KIWANIS RECEIVE GOVERNOR JONES

Ocoquan Students Give Musical Numbers.

Last Friday was a very pleasant occasion at the weekly meeting of the Kiwanis Club.

In the first place it marked the formal visitation of Lieut.-Governor Edgar C. Jones of Hagerstown, Md., who was here in the interest of flood sufferers in his vicinity. Mr. Jones stated that the response of the club had been so hearty that flood victims actually had part of the goods in use within forty-eight hours following his talk here. The Governor was loud in his praise of the Manassas Club.

Prior to his address, the young folks from Ocoquan High who were taking part in the Music Festival, took a very integral part in the Kiwanis program.

With Miss Ellen Eskridge, faculty director of music at Ocoquan, at the piano, there was really a music festival right there.

Miss Mildred Bryant sang as sweetly and as unaffected as any performer to whom the members have ever listened. In no less degree did Miss Cynthia Stockley give her numbers.

The young men had their innings when the quartette composed of Messrs. Clinton Abel, Wallace Mann, Harry Winfree and Carlton Post gave several numbers. Their offerings were also well received by all.

Governor Jones' talk was on the applied principles of Kiwanis. Inasmuch as his audience was already sold on the subject, the talk was even more keenly appreciated.

COMMITTEES FOR FLOWER SHOW

Public Invited to Participate in Annual Club Event.

The Manassas Garden Club will hold a flower show in the Parish Hall of Trinity Episcopal Church on Wednesday, May 27. As it is a recognized fact that flower shows stimulate interest in variety as well as quality of flowers, and a great deal of help and much pleasure is derived from them.

Entries are not confined to the Garden Club members so it is hoped that all flower lovers will exhibit what they have produced in their own gardens.

The committees are: Co-Chairmen, Mrs. Cooksey and Mrs. Dillake; staging committee, Mrs. Gillum, Mrs. Bock, and Mrs. Marsteller; classification, Mrs. Wenrich; decorations, Mrs. Jacobson; reception, Mrs. Hutchison, Mrs. Lewis; secretary and treasurer, Mrs. Harry Davis; publicity, Mrs. Marsteller; house keeping, Mrs. Jacobson and Mrs. Bock.

ACTIVITIES OF

BULL RUN GRANGE

Bull Run Grange has begun an active program for the summer months starting with the presentation of a beautiful American flag to the new Haymarket High School on May day. On May 8 they put on their spring initiation when the following class took the degrees: Mr. and Mrs. J. Newton Kerr, Mr. and Mrs. Moss Jacobs, Misses Betty Templeton, Helen Osborn and Mary Beach of Haymarket, Messrs. Billy Wright and James Gossom of Haymarket and Misses Leda Sowers and Marion Wells of Manassas and Mr. Percival Lewis of Manassas.

On June 26 the Grange will hold an open meeting and an interesting program has been arranged with a debate as the main feature, Messrs. C. B. Roland Rolfe Robertson having the negative side, and Messrs. Fowler Ashby and Preston Smith the affirmative, with three of the lady members of the Grange as judges, Miss Jennie Ewell, Mrs. C. L. Rector and Mrs. Grayson Tyler.

The Grange meets on the second and fourth Friday at 8 p.m. in the Masonic Hall, Haymarket, and the Rev. W. F. Carpenter of Haymarket is the master.

DOING NICELY

Harry Jarman, age 18, who lost an arm in a painful accident at the Manassas Mills, is doing nicely, according to the latest reports from the Washington hospital. The accident occurred last Thursday afternoon. Prompt first-aid by Dr. Tiffany and immediate services of Dr. Marsteller undoubtedly saved the life of the young man, who is a highly esteemed employee at the mill. His friends are hoping that he will soon be out.

R. WORTH PETERS,
Principal Manassas Schools.

PRINCIPALS ASSOCIATION NAMES PROF. PETERS

On Wednesday night, May 13, at a meeting of the Northern Virginia Principals Association, Mr. R. Worth Peters, principal of Manassas High School, was elected president of the association. He will succeed Mr. Charles Monroe, of Leesburg High School, Leesburg, Va.

The membership of the association includes the principals of the schools of Warren, Prince William, Rappahannock, Culpeper, Loudoun, Fairfax, Fauquier and Arlington Counties and the city of Alexandria.

SCHOOLS GIVE MUSIC FESTIVAL

Enjoyable Event Likely to Become Annual Event.

The schools of Prince William County celebrated National Music Week in the presentation of a Music Festival at the Manassas High School auditorium on the evening of Friday, May 8.

