RED LETTER DAY CELEBRATION

W. C. T. U. Holds Session at Cannon Branch.

The State Red Letter Day meeting of the Woman's Christian Temperance Union was held in the Cannon Branch Church Sunday night, December 5. The program committee for this meeting, Mrs. O. R. Hersch and Miss Agnes Thomasson had a well planned and carried out program.

After a song by the congregation and the devotional service, Roberta Sadd told a very interesting story about the small boy who was selling papers to get money to buy food and medicine for a sick mother. They could not afford to have a doctor and had lost their home after the father, who was a sober, hard-working man, had been killed by a drinking driver. A young boy read a poem about six men who seemed to be discussing why they drank. One said it stimulated and pepped him up, another said because everybody is drinking, another to drown his troubles, etc., but the sixth man said nothing but thought and studied the subject out for himself and found that it was not a stimulant, it did not drown trouble but only for a period then it was worse than ever. Also everybody was not drinking. The people who were doing things worth while were not drinking. So he did not drink. There were five men wrong and one right.

Mrs. Hersch gave a reading on State's Rights which said states have wronged also. Virginia has a real State's Wrong, One about which we should assert our rights to put out State's Rights provide for every community and individual to have the right to fight for the liberty and happiness of his home. No liberty of happiness exists where liquor reigns. By a great majority, Virginia once outlawed this awful business but through false propaganda financed by liquor money the great majority were confused and an evil minority now rules in allowing the liquor business to thrive in our state. The W.C.T.U. is busy in trying to educate the people to know exactly what has happened and what is needed to bring in our day of rights again.

Mr. Blough in talking on "The Present Need and How to Meet it," gave some statistics on how things are today. One statement was the fact that for every dollar the state receives in revenue we pay out for liquor more than double the amount. It was stated that something should be done to arouse all Christian people to work together and educate the people, especially the young people, to evils of liquor traffic. The affects of alcohol on the organs of the body should be taught in our schools.

Miss Agnes Thomasson sang "Where is My Wandering Boy Tonight" and it was also said we might also sing "Where is My Wandering Girl Tonight" as both are wandering together in these days.

The congregation sang as the closing hymn "I Will Be True." Benediction by Mr. Hersch.

PART TIME FARM CLASS

Plans in Agriculture Study Are Completed

The night of December 2, Mr. Broyles met with sixteen enthusiastic farm boys to discuss and plan for a part-time agriculture class. After much discussion, the following suggestions for class work were given: Rope work, Wood work, Testing soil, Testing milk, Studying feeds, Care and feeding of hogs, Types and breeds of cattle, Pruning trees and grapevines, Filing and setting saws, Study and Care of Farm Machinery, Farm Management, Germination Tests, Selecting Corn for seed, Importance of using good seed, Gardening, Buying and selling cooperatively and Rotation of Crops.

The group decided to meet the second and fourth Thursday nights of each month.

The purpose of the part-time agriculture class is to acquaint farm boys with farm problems and to teach them the modern methods of crop and animal producing. For those who have never had vocational agriculture this will be of great benefit, and for those who have had the course, the part-time class will increase their knowledge of modern agriculture. It will be a step toward organized agriculture, a thing which will be quite essential to the successful farmer of tomorrow.

PRESIDENT'S BIRTHDAY BALL

To the good people of Prince William County:

Commissioner George Allen, of Washington, D. C., has been appointed Executive Director of the President's birthday celebrations for the infantile paralysis fund. Mr. Allen has named me as Chairman for Prince William County to raise funds for this good cause. We are undertaking to organize the county so that every community will be able to participate in the celebration.

The plan this year is not restricted to dance but calls for the organization of communities so that all stores, offices, factories, banks, etc., will become an integral part of the drive for fighting infantile paralysis.

I expect to call on and appoint the leaders in every community in this county to help in the drive. Every man and woman in our county should give some thought to this worthy cause.

E. R. CONNER.

WOMAN'S CLUB PREPARES FOR CHRISTMAS DANCE

The Woman's Club held their regular monthly meeting Wednesday afternoon at the Prince William Hotel. The President called on the various committees and they showed much progress and enthusiasm. Mrs. A. A. Hooff, general chairman for the dance committee, reported that the music will be furnished by a splendid orchestra, and also that the invitations are ready to be sent out. The dance is scheduled to be given December 29 at the High School Gymnasium and a large crowd is anticipated.

