MUSIC FESTIVAL AT HIGH SCHOOL

County Talent Will Be Featured
Friday Night.

The results of music instruction in the schools of Prince William County will be demonstrated next Friday evening, May 8, in a program known as a music festival which will be held at the high school at 8 o'clock.

Miss Virginia Speiden will officiate at the piano and the numbers will be under the direction of Mr. David Weimer.

Following the overture, the Occoquan rhythm band will render the "Wedding in the Toy Shop," with Doris Jean Woodyard directing and Miss Barnes at the piano.

Included in the first section will be also "The Tumbling Clown" with Johnny Webb at the piano and two group songs by the primary and elementary grades of the Quantico school.

The next numbers will be "Mighty Lak a Rose" and "Old Virginia" given by the pupils of Occoquan and Dumfries schools.

Nancy Leachman will play a "Polish dance" after which the grades at Nokesville will sing "Stars of the Summer Night."

The graded schools at Bennett and Nokesville will then give "Juanita" and "Spanish Melody."

An intermission will allow a rest period at this time.

The second portion of the program will lead off with a number by the high school orchestra, Miss Harriet Bozarth, directing.

The famous negro spiritual, "Swing Low, Sweet Chariot," will be given by the high school department of Nokesville.

Miss Jessie Mae Conner, talented young soprano of Manassas, will sing "Were My Song with Wings Provided."

This will be followed by a piano number, "The Butterfly," with Miss Cynthia Lacey at the piano.

Occoquan High will present two numbers, "The Lost Chord" and "Water Boy," another noted negro song.

The last piano number will be given by Miss Edna Armstrong, "Fantasia."

After a group of three songs given by the combined high school departments of the entire county, the evening will close with the singing of the national anthem by the audience.

GOLD CUP RACE AT WARRENTON

Horse racing of the brand that made the Virginia Thoroughbred famous is that golden era in the South prior to the war of '61-'65 is promised at Warrenton Saturday afternoon in the annual spring meet of the Virginia Gold Cup Association. Four steeplechases and a flat race are on the program. The featured event is the Virginia Gold Cup, a gruelling four-mile gallop over one of the stoutest, stiffest timber courses in America. For this classic of cross country racing in this country the top steeplechase horses under silks have been entered. A record field is carded to go to the post.

The other events that will draw to the beautiful Broadview course smart horse and society folk from the North and East include the Virginia National, 2 miles over brush, the Broadview, 2 1-2 miles over brush; the Warrenton Hunt Cup, 3 miles over timber and the Agricultural Purse, one and a half miles on the flat.

The Broadview Course, built last year at great expense, is unique in that from the slopes surrounding the natural bowl in which the course lays the spectator, without moving, may view the races from flag fall to finish.

LEAGUE HOLDS INTERESTING MEETING

The patrons of the high school held a most interesting meeting on Thursday, April 23. An open forum was held with many members participating in informal talks. Mr. Peters explained the new report cards which will be issued next year with the hope of informing parents more accurately the attitude and progress made by the children not only in the studies but in their school spirit and activities supplementary to the actual book learning.

TRINITY GUILD TO HOLD DINNER

The ladies of Trinity Church Guild will serve a dinner in the Parish Hall on May 7 from 6 to 7:30 p.m., following a Silhouette Day by Miss Helen E. Fisher of Frankfort, Ind., which will also be held in Parish Hall throughout the day.

LT. GOV. PRICE AT MANASSAS

New Deal Policies Are Defended.

Lieutenant Governor of Virginia, Hon. James A. Price, was the principal speaker at a meeting of the Young Democrats of Prince William County, at the Manassas High School auditorium Wednesday evening.

An appreciative audience was on hand to greet the distinguished speaker, who spoke at length on general matters of interest to Young Democrats and defended the policies of the Roosevelt Administration.

Mr. William Sweeney, president of the local club, presided. Some business matters pertaining to activities of the club were acted upon and a program of entertainment was presented by pupils of the Temple School and of Mrs. Trimmer, who announced the features and presided at the piano.

A most interesting and eloquent address was made by Mrs. John Galaher, of Leesburg, who is national vice-president of the Young Democratic Clubs of America. Her graceful and effective discussion of Democratic problems and achievements was an outstanding feature of the evening.

