### RECOVERING FROM ACCIDENT

Mr. Charles Donald Fox, noted writer, who was seriously injured in an automobile accident on June 4, is recovering from his sad experience. His wife was instantly killed in the automobile collision which occurred near Bull Run bridge on the Lee highway and Richard Moore, colored, driver of a truck, was also injured.

The accident is said to have occurred when the Fox car dropped off the concrete and upon being brought back upon the road swerved into the right-of-way of the approaching truck.

An inquest was held Saturday night at the funeral home of Hall and Cross in Manassas and the body of Mrs. Fox shipped to Newark, N. J., for burial.

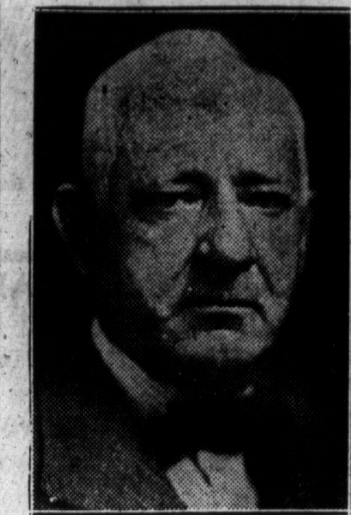

### BILLY HAYDON GIVES A PARTY

Yesterday on the lawn of his parents' home, Billy Haydon was host to a large gathering of his young friends and their parents.

The party was beautiful in every detail and Billy was pronounced an ideal host.

Many happy returns, Billy.

### VISITS MANASSAS ON STUMPING TOUR

**SENATOR SAXON W. HOLT**  
Mr. Holt spent a good part of yesterday visiting old friends in town and in contacting the voters.

## DAIRYMAN TO SUCCEED MR. NASH

**Wheatley Johnson Named Supervisor.**

Yesterday afternoon Judge Walter T. McCarthy announced to his court the appointment of Wheatley Johnson to fill out the unexpired term of C. E. Nash as supervisor of Manassas District.

Mr. Johnson, who was former Juvenile Justice of the County, was born and raised on the farm on which he now resides and which his forebears have owned from the days of the American Revolution.

He is a dairyman and stock raiser of considerable note in farming circles of the Old Dominion. He has been a constant civic and church worker all his life.

The appointment of Judge Johnson comes something as a surprise for he had made no effort himself and his name merely came before the Judge as a representative farmer. Judge McCarthy has not yet failed in any of his appointments since he first became judge, and his appointment of Judge Johnson is certain to give satisfaction.

### MAY MEETING OF W. C. T. U.

A large number of the members of the W. C. T. U. met with Mrs. Walter Sadd in May, when a "Mother's Day" program was given by Mrs. Embrey and Mrs. Sadd. An interesting feature of this meeting was that five little children had the white ribbon tied around the wrist making them "White Ribbon Recruits." "When He Cometh to Makeup His Jewels" was sung and prayers were offered in behalf of these little ones. Mrs. Embrey after an absence of several months presided. At the close of the meeting refreshments were served by Mrs. Walter Sadd, assisted by Roberta and June.

The June meeting will be held at the home of Mrs. Blough and the program will be presented by Mrs. Hottle and Mrs. Blough. Do not forget the date—Wednesday, June 23, at 3 p. m.

### MASONIC NOTICE

Ben W. Beach, Grand Lecturer of Masons of the State of Virginia, will pay his official visit to Manassas Lodge, No. 182, A. F. and A. M., Monday next, June 21, and will be here for three days. All lodges in district 58 are cordially invited to meet with Bro. Beach, to improve their work in Masonry, during his stay in our midst.

On Tuesday night, the 22nd. of June, the Manassas Lodge will confer the master mason's degree and all members and brethren of sister lodges are cordially invited to be present.

This is a National Youth Administration Project sponsored by the Prince William County School Board with the Manassas Community League and Town of Manassas as co-sponsors.

At present, the Playground will be open from 9:00 a. m. to 4:00 p. m. Monday through Friday and 9:00 a. m. to 1:00 p. m. on Saturday.

All children are welcome and it is hoped they will take advantage of this project.