At the request of Mrs. Marion Lewis, welfare chairman, the Club voted to assist her in furnishing baskets of cheer at Christmas for the aged people in Prince William County. Mrs. A. A. Maloney, Mrs. R. S. Hynson, and Mrs. A. A. Hooff were appointed a committee to work out a plan for the Club in providing and distributing these baskets at Christmas.

The meeting was given over to the Christmas season and several ministers were present.

The Rev. James Widmer, of the Catholic Church, gave the invocation.

The Rev. Gibson spoke on the meaning of Christmas and explained how appropriate the word "Holiday" is in referring to the Christmas season. He said that holiday means Holy Day.

The Rev. R. M. Graham rendered two lovely solos "O Holy Night" and "I Heard the Bells on Christmas Day."

The meeting adjourned and delightful refreshments were served by the hostesses.

The association will be challenged to indorse this program.

Officers and Committee Chairman are reminded that a meeting of the Executive Committee will be held in the office of Prof. Peters on Tuesday, Dec. 14, at 3 P. M.

PRINCE WILLIAM SPORTSMEN

Two wild turkeys bit the dust last Saturday when M. J. Hottle (right) and John Kane (left) decided to do a little hunting. Mr. Hottle brought his gobbler down with his trusty .410 double-barrel.

PARTIAL REPORT COMPLETED

The Annual Red Cross Call campaign recently completed presents a partial report. Thirty-eight canvassers have been at work over the County. Twenty of these have turned in the results of their efforts. Memberships total 260 and receipts total \$425.00. The Chairman estimates that when all reports are in, the total will be well over 400 memberships. He uses this opportunity to request all workers who have not already done so, to turn in their reports as soon as it is convenient.

The local Chapter is most grateful to the canvassers for their fine work. Many of the memberships secured are for \$5.00 or more. This means that a large amount of the funds secured in the drive will stay right here in the County to be used by the local Chapter in its many humane activities.

EXPERT SPEAKS ON DAIRY PLANS

Interesting Address By Dr. E. E. Heizer

Of particular interest at the breeding conference at Manassas last Thursday was the address by Dr. E. E. Heizer of the Ohio State Experimental Station on the subject of "A Constructive Dairy Cattle Breeding Program."

Heizer, nationally recognized breeding authority, emphasized the need of every dairyman raising his own herd replacements to have a sound health program, a complete testing program under which all cows in the herd are continuously tested, and to make intelligent use of records. He brought out that, because of their being a tremendous difference in the transmitting ability of sires, that it was just as important to learn the bulls' transmitting ability as to know the production of the cows in a herd. The use of proven sires, or, if this should not be possible, the use of sires from proved male ancestors, was recommended as a means of removing much of the possibility of failure to increase the production of a herd.

Dairymen from Rockingham, Fauquier, Loudoun, Culpeper, Fairfax and Prince William Counties were present at the meeting.

An outline of Heizer's discussion may be obtained at the County Agent's office.

U. D. C. HONORS MRS. C. M. LARKIN

Manassas Chapter Meets at Home of Mrs. Jackson.

The December meeting of the Manassas Chapter U. D. C. was held at the home of Mrs. Hebe Jackson, Mrs. Giddings, Mrs. Luther Alpaugh, and Miss Florence Lion assisting hostesses. The attendance was splendid, and the President, Mrs. R. L. Byrd, gave a special welcome to Mrs. Hulvey as guest, and to Mrs. Kasehagen, a Chapter member from Washington.

The Chapter stood a few moments in silent tribute to the memory of Mrs. C. M. Larkin, who had served faithfully as president for many years, and also as Recording Secretary. Mrs. E. H. Nash, Miss Florence Kincheloe, and Mrs. W. A. Newman were appointed a committee to write resolutions on the death of Mrs. Larkin.

After the opening exercises, Mrs. W. A. Newman conducted an interesting historical period, beginning with a song written by President Tyler in 1896 entitled "Virginia," and which was sung first in Richmond. An article was read describing the dedication of the new organ recently placed in Lee Chapel at Lexington. Extracts from an old Journal of 1908 were read, descriptive of the Virginia Division U. D. C. Convention held in Manassas, Mrs. R. S. Hynson being Chapter President at the time. A poem written by Rev. T. D. D. Clarke, which he dedicated to the Convention, was read and applauded.

