

FBI TO MEET IN ALEXANDRIA

LAW ENFORCEMENT OFFICERS PLEASE NOTE

Mr. W. A. Murphy, Special Agent in Charge of the Richmond Office of the Federal Bureau of Investigation, has announced that the next F.B.I. Law Enforcement Conference for the Alexandria area will be held in the U. S. District Courtroom, Post Office Building, Alexandria, Virginia at 7:30 p. m. on the evening of April 3, 1944.

A cordial invitation is extended to all law enforcement officers and auxiliary police in the Alexandria area to attend this conference.

Lieutenant William V. McDermott, Assistant Provost Marshal of the Military District of Washington, Washington, D. C., will address the conference in regard to the jurisdiction of the Military Police and the cooperation between the Military Police and local law enforcement agencies.

Honorable Lawrence W. Douglas, Commonwealth's Attorney of Arlington County, Virginia, will speak to the conference on the topic "Law of Arrest," which will be both informative and of extreme interest to all officers engaged in law enforcement work.

Following the above speeches a motion picture of the "Fighting Men" series as produced by the U. S. Army Signal Corps will be shown for the benefit of the officers in attendance at the conference.

An open panel forum will be held at the conclusion of the conference at which time all matters in regard to law enforcement work will be discussed by the officers in attendance.

CHAMBER OF COMMERCE

An unusually well-attended meeting of the Prince William Chamber of Commerce was held at the Prince William Hotel on Tuesday evening, March 28, 1944. The meeting was presided over by the chairman of the board, Mr. W. T. Thompson, and was attended by a large number of business and professional men of the area. The program featured a presentation by Mr. W. T. Thompson on the subject of "The Chamber of Commerce and the War Effort," followed by a presentation by Mr. J. L. Wood on the subject of "The Chamber of Commerce and the Community." The meeting was a success and the Chamber of Commerce is planning to hold another meeting of this nature in the near future.

New members who have joined the Chamber recently include W. T. Thompson, P. L. Proffitt, Dr. H. E. Pickard, John M. Piery, I. J. Breeden, J. L. Wood, Worth Stork, Robert Weir, Dr. E. B. Moncure, E. L. Goff, J. L. Moser and Mrs. Irene Weitz.

C. W. Albaugh announced that several ideas had been turned in in response to the announcement last week that a prize of \$35 would be presented to the member proposing the most feasible project of community and county interest for the Chamber to sponsor. He urged that more be presented for consideration by his committee so that they may be brought before the Chamber as a whole and voted upon at an early date.

Members of the standing committee on Publicity and War Services were asked to represent the Chamber at a meeting called by Hunton Tiffany, Director and Coordinator of Civilian Defense, for Wednesday, March 29, to plan for local observation of "I-Day."

PRINCE WILLIAM TRAGEDIES

Robert A. Hutchinson provided the program of entertainment at the meeting of the Elvans Club on Friday, March 24. While he held in his hands an old saber, he recounted some very gruesome stories of a Prince William County family. It had in it more murders and other tragedies than either Macbeth or Hamlet. They seemed almost unaccountable unless one were told the true story. He promised some really gruesome accounts at a future date.

It was announced that three new members are to be inducted at the next meeting. The farmers of the county are to be invited by a special committee to the meeting to be held in two weeks.

G. Raymond Ratcliffe distributed to the members tickets to the musical show, "Gypsy Kapers," Friday and Saturday, April 14 and 15. Practices are held Tuesdays and Thursdays.

GOOD FRIDAY SERVICE IN UNITED BRETHREN CHURCH

Rev. Len Weston to Preach

The Good Friday Service sponsored by the ministers and churches of Manassas will be held this Good Friday, April 7, at 2 p. m. in the United Brethren in Christ Chapel with the Rev. E. Len Weston of the Manassas Baptist Church bringing the message. All ministers of the Manassas Churches are expected to participate in the service and the choirs of the various churches of the town are being asked to provide the music. The public is most cordially invited to attend this joint Good Friday Service. Special attention is called to the time of the service which is 2 p. m. instead of 3 p. m. as in former years. As has been the custom in past years, the business firms are being asked to close for one hour in order that they and their employees may attend this service and in recognition and appreciation of our Lord's suffering and death upon Calvary.

J. ERNEST FISHER NOW MANAGER OF EMPLOYMENT SERVICE

Mr. J. Ernest Fisher, Ph. D., has been appointed as manager of the United States Employment Service office in Culpeper to fill the vacancy created by the entrance of Mr. Ernest W. Yowell into the armed forces. It was announced today by George D. DeLo, Area Director, War Manpower Commission, Mr. Fisher is exceptionally well qualified for this position, having been associated with the United States Employment Service office in Norfolk for the past year, and having been engaged in various fields of education for many years previously.

Mr. Fisher is originally from the Southwestern part of this state, but has been out of the state for a number of years. He has engaged in educational work in New York, Pennsylvania and in the Orient, since his graduation from Emory and Henry College, Emory, Virginia. He has also been a graduate student at Columbia University from which institution he received the Doctor's degree in 1928.

It will be recalled that Mr. Yowell recently replaced Mr. V. A. Blake, more who was transferred to the management of the Charlottesville office.

FIFTY-SIXTH WEDDING ANNIVERSARY

An event of more than usual interest was the fifty-sixth wedding anniversary of Mr. and Mrs. R. A. Collins of Annandale, Va., on March 19.

A reception was held for them at their home on Sunday afternoon. A number of friends and relatives attended, laden with gifts and kindly remembrances to show their respect and honor them for what they have meant to the life of the neighborhood. Four generations were assembled upon this occasion.

Mr. and Mrs. Collins have six children: Mrs. C. F. Caton, Gainesville; Mrs. J. M. Allison, Manassas; Fred H. Collins, Fairfax; Max W. Collins, Triangle; Mrs. M. E. Shelton, Alexandria, and Mrs. Gilbert Merchant, Herndon. They have 22 grandchildren and 14 great-grandchildren.

