PTA Requests Second School Bond Attempt

Possibilities for another bond issue referendum were being discussed in Manassas this week...

Whether the Board of Supervisors will approve such a resolution is a speculative matter since some Supervisors have said they will be reluctant to "stick their necks out again."

Another reason for the recent defeat of the bond issue was advanced by Wheatley M. Johnson: "Voters rejected the bond issue mainly for the reason that it would have given to a non-elected body, the School Board, virtual power to set the County tax rate."

The success of any building program is going to depend on better understanding between voters and School Board, Johnson concluded.

Present maintenance of school buildings was queried at the meeting and Mrs. Louise Galleher called conditions at Baldwin-Bennett schools "appalling."

To Address Women's Club Here

Mrs. J. L. Blair Buck

Mrs. J. L. B. Buck Will Address Women's Club

Mrs. J. L. Blair Buck, of Richmond, president of the General Federation of Women's Clubs, will be guest speaker at the meeting of the Women's Club of Manassas at their meeting next Monday.

During the three years of her administration, Mrs. Buck has been a member of the President's Committee on National Employment of the Physically Handicapped Week, which has set up a year-round program to promote the employment and rehabilitation of physically handicapped persons, and was appointed by President Truman to the Citizens Food Committee and immediately initiated a campaign to encourage the volunteer food conservation program.

Mrs. Buck represented the General Federation at the first International Assembly of Women's World Fellowship, held in Paris in 1947. While there she observed first hand European conditions and returned home to undertake a number of relief projects.

Hunt Season Opens; Quail Rabbit Supply Is Plentiful

Virginia's 1950 hunting season opened Monday and many nimble hunters in this County are better than prepared to fire off their guns.

According to Game Warden Walter L. Flory, the average hunter's bag this year are better than they have been for many years. There is an abundance of quail and rabbit in Prince William, Flory says.

Grouse will be scarce this season, or at least if there are any around nobody knows about it. But squirrel hunters should find conditions favorable, for a reported bumper nut crop ought to make the furry animal fat and sleek and an easy target for even the bleary-eyed sportsman.

The present season extends until January 5 and limits as follows: Quail—8 per day, 125 a season. Rabbit—6 per day, 75 per season. Squirrel—6 per day, 75 per season. Turkey—2 per day, per season. Grouse—3 per day, 15 per season.

Hunting is prohibited in Battlefield Park, Conway Robinson Memorial Park and Prince William Forest Park.

Accidental shootings, always prominent during open season, may be avoided here, Flory hopes. No serious accidents of this sort were reported in Prince William last year.

Christmas Club Savings Plan Is Total \$22,000

Christmas Club funds in the amount of approximately \$22,000 will be distributed by two Prince William County banks, the National Bank of Manassas, and the Bank of Occoquan, Inc., inquiry revealed this week.

Annexation Still Before Town Council

The problem of annexation is again on the agenda for the next regular meeting of Town Council, scheduled for Monday evening.

Whether to start proceedings to annex outlying areas of Manassas has been pending final decision by Council for several months. No official action has been taken, although Councilmen appear to be individually in favor of the project.

Unless affirmative action is taken soon, the present opportunity to annex certain areas may be lost, according to Town Manager James Ritter. A special committee, appointed by Governor Battle, met in Richmond last week to study the impact of urban growth on rural development and they are expected to recommend legislation designed to protect suburban residents from annexation, he said.

Last week's called meeting was adjourned when only two Councilmen—Hook and Mrs. Saunders—showed up. The meeting had been called to consider the request of C. L. Wheat for Town water at his new automobile business being erected outside the corporate limits.

L. J. Pattie Re-Elected PMA Chairman

L. J. Pattie of Gainesville was re-elected chairman of the Prince William County PMA at a convention of community delegates in Manassas last Friday.

Other elected officers were Joseph Johnson of Manassas, vice-president, and L. R. Cowne of Nokesville, regular member. The officers were elected by delegates from the three PMA communities in the county. All were elected for one-year terms which began immediately and will administer the PMA program in this county.

E. W. Thompson, Jr. and E. James Moss were elected alternate county committeemen.

Brentsville Community: William F. Hale, chairman; T. Clay Wood, vice-chairman; Raymond Ellis, regular member; P. E. Rollins, 1st alternate, and B. J. Moss, 2nd alternate.

Gainesville Community: B. C. Smith, chairman; T. Gordon Pat, vice-chairman; G. W. Gosson, regular member; Mrs. Eugenia Lathan, 1st alternate, and James Watson, 2nd alternate.

Manassas community: Kite Roseberry, chairman; Charles W. Lewis, vice-chairman; William H. Wheeler, regular member; W. M. Kline, 1st alternate, and C. C. Lynn, Jr., 2nd alternate.

Frost Ford Firm Opens Here; Stewart D. Eustace Is Manager

Opening ceremonies of the new Frost Ford Firm of Manassas were held last night, Wednesday, at the new business location on Center Street. Highlighting the festivities was a preview showing of the 1951 Ford which goes on display today.

Frost Ford, a partnership firm of Tom Frost and Stewart D. Eustace, will handle Ford cars, and trucks, and Texaco products and operate a modern garage.

Improvements, including construction of a new office and parts department, are being made in the building which was formerly occupied by Prince William Motors. New mechanics have been hired so that customers may be assured of quick, efficient services, the owners said.

STAMP OUT-TB BUY AND USE CHRISTMAS SEALS

New Heating Unit Employs Jet Principle

Aircraft engineers, who noticed the tremendous amount of heat produced by jet engines determined to apply the principle of jet combustion to heating units and after several years of research have produced a small size home heating unit which produces heat at an efficiency rate heretofore unknown.

No larger than a small deep freeze and just as attractive, the new jet heat units are now on display at Hynson Electric and Supply Co., Manassas. The unit is underwriters approved and has a Bonnet rating output of 70,000 BTU which is enough to assure warm temperatures in the average size house of three bedrooms.

The unit is adaptable for gas and oil fuel and will even operate off gasoline. Initial cost is said to be as low as that of any house heating system.

Firing rate is 57 gallons per hour and this, together with a high combustion efficiency will give much more economical heat for homes, the manufacturer, Crane Co. of Chicago, claims.

In operation the unit is quite simple: oil pumped from the tank, is forced through a special nozzle where it is atomized, mixed with air, and burned under pressure in a tiny chamber, no larger than a water glass. The resulting hot gases are then drawn through an envelope, where counterflowing hot air is heated and forced through tubes and registers by a fan.

A tube delivery system of 2-inch flexible metal tubes, insulated with neoprene covered fiberglass, reduces normal heat loss and allows simplified installation.

An automatic humidifier adds moisture to the heated air, and recirculating registers blend air with heated air before ejecting it into the room.

No chimney is needed from the exhaust gases and a flexible tube, which easily can be installed, carries these off.

It is reported that the Army is using these heating units, for outside work such as heating the inside of tanks before mechanics begin work on them. The unit is placed on a truck, driven up next to a disabled tank, a tube dropped inside the tank, and in a few minutes mechanics are able to work in their shirt sleeves.

REA Annual Meeting Set For Tuesday

The Prince William Electric Cooperative will hold the Annual Meeting of its members at Occoquan High School, Manassas, on Tuesday, Nov. 28. The meeting will begin at 7:30 p.m. and is expected to be the largest and most attractive in the history of the Cooperative.

The feature attraction of the program will be a talk by Clyde Ellis, Executive Manager of the National Rural Electric Cooperative Association. Business matters will be taken up at the meeting, and official reports from the officers will be presented.

One important function of the members at the annual meeting will be that of electing directors to conduct the business affairs of the Cooperative during the ensuing year.

Many door prizes will be given at various points during the meeting. These include large appliances, such as a home freezer, and numerous small prizes—table lamps, floor lamps, hand irons, percolators, toasters, etc. There will also be entertainment and music to be enjoyed.