Mrs. Kitty Baker, Director of the Children of the Confederacy Chapter, introduced Misses Julia Ann Beane and Miss Mildred Roseberry, and most fittingly presented the book "I Live in Virginia," written by Julian Meade, to Miss Beane. The book was a gift from the Mother Chapter in appreciation of her paper on the Confederate Navy, which the State judges decided was the second best paper submitted to them on that topic.

A letter from Mr. Harry L. Hopkins stated that six of the seven Veterans on the Examining Council of S. C. V.'s had approved the transfer of the Manassas Battlefield to the Government. Mr. Hopkins also requested the co-operation of the Chapter in reorganizing a S. C. V. Camp in Manassas.

Mrs. W. A. Newman, Mrs. John Broadus, and Mrs. E. H. Nash, were appointed a committee to select topics for annual prize essays in the local schools.

Arrangements were made to place a Confederate Flag at the Henry House, to be flown whenever appropriate.

The January meeting of the Chapter will be at the Prince William Hotel, Messdames Hynson, Jamison and Dorrel hostesses. A delicious dessert course with coffee was served.

PROGRESS REPORTED IN HELPFUL GATHERING

The Manassas District Council of Religious Education held its fall meeting Sunday, Dec. 4, at the Episcopal Church. Mrs. J. J. Conner, the president of this organization opened the meeting by having the congregation, sing, "All Hail the Power of Jesus Name." Rev. Hersch led the devotions. Rev. Minor C. Miller, State Secretary of the Virginia Council of Religious Education gave an interesting and helpful address on how denominations can cooperate.

This was followed by a reading, "The Master is Coming" by Miss Sengener. Miss Emma Perkins, teacher of Religious Education in Prince William County, gave an interesting talk explaining the Week Day Religious Education Curriculum for this county.

Rev. John M. DeChant in a very enthusiastic manner helped all to feel the time for action is now. It is hoped that this meeting will mark a forward Interdenominational Movement in Manassas District.

The annual hearings on road allocations for Culpeper District will be held this year at the office of the State Highway Department on the 8th Floor of the State Office Building.

The date and hour set is Saturday, December 11, beginning at 1:00 p.m. Mr. Cloe, President of the Chamber of Commerce, is urging as large a delegation as possible.

The patrolmen are Eddie Nelson, Captain; Glen Summers, Archie Connor, George Herring, Stephen Fletcher, and Earl Bell. It will be their duty to see that all regulations which will make the community safe are observed.

Reverend Clarkson of the Nokesville Methodist Church made a very interesting speech to the high school students of B. D. H. S. on Tuesday, December 7.

Mrs. Spitzer and her sons, Ernest and Allan, went to Washington, D. C., Tuesday on a shopping tour.

Miss Hillsman, a former teacher at B. D. H. S. visited at the home of Mrs. N. N. Free over the week-end.

DICK POWELL, FRED WARING STARS IN "VARSITY SHOW"

It is the tale of how the undergraduates of a little freshwater national institution try to put it a show under the supervision of a dignified and gloomy professor, only to realize that he's ruining it with his highbrow notions.

Then they go to the city and dig up Dick Powell, a graduate, who by now is a successful Broadway producer, and induce him to come back to school and supervise a real show. Dick and his partner—none other than the goofy Ted Healy—take over the job. And after many a battle between the modern and old-fogey elements in the school a show is put on—and what a show!

Maybe you can imagine Fred Waring himself and all his bandsmen, some 50-odd, as college students and the negro pair Buck and Bubbles as singing and dancing janitors of the school.

"Varsity Show" is a refreshing relief, in its story, from the well-worn "back-stage" routine into which many musical comedies have been kept. There is an air of briskness and youth and gaiety to it rarely found in movie-musicals.

Rosemary Lane, lovely to look at, is Dick Powell's romantic feminine interest, while her sister Priscilla is one of them most original and adept dancers to be seen upon the screen in recent years.

There are, of course, plenty of dances, both solo and chorus. The smashing finale of the show—devised and directed by Busby Berkeley—shows no less than 200 girls and 200 boys in a picturesque and stage-filling routine, dancing up and down a high and wide flight of steps at the college.