Hon. John W. Rust, State Senator from this district, made a brief address, which was followed by the introduction of Commonwealth's Attorney, Thos. H. Lion, who presented the Lieutenant Governor.

Mr. Price spoke in his usual conversational and informal manner and offered many facts of great interest concerning the achievements of the State and National Democratic Party, and interspersed his remarks with a number of humorous anecdotes.

Mr. Curry, executive secretary of the State Young Democratic organization, also spoke and outlined projects of the clubs to aid the national organization in raising campaign funds.

BENEFIT DANCE FOR ATHLETIC ASSOCIATION

The Athletic Association of the Manassas High School will sponsor a dance in the M. H. S. gymnasium Friday evening, May 8.

The association members are planning attractive spring decorations and a new seven-piece orchestra from the Capital City will be present. This orchestra is widely known, but will play for the first Manassas dance on this occasion.

The faculty and patrons of M. H. S. will chaperone the dance, and a large crowd is expected.

JUNIOR MUSIC STUDY CLUB TEA, MAY 9

A tea will be given at the home of Miss Virginia Speiden on Saturday, May 9, under auspices of the Junior Music Study Club in celebration of National Music week. The proceeds are for benefit of the National Symphonic Orchestra fund.

FASHION REVUE

The Community League Association of Nokesville will hold their regular business meeting at the high school auditorium on Tuesday night, May 5, promptly at 8 p.m.

Immediately following the business, the league is sponsoring a "Fashion Revue." The home economic students of the Nokesville and Manassas High Schools will take part in the revue.

Other attractive features will include poems and musical selections by community talent. This is very attractive and free to all.

MCCUIN-GIBSON

Mr. Howard McCuin of Washington, D. C., son of Mr. and Mrs. N. McCuin of Haymarket, Va., and Miss Wilma Emma Gibson, daughter of Mr. and Mrs. F. Gibson, of Richmond, Va., were married April 17 at Cherrylee by Rev. Goffett.

"Funny I Don't Seem To Recall The 1932 Boom!"

FASHION SHOW A PRETTY REVUE

Miss Draper's Pupils Demonstrate Economy, Grace and Beauty in Their Showings.

The style show staged by the home economics departments of Nokesville and Manassas at the Manassas High auditorium on Friday evening was an unprecedented success despite a relapse into darkness for a full half hour during which time the crowd that filled the auditorium remained to the end.

Miss Mildred Wood of Nokesville introduced the models by name, style and cost of clothing worn.

On account of the large number of offerings, each young lady posed very briefly and all of them were quite graceful.

The list of models, styles, etc., will be published next week.

GARDEN CLUB MEETS WITH MRS. HOOFF

The Manassas Garden Club met on Tuesday afternoon, April 28, at the home of Mrs. Allison Hooff, with the president, Mrs. Robt. A. Hutchison, presiding. Quite a lot of business was taken care of, and the plans for landscaping the roadside from Manassas to Centerville were discussed and it is hoped this work will be started at an early date.

Mrs. V. V. Gillum was appointed a delegate to the fourth annual meeting of the Virginia Federation of Garden Clubs to be held at Roanoke, Va., on May 21 and 22, with Mrs. B. L. Jacobson an alternate. Mrs. Hutchison and Mrs. Paul Cooksey, who is a State director, also expects to attend. It is hoped that as many other members as possible will attend this convention.

The club members were pleased to have Mrs. J. P. Leachman, our past president, and organizer of the Manassas Garden Club, among those present.

MRS. HUTCHISON VISITS U. D. C. AT WARRENTON

Mrs. R. A. Hutchison, chairman of the fourth district, Virginia Division U. D. C., was a guest of the Black Horse Chapter, in Warrenton, at the home of Mrs. Emily Fletcher. The Black Horse is one of the oldest chapters in the division, having been organized June 29, 1895. Miss Bell Hunter, of Warrenton, was the first division historian. In 1896 the convention met in Warrenton, in the home of Miss Mary Amelia Smith, daughter of the beloved "Extra" Billy Smith. By this time the chapter had increased from four to thirteen, and had undertaken many worthy and interesting projects. Miss Smith was chosen president of the division at this convention.

