NY A SCHOOL LIFE PROGRAM SUBJECT

Various Phases of Student Activities Discussed at Kiwanis Meeting.

Mr. J. P. Royer, a member of the faculty of the Manassas State Vocational School, was chairman of the program at the weekly meeting of the Kiwanis Club last Friday.

It was a many-sided production and gave in a very brief space of time a splendid exposition of the Youth Administration set-up which has now been operating in Manassas just a little over one year.

Starting with a musical feature by a string duo, which included a vocal number, the discussion widened into a picture of the moral and religious atmosphere which is maintained. Professor Hemming, who possesses a great civic mind gave a fine word picture of this field of effort.

A word of athletics was given by the stalwart, young coach who looks good enough for the All-Stars himself.

President Frank was called on by Mr. Royer to tell something of the instruction in civics and citizenship. He explained that his period of work

in the school had been rather brief but told something of the manner in which he had proceeded.

The president of the student body was called on last by the chairman. He made a nice, little talk, giving the angle that is held by the young men who come here to benefit by the unusual advantages offered by the government.

In closing his program, Mr. Royer stated that the school held a general assembly every Tuesday night at which some special program was usually put on. He invited the Kiwanis Club to take charge of this some Tuesday evening, and the matter was favorably regarded, being referred to the Board for early action.

The only business transacted was the election of delegates to the Capital District Convention next month. Messrs. Sigman, Hutchison and Conner will be the official delegates. Special attention is attached to this meeting as the club is backing Mr. Haydon for the 1942 lieutenant governor of this section of the District.

Mr. Alpaugh addressed the club in the interest of constructing a subway where Route 234 crosses the Southern R. R. in Manassas. This was referred to the public Affairs Committee.

W. T. REED, JR., NAMED PHONE DIRECTOR

William T. Reed, Jr., of Richmond, today was elected a member of the Board of Directors of the Chesapeake and Potomac Telephone Company of Virginia, according to an announcement by L. B. Wilson, President.

A lifelong resident of Richmond, Mr. Reed attended Hampden-Sydney College and the University of Virginia. Returning to Richmond, he went into the tobacco business and is now first vice-president of Larus and Brother. He is also a member of the board of directors of the First and Merchants National Bank at Richmond, the life Insurance Company of Virginia, and of Dominion Securities, Incorporated.

Active in civic affairs in Richmond for many years, he is president of the Richmond Chamber of Commerce, a director of the Sheltering Arms Hospital and a member of the executive committee of the Richmond Regional Defense Council.

Other directors of the telephone company are: Julien H. Hill, and John S. Eggleston, Richmond; J. Gordon Bohannon, Petersburg; C. O'Connor, Goolrick, Fredericksburg; Homer L. Ferguson, Newport News; Goldsborough Serpell, Norfolk; James S. Easley, Halifax; James R. Gilliam, Lynchburg; Junius P. Fishburn, Roanoke; R. Gray Williams, Winchester; Lloyd B. Wilson, John A. Remon, Walter B. Clarkson and Lloyd M. Griffin, Washington.

QUANTICO BOY ASSIGNED TO AVIATION SCHOOL

Andrew Witmer Deason, of the U.S. Navy and who is now visiting his home at Quantico, has completed his routine training at the U.S. Naval Training Station, Norfolk, Va., and assigned to the Naval Aviation Machinist School for further training. He will return to Norfolk at the expiration of his furlough for assignment to his school.

TEACHERS RECEPTION

All members and friends of the Parent-Teacher Association of Manassas Schools are cordially invited to attend the joint meeting of the Association and the reception to teachers to be held in the high school auditorium on Thursday evening, September 18th, at 7:30 p.m.

GARDEN CLUB WINS HONORS

Silver Bowl Awarded to Manassas Exhibit.

It has been announced that the first prize for the inter-club class at the Flower Show at Purcellville was awarded to the Manassas exhibit. It consists of a beautiful silver bowl which may be permanently retained by any club winning it for three years.

The previous winners are The Warren County Garden Club, 1938; The Old Fredericktown Garden Club of Winchester, 1939, and The Fauquier and Loudoun Garden Club, 1940. So far no club has retained the coveted prize.

The Manassas exhibit took for its theme, "V for Victory". The committee was composed of Mrs. V. V. Gillum, chairman, assisted by Mrs. J. P. Royer, Mrs. O. D. Waters, and Mrs. E. H. Marsteller. The exhibit was in twin containers, one for flowers and one for fruit with appropriate stenciling of the theme.

Winning of this inter-club honor distinguishes the Manassas Garden Club as one of the outstanding exhibitors of flowers in Northern Virginia and the club is receiving many congratulations upon their accomplishment.

MRS. BUSHONG WINS NATIONAL PRIZE

Recently Mrs. J. L. Bushong of this place, won a very nice prize in a Display Contest, which was offered by a prominent Soap Manufacturer. The prize was one of fifty contestants. The display featured the Soap Company's product, and was chosen for its originality. With this Display Contest an article was written by Mrs. Bushong how the display was made, how the article was advertised, and how the article was merchandised. The completeness of her plan of display, and the material submitted, secured the result of a substantial cash prize.

Mrs. Bushong has been associated with her husband in the grocery and meat business here for a number of years. She has just recently completed a study course of vocational education for Retail Grocers.

MRS. GIBSON WILL ENTERTAIN H. D. CLUB

The Manassas Home Demonstration Club will meet at the home of Mrs. A. S. Gibson, on Thursday, September 18th, at 2 p.m.

The feature of the program will be a "dress review". All members are requested to wear garments made or remodeled during the past year.

Plans for the club year, 1941-'42, will be discussed, also arrangements made for the clubs participation in achievement day in October. Therefore a full attendance is requested. Visitors and anyone interested in the type of work are cordially invited to attend.

SERIOUS ACCIDENT

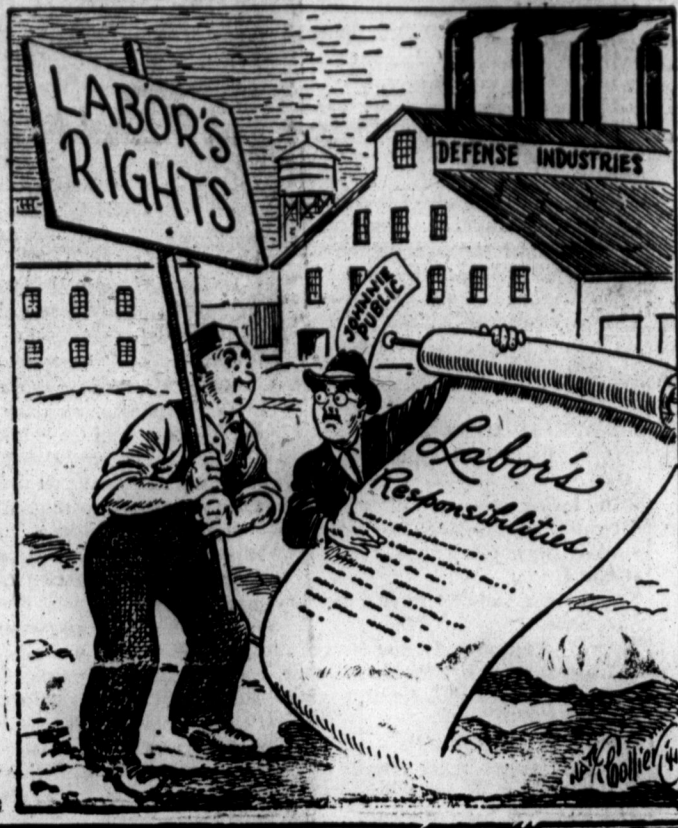

Mr. Malcolm Phillips, an employee in the Prince William Electric Co-operative main power plant, nearly lost the sight of his right eye while working yesterday.

