VICTORY MAIL IS EXPLAINED

Post Offices Stocked To Facilitate Delivery Of Overseas Mails.

The Post Office Department announced today that the V-Mail Service, inaugurated on June 15, 1942, is now past the experimental stage, with each week showing large increases in the number of letters mailed to American soldiers overseas.

The War Department has increased its facilities to handle promptly the volume expected in the future.

Facilities for photographing and reproducing V-Mail to and from the United States and the British Isles, Australia, India, Hawaii and other points are now in operation. A similar service is being planned for Iceland and other points where the volume may warrant.

Pointing out that V-Mail provides a safe means of communication with members of our armed Forces, the Post Office Department gave assurance that the film (upon which the communications are reproduced) are given the most expeditious dispatch available. Because of the small space taken up by the rolls of film, they often can be carried on ferry planes or bombers.

Every pound of weight which can be saved on air transports overseas, said the Department, means that an equivalent amount of weight can be allotted vital military material.

In recognition of this, and in an effort to insure delivery of mail to as many men as possible at overseas destinations when space is limited, the War and Navy Departments have directed that V-Mail be given priority in dispatch over all other classes — including air mail — when transportation facilities under control of those departments are used.

V-Mail letter sheets have been distributed at all post offices; and have been provided all military and naval personnel at overseas points through Army and Navy post offices and military channels.

Private firms and individuals have also been permitted by the Post Office Department to reproduce the letter sheets. The sheets also will be available soon to all stores selling stationery.

V-Mail Service provides for the use by patrons of a special letter sheet form which is a combination letter and envelope of uniform size and design. The patron writes his message, completes the name and address of the addressee and the return card in the space provided, folds, seals, and mails the letter in the usual manner. Patrons are warned that only the inner or letter side of V-Mail letters are photographed, and should be careful to show the complete address of the person to whom the message is sent in the panel provided therefor above the space for the message. It is preferable to print the address in large block letters. Enclosures must not be placed in the letters.

V-Mail letters are photographed on micro-film by automatic machines at the rate of 2,000 to 2,500 per hour and the film rolls containing 1,500 letters each are transmitted to destinations. Reproductions are then made by other automatic machines and delivered to the addressee in individual sealed window penalty envelopes.

When V-Mail letters are addressed to places where micro-film equipment is not in operation, the letters are transmitted to destination in original form by the most expeditious means available. Even in these instances savings in weight and space are accomplished since there are approximately 97 V-Mail letters in a pound, whereas, ordinary letters average 40 per pound.

The War, Navy and Post Office Departments all cooperated in developing this Service, largely with a view to decreasing the volume of mail to be carried overseas and providing an expeditious service.

The public is urged to use it at every opportunity.

EXECUTIVE BOARD TO MEET NEXT WEEK

The Executive Board of the Manassas Woman's Club will meet Wednesday morning, September 9, at 10:00 o'clock in the home of the President, Mrs. Lewis Carper. All members of the Board are urged to be present as the work for the fall will be outlined.

On the following day, Sept. 10, at 10:00 A. M., the State Executive Board of Federated Women's Clubs will meet in Richmond, Va. All members of the Club who can go or who can furnish transportation are asked to call Mrs. Carper.

DAYS ANNOUNCED FOR SCHOOL LUNCH CANNING

Next Tuesday, Wednesday and Thursday, September 8, 9, 10 have been set aside by our Home Demonstration Agent for canning vegetables for school lunches.

We are hoping for donations of tomatoes, corn and all other vegetables for soup for school lunches. We will also need half gallon glass cans and some willing hands to help.

Please plan to assist. Be at the kitchen at the gymnasium at 9:30 A. M.

GOVERNOR DAVIS DIES SUDDENLY

Guided Virginia During First World War

Westmoreland Davis, 83 war Governor of Virginia died at John Hopkins Hospital Tuesday.

He worked all last Saturday and was taken ill on Sunday morning and was brought to Baltimore for treatment.

An unusually vigorous man, Mr. Davis was publisher of the Southern Planter and the Loudoun Times-Mirror, and served on many boards and commissions. He had attended a meeting of the Board of Visitors of Virginia Polytechnic Institute at Blacksburg only a few days ago.

Governor Davis was born at sea, August 21, 1859, while his parents were en route from Boston to Liverpool, England. His father was Thomas Gordon Davis of South Carolina, a Harvard graduate and plantation owner. His mother was Annie Lewis Morris of Gloucester County, Va., a daughter of Christopher Morris and Agnes Thurston, the latter a daughter of Col. Robert Thurston of Lansdowne, the old Thurston homestead in Gloucester.

He was married in London to Miss Marguerite Inman of Atlanta, member of a socially distinguished Georgia family. There were no children.

Born to wealth, Mr. Davis as a youth knew the hardships of poverty, the family fortune having been swept away when the Confederacy fell. He obtained his early education at the famous Gwyneth School for Boys in Hanover County and Virginia Military Institute.

A course at the University of Virginia was followed by graduation from the law school of Columbia University. He practiced his profession in New York.

In 1902 he returned to Virginia and, with Mrs. Davis, purchased the Morven Park estate in Loudoun County and made of it one of the handsomest country seats in the South.

He served as master of fox hounds and was one of the founders of the Loudoun Hunt at Leesburg.