Last year's annual meeting was the largest in the history of the Cooperative and it is expected that even more members will participate in this year's meeting.

The Prince William Electric Cooperative now serves approximately 3,000 consumers, in five counties—Prince William, Fairfax, Stafford, Fauquier and Loudoun. In the past year it has established a new record in the amount of business done and in number of consumers connected.

Obituaries

Margaret Gallagher Golden. Funeral services were held at All Saints Catholic Church, Manassas, on Tuesday morning, November 21, for Margaret Gallagher Golden, who died following a stroke on November 18, at her home at 209 South Grant Ave., Manassas. Father Charles Zanotti officiated at the High Mass, Interment was at All Souls Cemetery, Hoadley.

Mrs. Golden had been in ill health for some time, having been an invalid since 1947, as the result of a stroke.

Born in Donegal, Ireland on January 6, 1881, she was the daughter of the late Mr. and Mrs. Patrick Gallagher. She attended the Lackrum National School in Donegal, and came to this country in 1905. She married William Jackson Golden in 1910. She and her husband have been residents of Manassas for 12 years having moved here from Philadelphia, Pa.

Mrs. Golden was a member of the Catholic Women's Club and the Bona-Moro Society in Philadelphia.

Surviving are her husband, William Jackson Golden; four daughters, Mrs. Margaret O'Bannon, of Manassas; Mrs. Della Brown, Portsmouth, Va.; Mrs. Rose Kensei, Dayton, Ohio; Mrs. Catherine Berry, Sterling, Va.; and one son, George of this sort would not discourage P. Golden, of Manassas; two sisters, Mrs. Catherine Daley and Mrs. Catherine Daley and made by phone, it was thought.

Opposition To Phone Rate Increase Now Appears Less

Whether the Central Mutual Telephone Co. is justified in establishing another in-rea-county toll charge—between Manassas and Triangle—will be determined next Monday when the State Corporation Commission holds a hearing in Richmond.

The phone company announced in August their plans to establish a toll charge, giving as the reason the need for additional revenue to finance a copper line between the two points. The present line is worn out, officials stated. A toll of 25 cents per call was contemplated. As expected, businessmen in the two areas voiced opposition to the proposal, citing it an unjustified rate increase which would tend to stretch even further apart the opposite ends of the county.

Opposition to the action apparently has diminished considerably since that time, for only one person informed the Journal this week that he plans to attend the hearing in Richmond and oppose the move.

Phone company officials have declined to comment on the toll charge, except in a public notice which was required by law.

Several objections were raised in Manassas this week. One Manassas businessman said the establishment of a toll charge between Manassas and Triangle would promote sectionalism in the county, rather than unity. Since Central Mutual is believed to have the lowest rates of any phone company in the State, some other form of rate increase might be found which would not hinder business, it was suggested.

The Corporation Commission will base their decision on testimony offered at the hearing and on the ratio of capital outlay to average return on the investment.

Another man said the phone company would not need to establish a toll charge to finance the new line. A line is now being constructed between Triangle and Independent Hill, he said, to supply the Army weather station being built halfway to Manassas. This would leave only the few miles from Independent Hill to Manassas for the company to replace with capital funds. The weather station, if that is what the secret project is to be, would undoubtedly provide the company with many additional subscribers as a source of revenue which might pay for the new line.

A possible alternative to the establishment of a blanket toll charge was described to the Journal as follows: levy a special charge on all subscribers who wish to make and receive unrestricted calls between Manassas and Triangle. These phones would be distinguished by an X at the end of number for instance, and the subscriber would pay a tariff of perhaps one dollar a month and would not be charged the toll on calls made to the opposite end of the county. Likewise, all incoming calls to the X number would be toll free. An arrangement of this sort would not discourage P. Golden, of Manassas; two sisters, Mrs. Catherine Daley and Mrs. Catherine Daley and made by phone, it was thought.

Continued on Page 8

Santa Claus Coming This Year; If By Air or Land Not Known

Santa Claus is coming! But when is another matter. The Chamber of Commerce, at their Tuesday meeting, discussed preliminary plans to sponsor a Santa visit, but decided to make no final plans until a committee has studied arrangements and communicated with the old gentleman himself.

Chamber president R. Jackson Ratcliffe suggested that all organizations interested in having Santa come to Manassas should get together and jointly sponsor the visit. Although everybody knows Santa is ubiquitous, still creditability of the kiddies is strained when he appears in different places at the same time.

Town Manager James Ritter announced this week that the Town will hang Christmas lights up and down Center Street on December 1. Several lighted trees are planted also.

Last year three Santas visited County schools and gave candy to children before riding in a parade, believed to have been the largest ever held in Manassas. The Town hung lights and erected Christmas trees in the business district.

Christmas Club Savings Plan Is Total \$22,000

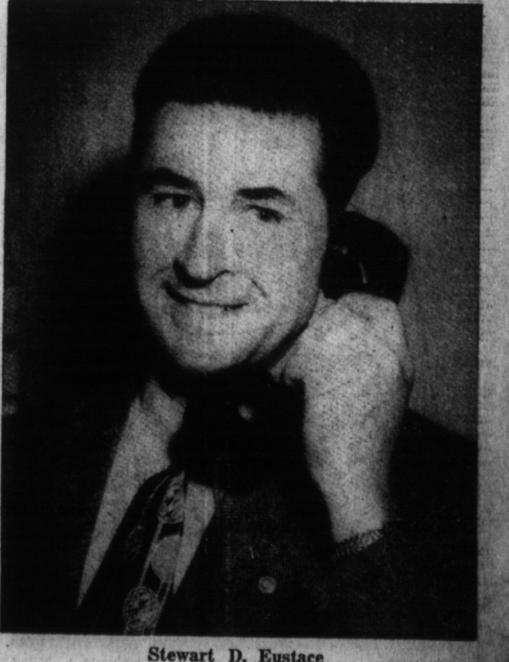

Christmas Club funds in the amount of approximately \$22,000 will be distributed by two Prince William County banks, the National Bank of Manassas, and the Bank of Occoquan, Inc., inquiry revealed this week.

Checks to the depositors in the Christmas Clubs will be mailed within a few days.

Banks promoting Christmas Clubs believe that the continuing increase in savings of this nature shows a definite trend in the public thinking toward individual financial security, which is the ultimate financial security of the nation.

The Christmas Club disbursements for the entire country this year will total \$920 million.

Manager of Frost Ford

Stewart D. Eustace

A hearing between representatives of the Central Mutual Telephone Company and the Communications Workers of America, telephone union, will be held here next week by the National Labor Relations Board, it was announced this week.

Since Central Mutual officials are not expected to grant recognition to the union, the hearing becomes mere formality prior to an employee election to determine whether the majority of local workers desire the union to represent them in collective bargaining.

The Chamber of Commerce held its Tuesday meeting discussed the wisdom of going on record as opposing the union, but decided on no official action.

Manassas is in the market for a new cop to replace Officer Charles Adams who resigned last week. Town Manager James Ritter says he has not had a single application.

With only four men ordered to report for induction next month, draft calls are becoming light. Draft board chairman Mrs. North Peters explains it as shortage of training facilities. Present military posts are already overcrowded with recent draftees, it is reported.

As many as five and six phone lines a day are being strung by garden Walter L. Flory, with appeals to rid their property of stray wires which howl, overturn garbage cans, dig in gardens, and generally annoy themselves in typical canine fashion. Flory has been shooting about 20 dogs a month, but is then reluctant to do this since any dogs which come into his custody obviously belong to somebody, he says.

A recent report by the National Capital Park and Planning Commission lends a note of official sanction to the discussed dispersal of Federal agencies. The report recommends control of population and employment in the District of Columbia by leveling off housing construction and by moving some Federal agencies to regional locations. Manassas is still hoping to be selected as the site for a large agency.