### 4-H DAIRY CLUB BOYS TO COMPETE IN NATIONAL CONTEST

Prince William 4-H Club boys will compete in the Dairy Demonstration Team Contest in which a free trip will be awarded to the National Dairy Show at Columbus, Ohio, next fall to the best State team. There the members of the State team will compete for \$250 college scholarships offered to the sectional winners and the \$400 college scholarships to the National winners.

Three teams of two members each—Clifford Bear, Jr., and Bill Hedrick of Nokesville; Freddie Harpine and Selwyn Smith of Nokesville, and Harris Collins and Gilbert Rollins of

the Manassas Club are now preparing demonstrations to be presented in the State contest. The need for safety bull pens and their construction will be demonstrated through the use of models to be constructed by the teams.

County dairy club members will also compete locally to make the dairy cattle judging team to represent Prince William County in the State contest at the Virginia State Fair. A week of special dairy cattle judging training at the State 4-H Short Course in July will be followed by additional practice in the county.

### JUNE MEETING OF SCHOOL BOARD

The county school board met last Wednesday with all members present.

Much of the day's business was simply routine such as payment of bills and etc.

The Library was ordered for the Dumfries School and the encyclopedia for Occoquan High School.

All students and post graduates under the age of 21 will be allowed hereafter to take commercial courses free of charge within the county.

The board adjourned to hold its annual meeting on Tuesday, July 6, as required by law.

### COUNTY BOY CONTINUES GOOD WORK AT COLLEGE

James, better known as "Jim" McInteer, a member of the 1935 class of Occoquan High School, is continuing a splendid record which he made for himself and his school last year at Randolph Macon College, Ashland, Va.

During the recent commencement exercises he was awarded the Murray Medal for Proficiency having the highest average at the school for the year; the same being 94.6 per cent on all subjects.

In addition to this splendid scholastic record, Jim was on the regular basketball team and a member of the pitching staff of the ball team this past season.

### FARM MOVIES FOR KIWANIS

Percival Lewis gave the Kiwanis club a delightful surprise through agents of the International Harvester Company last Friday evening.

The show consisted of three reels devoted to the manufacture of binder twine, the building of Boulder Dam and "inconveniences" on the farm.

It was simple, highly instructive and altogether very entertaining.

A tentative date for a "family night" has been set at the High School on June 25, the 4-H club to act as host and furnish the entertainment for the evening.

### JUNIOR WOMEN PLAN PICNIC

On Thursday evening, June 10, the Junior Woman's Club met at the home of Mrs. J. P. Lyon. Miss Walter Conner gave an interesting and amusing account of the State Meeting held in Lynchburg. Mrs. Owens also gave some of the impressions she gathered on this trip.

The club's budget for the year '37-'38 was presented by the Executive Meeting and met with the approval of the members. As the Club's aim is charity most of money was allotted to that committee.

It was decided that the annual picnic shall be held Sunday, June 20, at Bristow on Mr. Sharrett's Farm. Each member is allowed one guest only.

Since the Junior Sponsors, Mrs. Lyon, will be in Nova Scotia during July and August, the July meeting will be held at the Lynn home and the August meeting at Miss Conner's.

## DEATH CLAIMS NOTED PHYSICIAN

**Dr. Hornbaker Had Auspicious Career.**

Manassas was greatly saddened last week to hear of the death of Dr. Frank W. Hornbaker, of Occoquan.

Dr. Hornbaker, who for 27 years, has ministered to the physical ailments of prisoners at the Occoquan Work House and Lorton Reformatory, died at Garfield Hospital.

In ill-health for the last two years, Dr. Hornbaker continued until a month ago work which his superiors said should require the services of at least three physicians. He had been in critical condition at the hospital for two weeks.

Dr. Hornbaker was connected with the Occoquan work house from its beginning, starting his service there in July, 1910, only three months after the District acquired the site for the institution. Opening of the Lorton Reformatory on the same reservation in 1916 increased his work. He was physician for both institutions until another doctor was named for the reformatory five years ago.

Many of the folks here in town remember him as a youngster when he clerked in the drug store of Dr. B. F. Iden near the Town Hall, and later in the drug store operated by Walter Shannon (now owned by Dr. Howell).

Born in Manassas June 29, 1874, he acquired all of his elementary school training here and matriculated at the University College of Medicine, Richmond, where he graduated in 1900.

