TORPEDO PLANT AT ALEXANDRIA

Project Will Give Employment to Many

If the appropriations measure before the United States Congress this week is adopted the Naval Torpedo Station in Alexandria will be opened in the near future. This was disclosed today in the Naval Appropriations Bill which was laid before the solons, asking for \$1,277,000 for the purpose of establishing and equipping the Alexandria plant.

Representative Howard W. Smith has been vitally interested in this legislation and ever since the matter has been before the Naval body he has been using every effort to have the Alexandria torpedo station reopened.

The plan proposed this week contemplates a later expenditure of \$1,229,000 to completely equip the station.

First production would be in 1940, and the Alexandria plant would work one shift at least until 1944.

The funds asked would provide tools and equipment for the local plant to supplement the Newport Rhode Island Station, giving employment to about 1,000 men.

Under the plan, Newport will be continued upon three shifts under any arrangement, and the local plant would work at one shift. When completely equipped, the Alexandria shop would produce two torpedoes for every five manufactured at the Rhode Island plant.

Reopening of the Alexandria shop, the committee believes, offers the most economical and expeditious solution to the torpedo-shortage problem. The question of enlarging the establishment at Newport, or building another plant elsewhere is one for later determination by the committee charged with the consideration of naval legislation. The primary consideration, it was pointed out, is to get torpedoes promptly, and the course contemplated by the budget in which the committee concurs, would seem to present the only alternative in meeting that primary purpose.

Rear Admiral W. L. Furlong, chief of the Navy's ordinance bureau, told the committee that the most logical place for the new plant would be the West Coast, but that Keyport on Puget Sound, San Francisco, and New Orleans had been eliminated as sites as there were no suitable testing ranges nearby.

Conditions are excellent at San Diego, but setting up a plant would cost \$4,500,000 and require a year and a half longer than to put Alexandria in production, he said.

Furlong said he would prefer to have torpedoes made by a private plant, if the work were not so highly specialized, orders so irregular, and cost so great.

Furlong explained that the only private manufacturers of torpedoes, the E. W. Bliss Co. of Brooklyn, N. Y., has not made them since 1922, and it would cost \$1,750,000 to resume production.

"Alexandria is needed now to help relieve the present shortage," he declared. "It is needed also, and perhaps more acutely, as a second source of supply capable of immediate expansion in the event of war."

The Alexandria plant was built to assemble torpedo parts made commercially, but the plan failed and a change had to be made. The station did not get into operation until after the armistice.

SKYLINE TRAIL GROUP REPORT ON ACTIVITIES

The officers and directors of the Skyline Drive National Battlefield Park Tours Association met at Culpeper on Monday of this week, this being the annual session. President Smith of Fredericksburg presided.

Those attending from Manassas were Messrs. J. Carl Kincheloe, G. Raymond Ratcliffe, C. C. Lynn, Ralph Sharrett and Stanley Owens, the last named being the secretary of the Prince William County Chamber of Commerce.

The annual report showed that 1,000 pieces of advertising matter had been mailed to various parts of the United States and other corresponding activities carried on. The Association is functioning very smoothly and will do even more work during the coming year.

J. Carl Kincheloe was re-elected director for Manassas and Prince William County.

GRAND MASTER VISITS MASONS

Installation of Officers of Manassas Lodge

Manassas Lodge installed its officers for 1938 amid the dignity and splendor lent by many distinguished visitors from the Grand Lodge of Virginia and seven sister lodges. Geo. B. Cocke was installed in the East by the Most Worshipful Brother Ben W. Beach, of Danville, Grand Lecturer and Past Grand Master. Most Worshipful Brother C. Vernon Eddy, Grand Master of Masons in Virginia, was present and added the honor of his presence and the eloquence of his voice to the occasion.

The Grand Lecturer came to Manassas specifically to officiate at the installation of Bro. Cocke as Master since he had known him from childhood and had followed his career with great interest and admiration. He said that he considered the occasion as one of the high spots of his own life and knew of nothing that would give him greater pleasure or a sheer sense of satisfaction than to see his friend and brother properly seated in the East.

Worshipful Brother Cocke was raised in the old blandford Lodge No. 3, at Petersburg, in 1917.

Worshipful Brother C. Wade Dalton, past master of the Manassas Lodge, was installed in the West, Brother Oden Breeden installed in the South. Other officers installed at this time were: Bro. Charles A. Sinclair, Jr., Senior Deacon; Bro. Percival A. Lewis, Junior Deacon; Bro. G. R. Ratcliffe, Treasurer; Brother John T. Broadus, Secretary; Brothers Allen and A. McMillan, Stewards; Bro. A. Stuart Gibson, Chaplain; and Bro. T. M. Reeves, Tiler.

Brother Albert Andrews, Worshipful Master of the Hiram Lodge No. 10, Washington, D. C., was asked by the Worshipful Master to address the lodge and did so in most inspiring manner.

There were sixteen visitors present from the following lodges: Hiram Lodge No. 10, Naval Lodge No. 4, Macon Lodge No. 5, Clinton Lodge No. 73, Henry Lodge No. 47, Cherrydale Lodge No. 42, Drinkard Lodge No. 313, Winchester Hiram Lodge No. 21, and Ramah Lodge No. 70.