FARM LIFE MOVIE

An audience of six hundred people were present at the Manassas High School auditorium on April 14 to view the showing of "Hidden Harvest," a two-hour talking film drama of farm life, sponsored by the F.F.A. Chapter. The picture had a romantic background, interesting plot and was very informative and much enjoyed by those present.

MANASSAS WILL SEND DELEGATES

The second annual meeting of the Virginia Student Government Association of Secondary Schools will be held in Portsmouth, Va., on May 1 and 2. The meeting will be presided over by Jack Noffsinger, president, of Roanoke, Va.

Three delegates from Manassas High School will attend this meeting: Miss Pauline Smith, faculty advisor; Gilbert Rollins, student body president for term '36-'37, and Esther Akers, secretary of the association.

KIWANIS CLUB HEARS ED HILL

Col. B. L. Jacobson Is Presented as Latest Addition to Local Membership.

The Kiwanis Club last Friday evening was treated to a visitation from Ed Hill and a section of his doughty warriors from the Washington camp. In addition Merton Hise and his frau from Joliet, Ill., were in evidence. Merton is mainstay in organizing the International convention which takes in on the evening of June 21.

Merton gave a vivid picture of the leading features which might be looked for. His talk was quite encouraging.

Harry Kimball, former governor of the district, gave a humorous reading on a scene in a Texas court.

Charley Pimper, who lives and breathes in work for underprivileged children, spoke of the work done by the local club and praised them.

George Schaeffer "said it with flowers," including a beautiful yellow ribbon. The absent sponsors were the beneficiaries.

The high point of the evening was the introduction to the club of Col. B. L. Jacobson, hereafter known as "Ben." Neighbor OD Waters was given the job of escorting him over the burning sands. OD is never at a loss on such an occasion and he really told Ben something about Kiwanis. OD also remembered that Shakespeare's birthday was not far away and gave Ben some good ideas from that source as well.

Harry Kimball subbed on the piano and got by in good form.

PRE-SCHOOL PARTY AT BENNETT

On Friday afternoon, May 1, at 1:30 p.m., the boys and girls of the first grade at Bennett, for the school year 1936-37, will be given a party.

The health committee which consists of Mesdames R. C. Haydon, chairman; A. O. Beane, J. J. Conner and Roy Blakemore, of the patrons, and Mrs. Grace L. Hite, principal; Misses Robinson and Moyer, of the faculty, are making plans to give the youngsters a wonderful afternoon of entertainment.

PRINCE WILLIAM BOY BE- COMES FULL-FLEDGED ATT'Y

Word was received here this week that Mr. Hornbaker B. Ledman, a graduate of the 1935 class of the George Washington University Law School, has successfully passed the 20 bar examination in the District of Columbia which will permit him to practice before the Supreme Court. Mr. Ledman is the son of Mr. and Mrs. L. Ledman of Manassas. He is a product of the local school system 1 where he received all of his elementary and high school training. The young attorney has many friends in this county all of whom wish him well in his chosen profession.

A BRIDAL SHOWER

The home of Mr. and Mrs. Geo. Hedges, of Bethel community, was the scene of an enjoyable occasion the evening of April 25, when a pre-nuptial shower was given by the friends of Miss Vivian Hampton.

Great merriment was expressed as the bride-to-be, assisted by the groom-to-be (Mr. Gatewood), opened a veritable wagon load of useful and beautiful presents that expressed the esteem in which the young couple is held.

A delicious buffet luncheon was served by the hostess.

ed on the latter's field.

The Springs A. C. defeated the Triangle A. C. Sunday by the score of 10 to 4. The battery for Springs was Spain and Hunsberger, and Triangle, Boyd, Lenox and Amidan. Spain allowed seven hits and Boyd for Triangle seven in three innings and Lenox allowed six in six innings he worked. Lenox was the losing pitcher.

INTEREST SHOWN IN JUNIOR DAY

Manassas High Pupils Take Over Town Government on Monday.