He began his professional life at Chantilly where he kept an office in Mr. Sidney B. Wrenn's Store. From thence he moved to Fairfax Court-house. He located in Dumfries about 1905, where he practiced for several years, and then moved to Occoquan, Va.

Testimonials given by his official associates bear evidence of his long and faithful services for the prisoners. There are many instances on record where he performed unusual acts that required both skill and tact, as well as perseverance.

The deceased was active in fraternal circles. He was a member of Occoquan lodge A. F. and A. M.; Alexandria Consistory (32nd degree); and a member of Acca Temple (Shrine).

He is survived by his widow, Grace Clarke Hornbaker; a son, F. W. Hornbaker, Jr.; one daughter, Mildred; one brother, Major J. N. Hornbaker, U. S. A. (retired); a sister, Mrs. J. E. Bradford of Manassas; a half-sister, Mrs. Wm. J. Powell of Alexandria, and two-half brothers, Read Hynson of Philadelphia and Fred R. Hynson of Manassas.

Funeral services were held Saturday afternoon at the old Pohick Church, Rev. C. A. Langston officiating. Interment was in the Church Cemetery, with Masonic ceremony. The pallbearers were G. R. Ratcliffe, L. Ledman, H. P. Davis of Manassas, John Sealeman, Ellis Davis and T. T. Grimsley of Occoquan, Va.

The honorary pall bearers were: Dr. Oscar B. Hunter, Dr. Jas. M. Fadeley, Mr. Richard W. Wheat and Mr. E. J. Murphy of Washington, Dr. Bloise of Alexandria, Va., Dr. Ben J. Phillips of Triangle, Va., Dr. William Caton of Accotink, Va., Captain M. M. Barnard, Capt. William Peake and Capt. Arthur Pettit of Lorton, Va., and Mr. Allen Green of Occoquan, Virginia.

### ATTENTION, CHAUFFERS!

Sgt. E. H. Howe is asking the public for co-operation in the matter of reissuance of chauffeurs' licenses. He has been instructed from the Richmond office to the effect that no such license, either original or renewal, will be issued for a three year period after July 1, 1937.

After that date all such licenses shall be issued for one year only. The extra fees that would thus be occasioned may be saved by prompt action now.

Examination date is June 24 at the courthouse in Manassas, from 12 noon till six o'clock of that day.

BIBLE THOUGHT AND PRAYER

**A NATION RESTORED:** For I will take you from among the heathen, and gather you out of all countries, and will bring you into your own land. Then I sprinkle clean water upon you, and ye shall be clean: from all your filthiness, and from all your idols, will I cleanse you. A new heart also will I put within you: and I will take away the stony heart out of your flesh, and I will give you a heart of flesh.—Ezekiel 36: 24-26.

## REJECTION OF THE COURT PLAN

Last week the Senate Judiciary Committee recommended rejection of the Roosevelt Court Reform measure, characterizing the proposition as needless and futile, and a dangerous abandonment of constitutional principle. The committee, which is overwhelmingly Democratic, made the unqualified assertion that the bill does not accomplish any one of the objectives for which it was originally offered and that it applies force to the judiciary and tends to expand political control of the judicial department. In very convincing language the report challenges every argument made in behalf of the proposal.

The unfavorable report marks a possible turning point in national affairs. At least, for the first time Congress apparently is exercising its constitutional rights in legislating according to its own convictions, rather than in compliance with recommendations of the President.

Other Presidents have had so many of their recommendations turned down by Congress that such disagreements were regarded as a mere routine. The New Deal, however has been so completely engineered from the White House that the present unfavorable action stands out in bold relief. As a matter of fact it is a normal and healthy sign of awakening initiative in Congress, and should result in a final solution of this and other important national problems along lines calculated to embody the sum total of our national intelligence, rather than the exclusive viewpoint of a party group.

**The Peoples National Bank of Manassas**

Editor, Manassas Journal:

I would appreciate it if you would give space this week to the following letter.

Your truly,  
A. S. Boatwright  
June 16, 1937

Mr. B. Lynn Robertson,  
32 E. 64th Street,  
New York.

Dear Lynn:

I note with regret your letter to the Editor of the Manassas Journal of last issue, which begins, "Shall Manassas surrender too?" Following this, it recites, that a petition was presented to you while in Manassas a few days ago, relative to making the "Henry House" property a part of the Manassas National Military park. The remainder of your letter was sad reflections upon the "lost cause."

