BETHLEHEM CLUB GIVES CLOTHING

Good Housekeeping Group Meets at Clover Hill Farm

The Bethlehem Good Housekeeper's club held the regular monthly meeting on yesterday afternoon at Clover Hill Farm, the home of Mrs. Wheatley Johnson, with Mrs. Wm. Pierson and Miss Emily Johnson as assistant hostesses.

Mrs. Ashby Lewis, of Arlington, and Mrs. Benjamin Johnson and little son were guests.

Following the usual business and committee reports, it was voted to donate five dollars for welfare work, this amount to be used for the purchase of clothing for the needy of this County.

The name of Lillian Trasher was proposed by Mrs. Knox to be used at our July meeting. Each member will answer roll call by giving an interesting fact about this famous woman, now a missionary in Egypt.

In the absence of the program committee, and at Mrs. Round's suggestion each one present read her birthday verse from a little book entitled "Good Cheer Birthday Book." This impromptu program proved especially timely when it became known that it was the birth date of one of the members, Mrs. C. R. C. Johnson.

Delicious home-made ice cream and cake were served and Mrs. Johnson was surprised by the appearance of a candle-light birthday cake, decorated in the club colors of yellow and red. COMPTON-THOMASSON

The home of Mr. and Mrs. W. T. Thomasson at Manassas was the scene of a lovely wedding Thursday afternoon at 4:00 o'clock when their daughter, Claudia Virginia, became the bride of Mr. Charles Lacey Compton, son of Mr. and Mrs. C. B. Compton, of Manassas.

Preceding the ceremony Mrs. Dennis Baker of Manassas, played a number of pre-nuptial selections on the Hammond Organ. Among them were "At Dawning," "The Rosary," "The Sweetest Story Ever Told," "Because," and "Ah! Sweet Mystery of Life." "I Love You Truly" was played softly during the ceremony.

"Loghengrin" wedding march was used as the processional. The bride in a charming gown of white lace over satin, made redingote style, came down the steps on the arm of her father who gave her in marriage. She carried an arm bouquet of bride's roses and baby's breath. Her veil of illusion was caught with a bandeau of orange blossoms. Coming down the aisle made of tiny cedars entwined with white and green ribbon, they approached a lovely white arch covered with ivy against a background of cedar. On either side of the arch were large baskets of white larkspur.

Rev. Chester I. Harley of Chicago, cousin of the bride, was the officiating minister, using the ring ceremony.

Miss Mary Jane Gum of Vanderpool, was maid of honor. She wore green net over satin and carried an arm bouquet of snapdragons and baby's breath. The groom chose as his best man, his brother, Mr. Francis Compton of Eastern Airlines, Newark, N. J.

Immediately after the ceremony the bride and groom, under the bridal arch, received the congratulations of their friends. Following this a reception was given for the couple and guests.

The bridal party's table was lovely, being set with the wedding cake of modernistic design, and green and white taper candles in cut glass holders.

OCCOQUAN AND VICINITY

Mr. and Mrs. Lacey Harvey, of Occoquan, announce the arrival of a daughter in the family. Congratulations.

Mr. and Mrs. Frank Phelps and sons, Frank and Edwards, have gone to Bowling Green, Ky., where Mrs. Phelps and children will spend the summer. Mr. Phelps will return to his employment at the D. C. Reformatory.

Mr. and Mrs. Robert McCollum, of Lorton, announce the marriage of their daughter, Courtney, to Mr. Roy Marshall, of Lorton. The ceremony took place on June 14th in Washington, D. C., with Rev. F. L. Morrison, a former pastor of Occoquan Methodist Church, officiating. We wish the young couple lots of happiness.

Mr. and Mrs. Clyde Rucker, of Sparrows Point, Md., were Sunday guests of Mr. and Mrs. A. J. Petellet. Mr. and Mrs. Austin Barbee and in Occoquan.

children and Miss Maggie Davis motored to Baltimore, Md., on Sunday where they were the guests of Mrs. Barbee's sister.