Acting under the impulse which has guided the city fathers of much larger communities to afford the youth of the town an opportunity to study their government, and in response to call from Mayor Davis, a list of eligibles from the upper classes of Manassas High was submitted over the week-end.

From this list a "slate" of town officers was selected by the Mayor and a meeting was "officially" called Monday morning at the Town Hall.

At this time, the youthful officeholders were assigned to their posts, which were as follows:

Mayor, Sinclair Boatwright; councilmen: Kenneth Lyon for Mr. E. R. Conner, Nelson Lynn for Mr. John Burke, Paul Cooksey for Mr. E. G. Parrish, Harry Davis, Jr., for Mr. W. E. Trusler; town manager, Eugene Worley; town attorney, Warren Hynson; town superintendent, Charles Lynn, Jr.; town clerk-treasurer, Bobby Byrd; day policeman, Clayton Li-beau; night policeman (to midnight), Lloyd Compton; street foreman, Samuel Hottle.

Each had assigned to his task immediately reported for duty in the capacity indicated, and each had a day's valuable training in the direct responsibility of the office.

The "council" held a preliminary organization meeting and adjourned until in the evening when a misdemeanor trial was held. It was a bona fide case and the young "mayor" sat with his mentor to hear evidence.

The council meeting was not a complete affair as a quorum of the "elders" was not had but this was adjourned until last night when the junior and senior councils again met to discuss the weighty affairs of the town.

The young men showed the keenest interest according to report and few idle questions were asked. Most of their inquiries were apparently based on real thought and an effort to learn. The Junior Day was a success!

"FULL OF YOUTH"

The Haymarket High School senior play, "Full of Youth," will be presented on Friday, May 1, at 8 p.m., in the new school auditorium.

The action in this three-act comedy centers around the sale of the "Jolly Inn" and its spring of rejuvenating mineral spring water. Mrs. Baynes, a widow, and the owner of the inn, is negotiating secretly to sell the hotel to skin-flint Ira Grubb, who knows the power of the water. However, Linda, her charming daughter, has also discovered the value of the spring and with the help of her brother, "Sonny" and Valerie, her college friend, is planning a campaign to make a big fortune.

Ira hires "the socially elite Mrs. Smythe" to help him pull the deal over, and she with her winsome daughter Corliss and pet rabbit appears as guests at the "Jolly Inn."

Now Ira's scheme gets tangled up in the threads of romance. Corliss and Sonny make eyes in fetching love scenes; Jerry's cousin, Junior, arrives with his hisping bride Dolly; Jerry's Dad pursues his eloping son only to fall into the hands of his 2 ex-wives and the police; Fay, an amusing lady with hay fever further complicates matters and to cap the climax Miss Patch, an old maid, lands the alarmed Ira just at the point where Corliss and Sonny save the day and the Jolly Inn, in a slick captivating finish with Abbie Nightingale "the dumb waitress" returning to a romantic girlhood.

Those taking part are: Katherine McCuin, Mrs. Baynes; Peter Beach, Sonny; Virginia Ankers, Linda; Helen Smith, Valerie Vance; May Campbell, Miss Patch; Ethel Hoffman, Abbie Nightingale; Forrest Sinclair, Ira Grubb; Edith McGuinn, Fay Goodrich; Roberta Payne, Mrs. Smythe; Emily Polen, Corliss Smythe; Marshall Garth, Jerry Gordon; Cecil Sibold, Junior Gordon; Florence Ashby, Dolly Gordon; Billie Wright, Barnum Gordon.

The cast is well chosen and strong; the lines are clever; the setting unique. The proceeds of this play will be applied to payment on the lovely new curtain recently purchased by the Community League, and it is hoped that the auditorium will be filled to its capacity.

CATHARPIN

A large and interested congregation attended services at Sudley on last Sunday morning. Things are very much on the upgrade since "Bo-reas" has been driven from the scene and Springtime is asserting her authority. You know nice weather and those tiny, little, nifty spring hats become very companionable about this time of year. At any rate, people seem glad to get back, in mass, once more.

Mr. Frank W. Brower of Price, Md., spent the week-end with his parents, Dr. and Mrs. C. F. Brower, of Lone Oak.