Lynn, old scout, you have a host of friends in old Prince William, but not one who regards you any higher, nor appraised you at your true value to this community while here more correctly than the undersigned. I never defaulted the opportunity to attest this.

I believe your motive conscientious now, and were you familiar with the details with respect to the "Henry House" property as at present presented, you would be of like mind with all those men and women who are now working and hopeful that we can yet, (although seventy-five years late) secure to posterity and preserve in perpetuity that sacred area where some of the finest of the South made the supreme sacrifice, and would be in the forefront among us.

Regardless of the initial plan and wish of those who envisioned it wholly a Southern shrine I believe the next best thing is to make it one of our National shrines.

No one is false to a trust, when circumstances make it impossible to carry out that trust, and we would be false, in a measure, if we did not do the next best thing.

It is the considered judgment of a tremendous majority of the leading men of thought in the South today that this course is not only the only possible one of accomplishing results as originally planned, namely; to correctly mark and beautify perpetually, the spots and deeds of valor displayed on this historical area. Therefore, it is my belief that you will join hands with us that the matter may be concluded without further delay.

A little poem came to my mind which I quote here without any comment:

## SUCCESS

You can't fell trees without some chips,

You can't achieve without some slips. Unless you try you wonder why Good fortune seems to pass you by. Success is not for those who quail, She gives her best to those who fail And then with courage twice as great Take issue once again with fate. 'Tis better far to risk a fall Than not to make attempt at all.

I feel very keenly about this matter, and appreciating how earnestly you worked for this project twelve years ago, I know it is due you that your wishes and feelings should be considered, together with your then co-workers. Knowing however, that you are a man that changes not for expediency, but believing that you ore of the statue that will change his mind, and will do it openly, gracefully and acknowledge it publicly, I presume upon our past relationship and crave of you a letter for circulation to that effect.

Enclosed and attached you will find two copies of letters, one written by the Hon. Walton Moore, who was one of the original large donors to the purchase of this land; the other from the Hon. Gibbs McAdoo, who, I recall, you told me was the initial and largest donor (the amount being \$1,000.00) to this purchase. The letters speak for themselves.

Assuring you, if assurance be necessary, of my abiding regard and esteem for you, I crave to remain.

Yours cordially,  
A. S. Boatwright.

The Editor of the Manassas Journal:  
The Pacific coast is unique and great.

On passing thru Portland, Oregon, June 9, it was pleasing to observe the roses for the Queen of the Rose Festival for June 10 came from Virginia. I enjoy the Virginia Flowers here.

Don't think for one moment one will be bewitched away from Virginia. I do like the coast but like Virginia better.

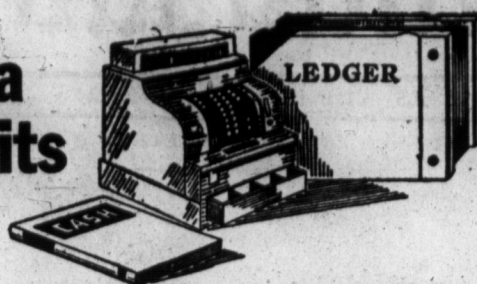

Brother I. N. H. Beahm.

## Extra Profits

are often found in cash discounts

CUSTOMERS who take advantage of the discounts allowed for prompt payment of bills mark a profit in their ledger even when they borrow money to accomplish this end. The interest charges on the loan are much less than the discount saved, for the loan is needed only during the period the merchandise is carried.

If your business needs temporary funds to help build profits in this manner—or in other ways—we invite you to talk with one of our directors.

Chevrolet users say:

"They're the most economical trucks for all-round duty"

FOR ECONOMICAL TRANSPORTATION

"Give us a truck with ample pulling power . . . one that is economical . . . one that will give reliable service over a long period for the least money."

That is the demand of all truck operators, and thousands of Chevrolet users will tell you that the best answer is—Chevrolet trucks!

Chevrolet trucks have the greatest pulling power in their price range . . . because they have a New High-Compression Valve-in-Head Engine which wrings the last ounce of power out of every gallon of fuel.

Chevrolet trucks are the most

economical for all-round duty . . . because they give maximum gas and oil mileage, and will keep on serving over a long period with minimum care and attention.

