

## SCHOOL BOND FORUM SET FOR TUESDAY

F. N. Hagmann, Jr. of Vienna is drilling a well in a deserted patch of woods on the Joplin road, about 4 miles from Route 234 at Independent Hill. This is believed to be the site of a proposed Army weather station, but if it is Hagmann doesn't know anything about it. "I asked 'em," he said, "but they told me just to dig and not ask any questions." The area is posted by the Marine Corps as an artillery firing range.

Town Council probably will not hold the special annexation meeting they planned for at their last meeting. Next regular meeting date is October 30 and, since nothing new has been learned on annexation, Council will wait until then and discuss whatever may be handy.

Six-year-old Gayle Churchill, daughter of Mr. and Mrs. Howard Churchill of Manassas, last Sunday was taken to Children's Hospital, Washington, to be treated for polio. Her condition is not critical. She is the fourth known case of polio in Manassas this year, and the 25th in the County.

Manassas's new well being drilled on North West was down to the 550 foot mark this week. Drillers expect to conduct a 24-hour test sometime during next few days, which is notice to residents close to the site to put cotton in their ears if they expect to sleep that night.

George A. Hatzes from Alexandria, visited Manassas last week, looking for possible sites for a metal parts plant. Hatzes was accompanied by the manager of the Alexandria employment bureau. Size of the plant, Hatzes told Town Manager James Ritter, would be 50,000 sq. ft. It would be placed on a 5 1/2 acre lot, and would require a truck dock and rail spur line. Hatzes is employed by an Alexandria real estate and loan company.

It was "Well, Well, Can You Beat That?" last Friday so far as Town workers were concerned when a town truck suddenly bounced hard on the dirt road leading off North Main St. into the old Fortner estate. Workers found that the truck had knocked the lid off an abandoned well. The well, 20 feet deep and 42 inches in diameter, was covered by boards two feet beneath the surface of the road. No one remembers ever having seen the well and trucks had been passing over it for a year.

No longer leaking is the main digester tank of Manassas's sewage disposal plant. Town Manager Ritter says there are a seasonal effort which cause the contents of the tank to churn up and settle again, whereby solid matter seals the hidden leak.

Fried oysters, baked ham, and all the trimmings will be offered on Saturday, November 4, at 8 p. m. by the Occoquan-Woodbridge-Lorton volunteer fire department. Location is the fire house in Occoquan, and receipts will be used to defray expenses of the fire department's operation.

The Order of the Eastern Star will hold a rummage sale at the Parish hall of Trinity Episcopal Church on Saturday, October 21, 8 a. m. until noon.

A new gas heating system was installed in Town Hall last week at a cost of \$777. The old system had but one thermostat, and it was necessary to heat the whole building to warm one room. Now the firehouse will be kept at a temperature of 55 degrees and the assembly room at 60 degrees, except during meetings.

An annual fall bazaar and chicken barbecue supper will be held in the basement of the Buckhall United Church of the Brethren on Thursday, October 26, at 6 p. m. There will be fancy food for sale.

The Calvin A. Lloyd Chapter, Order of the Eastern Star, Chapter 24, is having a bazaar Tuesday, October 24, in Masonic Hall, Quantico. Time is 10 a. m. until 10 p. m. A buffet supper will be served.

Members of the Aden Church of the Brethren are promising an evening of fun to those who attend the Church's Halloween party on October 25. Prizes will be given for costumes, the Nokesville high school band will entertain, and refreshments will be offered for sale.

The October meeting of the Manassas Garden Club will be held next Tuesday at 2:30 p. m. at the home of Mrs. William Florg.

### Jet Crashes Near Aden; Two Others Missing Here

An airforce jet fighter was completely demolished when it crashed near Aden about noon yesterday and two other jets, still missing at noon today, are believed to be down somewhere in Prince William.

The three planes were reported to be a part of a flight from Andrews Field.

The pilot of the plane crashed at Aden was taken to Quantico Naval Hospital by members of the Nokesville fire department. He told hospital authorities that he had seen the other two planes crash "in a body of water surrounded by trees." He then flew west, he said, "about 10 or 15 miles" before crashing himself. State police and Air Force authorities were searching in the vicinity of Lake Jackson and Occoquan for the missing fighters.

No one at Aden saw exactly how the crash occurred, but evidently the pilot tried a forced landing in a pasture on the farm of C. E. Baer, Jr. The plane, with landing gear down, jumped a ditch, and ripped through two fences, before the fuselage twisted apart. Wreckage was strewn for almost a mile across the bumpy pasture. Live target and tracer ammunition was scattered about the wreckage.

Searcher planes droned over the entire County yesterday afternoon. An Army C-47 spotted the Aden wreckage about two hours after the crash and circled the pasture for half an hour. A Navy helicopter flew up and down Occoquan Creek at low altitudes for most of the afternoon. Searchers were still busy today.

Remodeling and construction work, underway for the past month, at Cooke's Pharmacy is expected to be completed by Christmas. Outstanding features of the new store will include a complete glass front with double glass doors, a new soda fountain with 14 stools, and modern, symmetrical showcases.

When the \$30,000 job is finished, the interior of the pharmacy will be 20 feet longer than at present, giving customers more elbow room and the Manager G. Wallace Cooke more room for showcases and displays. An annex, being built into the rear of the present building, will house all drugs, and pharmaceutical supplies, as well as working space for pharmacists.

George B. Cooke, proprietor of Cooke's and Prince William Pharmacies in Manassas, says he hopes that the new store will be one of which everyone in Prince William County and Manassas can be proud.

Highlighting the new front will be the heavy glass doors and large windows which will be outlined by blue visualite, a durable, glossy building material. The heavy glass double doors will be recessed to eliminate the step up from the Center Street sidewalk. A ramp of low elevation degree will lead from the sidewalk to the doors. Just inside the doors a pair of phone booths will be located.

Sandwiches and light lunches will be served at the soda fountain which will be equipped with a grill. In addition to 14 fountain stools, the store will be equipped with tables and chairs.

Size of the annex at the rear will be 19 feet by 29 feet. An ice cream room for the manufacture and storage of ice cream will be located there. At the back of the annex, public toilets are being installed, as well as a brick incinerator. The second floor of the annex will be used to supplement storage space above the present building.

Contractor for the job is Ira Cannon of Manassas.

Parrish Elected President Of Locker Association

Frank Parrish of Manassas yesterday was named president of the Virginia Food Locker Plant Association, at the annual convention in Roanoke. S. J. Kite of Waynesboro was named vice-president, and Glen B. Holden of Richmond was elected treasurer.

Parrish is manager of Manassas Frozen Food Locker Plant, located on South Main Street.

### Court Orders Health Center Donors Get Full Refund

The Circuit Court ruled this week that the County treasurer must refund in full all contributions made in 1947 to a Prince William War Memorial fund.

About 1700 people contributed approximately \$14,800 to be used in the construction of a war memorial. A health center was envisioned, but later plans were abandoned. The County treasurer, thus, was left holding money he didn't know what to do with.

A legal problem arose with the question of whether to refund in full or to prorata the \$6,500 expenses among contributors.

The County now will take the loss, which will amount to about \$3,500. A three-acre lot, purchased for \$3,000 as a site for the health center, was ordered re-sold.

Revivalist Coming

Dr. Paul H. Bowman will conduct a series of revival services at the Nokesville Church of the Brethren, beginning October 22.

Dr. Bowman was president of Bridgewater College for 28 years, served on the brotherhood board of his denomination and several times has been moderator at Church of the Brethren annual conferences. At the present time he is serving as supply pastor of the Church of the Brethren in Waynesboro, Penna.