The newly installed Master made a magnificent address in which he outlined the hopes which he held for the year and in which he set forth anew his conception of Masonry, its traditions, its ideals, and its aspirations. Committees for the year were appointed and, after closing, delicious refreshments were served.

CELEBRATES 82nd BIRTHDAY

Mr. C. C. Leachman celebrated his 82nd birthday Sunday, January 16th. Those present were: Mr. and Mrs. F. H. Cox and daughter, of Chevy Chase, Md.; Mr. and Mrs. Burchell Leachman, Mr. Robert Leachman and daughters and Mr. Llewellyn Dyson, of Alexandria; Mrs. Lutie Buck and Mr. Shirley Leachman, of Washington; Mr. and Mrs. Emmett Rice and children, Mrs. Harry Davis, of Manassas; Mr. and Mrs. Charles Lynn and Mrs. E. May Dogan, of Paradise; and Mrs. James Birkett and children, of Fairfax.

A delicious dinner was served to the immediate family. The hostesses were Mrs. Grace Maphis, Mrs. Cox, Mrs. Burchell Leachman and Mrs. Rice.

May the children of the South ever remain loyal to the high principles for which Lee and his soldiers fought, and honor the Stars and Bars of the Confederacy.

BETHLEHEM CLUB

The regular monthly meeting of the Bethlehem Good Housekeepers Club was held Wednesday afternoon at the home of Mrs. W. S. Athey, the incoming president, Mrs. R. L. Byrd, presiding.

A silent tribute was paid to the memory of the late Miss Florence Kincheloe, a former member of the Club, and a committee was appointed to draw up resolutions of regret at her passing.

After the roll call and response by the members, the minutes of the December meeting were read and the annual reports given by the various committees.

Miss Eugenia Osborn spoke briefly regarding the recent appropriation to the Library by the Town Council, and called attention to the interesting and timely Confederate exhibit in the show window of the Prince William Pharmacy. This display includes a portrait of General Robert E. Lee, Lee's Farewell Address, and several books of Confederate fiction.

Mrs. Rayburn Udkie was welcomed into the club as a new member.

A committee was appointed to work with the regular program committee to arrange for the twenty-fifth jubilee celebration, to be held next month at the home of Mrs. H. M. Jackson.

Mrs. C. R. C. Johnson read a very interesting article by Charles Hoffbauer, entitled "Soldier Artist Talks of Lee". This article, particularly fitting since it was Lee's birthday anniversary, told of General Lee's hatred of war, even though he was an outstanding military genius.

A piano duet, "Comrades in Arms", was beautifully rendered by Mrs. John Broadus and Mrs. Dennis Baker.

A pleasant social hour followed, during which the hostess, Mrs. Athey and Mrs. Martin, served refreshments.

MUSIC AND LITERATURE CLUB MEETING

The Music and Literature Section of the Manassas Woman's Club will meet at the home of Mrs. Lewis Carper Tuesday evening, January 25th, at 8:00 p.m. Mrs. Carper will be assisted in receiving the members by Mrs. William Cocke.

A very interesting program has been outlined and it is the wish of Mrs. Fred Hynson, the chairman, to have a large attendance.

LEE-JACKSON BOOK EXHIBIT

Miss Eugenia Osborn, in charge of the Manassas High School library, has again placed a Lee-Jackson exhibit in the show windows of the Prince William Pharmacy for the public to visit and study.

These books are all taken from the local library and represent one of the best collections of Confederate history known of in these parts. The exhibit is even better than that of last year and Miss Eugenia and her aides deserve special mention for their loving care in bringing the books up town and so tastefully arranging them.

The following is a summary of the books in the exhibit:

Biography: Bradford—Lee the American; Boyd—Light Horse Harry Lee; Brooks—Lee of Virginia; Bruce—Robert E. Lee; Freeman—R. E. Lee; Hendrick—Lees of Virginia; Lee—Letters of Robert E. Lee. R. E. Lee and the Lee Family: Matthew Page Andrews—Virginia the

COME TO THE DANCE!

Don't miss the President's Birthday Ball on the 25th. You will miss the time of your life if you do. Let our guests see that Prince William does things in a big way.

JUNIOR WOMAN'S CLUB

The January meeting of the Junior Women's Club was held Thursday, the thirteenth, at the home of Mrs. J. P. Lyon with Mrs. A. S. Gibson playing substitute sponsor for Mrs. Lyon who was in Florida at the time.

Frances Saunders, reporting for the Civic Committee, gave a splendid account of the progress made in regard to sanitary garbage disposal for the town. As the contract has now been let for this project, the girls will revisit the townspeople in order that they may sign up and be included when the contract takes effect, which will be near the first of March. It is suggested that everybody pay special attention to what the girls say in regard to this disposal, as unsanitary disposal after the contract goes into effect will be illegal.

Mrs. Dennis Baker, in behalf of the Senior Women's Club, asked for and received the promise of the Juniors cooperation for the John Powell Concert to be held in April. It is the first time that Manassas has had the privilege of hearing such a fine artist and a large attendance is anticipated.