And Chevrolet trucks are safer, more modern, more durable . . . because they're the only low-priced trucks with Perfected Hydraulic Brakes, New Steelstream Styling, Pressure Stream Lubrication, and extra-strong Chevrolet construction throughout.

NEW ACTRESS SHINES  
IN POWERFUL ROMANCE

A gripping romance of a great love that was born out of hate, "John Meade's Woman," which comes to the Pitts' Theatre next Wednesday, June 23, brings a new and important screen personality to films in the person of Francine Larrimore, a charming and capable actress—favorite of the legitimate stage—who undoubtedly will soar to the highest rung of screen popularity if her present work is any indication of her histrionic ability.

Starred opposite the popular Edward Arnold, who again enacts the role of the self-indulging industrial Croesus, and with such skilled and popular personalities as George Bancroft, Gail Patrick and Sidney Blackmer affording support, the newcomer

shines with stellar brilliance.

"John Meade's Woman," is the story of the rich industrialist who marries a little farm girl, played by Miss Larrimore, to humble his high-born fiancée, Miss Patrick, who is in love with another. After the wedding Arnold tries to buy the girl off for the part she played and discovers to his amazement that the girl is really in love with him. Too proud to accept his bounty, she returns to her people, the farmers of the dust bowl region who were impoverished by Arnold's greed. The love she bore him turns to intense hatred.

She steepes herself in the farm movement and tries to forget. It is only when she saves Arnold from the wrath of the farmers he victimized that she learns that her love has not been killed.

WHEREAS, it has pleased our Divine Creator to remove from our body and association, our associate and fellow member of the Board of Supervisors, C. E. Nash, it is with deep regret that the tie existing between the members of the Board and him should have been broken.

## Glendora, California,

The Journal,  
Manassas, Virginia.  
Dear Editor:

While the golden sunlight is streaming so beautifully over the eastern mountains of this paradise of America, I will send a few words to my good friends of old Prince William County through your valuable paper.

Glendora, California, is a beautiful place of 2900. Here I am spending about two weeks with a minister brother, Arthur A. Durr, who was raised in Pennsylvania and married in Virginia. He is serving in Brother William K. Conner's stead.

The founder of this town impressed himself lastingly. He had a son, Glen, and a daughter, Dora, so he named the town Glendora—a very pretty name and a beautiful southern California town.

Brother William K. Conner also was born and raised in Pennsylvania and married a Virginia woman. His father, Abram Conner, was a minister of the Church of the Brethren at Cannon Branch and was a successful business man in the county.

His son, William K., was a teacher in the Prince William Normal School and was set apart to the Christian ministry in the Cannon Branch Church one night after the Love Feast. I shall never forget the impressive occasion. Brother Conner very early in life took outstanding rank as an artist and preacher. He became a noted evangelist. He was orthodox to the core and had the courage of a Daniel.

Some years ago he came to Glendora as pastor of the Church of the Brethren. Seldom, if ever, in our day has a preacher become more pronounced and outstanding than Brother Conner did here. It has been said, as in the case of Jesus, that a man's ability is measured by the enemies he makes as well as by the followers he obtains. This is the reason he left an impression on this town of immeasurable type and character. He obtained a strong following of intensely earnest people. These folks wisely and sacrificially erected for Brother Conner and his work a church cut from boulder stones noted for its beautiful and substantial structure and convenient and commodious various appointments. I would say it is one of the most beautiful pieces of church architecture, though plain and simple, to be found in the country. "They never fail who die in a good cause, is a wise statement. Brother Conner's work at Glendora was a success and a fitting climax to a wise and active ministerial career. Brother Conner died in the zenith of his life and his body rests in a nearby, well-kept cemetery.

William K. Conner should ever rank as one of the greatest and most unique men Prince William County produced in his generation. In Christian courage and in dynamic power and in religious consecration, this illustrious Conner should ever be an aspiration and an inspiration to his kinsmen there and to the citizenship of the county.

I. N. H. BEAHM,  
Nokesville, Va.

## NEW TYPE OF MUSICAL, "TOP OF TOWN" OPENS; FEATURES 10 COMEDIANS

Echoes of sprightly music, madcap fun and lively laughter have reverberated by way of movie scouts, all the way from Hollywood to this city, where the Universal film musical, "Top of the Town," crystallizes these desirable qualities on the Pitts Theatre screen starting next Monday and Tuesday.

