OFFICIAL HAPPENINGS THAT AFFECT THE HOME FRONT

Virginians to Answer Roll Call
On the farm production front, the Department of Agriculture, in a roll call to be held from March 1 to 20, will call on all Virginia rural women to pledge every family to produce as much of the home food supply as possible. A good part of farm people, especially in "one-crop" areas, either raise only a small part of their own garden supply, or do not raise a sufficient variety of fresh vegetables to give a well-balanced diet. With canned foods limited, it is essential to improve the diet and health of rural families through home gardens.

How to "Spend" Points
Here's a way to spread your point "spending" as evenly as possible over the full month of March, says the State OPA, so you won't run short toward the end of the month—divide March into four shopping periods—March 1 through 8 (eight days), March 9 through 16 (eight days), March 17 through 23 (seven days), March 24 through 31 (eight days).

If the 48-point-per-person allotment is used evenly over these periods, the rate of spending in each period by families of from two to eight persons works out in 12-point multiples. For two in the family, spend 24 points per shopping period, for three, 36 points, four, 48, and so on.

Davis to Broadcast
Elmer Davis, Director of the Office of War Information, will begin a series of weekly 15-minute broadcasts on Friday evening, March 12. The series will be broadcast over NBC, CBS and blue networks each Friday evening from 10:45 to 11:00 P. M. Eastern War Time. They will be re-broadcast each Saturday at 4:00 P. M. over the network of the Mutual Broadcasting Company.

Ceiling Prices on Pork After April 1
On April 1, 1943, ceiling prices will be fixed on all retail sales of fresh and processed pork. Bigger markups are allowed to independent stores doing less than \$250,000 a year than are allowed to large stores and chains. The maximum prices for five pork products are: sliced (dressed, smoked) grade A, 48 and 46 cents per pound; skinned smoked ham, center slices, 61 and 58 cents; skinned, smoked whole ham, 41 and 40 cents; center cut pork chops (fresh or frozen pork loins), 43 and 41 cents; and salt pork (dry salt bellies), fresh cured or frozen, 26 and 24 cents per pound.

On and after April 1, a retailer may sell only—(1) Pork cuts given dollars and cents prices under OPA 336, and (2) pork products whose prices are fixed under general maximum price regulation, including—Pork sausage, canned pork, pork variety meats or offal (including temple meat cutlets, brains, chitterlings, liver, plucks, kidneys, tongues, lips, snouts, ears, hearts, cheek and head meat, stomachs, weasand meat and heads), and quick frozen cuts which are delivered to the retailer in individual packages in which he sells them. Ceiling prices on pork must be posted in each store beginning April 1, and, upon request, the retailer must give a customer a receipt showing the date, name and address of retailer, name and weight of each pork cut sold, and the price paid for it.

Cookie Prices on the Rise

Virginia housewives will soon be paying more for crackers, biscuits and cakes. The increase will be small in the case of cakes, but on crackers and cookies, where flour is a large factor in production costs, the increase may eventually be great. Because rising soft wheat prices in the East have put a severe squeeze on flour millers, OPA has raised by approximately 8 per cent the ceiling prices at which soft wheat flour may be sold by Eastern, Southern and Midwestern millers and blenders.

No Clothes Rationing

Acting to spike vicious rumors which have nearly cleaned out many stores in Virginia of their clothing stocks, the Office of Price Administration and the Office of War Information have joined in stating definitely that no rationing of clothes is in present prospect. There is no shortage of clothes, and no rationing of clothes is in present prospect. There is no shortage of clothes, and no rationing of clothes is in present prospect.

MEXICO THEME OF KIWANIS TALK

A delightful program was sponsored at the weekly meeting of the Kiwanis program last Friday when Kiwanian Lewis introduced, first Mr. Stanley Owens, who spoke in behalf of Victory Gardens, and the second Miss Sus Syres, rural supervisor of Prince William County, who gave a travelogue on her recent trip to Mexico.

