**COMMUNITY CLUB
HOUSE PROJECTED****Bethlehem Group will seek Co-operation of All Town Organization**

A most eventful and enjoyable meeting of the Bethlehem Good Housekeepers Club was held at the hospitable home of Mrs. H. M. Jackson on Wednesday afternoon, February 16th, with Mrs. E. M. Boteler as assistant hostess. The occasion, in addition to being the regular monthly meeting, was the twenty-fifth anniversary of the club, it having been organized in February, 1913.

The hostesses graciously presented each guest on arrival with a daisy, the club flower, to be worn during the meeting.

Following a short welcome by the president, Mrs. R. L. Byrd, and the opening prayer, the members and guests answered to the roll call with beautiful and appropriate quotations and bits of verse. Two responses of unusual interest and beauty were those read by Mrs. M. M. Washington and Mrs. J. F. Burks. These were original poems by a charter member of the club, Mrs. C. E. L. Hodge, entitled, "Weariness and Rest" and "The Crimson Rose."

Mrs. Mitchell Sheppard, of Washington, presented the club with a lovely bouquet of jonquils and white carnations in memory of her mother, Mrs. W. G. Covington, a charter member of the club and its first president.

Mrs. French Ransdell, of Washington, also a charter member of the club, sent a beautiful bunch of white snapdragons and ferns and expressed her keen regret at not being able to be present for this meeting. Many other expressions of regret were received from former members, together with their greetings to the club members on this happy occasion.

Following the reading of these messages, Mrs. R. A. Hutchison read a lovely poem by David Banks Sickles, entitled, "Old Friends."

All those present were then asked to leave their autographs in the treasurer's new record book.

At the close of the regular business meeting, the motion was passed that the club should endorse the movement, now under consideration, to build a community house where the various organizations of the town and community may hold meetings and social events. The standing civic committee, with Mrs. A. A. Hooff as chairman, was instructed to meet with committees of other clubs to consider this proposed civic improvement.

Mrs. T. J. Broadbuss, one of the two charter members present, gave a most interesting and comprehensive history of the activities of the club, listing the twelve charter members and the various groups of officers and new members through the years. "Blest Be the Tie That Binds," sung by the club brought the program to a close.

Mrs. Geo. C. Round, also a charter member, and Mrs. Robert Hutchison, then brought in a beautiful, three-tiered white birthday cake, adorned with twenty-five yellow candles, the artful work of Mrs. Wilson Merchant. The club colors were also artistically carried out in the other delicious refreshments served by the hostesses—yellow and white brick ice cream and dainty candy and nut favors.

Those present on this eventful occasion in addition to the hostesses were: Miss Annie G. Roberts, Mrs. Geo. C. Round, Mrs. A. C. Hart, Mrs. J. F. Burks, Mrs. M. M. Washington, Mrs. N. K. Middlethorn, Mrs. B. K. Middlethorn, Mrs. B. F. Knox, Mrs. R. A. Hutchison, Mrs. C. R. C. Johnson, Mrs. R. L. Byrd, Mrs. T. J. Broadbuss, Mrs. W. S. Athey, Mrs. E. Wissler, Mrs. O. D. Waters, Mrs. M. Bruce Whitmore, Miss Isabelle Hutchison, Mrs. Geo. MacDonald, Mrs. A. A. Hooff, Mrs. Maude Kincheloe, Mrs. Wheatley Johnson, Mrs. Wm. Pierson, Mrs. P. A. Lewis, Mrs. P. L. Proffitt, Mrs. D. J. Martin.

**ATTEND REGIONAL
RED CROSS CONFERENCE**

Miss Grace Metz, Miss Ruby Lowman, Robert Wetzel, Dorothy Burksdale, and Mrs. Marshall Haydon attended the Regional Junior Red Cross Conference held at the Lord Fairfax Country Club on February 21, 1938. Miss Metz and Miss Lowman gave very interesting talks on the Junior Red Cross Work being done in the Manassas High and Bennett Schools.

**JUNIOR WOMEN HEAR
TALK ON CHARITY**

The Junior Woman's Club of Manassas met on Thursday, February 10th, at the home of Mrs. J. P. Lyons. The meeting was called to order by the President, Mrs. Janet Owens. The minutes of the previous meeting were read and approved.

Reports of the various committees of the club were given.

A motion was made and seconded for all interested young women of the club to meet at the home of Mrs. Sedric Saunders to discuss further the problem of the garbage disposal.

After much discussion, a motion was made and seconded that the meeting adjourn.

Miss Rose Ratcliffe, chairman of the program committee, introduced the guest speaker, Rev. J. M. DeChant, who gave a most delightful informal talk on "Charity."

Delicious refreshments were served by the hostesses Miss Christine Meetez and Miss Walser Conner.

**SCHOOL BUS
IN ACCIDENT****Fauquier Truck Crashes Into Milk Carrier**

An accident which might easily have had fatal results took place about 7:30 this morning on the Haymarket-Plains Road, near Stovers Mill, where a narrow road turns a sharp angle on a grade.

