## LEGION OFFERS SPECIAL AWARD

### Will Give Auto in Membership Drive

Some lucky Virginia Legionaire will receive a new 1939 Ford automobile free on Washington's birthday. Every veteran in the state, who pays his dues for 1939 by February 22, will be eligible for this award.

With the co-operation of Ford Dealers throughout the state it has become possible for the American Legion, Department of Virginia, to offer this award. All dealers have contributed a small sum to make up the purchase price of the car. The Virginia Legionaire, Department monthly publication, will carry a full page advertisement in the December and January numbers, listing the names of all dealers who have co-operated.

Prince William Motors, Ralph Sharrett, proprietor, the local Ford Dealers, are participating in the plan. The Legion will purchase the car from some Virginia dealer. The lucky dealer will be selected a drawing on February 25. The local Post is most grateful to Mr. Sharrett for his willingness to participate, and we express the hope that Mr. Sharrett will be the dealer chosen to sell the car.

The Department of Virginia is entertaining the National Commander Chadwick at a dinner in Richmond on Wednesday night. Some of the local Legionaires are planning to attend. The local post has already gone over the top in membership for 1939.

It was a very gay crowd which assembled on Thanksgiving day at the home of Mr. and Mrs. R. L. Lewis, Jr., for the Thanksgiving Breakfast of the Bull Run Hunt Club. There were 16 members riding and after an exciting chase which lasted until noon, the riders assembled at the Lewis home, where breakfast was served, the hosts for the day being Victor Haydon, William Wheeler and R. L. Lewis, Jr.

## DON'T FORGET TO USE SEALS

### "Keep Candle Lighted" Says T. B. Group

"Keep the Christmas Seal candle lighted!" This is the plea made to the public by the Christmas Seal committee of Prince William County this week in an effort to obtain additional purchases of double-barred cross Christmas Seals.

"The lighted candle on the 1938 seal is indicative of the enlightenment concerning tuberculosis that has been kindled in the world through Christmas Seals," according to the Committee Chairman. "Before the Christmas Seal made possible education of the public, tuberculosis ranked first as a cause of death. To be told one had it was practically a death warrant. There were scarcely any facilities for the care of those sick with the disease.

"After you have purchased your Christmas Seal, do not forget to use them. Their use immediately identifies you as being one of those who is aiding the fight against tuberculosis. The Christmas Seal is your opportunity to give health and happiness to others and to insure your home and your loved ones against the danger of a dread disease."

The committee asks the hearty co-operation of the business men of the county in placing seals on their letter and package mail to keep the message of the seals continuously in the public mind.

## OUR CHRISTMAS SHOPPING CAMPAIGN

The Merchants of Manassas are again uniting, as they have been accustomed for several seasons, in a Christmas Shopping Campaign.

Substantial prizes are being offered, as indicated in the full page announcement in this issue of the Journal, and we invite our readers not only to avail themselves of the inducements offered, but to do their Christmas shopping here where low overhead expenses and long established business experience makes it possible to market the finest holiday merchandise at prices far below those prevailing in the metropolitan stores.

At no season of the year is community loyalty more expressive than at Yuletide, when out-of-town buying should and often does reach a low ebb. At no other time do we see so many

friendly faces here from outlying districts and adjoining counties. Our merchants appreciate the steadily increasing recognition which Manassas is justly receiving as a holiday shopping center and it is really as a gesture of appreciation, as much as an added inducement that they unite in this campaign.

As the Christmas season advances, we especially urge our readers to avail themselves of the shopping opportunities appearing weekly in the advertising columns of The Journal. The merchants who have the confidence in their wares to advertise them to the public especially deserve patronage.

Let us all unite to make this Christmas season one of unprecedented happiness and prosperity for our whole Community.

### MUSIC-LITERATURE SECTION AT HOME OF MRS. F. R. HYNOSN

The Music-Literature Section of the Manassas Woman's Club had a very delightful informal meeting in the home of Mrs. F. R. Hynosn on Tuesday evening, November 29.

After a lengthy business discussion, Miss Sue Ayres, chairman, turned the program over to Mrs. Dennis Baker, music chairman, who discussed some old Christmas customs and the origin of Christmas Carols.