The incident happened while Mr. Phillips was engaged in chiseling a piece of heavy steel. A dislodged chip flew into his eye with such force medical attention was required.

FRATERNAL NOTICE

The State Councilor of the Daughters of America, Mrs. Daisy Cardozo, will make her official visitation to Prince William Council No. 45, on Monday evening, September 22nd. She will also be present at the ABC meeting at Cherrydale on the 24th, and at the District meeting on Friday evening, September 26th.

NOT TO BE NEGLECTED!

WILL COOPERATE IN MARKERS COST

School Board to Assist in Commemorating Third Court House.

The September meeting of the county school board was held yesterday with all members present but one. The audit of the School Text Book Account by Mr. W. E. Coleman was presented, accepted and ordered filed.

The Board approved the transportation of fourth grade from Aden to Nokesville and the fifth grade from Brentsville to Nokesville, this plan having been put into operation at the beginning of school.

The members of the Board reported that schools had opened in good order in their respective districts, and that they were operating normally and in good order.

The Board decided to co-operate with the Federation of P. T. A. in the placing of a historical marker on the site of the third Prince William County Court House at Dumfries.

Several other matters of routine business were transacted.

YOUNG BUSINESS MEN TAKE OVER

Two young and very progressive men of the county have made forward steps this week, as noted in other columns of this issue of the Journal.

Both of these young men are also natives of the county which is some thing more to be proud of.

Stuart McMichael, of Nokesville, has taken over the well established old general merchandising business operated until very recently by P. L. Trenis and associates. He has proven ability and is certain to succeed.

Layton Laws is conducting the service station in Manassas which has a wide circle of patrons, and with his pleasing personality, that circle of clients is bound to widen.

The Journal wishes both of them well and hopes to see them continue in the upward progress of old Prince William for many years to come.

GARDEN CLUB TO HEAR ABOUT "FOREIGN GARDENS"

The date of the meeting of the Manassas Garden Club has been moved up a week to take place Tuesday, September 16th at 2:30 P.M. at the home of Mrs. E. H. Marsteller.

This change has been made to take advantage of the rare opportunity of having Mrs. Frederick H. Robinson of Fall Hill, Fredericksburg, Virginia as the guest speaker. Mrs. Robinson has spent a good deal of time abroad and can therefore speak with authority on "Foreign Gardens" which will be her topic. Garden Club members are urged to attend what promises to be a delightful program.

HOUSEKEEPING CLUB TO MEET STONE HOUSE

The Bethlehem Goodhousekeeping Club will meet at The Stone House Inn, on Wednesday next at 2:30 o'clock, with Mrs. Lewis and Mrs. Burks, hostesses.

WOMAN'S PART IN NATIONAL CRISIS

Alexandria Club Woman Guest Speaker Here.

Monday afternoon at their meeting in the Parish Hall, the Woman's Club discussed the formation of a first-aid class for not only club members but their friends as well. The class will probably get under way the latter part of the month.

Mrs. Lewis Carper presented Miss Jessie Mae Conner, a Senior at Bridgewater College, who favored the club with two vocal numbers. In her most pleasing manner Miss Conner sang "Don't Cry, Little Girl, Don't Cry," by Sobeski, and "The Lass with the Delicate Air," by Arne, for which she received tremendous applause. The accompaniments were played by Mrs. Carper.

Mrs. W. L. Lloyd, program chairman, presented the speaker of the afternoon, Mrs. Walter DuBois Brookings of Alexandria, President of 4th District Virginia Federation of Woman's Clubs, who gave a most inspiring address.

Mrs. Brookings pointed out the highlights of the past fifty years and the part women played, in the life of the nation. She expressed her hope that though the future seems confused and troubled a bit, women will go forward without fear, making progress even through troubles. She said that women are a powerful weapon of war—they have in their care, the morale of the families. They can have a part in defense not only in knitting for the Red Cross and helping with surgical dressings, but to buy intelligently as consumers. She closed with the hope that more than ever we might put into action the words of the State Federation Song:

"Let us see a wrong to right it,
Let us evil know to fight it,
Where the path is dark,
God light it with brightest ray."

MACS HOST TO CLIFTON A. C. IN GRUDGE CONFLICT.

Sunday Sept. 14. The Manassas macs will play the strong Clifton A. C. in what terminates to be one of the best games this year. The Macs will try to get back in the win column after losing last Sunday to Fort Myer in ten innings by the score of 8-6. Come on out and root for the Macs. Time of game 3: P.M.

The Macs will probably start their ace right harder "Billy" Berryman against the lads of Clifton. Maurice Smith, new manager of the Macs assures the fans of a hustling ball club. At the present time "Rocky" Vetter is leading the Macs at bat with a neat average of .365 followed by "If" Crabill with a .345 average.

PRINCE WILLIAM ENDS DAYLIGHT TIME

At the Prince William County Courthouse Eastern Standard Time has been resumed, it being found impractical to carry out the governor's suggestion on an area where Daylight Time, was not being followed.

DEFENSE RADIO PROGRAM

Governor Herbert Lehmann, of New York, Governor Dixon, of Alabama, and Governor Olsen, of California, will present a radio program entitled "The States and the Defense Program" on Saturday evening, September 13th at 9:45 EST.

TO DEMONSTRATE YOUTH PROGRAM

Prince William One of Three Counties Selected in Virginia.

The State Department of Education in co-operation with the American Youth Commission of the American Council on Education has selected three counties in Virginia; Powhatan, Shenandoah, and Prince William to demonstrate the possibilities of activities for the Out-of-School-Youth between the ages of 16 and 30.

As an introduction to the work for this year, 1941-'42 three young people from the State of Georgia; Mr. O'Donald Mays, Miss Nellie Dennies, and Miss Nell Parrish will work with the Prince William County group on the following date, September 16-20.