About 350 children from the various schools of the county participated in the event which was enjoyed by a large audience of school patrons and friends of music, and which is regarded as the beginning of an annual celebration of this character.

The schools represented in the program included Ocoquan, Quantico, Dumfries, Nokesville, Haymarket and the Bennett and Manassas High Schools.

The program was under the direction of Mr. David Weimer with the assistance of Misses Sue Ayres, Virginia Speiden, Marguerite Neal, Doris Woodyard, Harriet Bozarth, Ellen Eskridge. Assisting at the piano were Miss Barnes, Miss Morris, Miss Nancy Leachman, Miss Cynthia Lacey, Miss Edna Armstrong and Miss Virginia Speiden.

The appreciation shown by the audience indicated that music in its high aspects is much enjoyed and that there is a genuine desire in the community for the development of a greater love of music.

The various schools in the county received a great deal of praise for the splendid manner in which they co-operated in the organization of the program and in the successful way in which it was carried out.

There is no definite organization in the county for the promotion of music appreciation but this program demonstrated what the schools could accomplish in the music world.

SCHOOL BOARD VISITS INDUSTRIAL EXHIBIT

The county school board met last Friday instead of on Wednesday, that date being used to visit schools in Gainesville district.

A two-hour period in the middle of the day was devoted to attendance to the industrial exhibit and health day exercises at the Industrial School, given by colored pupils in the county.

Except for a large volume of routine business nothing of special importance was transacted.

Bus drivers and janitors for 1936-37 were selected.

Approval was given for purchase of additional land at Ocoquan.

A delegation of patrons of colored schools appealed to the board to provide improvements in the lower portion of the county. A committee was appointed to investigate and report back.

The board spent yesterday in Ocoquan and Dumfries districts. At Quantico, the league served a delicious luncheon.

Next Wednesday the board will visit schools in Brentsville, Manassas and Coles districts.

THE REVISED FARM PROGRAM

County Agent Cox Announces Details of the New Agricultural Conservation Program.

The majority of the farmers of Prince William County should be able to qualify for Soil-Conservation or Soil-Building Payments, or both, under the 1936 Agricultural Conservation Program. It will be to the interest of every farmer in the county to investigate at once and find how he may be benefitted by the program.

Class 1. Soil Conservation Payment.
This payment will be made for diverting in 1936 an acreage up to 15 per cent of the 1935 soil-depleting base acreage, from soil-depleting to soil-conserving crops. The rate of payment per acre will finally be determined by the Secretary of Agriculture but is reasonably expected to average around \$9.00 per acre.

Class 2. Soil Building Payment.
This payment will be made for carrying out the soil-building practices at the rates and under the conditions recommended by the Virginia State Committee and approved by the Secretary of Agriculture. The maximum Soil-Building payment for any farm shall be computed by multiplying the number of acres of crop land used in 1936 for Soil-Conserving crops by \$1. (By crop land is meant any tillable land from which at least one crop has been taken since January 1, 1930) Payments for the seeding of legumes this spring on small-grain, even if harvested for grain, have been approved.

Soil-Depleting Crops Are

Corn of all kinds.

Wheat under all conditions, except if clipped green or pastured off, when used as a nurse crop.

Rye, Winter Oats and Barley, if not seeded with or immediately followed by a legume.

Farm Gardens, Truck Potatoes, Potatoes and Strawberries.

Sudan Grass and Millet when used for hay or seed production.

Spring Seeded Oats.

Soil Conserving Crops Are

1. Biennial and Perennial Legumes, such as Red, Mammoth, Alsike, Sweet and White Clovers, Alfalfa, Sericea, when seeded alone or in combination with Rye, Oats or Barley. If these legumes are seeded in combination with wheat, and the wheat is clipped green and left on the ground or pastured sufficiently to prevent grain formation, such acreages can be included in the 1936 soil conservation total.

2. Perennial Grasses: Bluegrass, red top, timothy, orchard grass, or a mixture of such grasses, when seeded alone, or in combination with rye, oats or barley, or with wheat when wheat is clipped green and left on the ground or pastured sufficiently to prevent grain formation.

3. Annual Grasses, as Sudan Grass or Millet, not harvested for hay or seed.

4. Summer Legumes, as Soybeans or Cow Peas, either when harvested for hay or turned under as green manure.

5. Annual Winter Legumes and Lespedeza: Vetch, Crimson Clover and annual varieties of Lespedeza. (See FARM PROGRAM, page 7)

LADIES HEAR MR. C. C. CAPPEL

Manager, National Symphony Orchestra, Guest of Woman's Club.