Mrs. Baker told of the dramatic episode that gave the world "Silent Night," perhaps the most loved and cherished carol of them all. As she told the stories behind the composing of these old carols the truth of the old adage "Necessity is the Mother of Invention," was proven over and over.

Other carols discussed were "Oh, Little Town of Bethlehem," "Away in a Manger," "Joy to the World" and "Hark! the Herald Angels Sing."

After the story of each carol, Mrs. Baker played over the music and the group joined in singing the first verse. Mrs. Baker also had her collection of reproductions of the World's famous paintings which added to the pleasure of the evening.

Mrs. William Cooke assisted Mrs. Hynosn in serving delicious refreshments.

### P.W.A. PROJECTS

Virginia's educational program has absorbed approximately \$10,000,000 as direct grants from the federal government during the past five years and another \$5,000,000 will be given to the state in outright P.W.A. grants during 1939, a survey of the present and future physical educational setup reveals.

Prince William county has benefited in this New Deal program to the extent of \$36,500 in outright grants of federal P.W.A. money representing 45 per cent of the cost of construction projects. With the other 55 per cent of the cost coming as a loan or from the Literary Fund, the P.W.A. projects in Prince William county over the past five years for physical educational equipment totals \$95,900. This money was spent on 2 different projects in Prince William county.

Records of the National Emergency Council show that the above was for Aud. Gym. in Haymarket and for School Alterations at Dumfries.

In the 1939 public school building program, which will cost about \$10,000,000, of which around \$5,000,000 will come in the form of P.W.A. outright money grants, Prince William county will be included. About sixty Virginia counties and six or eight cities are in this setup.

Commenting on the fact that several of the projects in the new program represent consolidations of small schools into one large, modern school, Dr. Sidney B. Hall, State superintendent of public instruction, said: "This is in line with the development of the larger unit of administration which is recognized throughout the country as the desirable type of administrative set-up."

## VISITORS STUDY BATTLEFIELDS

### Military Men are Guests of Branch Spaulding

Among the recent visitors to the battlefields around Manassas, First and Second Bull Run, were Colonel Oliver L. Spaulding, prominent Military historian and Chief of the Historical Section, Army War College, and Captain Ralph Wiltamuth, 34th Infantry, Fort George G. Meade, Maryland. They were the guests of Manassas Town Manager Cooke and Branch Spaulding, Co-ordinating Superintendent of the Virginia National Battlefield Parks.

It was the occasion of a meeting of members of the staffs of the Fredericksburg, Richmond, and Petersburg parks to go over the Bull Run battlefields with Assistant Research Technician Hanson, of Region One, National Park Service, and to discuss park planning. Manassas, though not yet an official part of the system, is being developed under the supervision of the National Park Service.

Colonel Spaulding gave a brief talk on the significance of the War between the States, stating that the battlefields of Virginia were of immediate practical value to professional soldiers and would seemingly remain so for many years to come. It is interesting to note that not only is the War between the States interesting to historians and average people, but also that it is valuable to military men for practical study. This "first modern war" had everything of today, at least in embryo, except the internal combustion motor," said Colonel Spaulding.

Captain Wiltamuth, who recently brought sixty officers of the Fort George G. Meade garrison to study the battlefields in the Fredericksburg and Spotsylvania National Military Park, plans to conduct the same group over the Manassas fields in the near future.

### NORVEL E. HERNDON

Mr. Norvel E. Herndon, age 47, died suddenly of high blood pressure at his home in Fairfax County on Saturday, November 26th. He was a native of Prince William County, the son of Thomas and Sarah Crump Herndon.

Formerly a resident of the Aden vicinity, he moved to Ilda, in Fairfax County, about 20 years ago. Some years ago he married Miss Susie Rowls, of Hortons Store. He had been a dairyman and farmer all his life and at the time of his death was employed by Chestnut Farms Dairy.

He leaves to mourn his loss, his wife, a daughter, Annabelle; two brothers T. M. and C. T. Herndon; two sisters, Mrs. Nettie Suthard, of Washington, Mrs. Ethel Herndon and Mrs. T. M. Russell, of Manassas, and Mrs. Myrtle Herndon, of Nokesville.

