1951 Auto Tags On Sale Here Next Thursday

ate auto licenses for 1951 will
be on sale in Manassas on March
15, according to Mrs. Kenzie P.
Holt, local agent for the State
Department of Motor Vehicles.
The sale of the new tags will be
held at 266 Fairview ave., between
hours of 8:30 a.m. and 5:30
p.m. The plates will be
distributed locally through April 15th.
Mrs. Holt has been in charge
of the sale of license plates here
for the past three years. Last year
approximately 3,200 tags
were sold in the 30-day period. She
advises motorists to get their plates
early to avoid the last minute rush.
The new tags must be displayed
before 12:01 April 16th to
avoid penalty.

Disbrow Is Speaker At Chamber of Commerce Meet

Walter L. Disbrow, of Wash-
ington, was the guest speaker at
the monthly meeting of the Prince
William Chamber of Commerce
held Tuesday night at the Manas-
sas-Coffee Shop.

Mr. Disbrow, who is president
of Retirement Federation of Civil
Service Employees, explained the
procedure of getting a bill
through Congress and the intri-
cate workings of the Budget Bu-
reau. Leading up to the disper-
sal project, Mr. Disbrow stated
that in his opinion the decentrali-
zation bill had a brighter outlook
than one might expect from news-
papers.

He mentioned the wide confu-
sion that exists in Washington to-
day among different agencies, and
the red tape involved in all gov-
ernment business. He said no
wonder we get confused.

A lively discussion on the or-
ganization of new by-laws, which
are to be adopted at the next
meeting, was entered into by sev-
eral members.

Jack Ratcliffe spoke of the
government project at Woodridge,
stating he visited the area, and
was assured by the contractor that
they do not plan to disturb the old
home and graveyard located there.
Advertising solicitation from
merchants and the establishment
of a credit bureau were discussed
by Fred Hynson and others. About
50 members attended the session.

John Shireman Opens Real Estate Office

John Shireman has opened his
own real estate office at his home,
2 miles south of Manassas, on High-
way 234, Lake Jackson Road.

He states that his business will
be different from the general real
estate business in that he will spe-
cialize primarily on "exclusive list-
ings at a fair market price" where
the buyer and the seller will en-
joy individual treatment.

A real estate broker's license has
been assigned him by the Com-
monwealth of Virginia.

Mr. Shireman has been a resi-
dent of Prince William County for
the past ten years, having owned
the Alex Lebeau farm. He has
been associated with Claude E.
Hixson in real estate here since
1947.

Baby Contest Goes Over Big At High School

Six children were picked as win-
ners in the baby contest sponsored
by the Veterans of Foreign Wars
Auxiliary at the Osborn High
School, last night.

With over 70 entries, the judges
had no easy task selecting the win-
ners. Dressed in their Sunday best,
the youngsters drew large ap-
plause as they paraded before the
judges.

The winners of group one, com-
prising tots in the one and two-
year-old class, were Thomas R.
Evans, son of Mr. and Mrs. Marvin
Evans, and Ellen Green, daughter
of Mr. and Mrs. Phillip Green.

Group 2, three and four-year-
olds, William Russell, Jr., son of
Mr. and Mrs. W. R. Russell, Sr.,
and Suzette Jo Barbee, daughter
of Mr. and Mrs. Edwin G. Barbee.
Group 3, five and six-year-olds,
James Howard Luck, son of Mr.
and Mrs. Howard Luck, and Phyllis
Jean Collins, daughter of Mr. and
Mrs. Erskine Collins.

Trophies were awarded the win-
ners in each group. Each entrant
was sponsored by a local firm or
individual.

They were joined at Mt. Vernon by
approximately 900 representatives
of other Boy Scout troops, who
were also making a pilgrimage to
Washington's tomb in observance
of the first President's birthday.

The Boy Scouts attending from
Manassas were Billy Bennett, Bob-

Soldiers and Vets Rendered Aid By County Red Cross

The excellent work of the Red
Cross in Prince William County as
explained by Mrs. W. L. Lloyd,
home service secretary, is particu-
larly significant in connection with
annual drive for \$3,300 now being
conducted here.

Mrs. Lloyd reports that a total
of 120 individual cases of service-
men and their families, and vet-
erans and their families, have been
handled by the County Chapter
since the beginning of the fiscal
year, July 1, 1950. Of this number
68 cases were provided service for
the first time. Records of each
case are on file at the Red Cross
office in the National Bank build-
ing and new cases are being added
day by day.

The assistance rendered by the
Home Service Committee, of which
Mrs. A. O. Beane is chairman, in-
cludes filing claims, information and
assistance in getting disability dis-
charge papers filed, arranging for
extension of leave, sending emer-
gency messages in cases of serious

Mrs. Nellie Purvis Named on School Board

The vacancy existing on the
Prince William County School
Board was filled Monday night with
the appointment of Mrs. Nellie
Purvis, Quantico, by the county
school trustee electoral board.

Mrs. Purvis will serve the unex-
pired term of Mrs. Floy H. Mc-
Inteer, who recently resigned on
account of her health. The term
of office runs until 1952.