Mr. Davis' term as Governor stood out as one of businesslike administration. He made the budget system the leading plank in his campaign platform. Prison reform and the establishment of a State lime-grinding plant at Staunton were other achievements of his administration. While Mr. Davis was Governor, Senator Martin died and Davis appointed to succeed him Carter Glass, then Secretary of the Treasury under President Wilson.

EVILS OF INFLATION DISCUSSED BY AGRICULTURAL LEADER

W. R. Legg, supervisor of agricultural teachers in this area, was present as the guest of Professor R. Worth Peters at the last meeting of the Kiwanis club. Prof. R. R. Fishpaw, local agricultural instructor, was also present as a guest of Mr. Peters.

Mr. Legg, a member of the Winchester Kiwanis Club, gave a most instructive dissertation on the ebb and flow of inflation and the resultant depression, and traced the course of the last such occurrence.

He pointed out how agricultural leaders and farmers could aid in keeping down inflation and gave some simple rules to follow and to prepare for the lean years to come.

Kiwanian Fred Hynson will have the next program and the same will be along the lines of a go-to-church movement.

A most mournful announcement was made by Parson Graham that he was attending for the last time "for the duration." Parson is now a full-pledged army chaplain.

Delegates to the Capitol District convention were elected as follows: R. C. Haydon and Col. R. A. Hutchison. Kiwanian Haydon is being boosted by the local club for lieutenant governor in 1943.

DAILY VISITORS

UNITED BRETHREN TO DEDICATE CHAPEL

Homecoming and Dedication Combined

On Sunday, September 6, the members and friends of the three United Brethren in Christ Churches of the Manassas Charge will gather for their annual homecoming and the dedication of the new United Brethren Chapel in Manassas. This year the annual homecomings of the Aden and Buckhall Churches have been combined with the dedicatory services of the new church.

In 1917 the United Brethren Church purchased the old (Northern) Methodist Church and used the building as a place of worship until the fall of 1941. Under the leadership of the present pastor, Rev. Stanley A. Knapp, a street right-of-way was sold to the Town of Manassas, the old building torn down, and a new and attractive chapel built on Church Street adjoining the Parsonage property. The building is simple but quite convenient and affords ample room for the small but growing congregation.

The completion of this church building is but another progressive step among the United Brethren people here. When fire completely destroyed the Aden Church in 1937, a very attractive rural church was built through the cooperative work of the people there. Recently plans were made for extensive improvements on the Buckhall Church.

All members and friends are cordially invited to share this day of Holy Worship and Inspirational Fellowship.

The program for the day is as follows:

Sunday School, 10:00 A. M.

Morning Worship and Dedication of the building, 11:00 A. M.

Rev. J. Paul Gruver, D. D. Conference Supt., Martinsburg, West Virginia will deliver the sermon and Rev. W. F. Gruver, D. D., Martinsburg, West Virginia will dedicate the building.

Basket dinner and Fellowship Hour 12:30 P. M.

Informal Service 1:45 P. M.

Rev. A. W. Ballentine, Rev. John M. DeChant, and Mr. O. D. Waters will speak.

Quarterly Conference, 3:00 P. M.

Evening Service 7:30 P. M.

Music by Cannon Branch Brethren Rev. Lee E. Sheaffer, a former Church Choir.

The pastor will make the closing address.

U. D. C. SPONSORS NURSING SCHOLARSHIP

The Fourth District, United Daughters of the Confederacy, is sponsoring a Nurses Scholarship at the University Hospital at Charlottesville, Va. The Manassas Chapter hopes a Prince William County girl will apply for this training.

We need an increasing number of trained nurses to relieve the suffering of our armed forces.

Any one interested will communicate with Mrs. McDuff Green, Fourth Chairman, at Nokesville, Va.

FIRE AUXILIARY MEETS MONDAY

The regular monthly meeting of the Ladies Auxiliary to the M. V. F. D. will be held Monday night, September 7th, at 8 o'clock at the Town Hall.

TRAIN WRECK

At noon on Tuesday, a freight engine, occupied in siding cars intended for the Harrisonburg line, was returning to the main track it was derailed, apparently because the switch was open both ways, according to report.

The engine plowed between the tracks and southbound traffic had to be rerouted to the northbound tracks.

While the train seems to have been going around thirty miles at the time, comparatively little damage was done. No one was hurt so far as is known.

COUNTY SCHOOLS OPENED TODAY

Busses Cover Nine Hundred Miles Daily.

Promptly at 9:30 this morning, the proverbial school bell rang out in every section of Prince William County, while streamlined busses, manned by competent drivers operating on a time schedule of pick-ups and connections, brought in the hundreds of students to enroll for the scholastic term of 1942-43.

Undoubtedly some pupils did not register who should have, even if they cannot come regularly for the next week or so. They should do so, and parents are urged to see that their children come in, register and get their books at once.

Yesterday the annual teachers' institute was held for both colored and white faculties. Interesting discussions were entered into and much essential business transacted.

The bus inspection at noon demonstrated that "Bob" Vetter had put the fleet of eighteen busses in tip-top shape for the coming term. An interesting fact was again brought out in the presence of three brand-new busses. Professor Haydon secured this addition by applying for them a full year ago when a wait of few months would have made the same impossible.

These busses operate a mileage of some nine hundred miles daily so the job of keeping them in good operating condition is no mere play, either for the drivers or the county garage.

At noon, an excellent luncheon was served in the gym. The high point of this occasion was the observance of Professor Peter's birthday. Mrs. Vincent Davis acted as mistress-of-ceremonies, reading some cute verse and also ushering out a swell cake with (?) candles.