From accounts it appears that the school bus which was proceeding north came over the crest of the hill, striking a two-ton milk truck driven by Sydney Dunn and owned by E. B. Roland, of Haymarket, which was partially loaded and going up grade at a low rate of speed.

The school bus crashed through the side of the truck and pushed the rear end against the bank. No one was seriously injured, although several children are said to have been badly shaken and scratched.

A young man, whose name is given as Harris, was driving the carrier which is rated as a school bus. Officer Stafford, from Warrenton, made the investigation. It seems that the bus was traveling almost in the center of the road and going too rapidly to make a stop in such a short distance.

**RED CROSS TO HOLD
ANNUAL MEETING**

The annual meeting and election of the Officers and Executive Board of the Prince William County Chapter of the American Red Cross will be held on Tuesday, March 8th, at 2:30 p.m., in the Sunday School room of the Presbyterian Church, Manassas, Va.

All persons who have joined the Chapter during the recent roll call are eligible to vote and all are cordially invited to attend this meeting. Reports of committee chairmen for the past year's work will be given.

Miss Sadie James, field representative from National Headquarters, will be present and will speak on the General Activities of Red Cross Chapters.

**PENTECOSTAL CHURCH
DEDICATED**

The new Pentecostal Church was formally dedicated with all day services on George Washington's Birthday (Tuesday).

The morning worship was conducted by Rev. McCambridge, of Washington. At 2:30 the church was dedicated in prayer by the District Superintendent, Rev. W. C. Long. The dedication message was given by Rev. Mahon, of Washington. The church was crowded to overflowing, nearly 400 being in attendance.

The congregation made a splendid response in pledges and in cash for payment of the church's indebtedness.

The evening service was conducted by the young people of the Potomac District, many assemblies being represented. Mr. Long concluded the closing services at 8:30 with a splendid message of encouragement.

U. D. C. MEETING

Manassas Chapter, U. D. C., will meet at 2:30 p.m. on Wednesday, March 2nd, at the home of Mrs. W. A. Newman. Mrs. Norvell Larkin will be assistant hostess.

THE NEW SCRUB WOMAN**JUNIORS WILL PLAY
REST OF SCHOOL**

The boys and girls of the Junior class of Manassas High School will attempt to defeat the rest of the school in a basketball game on Tuesday, March 1, at 7:45 p.m.

This game will be sponsored by the two Junior rooms as their money making activity for this year. It appears that the Juniors have made a wise selection for their activity.

On the Junior teams will more than likely appear Cooksey, Miller, Curtis, Parrish and Roseberry for the boy's team, and Beeton, Beane, Alpaugh, Morris, Cannon, and Ball for the girls' team.

Everyone is invited to attend and help to make the game a success for the Junior. A small admission will be charged.

**F. F. A.'S TO TAKE PART
IN D. C. BROADCAST**

The Nokesville F. F. A. Chapter held its regular monthly meeting Thursday, February 17.

The following business was brought up during the meeting:

The annual Father and Son Banquet was decided on by the group to be prepared by the Home Demonstration Club. Some of the boys volunteered to take part in a radio program which is to be given over W. J. S. V., March 12, from 9:45 to 10:00 a.m. There was a committee appointed to buy and plant shrubbery around the F. F. A. Building. Another committee was appointed to see about planting a garden to raise money for a trip during the summer.

As there was no further business the meeting adjourned to meet again next month.

**BENNETT CHILDREN SING
FOR KIWANIS CLUB**

An exceedingly pleasant evening of song was enjoyed by the Kiwanis Club last Friday evening when a dozen pupils from Miss Ruby Lowman's 4th grade at Bennett under direction of Miss Jo Miller gave a rendition of their school songs.

Another gratifying circumstance was the announcement by Dick Haydon of the fact that the Episcopal Ear, Eye and Throat Hospital, of Washington, had agreed to co-operate with the Club for another year.

O. D. will have his Christmas boxes out this week.

The Club has been having some very nice program this year. Attendance, too, seems to be excellent.

The assistance which Elizabeth Kincheloe is giving at the piano in the absence of Mrs. Smith is being gratefully received by the entire membership.

GARDEN CLUB MEETING

The Manassas Garden Club met at the home of Mrs. T. E. Didlake Tuesday afternoon.

A very interesting discussion on Garden Problems was entered into by all present which proved very profitable.

The Club decided to purchase a Stereopticon Lantern in the near future. They also voted to have a Tour of Gardens during the spring season instead of having a Flower Show.

The Conservation Committee is soliciting the interest and aid of the gas station operators and the property owners in their summer project of beautifying the town, especially Center Street.

A junior contest will be sponsored by the club and the plans will be announced later.

**P. T. A. OBSERVES
ANNIVERSARY****Delightful Music Program Much Enjoyed**

The P. T. A. of Manassas held their regular meeting Thursday afternoon in the high school auditorium.

Rev. John DeChant, president, called the meeting to order and heard the various reports from chairmen of the different committees.

Mrs. Percival Lewis reported that the Lunch Committee was doing splendidly with the lunches and also managing to clear something.

Mr. Gordon Smith was announced to be the guest speaker for the March meeting. After the business session the president turned the meeting over to the program chairman, Mrs. Dennis Baker.