Using a map, plus pictures and reading matter, the speaker made her talk vastly interesting and had little trouble holding the close attention of her audience.

Kiwanian Ratcliffe introduced some songs with new words and old tunes, and his Victory program to be staged later this month.

U D C INVESTS FUND IN VICTORY BONDS

USED FOR NATIONAL DEFENSE ENTIRE BUILDING FUND

Mrs. E. H. Marsteller, Mrs. O. D. Waters and Mrs. C. R. C. Johnson were hostesses to the Manassas Chapter, U. D. C. Wednesday afternoon, March 3 at the Marsteller home on East Center Street.

The guests were warmly welcomed by the hostesses, assisted by Miss Nancy Marsteller, and when all had arrived the meeting was called to order for business by the vice-president, Mrs. Lewis J. Carper.

The flag salutes were led by Mrs. Carper. Minutes of the February meeting were read by the secretary and approved.

The treasurer, Mrs. A. B. Compton, gave financial report, showing a sufficient balance to meet current expenses, to pay the annual obligations and contribute \$10.00 to the Red Cross War Fund.

A number of letters from absent members were read, among these were Mrs. Lillian Hixson Adams (charter), Mrs. Nellie Clarkson Reading (charter), Mrs. Leo Kasehagen, Mary H. Larkin, Mrs. Maud Johnson Hutchison, Miss Ella Garth, Mrs. Roberta Lamb Gulick and Mrs. A. Roseberry.

A timely letter was received from the fourth district chairman, Mrs. McGee Ewell, asking chapter to remember the "Victory Book Campaign". An immediate response came from Mrs. Marsteller for the library, the story of the great scientist, "Reginald Fessenden" by Helen M. Fessenden. Major James R. Worth now of St. Louis, Mo., presented the "Fessenden" book to Mrs. Marsteller and she in turn gave to the chapter for the library.

Miss Emma Shannon, a charter member, and for many years a resident of Manassas, recently passed away at her home in Washington. The following committee was appointed on resolutions, Mrs. Walter Newman, Mrs. Lewis J. Carper and Mrs. Margaret Lewis.

Mrs. Vincent Davis, from the office of civilian defense appeared before the meeting and gave a talk on "Victory Gardens."

Mrs. Walter Newman in making report for the building committee stated that the committee, Mrs. A. O. Weedon, chairman, had agreed to invest the building fund, aggregating the sum of \$500.00 in purchase of war bonds.

Mrs. E. H. Hibbs, historian, presented Mrs. C. R. C. Johnson who gave a review of Dr. Douglas Freeman's new book "Lee's Lieutenants."

Mrs. Lewis Carper read a news clipping concerning the great grandson of General Bedford Forrest, the noted Confederate Raider. The thirty-seven year-old descendant is a Brig. General in U. S. Army.

The meeting in April will be with Mrs. Margaret Lewis on West Street.

Refreshments were served, consisting of delicious tea and sandwiches and the social hour was most pleasant.

The guests present were Mrs. Nancy Lyons and Miss Mary Nelson of Manassas and Miss Constance Henry of Harrisonburg, Va., a house guest of her aunt, Mrs. Walter Newman.

FURTHER DEPTHS REACHED AT BEN LOMOND

Word has just been received from the Virginia Power Corp. that drilling on Ben Lomond has progressed to a depth of 3342 feet. Additional cable has now arrived and drilling is again proceeding.

IMMEDIATE EVACUATION SURVEY IS ORDERED

WAR FUND SET AT \$3500

The Red Cross Roll Call and War Fund Drive which began on March 1 will continue throughout the entire month. Chairman O. D. Waters reports that returns from the drive have been slow in coming in. He is sure that many people do not understand the program this year. In an ordinary year people join the Red Cross at Roll Call time by paying \$1.00. This usually brings in enough money to do the ordinary work of the Red Cross. But these are not ordinary times. \$1.00 is still enough to pay for a membership, but the Red Cross needs much more than membership dues. It is seeking a War Fund of \$125,000,000 and this large sum can never be raised by \$1.00 gifts. Prince William County has been assigned a quota of \$3500.00.