The county teacher's association met in the afternoon. In the absence of both the president and vice president, one having resigned and the other (Miss Lulu Metz) being at a meeting of the Board of Visitors of the College of William and Mary, Miss Sue Ayres, rural supervisor, presided, with Mrs. Mae Sanford acting as secretary-treasurer.

Delegates to the annual meeting at Richmond were named as follows: Manassas, Prof. R. Worth Peters; Nokesville, Miss Lois Sloop; Haymarket, Mrs. Josephine Lynn; Dumfries, Mrs. Thelma Mountjoy.

There was some debate as to whether the body should attend the fall meeting of the teachers of District "H". There was considerable sentiment but after a short speech by Professor Peters advocating that the meeting was of ample value to make attendance worth while, the association moved to attend the same. This meeting will be at Fairfax within the next few weeks.

The officers of the association for the coming year are as follows: President, Miss Elizabeth Lloyd; Vice President, Miss Lulu Metz; Secretary-treasurer, Miss Zella Mae Thomas.

ALREADY ON THE JOB

Advice from Great Lakes, Illinois, states that Fred J. Patton, son of Mr. and Mrs. John Patton and Earl L. Hurst, son of Mr. and Mrs. J. C. Hurst, are on the job at the Naval Training Station there, fast becoming full-pledged bluejackets.

After a brief "hardening" period both men will be granted furloughs of from six to nine days. The young men, who are each eighteen years of age, enlisted here very recently.

BACK ON THE JOB

After an illness of several weeks Mrs. Mary Pope returned to her accustomed task at the local Post Office last week. Her many friends are happy that she has recovered.

The Ladies Aid and Missionary Society of the Bethel Lutheran Church will meet at the home of Mrs. W. N. Wenrich on Tuesday afternoon at 2 o'clock, September 8.

GOVERNOR DARDEN THANKS BOARDS

Selective Service Officials Perform Important Work

I want to thank you on behalf of the State of Virginia for the most important duty that you are performing as members of our Selective Service System. Your task is a hard and exacting one and requires all that you can give it to accomplish the required results. Certainly it isn't an enviable task. Unless our people are convinced that the administration of the Selective Service System is fairly and impartially carried out, we are going to begin to disintegrate from within. That disintegration will mean in the long run the losing of this struggle. For that reason I can't overemphasize the vital importance of the task in which you are now engaged. Your work will leave the Commonwealth of Virginia eternally in your debt. It is a task for which you will receive little thanks. I want you to feel that, insofar as we are able to help and insofar as the Governor of Virginia will be able to do so, we are with you and behind you in your work. If we can help you in anyway, these offices in the Capitol are always open to you.

We are confronted with a most dangerous military combination. There never has been a time when our military situation has been as grave. Unless all the evidence is wrong, we are engaged in a war which is going to be long, bloody and exhausting. It is going to require the ultimate effort on the part of all of us.

We are faced with two directly opposing elements. The two elements cannot live together in an organized world. On one hand we have tyranny, oppression and slavery, pitted against individuals who are struggling for freedom of government.

The democratic system leaves much to be desired. It is not a perfect system by any means, but it is a system that is by all odds the best that has ever been evolved.

The other system leads to a setting back of human progress. I am not in agreement with that system, and insofar as all human values are concerned and those values for which men are willing to live and die, there is no hope on the other side.

Today the English speaking people of the world, together with Russia and China, stand between Japan and Germany and to a lesser degree, Italy. We stand between those people and a world empire. We fight to prevent this and to preserve our homes and families and children, as for that reason the effort you are making now is of utmost importance.

I thank you for your fine service, your unselfish efforts, and I can imagine nothing more damaging to our cause than failure to accomplish your mission. Your work is most important. I can't promise that it will be brought soon to an end. There is no hope for a short war. I think victory is coming, but only after long months of carrying the war to our enemies abroad.

If in your work we can help you here, I hope you will not hesitate to call on us. I don't want you to feel that you are troubling and bothering us in bringing your problems to us when necessary. In Virginia we are going to lay those things aside which impede the war effort.

I do not know how long the road will be, or how great the price will be, that will be required for victory, but whatever it may be, we are going to try here in Virginia to meet it, because we are determined to win.

BROADVIEW FARM LEADS FOR AUGUST

The Broadview Farm herd, owned by T. R. and E. P. Hurst, Manassas, led the Prince William Dairy Herd Improvement Association in production in August. Elton Kellan, Tester, announced today, The Broadview herd showed average monthly production of 800 pounds milk and 35.2 pounds butterfat per cow. The Clover Hill Farm herd of Wheatley Johnson, Manassas, was second with 654 pounds milk and 53.6 pounds butterfat. Third was the Carl Kincheloe Birmingham Farm herd at Manassas with 846 pounds milk and 32.3 pounds butterfat. Tying for fourth honors were the herds of Mrs. Edith Latham and Judge Edw. W. Smith, both located near Haymarket, with 725 lbs. milk and 30.8 lbs. butterfat and 682 lbs. milk and 30.8 pounds butterfat respectively. Fifth in production during August was the herd of Butler Brothers, Alexandria, with 853 pounds milk and 30.1 pounds butterfat.

JOHN M. WOOD

Pvt. First Class John M. Wood, who came to live with the Bowman family at Aden in the fall of 1933 and continued to make his home there for seven years was killed when the plane he and three Lieutenants were flying had motor trouble and crashed into a house near Barksdale Field, Shreveport, La., where he was stationed.