Mrs. Baker had a treat in store for the association by bringing her electric organ. She played two selections on the organ which were much appreciated by the audience. This is the first electric organ of its kind in Prince William County.

February 17th being the observance of Founder's Day a play was then presented "Reminiscence" by the following ladies, Mrs. Frank Sigman, Mrs. John DeChant, Mrs. Dick Hayden, and Mrs. Dennis Baker. Mrs. Sigman was well cast in her role as Mother Andrews, who attended the First Congress of Mothers in Washington in 1897. Her acting was well done and the play was very cleverly presented.

After the play two girls dressed in colonial costume brought in a beautiful birthday cake with 41 candles. Tea was then served by Mrs. Lonas and her social committee.

THE WORLD AROUND US

By
O. J. Schuster

THE WAR MAKERS are again abroad in the land. Prominent among them are the ship-builders, munition makers, and a horde of their stockholders who find their dividends vanishing because business in the industries of peace is bad. Are the profiteers and their allies, the big dailies, going to succeed in plunging us into a hell of horrors as they did in 1917? Will the old war scares and deceitful propaganda again be the bell-wether to lead millions of sheep to slaughter? Americans, from the youngest army recruit to the oldest citizen, are prepared to sacrifice life itself in defence of their country; but if the profiteers and their dummy politicians embroil us in another foreign war then those profiteers and politicians should be forced into the front

trenches and be the first shock troops to go "over the top."

EVERY INTELLIGENT PERSON KNOWS that the Great War was "a commercial and industrial war"—as President Wilson told the American people, after its close. It was hatched by envious, chiding, deceitful diplomats of Europe who plotted to rob and ruin their competitors. More than fifty million lives had to be sacrificed to appease the greed for self and power of a bunch of crafty intriguing diplomats. That is the conviction of every unselfish American today. It is this conviction that has made our state legislatures, universities and colleges, turn against their own war records, do honor to the men and women they persecuted because those men and women had the vision to see the harvest of hate and corruption and brutal strife which that war would produce and especially because they had the integrity of character to act on conviction. They believed the Constitution meant what it said when it guaranteed (as it does) the right of free speech. They dared to uphold the "academic freedom" which every university and college had been pre-

aching for a century but which those institutions were scared into betraying when the first real test came. Fear, selfishness and pettiness led them to persecute the real patriots and greatest teachers. College faculties generally become goose-steppers in the ranks of war.

THOSE STATE LEGISLATURES AND COLLEGES which have had the courage and honesty to repudiate their own actions during the war hysteria and turn to honor those they had condemned and persecuted as traitors have thus struck a resounding blow for real freedom, and saved something of the respect and honor of those institutions. Wisconsin is an outstanding example of such a complete reversal of attitude. No man of prominence was more the under dog during the war than was the elder LaFollette. But the people of that state, the Wisconsin Legislature, and its great state university, have joined hands in lifting that under dog to the top of the highest pinnacle of love and honor. Other states have made similar recognition of the superior service of those who strove to keep the United States in the path of peaceful cooperation.

THE LATEST COLLEGE to turn against its own war record is the University of Minnesota. Hundreds of the ablest and noblest college professors in all parts of the country lost their positions and were subjected to persecution and great suffering because they had dared to remain true to themselves and the truth they loved. The case of Prof. William A. Schaper who in 1914 was the distinguished head of the department of political science in the University of Minnesota is typical. He opposed the war until congress voted our entry, then he supported it. He was hated by corporate interests because for years he had placed human welfare above commercial and industrial exploitation. Among his bitterest enemies was Pierce Butler, now Associate Justice in the Supreme Court but then a member of the board of trustees of the university. Without having any charges made against him, without the privilege of having counsel and witnesses to defend him before the board, he was summarily dismissed. Within the past month, the University of Minnesota rescinded its action of 1917 and has voted \$5,000

CATHARPIN

Dr. and Mrs. C. F. Brower have returned home after a few week's visit with their son, F. W. Brower of Price, Md.

Mrs. L. J. Pattie of Belle Farm spent last week-end with her daughter, Mrs. R. L. Briggs, of the Capital city.

Miss Ann Robertson, a student at the Fredericksburg State Teachers College spent the week-end with her parents at Lawn Vale, returning Monday to resume her studies.

Rev. and Mrs. A. B. Sapp of the Sudley Charge, are spending several weeks in Florida at the present writing in the hope that it may prove beneficial to Mrs. Sapp's health which has been subnormal for some time. Neither one is feeling as well as they would like to and it is hoped the trip will prove a blessing to both.

The rain Saturday night last accompanied by thunder and lightning not only disturbed the peaceful slumbers of the snakes and bull frogs but has started prophecies as to what the future have in store later on. That old saying that "Thunder in February brings frost in May" is now disturbing the peace and harmony of the early corn planters and garden makers last the mild winter may yet have its revenge when refreshing showers and mild temperatures should be the order of the day. However, we are getting so used to the abnormal and unexpected that we could not feel comfortable without them.

BORN: on February 8th, 1938, a young daughter, Esther Maddox to Mr. and Mrs. J. S. Tribble of Tecumseh farm. The Tribbles are well known to the Sudley congregation consequently many friends have called upon the young lady and her mother to wish them well.

