MISS SUE GIBSON WEDS MR. FOX

Trinity Church a Bower of Spring Beauty for the Occasion.

White peonies, spirea and fern decorated Trinity Church, Manassas, Monday, May 25, for the wedding at high noon of Miss Susan Stuart Gibson, daughter of the Rev. and Mrs. Alexander Stuart Gibson, to Mr. Robert Fox, son of Mr. and Mrs. Ernest Fox of Washington, D. C.

The ceremony which was performed by the bride's father, assisted by her uncles, the Rev. Churchill J. Gibson of Richmond, and the Rev. Edmund Woodward of Shrinemont, Orkney Springs, Va., was attended by several members of the bride's family from Richmond.

Mr. John Bartlett Hull of Shaker Heights, Cleveland, gave his niece in marriage. She wore a bridal gown of white net, edged in a pleated ruffle around the hem and the cape sleeves. Pleating was also used to form a high neckline and the cape was held in with a white taffeta ribbon, which fell to the hemline in the back. Her tulle veil fell from a cap of lace and she wore a short face veil. She carried a white prayer book from which fell a shower of lilies-of-the-valley. The prayer book was carried by her grandmother, Miss Susan Stuart, of Staunton, at her marriage to the Rev. Robt. A. Gibson, who later became the Bishop of the Diocese of Virginia.

Miss Eleanor Bartlett Gibson was her sister's maid of honor, and the bridesmaids included another sister, Miss Lucy Atkinson Gibson. The other bridesmaids were Miss Anna Bruce Whitmore, Miss Lucy Arrington, Miss Evelyn Cooke, Mrs. R. J. Ratcliffe of Manassas and Miss Elizabeth Lloyd Gibson, a cousin of the bride.

The maid of honor was gowned in white net, the full skirt of which was banded in taffeta, as was the wide cape collar, which formed a v-neckline. She wore a large white straw hat and carried a bouquet of mixed summer flowers. The gowns of the bridesmaids were of white embroidered organdy, fashioned with a high neck line, round collar, peplum and short sleeves, all edged in knife pleating. They carried arm bouquets of mixed flowers made for them by a friend, Mrs. Margaret Lewis.

Mr. J. Preston Lyon of Manassas and Washington was the groom's best man and the groomsmen were Mr. R. Jackson Ratcliffe, Mr. John Holt Merchant, and Mr. Charles Walton Lewis of Manassas; Mr. James Horn of Washington; Mr. Charles Sydney Hunter of Fredericksburg and Mr. Morton Cameron Cook of Cherryle, Va., a cousin of the bride.

A buffet luncheon was served at the rectory for the relatives of both families and out-of-town guests, following the ceremony.

Among the out-of-town guests attending the wedding were the following:

Mrs. Churchill J. Gibson, Master Churchill J. Gibson, Miss Lucy Gibson, Miss Mary Gibson and Mr. and Mrs. John Davis Shaw, of Richmond; Mr. and Mrs. Edw. Pugh, Mr. Armistead Capehart of Windsor, N. C.; Mr. and Mrs. Wm. Powell of Connecticut, Capt. Allen F. S. McKenzie of New York, Mr. and Mrs. John Bartlett Hull of Cleveland, Ohio; Misses Elizabeth and Julia Sommers and Mr. John Summers Hull of Arlington, the Rev. and Mrs. Edmund Lee Woodward of Shrinemont, Miss Catherine Embrey of Lovington, Va.; Mrs. Craig Jones and Miss Shaw of Washington, Mrs. Fred Drew, the Misses Drew and Gilpatrick, Mr. and Mrs. H. O. Cutting of Washington, Mr. and Mrs. Fred Cook of Cherryle, cousins of the bride. Mr. and Mrs. Robert Fox, father and mother of the groom, were accompanied by Mrs. Dack, Miss Newton and Mr. Anderson, from Washington. Mr. Tom Grey, of Clarendon.

The Rev. Henry Justus Miller, rector of St. George's Church, Clarendon, presided at the organ, playing nuptial music before the ceremony and accompanied the vested choir in the processional and hymn. The processional was "Gracious Spirit, Holy Ghost" by Sir John Stainer and the hymn, "O Perfect Love" by Sid Joseph Barnby.