O. E. S. ELECTS OFFICERS

Wimodants Chapter, Order of the Eastern Star, met in regular session on Tuesday evening, March 21, 1944 in the Masonic Temple. A full attendance was present and business was transacted.

The officers for 1944-45 were elected and appointed as follows: Worthy Matron, Irene Haydon; Worthy Patron, Paul Cooksey; Associate Matron, Ruth Woodard; Associate Patron, Worth Stork; Conductress, Irene Harpin; Associate Conductress, Eleanor Wetherall; Secretary, Norma Cooksey; Treasurer, Louis Broadus. The Star Points: Adah, Beulah Stauf; Ruth, Orma Davis; Esther, Sally Churchill; Martha, Elizabeth Breeden; Elects, Margaret Lewis; Chaplain, Ada Sigman; Marshal, Marion Dickens; Organist, Margaret Broadus; Warder, Alice Bryant; Sentinel, John Harpin.

These officers were installed at a special meeting held March 29 at 8 p. m. The Installing Officer was Mrs. James Sellers of Arlington, Va. At the close of this installation the seventeenth birthday of the Chapter was celebrated in the Recreation Room on the second floor of the Masonic Temple.

CHEST X-RAY ESSENTIAL IN DIAGNOSING TUBERCULOSIS

Dr. Nelson Podolnick, health officer of Prince William County, Virginia, announces that a diagnostic x-ray clinic for Tuberculosis will be conducted at the Health Department Office in Manassas, April 10, 11 and 12. There will be a charge of \$1 per person.

Only a limited number of persons may be x-rayed in these clinics; hence appointments made prior to the clinic dates are imperative to obtain the service. Applications for a clinic appointment should be made to Miss M. Sabina Neel, Public Health Nurse.

Dr. Podolnick explained that these clinics have been conducted by the State Department of Health twice yearly, but that only a relatively small number could be x-rayed.

Tuberculosis continues to be a major public health problem. The control of it depends basically upon

MR. WENNEMAN NOW VICE PRESIDENT

William H. Wenneman, assistant to the president of the Chesapeake and Ohio Railway Company, was today promoted to vice-president of the road. Announcement of his advancement was made following a meeting of the C. & O. Board of Directors.

Mr. Wenneman, 44 years old and a native Clevelander, started with the Nickel Plate Road in 1918. He was made assistant to the chairman of the board of the Chesapeake and Ohio in 1937 and assistant to the president of the road in 1940.

CHIEF FRIK SAYS:

As a war-time as well as peace-time policy, the Navy has always stressed the importance of its trade schools. Efficient, well-trained instructors are daily passing along their knowledge to the new recruit, bettering his chances of advancement, and training him for duties aboard one of the fighting vessels of our ever growing fleet. The old phrase, "every man a specialist" has been put to good use by the Navy Department in its training program.

A battleship to the Navy man is only a floating city, for he has a laundry, a soda fountain, a ship's store that contains almost any item that could be found at the corner drug store in his home town, and an up-to-date library, where he may spend his off duty hours.

In the Navy, as well as in any other branch of the armed forces, a man's military duties come before his professional qualifications. He must respect his officers, learn to depend on their judgment, which is the result of years of experience and training. The bluejacket must abide by the rules of the ship, which are established for the safety and well being of all the crew. Further, his military duties include alertness and diligence to duty at his battle station, as well as his regular assignments. This ship is composed of a large group of specialty men, who when banded together as a team, make that ship a great fighting unit. Each man's safety and well-being aboard that ship depends on his actions as well as the actions of his shipmates.

At battle stations, when every man has a job to perform, the bluejacket must be at the peak of perfection, working as a well trained machine; protecting the life of his

ship, his shipmates and himself. The petty officer's emblem, which adorns the sleeve of more than half the men in the enlisted ranks of the Navy, denotes the wearer's ability in military as well as his proficiency in a specialized field. Flying proudly on the bluejacket's left or right arm, depending on the qualifications which he possesses, is the white eagle, an emblem of his military duties. Just below the eagle appears the emblem which signifies the man's specialty. There are more than 55 different ratings today for which the Navy man may qualify.

Every day, new Navy men, as well as men who have been serving in the Navy for many years, are receiving their orders to report to a trade school. These schools are located all over the United States and graduation from any of the better qualifies a man to perform his Navy job, and advance in his rating.

From time to time, new types of schools are instituted by the Navy to train men for specialized ship-board duties. Most recent among these schools are those now being maintained for the training of men of our new "invasion navy." Skilled seamen, as well as novices, are learning how to operate and fight the LCI's (Landing Craft, Infantry), LST's (Landing Ship, Tanks) and LCM's (Landing Craft, Mechanized) that are daily becoming an integral part of our fighting forces afloat.

The Navy is truly training its men; training them well to fight our sea-going implements of war, training them in fields that will be of a practical nature at the conclusion of hostilities, and training them to better understand the other fellow, to help him, to be a real shipmate, and an outstanding citizen of the country when he returns to civilian life.

The National Security Award has been given by the National O.C.D. to The Chesapeake and Potomac Telephone Company of Virginia, John J. Howard, State Plant Protection Officer, announced today. This, he said, is one of the first awards given any communication company on the Eastern seaboard.

Employees of the company, Mr. Howard said, will be entitled to wear a special emblem signifying their part in "an outstanding contribution to the war program."

Mr. Howard, who also is State Air Raid Precaution Director, and J. H. Wynn, State O.C.D. Coordinator, were high in their praise of the close cooperation the Telephone Company has shown with every phase of the war effort, and of its extraordinary precaution with safeguarding communications to Virginia. The company, Mr. Howard said, has gone beyond the call of duty in cooperating and making use of its facilities.

The emblem itself will be presented to the Company in the near future with ceremonies yet to be planned. Mr. Howard said. The award is for the entire state operations.

U. D. C.

The U.D.C. will meet with Mrs. Dressler and Mrs. Marie Larkin at Mrs. Dressler's home on Wednesday, April 5, at 2:30.

