the contract period. The signer further agrees to seed to wheat not less than 54 per cent of the base acreage for each contract year on the farm covered by the contract. If he owns other farms not covered by contracts he agrees not to plant wheat on those farms to an extent greater than the base acreage of wheat for those farms. He agrees to utilize the adjusted acreage, which represents the difference between the maximum and the base acreage, to purposes prescribed by the Secretary. The contract provides that adjusted acreage may be used for soil-improving or erosion preventing crops, and pasture.

Payments will be made in two installments for each crop year. The first installment of the adjustment payment will be approximately two-thirds of the amount necessary to bring the farm price of wheat up to parity, on the basis of the price of wheat, as of a date, prior to July 1 of the contract year with respect to which the payment is made, to be determined by the Secretary. The second installment will be based on the average price of wheat for the crop year and will be in an amount which, when added to the first installment and the average domestic farm price of wheat, will bring the total to parity for the farm allotment.

Community meetings will be announced later in the month at which time the contract will be explained and the procedure outlined. Specimen copies of the contract will be available to interested parties a little later. Further details of the wheat program may be obtained at the County Agent's office.

Beauty Hints

By Jane Heath

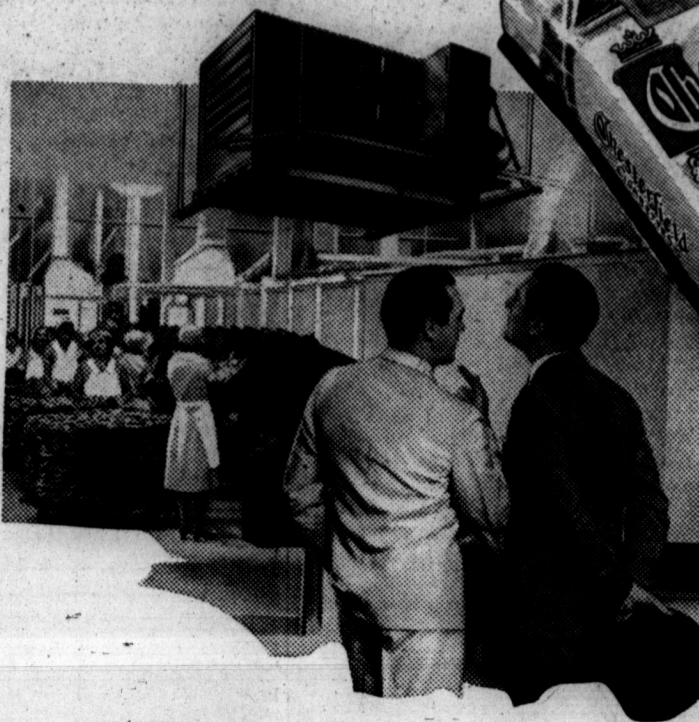

GRAFT a pair of tweezers on a dainty pair of manicure scissors, and what have you? Tweezers, of course. They're the latest type of eyebrow tweezer and are warranted to do a clean and accurate job of grooming because they are so easy to handle and grip so firmly. In addition they allow the user an unobstructed view, not possible with ordinary tweezers. A feminine touch is added to the handles, which are tinted in a choice of six boudoir colors.

It is no longer considered smart to pluck the eyebrows into pencil-thin lines which destroy the whole character of the face.

Today's aim is to retain individuality in eye make-up, which means following the natural curve of the brows when shaping them. Use tweezers daily to remove straggly hairs below the arch and across the bridge of the nose. This will produce that well-groomed appearance so desired by the fastidious woman.

and hatch in a few hours under the most favorable conditions of warmth and moisture. Under less favorable conditions they may require days or weeks to hatch. The hatched embryo becomes an infective larva resistant to cold and long periods of dryness. When the grass is wet, these larva crawl up the blades and sheep become infested as they graze. In the stomach the worms become mature at two or three weeks, and at a month produce eggs in large numbers.

Editor, Manassas Journal:

A Yacht—A Honeymoon and the Ability of the Rich to Pay.

In a recent issue of the Washington Post we see a picture of a floating castle—chartered by the heiress, Doris Duke, and her husband for their cruise in the far east. A vessel big enough to carry the inhabitants of a village, completely monopolized by the daughter of a tobacco king and her husband.

The Federal Trades Commissions report on living conditions in the tobacco country of our dear Dixie land, gives a picture in sharp contrast to such luxurious living indulged in by the rich. We read that native white women of the purest Anglo-Saxon blood in the world work southern fields and worm tobacco without shoes or stockings.