After a motor trip through the South, Mr. and Mrs. Fox will be at home at Seminary Hill, Va., after June 7.

FUTURE FARMERS ANNUAL BANQUET

Event on May 20 Much Enjoyed by "Fathers and Sons."

On Wednesday evening, May 20, the F. F. A. boys of Manassas High School presented a "Father and Son" banquet to which each boy enrolled in the chapter had the privilege of bringing his mother and father. They also entertained the faculty, the leading officers of the county, the school board and others connected with the school.

Mr. Fishpaw, the agriculture teacher, and Miss Draper with the help of the girls in her home economics class, prepared the menu and served an excellent supper.

The banquet was held in the dining room of the high school and the seating was arranged with place cards bearing F.F.A. emblem and the name of the person whose place it marked.

Rev. John Kline gave the invocation. The meeting was called to order and the regular procedure, with the class officers taking their part. Then supper was served.

After supper a welcome was given to the guests by Clayton Libeau, vice-president of the organization followed by the introduction of the honored guest, the parents of the boys by each boy.

Gilbert Rollins, president, acted as toastmaster. The first address was made by the principal of the school, Prof. R. W. Peters, who introduced the faculty and expressed a few words in regard to the organization. This was followed by an address by Prof. R. C. Haydon.

The guest speaker of the evening was Mr. W. R. Legge, the state supervisor of vocational agriculture, who gave an excellent talk which was typical of the event, in regard to the training and drilling of the boys in vocational agriculture. He also pointed out the possibilities for the future outlook of farming and the importance of training to meet the problems which we are likely to face in our everyday life with the best of our ability. To know our opportunities when we meet them, and to make use of them to our best possible advantage is the heart of the whole works.

Humor was added by a stunt, a guitar solo and jokes told by speakers.

FLORAL EXHIBIT AT HAYMARKET

Keen Competition for Honors Shown.

The Woman's Club of Haymarket scored a triumph, Tuesday afternoon, in a floral exhibit of unusual merit and beauty. The numbers of choice blooms, their great variety and the beautiful arrangements of the several cluster-pieces evoked admiration.

One of the attractive features was the table of miniature collections; each entry on which was artistic. Unique among these original pieces was the tiniest of the lot that won for Miss Edmonia Tyler the blue ribbon. Its base was a black checker-piece on which an inverted thimble held one little blackberry blossom. Nothing much smaller, as a flower container could have been devised.

So beautiful was the entire floral collection that the judges encountered difficulty in making the awards. This was stressed when they had to pronounce as "A Tie" the pieces they selected as "Outstanding Features of the Show." One of these awards was given to Mrs. M. S. Melton for her exhibit of a vase of red roses; the other, to Miss Mary Tyler for a cluster of budded yellow pond lilies in vase of harmonizing colors.

The judges were: Mrs. Drayton Meade, The Plains; Mrs. V. V. Gillum, Manassas, and Mrs. Shirley Carter, Warrenton.

MOTHER GOOSE LIVES AGAIN

Bennett Pupils in Splendid Performance.

The Mother Goose pageant at the high school on Tuesday evening which was presented by pupils of the Bennett School will go into the annals of the town as an exquisite combination of childish enthusiasm, drilled to perfection, color schemes blended to a degree that was professional in tone, and a general softness of effect that was genuinely enjoyable. The costumes and stage setting exhibited care of detail and marvelous workmanship. The audience was in a constant state of applause and appreciation. It is really a pity that this striking performance could not be repeated for the benefit of those who could not be present that evening.

There was such a lengthy cast that few encores could be granted. Even such scenes as Georgie Porgie, who kissed the girls, were not given a second entry but when the little bride marched on the scene, rules of order were broken after a full five minutes of steady applause. Romance was surely in the air.

Mrs. Grace L. Hite, principal of Bennett School, has submitted the following committees as having produced "Mother Goose's Goslings":

SUNBEAM ENTERTAINED

BY THE W. M. S.

In observance of the fiftieth anniversary of the organization of the Sunbeam Band in the Southern Baptist convention the Sunbeams of Manassas Baptist Church were entertained last Friday afternoon by the Missionary Society.