As a forerunner to the meeting on September 15, at Manassas High

School a group of young people, leaders of various communities and sponsors from the school system met at Manassas High School on September 9, to discuss plans for getting the most out of the visit of the young people from Georgia.

The following Steering Committee was elected. Miss Alice Webb, Mr. Ned Beverly, Miss Dorothy Bevard, Mrs. Viola Latham, Miss Mary Norman, Mr. Edward Sierks, Miss Doris Bubb, Mr. Forest Persons, Miss Lois Sloop, Miss Frances Owens, Mr. Rufus Beamer, Miss Erlst Hill, Mr. W. L. Elliott, Miss Irene Haupt, Mr. Herbert Saunders, Mr. Guy Bowers, Miss Mary Mason Davis.

The Steering Committee officers were as follows: Chairman Mr. Ned Beverly; Co-Chairman Miss Doris Bubb; Secretary Miss Alice Webb, Treasurer Miss Frances Owens.

The various leaders in the County are very enthusiastic about having the young people from Georgia visit Prince William County. We feel we shall be benefitted greatly by their visit.

GAME RESTOCKING HITS NEW HIGH

Game restocking hit a new high in the Old Dominion during the past year. More quail, more wild turkeys, and more deer have been released in the State since last fall than during any previous year, according to a report released today by the Commission of Game and Inland Fisheries.

More than a thousand wild turkeys and over ten thousand bobwhite quail were set free in Virginia during the past year. Many of the quail were released on small refuges where they could be given special protection. The annual increase from the birds on the refuges naturally moves out and restocks surrounding areas which are open to hunting. Between eight and nine hundred of these small refuges are scattered throughout the State.

The wild turkeys raised last year by the Game Commission were used to restock some of the 2,200 square miles of Virginia forests which could support turkeys if brood stock were present. Wild turkeys produced in captivity are too expensive to release on areas where turkeys are already present, and where there is now an open turkey hunting season.

The 356 deer brought into Virginia from northern States last winter were also used to restock suitable forest areas where native deer were exterminated years ago by over-hunting. The deer restocking program has been under way for several years, and has been quite successful. The State Game Commission reports that several fine deer herds are being built up.

CHILD BURNED TO DEATH

The many who will recall the Rev. Mr. Earl E. Marquiss and his work in this area will deeply sympathize with him in his loss of his four year old daughter, Mae.

The child was playing with matches and was fatally burned on Tuesday. She lingered for some hours after being rushed to a hospital.

RUMMAGE SALE.

There will be a rummage sale in the Parish Hall on Saturday, October 4, 1941, beginning at 9 a.m.

OPENING DATE ENROLLMENT UP

Mrs. Mae T. Sanford to Head Teachers' Association for Session.

Schools opened on September 4 with the usual enthusiasm. Enrollment for the present is above normal for this time of the year. Full enrollment figures are not available because several children will enter later. A more complete enrollment will be given at a later date.

At the County Teacher's Association meeting on September 3, the following officers were elected: Mrs. Mae T. Sanford, chairman, Occoquan; Miss Lulu D. Metz, vice-chairman, Manassas; and Miss Zelda Mae Thomas, secretary-treasurer, Manassas.

One very outstanding thing accomplished at this meeting one hundred percent enrollment for membership in National Education Association as well as in Virginia Education Association.

The County Association voted to continue the improvement of the County Professional Library.

CYRIL WADE-DALTON

Cyril Wade-Dalton, 56, of Manassas, Va., died Sunday, August 31, at the home of his son, Edward Wade-Dalton, in Oklahoma City, Okla. Funeral services were conducted at the Trinity Episcopal Church last Friday by the Rev. A. Stuart Gibson, and burial was in the Manassas Cemetery, where rites were conducted by Manassas Lodge No. 182, of which he was a member, assisted by Cochran Lodge No. 271, of The Plains.

Active pall bearers were his six brothers - in - law, Messrs. Harry, Frank, Richard, Marshall and Victor Haydon and Wheatley Johnson. Honorary pall bearers were Messrs. John L. McGrew, A. A. Hoff, D. J. Arrington, J. B. Johnson, Lacey Compton, O. H. George, G. B. Cocke, and James Payne.

Besides his widow, Nina Haydon Wade-Dalton, Mr. Wade-Dalton is survived by his son, Edward, his daughter, Miss Nina Helen Wade-Dalton, of Panama, a granddaughter, Nina Alice Wade-Dalton, and two sisters, Mrs. John L. McGrew, of Washington, D. C., and Mrs. F. E. Haydon, of Arlington, Va.

Mr. Wade-Dalton was born at "Springfield" Fauquier County, Va., July 4, 1885, the son of Edward and Evelyn Asheton Wade-Dalton and lived in Fauquier County for many years.

In 1922 he moved to Manassas where he made his home until his death. He was employed at the Government Printing Office in Washington, D. C., and operated a small business locally.

He was very interested in Masonic work, being a member of the Fauquier Royal Arch Chapter No. 25, Manassas Lodge No. 182 and the Eastern Star.

Manassas will miss Mr. Dalton's bright, friendly smile with which he met one and all as he came and went about his daily tasks. He was not only a good citizen and a perfect gentleman but also one who possessed the human element that brings the home and community to a high point of mutual esteem, and which radiates an ascendant effect upon all, both young and old. He was truly Anglo-Saxon in all his ways and showed it especially in his fine integrity.

To his widow, who so recently lost her highly respected father, goes the sympathy of everyone far and near.

BAPTIST MISSIONARY MEETING

CHRISTIAN SCIENCE

"Substance" will be the subject of
the Lesson-Sermon in all churches
and societies of Christ, Scientist, on
Sunday, September 14.

The Golden Text will be "The things
which are seen are temporal; but the
things which are not seen are eternal"
(II Cor. 4:18).

Among the citations which comprise
the Lesson-Sermon is the following
from the Bible: "Lay not up for
yourselves treasures upon earth,
where moth and rust doth corrupt,
and where thieves break through and
steal: But lay up for yourselves
treasures in heaven, where neither
moth nor rust doth corrupt, and
where thieves do not break through
nor steal." (Matt. 6:19, 20).

The Lesson-Sermon also includes
the following passage from the
Christian Science textbook, "Science
and Health with Key to the Scrip-
tures" by Mary Baker Eddy: "Take
away wealth, fame, and social or-
ganizations, which weigh not one jot
in the balance of God, and we get
clearer views of Principle. Break up
cliques, level wealth with honesty,
let worth be judged according to wis-
dom, and we'd get better views of
humanity" (p. 239).

Help the Red Cross

FANNIE LUCY WOLVERTON

Death removed a patient sufferer
on Saturday evening in the person of
Fannie Lucy Wolverton, wife of Ir-
ving R. Wolverton. She was 78 years
old, having been born October 8,
1862, at Paris, Virginia.