Mrs. J. D. Wheeler of near Wellington, whose illness has been so prolonged after an attack of pneumonia, is now resting comfortably in Sibley Hospital, Washington, to which institution she was removed some two weeks ago for special treatment. She is now able to sit up a little at times and may be brot home in another week. Mr. Wheeler has almost recovered from his illness and able to be out again.

Mr. and Mrs. Wade Akers and daughter, Elaine, of Washington, were Rock Hill visitors on Sunday last.

Corn planting is now just around the corner and farmers are pushing, shoving and crowding full speed ahead. Potatoes planted, gardens made and now all are waiting to see if the fruit is killed. Apple, pear, peach and cherry blooms quite prolific but every nite old Jack Frost has been imposing his unwelcomeness upon the good citizens of the neighborhood until it is a little uncertain just what influence he has had. They call it a "dry" frost, consequently are hopeful.

The candle-light services by the young people at Sudley on Sunday night was well attended and interesting. The young people's organization is holding Sunday night services regularly and alternating between the two churches. For the month of May the services will be held in the Gainesville church at 7:30 p.m. Young people especially and all interested in this work are cordially invited to attend.

Did you ever stop lang enough to think just how much a good huckster means to a community? How every housewife looks for him on his regular days? And if he is late, how she wonders how that dirt road is that leads out of Centreville? How you like him when egg prices are good? and how you frown when they fall? and how you look at all those bright, shiny, plump, ovate, embryotic forbears of the poultry tribe which you have so carefully washed, graded and put the nice big ones on top? Yes you know all about it, don't you? Well, to come to the point, we believe this community is well served by its "egg man." At least that is the way they used to speak of him, but since his dealings are found to be so fair and square with every one, you hear the good women of the household speaking of him as "Mr. Crouch." He is now almost regarded as a member of the family; he comes right into the "sanctum" of the family—the kitchen, talks of things past, present and future with good, practice business sense, so that his visits are pleasant, profitable and welcome, especially that little bit of change he leaves behind which comes in so handy now and then.

This community has had hucksters and then it has had hucksters. Some of them were of such uncertain reliability that the "kitchenites" refused to have further dealings with them. Some were fair to middling while others were on the "square." The "square" kind certainly ingratiate themselves quickly into the good graces of their "clientel" and thereafter all is peace and quiet. So as far as this column knows, this community thinks well of Mr. Crouch and always glad for his Wednesday morning visits.

The National Poll as conducted by a Washington paper last Sunday was on the question, "In your opinion, does politics play a part in the handling of relief in your locality?" In answer to this the combined nation's vote stood 65 per cent yes, 17 per cent no, 17 per cent no opinion. In our own State of Virginia the vote stood 55 per cent yes, 17 per cent no, and 18 per cent no opinion. Every state in the Union gave a majority "yes" vote except Kentucky.

This thing generally known by the name of "politics" seems to worm itself into everything. If a thing goes wrong, it's politics; if the right preacher is not sent, it's politics; and whatever it is that does not suit, is blamed on politics; hence "politics" must be an everlasting "Imp of Infamy" since it seems to be always messing things up. Now it seems to be "politics" that is messing up relief.

Relief, being a national and not a political question, concerns every one either as recipient of sustenance or as tax payer, be he Democrat, Republican or what-not; hence if any party allocates to itself all the emolu-

ments and benefits of a national affair, there is sure to be criticism. It is loudly proclaimed that politics has engulfed the whole system of relief, offices and everything obtainable. That this is true is believed by 47 states by an average vote of 65 per cent; by the Democrats by 55 per cent; by Republicans by 80 per cent; by Socialists by 77 per cent. Just how it is, of course, we do not know, but that something is not just right seems evident. We are just wondering how old Prince William might vote on the question? At any rate, since the matter is thus broadly set before the nation, it might be well to sweep off the front steps a little, if perchance there should be any dead leaves lying around that some one might object to.

NOKESVILLE

Everyone joins in sincere sympathy with the families of Mr. Clinton Earhart and Mr. C. N. Rhodes. Mr. Earhart is in a Washington hospital slowly recovering, while Mr. Rhodes is critically ill in the Warrenton hospital.