Over 200 persons viewed the 52 exhibits at the hobby show held last week in the Methodist Church, sponsored by the Manassas Recreational Association, the show included enthusiastic exhibits such as dog cartons, old power, and antique fans.

Whizzy weather has forced cessation of work on sidewalks in Manassas. To date this year, the Town has laid 768 square yards, of 1,716 feet, of sidewalk on Church, Main, and Maple streets at a cost of \$2,304.

School officials Peters and Kelson said that there is no danger to life and property from the faulty boiler in Occoquan High School. The boiler is now under way to have a boiler repaired, Peters said.

Proceeds of about \$70 raised at the Kiwanis-Junior Women's Club basketball game last Saturday night will go to the Junior Women's fund for underprivileged children. A packed gym viewed the game, which was won by the women, 27-25.

According to figures recently published the total tax rate and the rate for Manassas are slightly higher than for about 190 other incorporated towns in Virginia. Manassas has a total rate of \$2.75 per \$100 and a true rate of \$1.88. State average for towns is \$2.20 and \$1.10 respectively. True reflects adjustments made to account for basic assessment differences.

The Manassas Garden Club will hold its November meeting Tuesday, November 28, at 2:30 p.m., at the home of Mrs. Nicholas Webster in Brentsville. Members are reminded the topic, dried flower arrangements, and are requested to bring specimens for the exhibit.

PERNICIOUS ANEMIA CANNOT BE CURED

● Don't be misled by the quacks
and charlatans who claim to cure
pernicious anemia. The most con-
temptible person in the world is
the one who will sacrifice public
health, comfort, and happiness
for his own financial gain. A pa-
tient having pernicious anemia
is deficient in red blood cells. New red blood cells
can be developed by a process with which your
physician is thoroughly familiar. The process is
constant and does not effect a cure. It does, how-
ever, enable the patient to complete a normal
span of life. Always consult your physician in
times of illness. Then bring his prescriptions to
us to be filled.

Nokesville

By Mrs. Fred Shepherd
The Nokesville WSCS of the
Methodist Church met last Tues-
day night at the home of Mrs. Clay
Wood, Jr. Twenty-three attended.
The Asbury women came in obser-
vation of the "Visitation," a pro-
gram being started now in which
each woman visits another Society
and shares the goals being achie-
ved. Mrs. Jones presented the
"Birthday Cake," and a candle was
lighted for each girl. The Nokes-
ville society had achieved so far,
Mrs. Walter Tolson, Mrs. W. R.
Free, and Mrs. Paul Irvin presented
the devotional program. It was
decided to have the men's class
make a number of doll cradles for
sale at the forthcoming bazaar
which the ladies are now planning.
The bazaar and public turkey sup-
per will be held at the school gym
on Saturday, December 9. The ba-
zar will begin at 10 a.m.; serving
of the supper will start at 3 p.m.
I. B. Fickenger and Mrs. Grover
Brown are co-chairmen of the
bazaar which they promise will
feature a wide variety of things for
sale, including aprons, children's
clothing & pillow cases. There will
be D. C. cakes, pies and
candies for sale. In charge of these
will be Mrs. Clay Wood, Jr. and
Mrs. W. F. Hale. Mrs. N. N. Free
is chairman of the supper com-
mittee. Each year the ladies put a
lot of effort toward making this
event a success. Won't you plan
now to go to the Nokesville gym
on Saturday, December 9?

Mrs. C. C. Herring, Mrs. Harry
Van Nort and Mrs. R. T. Gay
were hostesses to the Sr. Women's
H. D. Club on Monday at the Fire
Hall. Several of the ladies made
dresses of various sizes. Following
a nice luncheon at the noon hour,
the ladies had their business meet-
ing. Mrs. J. F. Hale, Mrs. T. B.
Fickenger, and Mrs. Mary Nelson
were appointed to meet with Mrs.
Marang, local home economics
teacher, to discuss plans for a
luncheon at the cottage in Feb-
ruary, and to see what is needed
at the cottage with the idea of
"knitting out" with more equip-
ment. Mrs. N. N. Free very grac-
iously invited the ladies to her home
for the Christmas meeting on De-
cember 6. After drawings to break
a tie on all the ballots, the follow-
ing officers were elected: President,
Mrs. W. R. Free; Vice-president,
Mrs. Bl. Ke Fleming; Secretary,
Mrs. Mary Nelson; and Assistant,
Mrs. Ted Shepherd. The club mem-
bers voted to purchase a staff
table for the United Nations
flag, which was recently presented
to the club.

By Reba Hopkins
Miss Jessie Griffith passed away
at her home last Tuesday. Funeral
services were conducted at Oak
Dale Baptist Church on Thursday
afternoon. Mrs. Ayres, sister of
Mrs. Griffith, has been staying
several days with Mr. and Mrs.
Dillon Wood.

Little Jim Winn broke his collar
bone—it was discovered several days
after it happened. He is getting
along all right, but still has to
return to the doctor.

Rev. W. P. Burns, pastor of the
Warrenton Presbyterian Church
met with the Earnest Workers at
their November meeting last Wed-
nesday evening, and talked on "The
christian's attitude toward alcohol-
ism."

Visitors at the home of Mrs.
Newman Hopkins on Wednesday
were Mrs. Selma Gorder and Son-
in-law, Mrs. V. A. Hopkins. Mrs. Mil-
dred Cross, Mrs. Edna Byram and
Mrs. Blanche Hanson of Washington,
and Mrs. R. B. Lunford of Gaines-
ville.

Cpl. and Mrs. M. Fred Thurman
are visiting their folks in Ken-
ucky for several days.
Mrs. H. E. Squires has been
sick the past week.
Mr. Dewey Wood is visiting Mr.
and Mrs. Dillon Wood for several
days.
The Presbyterian Women of the
Church held their regular monthly
meeting on Tuesday afternoon.
Mrs. Raymond Ell's led the devo-
tional with Mrs. Newman leading
the Bible discussion.
In organizing a choir, Mr. Joe
Flora is not only offering those
who can sing a chance to serve
their church, but also giving them
a chance to train their voices for
better singing. When he returns
the first Saturday evening in De-
cember, he and Rev. Winn hope for
a good attendance at the choir
practice at 7:45.

Miss Speakes Engaged
Mr. and Mrs. Joseph L. Speakes,
of Manassas, announce the engage-
ment of their daughter, Emily
Jane, to Cpl. Richard E. Hardman,
USMC, son of Mrs. Florence E.
Hardman of Washington and Mr.
Elton Hardman, also of Washing-
ton. The wedding will take place in
December.

**Jean Clark, Mr. Deets
Are Married Here**
Miss Jean Clark, daughter of
Mr. and Mrs. Thomas E. Clark of
Cherry Hill, was married in a
double ring ceremony last Sunday
afternoon by the Rev. Clark Wood
at his home in Manassas.
After a wedding trip, the couple
will make their home in Reston.
Guests at the wedding included Mr.
and Mrs. Clark, the bride's parents,
and Mr. and Mrs. John Webster of
Fort Belvoir.

MANASSAS

In And Around Manassas

By Amelia Brown McBryde
Mrs. Bruce Whitmore will have as her guests for the week-end Mrs. Stuart Gibson and Mrs. Francis Butterworth, of Falls Church.

Mr. and Mrs. E. G. Parrish had as their guests last week-end their sons-in-law and daughters, Mr. and Mrs. Charles Carnes and daughter, Wendy, of Ashland, Va., and Mr. and Mrs. Richard Haydon, Jr., and daughter, Vicky, of Richmond.

Mr. and Mrs. Edward B. Wright of Antioch, returned from Miami, Fla., this week, where Mr. Wright attended the National Real Estate Convention.

Mr. and Mrs. A. O. Beane will have as their guests this week-end, Mr. and Mrs. Marshall Summerlin and children, of Arlington, Mr. and Mrs. Edward B. Wright and son, Barry, of Antioch, and Mr. Tommy Beane, of the University of Richmond.