Her entire life time was spent in
this county and Fauquier except for
such time as she and Mr. Wolverton
were located elsewhere.

The funeral was held on Monday
afternoon from the Presbyterian
Church, with the Rev. Mr. John M.
DeChant officiating. Interment was
in the old Hazen cemetery.

During her many years of residence
here, Mrs. Wolverton endeared herself
to her neighbors and was generally
liked for her sweet and amiable na-
ture. It seemed to give her additional
strength for the long period of con-
finement which she suffered and other
reverses of an otherwise useful life.

Her husband is rather feeble and
much sympathy is extended to him in
his loss.

IN MEMORIAM

Lockett, Ruby Mae.

In loving memory of our twin
daughter, Ruby Mae Lockett, who
passed away four years ago, Septem-
ber 4, 1941.

"There is a sad but sweet remem-
brance,

There is a memory, fond and true.
There is a token of affection, Mother,
And a heartache still for you.

"I never thought when you left home,
That you never would return;
That you soon in death would sleep,
And leave me here to mourn."

INSTRUCTIONS TO MEMBERS OF ARTIFICIAL BREEDING CO-OP

With the actual breeding program
of the Northern Virginia Breeding
Co-operative about ready to start, it
was the consensus of opinion of the
members in attendance at a meeting
at the Court House at Manassas, Fri-
day evening that all members be
informed by Dr. Robert Barton, vet-
erinarian for the Co-operative, of the
procedure to be followed in the rela-
tions of the individual member to the
organization. Following this action
by the group, a letter has been for-
warded by Dr. Barton to the member-
ship with the following instructions:

1. Your farm number is -----
Use this number rather than your
name when calling for artificial in-
semination service.
2. Give name of breed of cow to
be bred.
3. Give the time animal was first
noted in heat.
4. To facilitate proper service, it
is necessary to confine animal on the
date insemination is to be made and
to have someone available to assist
at the farm.
5. The telephone number at the
laboratory is Manassas: 190. Give
necessary information to whomever
answers.
6. Place calls to laboratory betwe-
en 7 to 9 a.m., E. S. T.; 1 to 2 p.m.,
E. S. T.; 5 to 6:30 p.m., E. S. T.

NOKESVILLE DEDICATES METHODIST CHURCH

At a very lovely service on Sun-
day morning last, Bishop W. W. Peele,
assisted by Pastor John W. Newman
and the congregation of the Nokesville
Methodist Church formally dedicated
the structure known for many years
as St. Anne's Episcopal Church, in
Dettingen Parish and later abandoned
as a place of worship.

The presentation was made by the
Board of Trustees (Messrs. P. L.
Trenis, T. B. Flickinger and J. B. Man-
uel), with the last named gentleman
reading the official lines.

Prior to the opening of the service,
Miss Owens played a delightful organ
prelude.

Other musical numbers were ren-
dered by Mrs. Campbell, a new mem-
ber of the congregation, who played
a charming violin rendition.

A picked choir of young voices
trained by one of the high school
teachers, Miss Lois Sloop, added much
to the beauty of the ceremony.

Bishop Peele's address was a master
piece of simple, every-day advice of
the deepest quality. Bishop Peele
also heartily congratulated the minis-
ter and congregation on the wonderful
work of renovating the church edifice.

Another feature was the baptism
of six young men and boys and their
immediate acceptance into church
membership, along with several others
who applied through letter.

An interesting occurrence was the
reading of the minutes of the Third
Quarterly Conference, 1910-11 of the
Prince William Charge, at which
time it was unanimously decided to
set-up a society at Nokesville. The
same clerk who signed the minutes,
said Mr. Newman, was Mr. J. B.

Manuel, who had just received the lines
of presentation of the new church.

A wonderful dinner was served on
the church green afterwards, the Rev.
Mr. Wilmer Luttrell, pronouncing the
blessing.

At least two hundred persons were
present, the actual 100th member of
the congregation being among those
admitted at the service.

RED CROSS CHAPTER CON- DUCTING PARTIAL ROLL CALL

While the official date for a Coun-
ty Roll Call membership drive, for
the Prince William County Chapter,
of the American Red Cross has been
set to coincide with the National Red
Cross Roll Call, from Armistice Day,
November, the 11th through Thanks-
giving Day, November 27th. A spe-
cial enrollment drive is now being con-
ducted in the Ocoquan, Demfries,
and Quantico area, of the county in
order that those persons residing in
this county and being employed in
other section, who prefer to do so,
may join in their home communities.

The county chapter is very anxious
to have all residents of this county,
join in their home county, as requests
for assistance, are taken care of
with the chapters share of each
membership.

Fifty cents of each membership,
no matter what the amount is sent
to the National Red Cross, to carry
out and finance their great work, of
help and assistance in disaster, in all
parts of the world. The remainder
is used by local chapter in financing
the local program of Civilian Relief,
Production, and First-Aid.

Mr. O. D. Waters, of Manassas, is
serving as County Roll Call chairman.
The work in the lower section of the
county is being directed by the fol-
lowing members of the Executive
Board of the Prince William County
Chapter.

In the Dumfries District by the
Rev. Mr. A. H. Shumate and Miss
Elizabeth Brawner. In Ocoquan by
Mrs. Eva K. Garner and Mrs. John
Powell, they have assisting them a

number of additional workers, please
cooperate with your local chapter,
join now and join locally and thus
help your chapter to meet your needs.

Anticipating Rationing!

This intensive study of a spark
plug is being made by Joan Leslie,
youthful star of the motion picture,
"Sergeant York," who has joined the
millions of motorists who are learning
how best to save gasoline now that
rationing is threatened. The five
"do's" which the petroleum industry
advocates are explained to Miss Les-
lie as she has her car tuned up and
prepares to do her bit to conserve
gasoline and aid national defense.

Check the ignition system and spark
plugs regularly, the service station
attendant explains. Have the car-
buretor checked by an expert for

efficient adjustment, lubricate the
transmission and differential, change
the oil regularly and lubricate the
chassis, he urges, pointing out that
care saves wear and increases mile-
age. Keep the cooling system clean
and filled to the proper level. Keep
the tires properly inflated and adjust
the brakes to eliminate drag.

On the negative side, he cautions
against speed, jackrabbit starts, driv-
ing unduly in first and second, idling
the engine, racing it when starting,
and urges her to plan drives, group
her errands and share her car with
others—all to save gasoline.

OCCOQUAN

The piano pupils of Miss Cynthia Lacey, of Occoquan, participated in a brief recital at Miss Lacey's home on Friday evening, September 5th at 7:30 o'clock. Pupils on the program were: Miss Jaetta Dawson, of Cranford, Va.; Miss Lorene Cook, of Woodbridge, Va.; and Jeanette and Louise Minnick, of Colchester, Va.

