Johnson's Dilemma

From many daily newspapers affiliated with the Associated Press, we this week read the following "squib" on W. Marshall Johnson, former editor of The Manassas Journal.

"You'd better smile when you tell one about your mother-in-law to W. Marshall Johnson."

"He's on her side—and here's the reason:

"Seems everybody forgot Johnson's birthday—including his wife, two sisters and two brothers."

"But the mother-in-law sent him a card."

"Johnson is an Associated Press editor here (Richmond)."

Oather J. Fitzwater Talks 'Turkey' and Bags 8 1-2 Pound Turkey As Successful Result

After two years of "holding the dog" while others took their shots, Oather J. Fitzwater of Nokesville came up with the 8 1-2-pound wild turkey shown.

As guests of Bedford B. Uhler, Jr., on his 128-acre farm near Bull Run, Mr. Fitzwater and Richard Melms of Michigan began the hunt early Thanksgiving Day, accompanied by Mr. Uhler.

Shortly after the hunt began, a lone turkey was seen in a tree. It was Mr. Fitzwater's "day," and he began attempting to stalk the bird, but as the saying goes, "when he got there, the tree was bare."

Talks Turkey. Hiding in a bramble briar patch, Mr. Fitzwater began to call in his best turkey language, with the turkey soon answering him.

Joining him, Mr. Uhler was "sold" into holding the dog while Mr. Fitzwater stealthily and cunningly lured the turkey within a 25-yard range. One shot from this distance felled the bird and Mr. Fitzwater had the first wild turkey he had shot in two years.

Mr. Uhler describes his friend at that moment as being "quite elated," and adds that he took the turkey home but that he can't vouch for what happened to it after that.

As for the Thanksgiving dinner, all had turkey—domestic.

Lee, band director. Those taking part were Tom Kelo, Wallace Wright, Gilbert and Douglas Miller and Kenney Speaks.

Refreshments Served. Following the program, refreshments were served.

At the business meeting of the post, Joe Johnson, chairman of the athletic committee, announced that the first home games of the boys' and girls' teams would be played at 8 tonight against Lovettsville, in the Osbourn High School gymnasium. He also announced that the boys' team had 15 members, the girls' team 18, and that five new uniforms for the boys' team had been bought.

W. Breeden Killed Friday

Walter Breeden, 34, was killed about 10:30 Friday night, December 9, at the Southern Railroad crossing on Route 28, when the automobile he was driving collided with a freight train going east.

It is believed that Mr. Breeden ran into the train, apparently not seeing the train which was crossing the highway on a branch line.

Survived By Wife. He is survived by his wife, Mrs. Dorothy Breeden, and seven children, 14 years old and younger.

Until the time of his death, Mr. Breeden had been operating a farm near Manassas, while his wife was employed at the Central Mutual Telephone Company.

Officers who investigated the accident were C. S. Simms and J. A. Cobert.

Osbourn High to Play Second Game Friday

Osbourn High School will play its second game of the season tomorrow evening, when the Yellow Jackets will journey to Culpeper.

In Tuesday's game at Osbourn gymnasium, Falls Church took an early lead and managed to hold it for a final score of 28 to 25, although the Yellow Jackets came back for a final surge of power in the latter part of the game. Osbourn made four out of 12 free throws, with Jackie Saylor's high scorer, with six field goals.

Next week, the team will play the alumni of Osbourn on Thursday.

The Biblical day of rest is fast being converted into something else.

County Seal Sale Returns Total \$1104

Returns from the 1949 Christmas Seal Sale in Prince William County totals about \$1104 to date, according to Mrs. Paul Espenshade, County chairman.

The sum constitutes almost 45 per cent of the County's quota of \$2500, the minimum needed to finance the health program of the local Tuberculosis Association during 1950.

Reminders to Be Sent. To remind those who have overlooked the acknowledgment of their 1949 Christmas Seal letters, the Prince William Tuberculosis Association will mail brief "reminders," Mrs. Espenshade states.

"Because experience in former years has taught us that many residents are grateful for such a reminder at this time," she says, "the reminders are sent to bring the oversight to their attention."

"Busy with other Christmas preparations, a great many of us simply forget to acknowledge the seals and appreciate being reminded of it. We wish to stress that it is possible for a person's acknowledgment and his reminder letter to cross in the mail. When that happens, the recipient who has already made his returns should ignore his reminder letter."