The electric light system, so welcome thruout the community, has had a very serious effect upon the telephone; so much so; that communication is very much impeded. The local lines of the Farmer's Mutual Telephone Co., have served their purpose for about 30 years as well and as cheaply as could be expected from any like installation. In its construction the line crossed and recrossed the public roads to avoid trees, houses, etc., whose removal would have cost more than the Co.'s exchequer could afford, or the "tempo" of the owner might permit. The same conditions confronted the Bull Run Power Co. so that parallels and close proximities have had the inevitable result of the strong overcoming the weak; hence the trouble. Since the "Lion" and the "Lamb" can not lie down together, it seems they must be kept in their own cages and a metallic circuit for the telephone seems the best "cage" for it to occupy. It is now rumored that such improvement is contemplated. Both the light and the telephone are so badly needed and so valuable that every one is interested in their good service.

The community from Stone House to Hickory Grove is now connected up with high-powered electricity and quite a number are now basking in the "sunshine" of electrical illumination much to the delight and comfort of all concerned. A number of Delco plants had been in operation which gave in a limited way, a foretaste of the many advantages and comforts to be gained by the high-powered lines. Some of these had spent their force and others were just on the verge when the Bull Run Power Co. relieved the situation by turning on the real thing. The lights are strong, brilliant and beautiful and every one using them are more than delighted. It is now predicted that it will not be long until the community is "motorized" in the kitchen as well as in the garage; waffle irons, sad irons, toasters, washers and dear knows what all will be installed once the people know their value. Yes! and maybe some one will start up a beauty parlor; who knows? We could stand a beauty parlor, but may the Lord deliver us from a lip-stick factory. We don't mind so much the finger nails being coated up a little to hide certain accumulations which gather under the eves thereof, but that fiery red on the lips looks so much like Indian War paint that it gives one the "creeps."

It is strange sometimes, just how things may become a disease. When Henry Ford first put wheels under people they all with one accord, opposed it. They said it was dangerous and people couldn't afford it; and modern experience, to some extent, has proved the prophecy, but the car has now become a necessity and all have the disease of owning one. The same thing will happen in the electric field; it will not be long until every farm will be equipped with electric appliances; if it is not, it will be rated a back number, hence all will have it sooner or later. All of these things are simply revolutionary; they are better than the old ways and the old things they supersede, and he who adopts them is better off than he who does not. The reason cities have had

HAYMARKET PLAYS OCCOQUAN AND NOKESVILLE

The Haymarket boys basketball team was victorious over Occoquan on Wednesday the 15th. The score was close through the whole game, but Haymarket froze the ball in the final seconds of the game to win by a one point lead of 27-26.

Mrs. Brunt had as her guest over the week-end Mr. Billy Brunt of Winston-Salem, N. C.

All these things so long is because they had to; there was no other way to get results. The same thing now obtains to a great extent in the country and modern ways and means must be employed to meet changing conditions. It looks now as though the "electric disease" is spreading rapidly and the "electrical Doctors" will have plenty to do ere the summer passes into history.

IN MEMORIAM

In sad but loving remembrance Of our dear Wife and Mother Mrs. Kate Watson who parted from us one year ago today Feb. 23, 1937.

Every day brings sweet memories Every memory brings a tear Deep within our hearts we cherish Thoughts of one we loved so dear

Surrounded by friends we are lonely

In the midst of pleasure we are blue A smile on our face but a heart ache Always longing dear Mother for you

In our hearts your memory lingers Tender loving kind and true There is not a day dear Mother That we do not think of you

It is lonely here without you And so sad along the way For it is not the same to us Since you were called away

We think of you dear Mother And our hearts are sad with pain Of this world would seem like heaven If we could only hear your voice again

Yet again we hope to meet you When the day of life has fled And in heaven with joy to greet you Where no farewell tears are shed

We can not understand why we must part From those we love so dear But God who doeth all things right Will some day make it clear

Sleep on dear Mother And take your rest We pray to meet you In that land of peace and rest

By her loving Husband W. W. Watson and Children.

BRENTSVILLE DISTRICT ASSOCIATION PROGRAM

The March meeting of the Brentsville District Association will be held at the district high school auditorium at Nokesville on Tuesday evening, March 1, at 8:00 o'clock.

An entertainment program has been arranged by Mr. Davis Nolley, 2nd vice-president of the association. This will include instrumental and vocal music by Mrs. V. W. Zirkle, Mrs. Davis Nolley, Mrs. Frances Cowan, Miss Garman, Miss Shepherd, Miss Cowan, Mr. Oren Kline and others.

THAT WITHERS GIRLS GOES "WILD AND WOOLLY" WITH GUN-TOTIN' GRANDPAPPY

That Withers girl is on the loose again out where the West begins, and the West was never so wild as when Jane and her gun-totin' grandpop, played by Walter Brennan, create pioneer pandemonium on runaway wheels for her grandest Twentieth Century-Fox comedy "Wild and Woolly," which opens next week at the Pitts Theatre.

