MISS CUMMINGS HONOR GUEST

Manassas Woman's Club Entertain at Breakfast.

The annual May day breakfast of the Woman's Club was held last Friday in the spacious hall on the second floor of the Masonic Temple. The tables were exquisitely decorated with red tulips and white lilacs and by each place card was a tiny nosegay of spring flowers. The menu was delightful and beautifully served.

The guest speaker was the widely known club woman, Miss Helen Norris Cummings, of Alexandria.

Miss Cummings' address was clear and forceful, and received with keen interest by all who had the pleasure of hearing it. The speaker explained the two schools of thought contending today with the minds of youth—the Anglo-Saxon and the Oriental. The Oriental cult was divided, she said, in three classes, the Reds, the Nazis and the Fascists. All of these threatened the freedom of the individual and the sanctity of the home. They aimed at absorption of property rights by the state and the annihilation of religion.

The Anglo-Saxon, beginning with England's Great Charter and coming down to the Constitution of the United States, had stood as a bulwark against all assailants of Christianity and destroyers of the home. Anglo-Saxonism is today stronger in the South than any other section of the United States, the speaker stressed. The foreign hordes of the North and West have not yet invaded our English speaking, liberty loving land of State's rights, and she earnestly urged her listeners to begin a warfare against any invasion of foreigners in our public offices and schools.

At the conclusion of her speech several ladies rose and warmly endorsed her views and praised her efforts.

Violin and vocal selections were rendered by Rev. DeChant, Mrs. John Broadus and Miss Bozarth, Miss Speiden at the piano.

Presentations of new officers and announcements of committees concluded the meeting.

AGRICULTURAL CONSERVATION PROGRAM

The majority of the farmers of Prince William County should be able to qualify for Soil Conservation or Soil Building Payments, or both, according to a statement just issued by County Agent Frank Cox.

Mr. Cox has furnished the Journal with a full outline of the new program which replaces the old A.A.A. This outline of important facts is of great interest to every farmer in the county and will be presented to our readers next week.

KIWANIS CIRCUS WELL UNDER WAY

Miss McCormick Is Having Daily Drills for Next Week's Event.

"The Circus," a farce comedy in two acts with prologue, will be presented Thursday and Friday, May 14-15, in Manassas High School auditorium.

It is being sponsored by the Kiwanis Club for the benefit of the underprivileged child fund.

The main cast is headed by John Henry Burke, Jr., as Bob Strong and Miss Irma Ball as Virginia, his leading lady.

They are supported by Mr. Wallace Lynn, Mr. Carl Kincheloe, Mrs. Kitty Baker, Mr. Chas. Sinclair, Mr. Hunton Tiffany, Mr. Sedric Saunders, Mr. Lewis Carper, Miss Frances Akers, Mr. O. D. Waters, Mrs. A. L. Mylander, Mr. Jenkin Davies, and Mr. Maurice Smith.

The plot of the show concerns the efforts of Bob Strong to raise \$10,000 in a few hours.

According to the terms of his father's will, if Bob has not netted \$10,000 profit at the end of his first year of ownership, the circus becomes the property of his uncle, Zacharias Peabody, Mr. Tiffany, and Bob goes to work in his uncle's sardine factory.

As the show opens, Bob's year is up, and he is faced with the problem of raising the money.

Besides the main show, there is a sideshow in 15 acts composed of freaks and animals who will be portrayed by prominent business men who made such a hit in "Uncle Henry's Wedding," a few years ago.

A novel drill composed of eight high school girls will be a special feature.

'Who Says We Haven't Got a Platform?' —By Talburt

U. D. C. CHAPTER WILL ENTERTAIN

The Manassas Chapter, U. D. C., was entertained at "Birmingham," May 6, by Mrs. Maude Kincheloe, Mrs. James Conner, and Miss Mamie Conner. Mrs. William F. Coker was guest of honor.

The president, Miss Speiden, directed a letter of sympathy be sent Mrs. Leo Kasenhagen, a Washington member, whose brother, Mr. Higginbotham, had recently died. A letter from an absent member, Mrs. Joseph Dodge, was read, expressing her interest in the chapter, enclosing her dues, and a contribution to the building fund.