Fred Waring and his Pennsylvanians, impersonating the college band, have plenty to do in the musical way, and there are half a dozen hit songs by Dick Whiting and Johnny Mercer, who wrote the great "Night Over Shanghai" number for Dick Powell in "The Singing Marine."

INDEPENDENT HILL

The Hayfield 4-H Club will hold an Oyster and Chicken Supper at the home of Mr. and Mrs. E. L. Herring on Friday, Dec. 17th, beginning at 6:00 P. M.

There will be no services at St. John's this Sunday. Mr. Mellichampe having accepted a call in Rockingham county in the Blue Ridge Mission.

Mr. Charley Croson had his leg broken in three places in a wreck on the Chantilly Road last Thursday evening.

Mr. Edward Le Gallais is reported much improved.

Rev. Mr. Mellichampe and Mrs. Johnson were dinner guests at the home of Mrs. Agnes Robey on Thursday last. Mr. Mellichampe was also entertained by other members of his congregation during the last few days of his stay here.

Recent guests at "Royal Oaks" were Mrs. John Wharton, Miss Florence Hyland, of Washington, Mrs. G. R. Colvin, Misses Mary and Elizabeth Colvin, Dr. Russell Colvin and Mr. John Colvin, of Culpeper.

Mrs. Fannie Harrison is reported as steadily improving in health. Her friends are very glad to hear it.

Mr. Henry Woltz has not been so well recently.

The January meeting of St. John's Guild will be held at the home of Mrs. Lillian Payne on the afternoon of January 3rd.

Mr. and Mrs. Fisher are the proud parents of a youngster born on Sunday afternoon last.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in later years.

WHAT TO SEEK: Seek the Lord, and his strength; seek his face evermore.—Psalms 105: 4.

SHOP IN MANASSAS

The merchants of Manassas are offering many inducements this year to do the Christmas shopping at home. Their stocks of holiday merchandise are especially well selected and they offer quality goods at popular prices.

In addition they have united in the distribution of free cash prizes as announced on another page. This additional inducement to trade at home proved very popular last year and afforded an opportunity to voice appreciation of the patronage given our merchants.

We owe quite a bit to our home community and can have no better method of evidencing our loyalty and civic pride than by doing our Christmas shopping at home.

Government workers, especially, should bear in mind that they owe their positions mostly to their citizenship here, not where they work, and although lights may be brighter and displays more dazzling, yet the solid home-town values should have a place on their shopping lists—and a substantial place, too. We urge our many friends and readers to shop in Manassas and particularly with those who advertise in the home town paper.

HAYMARKET

The senior League will give a turkey supper Friday, December 10 and not on December 17 as was previously reported. It will be held in the school auditorium.

The first meeting of the weekly bridge class was held Tuesday night in the Town Hall under the supervision of Mrs. Grant Lyons.

The girls' and boys' basketball teams of the high school will play Manassas Friday night, December 10 at Haymarket.

CHRISTMAS

Old Santa has a way of remembering most substantially those who are thrifty and save money. Have you ever noticed how little he brings to those who have no money in the Bank?

Deposit Regularly throughout the year at this friendly and safe Bank and see for yourself what a big Christmas your family can enjoy.

EPISCOPAL LAYMEN HEAR ALASKAN ADDRESS

More than 130 laymen and priests of the counties of Arlington, Fairfax and Prince William Counties entered the hospitable portals of St. George's Church (Ballston) on Wednesday evening to hold their semi-annual fellowship dinner.

The guests of honor were Bishop Coadjutor F. D. Goodwin, of the Diocese of Virginia, and Suffragan Bishop John Bentley, of Alaska.

General Rufus Lane, chairman, of the meeting, was credited generally with the spirited turnout, and was highly complimented by Bishop Goodwin.

A number of songs and hymns were sung during the evening. Leading the singing were Rev. Henry Miller, who certainly can do it up properly, and George B. Robey, layman from Zion Church, in Truro Parish.

The ladies of St. George furnished a splendid meal and needless to say the gentlemen did full justice to the service.

Bishop Bentley gave a most interesting talk on conditions in Alaska and the hardships endured by its inhabitants. The address was so intimate in graphic clearness that it almost took the form of a travelogue.

At the close of the meeting, Chairman Lane called a meeting of the regular delegates at which time an invitation to meet at St. Paul's, Haymarket next spring, was accepted.