After the regular program of the W. M. S. the Sunbeams gave a delightful program of songs and recitations. Mrs. Mary Lyons, leader of the band, first told when and why the Sunbeams were organized.

Fifty years ago in a little Baptist Church in Fairmont, Va., where Dr. George Braxton Taylor was pastor there was a Sunday school teacher by the name of Mrs. Anna L. Elson who had a class of little children she named the Sunbeam Class. When Dr. Taylor would look into the bright faces of these children he longed for these Sunbeams to shine not only in Virginia but in lands of heathen darkness. Then he had a wonderful thought, surely put into his mind and heart by the Holy Spirit: "Why not organize the Sunbeam class into a Missionary band to study about missions and to give to missions and so to shine in far-away places?" The teacher agreed and so the Sunbeam class began to meet as a Sunbeam Band—the very first in the Southern Baptist convention. The children met, had their programs, brought their pennies for missions. Other churches heard of the Sunbeams and they would organize a band and the work grew until now there are 6,366 Sunbeam bands in the S. B. C.

After Mrs. Lyons' talk Page Beale gave the watchword of the band, With Mrs. Pickeral at the piano the band sang, "When He Cometh to Make Up His Jewels."

Scripture quotations on Stewardship were given by eight girls, Bettie Mae Cross, Mildred Cross, Barbara Beane, June Sadd, Genevieve Wilt, Mary Anne Goode, Virginia Papa and Rosabel Blackwell. A quartet, "Give Said the Little Stream," by Fanelle Pickeral, Barbara Beane, Mildred Cross and Rosabel Blackwell. Mrs. Hutchison offered prayer for the Sunbeam work. A recitation, "This Is My Father's World," by Helen May. "How to Gather Sunshine" by four little girls, Charlotte Mae Herndon, Georgia Lee Beale, Betty Lee Jenkins and Betty Wallace.

After the ingathering of the birthday offering which was placed in a yellow basket at front of platform Jackie Wetherall recited a prayer-poem, "Father Bless These Gifts We Bring."

At the end of the program the Sunbeams presented their leader, Mrs. Lyons, with a beautiful bouquet of yellow flowers.

The program closed by the band singing "Jesus Wants Me For a Sunbeam" and prayer by Mrs. Harrell.

Then came the delightful refreshments, the central feature being a big birthday cake with fifty yellow candles. The cake and ice-cream was enjoyed by all and thus ended a very happy afternoon which will make a lasting impression on all who were present.

OCCOQUAN AND VICINITY

Mr. Worthan Hall and Mr. Elden Carter of Occoquan have gone to Ohio on a business trip.

Miss Georgia Pierce is spending the week-end with Miss Cora R. Cannon at Castleton, Va.

Mrs. T. F. Joyce is spending several days with relatives and friends in Washington, D. C.

The American Legion and Legion Auxiliary gave a benefit card party at Dumfries Hall, Wednesday evening, May 27. It was well attended. The proceeds were for a worthy cause.

Graduation exercises of Occoquan High School will be held in the school auditorium, Wednesday evening, June 3.

There will be a baccalaureate service held at Occoquan High School, Sunday evening, May 31. Rev. John M. DeChant of Manassas will deliver the sermon.

The baccalaureate service for Lee-Jackson High School will be held at Pohick Church, Sunday evening, May 31, at 8 p.m. The sermon will be delivered by the Rev. C. A. Langston, pastor of Pohick Church. All the neighborhood should attend these services and show the young folks we are back of them.

Improvements noted in Occoquan and vicinity since last report:

Mr. M. J. Best has newly screened his porches.

Mr. Marshall Tyres has painted his house in Occoquan. This house was recently vacated by Mr. R. L. Flanagan and family.

Mr. Ogle Harris has erected and painted a new fence around his house lot. He is also making other improvements on his house.

Mr. Henry Davis is building an additional room on his house at Woodbridge.

The two rooms being built on to Occoquan High School are reaching skyward rapidly.

With all the new construction and remodeling going on, it would seem that the people should have nothing but praise for the New Deal. Never in my memory has there been so much construction and repair work going on in this vicinity at any time.

Mr. W. B. Davis and family have moved from Featherstone to Occoquan. Mr. Davis is employed by Mr. Harvey Janney, one of our leading Occoquan citizens.