The highlight of the evening was a most interesting talk on "The Outstanding Books of 1937" given by Mrs. C. R. C. Johnson. All the books were based on history but Mrs. Johnson gave such pleasing accounts of them that even a confirmed that the people of this community visit the school library where most of these books are to be found.

After delightful refreshments had been served by the hostesses, Marion Lynn and Frances Davies, the meeting adjourned.

R. JACKSON RATCLIFFE

Mr. R. Jackson Ratcliffe has moved his insurance business from the Peoples' National Bank to his new office, one door north on Battle Street. He is receiving many congratulations on the unique and attractive appointments and decoration of his new quarters and we join his many friends in wishing him much success and prosperity in his new place of business.

HAYMARKET BOYS WIN CONTEST

F. F. A. Judging Team Takes First Honors

The Haymarket F. F. A. judging team, composed of Andrew Smith, Hampton Alvey, Rolfe Ellison, Gordon Pattie, Robert Carter and Rolfe Robertson, won first place at the fourth annual Vocational Show, which was held at the Lincoln High School, January 13th.

Second place in the above contest went to Lincoln High School, and third to Manassas. Manassas also won first prize in the Chapter Exhibit contest.

Rolfe Robertson, Jr., and Rolfe Ellison of the Haymarket Chapter were first and second high individuals in the judging contest of 42 boys. Their respective scores were 425 and 410.

In the contest, the following classes were judged: white and yellow corn, potatoes, wheat, white and brown eggs.

The Manassas F. F. A. boys made an exceptionally good showing with their exhibits, winning the following: Charles Lynn, first and Selwyn Smith, second and third on Lancaster Sure corn; Jake Conner, second on Irish potatoes; Paul Kline, third on white eggs; Kite Roseberry, third on brown eggs, and Wayne Coverstone, forth on lespedeza seed.

This is the first year Vocational Agriculture has been taught at the Haymarket High School and also the first time the boys have participated in a judging contest of this kind and therefore are to be heartily congratulated on the splendid showing they made at Lincoln.

ODD FELLOWS INSTALL OFFICERS AT DUMFRIES

The Odd Fellows will have an open installation of the officers of the Three Lodges in District No. 20 at Dumfries on Thursday, January 27th, by the crack team of Potomac No. 38, Alexandria. The Grand Master of Virginia is expected to be there.

ATTEND PENNSYLVANIA FARMSHOW AT HARRISBURG

On Monday of this week a delegation from Prince William County motored in two cars to Harrisburg, Pa., to visit the Pennsylvania Farm Wheatley Johnson, Elmer Hurst, O. R. Hersch, Fred Carter, Albert Roseberry, Wilmer Kline, Henry Fletcher and Walter Sade.

GARDEN CLUB WILL PURCHASE STEREOPTICON

The Manassas Garden Club met at the home of Mrs. O. D. Waters Tuesday, January 18, at 2:30 p.m.

During the business session a discussion was led in regard to the purchasing of a Stereopticon and it was decided to buy one in the near future.

Mr. C. D. Kennedy of Fairfax was the guest speaker of the meeting. His subject was "Perennials and Continuous Bloom in the Garden."

Popularity of Retiring Governor a Feature of the Occasion

For the first time in many years a Richmond citizen stepped into the high office of Chief Executive of the Commonwealth, when Hon. James Hubert Price was inaugurated Governor on Wednesday.

An auspicious circumstance was the unique coincidence that the occasion was also the birthday anniversary of General Robert Edward Lee, and the thousands who braved the inclement weather to do honor to their new Chief, were also imbued with the deepest reverence and patriotism, as befitting a ceremony on the day most dear to the hearts of all true Southerners.

A native of West Virginia, Governor Price has lived practically all of his life in Richmond, and as the nineteen gun salute gave accolade to the new Executive, as he was sworn in by Chief Justice Preston W. Campbell, of the Virginia Supreme Court of Appeals.

Immediately following administration of the oath of office, the inclement weather compelled retirement within the historic capitol, where the inaugural proceedings were continued under the auspices of the General Assembly—the oldest legislative body in the new world.

The popularity of the retiring Governor was attested many times by lusty cheers as the incoming Executive referred to Mr. Peery, and the ovation was tremendous when he was characterized in the inaugural address as a "devoted public servant" who was retiring "with the love and respect of all of our people."

The inaugural address carried practical suggestions for the betterment of the state government in many departments. Among his outstanding recommendations was the reduction of the poll tax from \$1.50 to \$1.00, with liberalization of the terms of payment as a prerequisite to voting. This conservatism, in the face of widespread insistence on complete abolishment of the poll tax, was in line with his general attitude of middle-course on questions upon which there are wide divisions of opinion.

Other important proposals included recommendations for redistricting General Assembly representation; an eight hour labor law for women; separate State Departments to control hospitalization and public safety, and revision to the budget to allow more adequate appropriations for the public schools and for old age pensions, which he suggested might well be reduced from \$30 a month to \$20 or even \$15 in the experimental stage of the laws operation.