Mrs. Althea Johnson, of Harrisonburg, was the week-end guest of Mrs. A. A. Hoof.

Mr. and Mrs. Guy Earley, of Washington, were the guests of Mrs. T. E. Didiak for Thanksgiving.

Miss Elizabeth Ann Bayne, of Penn Hall, Chambersburg, Pa., arrived Wednesday to spend the Thanksgiving holiday with her aunt, Mrs. Amelia Brown McBryde.

Mrs. Ruth Rodgers had as her Thanksgiving guests, Mrs. Pontine B. Hooff, of Washington, and Mr. and Mrs. Robert H. Smith, of Bristow.

Mrs. A. A. Hooff left this week for Philadelphia, Pa., to spend the Thanksgiving holiday with her son-in-law and daughter, Capt. and Mrs. Howard Cooksey.

Mr. and Mrs. Ferris Gue have as their guest for the holiday, their son, Billy Gue, of Bridgewater College.

Mrs. Myron Austin is a patient at Arlington Hospital, Arlington, Va.

Pfc. Charles Carattini, formerly of Manassas, spent several days here last week visiting friends. Pfc.

Carattini leaves December 1 to join the US Army of Occupation in Germany.

Mr. and Mrs. Ernest Spater, Miss Nancy Leigh Didiak, and Mr. Allen Fletcher were guests Sunday of Mr. and Mrs. Allen Green at Fredericksburg.

Mr. and Mrs. Ralph Hess moved into their new house on Sudley Road this week.

Mrs. Jerry H. Taylor, of Decatur, Ga., was the recent guest of Mrs. G. Raymond Ratcliffe, Mrs. Robert H. Smith, and Mrs. C. C. Lynn.

Mrs. Taylor will be remembered by her friends in Manassas as Miss Ollie Fewell of Meridian, Miss.

Mr. and Mrs. Thomas J. Broadus will have as their guests over the week-end, Mr. and Mrs. Felix B. Williams, of Jackson, N. C., and Mr. and Mrs. Thomas A. Broadus and daughter, Dorothy Ann, of Washington, D. C.

Mrs. Jerry H. Taylor entertained a party of 14 at dinner Sunday at the Stonewall Jackson Hotel. Guests

Haymarket

By Mrs. A. H. Meyer
The Gainesville District School will have a gala harvest festival on November 30, 1950. The elected king and queen will be attended by a court of fourteen boys and girls. Each grade will provide entertainment in honor of the court and all guests. Everyone is invited to attend this festival on the night of November 30, at 7:30 p. m.

Mr. Homer T. Heflin, son of Mrs. Edgar W. Heflin of Little George town, and brother of Edgar B. Heflin of Haymarket died suddenly of a heart attack on Thursday Nov. 16, at Darlington, S. C., enroute to Florida where he expected to spend the winter. Mr. Heflin is survived by his wife Gladys Haun Heflin, one son, Frank Cecil, and one daughter, Mrs. Hunter Payne. Also surviving are two

grandchildren and five brothers. Funeral services were held in Silver Springs Md., on Saturday, November 18, with interment in Ft. Lincoln Cemetery. Mr. Heflin was at one time a resident of Haymarket.

Mrs. V. Gray visited her mother Mrs. George Smallwood in Cherrysdale on Sunday.

Mrs. Virginia Good and daughter Mary Ellen of Fairfax, spent several days at the home of Mr. and Mrs. L. E. Thomas.

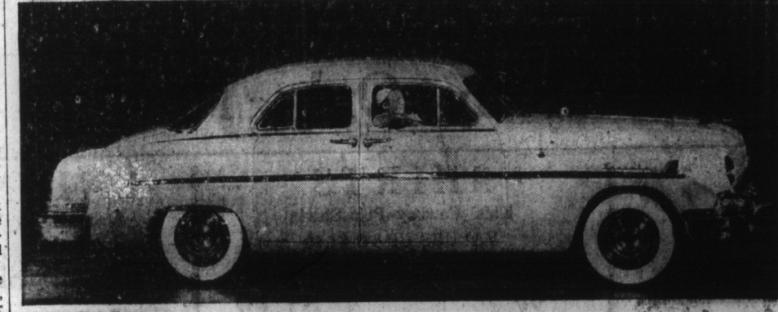

Mrs. L. J. Kruse who has had quite a siege of the flu is recuperating nicely.

Mr. Henry Dulaney of Bethesda, Md., spent the week-end at the "Shelter."

Mr. M. S. Melton left on an extended trip to Florida.

Mrs. Jane Rives has returned to her home in Baltimore after spending several days with the Misses Lucy and Mary Buckner.

● The UDC will meet on December 6, at 2:30 p. m., at the VFW Post Home. Mrs. Frank Cannon will be hostess, and Miss Isabelle Hutchison will assist her.

Smart rear fenders and quarter panels, a greatly enlarged rear window, new bumpers and grille, and head lamps positioned nearer the outside edge of the fenders characterize the 1951 Lincoln. Interior changes consist of new trim schemes, new hardware, new package tray, restyle steering wheel, new instrument panel control knobs and separate left and right hand controls for the ventilating system. The 1951 improved V-8 Lincoln engine has 154 hp.

TRUSTEE'S SALE
All that certain lot or parcel of land, lying and being situated in Gainesville Magisterial District, Prince William County, Virginia. In execution of a deed of trust, whereof Nellie Morton, single, is the grantor, dated May 10, 1950, recorded in the Clerk's Office of the Circuit Court of Prince William County, Virginia, in Deed Book 144, page 79, the undersigned Trustee will offer for sale at public auction the following described lot or parcel of land:

All that certain lot or parcel of land, lying and being situated in Gainesville Magisterial District, Prince William County, Virginia, adjoining U. S. Highway No. 211, State Secondary Highway No. 674, and Southern Railway right of way, and more particularly described as follows:

Beginning at the point of intersection of the west line of State Highway No. 674, and the south line of U. S. Highway No. 211; thence in a westerly direction along the south line of the U. S. Route No. 211, about 160 feet to the center of a culvert; thence in a southeasterly direction down the middle of a drain, right of way of the Southern Railway (at a point 115 feet from the intersection of the east line of State Highway No. 674 and the north line of the said Railway right-of-way); thence in an easterly direction, along the north side of said Railway right-of-way 65 feet to the corner of the lot sold by John D. Lane and Maggie Lane, his wife, to the Virginia Gas Distribution Corporation by deed recorded in Deed Book 90, page 60; thence N. 37 W. 30 feet to an iron pipe; thence with the line of said lot, N. 89 43' E. 50 feet to an iron pipe in the west line of said County Road, to the point of beginning, containing One (1) Acre, more or less, and being in all respects the same lot or parcel of land which was conveyed unto Nellie Morton by Willie Moore, single, by deed dated 28 April 1950, and recorded among the land records of Prince William County, Virginia.

On Monday, the 4th day of December, 1950, at 2:00 p.m., in front of the Courthouse Building, Town of Manassas, Prince William County, Virginia, the property described in such deed.

Said sale will be made subject to a first deed of trust by and between Nellie Morton, single, party of the first part and John Locke Green and W. H. Brown, Jr., Trustees (either of whom may act) parties of the second part, dated April 28, 1950, recorded in Deed Book 144, page 21, to secure the payment of a note therein described upon which there remains due and unpaid the sum of \$7,000.00, with interest at the rate of 5 1/2 per cent from the 28th day of April, 1950. Terms: Cash. Manassas, Virginia, 1 November, 1950

There were present: Messrs. J. Murray Taylor, Chairman, J. F. Fick, John W. Ellis, J. Carl Kincheloe, R. S. Hall, R. B. Gosson, Stanley A. Owens, Commonwealth Attorney and J. P. Kerlin, Sheriff, (Re: Ordinance on Fireworks.