The funeral was conducted in the Valley View Church at 2:00 p.m. on November 29th by Rev. J. Murray Taylor. Interment was in the church cemetery.

The pallbearers included David Herndon, of Sudley, Jack Herndon, of Brentsville, J. M. Russell, of Manassas and Clyde Fritter, of Nokesville.

Mr. Herndon was always a good neighbor and kind friend and husband, and his passing is the cause for much regret.

Dear Mr. Lamb:

There are a good number of hunters in Prince William who do not know it is against the law to hunt in snow.

Will you be so kind as to print the item?

I remain, yours truly,  
R. A. Bibb.

## FAREWELL PARTY FOR JACOBSONS

### Local Society Folks Join in Holiday Observance

On November 25 Cedar Grove, the ancestral home of the Leachman clan, was the scene of a merry "going away" party given in honor of Col. and Mrs. Jacobson who are leaving shortly for Panama.

The hostesses were Mrs. Robert Smith, Mrs. J. P. Leachman, Mrs. Lillian Hynosn and Mrs. C. C. Lynn.

On account of the inclemency of the weather many guests from a distance were prevented from coming but once inside the hospitable portals those who weathered the storm forgot the weather and joined heartily in the Thanksgiving cheer within.

A roaring fire of logs in the wide fireplace made the rooms lustrous with its radiance which was further enhanced by light from many cathedral candles.

The color scheme was pink flowers, being pink roses and snapdragons, and the table was a picture of an "Ole before de War" Thanksgiving. Luscious old Virginia ham, at one end, turkey, at the other, and not a space large enough for another dish on the three yard long table between the two.

Merriment and jest ran high until midnight approached when Mrs. William Leachman seated at the piano began to play in her inimitable manner the old songs and the new in which all joined, which brought to a close a happy evening dispensed in a true southern manner.

Among those invited were: Col. and Mrs. Jacobson, Mr. and Mrs. T. E. Dillake, Dr. and Mrs. H. E. Pickrel, Mr. and Mrs. J. T. Richards, Mrs. Lipscomb Jamison, Dr. and Mrs. Bock, Miss Leone Davis, Mrs. Aylene Guthrie, Miss Margaret Lynch, Mr. and Mrs. C. Wade-Dalton, Mr. E. R. Conner, Mr. Frank Cox, Mr. and Mrs. George W. Phillips, Washington, D. C., Miss May Pendleton, Washington, D. C., Miss Caroline Flanner, Washington, D. C., Mr. T. R. Pendleton, New York City, Mr. C. A. Flanner, New York City, Miss Cora Duffey, Alexandria, and Mr. and Mrs. William Leachman, Washington, D. C.

The body of Charles Davidson, who has been missing since November 8, was found in the woods near his home at Hoadley on Thanksgiving Day.

An inquest by Dr. Martstetter revealed that he had died of natural causes. Burial was on November 26. He was unmarried and is survived by two sisters, Miss Fanny Davidson, and Mrs. R. N. Hosey, of Phoebus, Virginia.

## CATHARPIN

Catharpin, as usual, along with other great cities, celebrated Thanksgiving Day in manner and form as prescribed by her Forefathers which, with modern modifications, probably means a maximum of eats with a minimum of thanks. Not that we are unappreciative of all the blessings daily received but it does seem that we have lost the art of making it vocal. This, however, does not mean that we are not privately thankful that we are privileged to live in a free country where everything needed is plentifully vouchsafed unto us if we are willing to do our part and earn it. That Catharpin remembered the day is hereto-after fully attested.

Mrs. Etta P. Lynn, of this city, spent Thanksgiving with friends in the "Smoky City" of Pittsburgh, Penna., returning home on Monday last.

Mr. Frank W. Bower, of Price, Maryland, spent Thanksgiving with his parents, Dr. and Mrs. Bower, of Lone Oak, and added much to the misery of small game on the old hunting grounds of his youth. Upon his return home was accompanied by his parents for a sojourn over in the "Free State" where "Glad Tidings" is the order of the day.

Mrs. Mary Pattie Briggs and daughter, Patricia, of the Capital City, were Thanksgiving guests of their parents, Mr. and Mrs. L. J. Pattie, of Belle Farm.