Johnnie had many friends around Nokesville all of whom were shocked to hear of his death. He had enlisted in the Army Air Corp as a mechanic in the

the Bombing Squadron nearly one year ago. At the time of his enlistment he was working in California where he had been transferred from Washington, D. C.

He was graduated from Brentsville District High School in 1933. His mother, Mrs. Mary Wood lives in Washington, also two sisters, Mrs. Holsinger and Mrs. Francis Mitchell. He was laid to rest in Arlington Cemetery following funeral rites in Fort Myer Chapel. Many lovely floral tributes show that he had many friends here, in Washington and in the school he was attending at Barks-

dale Field. Johnnie's whole ambition was to be sent "across" and in the letter received after his death he said that he thought he would be going in less than two weeks.

Those attending the funeral from this community were Rev. Stanley Knupp, Prof. C. O. Bittle, Mr. and Mrs. Fred T. Shepherd and daughters, Connie and Peggy, Misses Christine and Sadie Smith, Mrs. L. J. Bowman, Mr. and Mrs. Wade Whetzel, Misses Letha and Lucille Foster and Mr. Miller Whetzel.

IN MEMORIAM

Lockett, Mae Ruby:
In memory of our loving twin daughter, Ruby Mae, who departed September 4, 1937.

Our hearts still ache with sadness. Our eyes shed many tears. God only knows how much we miss you. At the end of five years.

She had a smile for everyone. A heart as pure as gold. Although her soul is now at rest. Our love for her will never grow old.

Her mother.

REMEMBER PEARL HARBOR

CHRISTIAN SCIENCE

"Man" will be the subject of the Lesson-Sermon in all churches and societies of Christ, Scientist, on Sunday, September 6.

The Golden Text will be "The steps of a good man are ordered by the Lord: and he delighteth in his way" (Ps. 37:23). Bible selections will include the following passage from II Timothy 3:16, 17: "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works."

One of the passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, included in the Lesson-Sermon, reads as follows: God is the creator of man, and, the divine Principal of man remaining perfect, the divine idea or reflection, man, remains perfect. Man is the expression of God's being" (p. 470).

MORALE

The Secret Weapon That Will Win The War

Congress Can't Vote It

Dollars Won't Buy It

It's Your Job To Build It

PUT UNITY INTO YOUR COMMUNITY

Unity starts with U. To win the war, stop private wars at home on the job, with neighbors.
Honest apology ends friction—starts teamwork.

If we pull together, we'll all pull through.

BE A RUMOR-STOPPER

Rumors help the enemy. Trace the facts. Face the facts. Don't exaggerate.

Make your community gossip-proof, smear-proof, panic-proof, fear-proof. Every patriot shoots a rumor dead on sight.

MEET SHORTAGE BY SHARING

Use all of everything. Don't hoard. If everybody cares enough, and everybody shares enough, everybody will have enough. No waste in your ice-box, brain-box!

KEEP THE MORAL STANDARDS OF THE NATION HIGH

Don't weaken the home-front by wangling something for yourself on the side.

Dishonesty and indulgence in you saps the nation's fighting strength. A decent world tomorrow depends on how you live today!

THE SECRET OF STEADINESS AND INNER STRENGTH IS ON EVERY PENNY: "IN GOD WE TRUST"

A general who has fought through two wars said: "Telephone wires may be cut, radio stations be destroyed, but no bombardment can stop messages from God coming through if we are willing to receive them. To listen to God and obey Him is the highest form of national service for everybody everywhere."

To get there "fust"...

—with the most men! That was Major General Nathan Bedford Forrest's formula for winning battles in the horse and buggy days. How much more vital in today's age of speed that troop transportation be carried out quickly and smoothly!

That's why Chesapeake and Ohio Lines, along with all other railroads, give the Services first call... why we see that their supplies and munitions take precedence over all other traffic!

Yes, soldiers, sailors, marines and coastguardsmen have unofficial "priority." For we know you want your railroad constantly alert to serve them... the men whose service is beyond price. So, if this important railroad job sometimes means your personal travel plans are interfered with, we know you'll say, "O. K. Soldier—after you!"

HOW YOU CAN HELP YOUR COUNTRY AND YOURSELF

Travel during mid-week, rather than on congested week-ends. Plan your trip, and purchase railroad and Pullman tickets, in advance preferably at our city ticket office—and avoid delay at station.
If your trip is postponed, please make immediate cancellation. When your customary Pullman space is not available, accept other accommodation or use coach service.
Travel "light"—there's no room on crowded trains for extra luggage.
Buy round-trip tickets—save time for the ticket-seller and yourself.
Skip your conventions. Special troop trains are more important than convention trains.
Avoid unnecessary travel—buy WAR BONDS instead!

CATHARPIN

The revival services closed at Sunday night with a wonderful sermon by the Rev. N. O. Luttrell. Adding to the beauty of the evening services was a vocal duet by Rev. and Mrs. Clark H. Wood.

Much appreciation is also felt for the kindness of Mrs. Luttrell who accompanied her husband to our church each night. Mrs. Luttrell is an accomplished pianist and delighted the congregation with her exquisite rendition of the beautiful old hymns.

The bands and contents of hay and wheat, wagon, etc on the farm of Miss Mamie Heinekin at "Marble Hill" was completely destroyed by fire Sunday night about 7:30 o'clock. The Fire Department of Manassas and many neighbors and friends hastened to the scene as soon as possible, but the fire had gained such headway that nothing could be saved. However, they did prevent its spreading to other buildings. With present conditions and difficulty in obtaining building materials and farming equipment, such a loss as this is doubly serious.