Mr. Harry P. Davis was presented and made an interesting explanatory talk on the coming maneuvers on the Battlefield July 21. He said the Federal side would be represented by the regular army, and the Confederate side by the marines. He explained it was under the auspices of the local Chamber of Commerce, and the Battlefield Park Association, of which Mr. Spaulding is head. Mr. Davis was anxious for the chapter to take care of the three or four hundred especially invited guests at a lunch to be served them on the Porter estate.

The president thanked Mr. Davis for his talk, and assured him the chapter would be responsible for the lunch. Mrs. Jacobson was appointed chairman, with the following committee: Mrs. Maude Kincheloe, Mrs. W. A. Newman, Mrs. E. H. Marsteller, Mrs. Charles Compton, Mrs. Ernest Spitzer, Mrs. Guthrie, and Mrs. Norvell Larkin. The Bull Run Chapter had previously reported they would be responsible for fifty of the guests.

Miss Speiden read the call to the district meeting in Winchester, May 19, and an appeal from Mrs. B. F. Cary for the new organ in Lexington, which was responded to by the chapter.

Miss Speiden and Mrs. Lomas were designated as special delegates from the chapter. A letter was read from Miss Osborn, inviting the chapter members to visit the library to see the very interesting collection of material relating to the War Between the States—history, biography and fiction. Mrs. Hibbs gave a good report of the C. of C. and their April meeting at Mrs. Dowell's.

Mrs. Newman, in the historical period, announced as the topic Alabama, the fourth State to secede, and mentioned Gen. Bee's birthday on May 8, and spoke of the Robt. E. Lee-Stonewall Jackson, Andrew Jackson-Winfield Scott, four-cent stamps being gotten out by the government.

Mrs. Dowell read interesting history concerning Montgomery, Ala., first capital of the Confederacy, and the inaugural address of President Jefferson Davis. Mrs. Hutchison read an interesting letter written by Mr. Covington, father of Mrs. Hart, cut from an old paper, in which a Bible had been returned to him forty-seven years after the war.

The usual social hour, with enjoyable refreshments, served by the hostess, decorated with the Confederate colors, ended the meeting.

FLAG PRESENTATION

On Friday, May 1, the councilor, Sis. Smith, of Prince William Council, No. 45, Daughters of America, presented to Bristow School a flag, given by the council.

HAYMARKET PLAY MUCH ENJOYED

Under the cheerful title, "Full of Youth," last Friday evening, and before an audience that filled the new auditorium, students of the Haymarket High School gave a clever presentation of mirthful scenes enacted in the "Lobby of Jolly Inn," described as a "Small hotel in the Adirondack Mountains."

So well were the several characters presented that it would be difficult to stress the individual merits of any player and this is just one of many features that reflect credit on the member of the school faculty, Mrs. Mary Scott Meade, under whose scholarly direction the performance was given.

The part of Sonny Bayne taken by young Peter Beach, and that of Miss Patch by May Campbell, were so creditably performed that 'tis hard to resist the impulse to mention them. Yet, as each student was excellent in his and her respective role, it is due them to here give the cast:

Mrs. Baynes, Katherine McGuin; Sonny Baynes, Peter Beach; Linda Baynes, Virginia Ankers; Valerie Vance, Helen Smith; Miss Patch, May Campbell; Abbie Nightingale, Ethel Hoffman; Ira Grubb, Forrest Sinclair; Fay Goodrich, Edith McGuin; Mrs. Smith, Roberta Payne; Corlis Smith, Emily Polen; Jerry Gordon, Marshall Garth; Junior Gordon, Cecil Sibold; Dolly Gordon, Florence Ashly; Barnum Gordon, Billy Wright.

The stage was richly adorned with the beautiful new curtain to help meet the cost of which the play was given.

JUNIOR LEAGUE AND 4-H RALLY

The Prince William County Junior League Federation and 4-H Club Rally was held in the Manassas High School auditorium on Saturday, May 2.

The meeting was presided over by Marilyn Oleyar, chairman; Genevieve Gorman, vice-chairman; Lillian Win-hit-Blackwell, Stolen bases—Dreifus (2), Amidon. Struck out—By Lennox, 7; by Saunders, 2. Bases on balls—Off Lennox, 1.

The program was opened with the invocation which was given by Mr. Sigmund. Mr. R. C. Haydon gave a short talk welcoming the delegates. The entire group cheered for Mr. Haydon and sang "America."