The Woman's Society of Christian Service of the Methodist Church will meet on Thursday, April 6, at 3 p. m. at the church.

Senior Group of the Womens Auxiliary of Trinity will hold a food sale Saturday April 8 9:30 to 1:00. at Dowell's Drug store.

PROCLAMATION

Food has become one of the strongest weapons of this war.

The success of coming invasions and the capacity of our allies to carry on depends in a large part on the ability of the people of the United States to produce vast quantities of food.

A goal of 446,295 Victory Gardens in the Commonwealth of Virginia has been set by the Office of Civilian Defense as a just proportion of the national goal, and

The week of April 2-8 has been designated "Grow More in '44 Week."

NOW, THEREFORE, I Colgate W. Darden, Jr., Governor of Virginia, do hereby call upon all agencies, citizens and residents of Virginia to cooperate with the Office of Civilian Defense and local defense councils in supporting and participating cooperatively in a vigorous Victory Garden program. I would emphasize further the need for planning not only for an adequate home supply of fresh vegetables and fruits but also for determining during "Grow More in '44 Week" needs and capacities for home food preservation.

Given under my hand and under the lesser seal of the Commonwealth, at Richmond this twenty-fourth day of March in the year of our Lord one thousand nine hundred and forty-four, and in the one hundred and sixty-eighth year of the Commonwealth.

(s) COLGATE W. DARDEN, JR. Governor

By the Governor (s) R. E. Williams, Secretary of the Commonwealth

LIEUT. WOOD AWARDED MEDAL

2nd Lt. William A. Wood, son of Mrs. Myrtle T. Wood, Gainesville, Va., has been awarded the Air Medal, according to announcement by the Seventh AAF.

The Air Medal is a coveted decoration given to airmen who distinguish themselves by meritorious achievement while participating in an aerial flight with distinction above and beyond that normally expected. It is a recognition of single actions of merit or sustained operational activities against the enemy.

Lt. Wood attended Haymarket High, graduating with the class of 1938. He received his wings October, 1943, and his present assignment is that of Pilot on a B-25.

He has a brother also in the AAF, Sgt. Raymond R. Wood, a gunner on a B-24.

MR. WORTH STORKE SPEAKS TO CLUB ON "OLD GLASS"

The Junior Woman's Club met at the home of Mrs. R. C. Haydon on March 9. After the business session, the club had a most interesting talk by Mr. Worth Stork on "Old Glass." Mr. Stork also displayed some of his prized possessions, which members and guests admired very much. Lovely refreshments were served by the joint hostesses, Mrs. Meaker Hurst and Mrs. Ope Fair.

The Gay Nineties Revue is becoming famous! Our girls performed again in Richmond on March 22.

Election of officers is scheduled for the April meeting.

WOOD COMPLETES TRAINING

Sgt. Raymond R. Wood, who is an engineer on a heavy bombardment crew, is completing the last phase of his combat training at the Alamogordo Army Air Base, Alamogordo, N. M., and will soon be sent overseas.

He is the son of Mrs. Myrtle T. Wood, who resides at Gainesville. Sgt. Wood attended Haymarket High School.

JENNINGS-THOMPSON

On Monday, March 27, at the home of Mr. and Mrs. Egbert Thompson of Woodbridge, their daughter Ellen became the bride of Lieut. George C. Jennings, son of Mr. and Mrs. G. P. Jennings of Appomattox. The bride, who was exquisitely attired in white, was given in marriage by her father. She was unattended.

The groom, who is now stationed at Camp Lee, is a graduate of V. P. I. The bride is now attending Swarthmore College.

A beautifully appointed buffet supper followed the ceremony.

LOCKER RENTERS ASKED TO SIGN

CHARTER HAS BEEN GRANTED REFRIGERATION COOPERATIVE

The Four-Co. Refrigeration Cooperative, Incorporated, Manassas, Virginia, has received its charter from the State Corporation Commission and is now canvassing for locker users.

This plant is to be located just beyond the Corporation limits of the Town of Manassas and will have sufficient space to accommodate the needs of approximately four or five hundred members. With a locker plant of this type, butchering can be done in the hottest weather, and fruits and vegetables need no longer be canned. Just carry your products as they are to the plant, where they will be completely processed and stored in your private locker until you are ready to use them.

However, the materials for a plant of this type will not be allocated by the War Production Board until a certain number of lockers have been rented and the money deposited in escrow in the bank. This money will not be used by the Four-Co. Refrigeration Cooperative, Incorporated until the necessary priorities have been obtained from the War Production Board. In the event the project is not approved by the War Production Board, your money will be returned in full.

All information concerning this refrigeration locker plant can be secured at the Prince William Electric Cooperative, Manassas, Virginia, and your application for a locker can be taken there.

"I-DAY" MEETING PLANS

Director and Coordinator of Civilian Defense for Prince William County, Hunton Tiffany, called a meeting on Wednesday night, March 29, for the purpose of organizing a committee which will plan for observation locally of "I-Day." The committee is comprised of representatives from all the local organizations, pastors of all churches, and out-of-town representatives from Ocoquan, Triangle, Quantico, Brentsville, Nokesville and Haymarket. The program arranged by this committee, in response to a communication from the Office of Civilian Defense, Commonwealth of Virginia, will be announced later.

John offers
3 exciting ways
to use eggs!

These are the three ways to use eggs that will give you the most for your money. And they are so simple that even a child can do them. And then I get to thinking about other ways to use eggs and how they can be an important part of every meal, every day.

EGG MEATS FOR BREAKFAST
Toast six 3 1/2 inch rounds of bread on one side. Top toasted side with broiled or fried bacon or ham (these could be omitted if not available). Beat 6 egg whites until foamy; add salt and white pepper. Continue beating until stiff but not dry. The meringue lightly on toast rounds with rounded end of egg shell make slight indentation in each meringue, gently slip a yolk into center of each nest. Bake on cookie or baking sheet in moderate oven (350° F.) about 10 minutes or until egg yolk is set. Serves 6.