The breezy story concerns a millionairess with a lot of batty ideas that have three strikes on them. The energetic damsel, portrayed by Doris Nolan, has plenty of curves in the right places. Her charms, as well as her ideas, keep a handsome young orchestra leader swinging. Appropriately, he is a swing band leader. This role is played by the dancing wizard of Broadway stage hits and of the screen, George Murphy. In the picture, George is about to open a modern swanky night club for Doris coaxes her uncles to let her manage the showplace.

She drives George frantic with her ideas. The Moonbeam Room opens at last and Doris springs a mixture of high hat monkey-shines on an unsuspecting audience.

The performers include Gertrude Niesen, exotic star of the Ziegfeld Follies, recently popular on the radio; Ella Logan, another national radio favorite; ten comedians of note, Hugh Herbert, Gregory Ratoff, Henry Arm-

etta, Mischa Auer, the Three Sailors, Joson Robson and Blue; Ray Mayer, Richard Carle and Jack Smart. The twelve-year-old dancing discovery, Peggy Ryan, is also featured. There are 200 beautiful dancing girls and two choral groups who chant the seven songs hits in the picture. Ralph Murphy directed the movie.

The first act staged by Doris is slightly goofy; the second is battier than the first; the third even more daffy. The whole madcap offering climbs to a new high in loony antics. Crazy, but downright funny. Then George Murphy tells his performers to turn on everything. They present his version of the show and lift the audience in the production into a frenzy of delight.

## QUANTICO

Mr. and Mrs. N. B. Rawlings spent the weekend at the home of Mr. Rawlings' parents, Mr. and Mrs. B. T. Rawlings, in Prince Frederick, Md.

Mr. Wash. Reynolds, a prominent player on the Quantico baseball team, who was injured while playing, is now in Emergency hospital in Washington. He was operated on last Friday and is gradually improving.

A supervised playground is being planned for the Civilian school in Quantico. It is to have two instructors and will be opened sometime in the near future.

The election for mayor and councilmen was held Tuesday. Mr. Alfred E. McInteer, who has been the capable mayor since 1927, will continue to hold his office and all the councilmen were re-elected with B. E. Sisson to fill the vacancy caused by the death of R. F. Persons last year. The council is as follows: J. H. Moncure, E. T. Kelley, L. L. Stevens, J. F. McInteer and B. E. Sisson.

Mr. George Purvis launched his boat, The Quantico, last week. The boat is equipped with a Ford motor and will make ten knots an hour. It was formerly owned by the late John M. Hines.

Quantico children that were especially talented were entered in the program held last week at the Wardman Park Hotel in Washington. The Nation Academy of Stage Training sponsored the program. Miss Venable's class of Quantico showed much ability.

Mr. Pete Pandazides and family of Quantico have taken a house in Fredericksburg for the summer months. His children, Angelina, Mary, Olga and John, are attending the summer session of the Fredericksburg High School. Mr. Pandazides will motor back and forth to his business establishment in Quantico.

Mr. Bozo Carden of Quantico spent last week end in Washington.

The Grocery Stores of Quantico will be closed each Wednesday at noon.

**REMARKS:** MAY was a month of remarkably low "bacteria count". Three producers had counts of less than 1,000. Our old friend Charles G. Eppes for the second time this year comes up in "First Place". While he went out of the picture completely for the month of April—he has been among the prize winners during FOUR out of FIVE months this year.

John B. Armfield shows up again in "Second Place". He is certainly doing a wonderful job—was in first place in April and has not fallen below third place since the first of the year.

Just at this point a group of new faces begin appearing on the scene. Harrison Brothers of Herndon, Va., make their initial bow by jumping right into "Second Place"—good work boys—now that you have gotten there, see if you can hold it.

In "Third Place" we find our old friends J. P. F. Miller and Clinton Ballenger sharing honors with George L. Smith of Fallston, Md. It's the latter's first appearance but he is in good company and we shall expect even better things for the next month.

In "Fourth Place" we have five prize winners—only one of whom has appeared among the prize winners during the present year. Bernard Inskeep of Rapidan, Virginia made his first appearance in April—in the same position. And next month we look for him to move up into "Third Place".