LAUREL AND HARDY STAR IN WORLD-FAMED OPERETTA

As a successor to their two previous full-length hits, "The Devil's Brother" and "Babes in Toyland," Stan Laurel and Oliver Hardy make their latest feature-length appearance in "The Bohemian Girl," Hal Roach's ambitious filmization of the world-famed operetta which has thrilled generations ever since its first presentation at the Drury Lane Theatre in London in 1843. The new picture will be shown next Monday and Tuesday at the Dixie Theatre in Manassas.

While the general theme of the original operetta has been retained the work has been adapted to fit the inimitable comedy talents of its stars and the advance reports indicate that this is one of their funniest vehicles. All the music of the Balfe musical has been retained in solo numbers as well as score accompaniment and sequences featuring choral singing and dancing. One new modern number, "Heart of a Gypsy," by Nathaniel Shilkret and Robert Shayon, has been added.

Gypsy atmosphere, the locale of "The Bohemian Girl" is mid-continent Europe. As an incident in Hardy's henpecked life his shrewish wife kidnaps a little Princess as she elopes with the handsome Devilshoof, played by Antonio Moreno. Laurel and Hardy "mothering" the child over a period of years again arrive at the castle of the child. While she is about to be flogged by the minions of her father, who hate all gypsy vagabonds for the great tragedy they brought him, he recognizes a token establishing the identity of the now grown girl as his child. Thus all ends happily with Laurel and Hardy rewarded for caring for the girl.

People today want a car that's absolutely safe. And the 1936 Chevrolet is the safest car that money can buy, for it's the only low-priced car with New Perfected Hydraulic Brakes.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in after years.

COALS OF FIRE: Therefore if thine enemy hunger, feed him; if he thirst, give him drink; for in so doing thou shalt heap coals of fire on his head.—Romans 12:20.

MUSIC AND MANNERS

The national high school band contests held recently in Cleveland were a revelation to adults in that city. Sixty bands from all parts of the country gathered for the ninth annual championship contest. Members in bands ranged from eighty to one hundred players. Uniforms were colorful and gay. The music was excellent. Indeed, the judges agreed that much of it was better than that produced by many professional bands.

The revelation, however, concerned the behavior of the thousands of youngsters rather than the quality of their music. Those boys and girls proved to be model guests. They indulged in no rowdy actions, but attended earnestly to their music during the contests, and enjoyed themselves happily and quietly when they had time on their hands. They did some sight-seeing and bought a few souvenirs. And they gathered in groups on sidewalks now and then to talk things over.

These young ladies and gentlemen were a distinct credit to their home towns, their parents, their schools and teachers. Perhaps it was a decent pride in their musical achievements and a consciousness of their serious purpose that made them behave so differently from the average football crowds. At any rate, they deserve congratulations for good manners as well as good music.—Staunton News-Leader.

KIWANIS TO ENTERTAIN
MANASSAS GRADS

The Kiwanis Club is due to be host again to the graduating class of Manassas High. This event is one toward which both the grads and the hosts look for weeks before the occasion arrives. Needless to say that the grads will have charge of the program.

Last Friday night, Lamar Harris, of Arlington, and some sixteen of his cohort came down to visit Manassas. They were feasted royally but in the mix-up there was no program.

Lamar came to bat for the distressed committee and gave a splendid talk on the advantages of Arlington County and why he had removed his practice thence from New York City.

Later, Amos Crounse gave a forty reel number on some sort of a tail-spin Tommy who finally hopped out of sight. It seems that this was a boyhood poem which has never departed his memory.

Come again, Arlington.

LEGISLATORS SEE HIGH-
WAY COMMISSIONER

Construction at an early date of a temporary walkway across the Free Bridge was promised by State Highway Commissioner Henry G. Shirley last week during a conference with three representatives from this section in the state legislature.

The urgent necessity for the walkway to lessen the danger to pedestrians was impressed upon the commissioner by Senator S. Bernard Coleman and Delegates Frank P. Moncure, of Stafford County, and Dr. W. A. Harris, of Spotsylvania County. Commissioner Shirley indicated only a short time would pass before a temporary walkway is built. The addition would not be permanent because the official stated he is hopeful of having sufficient funds to erect a new bridge in the not distant future.