KIWANIS CLUB STUDIES ITS 1938 BUDGET

The budget cloud broke over the Kiwanis Club last Friday night. Various ideas were advanced such as minstrel shows, staging a lynching for the benefit of Congress, taxing newly weds in the club, etc.

Enthusiasts of the underprivileged child work advocated fast periods for the Club but the matter resolved into furnishing the members with copies of the budget and a future discussion.

Dick Haydon presented a bran-new gavel from an old building in the county made by students of Manassas High in appreciation of the work done by Bill Lloyd while on the county school board.

Various committee reports were made and praise bestowed by the Club for work well done.

THE WORLD AROUND US

By
O. J. Schuster

A NEW ERA FOR VIRGINIA.

That is the promise political leaders are making. It is a consummation devoutly to be wished, and citizens are watching vigilantly for evidences of its realization. The General Assembly began its regular session last Wednesday, January 12. If Virginia is really to have more enlightened political leadership, the following problems are among those demanding solution:

SOCIAL SECURITY: This should include generous provision for old age pensions. Virginia is the only one of our 48 states which has made no provision for its aged needy under the National Social Security Act which provides for paying one-half of what a state insures its aged who are in need—up to \$30 a month. A number of states have provided even more liberally than this, and citizens are hoping that Virginia may once more be a leader among the states as she was 150 years ago when the nation was in its youth.

PENAL REFORM: Virginia is as backward in dealing with crime as she is in social security. All enlightened wardens, jailors, and sheriffs know that vengeance is no cure for crime and that humane treatment of the inmates of penitentiaries and jails reduces their population. Other states have long since learned this truth with the result that they have reduced the number of their jails, the cost of crime, and made good citizens of a majority of those who served time within prison walls.

TAXATION: If new taxes are levied they should not be shifted to the backs of those least able to pay them. Above all, there should be no general sales tax enacted. President Roosevelt served the highest interests of the people of the nation when he openly and vigorously condemned the sales tax as unjust, as he did in his message, read before the two houses of congress on January 3.

LOCAL SCHOOL BOARDS: The election of members of local school boards by popular vote is an inherent

right of citizens in a democracy. There is no more justification for fascism in the control of the public schools than there is for a Mussolini in other public affairs in America. Virginia will continue to rank low in the scale of education until this basic change in the management of her public schools has been made.

THE FEE SYSTEM: This benighted policy of paying for the services of certain public officials still has a stranglehold on some branches of government in Virginia, tho it has long since been abolished in the more progressive states. No intelligent citizen can fail to realize the absurdity of compelling him to pay tribute to clerks and other public officials who are elected to serve public interests. For sheriffs to profit personally out of criminal activities and the arrests they make tends to increase rather than decrease crime.

THE OLD DOMINION offers exceptional opportunities for courageous and determined political leadership toward more humane, more enlightened, more democratic ideals. The conservation of both natural resources and human resources is the greatest need in the world around us, and nowhere more than in Virginia. An enlightened program of such conservation will do more to honor the memory of Jefferson, Washington, Madison, and other patriots of the period of Revolution than all the laudatory oratory of a thousand years could do.

THE LYON PARK CITIZENS ASSOCIATION has prepared an open forum discussion for its regular meeting at 8 p.m., January 25, 1938, in its Community House. This program will be of such general interest that a cordial invitation is extended to the public to attend. The following subject will be discussed under seven different heads:

"Should we encourage in every possible way the free, fearless discussion of all public affairs—our courts, our

local and state and national governments, our schools, our public health service, our jails and methods of caring for their inmates, etc."

The panel in this open forum will consist of Mrs. Magruder, member of the county board, Harold Serr, C. K. Lewis, John McKnight, Eugene Kafka, and O. J. Schuster who will serve as leader.

The Department of Agriculture and other branches of the national Government are sponsoring thousands of such open forum discussions and they are serving as a powerful stimulus in general adult education.

PLANS DISCUSSED FOR REGIONAL FARM GROUP

Representatives of Extension, Vocational Agriculture, Farm Credit, Farm Security and other agricultural groups met at Warrenton Wednesday to consider further county, regional, state and national agricultural planning. Prince William, Fairfax, Loudoun, Fauquier, Stafford, Orange and Prince William Counties were represented.

This work, started two years ago, will be continued by agricultural planning committees in each county of Virginia this year. Community discussions will be held and local recommendations brought together and correlated later in the year.

Among those attending the Warrenton meeting were M. B. Whitmore, Wheatley M. Johnson, R. R. Fishpaw, Mrs. Ernest Spidler, Miss Alice Webb, Miss Katherine Omohundri, E. L. Her-ring, P. A. Lewis and F. D. Cox.

FORWARD
--- NOT BACKWARD!

SUPPOSE this newspaper had presses capable of printing 140 newspapers per minute and a law was imposed limiting its production to only 70 copies during the same time. Wouldn't you say that law was literally turning the wheels of progress backward?

Or suppose your local grocer's staff of clerks could serve 140 customers an hour and a proposed law would force your merchant to handle only 70 customers per hour. Common sense tells us he could handle only one-half of his normal business. Wouldn't that be putting shackles on private initiative and private efficiency?