It was the privilege of the Manassas Woman's Club on Monday afternoon to hear a forceful and lucid speaker, Mr. C. C. Cappel, manager of the National Symphony Orchestra of Washington, who spoke on the subject of music and its place in education.

On this occasion the student body of Manassas High School was also invited to hear the able speaker, who spoke directly to the students, themselves, as he made specific the remark that he hoped to inspire the young minds in their appreciation of music.

Mr. Cappel stated that people had the wrong idea of music, many of them thinking that music was studied as a livelihood, but that they should study music as a part of their education.

Mr. Cappel answered the question, "Why Appreciate Music," by saying that there is a present economic trend to provide the individual with a greater amount of leisure time and it is the duty of education to teach us to use it profitably. A scientific investigation discloses the fact that where young people study music there is less juvenile delinquency. He urged the formation of high school bands and group singing. He also stated that it was not necessary to be a musician to enjoy music.

Mr. Cappel closed his address with the remark that music appreciation could be acquired by listening to good symphony orchestras. He said that the students' concerts of the National Symphony Orchestra had opened the door of appreciation to many young people who had never obtained the great joy and inspiration which comes to the privileged from hearing good music.

The club extended its deep appreciation for the splendid talk by Mr. Cappel and his generous contribution to the musical minds of Manassas.

Another feature of the meeting was an editorial reading by Mrs. C. R. C. Johnson which was in the form of a tribute to the late Mrs. Johnston who was so well known in the literary world. Her last book, "Miss Delicia Allen," is now in the Manassas High School library.

GOOD GAME IN STORE FOR MAY 17

Macs Play Quantico Indians at Quantico in a League Game.

Next Sunday, May 17, the Manassas A. C. plays the Quantico Indians, probably the strongest team to be encountered so far this season. The Indians last week shut out Springs, 16-0.

Last Sunday the Macs downed Kendrick A. C. of Alexandria in a hard-fought game, featured by numerous errors which accounted for most of the runs scored by both teams.

In the first half of the 4th inning Zimmerman of the visiting team singled and scored on a freak single by Babor. In the last half of the inning Vetter doubled and came home on a wild throw by Zimmerman.

In the 7th, Embrey got on 1st base on an error, and after reaching 2nd base on another error, was sent home by Burrell's single. Manassas again reiterated when Saunders hit a long triple over the right fielder and came home on Woodard's long fly.

In the next inning (8th) two singles brought in a run for Kendrick. Manassas still again followed suit, making two runs this time. Bradshaw walked, and waited until after two outs before going to 3rd base on a single by Bowers and scored home when Embrey relayed the ball to Hamilton who muffed it. Saunders' single (his third hit of the day) scored Bowers with the winning run.

OPERETTA AT HAYMARKET

Play Sponsored by Teachers to Be Given on May 20.

"The Golden Whistle," an operetta, will be given in the Haymarket school auditorium on Wednesday, May 20, at 8:00 p.m. The operetta is being sponsored by the teachers of the first four grades. The following story will be woven skillfully into a colorful array of fairies, elves, rabbits, etc.

Beffo, awaking after a nap in the woods one summer afternoon, sees before him the Little Old Woman. After talking to him, she gives him, on her departure, the Golden Whistle. He soon finds, whenever he blows it, come tramping in answer to his summons, all the fairy folk of the woods, as well as birds, flowers and even butterflies. They prove entertaining and delightful companions and when the Golden Whistle is lost and stolen by the White Rabbit, they summon to Beffo's aid, the Fairy Queen herself. The Little Old Woman returning, the Fairy Queen releases her from evil enchantment which had been over her, and throwing off her long cloak, she stands revealed, a lovely girl. The Queen bids Beffo take Alcea (maid's name) by the hand and lead her among his friends and with much merriment and rejoicing they form a gay line of march led by Beffo and Alcea, followed by Butterflies and Wild Roses bearing on satin cushion the Golden Whistle.

The cast which is made up entirely of children selected from the first four grades includes the following:

Beffo, Mary Moore; Little Old Woman, Esther Clarke; Robin Redbreast, Rita Robertson; White Rabbit, Ann Dulaney; Cardinals, Tulloss Rust, Carroll Wright; Fairy Queen, Evelyn Ashby; Wild Roses, Phyllis Robertson, Ellen Riley, Ann Lightner, Margaret Manuel, Betty Thomas, Faith Ellis, Mildred Gossom, Anne Utterback; Elves, Ralph Moore, Moss Jacobs, Calvin Smith, Claude Ellis, Robert Pearson, Mary Ann Howard, Paul Jeffries, Sam Dunn; Butterflies, Margaret Lightner, Juanita Yates, Ritta Mae Payne, Clara Bell Carter; Fairies, Margaret Thorp; Mildred Caton, Anna Doris Smith, Margaret Cox, Ruby Dunn.