You are asked and urged to do

much more than merely join the Red Cross. You are urged to make a substantial contribution. When the worker calls upon you, pay not only the \$1.00 membership fee but add also a liberal contribution. There is no doubt that Prince William folks are able to reach the quota. And the Red Cross believes that it will be reached as soon as folks realize that more than a membership fee is needed.

Where are the Red Cross buttons? They have gone to war, and in their place is the little lapel tag with the familiar red cross printed on it. Believe it or not, 52 tons of metal are saved for war purpose by making use of the little paper tag. Be sure to get one and wear it with pride. It means that you have not only JOINED this year but also that you have given to the Red Cross War Fund.

N. Y. A. AND LOCAL SCHOOLS PLAY BASKET BALL

The N. Y. A. School met the Osborn High School and Manassas Town Teams combined in a basketball game at the Manassas gymnasium on last Monday, March 8, 1943.

The first half of the girls' game closed with a score of 13 for the N. Y. A. and 14 for Manassas. It looked as though it would be a very tight game, but that was before the whistle blew for the second half. Here was where Bettie Parrish for Manassas was spectacular. It seemed as if every time the ball would come to her end of the floor, she would put it through the basket before it was again claimed by the N. Y. A. The line-up is as follows: Manassas—Parrish, B. (38 points); Parrish, N. (13 points); Swank, T. (10 points); K. La Fever, V. (8 points); Brooks, L. (7 points); Egan, J. (6 points); Johnson, E. (5 points); N. Y. A. School—Smith (17 points); Eris (9 points); Rhea, Madam, Fleming, Dobbs, Jackson, Marshall.

Even though the N. Y. A. school lost both of the games, they played two wonderful games, for having been together in practice only three times. Perhaps the next games will be closer ones. The referees were Mr. Herbert Saunders for the girls' game and Mr. Sedrick Saunders for the boys' game.

KNIT-WIT CLUB ENJOYS LUNCHEON WITH MRS. EVANS

Mrs. Ewell Evans invited the Knit-Wit club to luncheon with her and Mrs. Rembert Smith on Thursday, Feb. 25th at the Evans home on Prescott Avenue. The hostesses proved most charming in receiving the guests and in serving the delectable three-course lunch. The setting was restful and every comfort was enjoyed by those present.

Three of the nine members were absent: Mrs. A. O. Weedon, Mrs. E. B. Giddings, also Miss Nollie Nelson who is sojourning in Bell, California. Those present beside the hostesses were Mrs. M. Bruce Whitmore, Mrs. C. B. Compton, Mrs. J. G. Kincheloe, Mrs. R. L. Byrd and Mrs. Whitmore's sister and house guest, Mrs. C. W. Hurlvey of Pittsburgh, Pa.

NOTICE TO PRINCE WILLIAM FARMERS

The 1943 program year for the Agricultural Conservation Program begins on July 1, 1942 and ends on December 31, 1943. During this period each farmer should carry out all possible practices which will contribute to sound conservation farming and to increased production of emergency war crops and livestock. The program year usually begins on July 1 and ends June 30 of the following year. This extension to December 31 gives the farmer more time to carry out his practices and get credit under the 1943 Agricultural Conservation Program.

Any farmer who has not signed his Farm Plan for the 1943 program year should do so before April 15, 1943. Signing this plan signifies that the farmer wishes to participate in the new program and receive any benefits such as lime or fertilizer and any payments made on soil-building practices.

HON GEORGE HERRING WILL RUN FOR STATE SENATE

At the request of many of my friends in this Senatorial District, I have announced my candidacy for nomination to the office of State Senator, subject to the Democratic Primary, August 3, 1943.

The district, composed of Alexandria City, Fairfax and Prince William Counties has a complex situation that needs the services of the most experienced man whom the voters can secure. My service in the General Assembly which extends over three sessions has fitted me to represent the best interest of all the peoples in this District.