Christmas packages for Army, Navy and Air Force Military and civilian personnel stationed overseas should be mailed between now and November 15 to assure delivery by the holiday season, the Department of Defense announced today.

Greeting cards sent first class should be mailed within the suggested period. Air mail deliveries will be handled on normal schedules, and greeting cards sent by air may be posted as late as December 1.

Gifts should be packed securely in boxes of metal, wood or strong fiberboard. Each should be plainly marked, "Gift Parcel." The address, name, together with a list of contents should be written on a slip of paper and placed inside the box.

The Young People of the Nokesville Church of the Brethren will be entertained in the home of Mr. and Mrs. Willard Wilkins and Peggy on Saturday evening the 21st. During the evening Mrs. Raleigh Nelson will lead the devotional thinking. The young folks have a lot of plans for their future work so they are hoping for a large attendance. They are making a lot of plans for their Halloween party for Monday evening, the 30th for everyone.

The ladies of the Jr. Women's H. D. Club will meet at the home of Mrs. Mary Bowman on Tuesday October 24 for their regular meeting beginning with a luncheon served by the club's food leaders, Mrs. Bowman and Mrs. Wilfred Wood.

When the Religious Education Committee of the District met on Monday night for their meeting they made plans for the Fifth Sunday Night Service which will be held at the school, as usual, on

### Phone Rate Hearing Set For Nov. 27

Monday, November 27, has been set by the State Corporation Commission in Richmond as the date for a public hearing on the Central Mutual Telephone Company's application for permission to establish a toll charge between Manassas and Triangle.

Meanwhile, the Commission's auditing department has just completed its investigation of the telephone company's books and plant. Auditor's reports will be introduced at the hearing.

Central Mutual gave notice on August 24 that it would apply for a rate increase on October 1, in order to finance replacement of lines. Protests from Prince William citizens resulted in temporary suspension until a hearing could be held and a Journal editorial charged that a rate increase was unwarranted.

Judge H. Lester Hooker, commissioner for rates and telephones, will preside at the Corporation Commission's hearing. Sitting with Judge Hooker will be Judges W. Marshall King and Ralph T. Catterall.

Despite pleas from residents of this area that Richmond was too far from here, the Commission decided to hold the hearing in its courtroom there. Letters and resolutions may not be introduced as testimony, the Commission said, but attendance at the hearing is welcomed.

Feed Meeting Will Discuss Antibiotics

An authoritative report on the value of antibiotics and new vitamin discoveries in feeds will be one of the leading features of the fifth annual meeting of the Virginia State Feed Association at the Hotel Roanoke in Roanoke Wednesday, October 25.

Dr. H. R. Bird, scientist in charge of USDA's poultry research work at Beltsville, Md., will present his views on the subject during the morning session, according to O. B. Jones, Rapidan, president of the Association.

The feed meeting will be climaxed with the annual banquet at 7:30 p. m. when Robert Rosse, of Philadelphia, Pa., internationally-known humorist and philosopher, will be the speaker.

Registration begins at 9 a. m. Wednesday and the program will get underway promptly at 10 o'clock, Mr. Jones announced.

Prominent speakers who will address the convening feedmen include Dr. Walter S. Newman, president of VPI, Blacksburg, Va.; Fred C. Entermille, deputy director of the Grain Branch, PMA, USDA, Washington, D. C.; Ray B. Bowden, executive vice-president, Grain and Feed Dealers National Association, Washington, D. C.; and N. I. Franklin, director, Dairy and Poultry Division, Virginia Department of Agriculture, Richmond, Va.

Concluding the afternoon program will be a panel discussion.

### W. Thomasson Farm Brings Over \$100,000

The 311-acre dairy farm of the late Will Thomasson was sold this week by heirs of the estate. George C. Dickerson of Strasburg, Va. purchased the farm for a price reported to be "considerably more than \$100,000."

Included in the terms of the sale were a prize dairy herd of 131 animals, a nine-room house with modern conveniences, a tile 50-cow barn with two silos, a cider block, 50-cow barn with one silo, a horse and dry cow barn, various outbuildings and three tenant houses. The farm is located several miles southeast of Manassas on Route 28 between Cannon Branch and Millford.

Thomasson, who died at an advanced age early last Spring, had become one of the most successful dairymen in this area. He had lived on the farm for more than 40 years and was a director of the National Bank of Manassas.

Heirs of Thomasson's estate were Leslie Kline, Elizabeth T. Kline, Agnes T. Huffman, Claudia T. Compton, G. Lacey Compton, Sallie G. Ball, and Clay W. Ball.

### DHIA Group II Sept. Report

The following high herds and high cows for September were announced this week by John J. Jordan, Supervisor of Prince William Dairy Herd Improvement Association, number 1.

	Milk	Butterfat
1. Kincheloe & Michael	957	41.6
2. A. B. Fleming	662	27.7
3. Gray & Swartz	709	27.5
4. Kincheloe & Burke	745	26.5
5. C. C. Lynn	737	26.5

	Fifteen High Cows	Milk	Butterfat

### Conservation Allotment To PMA Increased

Prince William County Farmers have been allotted an additional \$2,500 to be awarded for soil conservation practices during 1950. This increases Prince William's allotment to \$43,542.

L. J. Pattie, county PMA chairman is urging farmers to use all the material they can and report it to the local office as soon as possible so that the entire allotment may be used during this program year. If all of the allotment is not used, the balance will have to be returned to the State for use in another county, Pattie said.

So far performance reports are lagging. Only 156 farmers out of a possible 533 have reported use of materials to the county office. January 15 is the last day for making these reports. Since the 1951 sign-up soon will begin, the PMA is asking all farmers to report performance as soon as possible.

It is hoped that none of the \$43,542.00 will have to be turned back to the State funds but unless farmers report the use of materials some of the funds will have to be returned, according to Pattie.

### H. D. Clubs To Dedicate United Nations Flag

Sixteen Home Demonstration Clubs in Prince William County will hold their annual achievement day at Dumfries Methodist Church on Thursday, October 16 at 10:30. The clubs have a total membership of over 400 women who are interested in all phases of home improvement.

The theme of the meeting will be "Women in World Friendship." Mrs. Ernest Keller, who has just returned from Copenhagen, will give a report of her trip.

The first United Nations flag to be completed in the county will be dedicated at this time.

Lunch will be served at Odd Fellows Hall by the women of the Methodist Church. Proceeds will be added to the church building fund.

### PTA Asks Peters to Speak, Stanley Owens to Preside

### Board Sees 21 Per Cent Tax Increase

The Prince William County Board of Supervisors today suggested a tax increase of 50 cents or about 21 per cent of present rates as necessary to retire the \$24 million school bond issue if it passes the November 7 referendum.

Based on the estimated tax assessment of \$20 million in 1951, the increase would bring in an additional \$100,000. The present tax rate is \$2.30 per \$100.

Average yearly payments to retire the bond issue would be \$103,000, according to figures submitted to the Board by Superintendent of Schools, R. Worth Peters.

According to the school building program outline, \$1 million would be spent the first year, another \$1 million the second, and the remaining \$22 million in the third year. Consequently, the maximum yearly payment of \$124,000 would come in the third year after all the money had been spent. The supervisors thought it might be necessary to increase the rate by 60 cents in that year, but a minimum increase of about 40 cents as the bonds reached maturity would make 50 cents an average increase.

If the bond issue passes the November 7 referendum, no payment of the principal will be due in 1951. However, interest of about \$20,000 will have to be paid, which the Board thought could come from existing surpluses.

### Highway Officials Examine Proposed Routes For Monticello

Richard Worthington, resident highway engineer, and three officials of the State Highway Department, D. N. Huddle, L. E. Akers, and A. K. Hunsberger, were in Manassas today to visit proposed routes for the Monticello Highway of Highways.