SYMPHONY ORCHESTRA

Ninth Concert Will Feature Beethoven

Three concerts devoted entirely to the music of Beethoven will occupy the attention of Washington music lovers, following the return this Friday (Dec. 10) of the National Symphony Orchestra under the baton of Dr. Hans Kindler from its 12-days, 2500-mile Northern tour, the first major trip made by the orchestra during the 1937-38 season.

A distinguished guest conductor, two world-famous soloists and a performance of the Ninth (Choral) Symphony by a quartet of gifted soloists and a chorus of 300 Washington singers, the largest singing ensemble ever assembled for such an event in the nation's capital, will figure prominently in these concerts, which are to be held on Dec. 12, 15 and 19 in Constitution Hall. The second and third concerts will be under the baton of Dr. Kindler.

Antal Dorati, brilliant Hungarian conductor associated since 1933 with the Ballet Russe de Monte Carlo, will conduct the Dec. 12 concert, leading the orchestra in renditions of the Sixth ("Pastoral") and Eighth Symphonies. Ruggiero Ricci, phenomenal 17-year-old San Francisco-born violinist, will be soloist in the Beethoven Violin Concerto at this concert.

Fresh from his triumphant Golden Jubilee concert in the Metropolitan Opera House in New York City on Nov. 28 when over 4,000 of his devoted followers jammed the auditorium to cheer his genius, Josef Hofman, world-famous pianist, will be soloist on Dec. 15, playing the Major Concerto for Piano and Orchestra. On the same program Dr. Kindler will conduct the Seventh Symphony and the overture to "Die Gschopfe des Prometheus."

The final concert on Dec. 19 will include besides the Ninth Symphony, the Leonore Overture No. 3 and a choral version of the song, "Die Ehre Gottes aus der Natur." In the same rendition of the choral symphony, the soloists will be: Albert Gifford, tenor; Alice George, soprano; Lucille Browning, of Metropolitan Opera Company, contralto; and William Fletcher Smith, native of Washington, baritone. The chorus, formed especially for this concert, includes the Washington Choral Society, Louis Potter, director, and the Combined Glee Clubs of George Washington University, Dr. Robert Harmon, director. Dr. Kindler will conduct.

POINSETTIA SHOW

You are invited to attend a Christmas flower show being given by Congress for the people of the United States, a sort of coming-out party for the new program of the Botanic Garden at the foot of Capitol Hill, between First and Second streets and Independence and Maryland avenues. According to a story appearing in The Star next Sunday, it inaugurates a plan of the garden director, David Lynn, to have something continuously in bloom there of interest to the public.

Ten thousand poinsettia blooms and 1,500 cyclamen and hundred of stevia serrata plants may be viewed at the Botanic Garden through the holiday season. adv.

If you are looking for cheaper and better production, consult D. E. EARHART NOKESVILLE, VA.

FOOD MARKET Advice. PROSPECTS for reasonably priced Thanksgiving TURKEYS are bright as both wholesale and retail prices are already several cents lower than last week. With the exception of slightly higher LAMB prices, most costs in general are steady to lower. FRESH EGGS are relatively scarce, as usual at this season, but STORAGE EGGS are plentiful, of excellent quality and reasonable. CHEESE continues to be a bargain food. BUTTER wholesales are gradually rising. Nuts in Season. A bumper new crop of PECANS is promised which means that this choice nut will be low in price. ITALIAN CHESTNUTS are also plentiful and reasonable. Orange Quality Improving. FLORIDA ORANGES will be a much more satisfying purchase this week as their quality is improving steadily. The CALIFORNIA VALENCIA season is tapering off. A plentiful supply of good GRAPEFRUIT makes a choice of citrus fruits possible. APPLES are still abundant and reasonable in price. The year round BANANA makes for variety though it tends to be overlooked when other fruits are at seasonal peaks. GRAPE, PEARS and CRANBERRIES also merit a place on every market list. Cauliflower Season Approaches Peak. Being two weeks late, the peak of the CAULIFLOWER season falls in November rather than October this year. It is comparatively cheap this week. BROCCOLI, CABBAGE and BRUSSELS SPROUTS are also reasonable. SPINACH, CELERY, LETTUCE and BUTABAGA TURNIPS are in the inexpensive class. POTATOES, both WHITE and SWEET are cheap. PEAS are expected to be somewhat lower than last week but GREEN BEANS less so as they were injured by recent rains. This week's menu* is made up of foods which are seasonal and moderate in price. Salad of Mixed Greens, Roast Duck with Apple and Onion Stuffing, Browned Sweet Potatoes, Cauliflower, Bread and Butter, Snow Pudding, Soft Custard, Coffee. *This menu tested and tasted in the A&P Kitchen.