As a life long farmer, I am fully acquainted with many rural problems which face the farmers of this District. Having served as a member of the Board of Supervisors of Stafford county and as clerk of the court of that county, I am in a position to assist in problems of county government which may arise.

Owing to war restrictions it will not be possible for me to see many of the voters of the District. I am taking this means to solicit your support and consideration of my candidacy, with the pledge that if elected I shall certainly devote my whole hearted efforts in the interest of all of you.

FOREST WARDENS INSTRUCTED TO VIGOROUSLY ENFORCE FOREST FIRE LAWS

State Forester Pederson today announced that he had instructed J. Preston Smith, Chief Forest Warden of Prince William County to put forth a special effort in the enforcement of the Virginia forest fire laws. This special effort to prevent fires is a part of Virginia's national defense effort. Under the existing condition of scarce labor on farms and in factories, we must take every possible step to prevent the negligent origin of a forest fire which may take hundreds of man-days to control, the State Forester said. The Army and Navy have made repeated requests for the civilian home front to prevent forest fires in order to reduce the smoke and night glare which seriously interferes with air flights and anti-submarine patrol along the coastal section of the State. Drift smoke from forest fires, even though it originates in the mountain counties of the State contributes to the accumulated, troublesome smoke haze along the coast.

Too many fires, Mr. Pederson said, are caused by negligence and carelessness. During 1942, ninety-nine per cent of 2,685 fires which occurred in Virginia were due to human carelessness. These fires burned over an estimated 232,000 acres which is an area twice as large as all the forest land in Henrico County, or one and one-half times as large as all the forest land in Tazewell County or nearly as much as all the forest land in Bedford County.

The State official emphasized human carelessness by pointing to the fact that during 1942, twenty-eight per cent of all forest fires were caused by careless brush burning, and twenty-six per cent by smokers, thoughtlessly throwing away lighted matches, cigars, cigarettes, or pipe ashes.

PRINCE WILLIAM CHOSEN FOR SURVEY OF FACILITIES FOR EVACUEES IN CASE OF RAID

Prince William County is one of the Northern Virginia counties chosen for an immediate survey of facilities for the reception and temporary care (housing and feeding) of possible evacuees from an adjacent city in the event of an enemy bombing raid.

The survey will be conducted through the Prince William Civilian Defense Council, Hunton Tiffany, Director-Coordinator, and block and neighborhood leaders will call at the homes in this area to obtain the needed information.

This is a precautionary measure and does not necessarily imply that an enemy air raid is imminent, though prudence dictates that the possibility of such measures, in reprisal for the tremendous punishment the Axis is now taking from allied air forces, should not be discounted.

Preliminary to the Prince William survey, key leaders of the block and neighborhood Civilian Defense organizations are being instructed, and they in turn will instruct their fellows, in the method of conducting the survey, scheduled to start March 15.

The survey will be under the general direction of Julian A. Brooks, Executive Officer of the State Evacuation Authority, Virginia Office of Civilian Defense, Richmond. Survey forms will be filled out and some of the questions listed are:

Number of rooms unused and available for sleeping purposes?

Has householder made previous plans to house friends or relatives who might be evacuated?

Will the householder take persons evacuated under the government plan?

Household has cooking and eating facilities for how many persons above usual needs?

While the plan is to be operated on a voluntary basis, the Federal government will pay the householder for taking in persons evacuated under this program. Additional food also undoubtedly will be made available to any areas where evacuees are sent, and medical examinations will be made of evacuated persons before they are sent to a reception area.

Prince William householders offering to share their homes in such an emergency as an air raid on the Washington metropolitan district will be greatly assisting their government and can be assured, Mr. Brooks stated, that a real emergency would have to exist before their patriotic offer would be utilized.

Present plans for evacuation provide for the removal of priority groups first. These include school children, the aged and infirm, the blind, and other individuals not essential to defense activities. It would also include such able-bodied persons as teachers and nurses to help care for evacuees.