PITTS BUILDS NEW THEATRE

Preliminaries to Construction Being Completed.

Announcement was made here this week by Mr. Franklin Hibbs, manager of Pitts' Dixie Theatre, that ground would be broken shortly for a modern theatre building.

The structure will be located on North Main street directly opposite Grace Church. This is a large lot and presents every possibility along landscape development lines as well as the architectural atmosphere that will be introduced in Mr. Pitts' latest improvement.

Mr. Pitts will furnish the Journal with advance photos of the architect's drawings and some idea will be given theatre patrons as to this new emporium of art.

Contracts will be awarded just as soon as titles for the land have been verified which should be done by the first of the month. It is estimated that about two months will be needed to complete the work, so that the theatre should be in use by the latter part of the summer.

BUS LINE EXPERT VISITS MANASSAS

Mr. J. S. Wolf, of Charlottesville, one of the executives of the Virginia Stage Lines, was in town this week in the interest of the new bus line which his company has just established through Manassas, Catlett, Fredericksburg and Bowling Green to Richmond, to connect with points south.

Stops are made at the Prince William Hotel where tickets are on sale, or the bus may be flagged down just like a street car if it is inconvenient to come to Manassas. There is no charge whatever for this service.

Mr. Wolf has established ticket agents all along the line and reports that prospects are looking much improved for the new public utility.

People in Prince William have a much more direct route to Richmond in this way and considerable traffic is expected to develop as a consequence of this fact.

RESOLUTIONS

At a special meeting of the Manassas Ministerial Association with a number of the County Pastors present and participating, held Monday, May 11, 1936, the matter of the proposal to establish an Alcohol Beverage Dispensary in Manassas was discussed. It was the unanimous opinion of all those present that such a Dispensary should not be established here, and for the following reasons:

First, We are opposed to anything that debases, degrades and destroys human personality.
Second, provision for the obtaining of legal liquor is amply supplied by Dispensaries in neighboring towns.
Third, the establishment here of a Dispensary will not correct the situation brought about by the illegal sale of illicit liquor.

Fourth, it is our opinion that the consumption of liquor and drunkenness would be largely increased instead of being decreased and moderated by such establishment.

Fifth, it is further our opinion that the establishment of such a Dispensary here will divert money from the purchase of the necessities of life, thus injuring the merchants of town and making for a larger burden of relief.

Sixth, that a copy of these resolutions be sent to the Alcohol Beverage Control Board; A copy be sent to the Town Council and a copy be sent to the Manassas Journal for publication.

W. M. COMPTON, President.
LUTHER F. MILLER, Secretary.

OCCOQUAN AND VICINITY

Funeral services for Mrs. Jean M. Hyde of Lorton, who died Friday at Staunton, were held Tuesday afternoon at Pohick Church, Rev. C. A. Langston, rector of Pohick Church, officiating. Interment followed in Pohick cemetery.

The shad bake given for the benefit of Occoquan High School's new gym was a great success. The menu was most excellently prepared and elegantly served. The committee who made the arrangements are to be congratulated.

The Occoquan High School Glee Club will give an operetta "In The Garden of the Shaw" at the school auditorium, Friday, May 15, at 8:15 p.m. Come and enjoy a good show, and for a good cause.

The Occoquan School League met at the high school Thursday evening, May 7, for the election of officers and transaction of other business. The following named officers were elected for the year 1936-1937:

Mr. B. W. Brunt of Occoquan, president; Capt. Thos. F. Joyce of Occoquan, vice-president; Mrs. Robert Burdette of Occoquan, secretary, and Mr. Wilmer Garber of Featherstone, treasurer. The largest attendance of the year were present, which indicates that all are vitally interested in school affairs.

Rev. C. A. Langston, rector of Pohick Church; Mrs. Ben Nevitt of Swetnam, and Capt. Thos. F. Joyce of Occoquan were delegated by the congregation of Pohick Church to represent the church at the annual convocation of the Episcopal Church held at Richmond, Va., Wednesday and Thursday, May 13-14.

The Occoquan High School Alumni will have a business meeting at the high school, Saturday evening, May 15, at 8:00 p.m. It is hoped that all graduates of the high school department will make every effort to attend.