Mr. and Mrs. Floyd Miller of Baltimore are receiving congratulations upon the birth of a little daughter, August 26. The little lady has been named, Alice Christine, in memory of her paternal grandmother. Mrs. Miller will be remembered as Miss Frances Ellison.

Mr. and Mrs. Luther Lynn spent Sunday with Miss Grace Metz at Manassas, where they met their daughter, Elizabeth, who returned that day from a week's visit to her aunt and uncle, Mr. and Mrs. J. T. Stephenson of Front Royal.

Mr. L. Jett Pattie, Jr., Mr. and Mrs. John F. Pattie and little son, Franklin of Triangle spent Sunday with their parents, Mr. and Mrs. L. Jett Pattie at "Bellefarm."

Jett, who was recently called to the Army, chose to take his furlough before beginning training. He will return Thursday to Camp Lee for six weeks before being assigned to duty. He has recently been employed as inspector of airplane motors at Quantico Marine Base.

Mr. "Tony" Nalls, son of Mr. and Mrs. James Nalls will also return to Camp Lee Thursday to begin training.

Elmer Hensley, son of Mr. and Mrs. Lloyd Hensley, recently visited his parents, at "Rock Hill Farm." Elmer who has been in the Coast Guards Service for months is now stationed near Virginia Beach.

Mr. Lloyd Hensley is a veteran of World War No. 1, having served in France with the 80th Division.

Little Miss Elaine Pattie returned to her home in Triangle Sunday after spending a week at "Bellefarm."

Mr. and Mrs. James J. Riley of Washington spent Sunday with their sister, Mrs. Bertie Caton, at "Soldiers' Rest," the home of Mrs. Sara Caton.

Mr. Ernest Riley, who enlisted in the Army several months ago, is now stationed in Arkansas. He recently spent a furlough with his parents, Mr. and Mrs. J. J. Riley, in Washington.

Corporal J. Franklin Dogan of Fort Eustis, Va., recently spent a 10 day furlough with his parents, Mr. and Mrs. W. H. Dogan at "Groveton."

Misses Rose and Betty Trible have been visiting their aunt, Miss Betty Trible at her cottage on the Chesapeake.

CHRISTMAS MAIL FOR THE
U. S. ARMED FORCES ABROAD

The local postmaster has released the following information on Christmas mail for members of the armed forces abroad:

Christmas parcels and Christmas cards should be mailed during the period beginning October 1 and ending November 1, 1942—and, says the post office department, "the earlier the better."

Parcels should not be heavier than 11 pounds, nor longer than 18 inches, or more than 42 inches in length and girth combined.

However, the War and Navy Departments urge that all packages be restricted to about the size of a shoe box and to about 6 pounds in weight. No perishable matter will be taken and patrons are reminded that the soldiers are amply provided with food and clothing. Items of more than ordinary value should be insured. For further details, see your local postmaster, and remember, that November 1 is the deadline and the earlier the better.

BOND SALES ADVERTISING

Certain of the local folks think that to say they are buying a "bond a week" or a "bond a month" is the final extent of their "all out effort." It is fine and we hope they buy more, but the cooperative spirit being exhibited generally around the country needs even more impetus locally. The public has no general way of getting this across except through the very thing we are doing.

If the one approached can not afford it, that is one thing. We know that private business has been hit hard and it is no disgrace to admit inability to do something.

Several weeks ago we published a letter from Director Sloan, of the War Savings Defense Committee who congratulated this paper and the ones who have been working with us. He also called a very distinct accent on the cooperative spirit.

A file of these displays is being kept in Washington and New York as a published response to the all-out local effort. We shall be glad to show this file ourselves to anyone wanting to see it.

The local defense savings committee is 100 per cent behind our work, and they endorse the proposition, not as commercial advertising but a portion of the general plan to promote bond sales.

Right now we have another matter very much in the general public eye. It is the matter of dramatizing salvage collection. Read the advertisement this week and check with the committee on anything you can do.

A REGRETABLE DECISION

them to take this action and we do not criticize the same, we nevertheless have a definite feeling of regret that Party could not in this time of great national danger have been set aside for the time being. It would have been a very gracious act and one that would have made friends for Republicanism in Virginia.

There is almost nothing out of which any campaign issues can be moulded for the November election. If the Republican Party is hostile to the New Deal, and to all of the crack-pot experiments in socialism that has squandered the peoples wealth in the past few years, so also has Judge Smith vigorously opposed such extravagant follies. If the Republican Party is against labor racketeering and would end the threat of strikes in defense industries, so also is Judge Smith, whom the New Deal has sought strenuously but ineffectively to "purge."

As a matter of fact Eighth District Republicanism faces a definite split this fall. A great many are going to endorse Judge Smith. They rightly believe that he deserves the support of all of his fellow citizens in this time of emergency.

A TIMELY SUGGESTION

Mr. Edgar Parrish, of Manassas, is making many valuable contributions to the war effort of Prince William County. Himself a World War Veteran, he continues the fight on the home front our Chief Air-Raid Warden and organizer of the local Aircraft Warning Service.

We have just received a valuable suggestion from Mr. Parrish which we take pleasure in passing along to our readers. It has to do with the kind of letters that are being written to the men in the armed forces at the front. Are we expressing proper appreciation of their sacrifices or are we bewailing the bad condition of affairs at home, the home for which they are fighting?