Mrs. J. W. Alvey and sons, Jack and Lynn, motored to Lawrenceville, Va., on Wednesday of last week where they enjoyed the usual Thanksgiving turkey and all its "fixens" with Mr. and Mrs. E. S. Clary, of that Southern Virginia City, where the snow did not disturb or cause much excitement. Returning home on Saturday, they found plenty of snow and low temperature.

Mr. and Mrs. Chas. R. McDonald, of Oakwood, spent Thanksgiving Day with "Admiral" and Mrs. W. K. Caldwell of Six Acres where the festive bird was again the piece de resistance on this very thankful and snowy day.

In case you hadn't noticed it, Thanksgiving Day certainly gave us something to ponder over. After a long period of summer weather we were rudely awakened to the fact that long with the festivities of the day

Old Man Winter suddenly made his appearance sending shivers and snow in plentiful supply to the end that our Weather Bureau has been searching the records for a parallel. For the past few days the thermometer has been plying his trade between 34 and zero, and blankets, overcoats, etc., much in demand.

The Misses Betty and Frances Brower, young daughters of Mr. and Mrs. W. S. Brower of Lone Oak, spent the Thanksgiving holiday with friends in the Capital City.

Mr. Charles F. Brower, Jr., of Purcellville, Va., was a recent guest of his father and mother, Dr. and Mrs. Brower of this city.

An event of much interest to the Belle Farm Pattie family was the ingathering of the entire group of nine children together with their-in-laws and grandchildren on Sunday last to enjoy a feast of the Thanksgiving variety when all could be together again as in days of yore. These family gatherings are very happy occasions, indeed and reminds one of the stories we used to read in the Youth's Companion. We can yet see in our mind's eye those illustrating pictures of prancing horses drawing sleighs and sleds filled with happy youngsters over the snows on their way to Grandfather's House for just such occasions as this. We can think of nothing more thrilling; but Alas! Where are the sleighs and "slides" in these modern days?

The Sudley Missionary Society will meet in the church next Thursday, December 8th, at 2:30 p.m. This is a very important meeting and all members are urged to be present.

## GALLAUDET COLLEGE FOR DEAF

The only college for the deaf in the world, ivy-covered Gallaudet College for the Deaf in Washington, D. C., is this week celebrating its 75th anniversary as a collegiate institution. A story appearing in The Star next Sunday tells the history of this great school and the man after whom it was named, Thomas Hopkins Gallaudet, kindly scholar, who became the father of education for the deaf in America.

Gallaudet College has drawn its students from the ends of the earth. Its program of instruction, athletics and social life is just what should be found in any "hearing" college.

## A BOOK TO READ

by Clarence Wagener

What was it like to be a child in Germany directly after the World War? What was it like to grow to manhood in a country which went so to pieces, economically and socially, that the populace thankfully accepted the dictatorship of a cocky little Bavarian corporal and ex-house painter who claims to know all the answers?

The principal support of Hitlerism is the body of young men who were small boys when the World War broke out. They grew up in a land that was lacking in so many of the advantages which we in America have accepted as necessities for our children and young people. They suffered in untold ways—these boys of postwar Germany. They were ripe for exploitation when along came a man with a little Charlie Chaplin moustache who promised to give the fatherland a place in the sun again.

There are a number of treatises dealing with the effects of the World War upon the children of Germany and other European nations. But unless you are interested in sociology, such books are not likely to appeal to you. Try, instead, a novel published this year simultaneously in both English and German editions. (Though published in German, it cannot be sold or read in Germany or Austria.)

"In Praise of Life," by Walter Schoenstedt; translated by Maxim Newmark; (Farrar & Rinehart, N. Y., 371 pages), tells of five German boys who grew to manhood under conditions which no young people should have to experience. To read this book is to feel you are getting both entertainment and an understanding of some of the basic reasons for what is going on in the Third Reich. Of necessity, the story must deal with numerous unpleasant happenings. But along with the sad is the gay, along with the bad is the good, and the author seems to be impressed at all times with the miraculous something in life which makes most of us stick it out, no matter how tough the going.