Secretary Labor Perkins has truly said that if these women could wear shoes, there would not be an idle factory in New England. Those who have resented and criticized her statement, perhaps are ignorant of conditions, or on the other hand, it may be a case of "The truth hurts." In too many instances large land holdings belong to corporation farms, or wealthy individuals, and the tenants who do the work the little better than the slaves of olden times. They are not allowed to even have their own gardens, but must buy all necessities from the stores belonging to aforesaid owners. This means that they are always in debt and under obligations. Where there is extreme wealth, abject poverty is not far away.

It is because of the power vested in corporation farming or large borrowers in Joint Stock Banks that the true friends of rural credits object to their recognition and privileges in tax free bonds, through our Nation-

al Farm Loan Associations. If our nation is to prosper its foundation must rest on solid average family sized farms, and their owners given a fair profit in the production of the nation's food.

The President's "Tax the Wealth" plan is one of the supreme movements of the century towards human justice. The Biblical plan went much farther. Folk could not be permanently dispossessed of land. The Jubilee was a remedy for the evils which accompany human society and human government. It tended to abolish poverty. It prevented large and permanent accumulation of wealth. It gave unfortunate families an opportunity to begin again with a fair chance of being independent, and without injustice to the rich. And above all, it lifted from the heart of the unfortunate that sense of hopeless doom. We are a long way from Biblical standards, but The Book is still full of wisdom and justice.

So long as time lasts there will be shiftless folk who will not avail themselves of opportunities. Also, there will be those who have an aptness to accumulate wealth. When this wealth mounts up into millions—more than the present generation can sensibly use, then it seems right that a tax be imposed. If vast sums are left for the next generation to squander, is it not likely that they will make the world worse rather than better?

Mrs. Roosevelt and her friend, Mrs. O'Day, deserve credit for their interest in the poor and oppressed. May some way be devised by which they may find relief, fresh courage, and hope.

FOOD MARKET Advice-

THE Fourth of July inaugurates the real picnic season and with it the season for cold plates. What better cold foods can be found for hot days than the succulent WATERMELON, cold fried or stewed CHICKEN, stuffed EGGS, ready to eat meats, salads and fruits.

Eggs Good Summer Food

Although first quality EGGS are slightly higher, eggs are very reasonable and a food that appeals to summer appetites. The breakfast egg has increasing appeal as that of hot cereal wanes. Egg dishes for lunch or supper mean a minimum of time in the kitchen for the housewife. Angel cake is the ideal accompaniment to fruit, ice cream, soft custard or gelatin desserts. The left-over yolks can be used for thick, rich soft custards, baked puddings, scalloped dishes, French toast, coating croquettes, gold cake, and many other dishes. Angel cake is easy to make and inexpensive if your hand is light, your oven cool and you use your yolks of eggs.

Butter Cheaper than Last June

BUTTER is now cheaper than it was a year ago. Many people who got in the habit of using it sparingly can now enjoy being generous with it. SUGAR prices have again risen a fraction. The prospect of a good wheat crop has prevented further increase in the price of FLOUR.

Vegetables Cheap

Read through a long alphabetical list of vegetables and the answer to most is nearly plentiful, cheap, from BEANS and BEETS, CABBAGE, CAR-

rots and SPINACH. POTATOES are cheap and ONIONS again cheaper than in months.

Choose Melons

When you visit your market choose MELONS, CANTALOUPES for cheapness—good ones are fragrant—HONEYDEWS and HONEYBALLS for sweetness and WATERMELONS for coolness and refreshment and be sure to save the rind for pickling. Serve all melons cold.

California VALENCIA ORANGES in the small sizes are cheap. Excellent PLUMS are in market. It is still a bit early for preserving CHERRIES but the time will soon be here. BLACK-BERRIES and RASPBERRIES are moderate in price. HUCKLEBERRIES fairly high. A few late or over-bearing STRAWBERRIES are still available.

Meats Moderate—Fish Plentiful

BEEF, VEAL and PORK are moderate in price. LAMB is relatively higher but still a good value. FOWL, FRYING and BROILING CHICKENS and DUCKLINGS are very attractively priced.

FISH and SEAFOOD will be varied, plentiful and moderate in price.

Here is a menu made up from seasonable foods which are moderate in price.

Picnic Meal
Cold Fried Chicken Stuffed Eggs
Buttered Rolls Whole Tomatoes
Celery Olives
Watermelon Cookies
Hot Coffee Gingerale or Root Beer
* This menu tested and tasted in the A&P Kitchen.

ADVANCING FOOD PRICES

Everywhere we are told and figures prove it that food prices have advanced, but wheat flour is really much lower than it was a few months ago.

With bread a staple food, your table need not cost any more than it did then.

You need not stint yourself in the use of bread, biscuits, pastry, and cake.

For best results be sure to use WHITE ROSE FLOUR.