We know that things on the home front are not going well. It may even be true that so far we have been actually defeated. We know that the war effort is imperiled by labor racketeers and other grafters who are seeking feverishly to feather their own nests at expense of the national security.

But why discourage the boys in the fighting line by telling them all about this and possibly by adding some more disheartening facts about the home and business they had to leave? Our job in the rectifying and surmounting these difficulties will be small in comparison with their task on the fighting front. So let us all write the kind of letters to our loved ones in the armed forces that will inspire them the better to endure their hardships—even if we should have to draw a little upon our imagination. It will not be necessary to lie to them, but certainly we can leave the unpleasant unsaid and write only that which will sustain them in their heartbreaking task and let them feel that they are really appreciated.

THREE YEARS OF WAR

Three years ago this newspaper predicted the outbreak of war with greater accuracy than we have seen published elsewhere. But we missed our guess

as to the fury with which the conflict would spread to all quarters of the globe.

To insure editorial accuracy we began at that time the compilation of a scrapbook, originally designed as a single volume. This week, however, it passed its tenth volume and its 2500th page. And yet only high points are recorded.

It has become impossible for anyone to follow this world conflict in all of its ghastly details, and still more impossible to say when it will end. The general opinion among distinguished authorities favors the probability of a long and bloody war. Yet this also was the prevailing opinion immediately preceding the Armistice in 1919.

However it is also the general belief that this time the enemy will not be allowed to cry "Kamrad" and go home with bands playing and colors flying. This is a war to the death.

Let us never forget, however, that this could be us and it will be us instead of the enemy unless we get tougher than he is, and as yet we are not that hard. We are still soft. We like our comforts. We hate to fight. We abhor the killing of human beings, even if they are intent upon our destruction.

Before we win this awful conflict our national character must change. We must become tough. If we win, and there is an "if," it will be a different America that emerges. Those survivors who lived in these happy times will not like our new characteristics. But if we lose—words fail!

THE OBSERVER SAYS

The time draws near when we may expect enemy bombs in this region. There are several indications that high Civilian Defense officials expect air-raids as the nights begin appreciably to lengthen.

One of these indications is the announcement from State Civilian Defense Headquarters to all Coordinators urging speed in training defense personnel. "No one can predict," the State Coordinator said, "how soon we may have to do what we can with what we have."

Another indication that air-raids are expected comes from the national O. C. D. office warning all citizens not to collect souvenirs of fragments left by enemy bombs or wrecked airplanes. These materials, the national office warns, comprise military information and their study by the proper authorities is important.

Another indication may be cited in a warning from State Headquarters advising better protection for Control Centers and the personnel operating them.

It is certainly high time that every able bodied citizen not required for the armed forces be thinking about what can be done on the home front, and if not already enrolled in some branch of Civilian Defense, to become so at once and take the first opportunity to receive the necessary training.

WILL DISCUSS WAR EMERGENCY

Municipal Group Together
In Richmond.

The annual meeting of the League of Virginia Municipalities scheduled to be held at the John Marshall Hotel, Richmond, October 11-13, inclusive, will be a war conference of municipal officials and defense directors and coordinators, it was announced today by Harold I. Baumes, Executive Secretary of that organization. Mr. Baumes stated that all details of the program for this war conference of Virginia's municipal officials were studied thoroughly by the League's Executive Committee and approved at a recent meeting.

This year's program for the annual meeting will be devoted to municipal problems during the war emergency, and to civilian defense and the all important business of winning the war. It is hoped that all mayors, councilmen, department heads, and managers as well as defense directors and coordinators will participate in this State-wide conference in which the State Defense Office is cooperating.

High ranking Federal, state and local officials will discuss problems of civilian defense, priorities regulations, emergency municipal financing, and the many problems of carrying on essential municipal services during the war emergency.

October 14th and 15th, the Virginia Police Executives Association will conduct its war conference of police and law enforcement officials at the John Marshall Hotel. The Virginia Weights and Measures Association will conduct its annual school also on these dates under the direction of Mr. Ralph W. Smith of the National Bureau of Standards, Washington, D. C. The Building Officials Conference of Virginia will meet October 12 and 13.

Mrs. George Fitchett and two sons George and Alvers are visiting Mrs. Fitchett's sister, Mrs. Weatherholtz. Mrs. Isabel Blanck has returned home from a brief visit to her sister in Maryland.

Mrs. Ralph Jackson who had the misfortune to cut her hand very badly is improving.

MISS MERCHANT MARRIED TO SERGEANT VOGEL

Mrs. Vera Harlow Merchant of Manassas announces the marriage of her daughter, Mildred Thornton, to Supply Sergeant Francis X. Vogel, U. S. Marine Corps, of Buffalo, New York.

The marriage took place on Saturday, August 29th at All Saints Church, Manassas. The ceremony was performed by the Rev. Joseph J. Vogel, brother of the groom, also of Buffalo. Attending the bride as maid of honor was Mrs. Joseph J. Miller, USMC, of Quantico.

Immediately following the ceremony, a reception was held at the home of the bride on Centre Street. Upon transfer of Sergeant Vogel to his new station of duty, the couple will make their home at New River, N. C.

THE REV. HENRY F. KLOMAN

Funeral services were held Monday afternoon in Charles Town, West Va., for the Rev. Felix Kroman, for seven years chaplain of Saint Mary's School and Junior College of Raleigh.