During the business meeting the minutes of the last meeting and a consolidated report of the Prince William Federation were read by the vice-chairman. The treasurer made a report on the finances of the organization.

The group sang "Carry Me Back to Old Virginia." Miss Frieda Koontz, State Junior League secretary, made a short welcoming address.

The third grade from Haymarket presented a safety plan in which a traffic court was represented.

Frances Owens of Nokesville High School described her hobby, wild flowers. The Bethel School presented an entertainment feature in which all the foreign countries were represented.

Several rhythm selections were rendered by the Occoquan first grade orchestra. The third grade of Bennett School presented a play entitled "Heidi."

Mrs. Ruby Haydon spoke to the group on the work of the Junior Red Cross.

GHOST STORY DELIGHTS KIWANIANS

The Kiwanis met with the Eastern Star girls last week and were greeted with a truly sumptuous feast. The Eastern Stars also served as waitresses.

Prof. Sigman introduced Stanley Harpine who told the story of Icha-bod Crane and the Legend of Sleepy Hollow. Stanley put in plenty of realistic language and was quite entertaining.

Miss McCormick, director for the Kiwanis Circus, was present and outlined the work she would put on during this week and next preliminary to the performance.

May 22 was set aside as an inter-club meet with Arlington who will come here.

EXHIBITION WITH KENDRICK MAY 10

Game with Triangle Rained Out in 6th Inning.

There being an open date on the schedule of the Tri-County League for Manassas next Sunday, an exhibition game has been arranged with the Kendrick A. C. from Alexandria to be played at Swavely Field Sunday, May 10. Play starts at 3 p.m.

The game between Manassas and Triangle in the Tri-County League at Triangle last Sunday was called off in the sixth inning on account of rain. The final score stood 2 all.

Woodard, lead-off batter, opened the first inning by hitting the first pitch for a clean single, and was sacrificed to second by Blackwell. However, he was left stranded here. In the second inning, after one out, Wurdemann singled and scored on a triple by Bowers who later scored on a fly out by Leith. The Macs threatened again in the 4th when Wurdemann was safe at 1st base when the Triangle catcher muffed a third strike, stole second and went to third on a passed ball. Here he was left for the rest of the inning.

When the game was resumed after a few minutes of rain in the last half of the 4th, Triangle scored 2 runs on three singles.

In the first half of the 6th inning, after one out, Leith hit a double. At this time a rain storm finished the game for the day. Unfortunately, the double doesn't count in the box score.

ADVISORY BOARD PLANS PROGRAM

Date Set for Annual Achievement Day.

The spring meeting of the Home Demonstration Advisory Board was held in the assembly room of the post office on Thursday, April 30. The meeting was called to order by Mrs. Thompson, serving as secretary pro tem, until Mrs. J. F. Hale, the chairman, arrived.

Following the reading of the minutes, the chairman of each demonstration club gave a short report of the work being accomplished through her club. Miss Pitts then urged the club members to have the county-wide campaign program presented the community leagues, and to keep the people informed from time to time as to what is being done.

Plans for a tour to Williamsburg Camp, opening the first week in August, were discussed; the cost to be around six or seven dollars for three days. The club chairmen were asked to discuss it in their clubs and report to the home agent by June 1, as to the number who would be interested in going, so that bus arrangements could be made.

The program and date for the annual home demonstration Achievement program was considered. It was decided to do away with all big exhibits and to have only those things exhibited that had won out in each local club exhibit. Only the things made since last Achievement day can be exhibited. November 10 was set as the date for the 1936 program, and will include a luncheon to be served by some organization in the town. Leaders of home demonstration groups were asked to serve with the home agent as a committee to plan the program and make all arrangements.

Miss R. Belle Burke gave brief plans for a rural conference to be held in Washington the first day of June. Representatives and exhibits are expected from forty countries, and a very interesting program is being arranged under the direction of Miss Grace Frysinger, of the Department of Agriculture.

A report from the Rehabilitation Supervisor, Mrs. Barbara A. Bladen, was read. It stated that there were still fifty-eight families under rehabilitation supervision. Miss Burke suggested that the names of these families be presented to the clubs, and that special invitations be issued to the women.

