SIX STRAIGHT FOR MANASSAS

Local High Nine is Making Remarkable Showing

The Manassas High School baseball team added two more victories to its list. The defeats of Haymarket and Nokesville make a total of six straight games.

Friday, May 5, Haymarket came to Manassas and was defeated by the locals, 5-1. The game was a loosely played one with Manassas getting eight hits and five runs. Haymarket collected seven hits but only one run. Wells struck out nine men and gave only one free pass. Piercy struck out six and gave seven free tickets to first base.

There were no extra base hits with most every one on the team getting a hit. Wells collected two for four.

On Tuesday, May 9, Manassas traveled to Nokesville and had a field day by defeating Nokesville 22-5.

The Manassas Bombers collected eighteen hits, nine going for extra bases. The boys gathered four doubles, four triples and a homer. The Nokesville pitcher also gave the local boys six free passes. The second inning was the big inning when the Manassas boys got 9 hits—fourteen runs. The entire team got two turns at bat in that inning.

Wells allowed six hits only one for extra bases. He did not give up a single walk and struck out six men.

The big guns for Manassas were Bowers, who got a homer and a double, Roseberry who got a triple, a double and a single, Vetter who got two singles and a double, Bolding who got a triple and a single, Payne who got a triple and a single and Grady who got a triple and two singles. Everybody got at least one hit. All the available Manassas substitutes were used in the game.

The next two and final games will be played with Nokesville and Fairfax.

GIFT TO THE RUFFNER- CARNEGIE LIBRARY

At the high school assembly last week a beautiful and very choice copy of Raphael's masterpiece, the Sistine Madonna, was presented to the Library.

The Medici prints, issued by the Medici Art Society of England, are among the finest and most valuable reproductions in color that we have of the works of the great masters in painting; and Miss Smith in making such a gift, as the Rev. Mr. Gibson said in his presentation of the picture, expressed her interest in the Library and the School in a most beautiful and lasting form.

UDC PREPARES FOR MEMORIAL DAY

Mrs. Didlake Hostess at May Meeting of Chapter

Mrs. Thomas Elvin Didlake was hostess to the Manassas U.D.C., May 3, 1939, at her home on North Grant Ave., Mrs. Robert LeRoy Byrd presiding. Rev. Thomas Douglas Clark was an honored guest. In the opening exercises Dixie and Carry Me Back to Olde Virginia, were sung.

Mrs. Newman, historian, told of the founding of Savannah, Ga. in 1732 by James Oglethorpe, who, on his second trip from England, was accompanied by John and Charles Wesley. Savannah is said to have better kept parks than any city in the world. Eli Whitney invented the cotton gin on the plantation of Gen. Green, near there. The first steamship built in the United States was built in Savannah, bore her name, and sailed to England in 1819.

The Northern army took possession of the city in 1864—but, "Sing it as you will, it never can be sung

Tell it as you may, it never can be told.

All of the glory of the story—

Of the men who wore the Gray—

Quite a number of Chapter members are planning to attend the District meeting at Woodstock on May 17. The Chapter voted to place one of the late Mrs. Summers Clarke's books in the library, as a gift from the Chapter.

A certificate of membership was presented to Mrs. Annie Wallace Phillips Rector, and she was welcomed into the Chapter.

A donation was given to the U.D.C. scholarship at V.M.I.

Mr. Clarke told an incident in his life, proving another claim to his right to the title of an Old-Time Confederate. As a boy of eight in old Scot-

land he remembered his sorrow when a playmate told of the fatal wounding of Gen. Jackson—there was no lightness in the telling or the receiving of it—it was a tragedy over there. He said Stonewall Jackson was in a class by himself, not that others were not worthy, but that he belonged to Manassas as none of the other great leaders ever did, and suggested that the Chapter localize Jackson.

The Chapter was delighted with a gift of one-hundred and fifty copies of the original publication of Mr. Clark's poems, "Rhythmic Ramblings in Battle-Scarred Manassas".