Mr. and Mrs. H. Caldwell Slack, of Alexandria, Va., entertained at dinner on Saturday, September 6th, their guests being Mr. and Mrs. Frank Hornbaker, of Occoquan, and Miss Cynthia Lacey and Mr. Homer Jones, of Occoquan, and Mr. and Mrs. Ore of Alexandria.

Mrs. Archie Milstead and several friends from New York City, visited Mrs. Percy Wigglesworth at Woodbridge, over the week end.

Mrs. Hubert L. Mooney and son and daughter, of Occoquan, have returned to their home after spending several weeks visiting relatives in North Carolina.

Messrs. Francis Malcom, George Reider, and Lois Dixon, of Lorton, and Douglas Riley, of Woodbridge, have returned from a vacation spent in New York City and at Virginia Beach.

Mrs. Manning Gasch, of near Falls Church, Va., and her daughter, Lynn, are the guests of Mrs. Gasch's mother, Mrs. W. S. Lynn, in Occoquan. Mrs. Lynn also had as her guests, Mr. and Mrs. Paddison and daughter, Patricia, of Richmond, Va.

Mrs. Hernan F. Jennings and sons have returned to their home in Occoquan after spending several weeks at Mrs. Jennings' home near Purcellville, Va. Dr. Jennings' mother and his young sister stayed with him during the absence of his family.

One of the leading citizens of Occoquan, Mr. Harry F. Slack celebrated his 80th birthday on September 4. He received the well wishes of the town and community, and hopes he will have many more happy birthdays. Among the many messages of best wishes he received was one from the Mayor and Town Council of Occoquan. Mr. Slack served as Mayor for a number of years.

Another grand old citizen who celebrated a birthday on August 17th was Mr. John W. Tanner, of Colchester, his 95th. Mr. Tanner received many nice messages of good wishes from his many friends. We wish Mr. Tanner many more happy birthdays.

NOTICE:

On the average, only slightly over one per cent of Chesapeake and Ohio's freight cars need general repairs. This low figure is a result of the railroad's policy of careful periodic inspection and overhaul of cars, whether they need it or not. Just another example of the efficiency and dependable operation on Chesapeake and Ohio!

A train of 100 coal cars can carry a load that would require 1,100 five-ton trucks.

If "Old Faithful" spouted gasoline it would have to work 817 days (2 1/4 years) to spout the 543,061 tons of gasoline and refined petroleum products shipped "via Chesapeake and Ohio" last year!

By speeding up freight and reducing by one-third the time of goods in transit, the American railroads save industry some \$25,000,000 a year—in interest on investment in goods and other savings, such as insurance, loss through irregularity of service, etc.

At Williamsburg, Va., famous historical beauty spot on Chesapeake and Ohio, restoration architects recently rebuilt the Red Lion Inn. As the work neared completion evidence came to light showing the restored Inn to be about 4 feet west of its original location. The structure is being altered at considerable added expense to make it absolutely authentic—that's accuracy for you!

The average speed of freight trains between terminals is now over 60% greater than in 1920.

WELCOME, HAYMARKET STUDENTS!

We wish to take this occasion to extend a cordial welcome to the students from Haymarket who have entered the Osbourn High School here as a result of a necessary consolidation.

The Osbourn High School is not a town high school. It is a county institution and as such belongs as much to the students from Haymarket as it does to those residing here. We feel sure that they are finding a cordial reception and that they will make the same kind of a record for themselves as they would have nearer home.

On account of the feeling engendered over the very intense effort made to preserve the Haymarket High School, things were said, and written, which are calculated to confuse young minds as to the real significance of what has happened.

We wish, therefore, to assure our young friends that they have not been ruthlessly robbed of local privileges, but rather confronted with a necessary change in the nature of a precious gift of educational advantages.

Years of personal friendship with Superintendent Haydon, and intimate knowledge of his straight forward and honorable methods, convince us that we have a Division Superintendent of Schools of whom we should be very proud. He has the unqualified endorsement of this newspaper and we want to assure our young friends of his devotion to their progress and efficient training, and we feel sure that in the months to come we will have the pleasure of printing records of outstanding achievements of the Haymarket student group.

PROTECT AMERICAN SHIPS!

Up to the present time our government has forbidden our merchant ships from sailing into defined war zones and has not permitted them to arm against attack. Our citizens,

CHECKS

moreover, are forbidden from sailing in vessels of warring nations.

A generation ago we went to war largely to maintain our right to freedom of the sea. We refused to paint our ships up like red, white and blue zebras as demanded by the Kaiser.

In this war we voluntarily sacrificed our unquestioned right to sail our vessels on the high seas, and we have painted huge American flags on our merchant ships, all in a determined effort to prevent incidents calculated to bring us into armed conflict.

Germany now appears to be adopting unrestricted sinkings as was done in the last desperate days of the First World War. Unless we are going to get off the sea altogether there is no further possibility of keeping ourselves out of danger zones.

It is therefore imperative that our merchant ships now be armed and given the full protection of our Navy. We would not attempt to say where they should be permitted to go, but we believe they should go wherever the President proclaims their right and that our nation is big enough to see that they arrive.

ADDITIONAL PHONE EXPENDITURES AUTHORIZED

Expenditures amounting to approximately \$1,544,000 for the construction of telephone plant and installation of equipment in the state of Virginia were authorized by the directors of the Chesapeake and Potomac Telephone Company of Virginia at their regular monthly meeting today, according to a statement by R. C. McCann, vice-president and general manager.

Included in this total is \$632,000 for additional local and long distance central office equipment at Norfolk to care for the increasing demands for telephone service resulting from national defense activities in this area.

\$405,200 will be spent for additional cable facilities to provide telephone service in the numerous housing and building developments in the Norfolk, Newport News, Roanoke, Alexandria, Falls Church and Fairfax areas.

The installation of new dial equipment at Madison and additional toll equipment at Roanoke will require the expenditure of \$111,500.

Mr. McCann stated that the \$1,544,000 approved at today's meeting brings the total authorized for expenditure for the first eight months of 1941 to \$8,112,000.

AIR RAID CENTER AT FREDERICKSBURG

Mayor Frank Wheeler, of Clifton Forge, stated this week, that as chairman of the Virginia Protective Mobilization Committee, he was meeting city officials in Fredericksburg to organize an air raid warning center in that city and that he had been instructed by Governor Price to have thirteen towns and cities in Virginia organized by September 15.

"GREAT BROADCAST" CALLED SMASH HIT

That thrill you got the first time you heard a melody come out of the earphones of your crystal set twenty years ago will be amplified a dozen times by the thrill you'll get reliving that experience with Alice Faye, John Payne, Jack Oakie, and Cesar Romero in their 20th Century-Fox film, "The Great American Broadcast", coming Thursday and Friday, September 18-19 to the Pitt's Theatre.