If a farmer has a tractor capable of pulling six plows, how would he feel if a law was passed allowing his modern tractor to pull only three plows? Wouldn't that handicap the farmer and retard modern agricultural progress?

All right, then, what do YOU think of a proposed law—one that has actually passed the United States Senate and is now before the House of Representatives—which would really reverse railroad progress? Modern railroads, with their big locomotives, heavy rails and straightened curves, are equipped efficiently to handle trains of 100 cars or more. Yet this law, if passed, would compel railroads to limit their trains to 70 cars.

Don't you agree that such a law would needlessly increase the cost of railroad transportation; decrease railroad service to you and your community? We'd like to hear from you. Better still, we would like for your Congressman to hear from you. It is to your personal interest that railroad progress continue forward—not be forced backward!

This bill to hamstring the railroads is known as The Train Limit Bill (Senate Bill 69). It is called a "safety measure"—yet the fact is that railroads have reduced accidents to employees by approximately three-fourths during the same years that modern, long trains were developed to give you faster and better service. Incidentally, The Train Limit Bill would increase the number of trains and proportionately increase grade crossing hazards. Facts and figures about this proposed legislation will be furnished gladly. Address Chesapeake and Ohio Lines, Public Relations Department, Huntington, W. Va. Your inquiry will be handled promptly; your interest appreciated.

CATHARPIN

Well Old 1938 is still plodding along. He's two weeks older than we last wrote, has added a new Associate Justice to the Supreme Court of the United States, has given Ickes a bath presumably in one of his blue marble creations in the Interior Department, but nothing much has been done about keeping the "Recession" from recessioning. The Capital city is still true to its reputation as being the wickedest city in the country and the Manassas has come out in the lime-lite with a first class hold-up, so the fortnite has produced its usual lot of sensations.

The Woman's Missionary society of Sudley church is planning a reception and dinner for its chartered members at Stone House Inn on Monday, January 24th, 1938, to celebrate the 50th anniversary of the organization. Four members are yet enrolled who joined fifty years ago some time last summer and it is to these that the present membership together with their invited guests would do honor upon this occasion.

Mr. W. S. Brower, County Game Warden, has been confined to his room since last week suffering an attack of neuritis.

Gordon Pattie celebrated his fifteenth birthday on Saturday of last week being ably assisted by a number of his friends and classmates of the Haymarket high school who secretly descended upon him with gifts and good wishes for many happy returns of the day. Games and refreshments were the order of the evening with Palmer Smith, Jr., winning the prize.

Mrs. W. S. Brower of Lone Oak spent several days in the Capital city last week visiting among friends and recuperating after a week's illness from colds and lumbago which had previously confined her to her room.

Mrs. Bertie Caton of Overbrook was a dinner guest of Mrs. L. J. Pattie on Sunday last.

A dinner party of interest was given by Mr. and Mrs. David Herndon of Sudley on Wednesday, January 5th, to a number of friends and neighbors who gathered around the festive board to enjoy a post holiday feast of good things which were enjoyed by all present.

Mr. and Mrs. J. E. Adams of Manassas were Sunday guests of Mr. and Mrs. E. N. Pattie of this city.

Master Jack Alvey was confined to his home several days last week suffering the community ailment of bad cold and sore throat, as did Rita Robertson from the same cause; both being out of school for a time. So many in the neighborhood, both children and adults, have likewise been complaining. Perhaps the open, unseasonable winter is having something to do with it.

As we write this morning all Netherlands is standing at attention awaiting the advent of an heir to the throne. Upon this event, the whole population without exception will shout for joy, boom their cannon and in every way known to mortal man, will try to tell the world just how happy they are.

Sometimes we wonder, after all, if it might be better to have a king born to his place in the world than to have a Democracy where we fight and fight every four years over a

candidate for the rulership? And when he is elected a large part of the population standing ready and willing, perhaps, to see him fail. At least it can be said that those countries are spared this quadrennial breakup or breakdown of unified public sentiment as to who shall rule over them. As a rule hereditary rulers seem to be loved by their people while those elected by popular vote are hated by half of their "clientele" and sometimes by part of the other half, so that discord seems rife and dissatisfaction obtains, no matter which party is in power.

If one will observe the workings of our Legislative bodies, he must be impressed by the great political stress placed upon "Party" and so little placed upon "People" and "Country."

If any member should forget party and show signs of independent thought and talk about the "Good of the Country" he is sure to be warned that if he persists in his evil way and comes up for reelection, he shall be among the missing. Thus time after time the newspapers of the country have shown that representatives who try to be honest and independent in thought, receive their notice that they "must ride along" or else.

It seems to be a fact that when "partyism" supersedes "patriotism" in the minds of the law-making element of a country, then Communism, Redism and Nazism begin to function. May this country be spared that experience.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a precious heritage to them in later years.

Grace be unto you, and peace, from God our Father, and from the Lord Jesus Christ.—1 Cor. 1:3.

HON. GEORGE C. PERRY

Very few men retire from office leaving the impression that the public would like to see them hold on a while longer. We are not ready to give Mr. Perry up. Calm, resourceful, considerate, and possessing that indefinable charm, a strong yet gentle personality, Mr. Peery is the type of man needed in these troublous times. We hope he will remain in public life.