The Rev. Mr. Kroman died unexpectedly Saturday afternoon in East Orange, N. J. He had retired from the active ministry last spring at the college's centennial commencement program.

Mrs. Kroman, the former Miss Eleanor Marshall Trapnell of Charles Town, whom he married in 1900 died last Christmas Day. Surviving are a daughter, Mrs. Mark Jenkins of Fletcher, N. C.; two sons, the Rev. Henry Felix Kroman, rector of Christ Church, Philadelphia, and Joseph Kroman of New York City.

The former Saint Mary's chaplain was born in Warrenton, Va. on May 4, 1870 and was graduated from Virginia Theological Seminary in Alexandria, Va. He was ordained in 1895 by Bishop Whittle. He served as rector of the Pohick Church near Alexandria in which George Washington had been a vestryman. Among the cities in which he served in his long ministry were Baltimore, Md., Haymarket, Va., and Portland, Maine. From 1916 to 1923 he was dean of the Cathedral at Fargo, North Dakota, and served overseas two years as a chaplain in the first World War. He was rector of the Emmanuel Church in Cumberland, Md., from 1926 until 1935 just prior to coming to Raleigh.

DEATH OF MRS. GREGG

Mrs. Elzora Virginia Sinclair Gregg, wife of the late Harlan Gregg, departed from this life Wednesday, September 2 and services will be conducted at the Baker Funeral Home at 2:00 P. M. on Sunday, September 6. Dr. H. Hemming, officiating.

Following the services interment will be at Middleburg, Virginia.

Mrs. Gregg was 92 years of age on February of this year for 76 years she was a member of the Long Branch Baptist Church.

She was the mother of 14 children ten of whom reached maturity. There are only two of the immediate family left, Mr. Harlan Gregg having died 33 years ago, those living are Miss Gregg and her sister, Mrs. Ethel Virginia Smith.

The friends and neighbors of the Gregg family around Manassas will miss this lady's presence from her home where she has resided since moving into this vicinity from The Palins in 1923.

FARM LOAN SECRETARIES RETURN FROM TRAINING

Misses Doris Russell and Marie Dozier, then capable and attractive young ladies employed in the Manassas Group National Farm Loan Association office, returned Saturday morning from the training conference held last week in Baltimore.

These conferences will be a regular feature of the Federal Land Bank in the future. They are held in order that the employees will be better quipped to serve the farmers of this division.

The Manassas Group office serves farmers in Prince William, Fairfax, Fauquier and Loudoun Counties and makes available information to the public on this farmer-owned system of cooperative mortgage credit.

Federal Land Bank long-term loans are handled through this National Farm Loan Association of which Mr. J. V. Nichols is secretary-treasurer. This system of mortgage service is over 25 years old and is nationwide in scope. The amount of Land Bank loans now in force in the counties of this group is \$2,645,300.00 made to 583 farmers. The present interest rate is 3 1/2 per cent and loans are amortized over a period of 34 1/2 years so that the total of semi-annual payments amount to only 4.9 per cent of the principal.

LEGAL NOTICES

TRUSTEE'S SALE OF VALUABLE ESTATE NEAR MANASSAS, VA.

By virtue of a certain deed of trust, dated November 5, 1935, and recorded among the land records of Prince William County, Virginia, in Deed Book 96, page 141, from George C. Brenton and Nan Brenton, his wife, to the undersigned trustee, to secure the payment of a certain promissory note executed by them in the sum of \$1100.00, default having been made in the payment of the said note, the undersigned trustee, at the request of the holder of the said note, will offer for sale, at public auction, on

SATURDAY,
SEPTEMBER 5TH, 1942

at 11 o'clock A. M., of that date, in front of the Peoples National Bank of Manassas, in the town of Manassas, Virginia, all of that certain tract or parcel of land lying and being situated on the Manassas-Centerville Road, just without the corporate limits of the town of Manassas, containing 12 acres, 1 rood and 30 poles, more or less, being the same land that was conveyed to the said George C. Brenton by Walter S. Hixson and wife by deed dated August 10, 1915, and recorded among the land records of said county in Deed Book 67, page 1; less and except, however, the following parcels: (1) 0.26 of an acre conveyed to the Commonwealth of Virginia for highway purposes by deed dated September 27, 1930, and recorded in Deed Book 88, page 272. (2) A parcel fronting 150 feet on said road and extending back therefrom a distance of 150 feet, that was conveyed to W. L. Compton by deed dated August 10, 1935, and recorded in Deed Book 95, page 418. (3) A parcel fronting for a distance of 120 feet on said road and extending back therefrom a distance of 680 feet, that was conveyed to R. L. Dellinger and Polly A. Dellinger by deed dated August 5, 1936, and recorded in Deed Book 97, page 273. Reference is made to said deeds for a more particular description of the said land.

The said parcel of land has on it a combined dwelling and barn and is very desirably located.

TERMS OF SALE: The said property will be sold for CASH and will be sold subject to the 1942 taxes.

T. E. Didlake, Trustee.

KAY KYSER CHASES ENEMY AGENTS

Thrills and hilarity feature Kay Kyser's latest vehicle for RKO Radio, "My Favorite Spy," which deals with the Ol' Professor's side-splitting troubles as a secret-service agent and a bridegroom at the same time.

The fourth of Kyser's pictures, the new comedy with music, is said to be the funniest he has had to date, with Producer Harold Lloyd giving it the suspenseful technique he employed in his own comedy hits of the silent days. The noted bandleader again plays himself, leading his orchestra at a fashionable night club in New York City, where things begin to happen to him.