We are pleased to report that Mr. B. W. Brunt of Occoquan is on the good road to full recovery from his recent illness. We like to see his smiling face again dishing out money in the bank.

Mr. and Mrs. Thomas Jefferson Burke were week-end visitors of Mr. Burke's sister and brother-in-law, Mr. and Mrs. Harvey Janney of Occoquan. Mr. and Mrs. Burke are now making their home in Washington, D. C.

Mr. and Mrs. Robert Brenner of Alexandria were week-end visitors of Mr. and Mrs. E. E. Payne of Occoquan.

Among the recent improvements in old Occoquan are: Mr. W. S. Lynn has completed painting his store and residence; the Misses Mayme and Helen Davis have installed a new fence and painted same, and Mr. E. E. Payne is digging a new well. Improvements will appear in the Journal as they occur.

Mrs. Adelia P. Starkweather has returned to her home Hill Crest, at Occoquan, after spending the winter with relatives in Pennsylvania.

GEORGE SIMPSON BUCKLEY

Quiet, unassuming, never seeking glory or the publicity coveted by some, his life was devoted to the service of others, to the daily performance of kind, thoughtful deeds. Deeds unobserved and unacclaimed, bringing neither the laurel wreath of victory nor the gratifying power of wealth and fame, such was the character of George Simpson Buckley, who passed away at the Mary Washington Hospital, in Fredericksburg, Va., on March 20.

The following poem by Emily Dickinson fittingly describes the nobility of spirit which made him so beloved by all who knew him:

"To Fight Aloud Is Very Brave.
But gallanter, I know,
Who charge within the bosom,
The cavalry of woe."

Who win, and nations do not see,
Who fall, and none observe,
Whose dying eyes no country
Regards with patriot love.

We trust, in plumed procession,
For such the angels go,
Rank after rank with even feet
And uniforms of snow."

CATHARPIN

We all get busy sometimes and have our own peculiar way of telling just how industrious we are. Just recently we heard it expressed this way: "I'm as busy as a little chicken with one hen." We have often heard it the other way around, but to put it in reverse has us puzzled. How about you?

Mr. Wallace Lynn, representing the County Agricultural Committee, is now making a survey of all fields anent the 1936 Agricultural Conservation Program thruout the county so that all farmers may soon know just how they stand in regard to this new project. The County Agent's office is requesting all interested to fill out their work sheets as soon as possible and file them with the county agent for use when needed. This will save delay when the time comes to cash in. This is very important.

Mrs. J. W. Alvey and sons of Catharpin motored to Purcellville one day last week and called upon Mrs. Chas. F. Brower, an old friend and classmate now residing in that city.

Mr. and Mrs. L. J. Pattie and daughters, Harriett and Bertha, accompanied Capt. W. R. Williams and Sergt. Warley to Remington on Thursday afternoon of last week where they attended the beautiful funeral services held at Mt. Holly Church and cemetery for Miss Juanita Corder, who fell asleep in Jesus at the Blue Ridge Sanatorium, Tuesday night, May 5. Miss Corder was the lovely young sister of Capt. S. T. Corder who has made many warm friends in this community while connected with the Virginia State Guards.

Mr. and Mrs. Chas. F. Brower, Jr., of Purcellville, Va., were calling on relatives and friends in the Catharpin neighborhood last week when Mrs. Brower started the quilting ball to rolling by ordering one of the Missionary societies' fine productions in the shape of an elaborately quilted quilt.

Mrs. Hulda Swart Collins, who has been a patient at the Blue Ridge Sanatorium during the past winter, returned to her home near Sudley last week looking well and in fine spirits. Miss Minnie Downs, also of Sudley neighborhood, has returned from the same institution where she has been a patient for several years, looking well and it is now the hope of their many friends that they may continue to improve which it seems they have all prospects of doing.

A large congregation attended

Mother's day services at Sudley last Sunday morning. This service is always very popular. The collections from Mother's day and Christmas are always sent to the Home at Gaithersburg for the support of that institution which now has nearly one hundred "guests" which are being cared for by the church.

Mrs. Susan R. Morton, of Haymarket, who is engaged by the Government to write historical sketches of all places of interest throughout the county of Prince William, visited this neighborhood last week with particular reference to the Old Sudley Methodist Church which has now about qualified to enter the "Historical Arena" since it is well on its way into the second century of its existence, being as near as can be ascertained, about 130 years old. Many things have happened in and around this old shrine, during that time. If all could have been recorded, it, no doubt, would be of much interest to the people of today. But history is a peculiar thing; it is not history until it has passed, and then those who knew it just considered it as part of the "day's work" and let it go without record; hence the difficulty in obtaining correct data. Sudley is fortunate in the discovery of an old class book which gives the names of all preachers and elders from 1818 up to the War Between the States, complete, which is invaluable and authentic; this coupled with old letters, memories, etc., of the older people, produces a very good skeleton upon which to build Sudley's history.