Mrs. Byrd reported that a committee from the Chapter composed of Mrs. Byrd, Mrs. E. H. Hibbs and Mrs. W. A. Newman had the happy privilege and honor of acting as escort and guides to a group of sixty visiting students of the State Student Cooperative Association on a tour of the Manassas Battlefield. Talks were made at the various points of interest which included the Henry House, Stone House, historical Stone Bridge and the beautiful cemetery at Groveton. Mr. Powell, the caretaker at the Henry House, was very helpful in describing the positions of the armies in the First and Second Battles of Manassas.

Committees were appointed to arrange for the Memorial Day exercises which will be held June 3, at 4 p.m. in the pavilion at the cemetery.

The refreshments and the social hour were most enjoyed, after which the guests were delighted to view Mrs. Didlake's lovely pool and rock gardens, which were at the height of their beauty.

Telephone Company Being Complimented on Latest Edition

The new telephone directory for Manassas, Dumfries, Quantico and Triangle has just been issued by the Central Mutual Telephone Company, of Manassas, and furnishes a striking evidence of the growth of this local institution, which when it took over the old Farmers Mutual Company numbered about 160 phones, employed one operator and was closed nights.

Today the Central Mutual is one of the strongest and best independent telephone companies in Virginia. There are now 558 phones on its two exchanges, 11 operators and 5 line-men. The company owns its building in Manassas, an attractive two-story structure, and also the building at Triangle, which serves Dumfries and Quantico.

Officers of the Central Mutual are: Dr. Geo. B. Cocke, President; T. E. Didlake, Vice-President; Harry P. Davis, Secretary-Treasurer. The directors are Messrs. R. S. Hynson, Geo. B. Cocke, Harry P. Davis, J. A. Vetter, A. A. Hooff and T. E. Didlake.

Mr. J. A. Vetter, the efficient manager, has been connected with the local company for 25 years, having worked his way to the manager's position through all of the technical positions incident to telephone engineering.

In his continuous efforts to improve his service, Mr. Vetter urges patrons to use his new directory and call by number, rather than by name, as this will greatly facilitate prompt service.

KIWANIS EMBLEM NOW IN TRANSIT

Is Being Passed Around to All Clubs in District

Following a visit by Lieut-Governor Lyman Kelley on April 28, a group of Arlington Kiwanians appeared last Friday evening at the meeting of the local club at which time B. J. Dorsey, interclub chairman, made the presentation of a segmental plaque to President Conner with instructions to take the same to Fredericksburg on Tuesday of this week.

In line with suggestion, President Conner and the following members of the local club journeyed to the aforementioned city on Tuesday and delivered the plaque to the club there; Messrs. R. A. Hutchison, Leamon Ledman, E. R. Conner, Edgar Parrish, W. F. Cocke, Hunton Tiffany and C. C. Lynn.

Greatly to the surprise of everyone, discontent that had been brooding at one of the tables broke out when the members decamped for the hall and reentered singing their song, in protest to the music chairman. They wore placards protesting unfairness alleged against said chairman. A picket line was set up that lasted for several minutes, amidst hefty cheering of all.

The protest collapsed later when this song got the major attention for the evening, the visitors and other members calling for it repeatedly.

The matter of entertainment of senior students was left to a special committee to work out details. Program Chairman F. R. Hynson announced a special ladies night for June 2 when a delegation from Petersburg, Florida, will make a special sound picture showing for the club.

YANKS BEAT QUANTICO

After suffering their first defeat of the season on the previous Sunday, the Yanks did not lose any time scoring runs off the offerings of Richardson, the Quantico A.C. pitcher, Sunday, May 7th.

Tucker, the Yanks had off man hit the first pitched ball for a double, stole third and scored on a wild pitch. However, Quantico had scored on two errors by Oliner Fields and a single by Ferrell. After the third evening the game started to be a one sided affair.

The Yanks batting power did not really swing into action until the ninth evening. Then Paul Wells hit a triple, Pete Willis hit a single and Wilmer Fields hit another triple. Morris Field pitched a four-hit game while the Yanks made fourteen hits off Richardson. Wilmer Fields was the batting hero with three hits.