STUFFED EGGS FOR LUNCH
6 hard-cooked eggs 1/2 cup paprika
4 tbsp. butter or margarine 4 tbsp. butter or margarine
1/2 cup salt 1/2 cup salt
1/2 cup prepared mustard 1/2 cup prepared mustard
2 tbsp. mayonnaise 2 cups milk
2 cups vinegar 2 cups grated cheese

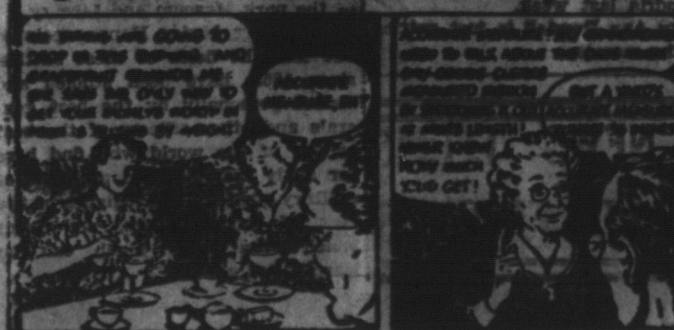

Boil hard-cooked eggs. Combine yolks, 1/2 cup of the salt, mustard, mayonnaise and vinegar. Stuff yolks with mixture. Sprinkle with paprika. Melt cream sauce by melting butter or margarine in top of double boiler. Blend in flour. (curry may be added if desired). Gradually add milk, stirring until smooth. Cook over rapidly boiling water for 15 minutes, or until thickened, stirring occasionally. Add remaining salt. Pour sauce into heated serving dish and top with eggs. Sprinkle grated cheese over all. Serves 6.

COMPLETE SUPPER FOR LUNCH
1 egg 1/2 cup milk
1 tsp. salt 2 tbsp. shortening
1 tsp. melted butter

Beat eggs well; add salt, flour, and milk. Continue beating until light and foamy. Melt shortening in heavy fry pan, pour in egg mixture. An instant brown on under side, pull outside edges to center of the pan, letting the uncooked mixture run to the edges, continue until all of the mixture is set; cover, cook slowly until set and well browned, about 5 minutes. Uncover; cut outside edges of outer edge of opposite sides; fold through center; turn into hot serving platter. Serve immediately plain, or spread with preserves, or sprinkle with cheese. Serves 6.

GRANNY UNDERSTANDS TOO!

WHAT ARE WE FIGHTING FOR?

Victory is never cheaply bought. It is only a means to an end. What is that end? What are we fighting for?

We are fighting for liberty, the most expensive luxury known to man.

We fight for simple things—for the little things that are all important.

We fight for schools built on a foundation of books, not bayonets.

We fight for town meetings, for the high school debating team, for open doors to cathedral, church and synagogue.

We fight for the right to organize for any decent purpose; for labor; for employers; for the Grange and the Legion and the Ladies' Literary Club, and for lodge meetings in full regular on Tuesday nights.

We fight for our candidate for sheriff and for the other fellow's candidate; and for the right to be angry we elected him and to say so.

We fight for the country editor and for the metropolitan daily, and for the editor's right to say the wrong thing if he thinks it's right.

We fight for free radio, for the right to listen to what we want and to turn off what we don't want.

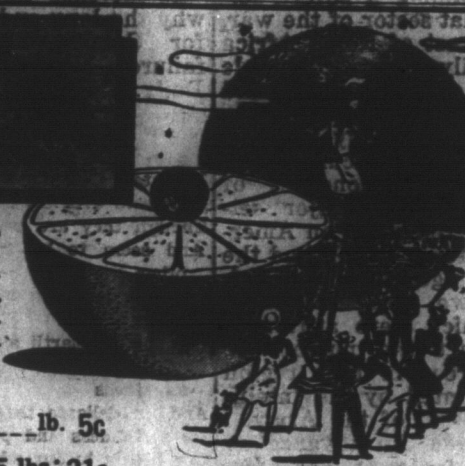

We fight for the right to work at jobs of our own choosing; to read the books we want to read; to listen to the music that pleases us, without regard to the race or nationality of the composer.

For these things we fight.

BIBLE THOUGHT AND PRAYER

If someone will have their children memorize the daily Bible selections, it will prove a precious heritage to them in after years.

Thou Shalt love the Lord Thy God with all Thy heart and with all Thy Soul, and with all Thy Strength, and with all Thy mind; and Thy Neighbor as Thyself.

Failure At Cassino

It has been evident for some time that something missed fire in the Allied invasion of Italy, and that we were sustaining a severe setback in that sector of the war. The conquest of North Africa and Sicily were notable triumphs for American and British arms. But somebody seems to have vastly underestimated the difficulties involved in the conquest of Italy. The first major setback occurred when an American task force established the Anzio Bridgehead, in which venture we suffered heavy losses, which were attributed to the fact the number of enemy forces in that region underestimated by the Intelligence division of the Army.

Since then the advance on Rome and the conquest of the Italian mainland has appeared to have reached an impasse. Now, after a long siege of Cassino, a key base straddling the approach to Rome, and numerous bloody attacks, our military leaders are forced to acknowledge defeat in the effort to dislodge the Germans and seize the position. Were these costly operations foreseen when we began the invasion, or are they attributable to faulty planning or faulty execution? These are highly important questions for which there should be some satisfactory answer. If we cannot take Italy, how can we hope to fight the battle of Europe?

But the Italian picture is not all disappointment. In spite of the many reverses and the present apparent stalemate in the advance on Rome, the operations as a whole have achieved some highly important results. Italy has been knocked out of the war and eliminated as a combative factor, leaving Germany as the only major power to be overthrown in Europe. The Mediterranean Sea has re-

verted to Allied control, leaving these waters free for the movement of Allied shipping and naval operations. These are vital results brought about by the invasion of Italy. But we still face the question of why the long and bloody fight for Cassino has ended in failure.—Northern Virginia Daily.