Another point of interest to many of the present day generation is Old St. John's Church, the remains of which is located about one mile west of Catharpin and consists only of broken down stone walls; all large rock of useful building size have long since been carried away for other structures. It is said that the foundation for the Baptist church at Haymarket was obtained from this old building. This church was used interdenominationally as well as for public school purposes, but its history seems to have passed with the generations it served so that little seems to be known about it today.

The Sudley community seems to have had the "stuff" that history is made of. We hear of "Sudley Springs" just near the church, which were famed as a Health resort and a hotel existed there for a long time, but not a single thing exists today to identify it; even the spring is submerged in Catharpin Run and lost to view. To this, now, may be added the old Sudley mill, hard by the springs, which has surrendered its right to exist, is torn away and ere long shall pass out of the picture as completely as the old hotel.

It seems to this column that Haymarket village is a point of historic interest which should be fully written and preserved to posterity. All Upper Pr. William is "Historic" and its happenings and places of interest should be chronicled for the benefit of its future citizens. We hope the Government activity along this line just now will create an interest to the end that history may be recorded before it is forgotten.

OUR "VOTE FACTORIES"

Washington may not be an industrial city, but at the present moment it is the site of the two largest "vote factories" in the world. They are the national headquarters of the Republican and Democratic parties, each functioning at top speed to make votes for the respective candidates of the two parties next November.

Just how these agencies go about the process of vote production makes a story of particular interest at this time. It is told in a wealth of interesting and entertaining detail in an article which appears in the feature section of The Star next Saturday, May 16.

SENATOR BYRD IN 1940

Senator Byrd has served notice that he will oppose the proposed elimination of the two-thirds majority rule by which the Democratic Party makes its presidential nominations.

Although Senator Byrd will probably do no more than place himself on record on the question at the Philadelphia convention, his vote may become an important matter of record. Changing back to the two-thirds vote rule may conceivably become an important issue of the 1940 presidential campaign. The Democratic Party will then be thinking of a man and a regime to succeed Roosevelt, with the slogans of the New Deal considerably the worse for wear. The signs are pointing in the governmental direction in which Senator Byrd is moving; toward the modifications of the Roosevelt program which are implied by the resolution under which the committee that is now investigating the possibilities of governmental reorganization, went to work. Senator Byrd was the author of the resolution and is chairman of the committee. His chairmanship and his position as an intraparty critic who has received the New Deal with reservations sufficiently broad to accommodate an uncertain future, give him a position of vantage at the right time.

The position is not one of calculated political advantage. Everything that Senator Byrd has done in Washington has been consistent with his governmental program in Virginia and some of the positions he has taken were against a strong popular tide. It is simply that his own program may coincide with the time. We expect to see Senator Byrd get the major credit for the reorganization of the Government bureaus.

There is much that is good and much that will last among Administration ideas and practices in the field of social government. If Senator Byrd is a creative critic in that field, his chance of being the Democratic man of 1940 seems to us to be excellent.—Danville Register.

NEWSPAPER ADVERTISING BUILDS INDUSTRY

A fine testimonial to the increasing value of newspaper advertising as a producer of business and industrial development was given in a recent public statement by L. A. Warren, president of Safeway Stores,

Inc., a chain grocery system serving Western America.

Citing his own company as a barometer indicative of the attitude of business in general toward advertising, Mr. Warren declared that he considered the growth of Safeway Stores and similar systems but a reflection of the power of newspapers to build and maintain public respect and public patronage. He added: "It is through advertising that people come to know and to understand the scope of any business concern's public service, and the commodities it offers for public consumption."

"It seems only natural that those concerns using newspaper advertising, uninterrupted year after year, do retain the highest confidence of the public that they serve. Their customers have found out that they can truthfully rely upon the advertised product, service and economy which so often feature the display advertising of such stores."

"We have repeatedly endeavored to help farmers dispose of surplus or distressed crops by conducting widespread advertising campaigns on certain products at various seasons of the year. These campaigns have been eminently successful and their beneficial effects to agriculture are a tribute to newspaper advertising."