Mr. Moncure's request for repairs to the Dumfries-Manassas road elicited the fact that Commissioner Shirley is interested in the road because it traverses part of the new Federal recreation park and he indicated it might be possible soon to surface it lightly with tar.

W.C.T.U. ATTACKS

LIQUOR STORE

The Woman's Christian Temperance Union met on Wednesday at the home of Mrs. C. J. Meetez, combining a Mother's day program with the W.C.T.U. Beautiful readings were given honoring our mothers.

Miss Bodle of the Christian College of Manassas gave the scripture reading and led in prayer.

Letters were read from state and national officers telling of the national W.C.T.U. convention to be held in Tulsa, Okla., June 12-18. Many gifted speakers from our own and other countries will bring stirring messages to this great convention.

At the close of the meeting the following paper was read which met with the approval of all the W.C.T.U. members. "The question has been asked—what is the W.C.T.U. going to do about the A.B.C. store coming to Manassas?"

Some say there is nothing we can do. But that is a mistake. There is always something a faithful worker and follower of Jesus can do when evil threatens our land and homes. We as an organization composed of a goodly number of the voting women of Manassas can go on record as following the leading of our minister of the gospel and protest against such a store in our town, and especially against the indignity of its location next door to a ladies' waiting room where our young girls from the offices come to eat their lunch, and women to wait for trains and automobiles. And all this for the small amount of "revenue" it brings! God's word says "What will it profit a man if he gain the whole world and lose his own soul, or what will he give in exchange for his soul." Also "Whatsoever a man soweth that shall he also reap."

Another thing the W.C.T.U. can and will do is pray that our young people and all who are being misled may wake up and overcome this evil. God always hears and answers prayer tho' he suffers long and is patient with the evil doer.

We call to mind some years ago when a factory wanted to locate in Manassas but prominent men protested sufficiently on the ground that it would bring to our "residential city" an undesirable class of people.

"Which, we ask, is the more desirable—a factory which provides means for the support of women and children, or a business that degrades and destroys all that is honorable and best in manhood, rendering him unfit for the duties and responsibilities of life?"

"Why is your Bank printing these questions about banking?"

For several weeks we have devoted our advertising space in this newspaper to a series of "Questions That Are Asked About Banking," together with answers in brief, simple and understandable terms.

Our reason for using such advertisements is simply this:—

We want the people of this community to know more about our bank, about our banking services and about the principles and practices of management which, in our opinion, make for sound, useful banking.

We believe that the more the people of this community know about our bank the better we shall be able to serve both the people and the community as a whole.

If you have further questions about banking, or our services, please come in and ask them. We shall do our best to answer them.

INCIDENT OF INTEREST

While at work on the farm of Mr. W. H. Haydon near Manassas last Wednesday, Silas Green found a balloon on which was written "Milwaukee, Wisconsin," and which had apparently been turned loose about four days prior to the time it was found. The balloon is believed to have been filled with gas and travelled from that point.

HIGH SCHOOL LEAGUE MEETING

The High School League held its annual meeting at the school on Thursday, May 21, at 2:30 p.m. Although attendance was small, the yearly reports as presented showed pleasing progress both socially and financially and interesting programs have been presented at each meeting thruout the year.

Douglas Morris, president of the Student Government Association, told how well it has worked out in the school during this past year. He also told of the advantages gained by the various school organizations by the budgeting of the school finances.

Esther Akers, editor of the school publication, "Yellow Jacket," talked about the value of publishing a school paper. We feel proud of our school and its paper because it received honorable mention in a contest of journalism conducted by Emory University of Georgia. There were only 41 school papers included in honorable mention among over 2000 entrants.

Margaret White said that the school had a complete enrollment in the high school Junior Red Cross and had made contributions to flood relief, tuberculosis seals and various charitable projects.

The following officers were elected for next year:

President, Mrs. R. E. Newman; vice-president, Mrs. Wheatley Johnson; secretary, Mrs. R. L. Byrd, and treasurer, Mrs. V. V. Gillum.