The group, along with the Prince William board of highway viewers looked at terrain between Manassas and Clifton, and will propose a route to the Virginia Commissioner of Highways.

Members of the board of highway viewers, appointed last week, are Harry Parrish, W. M. Johnson, J. L. Bushong, T. M. Russell, and William H. Wheeler.

The highway officials said they knew nothing about any plans for construction of the highway but were only making the survey for the Commissioner.

### School Teachers Offered Graduate Courses Here

Prince William County public school teachers are now doing graduate college work without going any further than Manassas. Under the direction of the Extension Division, University of Virginia, two classes in education are now meeting in Bennett School.

Nineteen teachers are enrolled in a course in School and Community Relations, being taught by Dr. Edward Alvey of Mary Washington College, and twenty-six teachers are enrolled in Dr. U. W. Leavell's course in Problems in Teaching.

The University Extension program will be continued as long as there are interested teacher-students.

The Prince William County Federation of Parent-Teacher associations this week called for a public forum on the proposed \$24 million bond issue for schools construction and asked Superintendent of Schools R. Worth Peters to speak at the forum, to be held in Osborn High School auditorium next Tuesday evening at 8 p. m.

With less than three weeks remaining before the proposed bond issue goes before a referendum, his meeting is the first organized attempt to create active interest in the question. A general apathy toward the bond issue has been evident and public interest, if not exactly nil, has been tacit. However, some index of public opinion may be expected from the meeting, since both opponents and supporters of the bond issue are certain to attend.

Commonwealth Attorney Stanley A. Owens has been asked to preside as moderator and the County Board of Supervisors as well as the school Board will be present to answer questions. Superintendent Peters is the only scheduled speaker.

Mrs. J. M. Young, president of the P-T-A federation has also asked Charleston E. Gnadt, County commissioner of the revenue, and C. A. Sinclair, County treasurer, to attend the meeting, possibly to report to the group on County finances.

Peters is expected to describe and analyze the need for a school building program and describe how the school needs would be met if the bond issue passes.

As yet there has been given no clear indication of how the bond issue would be retired. Conceivably, it might be done without increasing the present tax rate. Members of the Chamber of Commerce asked at their Tuesday meeting asked the Commissioner of the Revenue Gnadt if the bond issue might be retired without raising the tax rate. Gnadt returned a categorical reply, but indicated additional revenue to be expected in the next several years. He also predicted that operating expenses will be greater and said it is not possible to determine how much additional revenue may be available for retiring the bond issue.

In answer to questions, Superintendent Peters told the Chamber that the per capita cost of schools has increased about 15 per cent during the last five years. The school budget has increased much more than 15 per cent, he said, but in increase in the number of taxpayers kept the per capita cost down. Teachers' salaries in some areas have been raised as much as 80 per cent and building maintenance has been disproportionately high during the last several years, since no major repairs were undertaken during War years.

Thinking which regards an increase in present tax rates as the inevitable means of retiring the bond issue is "wrong thinking," Peters said. Some other form of taxation should be found for retiring the bond issue. A sales tax, he added, for it would be an equitable tax. Under a sales tax each pays as he is able, that is, in proportion to what he consumes.

Present tax revenue is derived from real estate, personal property, and merchant's capital, and an increase in these taxes would place an undue burden on the property owner. There are families in Prince William paying no County taxes, although they have several children in school, while on the other hand some property owners pay large tax bills and yet have no children in schools.

However, immediate chances for a sales tax are remote, since the Virginia General Assembly soundly defeated a proposed sales tax in their recent session and does not meet again until 1952.

## The Buzzer

September 28, 1950

Vol. 1—No. 1

Published by the students of Brentsville District High School, by agreement with The Manassas Journal.

### STAFF

Editor: Jewell Dickenson  
Assistant Editor: Shirley Bradshaw  
Business Manager: Robert Wood  
Assistant Business Manager: Jimmy Flickinger  
Faculty Advisor: Miss Joyce Moyers

### Wire Recorder?

By Jewell Dickenson

Brentsville students are expecting to win an electric wire recorder for the school.

An agricultural magazine is offering this recorder to us if we collect \$160 for subscriptions to their publications. We students at Brentsville are very anxious to get this recorder and we will probably be coming to see the people in Nokesville, asking them to subscribe to these interesting magazines.

A radio will be given to the home room which turns in the most subscription money and a box of candy will be given to the individual who has the most subscription money to his credit. Also the winning homeroom will be honored at the next school social.

### Editorial

By Robert Wood

The Brentsville District High School is in great need of a schedule, which will provide a period a day for study hall and time to take in extra-curricular activities without missing important classes.

We feel this way because we have to miss a class to take glee club and two or perhaps three classes a week for as many of the extra-curricular activities as we participate in. Also all work assigned is thrown on us at night and many of our students get behind in their work. They have to take a low grade because of the lack of time to do assigned work. We feel that we come to school to do almost all of our work there and not merely to scratch down assignments to take home and work on. We also feel that we should

have more free time which we can spend in the library. Since our Junior Class first entered high school three years ago, we have not had a study hall. We have had six periods and six classes. We feel that something should be done about it right away. We are asking that we be granted our old seven period schedule immediately.

### Possibilities of Mobile Unit And Dentist Discussed

By Robert Wood

On October 5 the S. C. A. Health and Welfare Committee met with the principal and council advisor to discuss possibilities of having a Mobile Unit in the county for the use of the B. D. High School students. The students have not been X-rayed for three years. A plea was made by a number of the students to the Health and Welfare committee for X-rays.

They discussed having a dentist come to the school to examine high school student's teeth, with the agreement that defects would be corrected by the examining dentist. These are two of the many objectives of the Health and Welfare Committee.

### The F.F.A. Receives Tractor

By William White

The F.F.A. received a J. I. Case Warehouse tractor through the auspices of the State Department of Agriculture during the past summer. This tractor is the type used in factories and around ar-

ports. The chapter hopes to trade this tractor in on a general purpose one which can be used for farm purposes. The general purpose tractor will be used on the chapter farm which is now located on Mr. Zirkle's farm near Nokesville.

The chapter plans to rent out the tractor to farmers in the neighborhood who need an extra tractor during busy times. Also members of the chapter will operate the tractor for people in the neighborhood.

### Briefs

The Juniors have chosen a committee to pick the play. They are: Shirley Bradshaw, Mary Stephens, Leon Herring, Lester Parsons, Sally Keys and Linda Mauck.

The class will be measured for school rings October 26th.

The Junior Women's Club of Nokesville will present a United Nations flag to the school on October 24th.

"Smoother, simpler, more efficient!"  
—that's how engineers hail this amazing new automatic drive that's coming soon in the new 1951 MERCURY.

MAYBE you've read about it. Surely you've heard about it. It's the amazing new automatic transmission developed by Ford Motor Company. Now you're going to see it, thrill to it, for the first time in any car, in the new 1951 Mercury.

### Called Merc-O-Matic

Merc-O-Matic is the name. And of this you can be sure: there'll be nothing like it on the road! The thrilling new 1951 Mercury will be making a debut in our showrooms in a very few days. And once you see it, we think you'll agree:

For "the drive of your life," it's the new 1951 Mercury with Merc-O-Matic Drive!

What is Merc-O-Matic Drive? It's a completely new, completely automatic drive developed under the direction of Ford Motor Company and Borg-Warner transmission engineers, and made to order for Mercury's great, V-type, 8-cylinder engine. It's s-m-o-o-t-h-e-r, simpler, more efficient!