Miss Virginia Malcolm, of Lorton, and Mrs. Cornelia Phillips, of Fairfax Station, spent the week-end of June 10, in New York City visiting the World Fair.

Mr. Davis Barbee, of Occoquan, son of Mr. and Mrs. Austin Barbee, was host at a party on Saturday, June 17, in commemoration of his 4th birthday. The young folk of the neighborhood had a grand time at the party.

Mr. and Mrs. Elmer E. Payne, of Colonial Beach, Va., attending the American Legion Convention held there. They report having a very pleasant time.

Mrs. Herman F. Jennings and son, Wesley, have opened their home in Occoquan and will spend the summer here with husband and father, Mr. Herman F. Jennings, our genial pharmacist. We heartily welcome those good folks to our town.

The Misses Ethel and Addie Trice, of Occoquan, are spending a couple of weeks visiting with relatives in Washington, D. C. We wish them an enjoyable vacation.

Mr. H. Caldwell Slack, of Occoquan, is spending several days' vacation at Virginia Beach, Va.

A Committee consisting of Mr. Robert S. Hall, Capt. Thos. F. Joyce, Mr. John Seelman, Mr. Wm. R. Seelman, Mr. John A. Musselman, Mr. Myron Lynn, Mr. Clyde Bryant and Mr. Leroy Petellet went to Mt. Jackson, Va., on June 14th to inspect a new Fire Truck and Equipment there, with a view to the purchase of equip-

ment for the Occoquan neighborhood. They also stopped at Culpeper, Va., on their return and inspected a similar equipment in use TWO years. They were all very much impressed with this equipment.

A number of the Ladies of Pohick, Occoquan and Lorton, and neighboring communities gave Mrs. C. A. Langston, of Pohick Rectory, a surprise party on Friday, June 16th, it being her 75th birthday anniversary. All had a very enjoyable evening. It was a real surprise party, feeling convinced that Mrs. Langston did not know of it until the ladies called at her house. We hope all of the Good Ladies will have many more happy meetings.

At the town elections held in Occoquan on Tuesday, June 13, the following were elected: Capt. Thos. F. Joyce, re-elected Mayor; Messrs. H. Caldwell Slack and John A. Musselman, re-elected Councilmen; and Messrs. Robert S. Hall, B. W. Brunt and William R. Seelman elected Councilmen. It was the most contested and spirited election ever held in Occoquan. The voters turned out as they should, in force, indicating they all have the interest of the town at heart.

We are reliably informed that the O-W-L-Fire Department with headquarters in Occoquan have ordered a NEW FIRE ENGINE and TRUCK, to be delivered in Occoquan in about 45 days. This machine will be able to reach a fire in any part of the County in quick time, so it is hoped all will take an interest in it, (and will be sending their contributions to pay for it to the Presiding, Mr. Robert S. Hall in Occoquan). Some substantial contributions have already been promised.

Mrs. Claude M. Green, of Occoquan, who was operated on for appendicitis, is home now and getting along fine.

Messrs. Myron and Donnie Lynn, of Occoquan, had their tonsils removed last week and were home and feeling fine; when again on Monday, June 19, Mr. Donnie Lynn had to be taken to a hospital and operated on for appendicitis. We are informed he is getting along nicely, for which we all feel thankful.

We are sorry to report that child of Mr. and Mrs. W. R. Wood of Woodbridge, passed away and was buried in Historic Old Pohick Church Cemetery. Our sympathy goes to this family, and we pray God to help them keep their courage in this their house of trouble.

We are also sorry to report a sad accident on Friday, June 16th, when Col. Wm. L. Peake, superintendent of the D. C. Reformatory was killed in an automobile accident.

Colonel Peake was respected and loved by all who knew him. Respected

because he was fair and impartial in the handling of both prisoners and employees of the Institution, and loved because he was every inch a gentleman, a good citizen and a good Christian man. He leaves wife and six children, to which our deepest sympathy goes on the untimely death of their husband and father. May God give them strength to withstand their great loss.