PEERY—EX. GOVERNOR

George C. Peery, Virginia's governor, 1934-1938, became today a private citizen. But he leaves the executive mansion with the knowledge that he has served Virginia well and has upheld the highest traditions of the state.

During the last four years Governor Peery constantly demonstrated his integrity, his courage, his calm judgment, and his executive ability.

Not once did he waver in his duty or chart his course by the star of political expediency. And this is a refreshing contrast to the action of chief executives of certain of our sister states.

The Peery Administration will always be regarded as one of the soundest and one of the most efficiently managed, and an administration in which the public welfare was ever foremost in the mind of the able governor. —Winchester Star.

PROSPERITY SIGNS

The Bureau of Agricultural Economics, in its monthly analysis of economic conditions in the country, said yesterday that there are signs for a possible "turn for the better" both in agriculture and industry. The bureau listed five of these signs as follows:

1. Evidence of renewed interest by prospective buyers of some industrial goods.
2. A slight improvement in the demand for wheat and cotton.
3. A slower and less severe decline in consumer purchasing

power, and in the demand for farm products, than in industrial activity.

4. Reduced inventories which, when depleted, will require new production to replenish stocks.
5. Outlook for continued large foreign demand for American agricultural products, supported by good foreign business activity.

We certainly hope that the bureau is right and that all of these signs may prove the true harbingers of returning prosperity. But doesn't it sound a little like those "round-the-corner" prophecies we used to hear when we were sliding down into Mr. Hoover's depression?

CONFIDENCE

Keeps the Wheels of Business Turning

A LARGE part of the nation's business activity is financed through bank credit. This steady flow of credit is possible because depositors bring their money to their banks for safekeeping.

It is easy to see how important confidence is to the maintenance of this credit structure. Depositors must have confidence in their banks. Banks must have confidence in business. Business men must have confidence in the future before they will embark on new enterprises.

This bank appreciates the confidence of its depositors, and pledges itself to continue the policies of sound, helpful banking that mean so much to the continued development of our community.

Fire Prevention Pays

Bronchial Coughs Need Creomulsion

Just a common cough, a chest cold, or a bronchial irritation of today may lead to serious trouble tomorrow. They may be relieved now with Creomulsion, an emulsified Creosote that is pleasant to take. Creomulsion is a medicinal combination designed to aid nature in soothing and healing infected mucous membranes by allaying irritation and inflammation and by aiding in loosening and expelling the germ-laden phlegm.

The Medical Profession has for many years recognized the beneficial effect of Beechwood Creosote in the treatment of coughs, chest colds, and bronchial irritations. A special process was worked out by a chemist, for blending Creosote with other ingredients and now in Creomulsion you get a real dose of

genuine Beechwood Creosote which is palatable and can even be taken frequently and continuously by both adults and children. Creomulsion is one preparation that goes to the very seat of the trouble to help loosen and expel the germ-laden phlegm. When coughs, chest colds and bronchial troubles—due to common colds—hang on, get a bottle of Creomulsion from your druggist, use it as directed, and if you are not satisfied with the relief obtained, the druggist is authorized to refund every cent of your money. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief that you want. Ad.

NOW HEADS C. & O.

GEORGE DOSWELL BROOKE

George Doswell Brooke, a native Virginian, has been elected President of the Chesapeake & Ohio Railway Company, succeeding W. J. Harahan who died on December 14, last.

His election to the presidency and, simultaneously, to membership on the Board of Directors of the Chesapeake & Ohio, climaxes a 35-year career in railroading, which was marked by a rapid rise from rodman to various executive posts.

Mr. Brooke joined the C. & O. in 1924, after a career on the Baltimore & Ohio Railway that had centered attention on him as one of the most promising young men in the railroad industry. His first connection with the C. & O. was as assistant to R. N. Beggs, operating Vice-President.

Under two presidents—the late W. J. Harahan and the late J. J. Bernet—Brooke's rise was rapid. He was made a Vice-President by Mr. Bernet in 1930. In 1936, under Mr. Harahan, he was advanced to the highest ranking post next to the Presidency—the office of Executive Vice-President on the C. & O., the Pere Marquette and the Nickel Plate Road.

Mr. Brooke was born at Sutherland, Va., and is a graduate of the Virginia Military Institute. He taught at Culver (Ind.) Military Academy before entering railway service. He is a civil engineer of standing in the profession. He is of a staid and quiet temperament, with a likeable personality, that makes friends for him quickly. He is known and liked by the personnel of the C. & O., as well as by many of the shippers along the line of road.

STIRRING BALKAN

DRAMA AT PITTS'

The picture, "The Prisoner of Zenda," Anthony Hope's swashbuckling tale of love, intrigue and adventure in the courts of Europe, with Ronald Colman, Madeleine Carroll and Douglas Fairbanks, Jr., in the leading roles, comes to Pitts' Theatre, Thursday and Friday, January 20 and 21.

Colman is at his charming best in the difficult dual role of the adventurous Rudolf Rassendyll and as the roistering King Rudolf V, whom he resembled so closely.