It was emphasized that the survey about to be undertaken for housing facilities in case of a national emergency is a wise precautionary step even though no evacuation may ever be necessary. Knowledge on the part of possible evacuees that a comprehensive plan has been made for their welfare in the event of an emergency will do much.

Present plans for evacuation pursue their daily tasks in the war services on the home front.

GROW YOUR OWN

FRESH VEGETABLES

The first week of point rationing brought into strong relief the importance of Victory Gardens, according to J. H. Wyse, Coordinator of the State Office of Civilian Defense. Housewives found that the point values of their blue coupons in War Ration Book II would scarcely justify the purchase of one can a week of canned fruits or vegetables for each member of the family.

The burden of providing the family table with the vegetables essential for a balanced diet is thus thrown upon the available supply of fresh produce. In view of the anticipated shortage of truck crops customarily shipped in, a Victory Garden becomes a "must" for every family in position to grow one.

Besides assuring the family an adequate supply of fresh, wholesome vegetables during the growing season, Mr. Wyse pointed out, a Victory Garden may produce a surplus to be canned or otherwise preserved for use next winter. Such home canned vegetable supplies will not be deducted from the Victory Gardener's ration allowance.

All over Virginia Victory Garden committees of local Defense Councils are preparing intensive campaigns for widespread adoption of Victory Gardens as a potent war weapon that will insure an abundance of food for the folks at home as well as for our armed services and fighting allies.

ENFORCED CIVILIAN DEFENSE PARTICIPATION

According to a recent statement attributed to the National Director of Civilian Defense there is a possibility that if public interest in Civilian Defense does not show some revival, legislation will be sought in Congress to enforce participation in the important work assigned to air raid wardens and the other civilian defense workers.

We believe this would be a regrettable move on the part of the national authorities, for

NORVEL LARKIN
By O. D. Waters

On the morning of Wednesday March 5, death came to Norvel Larkin, who had been confined to his room with an ailing heart for the last two years.

He was born in Lynchburg, Va. April 18, 1867, being the son of the late Lucian Alexander and Sallie Norvel Larkin. He is survived by his Widow, Buela Starr Reid Larkin and one sister, Mrs. T. J. Ashford. He began his business career in Lynchburg where he engaged in the mercantile business and after disposing of his store he became affiliated with the firm of Larkin and Larkin.

After moving in 1896 to Manassas where his parents had preceded him in 1890, he went with the firm of Hynson & Co. After moving to Washington, he accepted a position with Lansburg & Co., where he stayed until his retirement in 1933. Since then he made his home in Manassas. The funeral was held in Trinity Church, and the services were conducted by the rector, assisted by the Rev. Mr. J. F. Burke.

The active pallbearers were: Messrs. Chas. R. Larkin, Lucian Larkin, Harcourt Dickens, Cleveland Fisher, Lee Pattie, and Paul Arrington.

Honorary pallbearers: Dr. Stewart McBryde, Messrs. Hunton Tiffany C. A. Sinclair, R. S. Hynson, O. D. Waters, George Cocke, Fred Dowell, C. A. Sinclair, Jr.

Mr. Larkin was a well read, and cultured gentleman, and was the descendant of one of the oldest Virginia families, and the writer has spent many a happy hour listening to his interesting reminiscences of those days that have gone.

"A gentleman has passed this way", and in his passing has taken with him one more member of that fast disappearing band whose philosophy was kindness, courtesy, and consideration.

children. All of her children, except Raymond, and a great number of relatives were present for the funeral which was conducted from Baker's Funeral Home in Manassas.

Services were held in Sudley Church with the pastor, Rev. Clark H. Wood, reading the burial service. The casket was borne to the adjacent cemetery by six of her former neighbors and friends: Messrs. Ellsworth Senseney, Luther McIntosh, J. Worthington Alvey, Walter W. Allison, Luther L. Lynn and L. Jett Pattie, Sr.

The profusion of beautiful flowers which covered her grave and those of her loved ones who have gone before, expressed the love and sympathy for the bereaved family.