Portion of Letter from a Confederate Soldier at Haymarket to "J" at Richmond, May 17, 1866.

"It is with sincere pleasure that I learn our noble women are determined to rescue from oblivion the grave and names of the brave men whose lives were sacrificed in vain to free our country from the yoke that has at last been put upon it. It is a worthy effort and adds another bright page to the records of our Southern ladies. 'Tis hard to know so many brave men fell without having accomplished that for which they gave their lives. Still 'tis balm to the wounded souls of the survivors to know their fallen comrades are not forgotten. That their graves are sacred, that gentle loving women visit and strew flowers over their silent resting places.

"Did I ever tell you of the friend I lost at 'Seven Pines'? (Poor Edmund, you fill a soldier's grave, unmarked, unknown, unintended, and save by a few—almost forgotten. Brave noble boy, how I wish I were able to raise a fitting monument to your memory.) If I have ever had one true friend Edmund Basye was that friend. Though comparatively strangers before the war, having joined the same company Edmund and I soon became warm friends and I believe could have known that the bullet which pierced his noble breast was intended for mine and that in losing his life he saved mine, he would cheerfully willingly have made the sacrifice. I felt after his death that I never properly appreciated him until he was lost. I suppose it is the case with everyone—we never know the worth of friends until we lose them. Our marked attachment for each other was often noticed and commented upon being in appearance so entirely different, it was the more noticed. He, a large fine looking and powerful man with light complexion, light curly hair, light blue eyes, and I, you know, almost entirely the reverse. Poor fellow, it is useless for me to try to describe your many virtues. To know that your resting places is still undisturbed and sometimes visited by those who honour the memory of a noble martyr would be a source of great pleasure to your sorrowing friend.

If I have never spoken of him to you it was not because I had partially forgotten him or disliked to dwell on, or speak of his many virtues, but because I never think or speak of him without feelings of deep sadness."

Mrs. F. H. Newman asks that this be published as very appropriate at this memorial season.

GABLE, HARLOW, LOY.
TOGETHER FOR FIRST TIME

Jean Harlow became Clark Gable's secretary, and Myrna Loy, his wife, as cameras started turning on Hunt Stromberg's production of "Wife Versus Secretary" at Metro-Goldwyn-Mayer, which opens next Wednesday at the Dixie Theatre in Manassas.

The new picture unites the three popular stars for the first time, Gable and Miss Loy having recently traveled from vacationing in opposite ends of the world—Santiago, Chile, and Budapest, Hungary—to join Miss Harlow.

The union of the famous trio brings to the screen Faith Baldwin's best-selling novel of the same title, which appeared serially in a national magazine. It tells the story of the dividing line separating a man's office from his home, with Gable, as the husband, facing the problem of choosing between the love of his wife, Myrna Loy, and his secretary, Jean Harlow.

HOTTLE-WOODBURN

The Foundry M. E. Church, Washington, was the scene of a very lovely wedding when Miss Wilma Woodburn and Mr. James Hottle were married Saturday afternoon at 4 o'clock, Rev. F. B. Harris officiating. The bride was attractively gowned in shell pink chiffon with accessories of corresponding shades and carried a bouquet of pink roses and white sweet peas.

The maid of honor, Miss Martha Thomas of Washington, was attired in pale green organdie with green accessories and carried a bouquet of talisman roses.

The groom had as his best man Mr. Stuart Lamb of Washington.

Immediately following the ceremony, the young couple left by boat to Norfolk and from there made an extended tour of Southern Virginia.

The bride, who is a daughter of Mr. and Mrs. John Woodburn of Ottawa, Kan., is employed in the Government in Washington.

Mr. Hottle, son of Mr. and Mrs. William Hottle, is formerly of Manassas. He is now employed with the Standard Oil Company in Washington.

Mr. and Mrs. Hottle are now making their home in the Capital City where they have many friends.

JOYOUS JUNE WEEK

Annapolis-on-the-Severn prepares for another June week, the week which annually brings the Maryland capital into the national spotlight as it sends a new class of naval officers out into the world. From all parts of the country, hundreds will come for the ceremonies which constitute one of America's most colorful graduations.

The story of June week at the Naval Academy, its gayety, its gallantry and its significance will be told in an illustrated feature in The Sunday Star on May 31.