THE EASTER LILY

How tall and regal it is!
It towers over all the other flowers.
Though they are beautiful,
And seem to be vying with each other
In their desire to bloom for Easter day!

As long as Earth and Time endure,
The Easter lily with its exquisite sweetness
And its delicate fragrance,
Its stateliness and purity, will turn
Our hearts to our adorable Lord!

Its rare beauty will influence us
To make our lives regal and pure
For our "Call" on our Resurrection Morn.

O, may we catch the fragrance
Of His Love Divine, that we may bloom
In fragrance rare

While on our "Pilgrim Way".
Then in Eternity we will praise
And adore our Risen Saviour.
May we all this Easter Day
Let our voices ring out
In rapturous praise and melody—
Holy! Holy! Holy!

To our Precious Lord and Saviour
The Risen King of Kings!

CHAMBER OF COMMERCE (Last Week)

The regular luncheon meeting of the Prince William Chamber of Commerce was held at the Prince William Hotel on Tuesday with good attendance. Special guests introduced by members included the Misses Nancy and Betty Parrish, Mrs. Frank Parrish, Carolyn Cooksey and Miss Rita Robinson of Catrapin.

Dr. George B. Cocke announced that the nominating committee had met and prepared a list of standing committees for the consideration of the members of the Chamber and this was unanimously accepted and approved.

Edgar G. Parrish reported that he had been informed by Mr. Rosenberg that the R. E. A. was prepared and ready to go ahead with the frozen food locker plant for this region and to receive applications for rentals of lockers.

Dr. Cocke introduced Major Joseph Mills Hanson, chairman of the newly-formed National Battlefield Park Committee, who addressed the meeting briefly, stressing the importance not only of the park as an asset to the community but of the interest of members of the community in the significance and development of the park as a permanent landmark and attraction, one of a system of 168 National Parks, both scenic and historic. He urged that local people inform themselves about the park in order to pass along such information to the inquiring public, and also that they be on the lookout for objects and literature pertaining to the First and Second Battles of Manassas and the history of the region in general, with a view toward the enlargement of the park Museum and Library.

In closing Major Hanson pointed out that the fields of these battles, since 1865, have been studied and visited personally by the best generals and other officers of the best armies of the world who find here for study examples and problems of military strategy and logistics of the first of modern wars, and from which even today much can be learned and gained.

HARRY REDMON

Harry Redmon, of Bethel Community, Woodbridge, Virginia, seventeen-year-old son of Emory and Susie Redmon, was called to his reward January 26, 1944.

He had been in delicate health all his life and was unable to take an active part in the community life. He was gifted with a musical talent and his lovable disposition had won him many friends.

He leaves to mourn his loss besides his mother and father, one brother, Wilmer; aunts, uncles and cousins.

Services were held by Rev. A. H. Shumate in the home and burial was made in the family cemetery near Bethel.

The voice is mute and stilled the heart

That loved us well and true;
Oh bitter was the trial to part
From one so good as you.

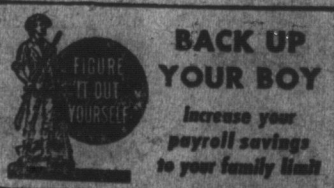

He had a smile for everyone.
A heart as pure as gold;
To those who knew and loved him,
His memory will never grow old.

FAVORITE FROLIC
IN "CRAZY HOUSE"

"Crazy House," newest and dizziest of the Olsen and Johnson screen comedies will show at the Pitts Theatre soon. Presented by Universal, the new fundim is said to be even funnier than "Hellzapoppin'" and features one of the largest aggregations of popular talent ever packed into one movie. Notable in the huge cast include Cass Daley, Martha O'Driscoll, Patric Knowles and Thomas Gomez.

The Olsen and Johnson method of making a motion picture, is the theme of the hilarious story. Special feature attractions include Tony and Sally DeMarco, Count Basie and his orchestra, Marion Hutton and the Glenn Miller Singers, Chandra Kaly and his dancers and the Delta Rhythm Boys. Other favorites in the gay production are Leighton Noble and his orchestra, Percy Kilbride, Richard Lane, Billy Gilbert, Edgar Kennedy, Franklin Pangborn and Hans Conried.

Edward F. Cline directed "Crazy House" which also has Allan Jones, Leo Carrillo, Andy Devine, Robert Paige and Alan Curtis as its guest stars.

"FIRED WIFE" FEATURES CAST OF WELL KNOWN PERFORMERS

The long arm of coincidence, rigorously excluded from the plot of Universal's romantic comedy, "Fired Wife," to show at Pitts Theatre, will be active however, in arranging the personal histories of its cast. Seldom have been found so many parallel instances in the lives of so comparatively few players.

"Fired Wife," has two leading ladies. This is not an unusual circumstance, but it becomes so by the fact that both leading ladies, Louise Allbritton and Diana Barrymore, started off their teen years by promptly breaking their noses. Today neither profile shows a trace of the fracture.

Despite the perfect appearance of her proboscis today, Louise Allbritton broke it no fewer than three times in her early years. A celebrated tomboy, she was a star half-back on her school football team. She sustained her first nasal fracture in a gridiron game and then broke it twice diving into swimming pools. Miss Barrymore broke her nose falling off a horse at the age of twelve.

Walter Abel and Alan Dinehart, in the cast of "Fired Wife," were both born in St. Paul, Minnesota. Both men have skills of professional calibre beside their acting. Dinehart has been co-author of five Broadway stage hits. Abel is a first-rate painter in oils. He has spent many summers in the artists' colony at Ogunquit, Maine, the town, incidentally, where Miss Barrymore, herself a talented sketch artist, made her professional acting debut. She draws excellent cartoons as a hobby. She does her co-player in "Fired Wife," Walter Catlett.

Robert Paige is co-starred with Miss Allbritton in the new fundim which was directed by Charles Lamont. Alex Gottlieb was the producer.