Shades of the wild West of Buffalo Bill and Sitting Bull are paled and put to shame when Hollywood's little Miss Mischief goes to town in the Mesa City Pioneer Day Jubilee. Aided and abetted by the best supporting cast she's ever had, Jane twirls a rope and rides like a saddle-born veteran as she revels in the "Days of '49" atmosphere recreated for her by grandpop Brennan.

Last year's Academy Award winner for the best performance of an actor in a supporting role, Brennan heads the cast which includes Pauline Moore, Carl "Alfalfa" Switzer, Jack Searl, Berton Churchill, Douglas Fowley, Robert Wilcox and Douglas Scott.

The feud between Brennan and Churchill is renewed each year when Brennan's candidacy for Sheriff is always defeated by the political machine run by Banker Churchill. Jane carries on this battle with Jack Searl, the banker's action, and Douglas Scott, his snobbish stooge. Jane's accomplice, more hindrance than help, is the comical banjo-eyed "Alfalfa."

Given a fast pact by Director Alfred Werker, the original screen play by Lynn Root and Frank Fenton plunges the characters into a series of adventures and misadventures, riding runaway trains, getting grandpop into a duel, scaring the wits out of tenderfeet in a graveyard at midnight, chasing gangsters on a careening stagecoach, and roping young lovers into romance.

John Stone served as associate producer for "Wild and Woolly," which is hereby acclaimed as Jane's best picture in her peppery career.

CECIL CONNER

We announce with regret the sudden death of Hon. Cecil Conner, former Commonwealth's Attorney of Loudoun and State Senator from 1927 to 1936. He was an able lawyer and a capable, conscientious lawmaker who will long be missed.

BRUSH FIRE WARNING

The county forest warden and his staff cordially urge all readers of this paper to use the greatest caution in any brush burning, especially at this season which will soon run into one of the greatest danger periods of the year.

There are so many ways that carelessness may develop into disastrous fire hazards that it would be impracticable to attempt to list them all here.

Education in fire precaution is the greatest asset we can promote in aiding our friends, the forest wardens.

If you see your neighbor making a mistake, advise him as to how he should proceed if he needs to do any burning at all.

Do not call out the fire department unless you need to. Try to contact a warden if a fire is at all serious. Call your fire tower if you can not locate a warden.

By the same token, don't ask for help idly from those who either can not fight fires either by reason of their physical strength or lack of knowledge. The best intentions sometimes actually heighten the trouble.

We can not be too careful of such things and we should fully realize what a terrible thing fire is and how easily much of its ravages may be avoided.

After a brief illness, Mrs. Octavia C. Rector, wife of Mr. Walter L. Rector, of West Manassas, died at the home of her brother-in-law and sister, Mr. and Mrs. W. C. Sampson in Washington on February 17th.

Mrs. Rector, a daughter of the late John W. and Sarah E. Cross, was born on December 23, 1873, near Manassas, and spent her entire life in this vicinity.

She united with the Antioch Baptist Church as a young girl, later moving her membership to the Manassas Church.

She was married to Mr. Walter L. Rector January 6, 1904, and to this union were born two sons, Arthur L. and Julian E., both of whom survive. She also survived by her husband, two sisters, Mrs. W. C. Sampson, of Washington and Miss Beatrice Cross, of Manassas, a brother, Mr. P. T. Cross, of Staunton, Va., and four grandchildren.

Funeral services were held at the Manassas Baptist Church on Sunday afternoon by the pastor, Rev. R. M. Graham, assisted by Rev. O. R. Kesner, with interment in the local cemetery. The pallbearers were Messrs. W. S. Athey, Marvin Simpson, George Michael, Clifford Ball, Aylett Woodyard, of Manassas, and Walton Jones, of Fairfax.

Although kept closely confined to her home for a number of years by the care of an invalid husband, Mrs. Rector was highly esteemed by those who knew her, as was evidenced by the large gathering of friends and neighbors and the beautiful floral tributes.

JO ESKEL HURST

A death, which is the occasion of intense sadness in the neighborhood, occurred at a Washington hospital on Monday of this week, in the passing of Miss Jo Eskel Hurst.

Born in Scott County, Virginia, in 1906, she came to Manassas with her parents, Truman R. and Sudie M. Hurst, when a very little girl. She attended the local schools, graduating from Manassas High in 1925. She later attended a Washington business college, her school record in both places enabling her to speedily secure lucrative employment in Washington, where she had been employed constantly for almost 12 years in an executive capacity with a large private corporation.

About a month ago she contracted a cold which developed into pleurisy, and late last week she was hurried to a hospital and found to be suffering with pneumonia. Death followed shortly.

The funeral services were held from Grace M. E. Church, South, where she had been a member for many years, this afternoon, Rev. Harry Baker officiating, assisted by Rev. R. M. Graham. Interment followed in the local cemetery.

The honorary pallbearers included a number of the local business men, the active ones being the following: Arthur Pence and Luther Alpaugh, of Manassas, and Bill Bond, John Parrish, Harry Hauthschild, and Russ Tinkham, of Washington.

Besides her parents Miss Hurst is survived by one sister, Virginia Hurst, of Washington, D. C., and two brothers, Earl and Elmer Hurst, of Manassas, all of whom have the sincere sympathy of the entire neighborhood.