On his wedding day he is grabbed by Uncle Sam, and after some hectic adventures is assigned to counter-espionage work, helping to run down a group of enemy agents using the night club as a rendezvous. Unfortunately, he is strictly forbidden to tell anyone, even his bride, what he is doing, and so his domestic bliss fades when wife finds him running around with an attractive blonde.

The wife's jealousy leads to serious consequences when she disrupts the plans made to rescue Kyser from the hands of the spy ring. However, Kyser's ingenious method, by which he saves himself and proves a hero as he captures the gang intact, forms the screamingly funny climax of the offering.

Ellen Drew as the bride and Jane Wyman as the blonde head the featured cast and furnish notable support to the star. Robert Armstrong as the chief of the enemy forces, Helen Westley as Miss Drew's acidulous aunt, William Demarest as an outraged cop, Una O'Connor as a maid, and Kyser's well-known trio of fundsters, Ish Kabibble, Sully Mason and Harry Babbitt, join with the Kyser band itself in playing important roles in "My Favorite Spy."

An unad theatre forms the setting for the gay climax, and the famous

old Los Angeles Philharmonic Auditorium was taken over for these scenes, with other sequences filmed in a spectacular night club setting and in Kyser's swank apartment.

JUNK
needed for War

In the barnyards and gullies of farms and in the basements and attics of homes is a lot of Junk which is doing no good where it is, but which is needed at once to help smash the Japs and Nazis.

Scrap iron and steel, for example.

Even in peacetime, scrap provided about 50% of the raw material for steel. It may be rusty, old "scrap" to you, but it is actually refined steel—with most impurities removed, and can be quickly melted with new metal in the form of pig iron to produce highest quality steel for our war machines.

The production of steel has gone up, up, UP, until today America is turning out as much steel as all the rest of the world combined. But unless at least 6,000,000 additional tons of scrap steel is uncovered promptly, the full

rate of production cannot be attained or increased; the necessary tanks, guns and ships cannot be produced.

The rubber situation is also critical. In spite of the recent rubber drive, there is a continuing need for large quantities of scrap rubber. Also for other waste materials and metals like brass, copper, zinc, lead and tin.

The Junk which you collect is bought by industry from scrap dealers at established, government-controlled prices.

Will you help?

First—collect all of your waste material and pile it up.

Then—sell it to a Junk dealer, give it to a charity, take it yourself to the nearest collection point, or get in touch with your Local Salvage Committee.

If you live on a farm, consult your County War Board or your farm implement dealer.

Throw YOUR scrap into the fight!

Towers of Truth

Chinese, Finnish, Tagalog, Dutch, Spanish—programs in more than a
dozen tongues go out from the towers of General Electric stations
WGEA and WGEO, Schenectady, and KGEI, San Francisco.

1. They provide authentic war in-
formation for news-starved peoples
around the globe, entertainment for
U.S. forces abroad. These G-E short-
wave stations...

2. ...have special antennas
"pointed" at Australia, South
America, China, Europe—making
reception there almost as strong as
from local stations.

3. They provided the only U.S. pro-
grams that reached Batavia. People
in conquered lands risk their lives to
listen. Smuggled letters say they
bring hope of release.

4. Some announcers are regular
G-E production employees, working
on war work. They tell people in
their native lands that America is
determined on victory.

ABOUT YOURSELF AND FRIENDS**

Sure, it makes you mad!

DO YOU REALIZE that thousands of our good American soldiers are behind barbed wire—with Jap sentries marching up and down outside?

Do you know that American women and children, too, are in Jap concentration camps?

How long do you *want* them there—and what are you willing to do to get them out?

You can't do it by flag-waving, by slogans, and by cheers.

It takes planes—tanks—guns—bombs—shells—ships. And these don't grow on trees.

You—and you—and you—must *buy* these things. Not the Jap way, nor the Nazi way, nor the Fascist way. The *American* way—gladly. In War Bonds.

The *easy* way—just by saving a dime from every dollar every payday. **TEN PERCENT** of your pay. The management of your company will save it for you, and every time it adds up to \$18.75, they'll buy a **WAR BOND** for you.

You'll get *interest* on that money. It will increase every year, until for every \$18.75 you invest, you'll get \$25 in ten years.

And *your money* will buy the stuff to beat the Japs—to attack them—to bomb them, to make them wish to their heathen idols they'd never picked a scrap with Uncle Sam!

And the *sooner* you do your part, by backing up our boys, the *sooner* they will blast the Japs right out of their sandals.

Down will come that barbed wire, and out will come your fellow Americans. Home again—to a free, decent, clean country—the country we all love.

And you'll be sitting pretty, too. You'll have the clear conscience of having done *your* part, and you'll have built up financial protection for you and your family.

So let's get going. Do *your* part. Ten percent—a dime from every dollar every payday.

Invest your share in **VICTORY!**

5 Reasons Why

1. By investing in War Bonds you help provide the planes, the tanks, the guns and the ships we must have to survive and conquer.
2. You prove that you are a patriotic American.
3. You add the morale of our fighting men, by showing them that the entire Nation is behind them.
4. You prove to our enemies that we are a United People.
5. You protect your own financial future, as every \$18.75 you invest in a War Bond brings you back \$25 in 10 years. You make the world's safest investment, by buying a share in the world's most powerful country.