FROM THE SCRAPBOOK OF WILLIS H. CARRIER, FOUNDER OF THE SCIENCE OF AIR CONDITIONING.

MY 4-H CLUB PROJECT

Our farm is located in Fairfax County near McLean, Virginia. We are dairy farmers, having about thirty-five head of milk cows. That is the main thing we do, except a little trucking.

I have been a 4-H Club member for four years. I have a grade Holstein. She is three years old and has had one calf which I sold.

I have attended most of the meetings and also one fair. I entered my heifer in the fair. She did not take a prize but I had lots of fun as well as experience getting her ready. I bathed her every day as well as brushed and curried her. At first I had some trouble getting her to lead, but we finally mastered that. My cow is D.H.A. tested. Her record is very good. The first time she was tested, her test was 4.1 butterfat.

We feed commercial dairy feed, brewer's grain and ensilage. We also get a feed chart from the tester and feed the amount he says is correct for production. We have very good pasture, about forty acres. They also have plenty of good water both outside and in the barn.

The best way to keep disease down is to keep everything nice and clean, which we try to do. Our barn is cleaned and lime down every morning. All of the manure is moved away in a pile fifty feet from the barn, where the cows cannot get to it. They are T.B. tested too, which I think is a great thing to help control T.B. in people. We also watch for Bangs, and sell them as soon as possible.

We generally put our dry cows on pasture and also keep up feeding dairy feed. They have to have the proper amount of feed to have a good production when they are fresh.

We raise most of our heifers. That is if they are from good cows and sires. We have about eight heifers to come fresh this fall and winter. They are mostly grade Holsteins.

We have a Guernsey sire. He is a very good bull. We have not had him very long and we do not have any of his heifers yet.

I think 4-H club work is a grand thing for boys and girls to do. It gives them a better understanding of the work that is going on in the community and also helps them to learn more modern methods of doing their work. It also makes them feel that they are partly responsible for the work.

Tax Collector or County Treasurer of Prince William County.

TAKE NOTICE that on the 10th day of April, 1944, or as soon thereafter as petitioners can be heard, the United States of America, by its attorneys, will apply to the District Court at Alexandria, Virginia, for the appointment of a jury or commissioners to ascertain just compensation for the fee simple interests, estate and title in and to the hereinafter-described parcels or tracts of land, subject, however, to existing easements for all public roads and highways, except Highways Nos. 644, 643, 629, 632, and 620, for public utilities, for railroads and for pipe lines, desired by the United States for use in connection with the Choptank Project, Virginia, and to assess the damages, if any, to the other property of the owners of said tracts of land beyond the peculiar benefits that will accrue to such other property from the development of said project in the County of Prince William, Virginia; which said interests, tracts or parcels of land desired by the United States are situated in the County of Prince William, Virginia, and are more particularly described as follows:

TRACT NO. 228

Beginning at a point (1), being on Highway No. 629, 1860 feet southeasterly from the intersection of Highways Nos. 643 and 629; thence North 55 degrees 17' 10" East 1082.37 feet; thence South 20 degrees 21' 40" West 921.40 feet to Highway No. 629; thence in a westerly direction along Highway No. 629, 660 feet to the point of beginning, containing 6 acres, more or less.

TRACT NO. 217

That certain piece or parcel of land situated in the County of Prince William, Virginia, and more particularly described as follows: Located in Dumfries Magisterial District approximately 2 miles from Dumfries, Virginia, on Route No. 643; being bounded on the Northeast by Highway No. 643; on the East by the lands of Harvie Williams and the Department of Interior; on the Southwest by the land of the Department of Interior; and on the Northwest by the lands of Joseph Reid and Hannah Gaines.

Being the same land as that conveyed in a deed from Jeremiah Davis to J. H. Davis dated in 1895 and recorded in Will Book V, page 74 in the Office of the Clerk of Prince William County, Virginia, and more particularly described as follows: Beginning at a point (1), said point being a corner common to land formerly owned by J. J. Tolson, W. H. Brown and A. A. Hoot; thence South 31 degrees 34' 50" West 1305 feet to a point; thence North 78 degrees 14' West 1180 feet to a point; thence North 22 degrees 22' 40" East

United States of America, Petitioner.

vs.
830.925 Acres of Land, More or Less, in Prince William County, State of Virginia, and Joseph Abel, et al., Defendants.
Miscellaneous No. 462

ORDER OF PUBLICATION
The object of the above-entitled proceeding now pending in the said Court at Alexandria, Virginia, under the style above given is for the United States of America to acquire by condemnation, under judicial process, the fee simple title in and to the parcels of land described in the Notice of Condemnation appended to this order and made a part hereof, subject, however, to existing easements for all public roads and highways, except Highways No. 644, 643, 629, 632, and 620, for public utilities, for railroads and for pipe lines, for use in connection with the Choptank Project, Virginia. And it appearing by affidavit duly filed herein that there are or may be persons interested in the subject to be divided or disposed of in this proceeding whose names are unknown, it is ORDERED that all persons named in said notice and all such persons, if any, as are or may be interested in the subject to be divided or disposed of herein, whose names are unknown, and all persons whom this proceeding may concern, be and they hereby are made parties defendant to this proceeding, and that they do appear in this Court at Alexandria, Virginia, within ten days after publication of this order and do what is necessary to protect their interests, or be forever barred from making or asserting any claim in or against the subject matter of this proceeding or the property condemned herein by the United States of America.

And it is further ORDERED that a copy hereof, and a copy of said notice appended hereto, be published once a week for two consecutive weeks in THE JOURNAL, a newspaper published in Manassas, Virginia, and having general circulation in the County of Prince William, Virginia, and that the United States Marshal for this District do forthwith post copies of this order and said Notice of Condemnation appended thereto:

At the front door of the Courthouse in Prince William County, Virginia;

On the bulletin board of this Court at Alexandria, Virginia; and file a certificate of the fact of such posting in the papers in this cause.