We also report with sorrow the death of Dr. Charles J. W. Summers who passed away on Sunday, June 18, in a ripe old age. Dr. Summers had not practiced medicine for a number of years. He had made his home with Mr. and Mrs. Benjamin F. Nevitt of Fairfax for the past several years. He leaves a son, Frank Summers of Ashland, Va., and several other relatives. Our sympathy goes to all those left to mourn Dr. Summers.

DAILEY—FRANKLIN

The bride was dressed in pink with white accessories.

The couple left immediately to spend the week-end at the beach. They have returned to their new home near Fairfax, Va.

**"THE
BEST
PERFORMER
EVER BUILT!"**

*Owners say it—
Sales prove it*

Count acceleration and hill-climbing...count
riding comfort and reliability...count
economy of gas, oil, tires and upkeep...
Owners say it—sales prove it—"Chevrolet
is the best performer ever built!"

They say Chevrolet is "the best performer ever
built" because it out-accelerates, out-climbs,
out-performs all other economy cars—bar none!
Because it represents the highest standard of
smooth, safe, steady riding and day-in-and-
day-out dependability. Because it gives all
these results at lower cost.

But riding beats reading! So drive this
fast, powerful Chevrolet and prove to your-
self what Chevrolet sales prove to the
world, that owners are right when they
say it's "the best performer ever built."

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in later years.

Therefore let not man glory in men; for all things are yours; And ye are Christ's; and Christ is God's.—1 Cor. 3:21, 23.

THE SITUATION IN CHINA

It is always difficult to accurately appraise oriental matters, but from this great distance it would appear that Japan now believes that at last the long expected, and from her viewpoint, much desired, world conflict is about to eventuate.

It is believed by many well informed people that Germany is about to occupy Danzig, but whether this will precipitate the expected general conflict is beyond prediction. Japan obviously timed her conquest of China to accompany a European war which she confidently expected, and the long fortuitous delay of this fearful disaster has greatly jeopardized the Nipponese program.

With her gold reserve almost exhausted, Japan realizes that she cannot indefinitely sustain her huge war machine and so she is apparently getting "tough" with England and the United States in the obvious hope that the general progress toward war can be thereby accelerated.

However, even if this situation be the fact, neither Great Britain, France, the United States, nor any other interested nation can be expected to sit quiescent and see their citizens actually starved by the imposition of an unlawful blockade of food from areas of China where their citizens have a right to be. Come what may, this blockade should be broken as soon as it becomes a question of saving the lives of citizens entitled to the protection of their respective governments under the regular usages of international law.

Mr. Guy Allen, who recently suffered a painful fall from a ladder at his home, is somewhat improved.

Last Sunday It Rained

Next Sunday, June 25

We Hope It Will Shine

National Memorial Park

On Lee Highway in Virginia

will repeat the delightful program of last Sunday, with organ and mixed quartet.

The rain had been so heavy all day until the hour for the concert that only a few of our friends ventured into the open.

We are, therefore, presenting the same program next Sunday afternoon, June 25, so you may stand a second chance of enjoying the music.

The hour is 3 to 5 o'clock.

The rain made National Memorial Park beautifully green and fresh. Whatever the weather, come out next Sunday!

MEN FOR THE MEN - O - WAR

Five thousand and five hundred more men for our Navy are authorized in the naval appropriation bill recently enacted by Congress. The reason for this increase is obvious—the more ships, the more men required. But, the uninformed person is inclined to ask, why do men-of-war carry crews so much larger than are required for merchant ships of comparable size? The answer to this question and many others pertaining to Uncle Sam's Navy will be found in an illustrated feature story by Capt. F. L. Oliver, U. S. N., appearing in the Washington Sunday Star next Sunday, June 25, adv.