### Makes every driver an expert

Naturally, there's no clutch or gearshift. But there the resemblance to other drives ends. For this new Merc-O-Matic Drive is different. Even the easier-to-read indicator panel is different. The drive selector is so arranged that a person accustomed to a standard shift will feel perfectly at home. And if you're familiar with other drives, you'll notice immediately the big

difference in the way this new 1951 Mercury with Merc-O-Matic performs.

There's no "mushiness." With Merc-O-Matic Drive you get instant, certain response. You start in one smooth sweep of power. No tugging as gears change. There's a "down-shift" for extra hill-climbing and passing power; just press the accelerator smartly to the floor. And Merc-O-Matic is cool operating—no uncomfortable heat in the passenger compartment. There's no "runaway" downhill. You are in control all the time with the engine's compression at work to save your brakes.

There's no stalling in traffic. Park on a hill if you like. You're safe. Merc-O-Matic Drive locks when in Parking position.

Yes, Merc-O-Matic is going to make you forget all you ever knew about automatic transmissions. This is it—the easy, sure, safe, s-m-o-o-t-h-e-r "drive of your life." And—it's extremely thrifty.

### Dozens of New Features in 1951 Mercury

But Merc-O-Matic is only part of the great new Mercury for 1951. There's a new look from end to end... beautiful new styling... rich, new fabrics and colors to make Mercury for 1951 one of the smartest cars on the road.

New safety, too—the new rear window alone gives you more than 1,000 square inches of safe viewing area. Greater comfort in a new, improved ventilating system which brings you just the amount of fresh air you want, when you want it, and where you want it.

It's the plus car of the year—plus on beauty, plus on comfort, plus on safety, plus on economy—plus on everything but price!

All that and the great new Merc-O-Matic Drive, too. Yes, you'll want to see these new Mercurys. So watch Mercury showrooms for the new 1951 Mercury with Merc-O-Matic for "the drive of your life"—for "the buy of your life."

"It has always been the first aim of Mercury and its dealers to bring you each year a better car, better in every way that engineering, research, and experience can achieve. "For 1951 we are proud to present the great new Ford Motor Company automatic transmission—Merc-O-Matic Drive—developed by what we regard as the greatest team of engineers in the country today. We think this automatic drive is as efficient and as reliable as the automobile industry knows how to build today. "We sincerely believe that the new 1951 Mercury, with its Merc-O-Matic Drive, its new style and comfort, will be the greatest of all Mercurys."

*Burns Ford*  
Vice-President and General Manager

# The Manassas Journal

Established 1869

JOHN GALLEHER, President and Publisher

LAWRENCE WEEKLEY, Editor

Published every Thursday, at the office of the Manassas Journal, Manassas, Va., by the Prince William Publishing Co., Inc.

Entered as second-class matter, Post Office, Manassas, Virginia.

Subscription Rates: By the year, \$2.00; outside Prince William County \$2.50; single copy, 5 cents. All subscriptions payable in advance.

## Cannon - Davis

Grace Methodist Church, Manassas, was the setting at 5 p. m. on Thursday afternoon, October 12, for the marriage of Miss Margaret V. Cannon, daughter of Mr. and Mrs. J. A. Cannon of Manassas, to James Vincent Davis, Jr., son of Mr. and Mrs. J. V. Davis of Manassas. Dr. H. E. Huggins, pastor of Grace Church, performed the service, attended only by members of the immediate families.

The bride was attired in a suit of green velvet, a small velvet hat, and brown alligator accessories. She wore a shoulder corsage of white orchids.

Mrs. Harry J. Parrish of Manassas was matron of honor and Mr. J. V. Davis was his son's best man.

The bride is a graduate of Osborn High School, Manassas, and is employed at the National Bank of Manassas. The groom graduated from Warwick County High School and George Washington University.

After a wedding trip to the Shenandoah Valley, Mr. and Mrs. Davis will reside at 212 South Main St., Manassas.

## CLUBS

The October meeting of the Woman's Club of Manassas will be held Monday, October 23, at 8 p. m. in the Veteran's of Foreign Wars building on the corner of Partner and Main Streets. Mr. Richard C. Haydon, assistant State superintendent of schools, will be the guest speaker. Hostesses for the evening will be Mrs. T. E. Didlake, Mrs. Roy Dunham, Mrs. Hawes T. Davies, Jr., Mrs. R. L. Johnson, Mrs. V. V. Gilliam, Mrs. Lawrence Gregory, Mrs. Eleana Henry, Miss Aileen P. Taylor, and Mrs. John Galleher.

Mrs. G. Raymond Ratcliffe attended the reception on October 11 in Washington given by Mr. and Mrs. Eli Swavelly in celebration of their 50th wedding anniversary. Dr. V. V. Gilliam and Dr. R. T. Johnson were in Fredericksburg attending the northern Virginia Dental Society meeting.

Billy Haydon of VPI spent last weekend here. Mr. and Mrs. Kenneth R. Pennie of The Lawn left Wednesday for several weeks' visit in New York City.

## Miss Alice Hefflin Weds Gordon A. Anderson

Miss Alice Marie Hefflin, daughter of the late Willard Marvin Hefflin and Mrs. Mary Anderson Hefflin of Triangle was married last Saturday at 10:30 a. m. to Gordon Virgil Anderson, son of Mr. and Mrs. Virgil G. Anderson of Hoadly. The Rev. Clark H. Wood performed the double-ring ceremony at his home in Manassas. Only members of the immediate families attended the wedding. Mr. and Mrs. Hefflin will make their home in Triangle.

## TRAILWAYS

## Nokesville

Sunday evening, October 29. They are also planning a Community Thanksgiving Service to be held one evening before Thanksgiving. Dr. Paul Bowman will be the guest speaker each evening, beginning on Sunday evening, for a week, at the Nokesville Church of the Brethren and closing with the Love Feast on Sunday evening, the 29th. Mr. and Mrs. Athey Trout of Vienna are the folks who have bought the W. J. Newland place. They have three children, Freddy, Eleanor and Dorothy. Mr. Trout is the Sanitation Inspector for Fairfax County. They were former "next-door" neighbors of the John Williams family.

Mr. and Mrs. Grant Fitzwater of Washington, D. C., said "Hello" to Nokesville friends recently on their way back to visit their parents at Wardensville, W. Va., and at Bergton. Grant says they read the Journal and enjoy reading about Nokesville friends each week. The Williams family spent Saturday with Mrs. Williams' parents, Mr. and Mrs. Frank Williams in Arlington.

We are sorry to hear that Marshall Cooke, who made his home with the Stultzes for many years, is very ill, at his home in Alexandria, with pneumonia.

Jay Garman spent the past weekend with his homefolks. Miss Mary Hooker also at Bridgewater College, spent the weekend of the 8th with her homefolks.

Some of our "news" items this week will be a week too old, because not all of the news could be printed last week.

Miss Bernice Hooker who is now employed at the McGuire Hospital near Richmond, spent the weekend with her homefolks.

Rev. and Mrs. William Ramkey of Bridgewater, are receiving congratulations this week, on the birth of a daughter on Friday, the 13th, at the Rockingham Memorial Hospital at Harrisonburg. Mrs. Ramkey is the former Miss Lois Sloop who taught in our local school for many years.

Also born on Friday 13th was a little son to Mr. and Mrs. Frances Wells of Manassas. The little fellow is in the incubator at Physicians Hospital in Warrenton and we do hope mother and son will get along fine. Little Miss Effie Jean Wells

and her brother Ronnie, meanwhile, are staying with their grandparents here, Mr. and Mrs. S. D. Somers.

Mr. and Mrs. Laco Halterman of Morrisville were Sunday guests of Mr. and Mrs. David Yankey and family.