It was decided that the advisory board affiliate with Federation Home Demonstration Clubs by paying the \$3.00 dues. Miss Margaret Gardner of Hickory Grove was chosen as representative to the annual meeting at Blacksburg with the new chairman as alternate. Ten dollars will be paid toward expenses of the representative. The home demonstration groups of the county are to contribute to the treasurer sufficient funds to cover the cost of affiliation and sending the representative.

This being the time for election of officers, the nominating committee submitted the following names, which were accepted: Chairman, Mrs. McGruder Keys, Dumfries; vice-chairman, Mrs. Rolfe Robertson, Hickory Grove; secretary-treasurer, Mrs. Henry Lawson, Aden.

Miss Pitts announced that Miss Drusilla Davis, the assistant agent, was leaving the county to join the Rehabilitation work in southern Virginia. Miss Pitts also presented her own resignation as home demonstration agent for Prince William County. Miss Flora Bullock, Mrs. E. W. Thompson, Mrs. J. F. Hale, and Mrs. W. L. Lloyd were appointed a committee to go to the Board of Supervisors' meeting on May 7 to arrange for Miss Pitts' successor.

The meeting adjourned to meet again on November 10, 1936.

Miss Mary B. Joyce, of Occoquan, is spending the week with friends in Washington, D. C.

We are sorry to learn of the illness of Mr. B. W. Brunt, cashier of the Occoquan bank, and hope he will soon be well again.

Mr. and Mrs. Robert Brenner and Mrs. Brenner's sister, Miss Spicer, of Alexandria were week-end visitors of Mr. and Mrs. E. E. Payne of Occoquan.

Capt. Thos. F. Joyce of Occoquan spent the week visiting schools; Stafford, Quantico, Dumfries and Occoquan, delivering patriotic addresses to the pupils, under the auspices of Buck Keys Post, American Legion. It was a pleasure to see how interested the children were in listening to those talks, were the comments of Capt. Joyce.

Mr. and Mrs. H. H. Haar of Lorton presented a set of lighting fixtures of the period of 1774 to Pohick Church for use in the Vestry House which is of that period. The rectory, vestry and congregation of Pohick extend sincere thanks to Mr. and Mrs. Haar for this most acceptable gift.

Rev. C. A. Langston and Miss Lela Milstead celebrated their birthday by a surprise party given at the rectory at Pohick on Friday evening, May 1. Practically the entire membership of Pohick Church as well as many others were there to wish them happiness. All enjoyed a most pleasant evening.

FRATERNAL NEWS

A most interesting meeting of the Daughters of America, Prince William Council, No. 45, was given a final touch of attractiveness by the presence of outstanding visitors from other councils, state and national officers, also their deputy, O. B. Hopkins. At this time the council voiced its appreciation to Bro. Hopkins for the gift of the piano, which was given through the influence of the councilor, Sis. Smith. After an hour of important business an enjoyable social hour followed in which the guests and members were served with delightful refreshments.

It simply made official what they knew before—you can't do better for all-around economy. CATHARPIN

Mr. and Mrs. W. Holmes Robertson of Lawn Vale attended to wedding of Mrs. Robertson's brother, Mr. Floyd Dorsey, of Berryville, Va., on Wednesday of last week.

Mr. James Metcalf and son, James Jr., of Chestertown, Md., accompanied by Dickey Haydon of Manassas, visited Oakwood on Saturday of last week where Mr. Metcalf seemed to enjoy recalling things that happened during his boyhood days. All the Metcalf children were born at Oakwood and every year some of them call to see the old home of childhood's memories. Of course a visit to this neighborhood would not be complete without calling on the Browns which they did and enjoyed luncheon with these friends of former days.

The Catharpin Good Housekeeping Club met on Thursday of last week at the home of Mrs. T. Otis Latham of Snow Hill where the usual good time was the delight of all present; good eats and a "monopoly" board were the attractions of the day. The new game was so interesting that the players were loath to forego the game long enough to enjoy the refreshments. This crowd always has a good time when they meet.

Mrs. E. A. Willis and son, Allen, of Clarendon were week-end guests of Mrs. Willis' parents, Dr. and Mrs. Brower of Lone Oak.

Mr. and Mrs. L. J. Pattie and family attended the Apple Blossom Festival in Winchester on Friday of last week. They agree with the newspaper reports that it was the finest yet held.