NOTICE: All you voters of the Town of Occoquan. An article which appeared in The Manassas Journal a few weeks ago to the effect that all who were qualified to vote in the November elections would be eligible to vote in the town elections on the second Tuesday in June, was in error. The Attorney-General of Virginia has decided that in order to vote in the town elections in June, taxes must have been paid on or before December 13, 1938. This is not a new decision, but it is a decision we were not all cognizant of. We hope all who are

qualified and eligible to vote will vote for your town officials on the second Tuesday of next June. Vote for those you believe will serve your town without fear or favor. Disregard personal friendship when voting. We have some good WOMEN in this town who would be excellent officials for you to elect, and it is hoped that some of them will be elected. As was stated a few weeks ago, none of your present town officials will feel any way hurt if not reelected. This will probably be the last notice about the elections, so don't forget the SECOND TUESDAY in June. FIVE Councilmen and ONE Mayor are to be elected.

Mr. and Mrs. Jack Lambert of Woodbridge, had as their guest over the week-end, Miss Alice Lee Lambert of Washington.

WORLD'S GREATEST CIRCUS IN WASHINGTON, MAY 15-17

With the world's largest big top air conditioned and restyled in interior decor, the Big Show—Ringling Bros. and Barnum & Bailey combined circus—boasting the finest performance in the finest setting in its impressive history as the foremost amusement institution of all time, will exhibit in Washington at 21st and C. Sts. N. E., May 15th, 16th and 17th. Gargantuan the Great, the giant gorilla, the mightiest attraction in this or any other country, is the season displayed in the world's largest traveling menagerie, where the crowds may gaze close up at him at their leisure. As an adjunct to the menagerie, a horse tent, displaying in decorated stalls the 70 Kentucky equine beauties bought by John Ringling North, president of the circus, in and around Lexington last fall, connects with it.

Performances start at 2 and 8 p.m., with the new streamlined inaugural spectacle "The World Comes to the World's Fair," created, costumed and produced by Charles Le Maire, moving in iridescent magnificence under the blue ceiling of the vast tent. Backgrounds of drapes and tasseled curtains, gold and silver center and quarter poles enhance the beauty of

the pageantry, in which 2000 people and animals take part.

Heading the roster of features newly imported from Europe are Fritz Bartoni, Europe's queen of the flying trapeze; the Pilades, who do the leaps from the long ramp and springboard over elephants, camels and horses, standing side by side; the Zerbis, foremost teeterboard acrobatic act of the Continent and cousins of the famous Riding Cristianis, who again head the bareback riding numbers; the Great Arturo, fearless tumbler and comic of the high wire; Hubert Castle, acrobatic comedian of the tight wire; the Aicardis, amazing novelty jugglers of fire torches; the Filudys, springboard somersaulting marvels; the Iwanows, stars of the aerial bars; Albert Powell, contortionistic thriller of the flying trapeze; Albertino of London, Europe's favorite clown, and Lulu, the greatest woman clown of the age.

WOODBINE 4-H CLUB

The Woodbine 4-H Club met at the Woodbine School, May 3, 1939, at 1:00 p.m. The meeting was opened by Edith Sholtis, the president. We opened by singing several songs. The secretary called the roll and there were 21 members present. The min-

utes of the last meeting were read. The Finance Committee announced that we would sell ice-cream to pay for the name on our school building. We had a short program based on Nature: In the Bunnies Wood—Ruby Posey; Butterfly Adventure—Alma Harris; Our Favorite Tree—Edith Sholtis, and Green Things Growing—Margaret Ceubla. We played a game called, "The Squirrel and the Nut." The meeting was then turned over to Miss Webb.

Miss Webb showed the girls how to make different kinds of hens. She also helped them to fit and cut out their slips. The meeting adjourned at 3:00.

IS TELEVISION READY FOR YOU?

Television is on the air today... with limitations. The question that is bothering the Federal Communications Commission, that governmental agency charged with the duty of regulating radio in all of its phases, is whether television experimentation has reached the stage where the general public should be permitted to put out its good money for the purchase of expensive receiving sets which, in a short time, may become obsolete. The real story of television based on the official findings of the F. C. C. is revealed in an illustrated feature article appearing next Sunday in The Washington Star.

MOTHER'S HANDS

Beautiful hands folded at rest,
Clasping the lilies on her breast.
Hands that are free from toil and
care.