Sunday dinner guests of Mr. and Mrs. C. F. Flory were Mr. and Mrs. N. J. Loeffler and daughter, Barbara of Washington, D. C., and Mr. and Mrs. E. C. Owens, Miss Frances Owens and Johnny Owens. It's so good to see Mr. Owens able to be out again.

The Floyd Colliers who have been living to Aden have moved into their newly purchased home, the former Garber home and recently owned by Mr. V. W. Zirkle, there in Nokesville.

The W. J. Newlands have bought the Will Wright place. The Wrights are planning to leave Sunday morning for their home in Kentucky.

Mr. and Mrs. Ted Shepherd and the children were recent dinner guests of Mr. and Mrs. Earl Seese in Falls Church. They also visited Mr. and Mrs. Gerald Herring and little Steven Alan.

Mr. and Mrs. David Kerlin, Mr. and Mrs. Bobby Caton, Mr. and Mrs. Harry Mille attended the Atlantic Rial Exposition near Richmond one day recently.

Our very best wishes go to our newest wed-teacher and his lovely bride, the Jimmy Davises.

The Carrio house, which was partially destroyed by fire some time ago, is being rebuilt, a fact that will add greatly to the appearance of this side of Nokesville.

Messrs. Saylor Dehl, F. M. Swartz, and George Beahm spent Sunday, the 8th at the Mt. Zion Church of the Brethren near Front Royal where they were celebrating the 100th anniversary of the church.

The Floyd Laniers are now living at the Culmore Apartments, Apt. No. 581, Belview Drive, Falls Church. They plan to spend most of their weekends at their farm here. Miss Louise Lanier is head of the Art Department at the George A. Foster High School at Green Haven, Maryland.

Mr. and Mrs. David Kerlin, Mr. and Mrs. Willard Wilkins and Peggy, and Mr. and Mrs. Harry Miller spent Sunday the 8th at Mt. Vernon.

The M. J. Shepherds are getting well settled in their Trailer Park at Sebring, Florida. They write that the poinsettias are as tall as a person and that their citrus trees are just "loaded."

Mrs. J. F. Hale, after suffering so long with her arm now finds out that an operation must be made. We sure hope it will soon be "all better."

Misses Alice Wright and Joyce Moyers recently attended the District Cabinet meeting of the Young People of the Church of the Brethren at the home of the president, Harley line, near Manassas. The young folks are making plans for

their next Roundtable which will be at the Valley Church on Sunday, November 5. Dr. Warren D. Bowman, president of Bridgewater College, will be the speaker.

Mr. and Mrs. Howard Marshall and Dorothy recently attended the wedding of their niece, Miss Margaret Wilson Crowder, daughter of Mr. and Mrs. Cornelius Crowder of Wightman, to Mr. John Edward Crenshaw. They drove by Dayton and picked up Lowen who sang at the wedding.

We're glad to know that Miss Virginia Souder of Arlington is able to be back at work again, after breaking her foot quite a while ago at the home of Mr. and Mrs. Virgil Mathias at Mathias, W. Va. She still has her foot in a heavy cast. The Souders enjoy the Journal each week.

Mr. and Mrs. Ren Patet of Balfett, Calif., announce the birth of an eight-pound boy on October 11. The mother is the former Hilda Ridgley of Nokesville.

## Dumfries

and Mrs. Robert Bishton, home from Ireland where he has been for the past two years as vice consul, in Washington at the home of Mr. and Mrs. Harold Break-brown on Sunday.

Mr. and Mrs. Elvan Keys, Mrs. Ira Hill and Miss Jeanne Hornsby spent the weekend visiting Lt. Blech-rd Hornsby in Cherry Point, N. C.

Mrs. Roland Tardiff, of Long Island, N. Y., has been visiting her mother, Mrs. Ella Waters and uncle and aunt, Mr. and Mrs. Clay Speake.

Miss Ellen Waters, who teaches school in Franconia, spent the weekend with her parents, Mr. and Mrs. Ruel Waters.

Mrs. Grover King, accompanied by Mr. and Mrs. Percy Burdette, of Alexandria, visited Mr. Grover King, a patient in McGuire Hospital, Richmond, on Sunday.

Mrs. Bill Lint was honored at a stork shower on last Thursday night at the home of Miss Jocelyn Brawner. Those present were: Mrs. Cecil Garrison, Mrs. Beulah Brawner, Ms. Ray Ennis, Mrs. Ed King, Mrs. Jack Pick, Jr., Mrs. Al Bish-ton, Mrs. Wilber Brawner, Mrs. Roland Tardiff, Mrs. Grover King, Mrs. Kate Keys, Mrs. George Waters, Mrs. D. J. Davis, Ms. Elwood McInteer, Mrs. Randolph Brawner, Mrs. Elvan Keys, Mrs. Rowena Brawner, Mrs. John Maher, Mrs. E. W. Fraley, Mrs. Ella Waters, Mrs. M. L. Keys, Misses Elton, Gladys, Linda and Elizabeth Brawner, Miss Jean Ennis, Miss Judy Cable and Mrs. Lee Kerns.

Friends of Miss Barbara Ann Smith are sorry to know of her recent illness and wish for her a speedy recovery.

## Greenwich

glad to hear that Mr. and Mrs. William Ramkey—she is the former Miss Lois Sloop—have a nice nine pound baby girl, born at Harrisonburg Hospital last Friday.

Don't forget the Parish Council meeting at Catlett school house on Saturday evening at 7:30. Not only are members of the Council welcomed, but any member of the churches within the Potomac Rural Parish. The chance of knowing what is going on within the Parish is offered every three months. Try to go for this evening of fellowship, fun and spiritual enrichment.

On Sunday the All-Parish Rally—which is held each fall within the Potomac Parish—will be held at Bealeton. Dr. S. D. Winn, missionary to Korea, will speak in the morning; and in the afternoon his sister, Miss Emily Winn, will join him in a discussion of the present crisis in Korea. Dr. Winn and his sister are an uncle and aunt of Rev. Albert Winn, pastor of the churches of the Potomac Parish. The Morning Worship at Bealeton will begin at 11:30, followed by a picnic dinner before the afternoon meeting.

## Haymarket

meet your neighbors and friends. Miss S. Catharine Heberle, of Washington, Mr. and Mrs. J. Aucampaugh and daughter, Gail, of Buckland, Mr. O. Blatt, and Mr. P. Smith of Washington, visited at the home of Mr. and Mrs. A. H. Meyer on Sunday.

Mrs. A. H. Uterback is spending the week in Washington with her father, Mr. H. S. Harrell, who has been sick and has improved slightly. Osborn High School Band, under the direction of William H. Lee, will give a concert in the Haymarket School on Monday, October 23, at 8 p. m. Following the concert a movie, "Music in America," will be shown. The Haymarket PTA, sponsor of the program, invites the public to attend. The PTA is working to organize a band for the Haymarket school. Mrs. M. Fewell Melton will be hostess for the evening.

Sudley Methodist Church will hold their annual dinner and bazaar on Friday, October 27, at the church. Festivities begin at 12 noon and continue throughout the afternoon and into the evening, as long as anyone is present.

Charles Young Elected President of 4-H Club

Charles Young was elected president of the Manassas 4-H Club at a meeting of the Club last Thursday.

day in the post office. Other officers elected were: Emory Mayhugh, vice-president; Bobby Sanders, song leader; and Delbert O'Meara, game leader. The group discussed regulations governing Summer camp attendance and made planned handicraft projects for their Winter meetings.