Announcing TWO NEW FORD V-8 CARS FOR 1938. THE DE LUXE 85 HORSEPOWER. THE STANDARD 60 OR 85 HORSEPOWER. DE LUXE FORD V-8... 112" wheelbase; 85-horsepower engine; Improved Easy-Action Safety Brakes; Center-Poise Ride; All-steel body; Mohair or Broadcloth upholstery; Walnut-finished trim; Twin horns, tail lights, sun visors; Clock; 6.00" black tires, white side-walls are extra; 8 body types; 6 colors. STANDARD FORD V-8... 112" wheelbase; 85 or 60 horsepower engine; Improved Easy-Action Safety Brakes; Center-Poise Ride; All-steel body; Broadcloth or Mohair upholstery, Mohair extra in "60"; Mahogany-finished trim; One tail light, sun visor; Twin horns; 3 body types; 3 colors.

FORD offers two new cars for 1938—the Standard Ford V-8 and the De Luxe Ford V-8. They are different in appearance—but built to the same high standard of mechanical excellence—on the same chassis. Because people liked our 1937 car so well, they bought more than of any other make. They liked its looks, its smooth performance, and the way it handled. We have improved on that car in the newly styled Standard Ford V-8. But some folks wanted still more size and style, with the same Ford advantages. For them, we designed a new De Luxe line. The De Luxe Ford V-8 Sedans are longer with more room, larger luggage space, and finer appointments all around. De Luxe cars are equipped with the 85-horsepower engine only. The Standard is even lower priced than the De Luxe. It has graceful new lines and well-tailored interiors—with a choice of engine sizes—85 or 60 horsepower. Before Ford made V-type 8-cylinder engines available to every one, they were used only in expensive cars. Since then, four million Ford owners have learned the genuine enjoyment of driving an eight-cylinder car with all-around economy. The thrifty "60" engine, especially, makes possible in Standard models a very low first cost and equally low operating cost. With two distinct designs, two engine sizes and two price ranges, you'll find a 1938 Ford car to fit your needs exactly. PRICES FOR CARS DELIVERED IN DETROIT—TAXES EXTRA. Standard Ford V-8 (60 hp.)—Coupe, \$599; Tudor, \$644; Fordor, \$689. Standard Ford V-8 (85 hp.)—Coupe, \$629; Tudor, \$669; Fordor, \$714. De Luxe Ford V-8 (85 hp. only)—Coupe, \$689; Tudor, \$729; Fordor, \$774; Convertible Coupe, \$774; Club Coupe, \$749; Convertible Club Coupe, \$804; Phaeton, \$824; Convertible Sedan, \$904. Standard and De Luxe cars equipped with bumpers, bumper guards, spare wheel, tire tube, tire lock and band, cigar lighter, twin horns, and headlight beam indicator on instrument panel, at no extra charge. In addition, De Luxe cars are equipped with extra tail light, windshield wiper, sun visor; also de luxe steering wheel, glove compartment lock, clock, and chrome wheel bands, at no extra charge.

THE COMPLETE 1938 FORD LINE WILL BE ON EXHIBIT HERE Saturday, December 11, 1937 See the Standard and De Luxe Models; also the Commerical and Truck. PRINCE WILLIAM MOTORS, Authorized Ford Dealers. Manassas RALPH SHARRETT, Prop. Virginia.

CHRISTIAN SCIENCE

"God the Preserver of Man" will be the subject of the Lesson-Sermon in all churches and societies of Christ, Scientist, on Sunday, December 12

The Golden Text will be "The Lord shall deliver me from every evil work, and will preserve me unto his heavenly kingdom: to whom be glory for ever and ever" (II Tim. 4:18).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "When the poor and needy seek water, and there is none, and their tongue faileth for thirst, I the Lord will hear them, I the God of Israel will not forsake them, I will open rivers in high place, and fountains in the midst of the valleys: I will make the wilderness a pool of water, and the dry land springs of water" (Isaiah 41:17,18)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "In divine Principle of being" (p. 530).