The remaining four are all making their initial appearance—Clarence Case, Hamilton, Virginia; Eugene S. Walker, Monrovia, Maryland; H. L. Choate, Bel Air, Maryland; William U. Waters, Mt. Airy, Maryland.

It will be interesting to see what the record for June will show—have they come up for just the one time or will they be able to keep up the pace? Six new faces out of a total of eleven prize winners is certainly a record and should serve as a warning to some of those fellows who have been in the habit of winning all the prizes to look to their laurels—the foundation upon which they stand is none too secure.

Here is best wishes for a continuance of the good work.

Sincerely yours,

## GAINESVILLE

Mrs. Malcolm McCuin had a very bad fall last Wednesday spraining her ankle which kept her in bed 3 days. Hope she will soon be out.

## CATHARPIN

Commencements have been the order of the day during the past week or so when all other activities stood at attention until the youth of the land could step forward, make their bow and proclaim to the world that each year a new set of graduates must be reckoned with. As usual this is a momentous period in the lives of all students from the first grade to the high and noble seniors who have traveled the distance and now stand forth as a living example of what the school system is made of. Congratulations to all participants.

Mrs. W. Holmes Robertson of Lawn Vale, attended the Alumni banquet of the Berryville high school on Tuesday night of last week.

Mrs. J. M. Piercy, her daughter, Anne, and Miss Ann Robertson attended the commencement exercises at the State Teachers' College, Harrisonburg, on Monday of last week where Mrs. Piercy's daughter, Virginia, was a member of the graduating class of that institution.

Mrs. C. P. McDonald, son, Paul, jr., and daughters, Russell and Jean, of Norton, Va., were guests at Oakwood during the past week. The family had attended the commencement at the University of North Carolina where Russell had received her B. S. degree from the Woman's College of that institution. Paul, jr., a graduate of V. M. I. and now located at Corpus Christi, Texas, was on for a two weeks' vacation. All, including the Oakwood contingent, were delightfully entertained at dinner on Wednesday evening by Mr. and Mrs. W. K. Caldwell at their home, Six Acres.

Mr. and Mrs. L. J. Pattie of Belle Farm, spent last week-end with their son-in-law and daughter, Mr. and Mrs. R. L. Briggs, of the Capital City.

As we write this Monday morning, the rain drops, so badly needed out in the Dust Bowl of the West, are falling copiously east of Appalachian mountains where the earth's surface is already drenched to its capacity to absorb and where the wheat and grass fields are ripening unto the harvest. Since the past month has indicated the fulfillment of the prophecy uttered earlier in the spring that this was to be a wet summer, the farmers are beginning to shift about a bit from the "easy" to the "uneasy" side of the street lest a continuation of the present moisture out-put for another weeks may sadly demoralize their fondest hopes of saving the bountiful crops now in prospect. The oldest inhabitant has again been called upon to produce the date when this section has had a better or more prolific growing season than the present; grass, wheat and corn are all looking their finest to say nothing of onions, lettuce, radishes and all forms of "garden Sass" and potatoes; all of which are now yielding of their abundance to the delight of both the

Agronomist and the Clod-hopper alike. In other words the agricultural situation thruout this section is magnificent; corn in some fields standing waist high and doing well everywhere. If the present wet or rainy season shall continue thruout harvest time, it is feared the ever-patient farmer, who has to take things as they come both helpful and the detrimental, may yet have reason to concur with a spell of "jitters" if he shall not be able to reap the results of his handiwork. But it is said that "All things come to him who waits," so we shall be as patient as possible and hope that all shall yet be well.

## THE WELL

For thirty years I've had something to tell

About the merits of a good drilled well,

My wells are made good and tight,

Cased with the best of standard pipe,

No surface water can enter there,

That gathers filth from everywhere;

Secure from rats, toads and snakes,

Which often cause pains and aches.

Don't be afraid a few dollars to spend—

The best is the cheapest in the end.

My terms are easy and my prices are low,

So don't hesitate, I can please you, I know.

When once it's done it always will last,

And you will be happier than you were in the past.

Stock well watered will do with less feed,

Let me drill your well and you'll have more'n you need.

You may say what you will, but this I do think,

Your health will be better if pure water you drink,

So take my advice of a very good plan,

And come and see me as soon as you can.