NO matter how sweet a tooth you have, once in a while your taste buds appreciate tartness. Cranberries are tart but here we supply them with pineapple for a Cranberry Pineapple Pie. The amount of sugar added isn't enough to make the filling sweet. Combine 1/2 cup sugar, 2 tbsps. flour, 1/4 tsp. salt. Add 1 1-lb. can whole cranberry sauce and 1 9-oz. can (1 cup) crushed pineapple. Mix well. Pour into pastrylined pie plate, dot with 1 tbs. butter or margarine. Cover with remaining pastry and don't forget to slit the pastry top. Bake in a hot gas oven (425°F.) for 30 mins. Yield: 1 9-inch pie.

Such laundry as towels, corduroys, bedspreads that don't need ironing when they're dried in the gas dryer, shouldn't be left in the laundry basket to wrinkle. Fold them and put them away as soon as you take them out of the dryer. Beets won't lose their gay red if the long taproot leaves and an inch or two of stem are left on. Recently approved by the American Gas Association's Testing Laboratories are new gas furnaces which may be installed in such confined spaces as closets—especially convenient for the new basement-less homes.

Pickle-making? Follow the Hawaiians' lead and add curry to sharpen the flavor. A pint jar takes about 1-1/2 tsp. curry powder. Bread toasted under the broiler has a certain crisp taste that's delicious. Preheat broiler about 3 minutes, put bread on broiler pan about three inches from flame. Too high a flame under frying fish—and any other fried food will make it stick to the pan. Turn down the flame to prevent sticking.

## Looking at the SPORTSIDE

### DHS Yellowjackets Shellac Washington - Lee Jayvees 26 - 7

Osbourn High School's football team, off to its best start in four years, sent the Washington and Lee Jayvees back to Arlington last Friday night, smarting from a defeat. Not since 1945 have the Yellowjackets won the first four games on their schedule.

Osbourn was in trouble only once—they trailed 7-6 a few minutes in the second quarter—and scored in each quarter to win easily in a game that was supposed to be much tighter. Rudolph Pittman led the game for the Yellowjackets in the third quarter when he gathered in a 35-yard pass from Bobby W. Land to increase the lead to 19-7. Tom Kelso kicked the extra point to make it 20.

Opening score came in the first quarter when fullback David Barbee picked up a W. and L. fumble and scampered 25 yards into the end zone. Kelso missed the point. Washington and Lee chalked up 7 points in the second, but Osbourn quickly regained the lead on W. Land's 35-yard run around end. Kelso booted one and the Yellowjackets led 13-7.

Bobby Payne, Osbourn halfback, scored a cincher in the fourth quarter for the final score.

### Osbourn Win Streak May Be Snapped At Culpeper Tomorrow

Osbourn High School's Yellowjackets place their four-game win streak on the line tomorrow night when they journey to Culpeper to take on a highly touted Culpeper High eleven.

On paper, the Yellowjackets are favored to lose by about 30 points. Culpeper gave Charlottesville, Va., a 45-6 thrumping while Osbourn sneaked by the Mountaineers 26-20. However, the tote boards don't mean much, says Coach Jim Leo, when a team has the drive and spirit displayed by the Yellowjackets.

### You Want a Gobbler For Thanksgiving? Oil Up Your Shotgun

Sixty turkeys will be sitting in a field off Route 28 behind Liberty Motors tonight, waiting for some sharpshooters to take them home, as the VFW turkey shoots get under way.

Everybody is invited, say the Manassas Veterans. Bring your own gun, it must be a 12 or 16 gauge, and shells will be furnished. Guns will be available for those who don't bring one of their own. Turkey shoots will be held each Thursday night until further notice, at 7:30 p. m. Sandwiches and coffee will be served.

Legionaire and Legionette basketball teams will meet October 26 at 7:30 in Legion Hall. Manassas Hawks and Hawkettes also meet October 26, in Odd Fellows Hall.

### Basketballers Get The Itch; Plan League

Although the football season is only about half over, basketball players are beginning to get their favorite itch and to make plans—and boasts—for the coming cage year.

Thirty-two representatives from Northern Virginia League basketball teams met Tuesday night in Leesburg Town Hall to organize the league for the 1950-51 season. Eleven of last year's 12 teams were represented and League officials were elected for the coming year. All 12 teams will also sponsor girls' teams, just as last year.

Kelley Peach of Leesburg is the new league president; Curtis Polen of Manassas was re-elected vice-president. John Brenner of Warrenton, together with the president and vice-president, will sit on the protest board. A permanent league secretary will be chosen by Peach. Meanwhile Lawrence Weekley of

Manassas has been appointed secretary of the Southern section.

Most important business conducted at the meeting was the division of the league into a Northern and Southern section. Last year teams found it inconvenient and almost impossible to keep their schedule when some games were played as far as 80 miles away. This year teams will play only opponents from their own vicinity, that is, the Northern or Southern section. At the end of regular season play, the winner of each section will meet in a play-off to decide the league championship. Second place finishers in each section will meet in the play-off to determine third and fourth position in final league standings.

Southern section teams are the Manassas Hawks, the Manassas Legion, Nokesville, Gainesville-Haymarket, Occoquan, and Warrenton.

Teams in the Northern section are Upperville A. C., Upperville C. C., Purcellville, Leesburg, Middleburg, and Lovettsville. Each in both sections also will have a girls' team. Referees for league play will come from the Northern Virginia Referees Association.

Schedules will be arranged at the next league meeting to be held November 6 in Leesburg Town Hall. League play is expected to start about December 1.

### Mustangs Corralled 38-0

The Manassas Mustangs still are game despite a 38-0 drubbing at the hands of Falls Church Garage in Falls Church last Sunday. They are trying to find another opponent, however, for this Sunday. "Those guys looked big as the Redskins," said one battered Mustang after the game.

### OLD MAN OF THE MOUNTAIN'S

### IN MEMORIAM

Emmitt Adkins  
The month of October once more is here.  
For three long years ago today, my husband passed away. Nothing can ever take away the love a heart holds dear. Remembrance keeps him dear. Fond memories linger every day. His loving wife, Sophia Adkins. 26-1-c

### LEGAL NOTICES

To Chas. F. Kirm or Kern (spelt both ways) if living, and if dead, to his personal representative, heirs and devisees:  
Having on December 9, 1946, at a public sale of the lots and lands in Prince William County delinquent for the taxes of 1944, held by the Treasurer of said County, purchased Lot 35 Block 3 on the map and plat of The Quantico Company, Inc. (Recorded in deed book 63 page 3) to which said lot the undersigned now desires to obtain a deed therefor.

NOTICE is hereby given to the said Chas. F. Kirm or Kern if living and if dead to his personal representative, heirs and devisees, the whereabouts of all of whom are unknown to the undersigned, that at ten o'clock A. M. on the 15th day of January, 1951, at the clerk's office in the Town of Manassas, Prince William County, Virginia, the undersigned will apply to the Clerk of the Circuit Court of said County for a deed, to be executed by the said clerk, conveying to the undersigned the aforesaid lot.

NOTICE is further given that the said noticed parties before said hour, day, month and year last mentioned, may redeem the said lot by payment of the necessary amount to the clerk.  
CLARENCE R. CARTER, Quantico, Virginia. 20-19-c

### NOTICE OF JUDICIAL SALE OF

1 Spartanette Trailer and 1 Hine Tow Line Dolly  
Pursuant to a decree of the Circuit Court of Prince William County, Virginia, made and entered on the 15th day of August 1950, in the chancery cause of Fay Peebles v. Benjamin J. Mattoon, pending in the Circuit Court of Prince William County, Virginia, the undersigned will, on Saturday, 14 October 1950, at the front door of the Court House of Prince William County, Manassas, Virginia, at the hour of 10:00 a. m. of that day, offer for sale to the highest bidder, the following described personal property:

1 1948 Spartanette Trailer, Serial No. 24-48-275 and 1 1949 Hine Tow Line Dolly.  
Terms of sale: Cash.  
W. HILL BROWN, JR., Special Commissioner.