Xmas Home Appeal Made For Youths

"A home for Christmas and the coming year would be by far the nicest present that many a child could receive," Mrs. Elizabeth Painter, of the County Welfare office stated this week and added that "the Prince William Department of Public Welfare has under its care several boys from 13 to 16 years of age who need just that."

Mrs. Painter says that for one reason or another, the boys have lost the care of their natural parents and have been boarded by the welfare department in foster homes where they have been given the love and care which makes them sound young citizens.

Need Responsibility. However, she says that as these boys grow, they need to develop self responsibility so that as they attain manhood, they can become independent persons.

Mrs. Painter urges interested farmers in this area to contact her if they would like to give a free home to a boy and that they are strong, healthy children who could give real farm help.

Manassas Chapter, U. D. C.— Holds Well-Attended Meeting

A well-attended meeting of the Manassas Chapter, U. D. C., was held December 7, with Mrs. E. B. Giddings and Mrs. Luther Alpaugh at their home on Prescott Avenue, with Miss Isabelle Hutchinson, president, presiding.

A record of the November meeting was read by the secretary, Mrs. Lewis J. Carper.

Registrar Mrs. W. A. Newman exhibited membership certificates which will be presented to the Fletcher sisters, Mrs. Fay Fletcher Price and Miss Gladys Fletcher. Corresponding secretary, Mrs. E. D. Wisler, read letters and notes of interest. A \$5 certificate was purchased for the County Tuberculosis fund. For the local library Mrs. Ernest Splitter, in memory of her husband, will give a book, "The Proud Way," by Shirley Selfert.

It was decided to arrange a program during the holidays for presentation of Crosses of Military Service, time and place to be announced.

Mrs. Marsteller Appointed
Mrs. E. H. Marsteller was named a committee for the purpose of arranging a program in all County schools using the "Memorial Day Annual" of 1912, published by the Department of Public Instruction at Richmond, the subject being the "Causes and Outbreak of the War Between the States, 1861-1865."

In the absence of Mrs. C. C. Lynn, Mrs. L. J. Carper presented the historical program and selected Miss Isabelle Hutchinson to read the poems, "Christmas in Virginia," composed by Miss Adeline Tyler and the late Miss Maud Ewell, and "Follow the Gleam," by Mary Jean Craik, a descendant of Dr. James Craik and Marianne Ewell of the Revolutionary period. From the U. D. C. Magazine, Mrs. Carper read "Christmas in the South."

New Flag Unfurled
The moment of thrills came when the new flag was unfurled. Mrs. E. H. Marsteller, assisted by Mrs. C. B. Compton, unfurled the new flag. The confederate flag recently purchased by the Ladies Memorial Association. The group stood and the president repeated these words, "Hats off, the flag is passing by, a flash of color beneath the sky." The Stars and Bars will survive on history's pages when naught can dim its lustrous

Car Dealers Are Honored

J. E. Bradford, Jr., of Hynson & Bradford, and R. F. Abel of the D. J. Martin Chevrolet Sales, Triangle, were honored at a campaign dinner held last Thursday at the Mayflower Hotel, Washington.

Over 200 persons attended the dinner. Mr. Bradford and Mr. Abel received special merchandise awards, as a result of their achievements in connection with the "Values Unlimited" campaign conducted by the Chevrolet Company during September and October.

The awards, made individually to all who had reached 100 per cent or more of their sales quotas in parts, service and trucks, were presented by officials of the Baltimore Chevrolet Zone office.

light; for God above, the God we love, knows that its cause was just and right."

Mrs. Dogan received several Confederate books for the Museum Library and an envelope of Confederate money, ranging from five dollar to one hundred dollar bills, donated by Mrs. Frank Cannon for the museum.

Mrs. Dogan expressed appreciation for a set of books, "Dictionary of American Biography," presented to the museum by the chapter and told of its daily use as reference. The hostesses served red ripe strawberries, cake, ice cream and coffee. Miss Mary Louise Wine joined the group in the social hour.

3 Nokesville Students To Be in 'Register'

NOKESVILLE—Herbert Eugene Wood, Carl Wilbur Todd and Miss Mary Catherine Weeks are the three students from Nokesville District High School who have been selected as the most outstanding students from the school and are included in the 1949-50 edition of the "High School Register."

The annual publication contains biographical sketches of outstanding high school juniors and seniors, selected from schools accredited by regional associations or by the several states.

Scholarship, leadership, service to the school and community, personality and probably future usefulness to society were the basis upon which the three students were chosen.