It is further ORDERED that the said County, that a like copy hereof

be sent, by registered mail, to the said mentioned defendants at the last known address as shown by said affidavit and application, and that a like copy hereof be posted on or before the next succeeding rule day.

'FLESH AND FANTASY' BOLD, FASCINATING ACHIEVEMENT

"Flesh and Fantasy," the production which has probably aroused more curiosity and comment than any film in recent seasons, will be shown at the Pitts Theatre. Presented by Universal and co-produced by Charles Boyer and Julien Duvivier, the extraordinary new picture is totally unlike any previous screen venture. It has an element of novel, striking surprise which, in itself, is gripping entertainment while the story, or stories, it tells will be remembered as amazingly and dramatically thrilling.

Many noted stars appear in vivid roles as the multiple plot unfolds. They include Bob Benchley, Betty Field, Robert Cummings, Edward G. Robinson, Charles Boyer and Barbara Stanwyck. Distinguished dramatic portrayals are delivered by Edgar Barrier, Thomas Mitchell, C. Aubrey Smith, Anna Lee, Dame May Whitty and Charles Winninger.

Three separate but inter-related tales by Oscar Wilde, Laslo Vadnay and Ellis St. Joseph respectively, have been cleverly merged in the screen play by Ernest Pascal, Samuel Hoffenstein and Eli St. Joseph. Presented as episodes, the stories are linked by an ingenious plot structure and the unified result is completely fascinating.

The first episode, dealing with the psychological transformation of an unattractive woman into a glamorous creature, has Betty Field and Cummings in the leading roles. Through supernatural, yet logical means the action blends into the second episode which reveals Edward G. Robinson as the potential murderer who is unwittingly doomed by a clairvoyant. Merged into this situation is the absorbing performance of Charles Boyer as the circus tight wire artist involved with a refugee crook, portrayed by Miss Stanwyck.

A spectacular climax, unique in every cinema respect, brings the film to its startling conclusion. Boyer's keen conception of entertainment values is evident throughout the production and the superlative direction by Duvivier gives each scene a high degree of importance. Cinematographers Paul Ivano and Stanley Cortez win prizes for their exceptional camera work. The music score by Alexandre Tansman is outstanding and special credit is due Musical Director Charles Previn.

'FLESH AND FANTASY' BOLD, FASCINATING ACHIEVEMENT

"Flesh and Fantasy," the production which has probably aroused more curiosity and comment than any film in recent seasons, will be shown at the Pitts Theatre. Presented by Universal and co-produced by Charles Boyer and Julien Duvivier, the extraordinary new picture is totally unlike any previous screen venture. It has an element of novel, striking surprise which, in itself, is gripping entertainment while the story, or stories, it tells will be remembered as amazingly and dramatically thrilling.

Many noted stars appear in vivid roles as the multiple plot unfolds. They include Bob Benchley, Betty Field, Robert Cummings, Edward G. Robinson, Charles Boyer and Barbara Stanwyck. Distinguished dramatic portrayals are delivered by Edgar Barrier, Thomas Mitchell, C. Aubrey Smith, Anna Lee, Dame May Whitty and Charles Winninger.

Three separate but inter-related tales by Oscar Wilde, Laslo Vadnay and Ellis St. Joseph respectively, have been cleverly merged in the screen play by Ernest Pascal, Samuel Hoffenstein and Eli St. Joseph. Presented as episodes, the stories are linked by an ingenious plot structure and the unified result is completely fascinating.

The first episode, dealing with the psychological transformation of an unattractive woman into a glamorous creature, has Betty Field and Cummings in the leading roles. Through supernatural, yet logical means the action blends into the second episode which reveals Edward G. Robinson as the potential murderer who is unwittingly doomed by a clairvoyant. Merged into this situation is the absorbing performance of Charles Boyer as the circus tight wire artist involved with a refugee crook, portrayed by Miss Stanwyck.

A spectacular climax, unique in every cinema respect, brings the film to its startling conclusion. Boyer's keen conception of entertainment values is evident throughout the production and the superlative direction by Duvivier gives each scene a high degree of importance. Cinematographers Paul Ivano and Stanley Cortez win prizes for their exceptional camera work. The music score by Alexandre Tansman is outstanding and special credit is due Musical Director Charles Previn.

Old Favorites
In Wartime Roles
Please Family

Apples and cheese are old favorites in this pie. The crust is simple and baked ahead of time. Only a small amount of cheese is required for topping. The pie may be served hot or cold.

What are your fondest memories of home? My guess is that it's the wonderful aroma of baking day in mother's kitchen!

Baking is fun and the results are more than gratifying. Not only do you enjoy the food immensely in the process of making, but there's great pleasure in placing a pie, muffins, coffee cake or whatever, that you yourself made, in front of the family.

Ovens should be checked frequently to assure success in baking. Follow baking temperature and time carefully; they'll help you get good results.

How about an apple pie tonight? Don't say you don't have time because this is as simple as Simon.

If you have ready-made-up pastry in the refrigerator, then it will be simpler than ever to whip up this pie and surprise the family:

Apple Cheese Pie.
(Serves 6)

1 cup sugar
3/4 cup water
3 to 4 tablespoons lemon juice
1 quart peeled, sliced apples
Baked 9-inch pastry shell
1/2 to 3/4 cup grated sharp American cheese

Combine sugar, water and lemon juice in saucepan and bring to a boil. Then add sliced apples and simmer, covered, until apples are soft, stirring occasionally. Arrange apples in baked pastry shell and sprinkle grated cheese over top. Place under broiler to toast cheese topping, or serve without toasting, if desired. Serve pie warm or cold, as preferred.

Since cocoa is now obtainable in limited quantities, perhaps you might like to indulge in that favorite of cakes:

One-Egg Chocolate Cake.