Resting so gently, so peaceful there,
Beautiful Hands,
Loving hands that served and tended,
Patient hands that served and mended,
Tireless hands that soothed your pain,

As she sang to you a sweet refrain,
Beautiful Hands,
Sons and daughters standing above
her,
One and all of you that love her.
As she lies silent and peaceful before
you,
Always remember the love that she
bore you,
Love so tender and true.

KEEP A CLEAR CONSCIENCE: And whosoever speaketh a word against the Son of man, it shall be forgiven him; but whosoever speaketh against the Holy Ghost, it shall not be forgiven him, neither in this world, neither in the world to come.—Matt. 12:32.

A WONDERFUL ACHIEVEMENT

During the past two weeks, the public has had ample opportunity to inspect and observe the splendid way in which the school system of Prince William County is devoting a portion of its curriculum to arts courses, both fine and practical.

Instead of a county music festival all in one place, there were several at more conveniently located points. All were in similar vein and all executed in a most pleasing manner. Space does not permit a more particular description other than to say that the youngsters, many of whom had never appeared in a public performance before, all did their parts, in groups or as individuals in a style that had finesse and brought credit to the several members of the faculty as well as the students themselves.

Last week, there were showings of the art work and displays of shop and home economics work.

To use the word "amazing" would be the nearest to one single descriptive phrase. The art courses pursued by students of all ages and grades had produced a profusion of color and subjects that had originality and real personality. Such work and its effects on character building are so visible as to bring instant praise to the lips of anyone fortunate enough to see the exhibit.

The shop work is due its share of commendation. The young gentlemen who supervise this work had exhibits in the high school in Manassas that were most gratifying, to say the least.

The students have been trained to turn out work that will be most helpful in their later lives. The real enthusiasm present among them all and the evident desire of the faculty to make the efforts of each student mean something both to the individual and to the community, all adds up to the fact that the school system in Prince William is about the best in the entire State.

The home economics cottage was open to the public, and the faculty showed the methods of training. Anyone who has attended local functions where these young ladies are continually called on to assist in some way, need no further introduction to the efficiency of the work.

HOUGHTON A. ROBSON

On Monday evening, May 8, at 9:45 a.m. Mr. Houghton A. Robson, of Huntington, W. Va., and Manassas slipped peacefully away at his summer home, Robnel Farm at Manassas. Mr. Robson had not been in rugged health for several years, but was about the town and manifested the usual enthusiasm for visiting with his friends here, and seeing the things of interest on the farm.

He suffered a severe cold, and this was followed by complications from which he could not recover.

Mr. Robson was born at Cotton Hill, Fayette County, in W. Va., in 1856. He was of English descent, his grandfather having settled in Culpeper County, Virginia, upon coming to this country. Mr. Robson was the son of Thomas S. Robson and Mary Elizabeth Abbott who moved to Cotton Hill early in their married life. Mr. Robson assisted his father in his many business activities from the time he was a very young man and manifested from youth an aptitude for business. He developed remarkable ability in coal and timber interests of the state of West Virginia and did much toward the promotion of the coal industry in the state.

Mr. Robson married Miss Jennie C. Shoemaker, daughter of Mr. and Mrs. James K. P. Shoemaker, of Berlin, Penna. Mrs. Robson and their only child, Mrs. C. P. Nelson, survive Mr. Robson. Va., all children of Mr. and Mrs. C. P. Nelson, are the surviving grand children of Mr. Robson, and there are three great grandchildren, Z. T. Vinson, Jr., Betty Jane Vinson and Mary Blair Vinson, the children of Mr. and Mrs. Taylor Vinson.

Mr. Robson was a gentle, kindly man, and he was known to all of his acquaintances as a man of strict integrity, upright in his business dealings, and ever tolerant of his fellow man. It was his pleasure to help where help was most needed, but to aid in such a way that it was known only to the persons most concerned. He lived a long and useful life, and will be missed by all who knew and loved him.

The funeral was held this afternoon at 2 o'clock from his home in Manassas.

The following local friends were pallbearers: Dr. E. H. Marsteller, T. E. Didlake, C. A. Sinclair, G. R. Ratcliffe, Geo. B. Cocke, Harry P. Davis, W. F. Cocke, Dr. V. V. Gillum, D. J. Arrington, J. L. Bushong, D. J. Martin, W. Fred Dowell, W. S. Athey and Geo. C. Hixson.