Be it resolved that there be and there is hereby proposed for adoption "an ordinance regulating licensing and/or prohibiting the sale, possession and firing of fireworks in Prince William County, Virginia."

Be it further resolved that December 7, 1950, at 2 o'clock p.m., in the Circuit Court Room in the County Courthouse in Manassas, Virginia, be and the same is hereby set for the time and place for a public hearing on said proposed ordinance.

The Clerk of this board is hereby directed to cause this resolution to be published once a week for two successive weeks prior to December 7, 1950, in the Manassas Messenger and The Manassas Journal, newspapers published and circulated in Prince William County. AYES: R. S. Hall, J. F. Fick, J. Carl Kincheloe, John W. Ellis, R. B. Gosson and J. Murray Taylor. Worth H. Stork, Clerk

LEGAL NOTICES

To Chas. F. Kirn or Kern (spelt both ways) if living, and if dead, to his personal representative, heirs and devisees: Having on December 9, 1946, at a public sale of the lots and lands in Prince William County delinquent for the taxes of 1944, held by the Treasurer of said County, purchased Lot 35 Block 3 on the map and plat of The Quantico Company, Inc. (Recorded in deed book 68 page 3) to which said lot the undersigned now desires to obtain a deed therefor.

NOTICE is hereby given to the said Chas. F. Kirn or Kern if living and if dead, to his personal representative, heirs and devisees, the whereabouts of all of whom are unknown to the undersigned, that at ten o'clock A. M. on the 15th day of January, 1951, at the clerk's office in the Town of Manassas, Prince William County, Virginia, the undersigned will apply to the Clerk of the Circuit Court of said County for a deed, to be executed by the said clerk, conveying to the undersigned the aforesaid lot.

NOTICE is further given that the said noticed parties before said noon, day, month and year last mentioned, may redeem the said lot by payment of the necessary amount to the clerk. **CLARENCE R. CARTER**, Quantico, Virginia. 20-1-c

LEGAL NOTICES
In Memoriam
In memory of our dear son and brother who passed away November 11, 1949. "You suffered hours, yes hours of pain, To wait for cure all in vain, 'Til God alone knew what was best, And called you home to give you rest. From this world of pain and sorrow, To the land of peace and rest, God has taken you, dear Jimmy, Where you find eternal rest. He saw the road was getting rough, 'Tis hills were hard to climb, He gently closed your loving eyes, And whispered, "Peace be thine." His mother, Mrs. Geneva Trammell His brothers and sisters 31-1-c

PROPOSED SUBDIVISION, ZONING ORDINANCE

ZONING

At a regular meeting of the board of supervisors of Prince William County, held at the Courthouse thereof in Manassas, Virginia, on Thursday the ninth day of November, nineteen hundred and fifty. There were present: Messrs. J. Murray Taylor, Chairman, J. F. Flick, John W. Ellis, J. Carl Kincheloe, R. S. Hall, R. B. Gossom, Stanley A. Owens, Commonwealth Attorney and J. P. Kerlin, Sheriff. RE: Prince William County Zoning.

Be it resolved that there be and there is hereby proposed for adoption a zoning ordinance for Prince William County, Virginia.

Be it further resolved that December 7, 1950, at 2 o'clock p. m., in the Circuit Court Room in the County Courthouse in Manassas, Virginia, be and the same is hereby set for the time and place for a public hearing on said proposed ordinance.

The Clerk of this board is hereby directed to cause this resolution and the full text of the proposed ordinance to be published once a week for two successive weeks prior to December 7, 1950, in the Manassas Journal and Manassas Messenger, newspapers published and circulated in Prince William County.

AYES: R. S. Hall, J. F. Flick, J. Carl Kincheloe, John W. Ellis, R. B. Gossom and J. Murray Taylor.

ORDINANCE NO.

ZONING ORDINANCE FOR PRINCE WILLIAM COUNTY, VIRGINIA

An ordinance, in pursuance of the authority granted by chapter 415 of the Virginia Acts of Assembly of 1938, authorizing Boards of Supervisors or other governing bodies in Counties to divide the area of counties in the unincorporated portions thereof into one or more districts: To regulate the use of lands and of buildings and other structures: To provide the locations of these areas which may be used as places of residence or in which agriculture, forestry, trade, industry or other specific uses may be conducted, the height, bulk, and size of buildings or other structures, the percentage of land area which may be occupied, and the minimum size of yards, courts and other open spaces, to provide for amendments and changes therein: to require County planning commissions to perform certain duties with reference thereto: To permit the appointment and prescribe the powers and duties of County Boards of zoning appeals; and to provide methods for enforcement of this ordinance and penalties for the violation thereof.

The promotion of health, safety, order, prosperity, the conservation of natural resources, and the general welfare requiring it, be it ordained by the Board of Supervisors of Prince William County, Virginia, as follows:

1. The purpose of this ordinance is to regulate the unincorporated territory of Prince William County, Virginia, as shown on the accompanying map entitled "Zoning Map of Prince William County, Virginia", which together with all notations and designations thereon is hereby made fully a part of this ordinance. All buildings and appurtenances within this territory, constructed after the effective date of this ordinance, shall conform with the following set-back provisions.

On grade 1 roads (colored red) not less than 105' from center line of right-of-way.

On grade 2 roads (colored green) not less than 80' from center line of right-of-way.

On grade 3 roads (colored blue) not less than 65' from center line of right-of-way.

On grade 4 roads (uncolored) not less than 50' from center line of right-of-way.

1. Existing structures now located closer to a thoroughfare than is heretofore permitted under this ordinance shall be considered to be non-conforming structures and no additions, or structural changes of value exceeding \$500.00 shall be made unless approved by the zoning administrator. In the event of the destruction of the structure, exclusive of foundations, no structure shall be constructed upon the lot heretofore occupied by such building or structure unless it conforms to the provisions of this ordinance concerning the erection of new structures.

II. The Prince William County Planning Commission shall from time to time recommend amendments to the zoning map.

III. This ordinance shall be enforced by such officer as may be designated by the Board of Supervisors who shall in no case grant any permit for the construction or alteration of any building if the building as proposed to be constructed or altered would be in violation of any of the provisions of the ordinance.

1. Any person who propose to construct or alter any building or structure of any kind shall file with such authorized representative of his application therefor, which application shall furnish such information to such authorized representative as may be necessary to enable him to pass such application intelligently. If such proposed structure or alteration is in conflict with the provisions of this ordinance, such authorized representative shall refuse a permit for such construction, or alteration, and from such decision of such authorized representative an appeal shall lie in the Board of zoning appeals.

It is the intention of this ordinance that all questions arising in connection with the enforcement of this ordinance shall be presented first to such authorized representative; that such questions shall be presented to the board of appeals only on appeal from such authorized representative and that from the decision of the board of zoning appeals recourse shall be had as provided by law. Any person who violates any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined not less than \$10.00 and not more than \$100.00 if the offense be not willful; or not more than \$250.00 if the offense be willful; and in every case \$10.00 for each day after the first day such violation shall continue.

IV. The Board of Zoning Appeals, consisting of three (3) members shall be appointed by the Board of Supervisors for a term of one (1), two (2), and three (3) years respectively, to serve without pay, which board may, in appropriate cases and subject to appropriate conditions and safeguards vary the application of the terms of this ordinance in harmony with its general purpose and intent and in accordance with general specific rules contained herein, and hear and decide appeals where it is alleged there is an error in any order, requirements, or decisions or determination made by an administrative official in the enforcement of this act or of any ordinance adopted pursuant thereto, and hear and decide special exceptions to the terms of this or any subsequent ordinances upon which such board is required to pass and to authorize upon appeal in specific cases such variances from the terms of the ordinance as will not be contrary to the public interest, where, owing to special conditions a literal enforcement of the provisions of such ordinance will result in unnecessary hardship, and so that the spirit of such ordinance shall be observed and substantial justice done, and shall adopt rules, hold meetings and have powers, all as provided in any act of the General Assembly of Virginia.