1 1/2 cups sifted cake flour
2 teaspoons baking powder
1/4 teaspoon soda
3/4 cup sugar
2 tablespoons water
5 tablespoons semi-sweet chocolate or 4 tablespoons unsweetened cocoa
4 tablespoons shortening
1 egg
1/2 cup milk
1 teaspoon vanilla

Mix and sift flour, baking powder and soda. Cook 2 tablespoons sugar, water and cocoa for 1 minute, stirring constantly. Cream shortening and remaining sugar together. Add egg; beat well. Add sifted dry ingredients. Add chocolate mixture, milk and vanilla. Bake in small layer cake tins or one square pan in a moderate (350 degree) oven 20 minutes for layer cake; 30 minutes for loaf cake. Frost with Seven Minute Icing.

Tea-Time Cake.

(One Cake 10 by 7 by 1 1/2 inches And 2 Small Loaves)
1 1/2 packages (not granular) yeast
1/4 cup tepid water

Handy Hint: Berries and fruits will keep in perfect condition for days if stored in refrigerator, spread on a platter with a piece of parchment or waxed paper covering them completely.

Strong flavored foods stored in the refrigerator should be wrapped carefully, or would you rather have your chocolate pudding taste of onion and your beef-steak of cantaloupe?

Try a dash of ginger with chocolate icings. It's delicious. When you don't use all your pintamato from a can, place it in a glass jar, and cover with paraffin.

*Recipe Given

1 teaspoon syrup or sugar
1 1/2 teaspoons salt
3 tablespoons sugar
1/4 cup lukewarm peach juice
1/4 cup lukewarm water
1 egg, well beaten
1/4 cup currants or raisins
5 tablespoons melted shortening
1/4 teaspoon cloves
1/4 teaspoon cinnamon
1/4 teaspoon nutmeg
4 to 5 cups sifted flour

*If these spices are not at hand, use 1 teaspoon vanilla extract for flavoring.

Pour the yeast into the tepid water, add the 1 teaspoon syrup or sugar, stir and let stand 5 minutes or until yeast is thoroughly softened. Put the salt and remaining sugar in the mixing bowl and pour in the peach juice and water, mixed. Add the yeast mixture and 2 cups of the flour. Beat until smooth, then blend in the beaten egg. Stir in the washed, dried currants or raisins, which have been lightly dusted with flour, and add the melted, but not hot, shortening. Stir the spices into 2 more cups of the flour and add to batter, mixing well. At this point the dough should cling to the mixing spoon. It may be necessary to add more flour.

Sprinkle 1/4 cup flour on mixing board, turn the dough onto the board, cover and let rest for 10 minutes. Knead quickly and lightly until dough is smooth and satiny. Put into a lightly greased bowl, turning the dough around in the bowl until all sides are coated with fat. Cover and set to rise in a warm place until double (about 1 1/2 hours). Sprinkle the board lightly with flour, turn the dough onto the board, and divide in halves. Cover and let rest 10 minutes.

Your family appreciates hot breads with its dinner, and these apple muffins with bran are just the thing for hearty appetites. Serve with Swiss steak and vegetables.

To make coffee cake: Pull one-half of dough into oblong shape and finish rolling with rolling pin until about the size of pan to be used for baking. Place in the greased pan. Cover and let dough double (about 1 hour). Brush top with egg white, diluted with 1 tablespoon water. Bake in a 375-degree oven for 25 to 30 minutes or until done. Cool, uncovered, on a rack.

To make 2 small loaves: Divide remaining half of dough into two parts and shape to fit small greased pans, filling them about half full. Cover and let rise until double. Brush tops with egg white. Bake at 375 degrees for 25 to 30 minutes. Cool, uncovered, on a cake rack.

Apple muffins can fill your kitchen with delightful fragrance and bring calls for encores at dinner:

Apple Muffins.
(Makes 8 medium)
2 tablespoons shortening
1/4 cup sugar
1 egg
3/4 cup grated raw apple
1 cup bran
1/2 cup milk
1 cup flour
1/4 teaspoon salt
2 1/2 teaspoons baking powder

Blend shortening and sugar thoroughly. Add egg and beat well. Stir in apple, bran and milk. Let soak until moisture is taken up. Sift flour with salt and baking powder; add to first mixture and stir only until flour disappears. Fill greased muffin tins 3/4 full and bake in a moderately hot (400-degree) oven about 30 minutes.

KIWANIS NEWS

The most important thing done at the Kiwanis Club Friday, March 17, was the reception of two new members. George B. Cocke returned to membership after years of absence. Joseph Eagle also became a member. Mr. O. D. Waters received them in a speech which was a departure from the usual type of reception speech.

Mrs. Vincent Davis led the members in a rehearsal of the songs to be sung at the minstrel show, Kiwanis Kapers, April 14. A letter from Chick Gillen from England was read by secretary Jack Royer.

"Got your Post-war
Car picked out yet?..."

★ "Sure, we're all short of help these days—and I may need a little more time, but you can depend on me to do these jobs carefully:"

Oil must be changed—old, worn-out oil drained and fresh, strong Esso Motor Oil in the summer grade correct for your car put in.

The chassis must be lubricated from stem to stern—at every point where wear might become serious. The older your car gets, the more it needs this lubrication.

The battery needs an examination, too. Maybe it should have a full charge for quick summer starts.

The radiator should be drained of all sediment, and fresh water put in. Couplings may need tightening, or replacing.

The tires must be checked for signs of wear or damage. Maybe switching 'em around can balance the wear, give you additional tire life now when you need it most!

The transmission and differential are important—let me look 'em over and make sure they have the proper lubrication.

"Mister, you're probably driving it right now... and if you don't think so, think this over..."

EVERYONE who ought to know agrees there just won't be new cars for everyone until quite a while after the war.

That means the only car you're apt to have for a long time is the one you've got right now. So take care of it as you never have before!

I can help a lot—if you'll let me. I've got the equipment and the reliable Esso products that will really save wear. Just let me go over your

car regularly—especially right now, between Winter and Summer.

Look at the check list of things that need doing, and let's start getting them done.

All these things won't cost much. They won't take long. But they're important for your transportation if they get done now.

And I can't do it alone. You've got to bring the car in—let's start today—what say?