BULL RUN HUNT CLUB HOLDS WEEKLY MEET

The Bull Run Hunt Club held their weekly hunt on Tuesday, February 22 instead of Wednesday this week so as to keep old the old traditions of George Washington who was a fox hunter of renown. There was a large gathering of both riders and onlookers and though the chase was not seen to any great extent the hunters enjoyed hearing the dogs run.

There were present with horses, Messrs. J. Carl Kincheloe, president of the club, Robert Saffer, Robert Lewis, Jr., P. A. Lewis, B. H. Lewis, William Wheeler, Conway Seeley, Victor Haydon, Harry Jacobs, G. H. Ayres, Paul Kincheloe, and John Wells. The onlookers comprised of Mr. and Mrs. Connie Kincheloe, Miss Elvere Conner, Capt. and Mrs. Kenneth Uglov, Messrs. John Kerlin, Robert Lake, R. J. Ratcliffe, G. R. Ratcliffe, E. R. Conner, Oliver Dove, Mitchell Cook and John Rollins.

The pack this week consisted of seventeen dogs which added greatly to the enjoyment of the hunt, and through their efforts a fox was started a very few minutes after the hunt began going from Mr. Haydon's farm

POEMS OF LONG-AGO

A GREAT IMPROVEMENT

Young Archibald Albert, an orderly boy, Once had, to his very great pleasure and joy, An autograph album presented to him. Its pages were neat and its covers were trim. Within its gay bindings of superfine leather He proudly endeavored to gather together The names of his every relation and friend, Till the book should be filled from beginning to end.

But soon he perceived, with surprise and dismay And disapprobation, the very strange way In which people wrote in his elegant book; He found it distressing to give it a look. Some autographs proved such a tangle and scrawl Your scarce could determine their letters at all; While others were crooked, and some seemed to stray To the edge of the page, as if running away. Some looked as if caught in a terrible gale; His grandfather's trembled; grandmother's was pale; His father's was blotchy and straggled awry; His mother wrote nicely, he begged her to try.

He pondered the matter, then purchased another Fine album, as bright and complete as the other, And carefully copied the names, every one, As neatly and fairly as it could be done. With every angle and every line Drawn out like a copy, correctly and fine. With every i and every t Neatly dotted and crossed as they needed to be. His letters were regular, even and nice, His capitals stately, exact and precise.

Then Archibald Albert, in viewing the whole, Breathed a sigh of relief from his orderly soul, And exclaimed to himself: "It is better, by half, Than letting each one write his own autograph."

OCCOQUAN
(AND VICINITY)

Mr. and Mrs. John Powell of Occoquan drove to New York because of illness of Mrs. Powell's mother who lives there. Mr. Powell has returned home and Mrs. Powell is staying with her mother for some time. We hope the sick lady will soon recover.

Mrs. Ambrose Petellet of Occoquan has returned home from a hospital and is getting along nicely after undergoing a major operation.

Mr. R. S. Hall of Occoquan drove to Philadelphia on business and spend a couple of days there.

Mrs. Hubert Mooney of Occoquan and her young son have come home from Alexandria Hospital, and are receiving many congratulatory messages, etc.

Mr. and Mrs. Fred A. Barnes of Washington were Occoquan visitors on Washington's birthday.

You parents whose children were given a School Holiday on Washington's Birthday should feel happy in knowing that your children are being instilled with the spirit of patriotism which is keeping alive the memories of our great patriot, the father of our country. So long as this spirit keeps alive, communism will not be able to catch a very strong hold in our country. Remember that during the last General Election there were several Communist and Socialist votes cast in Prince William County. We should make every effort to keep those communists and socialists from underknowing that your children are being teachings in our children. We can be sure that there is no danger when our children are given a holiday in celebration of Washington's Birthday.

We are glad to note that Old Pohick Church Hall opposite Mr. Denry's store is being repaired. This was an eyesore, looked more like a stable than a church hall, but after the completion of the work now being done it will be a credit to the church and to the community.

We are glad to report that Mrs. Alex Malcolm of Lorton who is in hospital is convalescing nicely, and it is hoped she will soon come home.

It is hoped the Old Historic town of Occoquan will take on new life by the coming Spring. A clean up campaign will be started as soon as the weather permits; perhaps by the middle of March. A Deputy Fire Marshall from Richmond paid us a visit recently, looked over the fire hazards in town, and declared some SIX buildings as Regular Fire Hazards. He stated those buildings should be razed or repaired. It is hoped that the owners of those buildings will take proper steps to remedy the condition, voluntarily.

Up to date buildings adjacent to those fire hazards have been unable to obtain proper fire insurance because of those fire traps. We believe the owners of most of those FIRE TRAPS are Public Spirited enough to act on remedying the condition immediately.

At the next meeting of the Town Council of the town of Occoquan on March 11, 1938, all the town people are invited to a regular TOWN MEETING. It is sincerely hoped all will attend. The meeting will be held at Oddfellows Hall at 8:00 p.m. Bring your suggestions, recommendations, criticisms, etc., and especially should we get together and start on a program to clean up the town and keep it clean. Your Council solicits your fullest cooperation in making our town a place to be proud of. Remember the date: March 11, 1938, at Oddfellows Hall at 8:00 p.m.