Whenever an application for building permit is refused by such authorized representative, and the applicant indicates, in writing, his desire to appeal to the Board of Zoning Appeals, the application for building permit and all pertinent papers therewith, shall be filed with the Board of Zoning Appeals, which appeal shall be considered by the Board of Zoning Appeals at its next regular meeting, or at a special meeting called for that purpose. The board shall have regular meetings monthly.

Before passing on any appeal which might affect the interests of the public, the Board of Zoning Appeals shall hold a public hearing and give notice of the date of the hearing by two (2) insertions in a newspaper of general circulation in the county and the last of such notices shall appear not less than forty-eight (48) hours before the date set for the hearing.

The Board of Supervisors of Prince William County may, from time to time, on its own motion or on petition, after public notice and hearing, amend, supplement or change the regulations and districts herein established. Every such proposed amendment, supplement or change shall be referred by the board of Supervisors to the Board of Zoning Appeals and the County Planning Commission for report before the public hearing.

V. On petition signed by at least 1-4 of the property owners in any area in the unincorporated territory of Prince William County such groups of persons may request the Prince William County Planning Commission to consider the establishment of a more restricted zone. A public hearing shall be held by the said Commission before any such more restriction may be recommended.

1. Every such petition shall show by a scale map or maps, and other pertinent data:

- a. The boundaries of the area to be considered, with reference to known landmarks.
- b. The location and ownership of every piece of property within the area.
- c. The restriction or restrictions desired.
- d. The names and correct addresses of all property owners within the area.

2. Notice shall be given of the time and place of such public hearings by publication in at least two weekly issues of some newspaper published in said county or having a general circulation therein, the second weekly publication of such notice to be at least five (5) days prior to the holding of said public hearing and if the proposed amendment, supplement or change affects the use of property or the size, height or area regulations within a locality, additional notice shall be posted in at least three prominent places in the area affected at least five (5) days prior to such public hearing.

Nothing herein contained shall require any change in the plans, construction, size or designated use of any building, structure, or part thereof for which a building permit has been granted or for which plans were on file with the Board of Supervisors before this ordinance becomes effective, and the construction of which from such plans shall have been started within 30 days after this ordinance becomes effective, except that if the building operation in question is discontinued for a period of not less than six months, any further construction shall be in conformity with the addition of extra stories to a building where provision has heretofore been made in the existing foundation, columns and walls.

The date of effect of this ordinance shall be from and after its passage and legal publication and its provision shall be in force thereafter until repealed.

Should any section or provision of this ordinance be decided by the courts to be unconstitutional or invalid, such decisions shall not affect the validity of the ordinance as a whole, or any part thereof other than the part so held to be unconstitutional or invalid.

All conflicting Ordinances or parts thereof which are inconsistent with the provisions of this ordinance are hereby repealed.

The boundaries of said zoning districts are shown on a map or plate filed herewith and made a part of this ordinance.

And it appearing that the Prince William County Planning Commission having been appointed as provided for by law and it appearing further that the said Planning Commission and this board have held public hearings on the foregoing ordinance in accordance with the statute for such cases made and provided, and of this ordinance.

Now therefore, be it resolved, on motion duly seconded and adopted by yeas and nays voted that the foregoing zoning ordinance of Prince William County be and the same hereby is enacted by this board, and it is hereby ordered that this ordinance and the official zoning map be published according to law this _____ day of _____

SUBDIVISION

At a regular meeting of the Board of Supervisors of Prince William County, held at the Courthouse thereof in Manassas, Virginia, on Thursday the ninth day of November, nineteen hundred and fifty. There were present: Messrs. J. Murray Taylor, Chairman, J. F. Flick, John W. Ellis, J. Carl Kincheloe, R. S. Hall, R. B. Gossom, Stanley A. Owens, Commonwealth Attorney and J. P. Kerlin, Sheriff. RE: Subdivision Ordinance.

Be it resolved that there be and there is hereby proposed for adoption an ordinance to regulate and secure the orderly subdivision and development of land in Prince William County, Virginia, and to require the platting and recordation of such subdivisions.

Be it further resolved that December 7, 1950, at 2 o'clock p. m., in the Circuit Court Room in the County Courthouse in Manassas, Virginia, be and the same hereby set for the time and place for a public hearing on said proposed ordinance.

The Clerk of this board is hereby directed to cause this resolution and the full text of the proposed ordinance to be published once a week for two successive weeks prior to December 7, 1950, in the Manassas Messenger and the Manassas Journal newspapers published in Prince William County.

AYES: R. S. Hall, J. F. Flick, J. Carl Kincheloe, John W. Ellis, R. B. Gossom and J. Murray Taylor.

A TRUE COPY
Worth H. Storke, Clerk

An ordinance to regulate and secure the orderly subdivision and development of land in Prince William County, Virginia and to require the platting and recordation of such subdivisions.

SECTION I

A. Subdivision Control

1. From and after the effective date of this ordinance any owner or proprietor of any tract of land in the unincorporated area of Prince William County, Virginia, who subdivides the same as herein provided shall cause a plat of such subdivision with reference to known or permanent monuments to be made in accordance with the regulations set forth in this ordinance, and a copy of the said plat to be recorded in the office of the Clerk of the Circuit Court.

2. The Clerk of the Circuit Court shall not file or record any such plat or any copy thereof required by this ordinance to be recorded until such plat or copy thereof shall have been approved, in accordance with the provisions of this ordinance and such approval evidenced thereon.

SECTION 2

A. Plats Required

1. Copies of all plats required by the provisions of this section shall be submitted to the clerk of the Circuit Court.

2. Preliminary and final plats shall be required and every such plat shall be prepared by a surveyor or engineer duly authorized by the Commonwealth of Virginia to prepare such plats.

3. Preliminary Plats: Three copies of plats shall be submitted for approval. One (1) copy with the action of the approving authority noted thereon shall be returned to the subdivider.

4. Final Plats: Eight prints of the final plat of the subdivision or section thereof, accompanied by a receipt from the county Treasurer evidencing the payment of all required fees, shall be submitted for approval. One copy with the action of the approving authority noted thereon shall be returned to the subdivider.

B. Approval of Plats

1. Preliminary Plats: Must be approved by the County Planning Commission or its designated agent or agents and such action shall be evidenced on copies thereof by the signatures of the agent of such commission, provided the provisions of this ordinance are complied with in the preparation thereof. Approval of preliminary plats shall be valid for a period of six (6) months from the date thereof and such approval shall not be considered to be an acceptance of such plats for recordation.

2. Final Plats: Shall be approved by the Board of Supervisors of Prince William County and such action shall be evidenced on copies thereof by the signature of the chairman of said Board, provided:

A. Such plats are in accordance and, as such, have been recommended for approval by the County Planning Commission, which action shall be evidenced on said copies by the signature of the Chairman of such Commission.

B. All physical improvements required by the provisions of Section V of this ordinance for the subdivision so platted shall have been installed thereon: except that in lieu of actual installation of said physical improvements the subdivider shall have submitted an acceptable form of agreement or bond with surty in amount equal to the total cost of such improvements guaranteeing that the improvements will be installed within a designated reasonable length of time. The form of agreement, designated length of time and bond and surty shall be established by the Board of Supervisors as they may require, according to the nature and extent of the improvements required.

A subdivider may be released from surty given for construction of streets in any area of his subdivision, except where lots have actually been sold.

Approval of the final plats of subdivisions or sections thereof shall not be deemed the acceptance by the county of any street, alley, or other public space shown on the plats for the maintenance, repair or operation thereof. Approval of final plats of subdivisions or section thereof shall be null and void if copies of the said plats are not offered for record within ninety days after the date thereof.