Any kind of merchandise, chain or independent, will doubtless reflect Mr. Warren's views. Newspaper advertising is not only the best way to get business for a good product or service—it is also the best way to hold it.—Southwest Virginia Enterprise.

MRS. HITE AND MISS NEALE ENTERTAINED AT PARTY

"Singing Pines Tea House" was the scene of a delightful dinner party on last Thursday evening when the members of the Bennett School faculty and Miss Sue Ayres entertained Mrs. Grace L. Hite and Miss Margaret Neale, whose approaching marriages have been announced.

Upon arriving, the guests were received in the spacious drawing room where early spring flowers lent their charm.

At the appointed dinner hour, the guests were ushered into the dining room. A bowl of spirea and fern graced the center of the table between four burning tapers. Each place was designated by a hand-painted place card with a dainty rosegay tied with white ribbon. After a five-course dinner, Mrs. Hite was presented with a pair of crystal and silver candelabra, and Miss Neale with an Alabaster lamp. Those enjoying the affair were:

Mrs. Grace L. Hite, Miss Margaret Neale, and Misses Sue F. Ayres, Virginia E. Polen, Mary Will Chandler, Helen Dunkley, Margaret Powell, Harriett Bozarth, Ethel Robinson, Helen Reamy, Jean Moyer, Virginia Frazier and Lorice Carter.

SURPRISE PARTY

A delightful surprise was given Mr. and Mrs. H. W. Herring at their home at Nokesville on Sunday, May 10, the occasion being Mr. Herring's 5th birthday, also Mother's day.

Dinner was served picnic style with a beautiful three-tier birthday cake as a centerpiece.

The interesting feature was that four generations were present. About 40 were present, including the following:

Mr. and Mrs. H. W. Herring, Mr. and Mrs. Will Herring and daughter, Mr. and Mrs. C. C. Herring and sons, Mr. Geo. Herring and sons, Mr. J. P. and Mrs. Ernest Hale and sons, Mr. J. P. and Miss Bertha Herring, Miss Julia Bowen, Messrs. Harry Van Nort and Wm. Pearson, all of Nokesville, Va.; Mr. and Mrs. E. L. Herring, Miss Patsy Key, and Mr. Ray Wood, Independent Hill; Mr. and Mrs. Quinter Herring and son, Mr. and Mrs. Lloyd, Fredericksburg, Va.; Mr. and Mrs. Foreman and family, D. C.; Mr. and Mrs. Sterling and son of Takoma Park, Md.

All the children, grandchildren and great-grandchildren were present except one grandson and Mrs. Geo. Herring, who are ill, also two great-grandchildren.

I LIVE AGAIN

I breathe the breath from every flower,
Along the country side,
I greet the rain, I greet the sun,
With arms that open wide.

I live my life from sun to sun,
While dreams of other days remain,
From dark of night 'till dawn of morn,
I've lived, but still I live again.

Oh! life in open fields of joy,
With beauty rare of age unknown,
I live again the torch of love,
In mystic shades and fellow tones.

By Miss Othello E. Jones,
Fredericksburg, Va.

Beware The Cough
From a common cold
That Hangs On

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Creomulsion not only contains the soothing elements common to many remedies; such as, Syrup of White Pine Compound with Tar, fluid extract of Licorice Root, fluid extract of Ipecac for its powerful phlegm loosening effect, fluid extract of Cascara for its mild laxative effect and, most important of all, Beechwood Creosote is perfectly blended with all of these to reach the source of the trouble from the inside. Creomulsion can be taken frequently and continuously by adults and children with remarkable results. Thousands of doctors use Creomulsion in their own families as well as in their practice knowing how Creomulsion aids nature to soothe the inflamed membranes and heal the irritated tissues as the germ-laden phlegm is loosened and expelled. Druggists also know the effectiveness of Beechwood Creosote and they rank Creomulsion top for coughs because you get a real dose of Creosote in Creomulsion, emulsified so that it is palatable, digestible and potent for going to the very seat of the trouble. Creomulsion is guaranteed satisfactory in the treatment of coughs, chest colds and bronchial irritations and especially those stubborn ones that start with a common cold and hang on for dreadful days and nights thereafter. Even if other remedies have failed, your druggist is authorized to guarantee Creomulsion and to refund every cent of your money if you are not satisfied with results from the very first bottle. Don't worry through another sleepless night—phone or go get a bottle of Creomulsion right now. (Adv.)

AILING ALL THE TIME

Mrs. J. M. Waldron of B Street, Route 23, Parkersburg, W. Va., said: "Any little effort completely tired me out. I hardly slept a wink at night, had splitting headaches and I would become excited easily. I was so thin and pale I didn't look like myself at all. After using Dr. Pierce's Favorite Prescription a few weeks I gradually gained weight and strength and I knew my food was doing me more good." Buy now of your druggist.