IMPORTANT NEWS!

FARM HOMES ANYWHERE CAN HAVE CONVENIENCES OF FINEST MODERN REFRIGERATION

Nationally famous
ELECTROLUX
now operates with
KEROSENE (coal oil)
NEEDS NO ELECTRIC CURRENT
NO DAILY ATTENTION... NO WATER

HERE'S WHAT MRS. T. N. RYAN OF
DOWNSVILLE, LA., WRITES: "I wish I
could see Electrolux in every home because
we have tried it out and know just what it is.
We saw the ad in the paper and decided we
could pay for Electrolux with just what we
could save by having it six months. We did!"

If you're always longed for the many worthwhile conveniences and comforts of modern city refrigeration, here's great news! Kerosene Electrolux brings farm homes anywhere all these big advantages. In all important respects, it is identical with the gas-operated Electrolux now serving finest American homes and apartments in cities from coast to coast.

You'll like the way Electrolux saves steps and food... freezes delicious desserts, plenty of ice cubes. And you'll like, too, its amazingly low cost to run. This ideal farm refrigerator operates on ordinary kerosene (coal oil) for only a few pennies a day... actually saves enough on food bills and refrigerating cost to pay for itself. One filling of the tank lasts a week or more. Electrolux uses no water.

The reason Electrolux can operate so efficiently in its simple refrigerating method, Electrolux has no moving parts at all! A wickless glow-type kerosene burner does all the work... eliminates depreciation due to moving, wearing parts. Today—clip coupon below for free literature.

NOKESVILLE WINS TWO GAMES

After a slow start Nokesville is playing good baseball. In the game with the White Sox, Nokesville piled up an early lead and held it throughout the game. Heavy hitting by Shepherd, King and Wood helped Cooper to win an easy victory.

In the game with the Park Lane team, Nokesville climbed up the percentage ladder. Cooper pitched a steady game for the winners and had the heavy batters from McLean popping up when hits meant runs. Shepherd, King and Fitzwater put in extra base hits when hits meant runs. Come out and give the team support next game at Nokesville, May 31, at 3 p.m.

CATHARPIN

We had thought our typewriter was the only piece of machinery that made mistakes in spelling and did other things contrary to good English, but we find the lino type machine can go it one better by substituting whole words which it did last week and spoiled our little joke by using "month" for "morning" thus allowing the poor victim to "lie in state" for 30 days instead of a few paltry hours before the undertaker could attend to his case; and this in hot weather, too. Better look out or the Board of Health may get you.

Little Rita Robertson, young daughter of Mr. and Mrs. W. Holmes Robertson, has developed into a very nifty little handmaster and with her high hat and long tailed coat wields the baton with both grace and dignity. Her friends are very proud of her achievement in leading the children's orchestra on Friday night of last week at the entertainment in the Haymarket High School.

Miss Betty Brower, young daughter of Mr. and Mrs. W. S. Brower of Lone Oak, also pleased her many friends by her readings at the same entertainment. Betty can always be depended upon for any assignment given her. Catharpin is always proud of her youngsters when they make good and many of them do just that.

Rev. and Mrs. J. L. McCutcheon of Modest Town, Va., after spending a week at Oakwood, returned to their home on Wednesday last after a very pleasant visit among friends in the catharpin and Sudley neighborhood. As is usually the case, Mrs. McCutcheon taught the Bible class at Sudley on Sunday morning where she is always welcomed and received with delight. Both Mr. and Mrs. McC. are enjoying fairly good health and feel perfectly at home among the people of Sudley.

Mrs. E. S. Clary of Lawrenceville, Va., was a week-end visitor at the home of Mr. and Mrs. J. W. Alvey of this city last week.

Mr. and Mrs. W. Holmes Robertson motored to Delaplane on Sunday to see Mr. Robertson's mother who is suffering from the effects of a fall which has confined her to her room since last week.