3. Joint Jurisdiction: When any part of the land involved lies within an area subject to the joint control of the governing bodies of the county and a municipality, the plat shall also be approved by the governing body of the municipality as provided in chapter 369 of the Acts of Assembly of 1946.

SECTION III

GENERAL REGULATIONS: The following shall be minimum requirements.

1. Subdivision Names: The names of new subdivisions shall not duplicate or too closely approximate the names of existing subdivisions.

2. Street Names: Names of new streets shall not duplicate existing or platted names unless the new street is a continuation of or in alignment with existing or platted street.

3. Building Sites: Shall have frontage on existing or recorded public streets.

4. Easements: Where required easements of widths appropriate to the purpose intended shall be provided.

5. Street Layout:

A. Streets shall be provided to give access to adjoining acreage and to connect with the principal streets in adjoining subdivisions.

B. Cul-de-sac street shall be provided with a turn-around with a minimum right-of-way radius of 60 feet.

C. Blocks in general shall not be longer than 1,000 feet between street intersections unless warranted by some unusual condition.

D. Reserve strips protecting the use of dead-end and boundary streets will be permitted on condition that such reserve strips shall become null and void, and thereby automatically dedicated for public street purposes, when land abutting thereon is dedicated for public street purposes.

Lot Sizes: When subdivider sells only land for potential residential purposes with no responsibility for buildings to be constructed thereon, the minimum lot shall be at least 100 feet wide and contain not less than 20,000 square feet.

6. Street widths:

A. Alleys _____ 15 ft.

B. Service Drives _____ 30 ft.

C. Streets _____ 60 ft.

Additional right of way width may be required at the discretion of Planning Commissions if conditions warrant it.

When a subdivision abuts one side of any street which has been included in the State System of Secondary Highways the subdivider shall not be required to dedicate more than one-half of any right-of-way necessary to make said street comply with the minimum width fixed for same, and shall not be responsible for grading or surfacing such street.

7. Service drives: Whenever a subdivision abuts a road which is included in the state System of Primary Highways, a service drive extending for the full length of the subdivision along such road and providing limited access thereto may be required. If the right-of-way of such road has been fixed at 160 feet, or greater, the service drive may be located within such right-of-way.

SECTION IV

Preparation of Plats: Preliminary and final plats of a subdivision shall be prepared in accordance with regulations set forth in this section.

1. Preliminary Plats: Shall be drawn to scale of not smaller than 1/4 inch equals 200 feet, may be drawn in pencil and may be of one or more sheets as necessary to show the following information:

A. Name of subdivision, owner, subdivider, surveyor or engineer, date of drawing, number of sheets, north point and scale.

B. Location of proposed subdivision by an insert map at a scale of not less than two (2) inches equal one (1) mile indicating thereon adjoining roads and their names and numbers, towns, subdivisions and other landmarks.

C. A boundary survey or existing survey or record, provided such survey shows a closure with an accuracy of not less than one (1) in 3,000; total acreage, acreage of subdivided area, number and approximate areas of all building sites; existing buildings within the boundaries of the tract, names of owners and their property lines within the boundaries of the tract and adjoining such boundaries.

D. All existing, platted and proposed streets and easements, their names, numbers and width; public areas and parking spaces; existing utilities, water courses, their names and other pertinent data.

2. Final Plats: Shall be to a scale of 100 feet to the inch or larger with letters and figures not less than 0.06 inches in height on a sheet or sheets not less than 8 1/4 inches by 14 inches, or if larger, each dimension should be in multiples thereof not to exceed 25 1/4 inches by 43 inches and shall show the following information:

A. Name of subdivision, magisterial district, county, state owner; north point, the scale and date of drawing and number of sheets. If shown on more than one sheet, match lines shall clearly indicate where the several sheets join. A blank oblonging space 3 inches by 5 inches

high shall be reserved for the use of the approving authority.

B. Location of proposed subdivision by an insert map at a scale of not less than two (2) inches equal one (1) mile indicating thereon adjoining roads and their names and numbers, town, subdivisions and other landmarks.

C. A boundary survey with an error of closure within the limit of 1 in 10,000 related to the true meridian, and showing the location of all monuments and their type of material. The survey may be related to U. S. C. an G. S. State grid north if the coordinates of two adjacent corners are shown.

D. Certificate signed by the surveyor and engineer setting forth the source of title of the owner of the land subdivided, and the date of record of the last instrument in the chain of title.

E. A statement to the effect that the subdivision as appears on this plat is with the free consent and in accordance with the wishes of the owners, proprietors and trustees, and shall be signed and acknowledged before some officer authorized to take acknowledgments of deeds.

F. When the subdivision consists of land acquired from more than one source of title the outlines of the various tracts shall be shown on the plat.

G. The accurate location and dimensions by bearings and distances with all curve data of all lot and street lines, and contour lines; streets; boundaries of all easements, parks, school sites; all existing and platted streets, their names, numbers and width; existing water courses and their names; names of owners and their property lines, both within the boundaries of the subdivision and adjoining boundaries.

H. All dimensions shown in feet and decimals of a foot to be closest 1-100 of a foot; all bearings in degrees, minutes and seconds to the nearest ten seconds.

I. The data for all curves along street frontages shall be shown in detail at the curve or in a curve data table containing the following: radius, arc, chord and chord bearing.

SECTION V

A. Physical Improvements

1. Improvements required in all subdivisions:

A. Monuments shall be placed in the ground at all corner and angle points in the outer lines of the subdivision.

B. Streets shall be graded and surfaced to widths as follows:
Service Drives, graded-26 ft.—surfaced-16 ft.
Streets, graded-26 ft. — surfaced-16 ft.

Surfacing shall be composed of 5 or more inches of compacted gravel or 4 or more inches of compacted crushed stone, or a superior type of surfacing.

A drainage system shall be provided for by means of culverts, roadway, side lead, and outlet ditches and any other structures necessary to provide adequate drainage of both natural and artificial water for all streets and adjoining properties.

B. Approval of Installation of Improvements:

Upon completion of installation of the required improvements administrative officers charged with the responsibility for the various types of improvements shall issue certificates of approval therefor to the subdivider or his agents, and such certificates shall operate as evidence for the release of any agreement or bond which may have been furnished for the guarantee of satisfactory installation of such improvements or parts thereof.

C. Acceptance of Required Improvements By the County:

The installation of improvements in subdivisions as herein required shall in no case serve to bind the County to accept such improvements for the maintenance, repair or operation thereof, but such acceptance shall be subject to the existing regulations concerning the acceptance of each type of the improvements.

SECTION VI

A. DEFINITIONS: The following words used in this ordinance shall have the meanings respectively ascribed to them in this section:

1. Subdivide: To separate any tract of land into five (5) or more lots or other divisions of land at one time or within one (1) year except however, the separation of any tract of land into lots or divisions of land containing an area of five (5) acres or more, or a division of land to legal heirs, in settlement of an estate.

2. Subdivision: The land subdivided as defined herein and appropriate to the context, the process of subdividing or resubdividing.

3. Street: A strip of land, subject to vehicular or pedestrian travel, and providing direct or indirect means of access to property, but not limited to road, lane, drive, trail, court, place, terrace, highway, boulevard or any other thoroughfare.

4. Public Street: An existing street or a platted street dedicated to the use of the general public, graded and paved or in order that a person has the right to pass and use it at all times, for all purposes of travel, transportation or parking to which it is adapted and dedicated.

5. Street Width: The shortest distance between the lines which delineate the right-of-way of a street.

6. Local Street: A Public Street primarily designed to give access to abutting property, and not including to provide for the traffic movement.

7. Cul-de-sac: A local street with only one outlet and having appropriate terminal for the safe and convenient reversal of traffic movement.

8. Alley: Minor public street, primarily designed to serve as a route to the side or rear of those properties whose principal frontage is some other street.