FINE EXHIBIT BY COLORED SCHOOLS

Annual Health Program Very Interesting.

The annual exhibit of Industrial Arts for the colored schools of Prince William County was held Friday, May 8, at the Manassas Industrial School.

Each of the twelve schools displayed very interesting and attractive exhibits of handwork, which had been made by the children during the school year.

Another special feature that added to this occasion was a county-wide conference of school leagues in which representatives from each of the ten patrons leagues gave splendid summaries of their yearly objectives and accomplishments. A representative from the juniors gave a consolidated report of the work carried on this term by the junior leagues. All of these reports reflected credit on the efforts of local groups to meet local school needs.

Following the lunch hour, the group assembled on the lawn and was highly entertained by the school children who participated in a child health day program.

Visitors for the day included Prof. R. C. Haydon, superintendent of the county schools; members of the county school board and their friends.

Guest speakers were Dr. Arthur D. Wright of Washington, D. C., president of the Jeanes-Slater Board; Mr. J. A. Oliver, field secretary for the state organization of School Improvement Leagues, and Mr. G. W. Owens, director of agricultural department at Virginia State College, Petersburg, Va.

PIGMY ELEPHANTS WITH HUGE CIRCUS

With one hundred double-length railroad cars, bearing 1600 people, African ponies, seven herds of full-sized elephants, 1009 menagerie animals and 700 horses, the Ringling Bros. and Barnum & Bailey Combined Circus will arrive in Washington Monday, May 18, and Tuesday, May 19, for afternoon and night exhibi-

tions.

The circus is especially elated this season over the amazing success of the Big Show's sensational new super-feature—the first herd of African pigmy elephants (tiny tuskers that years ago attained their full growth) ever to leave the depths of darkest Africa, and the first herd of African elephants ever to set foot in America. The weird midget pachyderms are accompanied by a herd of miniature African ponies, world's smallest beasts of burden. These new importations have taken America by storm.

The Big Show's big top, seating 16,000 persons, covers seven rings and stages, a huge hippodrome track and encircling grandstands, and is one of 31 great tents, among them the menagerie, sheltering the world's largest traveling zoo. In its center this season will be seen Col. Tim McCoy's Indian Village, with Sioux and Blackfeet warriors encamped. Col. McCoy, the screen's most outstanding western star, will himself lead his congress of rough riders of the world in the main performances and in the wild west.

A very beautiful and inspiring ceremony was observed recently when on Friday the first of May the pupils of the Bristow School received a handsome American flag which was a present from the Daughters of America, Council No. 5 of Manassas.

Prior to the presentation of the flag a very attractive program was rendered by the Junior League under the supervision of Miss Elizabeth Hovey, principal of the school, and Paul Rollins, president of the league.

STEEL MAKERS say—"Ford buys the best steel." Other suppliers of materials and parts will tell you—"Nobody checks up as closely on quality and price as Ford."

This means a great deal to you as a motorist. It is our way of safeguarding the interests of every purchaser and it leads to this—"The mechanical depreciation on a Ford is less than most cars, especially after the first year."

This is one sign of the extra value in the Ford V-8. Accuracy in manufacturing is another. (The Ford is made to unusually close precision limits.) And there is a long list of fine-car features that are exclusive with Ford in the popular field.

Have you a V-8 engine in your car? You pay \$1645 for it in any other car but Ford.

Does your car have Center-Poise Riding? Ford gives you this modern feature—"a front-seat ride for back-seat passengers."

Does your car have fool-proof Super-Safety Mechanical Brakes? The Ford V-8 gives you this proved design, with 186 square inches of braking surface.

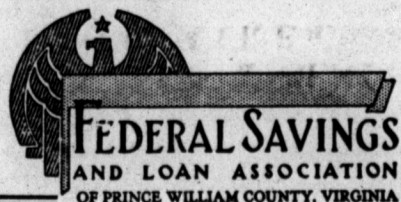

Does your car have a genuine steel body structure? Does it have Safety Glass all around? Ford is the only low-price car that gives you this extra protection without extra cost.

You get these fine-car features in the Ford V-8 because of Ford manufacturing methods and low-profit policy.

\$25 A MONTH, after usual down-payment, buys any model of the new Ford V-8 car—from any Ford dealer—anywhere in the United States. Ask about the new UCC 1/2% per month Finance Plans.