Do you know we are a sort of scarey bunch, a little jittery at times and easily frightened? Or have we always been that way and didn't know it. We read so much in the papers these days of droughts, storms, floods, hurricanes, etc., until we must be getting figity. Just last week people complained about how "dry" it was, and some even began predicting a dry spell, when lo, and behold, on Sunday evening it began raining and to the relief of all concerned, we had a glorious precipitation and as we write, there seems more to follow; so that all nature is crying out with joy and demanding room for expansion. But all do not seem satisfied; we heard a man say this morning, "Well, if we don't get too much of it now." It seems we never can hold still long enough to enjoy a thing as it happens; always ready to complain but never able to enjoy it for fear it may not last long enough or may last too long. Doesn't it beat you? We wonder sometimes how we get that way.

Miss Virginia Hill, teacher of the Catharpin school, attended the May day exercises at the Harrisonburg State Teachers College last week.

Mrs. Cloe Anderson Keller and Mr. Ellicott of Washington were week-end visitors of Mr. and Mrs. R. L. Anderson of near Catharpin last week.

Mrs. L. J. Pattie, Mrs. Ruth Carey, Mrs. Lester Anderson and Miss Evelyn Allison, all of this community, attended a meeting of Prince William Council No. 45, Daughters of America, in Manassas last week.

Mr. and Mrs. Gilbert Merchant and family of Alexandria were Marble Hill visitors on Sunday last.

The pulpit discussion last Sunday morning at Sudley was based on the question "Do we need a revival of the kind of religion we have been practicing, or do we need a discovery of a saving salvation?"

This is a mighty big subject and was handled in a mighty big way. No one with any kind of serious, honest thinking could have failed to be impressed by the general trend of things cited as are now being experienced thruout the world in regard to life, liberty, morals and the welfare of mankind generally. "Should the kind of religion we have been and art practicing today be revived?" or do we all need a Saving Grace mixed in as we pass along?"

The whole discourse thruout was a presentation of facts as history is recording them today. To the thinking mind it is but tragedy. "Should the religion that Europe has been practicing be revived?" The reply—"Europe, herself, is the answer—a seething mass of intrigue, jealousies, hatreds and war." Should the religion we have been practicing in our own church be revived? The church, itself, is the answer. The whole sermon was strong, full of thought-provoking statements upon which any one could ponder with profit. It recalled to mind that old, old saying that we have so often heard: "What kind of a church would my church be if all its members were just like me."

Well, that of course is an individual question, yet it has an answer. It would all depend upon whom the choice might fall. If a certain one was chosen as a criterion for judgment, you undoubtedly would have to double your seating capacity in order to accommodate the congregations that came to worship. If some other one were chosen as your standard bearer, you would need no seats at

all—no one would be there. So betwixt and between, the question may be answered to an infinitesimal exactness tho' it might require an arithmetical table of progression to arrive at any kind of definite conclusion. But, to sum it all up, it was stated that this world is in such a state of religious decay that nothing but a revival of a religion full of saving salvation can save the church and mankind from its present downward tendency.

BIBLE THOUGHT AND PRAYER

PERFECT LOVE: And this commandment have we from him, That he who loveth God love his brother also.—1 John 4:21.

NATIONAL MUSIC WEEK

It has been aptly said that the universe moves to the measures of an infinite tune. Certainly man, in his limited ability to hear and appreciate the beauty and harmony of sound vibrations, can only enjoy certain sound phenomena lying between the limits of the recording powers of the human ear. Much beauty of sound and rhythm must lie also beyond these limitations.

Among men, however, there exists a wide diversity in the ability to appreciate and to enjoy music. Study and practice will doubtless increase a person's love of music, but there are many individuals who seem to be absolutely blunted in perception of the beautiful in sound and who only recognize various degrees of noise.

The radio has accomplished much in creating a wider knowledge of what constitutes music in its highest measure, as the productions of the great artists of the world are brought to the most humble fireside. It is now possible to select the finest music, or the commonest musical trash, by a turn of the dial.

The celebration of National Music Week affords an opportunity to all to take stock of their musical accomplishments. Whether trained to read and play music or not, it is possible to develop a high appreciation of fine music, which, like enjoyment of flowers, and sunshine, and other blessings, will aid the human heart in its age-old battle with the vicissitudes of life.