Just as "Tin Pan Alley" took you behind-the-scenes of the song writing business, so will "The Great American Broadcast" initiate you into the gay, tuneful story of the courageous,

talented people who first filled the airwaves with song and laughter.

It's an intensely moving story that's told—The tale of the enterprising foursome unfolded to the accompaniment of songs, laughter, and specialty numbers which combine to make "The Great American Broadcast" an outstanding musical film.

With Alice singing Mack Gordon's and Harry Warren's hit tunes, "Long Ago Last Night", "I Take To You", "Run Little Raindrop, Run", "I've Got A Bone To Pick With You", "The Great American Broadcast", "Where You Are" and "It's All In A Lifetime"; with the sensational dance routines of The famed Nicholas Brothers; the inimitable comedy turns of The Wiere Brothers; and the unforgettable renitions of Radio's own, The Four Inkspots, "The Great American Broadcast" hits new entertainment heights.

An excellent featured cast includes Mary Beth Hughes and the specialty teams mentioned above. Kenneth Macgowan was the associate producer, and Archie Mayo directed from an original screen play by Don Edlinger and Edwin Blum, Robert Ellis and Helen Logan. Hermes Pan staged the dances which highlight the entertaining film.

MARINES' REAL BATTLES RIVAL MOVIE THRILLERS

Film thrillers, which depict the U. S. Marines engaged in some fanciful adventures, have become a stock product of the Hollywood studios, but the real adventures of the leathernecks rival those of the screen.

At present, a revival of "Devil Dogs of the Air" shows some marvelous young scenes and is filled with hair-raising thrills. This is not surprising, as no group of young men have spread their wings over more different lands or have encountered more exciting adventures than the young leathernecks.

Sea soldiers had a real test of their young skill when they were over the mountainous districts of Haiti and Nicaragua, where a forced landing meant an unavoidable crack-up.

They have taken off or landed on the decks of warships, have bombed bandits from the air, and have flown over the Miss. to aid blood victims. Using their planes as ambulances, they have flown out to sea to transport the sick back to the medical attention they needed ashore.

Marine air scouts in Central America found a marooned garrison besieged by bandits, and their pilots sped back to their base to muster a squadron of planes which routed the foe and saved the garrison. These affairs are a part of their official record.

No matter how fanciful some service films have been, the most exciting adventures of the young marines have occurred far from the movie lots, Klieg lights and cameras of Hollywood.

The City of Chicago is well in hand these days for 190 Marines are here from Quantico, Virginia, to undergo instruction in aviation trades.

The Marines will attend the Chicago Vocational School along with several hundred navy students who are already enrolled there.

In order that the Marine Corps might start immediate training of personnel for its expanding aviation units, the Chicago Vocational School has given over to the service one whole wing of the building comprising 56 shops and classrooms.

By exercising priority rights the navy has obtained the necessary equipment to start a class in aviation metal-smith instruction. This course, as outlined by school heads, covers all phases of metal work in the maintenance and repair of an airplane.

Instruction is given in both theoretical and practical work. Subjects include shop mathematics, mechanical drawing and blue print reading, naval aviation fundamentals, elements of metalwork, and power tools.

Ten hours of instruction are given in forging, 210 hours in aircraft metal work and 130 hours in welding. The course is of sixteen weeks duration with an aggregate of 560 hours work.

Each student is to be furnished with a tool kit for the machinist course. The scope of instruction deals with all phases of maintenance and opera-

tion of aircraft and related equipment under all service conditions with the exception of actual piloting.

The course is also of 16 weeks duration and requires 560 hours study for completion. Of this total, 70 hours are spent on aircraft structure, 35 hours on propellers, 35 hours on instruments and 70 hours on engine theory and construction.

An officer of the United States Marine Corps stationed at Reykjavik, Iceland, has written another verse, and Icelandic verse to the Marines' Hymn.

His verse follows:
"Again in Nineten Forty One
We sailed a northward course
And found beneath the midnight sun,
The Viking and the Norse.
The Iceland fields were frozen hard—
The Iceland girls were fair,
And every Gyrene mounted guard,
Astride a polar bear".

The other verses of the Hymn are:
From the Halls of Montezuma,
To the shores of Tripoli,
We fight our country's battles
On the land as on the sea.
First to fight for right and freedom
And to keep our honor clean;
We are proud to claim the title of
UNITED STATES MARINE.

Our flag's unfurled to every breeze
From dawn to setting sun;
We have fought in every clime and place
Where we could take a gun;
In the snow of far off northern lands
And in sunny tropic scenes,
You will find us always on the job—
THE UNITED STATES MARINES.

Here's health to you and to our corps
Which we are proud to serve;
In many a strife we've fought for life
And never lost our nerve;
If the army and the navy
Ever look on heaven's scenes,
They will find the streets are guarded by
UNITED STATES MARINES.

HE KNOWS BEST
By Algia A. Martin

I do not know how it is done,
But, God has a special way.
To know when we are earnest,
Or our prayers we only say.

I know if we do need him,
He hears our every word.
And he will let us know,
Our fervent prayer is heard.

So when I'm hurt and distressed,
I leave my trials with him alone.
I know he will know what's best,
As we are his very own.

STUDENTS NOT DRAFT EXEMPT

College Entrants Urged to Consult Local Boards.

Selective service registrants who are contemplating returning to college this month were advised by State headquarters this week to consult their local boards to find out approximately how soon they may be called up for military training.

"If the probability is more remote than a month or two", Lieutenant-Colonel Joel Griffing, assistant State director, said, "they may begin their studies with the understanding that they can at least complete a quarter."

"In the same way it may seem probable, according to their order numbers, that they can complete a semester or a full school year."

Colonel Griffing said that while deferments from military training are being granted students who are "preparing" to enter occupations in which shortages exist or are indicated, there are no group or blanket deferments.

"Each case must be acted on individually by the local board having jurisdiction," he said, "and unless a student can qualify as a 'necessary man' under selective service regulations he is liable to be called for induction when his order number is reached."

"It is the policy of the selective service system to be as lenient as possible within the law in cases of young men who are earnestly pursuing educational opportunities. Where such men have entered in good faith upon an educational course, we will endeavor not to interrupt their studies during a quarter or a semester even if they are not seeking to qualify for an occupation that is exceptionally important for national defense."

"The general policy will be one of co-operation with the object of not causing a sudden interruption of studies or financial loss to the student through inability to continue through a quarter or semester for which tuition has been paid. This can be accomplished by the local board granting a stay of induction until the end of such period to a student who is called for military training."

Colonel Griffing said there are a number of specialized professors for which students "who give reasonable promise of becoming acceptable practitioners" are being deferred on the recommendation of the Office of Production Management.