MEDLEY HEADS BODY
STUDYING NEFF MEASURE

The Neff bill to provide a new optional form of county government known as the "commission" type was referred to a subcommittee yesterday by the House Committee on Counties, Cities and Towns.

The subcommittee, which will give the measure a thorough study, is composed of Delegate W. D. Medley of Arlington, chairman; Delegates J. J. Williams, Jr., of Henrico and Haskins Hobson of Chesterfield.

The bill, sponsored by Delegate W. N. Neff of Washington County, is designed to give a sort of intermediate system between the old "constitutional" form of county government and the executive or manager plan. It would authorize counties to set up, subject to referendum, a stronger type of board of supervisors with an administrative officer to be known as executive secretary of the board.

BUSINESS
ANNOUNCEMENT

I am resuming my former real estate brokerage business and it is my purpose to conduct my agency strictly along professional lines, in full conformity with the Real Estate Regulatory License Law of Virginia and the established practice and ethics of the State and National Association of Real Estate Boards.

I am starting a new development, just at the edge of the corporate limit, that will afford all of the conveniences (including gas) that those enjoy living in the town of Manassas. I solicit the cooperation of my many friends in making this promotion and hope it will prove helpful to the community. If you are thinking of buying a home, see me first.

I shall welcome cooperative contracts with other licensed brokers, especially those in the nearby Virginia, Maryland and D. C. areas.

It is recognized that my agency cannot be successful nor become a valuable addition to the business institutions of Manassas and Prince William County, unless it enjoys the good will and assistance of the public generally. I especially solicit and shall sincerely appreciate the cordial cooperation of all members of the local banking, legal and insurance professions, and of county and town officials.

My office is located in my residence on Center Street—telephone Manassas 214-F-13.

From owners of property for sale, I request agency listings; from prospective buyers, I ask the opportunity of showing my offerings; to both, I state my policy, on all listings of \$1,000.00 or more, of a commission of Five Per Cent of the gross sales price.

EARLIEST AMBITION WAS
TO BECOME A MINISTER

The earliest ambition of Edward G. Robinson, hero of "The Last Gangster," on February 26 at the Pitts Theatre, was to become a minister. During his college days at Columbia he wanted to be a lawyer, then he decided he would rather become an actor. He took part in amateur theatricals while in school and indulged in debates and soapbox oratory. He mapped out an ambitious career for himself which was interrupted by the World War during which he served in the United States Navy.

Robinson made his first hit on the professional stage in vaudeville in an act written by himself, "The Bells of Conscience." He signed for his first picture role eight years ago in "The Bright Shawl" because the engagement included a trip to Havana. Upon his arrival he became seriously ill and was unable to participate in any of the pleasures he had planned. Robinson will snarl in true gangster fashion, in the manner of Little Caesar, if he receives a telephone call too early in the morning. He dislikes "pink teas" and he does not care to be stared at or made a fuss over in public places.

He is five feet eight inches tall, weighs 158 pounds, has brown eyes and black hair. His face is round and might almost be called cherubic.

Ease Pain

The speed with which Bayer tablets act in relieving the distressing symptoms of colds and accompanying sore throat is utterly amazing . . . and the treatment is simple and pleasant. This is all you do. Crush and dissolve three genuine Bayer Aspirin tablets in one-third glass of water. Then gargle with this mixture twice, holding your head well back.

This medicinal gargle will act almost like a local anesthetic on the sore, irritated membrane of your throat. Pain eases promptly; rawness is relieved.

You will say it is remarkable. And the few cents it costs effects a big saving over expensive "throat gargles" and strong medicines. And when you buy, see that you get genuine BAYER ASPIRIN.

NATURE AS A SCULPTOR

Photograph Canadian National Railway.
WHEN Mother Nature turns sculptor she works on a lavish scale. With the elements, rain, lightning, frost and wind as her tools she carves her creations out of miles of solid rock and out of whole forests. The Canadian Rocky Mountains contain many examples of her work but none more spectacular than the two pictured here. (At the top is Old Man Mountain, the gigantic figure of a sleeping man, lying a-top the Colin Range in Jasper National Park, Alberta, and dominating the Athabasca Valley for many miles. The Sarcee Indians who inhabited the region before the coming of the white race wove a legend around him. To them he was the old man who had built the mountains and, having finished his work, had lain down on top of one of the ranges, pulled his blanket over him and gone to sleep. In the smaller picture is shown the famous Black Cat of Brule. This is an almost perfect figure of a feline on the loose, that is just about to arch its back. It is a piece of wood carving which nature has fashioned out of a whole forest. It covers nearly the full northern side of part of the foothills of the Rockies near Edson, Alberta and it is visible for many miles. It is best seen in the early morning or at twilight when the shadows are accentuated.)

W. C. T. U. HOLDS MEMORIAL FOR FRANCES WILLARD

February 17th known by the Woman's Christian Temperance Union as "Frances Willard's Heavenly Birth Day" was celebrated at the Methodist Church as a memorial service to her.