People are so busy just now getting things in shape for spring crops that no one has had time to do anything to make news. They have been so busy that they have not been able to get together long enough to even talk about the weather which, just now, is beginning to get people on the anxious seat because the gardens are beginning to think seriously about sending out an SOS call for a little moisture. Then again the old "biddies" are ruffling up their feathers and bringing forth their broods as well as the old turkey hens; so, by and large, people are just so busy doing things that the news hawks

can scarcely find enough to report. Well, it's a mighty good thing to be busy enough to keep one out of mischief. They say no news is good news, so for once in our lives we should be rated as "good." So there, to justify sharpening their pencils.

COLONEL JORDAN IS HONORED

Prince William folks and natives of Haymarket in particular are pleased to hear of the honors which have been accorded Richard Jordan of Haymarket.

On August 1, 1936, Col. Jordan, now acting chief of the transportation division, is named assistant quarter master general, succeeding Brigadier General William Gibbons who retires July 31.

Col. Jordan entered the military service as second lieutenant of artillery in 1901. During the World War he was awarded the Distinguished Service Medal. After the Armistice he was connected with the Peace Commission in Paris, later going to Brazil as a military attaché of the Embassy there.

Subsequent service has taken him to China and other points about the globe. On one occasion he had charge of the pilgrimage of the Gold Star Mothers to European cemeteries. Col. Jordan comes from one of Prince William's finest old families and one which has had much to do with the history of this county and the State of Virginia. His honors are well deserved and he has the good wishes of his many friends hereabouts.

BASEBALL CHAMPIONSHIP PLAY OFF ON SATURDAY

This game tied the two schools for county championships which will be played off on Saturday at 2:30 p.m. on the Manassas diamond.

FORD DEALERS CITE SAFETY RULES

Safety for motorist and pedestrian involves so many factors that there can be precise formula for preventing accidents, traffic experts have learned. But there are some things which are generally agreed to be important safety measures and these are being suggested by the Ford dealer organization to the general public.

Brakes—Should always be kept properly adjusted.

Tires—Good treads are positively necessary to wet or winter weather. Sound casings are always a vital need, especially on front wheels.

Rear view mirror—Keep properly adjusted and both mirror and rear window clean.

Headlights—Don't run with one light if you value your life. Aim them properly so you can see the road.

Tail lights—These are even more important for your protection. Check often and at the same time test the stop light.

Windshield wipers—When you need a wiper you need it badly. Keep it in working condition.

Steering gear—Take to nearest service station if there is any change in the feeling of the gear—tightness, looseness, irregularity.

Tight gaskets—Exhaust gas leakage may be fatal. It is due to leaky connections in exhaust manifold, pipe or muffler. Check often in winter.

Warning signals—Have your horn fixed just as soon as you find it does not work properly.

POPPY DAY BIG SUCCESS

Poppy day, sponsored by American Legion Posts throughout the United States, proved to be quite a success locally this year, when Post 158, Prince William County, netted sixty dollars from the sale of poppies.

This money will be used directly for charity, providing a winter fund for the children of disabled veterans.

The two prizes given to the girls selling the most poppies were awarded to Misses Margaret Blakemore and Sally Proffitt.

The local post extends its deep appreciation to the people who bought poppies last Saturday and also those who made donations to this worthy cause.

FORD V-8 TRUCKS DO MORE WORK AT LESS COST . . .

because they have

**RESERVE POWER AND
EXTRA STRENGTH!**

ON long or short hauls—up steep grades—through gravel or gumbo, Ford V-8 trucks have the reserve power to deliver their loads on schedule and no favors asked.

The mighty V-8 engine is conservatively rated by Ford at 80 horsepower—more than is needed for most work. And this is one of the main reasons for a Ford truck's economy. Because, with so much reserve power, the Ford V-8 does its work easier, with less effort. The engine operates efficiently and at low cost because it is usually below "peak." The whole truck, straight through to the rear axle, gives you longer life than would be possible with a relatively under-powered, over-worked unit.

And V-8 power is coupled with extra strength in the Ford truck . . . Frame,

clutch, rear axle—in fact, the whole chassis, including springs, is ruggedly built to insure users the greatest possible freedom from servicing cost.

But the best way of all for you to learn for yourself exactly what a Ford V-8's reserve power and extra strength means, is to try it—on your own job—with your own loads, and check the results. Call your Ford Dealer today. He will lend you a 1936 Ford V-8 truck for an "on-the-job" test, without charge and without obligation.