Rassendyll does so well that he even deceives the lovely Princess Flavia, betrothed of the King, who proceeds to fall madly in love with him. Rassendyll loves her, too, and is about to reveal the deception when it is discovered that the King has been kidnapped by Black Michael and his henchman, the dashing Rupert of Hentzau and imprisoned in Zenda Castle. It thus becomes necessary to keep Rassendyll on the throne.

The beautiful Antoinette de Mauban, jealous sweetheart of Black Michael, goes to Rassendyll and offers to help him rescue the King. She lures Rupert to her room to get him out of the way. Black Michael discovers her in Rupert's arms and Rupert kills him.

WOMAN'S CLUB TO STAGE
GARBO IN PITTS' THEATRE

Greta Garbo reaches the greatest

heights of her acting career in "Conquest," which plays the Pitts' Theatre Thursday and Friday, January 27 and 28, and in which is co-starred for the first time with Charles Boyer in a memorable portrayal of the role of Napoleon Bonaparte.

The plot of "Conquest" deals with Napoleon's visit to Poland where he meets the Polish countess who becomes the great love of his life, and follows their romance to their final farewell at Elba. Among historic characters brought to life by make-up magic and characterization based on research are the Duc de Talleyrand, played by Reginald Owen, Alan Marshal's Captain D'Ornano, Count Walewska, played by Henry Stephenson, Napoleon's mother, enacted by Dame May Whitty, and Prince Poinatowski, played by C. Henry Gordon.

MONTGOMERY AND RUSSELL
CO-STAR IN GREENWICH
VILLAGE DRAMA

Robert Montgomery and Rosalind Russell, both favorites of the screen, have the co-starring roles, in "Live, Love and Learn" the feature coming to the Pitts' Theatre Monday and Tuesday, January 24 and 25, Montgomery as a gay devil-may-care artist of Greenwich Village, Miss Russell as a daughter of society.

Through her love for him she gives up the 400-more-or-less of her set and goes to live in a garret with a north light, near a delicatessen and a Chinese laundry in the throbbing heart of the village. Here, adventure overtakes them and for a while shatters their romance.

But true love and heroic measures combine to restore them to one another's arms and the lofty studio room. Montgomery goes back to his easel and rebuilds the career that almost slipped when they parted. The story is amusing and has its moments of drama, but it is largely intended for laughter and unquestionably gains its point at every move.

CARD OF THANKS

We wish to thank our neighbors and friends for their many kindnesses in the illness and death of our brother, William Wallace Wheaton, who died at Canova on Friday, January 7.

LUCY SUSAN VIRGINIA KLINE

Mrs. Lucy Susan Virginia Kline died at her home in Fairfax County on Friday, January 7th, after an illness of three years. She was a native of Fairfax County and the daughter of the late John and Miriam Sandy. She was born July 3, 1871 and became a member of the Church of the Brethren during her early childhood.

On February 22, 1893, she married C. D. Kline, of Fairfax, and the surviving children are: Mrs. L. O. Cockerham, Mrs. S. G. Russell, Mrs. E. B. Robertson, all of Fairfax; Mrs. M. C. Simpson, of Manassas; R. S. Kline, of Centerville, Ga.; E. Kline, of Indian Head, Md.; J. D. Kline and C. R. Kline, of Manassas.

Surviving brothers and sisters are: Miss Annie Sandy, Melvin Sandy, of Stephens City, Va., Dan Sandy, Palmyra, Penn., Marion and John Sandy, Broadway, Va.

Funeral services were held on Sunday, January 9th, at Oakton, Va., at 2:00 p.m. Rev. B. M. Flory officiated with the assistance of Rev. Ben Miller, Rev. E. E. Blough and Rev. E. E. Neff. Interment was in the Oakton Cemetery. The active pallbearers were L. O. Cockerham, C. E. Cockerham, E. B. Robertson, D. H. Brown, M. C. Simpson, and S. G. Russell. Honorary pallbearers were Ed. Mason, Elliott Robertson, Will Kerlin and Ernest Sutphin.

The death of Mrs. Kline was the occasion of much sorrow and regret among the wide circle of friends and relatives. She had born her long illness with great fortitude. As a lifelong member of the Church of the Brethren her lovely Christian character had found expression in many ways throughout her active life and the esteem in which she was held was beautifully manifested by the lovely tributes to her as she was laid to rest.

GOOD GAME PROMISED

The Haymarket basketball teams will play Warrenton teams at the school gymnasium on Friday night, January 21 at eight o'clock. The public is invited to see an exciting game.

CARD OF THANKS

I wish to extend my deepest appreciation to all those kind friends and neighbors who have been so helpful and sympathetic in the sudden death of my dear husband.

MRS. LAURA HAWKINS,

DUMFRIES

J. F. McInteer, Jr., Quantico, sophomore; and W. V. Bauserman, Manassas, freshman, were among the 161 students at Virginia Tech who were placed on the honor roll for the fall quarter according to a list issued here today. J. F. McInteer, Jr., was one of seven to make "A" in every course for a perfect quality credit average.

A delightful shower was given at the Dumfries Hotel last Saturday night by Miss Foster, in honor of Miss Mary B. Terrell, who has resigned her position at the local school and is to be married shortly.