The crusade song, "Give to the Winds Thy fears" was sung and the Crusade Psalm 146th was read by Rev. Mr. Graham, who also offered prayer. 55 years ago a number of women known today as "Temperance Crusaders" met in a church in Hillsboro, Ohio, to pray and plan to save their loved ones from the destruction of the liquor traffic. After praying they read the Crusade Psalm, and song the Crusade song, and then formed into line, two by two and marched through the streets of the town, calling at the four drug stores, all of which but one signed their pledge. They also entered the saloons and hotels. They continued to do this daily to sing and pray and read the scripture until the drinking places were reduced from 13 to one drug store, two saloons and one hotel. Frances Willard was not one of these original Crusaders, but was one of those who began the work under the name of "Woman's Christian Temperance Union" and one of the most outstanding workers in trying to save our nation and the world from the awful curse of strong drink.

Mrs. Graham sang at a solo "I need Jesus," and Miss Jessie Mae Connor sang a selection dedicated to the memory of Willard.

Rev. H. P. Baker was the speaker of the evening, and gave an interesting talk in the life of Miss Willard from her childhood to her mature years, giving incidents of special interest to his hearers. The speaker emphasized the fact that Miss Willard recognized the call of God to a special consecration of her life to the service of humanity. What she accomplished in lifting poor fallen humanity from the drink habit and all habits of vice as known where ever the name of Frances Willard is known.

A very realistic demonstration by several girls and women was given, showing what is taking place in the frequent cocktail parties so common in so many places, and the tragedies resulting there from.

The meeting closed with the Aaronic Benediction.

For the benefit of future meetings we will state that we are sorry for the misunderstanding as to the room in the Methodist Church where this meeting was held. The large Sunday School room used for such meetings is in the rear of the auditorium.

ANITA LOUISE WAS FILM BRIDE AT EARLY AGE

Not long ago Anita Louise had a chance to view one of her first movies, "The Life of Johann Strauss," in which she played a fourteen-year-old bride. She made the picture in Europe when she was 10 years old. It was released as a feature there, a short subject here.

What amazed Anita about it was that her love scenes were quite effective, viewed in the light of many subsequent cinematic lovemakings when the actress was more mature.

"Which seems to show," chuckles the Warner Bros. blonde, "that one can do a fair job of acting without knowing what one's doing. If so, I've wasted a lot of time studying since that early picture."

Having recently completed a romantic lead opposite Victor Jory in "Lady," puts Anita's score of pictures played well over one hundred! The youthful "veteran's" first American picture was opposite Neil Hamilton, playing an eighteen-year-old sweetheart at the age of thirteen. Presently they did another picture together in which the actor played her father!

Anita's screen age, unlike her real age, hasn't progressed evenly with the passing seasons. Several times when she got well up in her later teens she played young girl roles. At other times, sedate mature women, and once, even an elderly woman!

She will be seen in a delightful role in "First Lady" when it comes to the Pitts' Theatre next Wednesday.

"Two-in-one" pictures can be snapped with the aid of a mirror. Note that the light comes from the left onto faces of the children. In mirror pictures the light must be in front of the camera, but it must also be shaded so as not to shine on the lens.

SNAPPING back and front views of a subject in one picture is a novel idea, but it is one of the simplest tricks in photography. All one needs is a mirror.

The subject sits or stands either in front of the mirror or barely to one side, looking into the glass. The person taking the picture stands back at a point where the camera finder shows both the back of the subject and the reflection in the mirror—and snaps the picture.

It is necessary, of course, to have sufficient light, either daylight or artificial. The light should come from one side, and fall upon the subject instead of on the mirror. Strong light such as from an electric bulb should not be allowed to strike the camera lens, as it will spoil the picture.

The artificial light to use for snapshots is that from amateur floodlight bulbs, but ordinary electric bulbs will serve for time exposures. With an ordinary 100-watt bulb and a box camera, loaded with supersensitive film and opened to its largest lens opening, an exposure of five seconds will usually serve when the bulb is three feet from the subject. Snapshots call for two of the large-sized amateur flood bulbs in reflectors three to four feet from the subject. Most amateurs prefer the snapshot method because it does not require

the subject to remain still so long. When a time exposure is made the camera must be rested on a table or other firm stand.

The subject in a mirror picture should not stand too far from the mirror, because that will make the reflection too far away and too small. Also, it may bring the subject so close to the camera that he is out of focus. With a fixed-focus camera which is not meant for use closer than six feet, the subject's back should be six feet from the lens when the picture is made.

When using a focusing camera, remember that the reflection lies beyond the surface of the mirror. For instance, if the subject is three feet in front of the mirror, the reflection is three feet on the other side of the mirror. Hence, with the camera six feet from the mirror, the worker would focus at nine feet. Or, to get everything sharp, he could focus for six feet and use a very small lens opening which gives more "depth of focus."

If one has access to a dressing-table with a triple mirror, he can make four pictures in one—a back view of the subject, a full-face view, and two profiles. The two profiles are obtained by adjusting the side wings of the mirror to the proper reflecting angle.