Mrs. Edna Varner spent last week on a visit to her niece, Mrs. Alice Swank Eddings, in Norfolk, Va.

Defendant.

The general object of this suit is to obtain for the complainant from the defendant a divorce a vinculo matrimonii on the grounds of wilful desertion and abandonment for over two years, the custody of their children, and for general relief.

And an application and affidavit having been duly made and filed as provided by statute that the defendant is not a resident of the State of Virginia, it is therefore ordered that the defendant, Dorothy R. Alexander, do appear within ten days after due publication of this order and do what is necessary to protect her interests and that a copy of this order be pub-

BEAUREGARD SWART

On Sunday, February 28th, there passed from this life an old Fairfaxian who had spent eighty years of life within his native county.

Beauregard Hill Swart was born in Loudoun County amid the thunder of war, April 19, 1862, the son of Mr. and Mrs. Henry S. Swart. He never married. He was gallant and courtly, and well possessed of this world's goods.

Devoted to the soil, he lived on his farm near Bull Run till he was past sixty. He was very fond of horses and few of the old tournaments were ever held but what found his name among the entries. He rode as the "Knight of Centreville."

He was the last of his immediate family, the surviving near relatives being nieces and nephews. Death took place at his Fairfax home from which the funeral took place on the afternoon of March 2nd, the Rev. F. M. Lucas officiating, assisted by the Rev. Leary Poythress, of Arlington. Interment was in the family lot at Fairfax.

Although he never held political office, Mr. Swart took a very active interest in politics and always voted. In fraternal circles he was a member of many years standing of Fairfax Council, No. 26, Order Fraternal Americans.

The nieces include Mrs. Paul Alder and Mrs. Roy Alder, with whom he lived; the nephews: Messrs. Frank and Stacy Swart and grand-nephews, Gordon Alder, Sterling Swart, Frank Ford and John Swart.

ROBINSON — PRICE

On February 22nd, at the Lutheran Parsonage, Miss Lillian Price, of Norton, Va., a student at the National Defense School at Manassas, became the bride of James Henry Robinson, of this town. The ceremony was performed by the pastor of the church, Rev. Ballentine.

The groom is a son of Mr. and Mrs. J. H. Robinson, and a life long resident of Manassas. The young couple will make their home here.

CONGRATULATING A YOUNG PATRIOT

Little Miss Esther Anita Sutphin, daughter of Mr. and Mrs. John Sutphin, of Manassas, carried a glass jar to the Bank today in which she had accumulated a hundred dollars, beginning at the age of one year. She is now eleven, and has decided to invest her lifetime savings in a war bond.

A PRAYER SERVICE

Beginning Monday, March 15, Bethel Missionary Society will observe its annual Week of Prayer and Self denial service in the Sunday school room of the church between three and four o'clock p. m. Any one interested is cordially invited.

WILLIS HARRIS

Willis Harris, aged 42, son of William Harris and the late Irene Robinson, of near Bull Run, and major-domo of the Prince William Hotel since 1929, with but short intervals of time, passed away very suddenly shortly after midnight on Sunday. He had been complaining of severe headaches a very few minutes before he died.

In 1940, Willis married Grace Irene Hogan, of Delaware, who survives him.

Willis had as his chief care catering to the wishes of the Prince William Chamber of Commerce and the Manassas Kiwanis club. He was very faithful to the members, who will long remember his tact and swiftness.

In civil life, he was very proud of his designation as an air raid warden and took his duties very seriously.

Willis was a loyal member of the old church near Bull Run from which place his funeral was held yesterday. As a good citizen, he made a name for himself which will long be remembered and his untimely death is widely regretted.

Men are dying for the Four Freedoms. The least we can do here at home is to buy War Bonds—10% for War Bonds, every pay day.

Published for four successive weeks in the Manassas Journal, a newspaper published and circulating in Prince William County, that a like copy hereof be mailed, by registered letter, to the defendant at her last known address as set out in said application, and that a like copy hereof be posted at the front door of the Court House of said County on or before the next succeeding rule day.