I, Worth H. Storke, Clerk of the Circuit Court of the County of Prince William, hereby certify that bond with security approved by me as sufficient, and in the penalty provided by said decree, has been given by said Special Commissioner.

WORTH H. STORKE, Clerk Circuit Court, Prince William County, Virginia.

VIRGINIA F. NEWLAND and W. J. NEWLAND, Owners.

LEWIS MAYHUGH, Auctioneer

Think twice today  
when you buy a truck!

THAT new truck you're considering may have to last a long time. So you'll be wise to look at a GMC for these important reasons:

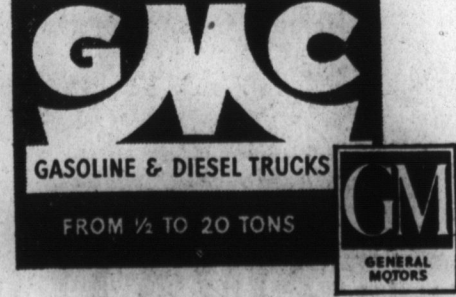

GMC's are built by the world's largest exclusive manufacturer of commercial vehicles—with the broadest truck engineering experience.

GMC's are real trucks. Engine, transmission and frame, as well as cab and axles, are all specially truck-built to give you longer service.

GMC truck-built engines have high horsepower with higher sustained torque—greater pulling power. They are built to give extra years of service with less maintenance.

GMC extra-value features include Synchro-Mesh transmission, Tocco-hardened crankshaft, full-pressure lubrication, recirculating ball-bearing steering gear, airplane-type bearings and Lifetime Weather-sealed cabs as standard equipment on practically all models from ½ ton up.

That's why more truckers are buying GMC's today than ever before—experience proves them best in the long haul!

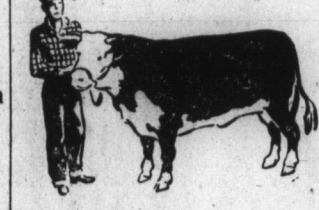

Get a real truck!

PEOPLE'S GARAGE

### Va. Cancer Society Trustees Meet in Williamsburg, Oct. 20

The board of trustees of the Virginia Division of the American Cancer Society will hold its annual meeting in Williamsburg, Friday, October 20. The board will hear reports of officers and committees for the fiscal year ending August 31, 1950. Officers to serve for the coming year and 14 trustees to serve for three years will be elected. The J. Shelton Morsley Memorial Award will be presented to a resident of Virginia who has made an outstanding contribution to the cancer control program. The recipient of this award will be named at the luncheon by Dr. Russell Buxton of Newport News, who is chairman of the Committee on Awards.

### Handicraft Workshop Organized by MRA

A new feature of the Manassas Recreation Association program is the newly organized Handicraft Workshop, which is expected to attract widespread interest, under the direction of Mrs. Leona K. Barlow. Instruction and practice in the following handicrafts will be offered: braided rugs, by Mrs. E. B. Moncure; crocheted rugs, Mrs. R. E. Daffan; figurine painting, Mrs. Edgar Rohr; textile painting, Mrs. Grover Brown; leather craft, Mrs. J. Frank Nicholson; aluminum and painted trays, Miss Katie Lewis and Mrs. Barlow. Other crafts will be added as interest demands. The Workshop will be in operation semi-monthly, on the 1st and 3rd Thursday evenings, 8 p. m. in the American Legion Hall, beginning Thursday, November 2nd. Those desiring to order the materials needed to take part in the Workshop may contact Mrs. Barlow or any of the above assistants for further information.

## County Agent's Notebook

By G. L. Hall, Jr.  
For best results dig sweet potatoes with an ordinary 16-inch turning plow. You will find they show less injury at harvest time and are less susceptible to post harvest deterioration.  
Experiments have shown that potatoes dug with the 16-inch plow keep better than those dug with the 12-inch plow, on the middle buster. Poorest results were had when an Irish potato digger was used.  
Some potato harvesting tips are: Sort the potatoes in the field, placing them directly into storage crates, never store them in bags. Move them directly into the place of storage.  
Never wash sweet potatoes before placing them in storage.

Injury may be caused to cattle of all ages getting excesses of mineral elements such as salt, manganese, fluorine, cobalt, selenium and arsenic. Toxic effects may be accumulative. Excesses of certain minerals increase the requirements for others.  
The best way to insure against mineral deficiency is by applying ample fertilizers to our crops. If our crops are not deficient in minerals our feeds will not be either. Because of the large amount of phosphorus and calcium used by our larger farm animals these elements must usually be supplemented in any ration.  
Liberal amounts of salt, to supply sodium and chlorine to the ration, should be within reach of these animals also, but all of the less important minerals will be supplied by feed grown on properly fertilized soils.

C. E. Holmes, Poultry Department, V. P. I., states that as well as inheritance, age of breeding stock, size of the eggs and health of the breeding stock, nutrition plays a definite roll in hatchability of eggs. The breeding flock should receive a plentiful supply of water as well as a balanced supply of proteins, vitamins, minerals, carbohydrates and fats for best results.

### Art Show Scheduled For Sunday Painters

An unusual opportunity will be given Sunday painters and craftsmen of this area on November 9 when the Junior Woman's Club of Manassas will hold an amateur art exhibit in the basement of the Methodist Church.  
The Club invites all artists and craftsmen to exhibit their work, such as paintings, trays, ceramics, textile prints, or whatever it may be. Arrangements may be made by contacting any of the following:

Mrs. Ruth Rogers, Mrs. Paul Espen-shade, Mrs. John Cox, or Miss Margaret Carpenter.

### Centreville

By Nora Good

There will be a zone meeting at the Methodist Church Tuesday from 10 a.m. to 3 p.m. The Ladies of the church will serve a ham and potato salad luncheon. The W.S.C.S. annual bazaar will be at the church November 18th. There will be refreshments, also.  
Mrs. V. n Dorn is entertaining the dinner committee of the school at the school house Monday evening at 8 p.m.  
The Sheltons are entertaining friends from Richmond this weekend.  
Mr. and Mrs. Roger Spindle and

Priscilla spent Thursday in New Valley at a Baptist meeting. On their way home they visited Mrs. Spindle's brother and sister-in-law, Mr. and Mrs. Paul Gentry of Waterford.  
Mr. and Mrs. Lester Nichols, Mr. and Mrs. King Spindle and Mr. Harvey Nichols spent Saturday at Deal's Beach, fishing.  
Mr. Williams has sold his home on Manassas road and is going to Petersburg to go into business with his brother.

Mrs. Parnell's mother, Mrs. Marshall, who has been ill, is improving.  
Mr. and Mrs. Paul Allison and Johnny of Arlington visited Mr. and Mrs. Good on Sunday. Saturday evening visitors of the Good's were Mr. and Mrs. Marshall Musick.  
The Fire department is sponsoring a dance at Hunters Lodge Oct. 26th.  
Mr. Raymond Mulholland is adding some rooms to his home on Manassas Road.

J. W. WRIGHT, Owner

LEWIS, MAYHUGH, Auctioneer  
V. W. ZIRKLE, Clerk

"On October 21st, 1879, Thomas Edison perfected the first incandescent light bulb."

— that's not the point!

ABOUT THAT "priority of inventions" that the Communists keep talking about...