A student who seeks deferment on such grounds, it was added, must give his local board a "statement of information" concerning his status and plans, and an affidavit by his college testifying as to his standing, courses and occupational objectives together with a general evaluation of the student as a "necessary man" for occupational deferment.

DAVIE TUCKER BUSY ORGANIZING FOOTBALL TALENT

Twenty-nine men answered Coach Davie Tucker's call for football on Sunday, September 7. With no week-day contest to worry the staff and players, Coach Tucker has already begun his plans for a two-week practice period.

The candidates will be divided into two squads under supervision of Coaches Davie Tucker and Ambrose Lewis. With the veterans acting as

assistants, the coaches will carry out to the fullest extent the purpose of the two week practice period through developing the fundamentals and skills of the game. At the end of the practice period, the squads will stage a regulation game.

According to Coach Tucker, this group is the largest and most enthusiastic ever to report. Candidates who reported for practice were as follows: Olive Fields, James Baucum, George Alexander, Jacob Braxton, Wilmer Fields, Ambrose Lewis, Davie Tucker, Coach; Richard Craig, Alfred Roy, Willard Brown, Paul Mitchell, David Green, Louis Green, John Foster, Alfonso English, Charles Roy, Sterling Jordan, Charles Spears, Julian Foster, Consie Mendozae, Carroll Braxton, Marcus Spears, Henry Payne, John Robinson, John Green, Harold Roy, Irving Gaskins, William Smith, Norval Robinson and Lawrence Lewis.

EMPLOYMENT OFFICE
FILLS MANY JOBS

Employers of Alexandria, Arlington, Fairfax and Prince William Counties were assisted in locating workers to fill 908 jobs in August, 1941 according to the report submitted by Carter W. Friend, Manager of the local office of the Virginia State Employment Service. This is an increase of 52 per cent over August, 1940 when 663 placements were made.

For the period of January 1 through August 31, 1941 the local office made 6910 complete placements, an increase of 44 per cent over the same period in 1940 when 4799 placements were recorded. According to the present trend in volume of activities the office will greatly exceed the 1940 total of 8152 placements when an all-time yearly record was made.

482 men and 426 women were placed in employment in August, 1941. Of these, 456 were placed in regular jobs. In addition, the office referred 68 persons to federal jobs and sent 15 others to jobs outside of its operating area. 72 visits to employers were made by members of the office staff.

With the increase in employment opportunities, more workers will be needed and all persons seeking employment are urged to register immediately at the office located at 301 King Street in Alexandria. This office serves the employers and workers of Arlington, Fairfax, and Prince William Counties and Alexandria City.

GEMS OF THOUGHT SERVICE
Benevolence

To feel much for others, and little for ourselves; to restrain our selfish, and exercise our benevolent affections, constitutes the perfection of human nature.—Adam Smith

Benevolent feeling ennobles the most trifling actions.—Thackeray.

The place of charity, like that of God, is everywhere.—Quarles.

Sweeter than the balm of Gilead, richer than the diamonds of Golconda, dear as the friendship of those we love, are justice, fraternity, and Christian charity.—Mary Baker Eddy.

Do not wait for extraordinary circumstances to do good actions: try to use ordinary situations.—Richter.

Charity is never lost: it may meet with ingratitude, or be of no service to those on whom it was bestowed, yet it ever does a work of beauty and grace upon the heart of the giver.—Middleton.

PENDER

Callers at the Alders for the week end were Mr. and Mrs. W. B. Cross, Mr. James Woodyard, Alice Alder, Mrs. R. P. Gooding, and Mr. Marshall Alder.

The neighborhood was grieved to hear of the death of Mrs. I. M. Neff, who passed away at the home of her daughter, Mrs. John Myers, in Arlington. Mrs. Neff lived near here for many years and was a good, kind neighbor, and friend to anyone. The family has the sympathy of the neighborhood.

Miss Louise Fincen entertained the W. S. of C. S. on September 6. Miss Fincen leaves this week to enter Radford State Teachers College on Monday.

Mr. and Mrs. R. P. Gooding and Miss Bertha Hurst motored to Hillsboro on Sunday to visit friends there.

Mrs. Claude Twombly will entertain the W. S. of C. S. for October.

Mrs. F. M. Alder was a supper guest Sunday of Mrs. Ellen Dodson. There was quite a good attendance

at 9:30 a.m. services on Sunday. Two new members were taken in. There will not be any services Sunday evening, owing to the rally at Forestville.

Mr. and Mrs. B. L. Poole, sr., were recent dinner guests of Mr. and Mrs. B. L. Poole, jr.

WOODBIDGE

Mr. and Mrs. C. C. Wittner have returned from a tour in the North where they visited relatives.

Mr. Gatewood is reported suffering from a stroke.

Mr. and Mrs. Walter Seelman spent a few days on their farm, Belle Aire.

Mrs. Milton Sullivan is in Alexandria Hospital.

There was a good gathering at the services at Woodbridge Church on Sunday, and all remained to enjoy themselves.

Mr. Eugene Arrington, of Camp Meade, Md., spent several days at home with friends recently.

Mr. Paul Smith, now of Newport News, Va., spent several days with his parents, Mr. and Mrs. Pete Smith.

Make Croplands Pay More This Winter

Sow RYE GRASS and reap the many benefits of this soil-improvement crop recognized by the AAA in its 1942 program year Sow it now, either alone or in combination with WOOD'S CRIMSON CLOVER, for late fall and early spring grazing. Relished by livestock and poultry. When grazed to ground, makes quick recovery. Highly recommended by V.F.I. and other experiment stations.

Wood's Crimson Clover

Makes a dependable stand... a bumper hay, pasture or soil-improvement crop. When rye grass and crimson clover are seeded together, 15 lbs. of each per acre is recommended. Large, plump seed of high germination, 99% pure. Our seed carefully selected from healthy crops free of noxious weeds and not damaged by rain.

Wood's Beardless Barley

Yielded 62 bus. per acre in a Carolina state test. We recommend it as the best Barley for planting anywhere within a radius of 300 miles of Richmond.

Wood's ABRUZZI RYE

Yielded over 43 bus. per acre in a 1941 official southern test. Superior for winter pasture—quick, vigorous fall growth, more winter coverage and earlier grazing.

LEE COLD PROOF OATS

A Ready, Winter-Proof Oats. Makes outstanding yields. Best Oat for fall planting.

Minutes of the County Board

AT A SPECIAL MEETING OF THE BOARD OF SUPERVISORS OF PRINCE WILLIAM COUNTY, HELD AT THE COURT HOUSE THERE-OF IN MANASSAS, VIRGINIA ON FRIDAY, AUGUST TWENTY-NINTH, NINETEEN HUNDRED AND FORTY-ONE THERE WERE PRESENT: MESSRS. J. MURRAY TAYLOR, CHAIRMAN; W. M. JOHNSON, G. C. RUSSELL, C. B. FITZWATER AND C. B. ROLAND.