For anyone, this is a good book to read, but especially for persons still on the sunny side of middle age who

feel that the world or life or destiny has let them down. To read this realistic novel is to become aware that we are fortunate, even when unfortunate, to be living on the Western shore of the Atlantic ocean.

All boys of TWELVE years or over are eligible to join. We will be glad to have boys from the entire community including Lorton and vicinity who care to join. We will be able at a late date to give a list of names of the Scouts, Scout Masters, Committeemen, etc. For the present they will hold their meetings in the Volunteer Fire Department Building in Occoquan.

It is with great sorrow we report the passing from among us of a young man who was loved in the community; was a good Christian man and a good citizen—Shelton J. Mauck of Hoadly in his twenty-sixth year, who was laid to rest in the pretty Pohick Church Cemetery on November 27. He had one of the largest funerals ever seen in this section of the country. The funeral service was conducted by the Rev. F. L. Morrison assisted by the Rev. Calvert, of Occoquan Methodist Church; the services being held in Occoquan Church. Our heartfelt sympathy goes to the dear ones left to mourn his untimely passing away, and we pray to God to be gracious to them and care for them.

### CHRIST FOR ALL—ALL FOR CHRIST

## The Word of God

### BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in after years.

But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord.

—2 Corinthians 3:18.

### TOMORROW'S TAXES

No longer can the American citizen look abroad at the heavy tax borne by the European citizen and with a sigh of relief thank providence that he is not cursed with an equally heavy burden. The shoe is on the other foot. Actual cost of government in this country now challenges that of Great Britain.

According to figures compiled by the United States Chamber of Commerce, "American taxes in 1937 were 47 per cent more than in 1923 and 22 per cent more than in 1928."

"British per capita taxes, on the contrary, were 5 per cent less in 1937 than in 1928 and only about 5 per cent more than in 1923."

Actual per capita taxes collected in this country about equal the per capita tax in Britain. But, Britain has steadfastly clung to a balanced budget, or very close to one, while since 1930 this country has squandered itself into the red to the tune of \$24,000,000,000! In other words there are \$24,000,000,000 of deferred taxes hanging over the head of American citizens which eventually must be paid. Otherwise, every man, woman and child in the country will suffer the intolerable hardship of National bankruptcy.

The public purse strings must be drawn against the irresponsible actions of demagogic politicians, or the American dollar will sooner or later become nothing but a worthless souvenir. Investments, jobs, opportunities, "cash" savings—all will be wiped.

—Free Lance Star.

### Magnetic Heat Motor At Academy Of Sciences In D. C. Baffles Visitors

Bell Laboratories Exhibit Shows  
 How Telephone Works, Has  
 "See Your Voice" Device

The magnetic heat motor on display in the National Academy of Sciences, Washington.

Many visitors to the National Academy of Sciences Museum in Washington are attracted to the exhibit of the Bell Telephone Laboratories which looks like a perpetual motion machine, but isn't. It consists of a small glass disc which rotates continuously and apparently without being propelled.

It is a magnetic heat motor, and here's how it works. The rim of the disc passes at one point a small horseshoe magnet. The rim is a magnetic tape consisting of an iron alloy which requires very little heat to make it less responsive to the attraction of the small magnet. Iron loses its magnetism when heated. A small electric lamp concealed in the base of the apparatus furnishes the heat. When the magnetic flux through the heated portion of the disc rim is reduced, the horseshoe magnet draws an unheated portion of the tape into the gap between its two poles. This new portion of the rim of the disc is then heated and so the disc continues to turn.

The Laboratories have also installed in the museum apparatus by which you may "see your voice." By speaking into a telephone attached to the device, the complex vibrations which constitute speech are seen as a fluctuating line of light on a screen.

The action of the carbon telephone transmitter is also illustrated by a large mechanical model, which can be operated by the spectator.

Another exhibit demonstrates the action of the vacuum tube amplifier by making the plate of a large vacuum tube glow more or less brightly in response to the changes in intensity of telephone currents which it amplifies.

## WOODLAWN

Mrs. Dodsley and Mrs. John McLean of Detroit, Mich., have returned to their homes after having been the guests of Mrs. Kenieppe, of Gray's Hill Inn, for the past few weeks. Mrs. Dodsley is Mrs. Kenieppe's sister.