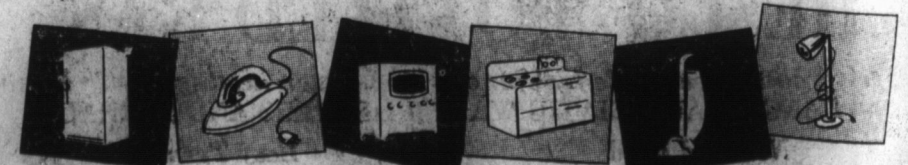

The point isn't whether the Russian scientist, Lodygin invented electric light before Edison, but what happened after it was invented!

It is our system that has mass-produced for more people — at less cost — the daily benefits of such inventions.

The story-behind-the-lamp and the

myriad miracles it led to — is the willingness of men of vision and courage to risk their capital to finance research and experimentation. If others, too, hadn't poured out their energy and time — to extend the wires farther and farther, make the service better and better, bring rates lower and lower... electricity, in this country as in others, might be the servant of only the rich.

But in our American pattern of accomplishment... electricity does so much for so many for so little!

VIRGINIA ELECTRIC AND POWER COMPANY

## Miss Jane Wingfield Sebrell Is Wed to J. P. Leachman, II

Branches of long leaf pine, wood fern, white gladiol and white dahlias, lighted by white candles, made a floral setting in the Presbyterian Church at Lawrenceville, Va. on Saturday, October 7, for the marriage of Miss Jane Wingfield Sebrell, daughter of Mr. and

Mrs. Benjamin Sebrell of Lawrenceville, to John Pendleton Leachman II, son of Mr. and Mrs. William H. Leachman of Washington, D. C. The ceremony was performed by the Rev. John Richard Winter, pastor, who was assisted by the

Rev. Lundy Meredith Barkley, a cousin of the bride. Following the ceremony a reception was held at the home of Mr. and Mrs. J. D. Barkley, uncle and aunt of the bride.

The bride, given in marriage by her father, wore a gown of ivory satin made with a court train and sweetheart neckline. Her veil of French illusion was attached to a cap of Brussels lace and she carried a bouquet of lilies of the valley and stephanotis with a center

of white orchids. Miss Joanne Darden of Franklin, Va. was maid of honor and Mrs. James Allen Snyder of Manassas, Va. was matron of honor. They wore moss green faille dresses and caps of illusion trimmed with pearls in the same shade, and carried bouquets of blending fall flowers.

Bridesmaids were Mrs. John Friant of Berryville, Va., sister of the groom, Mrs. Beverly B. Dodson of Richmond, Va., Miss Jacqueline Jackson of Jackson, Miss. Miss Tom Harrison of Lawrenceville, and Miss Betty Gayle Thomas also of Lawrenceville.

Little Brenda Sue Barkley was flower girl and she wore a dress of melba faille, fashioned after those of the bridesmaids. Joseph Duffy Barkley was ring bearer. The bride's mother was attired in a gown of champagne crepe with black velvet trimmings, a black velvet hat, and a corsage of purple orchids.

William H. Leachman, father of the groom, was best man and the ushers were John Friant of Berryville, Eves Sebrell Hardy of Blacksburg, Va., Neal O. Wade of Maywood, N. J., David W. Carr of Charlottesville, and A. D. Hawkins of Culpeper.

After a wedding trip to The Homestead, Hot Springs, Va., Mr. Leachman and his bride will make their home in Manassas.

The bride is a graduate of Mary Baldwin College and the groom graduated from Landon School, Washington, the University of Virginia, and is now employed at the Manassas Lumber Co. He is a grandson of the late John Pendleton Leachman and Mary Strother Leachman of Prince William County.

Among the out-of-town wedding guests were: Mr. and Mrs. McDuff Green of Fredericksburg, Va., Mr. McDuff Green, Jr., Miss Mary Celestine Green also of Fredericksburg, Mrs. Allen L. Oliver of Cape Girardeau, Mo., Mr. and Mrs. J. Douglas Janney, Mr. and Mrs. Harry E. Green of New York, Mrs. James G. Metcalfe of Chestertown, Md., Mr. and Mrs. Sedrick Saunders, Mr. and Mrs. Francis Rosell of Manassas, Mrs. R. H. Smith and Mr. and Mrs. Rolfe Robertson of Warrenton, Va.

Claude A. Kitts, Jr., seaman apprentice, is a crew member aboard the aircraft carrier USS Coral Sea in the Mediterranean area, according to word received from the Navy. Seaman Kitts' wife lives in Woodbridge.

People's Barber Shop, Manassas, 8 a.m. - 6:30 p.m. Sat. 8:30 p.m. - adv.

Norma Sinclair attended the VPI-George Washington football game at Griffith Stadium Friday night. Cadet John Breeden, a freshman at VPI, visited his parents in Manassas over the weekend. Mr. and Mrs. M. L. Austen have

as their guests their son-in-law and daughter, Mr. and Mrs. John Allison, Jr. of Corinth, N. Y. Miss Mary L. Lyle of Hampden-Sidney College, was the guest last week of Mrs. A. A. Hoeff.

Mr. and Mrs. Frank Parrish entertained a number of their friends Sunday at their home on Grant Avenue. Miss Ismay Haydon was the guest last week of Mr. and Mrs. Victor Haydon.

## Dairy Cows, Heifers At Their Best Black Oak Farm Herd Dispersal

Friday, October 27 at 10 a.m.

BLACK OAK FARM, NEAR SILCOTT SPRINGS, 3 1/2 MILES SOUTH OF PURCELLVILLE, VA. (TAKE ROUTE 690 SOUTH FROM PURCELLVILLE ABOUT 3 MILES, THEN WEST ON 725 TO THE FARM, IN LOUDOUN COUNTY, VIRGINIA.)

### 60-HEAD OF GUERNSEY AND HOLSTEIN HEIFERS-60

Fifty are milk cows and ten are heifers fresh or soon to freshen. About 24 are either fresh or have freshened in past 60 - 90 days, ten having freshened in August, seven in September and seven in October. Eight cows are due in November and five in December. There are eighteen Guernsey heifers coming with first calf to be either fresh by sale time or very close after sale, and four more due in November.

The above cows and heifers are mostly well bred Guernseys, and several large Holsteins. The herd test from dairy has been averaging from 4.6% to 4.7% B.F. and full D.H.I.A. records for past 20 years. The above herd is young and 88% are 5 years or less and 22% between 5 - 8 years. D.H.I.A. records show a number of these cows producing from 400-500 pounds of B. F. per lactation, and one cow over 500 pounds.

The herd is T.B. accredited, and all animals except four, have been calfhood vaccinated against Bangs. A number of the cows are carrying calves from artificial breeding, others bred to my herd sire.

Note—I am selling all of the cows which have freshened during August and since, or will freshen up to and including December, as well as all heifers freshening, or to freshen during this period, and will sell every animal without reserve, as advertised above. Due to labor conditions, I am discontinuing my dairy operations.

TERMS—Cash on day of sale.

COME AND LOOK THIS HERD OVER ANY TIME BEFORE SALE

# Got any money-making ideas?

**B**UT IF YOU'RE THINKING of a new gadget or way to make work easier and life more enjoyable?

Well, go ahead and work it out. Maybe you'll strike it rich with such an idea—if it's really good. And more power to you.

But at the same time—just in case—shouldn't you do this?

Start buying U.S. Savings Bonds—through the Payroll Savings Plan.

They pay you \$4 for every \$3 invested, within ten

short years—and no work, no trouble. The whole thing's completely automatic.

All you do is tell the cashier where you work to tuck away so much money for you each payday. You just keep getting the Bonds—the Bonds keep getting worth more, day by day.

Pretty soon, you're well on the way to financial security. And if, in the meantime, you *should* strike it rich—well, would having some extra money do you any harm?

**Automatic saving is sure saving—  
U.S. SAVINGS BONDS**