We want to express our appreciation for the interest manifested in our Sunday Evening Forum. To all the friends that assisted in securing speakers and to those who so splendidly served in introducing the speakers we do most sincerely extend our thanks. The Forum has suspended its meetings during the summer months.

We wonder why politicians are so short sighted as to get in their own way. There is a rising tide against this abominable condition that has succeeded prohibition—that has broken down all old reserves and put rosy cheeked lassies behind the bars and is rapidly debauching the people. Taxes—the liquor business has never paid enough taxes the extra costs it exacts places on the people. Every line of business feels the drain that beer and wine and liquor makes upon the sales of legitimate produce. But it is as it ever was—those whom we elect to conserve the best and highest interests of the people blindly set themselves against these interests for what they call policy for the party. The citizens of Prince William County could do a worse thing than to investigate some of the recent happenings among us. An informed electorate is the best insurance for good government.

CHRISTIAN SCIENCE

"Christian Science" will be the subject of the Lesson-Sermon in all churches and societies of Christ, Scientist, on Sunday, June 25.

The Golden Text will be "Sing, O heavens; and be joyful, O earth; and break forth into singing, O mountains: for the Lord hath comforted his people, and will have mercy upon his afflicted (Isaiah 49:13).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And I will pray the Father, and he shall give you another Comforter, that he may abide with you forever" (John 14:16).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," Mary Baker Eddy: "The Principle of divine metaphysics is God; the practice of divine metaphysics is the utilization of the power of Truth over error; its rules demonstrate its Science" (p. 111).

WALTONIANS PRODUCE GAME THESIS

Recently there has appeared in public a wild-life publication which is worth the reading of anyone interested in restoration and management of game and fish in the Old Dominion.

This is a treatise prepared and published by members of the Isaac Walton League, of Falls Church, Virginia, with Prof. L. C. McNemar as chairman. It is a booklet containing over a hundred pages, together

with illustrations and charts by H. L. Woodward, Jr.

The whole problem is gone at in a manner amazingly thorough in its scope and very clear in its interpretation. Such a publication in the hands of previous investigating legislative bodies would have been a great help in an advisory capacity.

The Bustard committee has been directly addressed by the Isaac Walton League in this treatise. The manner in which it is proposed to deal with the various problems, those problems themselves and how they affect different areas in the State are all brought out in a helpful manner.

The local sportsmen are to be congratulated on this real attempt to get the lawmakers, the citizens and the sportsmen together in a concerted effort to restore game life and to regulate it in some sort of practical manner.

ROBERT CHARLES LINTON

Robert Charles Linton, age 72, died Friday morning at the home of his son, Charles B. Linton, of this town after a prolonged illness. He was born in Lancaster County, Pennsylvania in 1867 and lived there until 1899 when he moved to Baltimore. He came to this County in 1914 and resided in Coles District where he served as Justice of Peace until four years ago.

In 1894 he was married to Harriett R. Retzer who survives him together with their three children, Mrs. W. A. Wine, of Manassas, Va., Miss Ruth E. Linton, of Washington, D. C., and Charles B. Mr. Linton was for many years active in civic and charitable work in the County. He was for years a member of the Methodist Church, The Independent Order of Odd Fellows, the Order of Fraternal Americans and the Patriotic Order Sons of America.

Burial services were held from the Grace Methodist Church, with Rev. H. P. Baker, assisted by Rev. A. H. Shumate, officiating. Services at the grave at Woodbine Church were in charge of the Independent Order of Odd Fellows.

The Honorary Pallbearers were: Hon. W. Hill Brown, Jr., Messrs. R. M. Weir, A. A. Hoff, James Luck, J. M. Bell, J. W. Smith, B. C. Cornwell, H. T. Davies, C. E. Fisher, E. L. Herring, Rev. W. T. Wine and Dr. George B. Cocke. The active pallbearers were his nephews, Glenn Hanna, Chester Harvey, Elmer Harvey, Harold Hanna, Merle Goode, and Charles Hagney, all of Lancaster County, Penna.