9. Easement: A grant by a property owner of the use of land for a specific purpose or purposes.

10. Service Drive: A public street, generally paralleling and connecting to a main travelled way, primarily designed to promote safety by preventing promiscuous ingress and egress to the right-of-way and providing safe and orderly points of access at fairly uniform speed intervals.

B. FEES: The Board of Supervisors, by resolution shall establish approval of plats to be collected by the treasurer of Prince William County from time to time a schedule of fees for the examination of plats and deposited to the credit of the General County Fund.

C. AUTHORITIES: This ordinance is adopted pursuant to the powers and provisions of Chapter and Chapter of 1946 Acts of the Assembly of the Commonwealth of Virginia.

D. EFFECTIVE DATE: This ordinance shall be effective at and after 12:01 o'clock a. m. _____

E. PENALTIES: Any violation of this ordinance shall constitute a misdemeanor and shall be punishable by fine of not more than \$100.00.

F. VALIDITY: If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held by a court of competent jurisdiction to be invalid, such decision shall not effect the validity of the remaining portions of this Ordinance. The Board of Supervisors hereby declares that it would have passed this Ordinance and each section, sentence, clause and phrase thereof, irrespective of the fact that one or more sections, sub-sections, sentences, clauses or phrases are declared invalid.

Farm Worker's Rights Under Social Security Subject of Meeting

Social Security and how it will affect farm workers will be the subject of a county-wide meeting next Thursday, November 30, at 8 p.m. in the Courthouse. Representatives from the Alexandria Social Security office will attend the meeting and inform farm workers of their status under the amended Social Security act.

Officials of the local USDA council, which is sponsor of the meeting, said this week that they hope many farm workers will attend the meeting and be informed of their rights and responsibilities under the law.

Social security administration officials, who point out that this is the first time farmers and farm workers have been affected by social security, gave the following pointers:

If you work regularly on one farm and are paid in cash, you will begin to accrue social security

Mr. Dan Goldsmith, 3024 Curron Road, Louisville, Ky., owner of Coogla Cut Rate Store at 935 West Broadway, says there just aren't enough words in the English language to praise HADACOL correctly. He says he knows most folks don't realize what a change HADACOL can make in their life if their systems are deficient in Vitamins B₁, B₂, Iron and Niacin.

Here is Mr. Goldsmith's statement: "Before I started taking HADACOL I was run down and nervous—and had a hard time sleeping nights. With my work in the store I have to spend sometimes 14 hours a day on my feet. Since I am in the retail business I saw how many folks were asking for HADACOL so I decided to try it myself. After the first couple of bottles I could tell a definite improvement. Now I have all the pep and energy in the world, my nerves are steady as ever and I really do get a good night's rest. HADACOL is wonderful—I not only take it, but recommend it to all my customers. I praise the day Senator Dudley J. LeBlanc put HADACOL on the market."

HADACOL is So Different
Thousands are benefiting from HADACOL... whose systems lack Vitamins B₁, B₂, Iron and Niacin. HADACOL is so wonderful because HADACOL helps build up the hemoglobin content of your blood (when Iron is needed) to carry these great Vitamins and Minerals to every body organ—to every part of the body.

Give remarkable HADACOL a chance and if you don't feel better with the first few bottles you take—you get your money back. Only \$1.25 for Trial Size; Large Family or Hospital Size, \$3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana. © 1950, The LeBlanc Corporation.

Centreville

By Nora Good

The PTA dinner in the schoolhouse Friday night was quite a success. At least 150 persons were served. All are grateful to Mrs. Norman Van Dam, who was chairman of the dinner, and to all who helped to make it a success. Prominent persons were: Mr. Aleck Haight of the School Board, Assistant Superintendent of Schools and Mrs. Rice, Dr. and Mrs. Yrbrough, and Supervisor and Mrs. Dye.

Mr. and Mrs. Lester Gentry of Ohio are visiting Mrs. Gentry's sister, and brother-in-law, Mr. and Mrs. Charles Belcher.

Those visiting in Parnell last week were: Mrs. Marshall, Mr. E. T. Marshall and Mrs. C. G. Marshall who has just returned from Africa and is still on duty in Norfolk. He plans to come home for the Christmas holidays.

Mrs. Mary DeBell has been in Alexandria Hospital for about a week. She had quite a bad fall at her home last Thursday, but plans to come in just a few days, however.

The next regular meeting of the WSCS will be in December. The Barar v s at the church Saturday night.

Mrs. Marcus Mohler and Mrs. Johnson Smith were Tuesday visitors of Mrs. C. L. Mohler.

Mrs. Susie Burns has been on the sick list for several days.

Mr. Ward is our new officer on duty at the intersection in the morning and afternoon to assist school children. Mr. Ward is a

old hand at this work. He served many years on the police in Washington.

ADD BREVITIES.

● Mrs. Herbert J. Saunders of Occoquan will be a representative of the Class of 1937 taking part in the Living Endowment program for Lynchburg College. It was learned this week.

● According to the records kept by the Virginia Forest Service, the number of forest fires burning each fall in the county can be attributed largely to hunters. The Virginia Forest Service urges all hunters to use caution while smoking in the woods, and building campfires.

Dependable

... as an Electric water heater!

WHEN YOU shoot over a good bird dog, you know you can depend on him, right up to delivering the bird in his soft, careful mouth.

When you have an ELECTRIC water heater you have an assurance of dependability, too... you know that when you turn the tap it's going to deliver HOT water, and plenty of it!

HOT WATER BY WIRE is instantly ready, clock-'round, calendar-'round—it's always "open season" for convenience! Safe and clean as electric light, too... and so completely automatic you'll forget there's a water heater in the house!

Dependable is the word!

One kilowatt hour will heat 4 gallons of water... 4 gallons for a penny on VEPCO's low off-peak rate!

Clock-'round—year-'round!

VIRGINIA ELECTRIC AND POWER COMPANY

Mrs. Buck
 which organized to encourage public support for a three-year extension of the Reciprocal Trade Agreements.
 Last year Mrs. Buck visited the Far East to confer with Japanese and Korean club women and visited affiliated clubs in Hawaii, China, and the Philippines. While in Japan Mrs. Buck was a guest of the American Military Government and discussed American policy with General MacArthur.

Among her many activities are membership on such national boards and committees as the Woman's National Advisory Council, National Safety Council, National Conference of Christians and Jews, National Sponsoring Committee of Allied Youth, Virginia League for Planned Parenthood, Virginia YMCA, Richmond Citizens Association, and is a trustee of Collegiate School for Girls, Richmond. During the war years Mrs. Buck was appointed a dollar-a-year woman by the U. S. Treasury Department, and served as associate director of the Virginia

War Finance Committee. Monday's meeting of the Manassas Women's Club will be held in Parish Hall of Trinity Episcopal Church. A business meeting will be held at 7:30 p. m. with the program to begin at 8:15 p. m. The public is cordially invited to attend.
 Hostesses for the evening will be Mrs. A. A. Hoof, Mrs. Nellie Purvis, Mrs. J. P. Royer, Mrs. T. C. Price, Mrs. Igor Presnikoff, Mrs. V. D. Proffitt, Miss Page Frye, Mrs. J. M. Hanson, and Mrs. Frank

Phone Rate
 This plan would result in additional revenue of about \$500 a year, and the cost of a new line would be gained in a few years.
 Another objection was voiced by a resident of the Independent Hill vicinity, who asked if he was going to be charged a toll for phoning to the other side of his community. Central Mutual's Triangle exchange serves subscribers up to Independent Hill and the Manassas exchange serves them from the

northwest side of Independent Hill. Would the company redistrict this area, or would they charge a toll for calls from one side of the community to the other, it was asked. The hearing will be held at 10 a. m. in the SOC's courtroom in Richmond. Judge H. Lester Hooker, commissioner for rates and telephones, will preside at the hearing. Sitting with Judge Hooker will be Judges W. Marshall King and Ralph T. Catterall.