Still Coughing?

No matter how many medicines you have tried for your cough, chest cold, or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel the germ-laden phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained from the very first bottle. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

TOY MATINEE AT OCCOQUAN

Thru the courtesy of the managers of the Lyric Theatre, Messrs. Hornbaker and Wilcher, the Welfare Committee of the Occoquan P. T. A. will sponsor a Toy Matinee again this year at the local theatre.

A new toy or article of clothing will be the admission price for this matinee—to be given at 1:30 o'clock on Dec. 17th.

So that every child will receive their share of happiness at the Christmas Season these donations form this project will be distributed by the members of the Committee on Christmas Eve. Boxes for donations of foods are, also being placed in a conspicuous place in all local stores, so that those wishing to donate will have a convenient place to leave their contribution.

Last year between 300 and 300 toys and articles of clothing were received thru this medium and together with the food baskets distributed at Christmas. Many people were made happy who otherwise would have been entirely forgotten.

Occoquan deserves much credit for being among the first to sponsor a Toy Matinee and much appreciation is due the local management for their generosity.

VIRGINIA ROADS NEED MILLIONS

\$33,000,000 Should be Spent Annually

A minimum expenditure of \$33,000,000 annually for the next 10 years is necessary if Virginia's primary and secondary highway systems are to be kept at "proper standard," R. P. Ellison, equipment engineer of the department of highways, told the Virginia Highway Users Association at a convention in Richmond last week. Mr. Ellison said this appears to be a large amount, but that it should be remembered that more than more than \$80,000,000 a year is brought to Virginia by tourists and spent in the State. The problem of obtaining enough money to maintain the road system and to provide for necessary construction is "serious," he said, considering the fact that last year—peak of highway expenditures—a total of only \$21,000,000 was spent. This is \$12,000,000 short of the amounts needed in each of the next 10 years, he declared.

Virginia's road systems have developed rapidly since 1918, according to Mr. Ellison, and today there are 9,000 miles in the primary system and 38,000 miles in the secondary system. A total of 4,500,000 vehicle miles of travel are recorded each year over Virginia Highways, he remarked.

H. Lester Hooker, chairman of the State corporation commission, told the highway users' group that he was opposed to imposition of additional taxes on motor vehicle carriers by the 1938 General Assembly. He said: "I feel that you are now paying reasonable taxes."

VICTORY

A more glorious victory cannot be gained over another soul, than this, when the injury began on his part, kindness must then begin on our part.

A true heart, a kind heart, is a fountain of gladness freshing everything around it into smiles and fresh courage under difficulties!—(Contributed)

MOSBY'S BIRTHDAY RECALLS DARING EXPLOITS

Monday, Dec. 6th, is the birthday anniversary of General John S. Mosby, the famous Confederate raider. Many of his recruits came from Prince William and adjoining counties and many of his daring exploits were performed in this vicinity.

On March 18, 1863, General Mosby made a raid at Herndon, which he describes as follows:

"Yesterday I attacked a body of the enemy's cavalry at Herndon Station, in Fairfax County, completely routing them. I brought off twenty-five prisoners—a major (Wells), one captain, two lieutenants, and twenty-one men, all their arms, twenty-six horses and equipments. One, severely wounded, was left on the ground. The enemy pursued me in force, but were checked by my rear guard and gave up the pursuit. My loss was nothing."

In his war reminiscences General Mosby pays tribute to the courage and resourcefulness of Major William Hibbs, who was well known in Prince William and Loudoun Counties. General Mosby says:

"I had about this time received another recruit, who became famous in the annals of my command. His home was in Loudoun, and his name was William Hibbs. He was always called the "Major," although he never held a commission."

He was a blacksmith by trade, over fifty years of age, and had already fully discharged the duty he owed to the Southern Confederacy by sending his two sons into the army. But for my appearance in the vicinity, he would probably have lived and died unheard.

The fame of the exploits of my men, and the rich prizes they won, aroused his martial ambition; and he determined to quit the forge and become a warrior bold. The country soon echoes the notes of his fame, as the anvil had once rung with the strokes of his hammer. Around the triumvirate—Dick Moran, John Underwood, and Major Hibbs—recruits now gathered as iron filings cluster around a magnet. They were the germs from which my command grew."