Miss Mary Osborn has returned to her home at Gray's Hill Inn for the winter months. Miss Osborn spent the summer months at her home on St. Joseph's Island, Minn.

Mr. and Mrs. J. W. Cox entertained at a lovely Thanksgiving dinner. As their guests, they had Misses Mary, Lueetta and Polly Cox of Washington, D. C., Mr. and Mrs. H. D. Buchman and family and Mr. and Mrs. C. W. Zimmerman of Woodlawn.

Miss Eileen Hardage spent the Thanksgiving vacation at the home of her grandmother, Mrs. M. Hays, in Washington.

Mr. and Mrs. Hardage and son, Bobby, also spent Thanksgiving Day with Mrs. Hays.

Miss Virginia Clapp attended the Army-Navy game in Philadelphia, Penna.

Miss Margaret Williams and Miss Marjorie Clapp were the guests of Mr. Alick W. Williams at the V.P.I.-V.M.I. game in Roanoke, Va., on Thanksgiving Day. Mr. Williams returned with them to spend the remainder of his vacation with his parents, Mr. and Mrs. A. H. Roberts.

The Woodlawn Circle of the King's Daughters and sons will meet at the home of Mr. and Mrs. R. L. Smith on December 1.

The Woodlawn Gavel Club will hold their regular monthly meeting Tuesday, December 6, at I.O.O.F. Hall, Accotink.

The Odd Fellows will hold their regular monthly meeting on Wednesday, December 7, at I.O.O.F. Hall Accotink.

The third grade of the Woodlawn School organized and presented a Thanksgiving play for their own room.

The monthly meeting of the Woodlawn P.T. A. will be held at the school on December 5 at 8:00 p.m. We hope that many parents and friends will attend. The children with Miss White, teacher, are working hard to present an interesting program. Christmas carols will be sung by the Glee Club and representative from all grades will present a Christmas pageant.

Mrs. Kenieppe of Gray's Hill Inn, has presented Woodlawn School with a piano. The school has been without

a piano for sometime and needless to say, they are very appreciative of this gift.

## WOODLAWN HOME DEMONSTRATION CLUB

The Woodlawn Home Demonstration club held their November meeting at the home of Mrs. J. P. Leisner. It was impossible for Miss Blake to attend, so the whole meeting was given over to the planning of the year's work. Mrs. D. J. Garber was appointed chairman of the Library committee. The club plans to have a circulating library, the nucleus of which will be loaned by the State Library, Richmond. The members will bring their own magazines and books for circulation. The club hopes to have the library at the Friend's Meeting House and plan to have a librarian there several days a week.

Mrs. Edward Kaiser, Jr., was appointed chairman of the Finance Committee. She asked Mrs. J. W. Cox to assist her.

As yet no definite plans have been made to raise money but Mrs. Kaiser hopes to have one big affair in early spring, at which all funds for the year's budget can be realized.

The club voted to retain its ten minute Cultural Programs at each meeting. Mrs. D. J. Garber, who consented to act as chairman, gave a very interesting talk on Thanksgiving.

For the year 1938-1939 the club has decided to furnish and maintain the principal's office and the clinic room, at the Woodlawn School, as their Community Project. Mrs. J. W. Hughes is in charge of this work. There are many needs to be supplied, and we hope there will be donations, for truly this is a much needed proposition.

In addition to the regular demonstrations on the year's major project and the county campaign the club requested demonstration the following: Parliamentary usages, planning a community exhibit, Psychology of dealing with a child's everyday problems, Interior decoration, Christmas gifts and Receipts of holiday cookies and candies.

## Telephone Fleet Of 770 Vehicles Travels 8,624,000 Miles Annually

### Company Cars in D. C., Md., Va. and W. Va. Play Important Part in Maintaining Service

Telephone users have probably never thought of telephone service as traveling on wheels, but in Washington, Maryland, Virginia and West Virginia, territory operated by The Chesapeake and Potomac Telephone Companies, motor vehicles play an important part in mobilizing thousands of telephone workers, including linemen, installers, repairmen and many

The old and the new in telephone company vehicles. At the top is the latest thing in 1915. At the right a modern streamlined construction truck in use today.

others engaged in operating and maintaining the service.