Community League and the 4-H Club will hold their regular meetings on May 5 at the school.

Delegates from Brentsville District High School will be sent to the Junior League Rally day in Manassas on Saturday, May 2.

FLYING VACATIONS

Vacation time flies less rapidly when the vacationist himself flies to his playtime scene. That is the essence of the argument that the Nation's airlines are going to use this Summer to get vacationists to use their transportation facilities for playtime travel.

The complete story of the facilities which this branch of transportation will place at the disposal of Summer travelers—where they will take one, and how—is told in comprehensive, illustrated article in the feature section of The Sunday Star, May 3.

"FIX IT" "Ye Olde Oute House"

"Every dog must have his day" and when he's had it we humanely put him out of his misery. Did you ever think that some of those old tumbled go down "outhouses" have served their time and could now be taken down to give a forgotten view, or a flower bed, or a green plot of grass? We have become so used to this "blot on the landscape" that we wouldn't know what to do with all the collection of years that would be without a shelter. A part of their collection can be disposed of as junk, the rest can be stored in one of the nicer looking houses. Did you ever consider taking down all the little houses and building a larger one to take their place? Or if this doesn't fit your needs, what about taking a hammer and some nails to put on those loose boards, and a bucket of paint to freshen up the general appearance a bit?

Let's try it—it is fun to do it and oh! such satisfaction!

FAME AND GLORY

In very man there's deeds of good, With acts of kindness here and there, From every heart there comes a cry, From wistful eyes a tear, a stare.

Today! Immortal souls march forth, To seek the greater fame, Immolate their lives so pure, To see the older hearts refrain.

On the morrow we look forward, To generations young and brave, But, remember the bloody hearts That saved us, Sleeping in their silent graves.

Crown Thee! Thy Glory! And lift them up, From sod their feet hath trod, For fame and honors that were won, Are resting peacefully with God.

By Miss Othello E. Jones,
Fredericksburg, Va.

BIBLE THOUGHT AND PRAYER

A HOLY NATION: But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light.—1 Peter 2:9.

OUR DEAF AND BLIND SCHOOL

The people of Virginia have a substantial interest in the State School for the Deaf and Blind at Staunton. We all have a deep seated desire to aid those who are striving to make an honorable place in the world for themselves despite great handicaps imposed by nature, and any intimation that things are not as they should be at the institution where this helpful training is given immediately arouses a demand for an investigation and a correction of whatever is operating against the giving of efficient instruction to the blind and the deaf.

If conditions at the Staunton school are as depicted by publication in the daily newspaper there, the Governor should immediately act to correct matters and to restore public confidence in the management of an institution which costs the taxpayers a substantial amount of money and which in its humanitarian aspects has an especial appeal for efficient and kindly administration.

HIGH SCHOOL BENEFIT

CARD PARTY

There will be a card party for the benefit of the high school held at the home of Mrs. Frederick R. Hynson at 2 p.m. Saturday, May 9. Anyone wishing to play cards and help our school welcome. Hostesses, Mrs. W. L. Lloyd, Mrs. R. E. Newman, Mrs. F. R. Hynson.

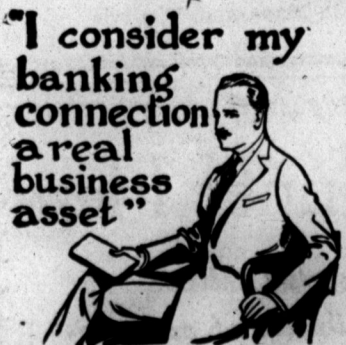

ADEN HOMEMAKERS TO STUDY POINTERS ON MILK

The Aden Homemakers Club held its April meeting at the home of Mrs. Mark Kerlin with sixteen members in attendance.

The meeting was presided over by the club's president, Mrs. Howard Marshall. A very interesting and helpful demonstration on "The Use of Milk" was given by Mrs. Mark Kerlin and Mrs. Mollie Diehl. Miss Pitts gave some interesting points on the value of milk in the diet.

The Aden club is steadily growing in both members and interest, and will soon be able to compete with the larger clubs of the county.

(QUESTIONS THAT ARE ASKED ABOUT BANKING)

"Who decides whether a Bank loan shall be granted?"