Describing a skirmish with the enemy between Chantilly and Centreville in which four times their number were defeated and thirty-six prisoners and fifty horses captured, Mosby refers to Major Hibbs in the following language:

"The only casualty in my command happened to Major Hibbs, who had his boot-heel shot off. He had been one of the foremost leaders in the charge, everywhere in the fight. When the "Major" rode up to me, after the fight was over, he was almost a maniac, he was so wild with delight. And when in the presence of the men, I praised his valor; he could no longer contain himself; he laughed and wept by turns. All that he could say in reply was: "Well, Captain, I knew the work had to be done, and that was the way to do it."

One of the most desperate encounters of Mosby's men occurred at Dranesville, in Fairfax County, on April 1, 1863. Mosby's men were cut off and surrounded by a superior cavalry force at Miskel's farm in the forks of Goose Creek and the Potomac. A still larger force was lined up on the northern bank of the Potomac, anxious spectators who could not participate in the anticipated capture of Mosby.

"I did not despair," Mosby writes. "I had great faith in the efficacy of a charge; and in the affair at Chantilly had learned the superiority of the revolver over the sabre."

A Greeting

It has been our policy for several years past to issue a general invitation at this season of the year to our old subscribers to renew their subscriptions promptly and to suggest to all newcomers or former subscribers, into whose hands the paper may come, to join our happy newspaper family.

All in all, there is no other medium, daily or weekly, which gives more authentic news of your community and that of others nearby. Your subscription helps make this possible.

Won't you old subscribers PLEASE examine your label on the paper. IF you think it is incorrect, please advise us; otherwise, we shall hope and expect payment before January 1, 1938. The increased cost of news print is penalizing us so heavily, that we shall hereafter be forced to make some distinction between those who pay within the current year and those who let their subscriptions drag beyond that period.

To make it possible to avoid any confusion, we are offering to make a discount of 25 cents per year on all subscriptions paid for MORE THAN a year in advance. This offer will not remain in effect after FEBRUARY 1, 1938.

HUNTERS WARNED TO PROTECT FORESTS AND FIELDS AGAINST FIRE

With the opening recently of the hunting season, Wilbur C. Hall, Chairman of the Virginia Conservation Commission, issued a warning to all sportsmen to exercise the greatest care with camp fires, warming-up fires, matches and smokes as a means of protecting the forests and fields against fire.

"Continuation of dry weather is keeping the danger of fires high in all forest areas of the state," Mr. Hall said. "From now until about Decem-

ber 15 the ground in the forests will be covered on dry days with an accumulation of highly inflammable leaves and litter, and carelessness with fire in or near woodlands during this period may devastate thousands of acres of valuable forest lands."

Chairman Hall stated that the men who look out for fires in the seventy-one steel look-out towers in many parts of the state have all been instructed to report for duty, and they will stay at their respective towers on dry days until wet weather conditions in December permit the discontinuance of their services until next spring.

The powerful effect of our assuming the offensive, when nothing but surrender had been expected, seemed to bewilder them. Before they could recover from the shock of their surprise Captain Flint, the leader, had fallen in their sight. Before the impetuous onset of my men they now broke and fled. No time was given them to reform and rally. The remorseless revolver was doing its work of death in their ranks, while their swords were as harmless as the wooden swords of harlequin. Unlike my adversaries, I was trammelled with no tradition that required me to use an obsolete weapon. The combat was short, sharp and decisive . . . Everywhere above the storm of battle could be heard the voices and seen the forms of "Major" Hibbs and Dick Moran—cheering on the men as they rode headlong in the fight."

"The challenge of forest fires is a challenge to common sense and good citizenship," Mr. Hall stated, adding that it comes home more pointedly to those seeking recreation in the woods in the fall.

"Every hunter and every person entering the woods this autumn should make himself a volunteer fire warden and see that neither he nor any member of his party take the least chance on starting the red demon racing through the woods, that may cause irreparable loss to game and wild life and lay waste large areas which cannot be adequately restocked with commercial species within a lifetime."

The Tuberculosis Tragedy

Two-thirds of all deaths from tuberculosis occur before the age of 45. Nine-tenths of all deaths from heart disease occur after 45: nine-tenths from cancer after 45: nine-tenths from nephritis after 45. Tuberculosis is still the leading cause of death between 15 and 45. Christmas Seals are fighting to prevent this tuberculosis tragedy among our younger generation.