VIRGINIA:

PRINCE WILLIAM COUNTY, to-wit:
TO THE CLERK OF THE CIRCUIT COURT OF PRINCE WILLIAM COUNTY:

You are hereby requested to issue to each member of the Board of Supervisors of Prince William County, Virginia, directed to the Sheriff of the said County to call the Board of Supervisors in Special Session, Friday, August 29th, 1941, at 1:30 p.m., Eastern Standard Time, at the Court Room in the Court House, Manassas, Virginia, for the purpose of considering a contract for a survey for water and sewer in Dumfries-Triangle area, in said County. And any other matters that may come before the Board.

W. M. Johnson, and C. B. Fitzwater.
The meeting was called to order and opened with prayer by the Reverend J. Murray Taylor, chairman.

Be it resolved that the Board of Supervisors of Prince William County, Virginia, enter into contract with R. Stuart Royer, engineer as follows: This Contract, made and entered into this 29th day of August, 1941, between Board of Supervisors of Prince William County, Va., (Owner) and R. Stuart Royer, Consulting Engineer, of Richmond, Virginia (Engineer).

WITNESSETH: That the Owner hereby employs the Engineer to perform the following engineering services in connection with the construction of: A supply of water, distribution lines and service lines, sewerage system and sewage treatment for the Dumfries-Triangle area, and to pay for such services as hereinafter set forth, and the engineer hereby agrees to perform the services hereinafter set forth:

1. For preliminary study of field surveys for tentative design (the surveys to be made by the Owner and as directed by the Engineer) and engineering estimate of construction cost, together with the Engineer's Report on the project, the sum of \$200.00.

This amount is to be due and payable upon presentation of data outlined in this paragraph to the Owner, and shall be deducted in making settlement from the amount due to the Engineer under Item No. 3.

2. For the preparation of application for funds to any Federal Agency, together with necessary information required by Federal Agency, the sum of \$50.00.

3. If the project is approved by the Owner and financed, the Engineer is to proceed with the design of the project and the preparation of one original set of plans and specifications, with two complete copies of each. The Engineer is to receive for the performance of services under this clause, fees based upon the following schedule:

- Construction cost not exceeding \$25,000—8.5%
- Construction cost not exceeding \$50,000—7.0%
- Construction cost not exceeding \$75,000—6.0%
- Construction cost not exceeding \$150,000—5.0%
- Construction cost not exceeding \$200,000—4.5%
- Construction cost exceeding \$200,000—4.0%

This amount is to be paid by the Owner to the Engineer upon the completion of plans and specifications.

4. For general supervision of the construction, the Engineer is to receive an additional 1% of the construction cost.

This sum is to be paid monthly in proportion to the progress of the work.

5. The Owner is to furnish all necessary stakes for staking the construction.

6. It will be necessary for the Owner to pay for reproduction of all sets of plans and specifications over three.

7. A field inspector shall be designated, employed and supervised by the Engineer. His salary is not to exceed \$200.00 per month unless a larger amount is approved by the Owner. He is to be paid by the Owner out of funds provided for the project.

8. It is understood and agreed between the parties that the performance of this agreement is dependent upon receiving funds from the Federal Agency applied for by the Owner. In the event such fund is not allowed as applied for, but the Owner authorizes the construction and completion of the project, then it is agreed by and between the parties hereto that the said Engineer is to act as the engineer in the same capacity according to the terms of this agreement.

The Engineer is to have general supervision of all construction, approval of all estimates for payment, shall supervise the work of the field inspector, visit the site of work as often as necessary, keep in touch with the Federal Agency (if any) and when the project is complete, test the work, and in general, perform the duties of the Consulting Engineer on the project.

If any extensions or additional structures are added to the project in excess of the estimated cost set forth in the application, the Owner shall pay the Engineer for designing and supervising the said additional work at the same rates set forth above for the design and supervision of the project as estimated.

RE: RESIGNATION OF W. P. WHITMORE, COUNTY SURVEYOR.

Hon. Board of Supervisors,

Prince William Co.

Virginia.

Gentlemen:

Since I have recently accepted a position with the State Health De-

partment, I wish to submit my resignation as County Surveyor to become

effective on September 2, 1941.

Yours very truly,

W. P. Whitmore.

The foregoing resignation was accepted with regrets.

RE: FIRE TOWER FOR BULL RUN MOUNTAINS.

Whereas, Mr. Berlin Eye, District Forester of Virginia, has appeared

before this Board on this 4th day of September and asked the co-operation

of this Board in buying a fire tower for the Bull Run Mountains in co-operation

with Fauquier and Loudoun Counties, be it resolved that this Board

goes on record as favoring this project and appropriates a maximum of

\$350.00 for it, payable from the General County Fund if the project is

approved by the Fauquier and Loudoun Board of Supervisors.

WATERFALL

Mr. and Mrs. Warwick Torbert, of Washington, were recent guests of Mrs. R. R. Smith.

Master Bobby Wayland, who spent the summer with his grand parents, at "Mt. Atlas", has returned to his home and school at Occoquan.

Mr. and Mrs. Earl Galbraith and Mrs. Eppa Pickett, of Washington, were Sunday guests of Mrs. Flora Smith. Mrs. De Witt, of Washington, is visiting her this week.

Mr. Howard Davis, of Woolsey, who died in Alexandria Hospital, on Thursday, was buried on Sunday afternoon, at Oakwood Cemetery, Falls Church. Mr. Davis was knocked down by a truck, near the gate to his home; about two weeks ago, and fatally injured.

He was in his 70th year, and a life long resident of this community. Our sympathy is extended to the surviving members of his family, three sisters, and two brothers.

Mr. and Mrs. James Lawrence, of Columbus, O.; Mr. Cam Brodie, the Misses Marie and Ethel Brodie, and Mr. and Mrs. Charles Ferry, of Washington, were guests of Miss Margaret Shirley, at "Oak Shade" on Sunday. Miss Judy Barnes, of Arlington, is spending some time with her grand parents at "Hagley".

Mr. and Mrs. R. B. Gossom, jr., and son, Dickie, returned to their home in Spartanburg, S. C., on Saturday. While here they spent one day in Baltimore with Mr. and Mrs. S. R. Clark, accompanied by Mr. and Mrs. R. B. Gossom, sr. And one day "picnicking" on Skyline Drive, and calling on relatives in Culpeper. On this trip they were accompanied by Mrs. Gossom, sr. Miss Flora Smith, and Mrs. Pauline Thornhill and Phil.

The September meeting of the 8th Va. Reg't. Chapter met at the Memorial hall at Hickory Grove on Thursday afternoon. The meeting was presided over by Mrs. R. R. Smith, 2nd vice president in the absence of the President Mrs. Alice Hutchison. All officers were re-elected and delegates