A total of 770 telephone trucks and cars in the C. & P. territory travel more than 8,624,000 miles each year. The number of trucks and cars in Washington is 85 with an average of 785,000 miles traveled a year; Maryland operates 282 vehicles with 3,420,000 miles traveled a year; Virginia's 240 trucks and cars travel 2,700,000 miles a year and West Virginia's 163

trucks and cars an average of 1,719,000 miles a year. These vehicles of various types range in size from light roadsters to five-ton trucks used in heavy construction and transportation work.

For more than thirty years the automobile has steadily grown in importance in the telephone business, providing ready and fast transportation and increasing the efficiency of the service. Gradually the motor car took the place of the horse-drawn vehicle, which had served well in the early years of the telephone development.

Through years of experience the C. and P. and other Bell System com-

pump water or air, dig holes and trenches, hoist poles, unroll giant cables and perform many other tasks in constructing and maintaining the plant.

While striving for promptness and economy in operation, telephone officials state that first thought is given to the matter of safety, as concerns both employees and public. Although the Chesapeake and Potomac fleet travels approximately 8,624,000 miles a year, the per cent of accidents is well below that of the average for motor vehicle users. Periodic and thorough inspection of the cars, careful selection of drivers, and emphasis upon safe operation have for years

been big factors in the fleet's safety record.

Even though Washington, Maryland, Virginia and West Virginia have separate motor vehicle units, in emergencies one state cooperates with the other. In case of a severe flood or storm, the telephone crews "on wheels" are among the first to reach the stricken areas and aid in restoring the lines of communication.

their sons, Billy and Dwight, of Shiloh, Va., Mr. and Mrs. W. T. Wine, of this place, spent Thanksgiving at the home of Mr. and Mrs. W. A. Wine.

We were sorry to hear of the passing away of Mr. and Mrs. Henry Carters' child, Stanley Ray. The family have our heartfelt sympathy.

Mr. and Mrs. John M. Oleyar, Jr.,

Mr. and Mrs. William Price and daughter, Evelyn, of Washington, D.C., spent Sunday at the home of Mr. and Mrs. John M. Oleyar.

Mr. and Mrs. W. A. Wine and family spent the week-end with Rev. and Mrs. Clifton Storke at Shiloh, Va.

We were sorry to hear of the passing away of our old colored neighbor, Issie Cole. Issie has been a great

sufferer for two years. We sympathize with his sister, Penny, who has waited on him so faithfully. They have been living together for many years.

Mr. and Mrs. Ray Wood are proud parents of a son named Ralph Edward born November 19.

Mr. E. L. Herring has been confined to his bed for a week or more, but we are glad to say he is able to be up and around.

## WOODBIDGE

We had quite a change in the weather Thursday night. Cars were blocked all along the Richmond-Washington Highway on account of the ice.

Mr. Hall is staying with his daughter, Mrs. Milton Sullivan.

Messrs. Hunter Earnest and Jeff Shelton went hunting near Catlett in Fauquier and got 45 rabbits in one day.

Mr. A. C. Strother was taken ill while on a visit to friends to Lincolnia but is reported as improving.

Mr. and Mrs. Alton Taylor were recent visitors at the home of Mr. R. H. Harvey.

Mr. E. K. Phillips, of Petersburg, paid a visit to Mr. L. E. Strother a few days ago.

## A MOMENT'S PRAYER

I cannot tell why there should come to me.

A thought of someone miles, and miles away.

In swift insistence on my memory, Unless there be a need that I should pray.

So hurried oft we are to spare the thought

For days together, of some loved one far away!

Perhaps God does it for us, and we ought to read His sign as a call to prayer!

Perhaps our dear one, just then has fierce fight,

And more appalling weakness

Courage lost to resist temptation

A lost sense of right

So in case our dear one needs our prayer.

I lift my heart to Thee, O God,

To be a "Very Present Help"

In time of need!

## Seals in 40 Countries

About forty countries carry on the fight against tuberculosis by means of Christmas Seals. The first Seal was sold in Denmark in 1904. This method of raising money for a humanitarian cause was adopted in the United States in 1907. The double-barred cross is the international emblem of the crusade against tuberculosis.