Mrs. Mary Williams, District Deputy President of the Virginia Dare Rebekah Lodge, and her staff installed officers at the Accotink Rebekah Lodge last Wednesday night.

A prayer meeting was held last night at the home of Mrs. Reginald Kincheloe in Triangle. Despite the weather it was very well attended.

COUNCIL ASSISTS

RUFFNER LIBRARY

Representatives of the Ruffner Carnegie Library of the local High School were informed last week that in response to their request the Manassas Town Council had granted an appropriation of \$100.00 to the Library for the ensuing year. This appropriation is to be spent in books of interest to the general public. It will be remembered that when the present library was founded with a bequest of \$1,000.00 from Andrew Carnegie, the grant was given with the understanding that the books were to be available to the general public as well as to the school.

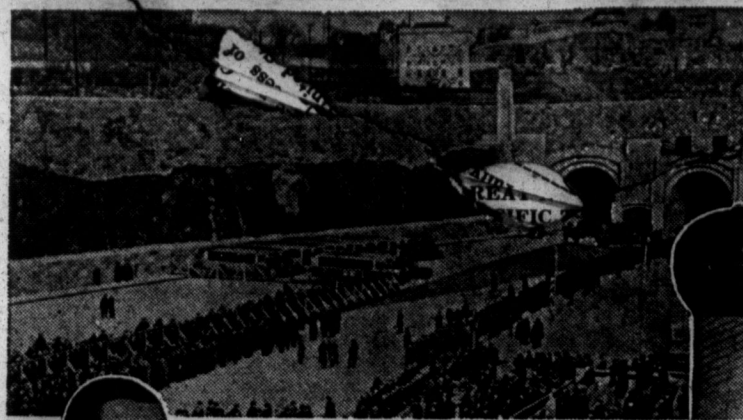

Beginning with the last of February the Library will be opened two nights a week, Monday and Thursday, from 7:30 to 10:00 o'clock. It

will also continue to be open to the public every school day from 9 to 4 o'clock as before. These hours will now enable every one to have access

to the Library and with the books to be purchased with the Town appropriation in addition to the books and newspapers and magazines already in

the Library, much interesting reading will be available to the public. The date for the evening opening will be announced in the Journal.

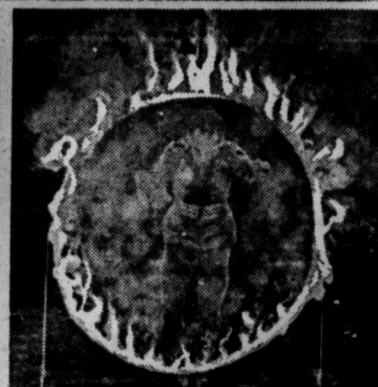

CAMERAGRAPHS

IMPRESSIVE CEREMONIES marked the opening of the new Lincoln Tunnel connecting New Jersey and New York City. This enterprise is another boon to motorists and commuters, making ferry-rides and delays a thing of the past.

PHIL BAKER, virtuoso of the accordion, plays a duet with himself. Baker, one of radio's outstanding comedians, is heard on Sunday nights over the WABC-Columbia network at 7:30 p.m., E.S.T.

BULLS-EYE: Harry Legg gave the audience at the Ice Follies of 1938 a new thrill with this clever and daring feat.

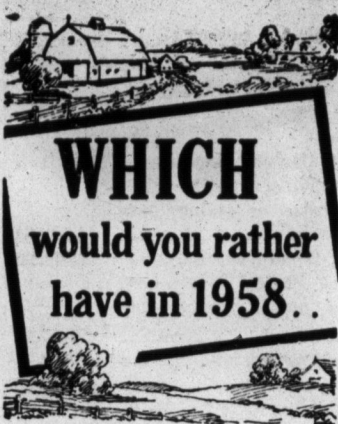

GRAND ENTRANCE: Olivia DeHavilland struts her stuff in the kind of a gown that all glamour girls dream of having.

WARDEN LEWIS E. LAWES, between rehearsal and broadcast of "Behind Prison Bars," heard over the NBC-WJZ network every Monday at 10 p.m., E.S.T., is caught going after the 1-3 pocket. It was not a strike—but it was close!

BEFORE LEAVING Hollywood to return East with "Town Hall Tonight," pretty Portland Hoffa, presents her keys to the city to Walter O'Keefe who has just arrived in the West to join the "Hollywood Mardi Gras" in its Tuesday night broadcasts over the NBC-Red Network at 9:30 p.m., E.S.T.

A FARM
or half a Farm?

WHAT will be the condition of your farm 10 years from now—20 years—30 years? Is it steadily improving or going down hill?

To farmers who offer sound security and are good credit risks we readily lend money to purchase farm land, make permanent improvements, pay old debts, and for a number of other purposes. The money is available at low interest rates, with as long as 30-odd years to pay. Small annual or semi-annual payments gradually retire the loan.

Advantages of a Land Bank Loan

Low interest—long terms—no renewals—greater security—prepayment privileges—a cooperative loan—permanent credit source. Be sure to ask us, or write the Federal Land Bank of Baltimore for a FREE COPY of "Planned Financing."