(QUESTIONS THAT ARE ASKED ABOUT BANKING)

"How can I build up my credit at a bank?"

Simply stated, bank credit is the faith a bank has in a given individual, or business firm, to repay a loan at a specified time.

Character is the foundation of every good credit rating. Reputation for good business management, for paying bills promptly, and for "making your word good" is essential.

It is desirable to be a depositor in the bank where you wish to establish or build up your credit. An adequate balance should be maintained, and your account should not be overdrawn. Good credit references are helpful. Loans should be met promptly on due date.

These are some of the essentials we recommend to any person wishing to establish or build up his credit rating at our bank.

KIWANIS INTERNATIONAL OBSERVES PEACE TREATY DAY

United States-Canada international good will was featured with the dedication of an arbor-vitae tree by Bynum E. Hinton, president of the Kiwanis Club of Washington and Dr. William H. Ross, president of the Canadian Club of Washington to unchanging friendship. The tree was dedicated at the Rush-Bagot Peace Plaque on the grounds of Columbia Hospital, Washington, D. C., April 30. This peace plaque, dedicated by Kiwanis International, April 29, 1935, commemorated the signing of the Rush-Bagot agreement, April 28-29, 1817, which brought about the withdrawal of armed vessels from the Great Lakes.

Eight children, sons and daughters of Kiwanians, participated in the ceremony, which included the enactment of a "hand-clasp compact across Kiwanis America" by Lewis T. Breuninger, jr., as a commodore, U. S. Navy, and Sam Dennis Marsh as an inspector, Canadian Northwest Mounted Police, both in costume. They shook hands across a huge map of that part of America extending from the Arctic Ocean to the Gulf of Mexico, territory in which the 1,900 Kiwanis Clubs, comprising more than 90,000 business and professional men are located.

Mildred Petrey, twelve-year-old Washington pupil, as "Miss Hudson Bay" christened the tree with water from Hudson Bay. She was a representative of the Winnipeg, Manitoba Club. Patricia Barnard of Takoma Park, Md., representing the Kiwanis Club of Brownsville, Tex., brought water from the Gulf of Mexico and Mary Margaret White of Hyattsville, Md., poured water from the North Atlantic and Dorothy Anne Duncan of District Heights, Md., representing the Kiwanis Club of Vancouver, poured water from the North Pacific. Harriet Lloyd Hammond, Alexandria, Va., representing the Kiwanis Club of Miami, Fla., christened the tree with water from the South Atlantic and Pattyanne Harris of Arlington County, Va., representing the Kiwanis Club of San Diego, Calif., poured water from the South Pacific.

Cordell Hull, Secretary of State, in a special "greeting to Canada on this the 119th observance of the signing of the Rush-Bagot Agreement," which

was read by Dr. Lonsdale J. Roper, Portsmouth, Va., governor, Capital Kiwanis District, comprising clubs in Maryland, Virginia, Delaware and the District of Columbia, said:

"I am glad of the opportunity to extend my greetings to you who meet today in observance of United States-Canada Good Will week.

"Since the conclusion of the Rush-Bagot Agreement more than a century ago, Canadian-American friendship has endured and flourished. Out of these friendly relations grew, in the most natural manner, the recently negotiated reciprocal trade agreement, the mutually beneficial results of which the members of Kiwanis International, as business men, are in a position fully to appreciate.

"I think that we may be pardoned for pointing again and again with unbounded pride to our friendly border line. With more than a century of good feeling to look back upon, I feel confident that Kiwanis International will continue, as an important phase of its activities, to encourage the maintenance of unchanging friendship with our good neighbors to the North."

Frank E. Finley, Wilkesburg, Pa., governor of the Pennsylvania Kiwanis District, and Dr. Karl Myers, Philippi, W. Va., lieutenant governor of the West Virginia district, were present at the dedication. Edwin F. Hill, Washington, D. C., Kiwanis International trustee, was master of ceremonies.

The Navy Band provided music at the dedication ceremony.

SCIENCE AND CRIME

What happens when the master minds of the criminal world clash with the scientific minds which now design and operate the Federal crime detection machine? The answer to that question comprises one of the most dramatic stories of modern times.

The story, written by Rex Collier, one of the greatest authorities in the field of modern crime reporting, is told in all its gripping detail in the feature section of The Sunday Star May 10.