In most banks there is a loan committee which passes on loan applications. This committee is made up of bank officers specializing in loaning work. In many instances this committee includes some of the bank directors. Loans up to a certain amount are usually passed on by a single officer of the bank in the loaning department. In a broad sense most decisions on loans are guided by banking laws and regulations, and by recognized principles of sound bank management. Generally speaking, character, credit standing and collateral are the three most important factors to be considered in making decisions on loan applications.

This bank welcomes the opportunity to make useful loans, under sound banking requirements, which will help the borrower and the community, and safeguard the deposits entrusted to its care.

COUNTY AGENT'S COLUMN

Soil Conservation Program Fits Good Farm Management.

Not how much money can be gotten out of the new soil conservation program but how much it will help improve sound farming is the question every farmer should be asking himself. It is suggested that every farmer in Prince William County plan

out his fields mentally at least, as he would like to farm them under a cropping system that he knows would hold and build up his land. Likely he has not been able to follow such a system because of lack of money. When he has done this, it is suggested that he investigate the new soil conservation program to see how his plans fit in with it. In most cases, he will be surprised how close-

ly the new program matches his own plans, if those plans have been based on good farm management principles. To farmers applying for and complying with the new program of soil conserving and building practices, grants of money will be made late next fall or early winter.

It is urged that every farmer in the county, who has not attended one of the community meetings, call at the county agent's office and find out how he may be benefitted by the program.

Demand Analysis Tags.

Two samples of untagged and unstamped feeds represented as containing 24 per cent protein, recently forwarded to Richmond for analysis, were found to contain only 12.94 per cent and 13.44 per cent of protein respectively. For your own protection, refuse feeds that do not carry analysis tags and inspection stamps and discourage violations of the State Feedstuffs Law.

FIRE'S HEAVY TOLL

By Inno McGill

Forest fires, last week, in eight counties of Virginia, destroyed thousands of dollars worth of valuable timber; a farm-house, barn and out-buildings (in Fairfax) and threatened destruction to a number of homes. Blackened tree trunks and fields in these eight counties bear testimony to the appalling loss that might have been greater but for several light rainfalls.

The fires swept through wide areas in Culpeper, Fairfax, Fluvanna, Highland, Green, Lancaster, Albemarle and Nelson counties.

Culpeper firemen answered five calls for help in one day, and for seven hours fought fires that burned over 350 acres and destroyed virgin timber valued at thousands of dollars. Showers relieved the situation there and also helped to extinguish flames from several fires in the mountain country northwest of Lynchburg.

The flames ran through eight miles of timber in Highland County and had burned over 1,000 acres before being brought under control by one hundred fire fighters.

The fire in Fairfax that destroyed a farm-house, barn and other buildings, burned over 200 acres of timber land near Bailey's Cross Roads.

That same day, the volunteers of the Manassas Fire Department were called to extinguish a woodland fire near Linton Hall, Bristow. Fortunately, in this instance, the roads were dry enough to permit the use of the heavy fire-apparatus, although the men were handicapped from need of the hose and other equipment suited for country usage.

Naturally, one wonders if the people of Prince William must be kept waiting for this light equipment until the Board of Supervisors awakens to its needs.

Let us hope the awakening shall not have to come through devastating fires, in our county, similar to those of last week in Virginia.

THE OLIVER ROW-CROP "70"

Just a light touch on the steering wheel turns the new Row Crop "70" completely around. It's the easiest tractor to operate you ever saw. Every control's right at your finger tips—and you have steering and gear shifting like an automobile.

This is Oliver's new 6-cylinder Tractor that has caused so much talk. There are two "70's"—one designed solely for regular gasoline—and the other to get the utmost fuel economy out of kerosene or distillate.

With either one you'll get unusually great power with light weight—and great speed. Under ordinary soil conditions, you can plow with two 14-inch bases at over 4 miles an hour! That gets the work done quicker and gives more spare time for other things.

The Row Crop "70" comes from the tractor factory of the founders of the tractor industry. You'll want to see this latest, modern tractor at once—with its complete line of mounted listing, busting, planting and cultivating equipment.