Mrs. Purvis had the endorsement
of the Dumfries P.-T. A. The meet-
ing of the electoral board was held
at the Dumfries school, with an
attendance of about 50 school pa-
trons.

John Pettie of Triangle was also
considered for the post but with-
drew his name.

Local Guard Scouts County From The Air

Local guardsmen took to the air
last week when members of local
107th AAA Operations Detachment,
VNG, had the thrill of participat-
ing in a reconnaissance flight to
observe vital installations through-
out the county.

Those participating in the flight
were Lt. Charles Wall, Jr., Sgt.
Wade Whetzel, Sgt. Philip Barks-
dale, Sgt. Ernest Brown, Cpl. Pat
McNair, Pfc. Harry Gilley and Pvt.
Wheatley Lightner.

Lt. Col. Dale F. Vincent, Corps
of Engineers, U. S. army reserve,
served as pilot, executing skillful
take-offs and landings despite
muddy terrain.

Col. Vincent has offered to make
additional flights with larger planes
as soon as the airport is capable
of handling them. This will make
it possible for all members of the
guard unit to make at least one
observation flight.

The local unit is deeply apprecia-
tive of the efforts of John Cox,
who was instrumental in arranging
the flight. Thanks are also ex-
pressed to Town Manager James
Ritter, Jr., and Dudley Watts, air-
port manager, for their interest and
cooperation in making the facilities
of the local airport available.

School Board Has Long And Busy Session

Approval of various budgets and
the clearing of other important
items of business marked a busy
and lengthy session for the Prince
William County Board which met
here Wednesday.

Schools Close June 9th.
The Board set June 9th as the
closing date for county schools and
elected principals and supervisors
for the year 1951-52 as follows:

Technical, Vernon Schultz;
Nokesville, Daniel C. Link; Hay-
market, Mrs. Janie W. Smoot; Dum-
fries, Mrs. Martha H. Craft; Occo-
quan, Herbert J. Saunders; Manas-
sas, Daniel M. Kelso; Osborn, Miss
Carrie B. Lanford; Bennett, Mrs.
Mary Lynn; Baldwin, Mrs. Eliza-
beth Kinchloe; Brown, Mrs. Mar-
garet S. Roy;

Negro Supervisor, Miss Naomi R.
Wright; Elementary Supervisor,
Miss Sue Ayers; Elementary Asst
Supervisor, Mrs. Ossie Tipton.

The trustees authorized a re-
quest to the Board of Supervisors
for an allocation out of current
surplus county revenues of \$36,-
037.50 to pay for architectural ser-
vices on the proposed new Osborn
High School; also an allocation of
\$5,837.50 for similar services at
Garfield school.

R. Worth Peters stated that while
there are no prospects that con-
struction of the Osborn school
will be commenced in near future,
the plans are basic and are drawn
so that additions may be added to
basic units, to take care of up to
double the number of pupils.

It was noted that while the
original construction of the new
school was estimated to be \$750,000,
the present cost would be nearer
\$1,000,000.

Regional High School

The operating budget of the
Regional High School in the
amount of \$99,550.00 was approved.
Tuition for students from Fair-
fax, Fauquier and Prince William
Counties, the owning counties, was
raised from \$140. to \$150. It is
estimated that there will be 120
students from Prince William in
Regional next year, which will cost
the county \$18,000. Tuition for stu-
dents from Warren County and
Falls Church, participating local-
ities, was raised from \$150. to \$160.
The increase is due to increase in
operating costs and to an increase
in the teacher wage scale. A resi-
dent budget of \$28,075.10 was also
approved.

Technical School.
The Board approved the proposed
budget of the Manassas Technical

Joseph Sisson, Triangle Boy, War Casualty

Joseph Francis Sisson of Triangle
has been notified by the Defense
Department that his son, Cpl.
Joseph Francis Sisson, Jr., 25, has
been killed in action in Southern
Korea. Corporal Sisson died in the
Korean fighting Sept. 24, 1950, the
Defense Department revealed.

A veteran of World War II, Cor-
poral Sisson served three years in
the U. S. Navy, which he joined
in the fall of 1948. In 1949 he
was sent to Tokyo. He had been
in Korea only a short while.

Corporal Sisson attended Quantico, Dumfries, and Occoquan
Schools, and the Manassas State
Vocational School. His father is
employed by the Government at
Quantico. His mother is deceased.
In addition to his father, Corporal
Sisson is survived by five sisters,
Mrs. Mary Travis of Kentwood, La.,
Mrs. Clara McKelitts, of Juba, Colo.,
Mrs. Naomi Bloxton, Mrs. Lelle Hall, and Mrs. Irene Cornwell,
all of Triangle; one brother, Walter
E. Sisson, of Triangle. A brother,
Wilbur Wayne Sisson died of
wounds received in World War II
while serving with the Army.

School Head Scores Critics Before County School Board

The rumored fireworks from irate parents over the
much publicized personality adjustment test in Manassas
schools failed to materialize at the Prince William county
school board session yesterday. The only pyrotechnics
came not from a supposedly outraged public but from R.
Worth Peters, superintendent of schools, who until now
had maintained silence in the controversy.

Although the meeting was known and open to the
public, Peters' statement was heard only by school board
members, and a Journal reporter. No one appeared to
register protest.

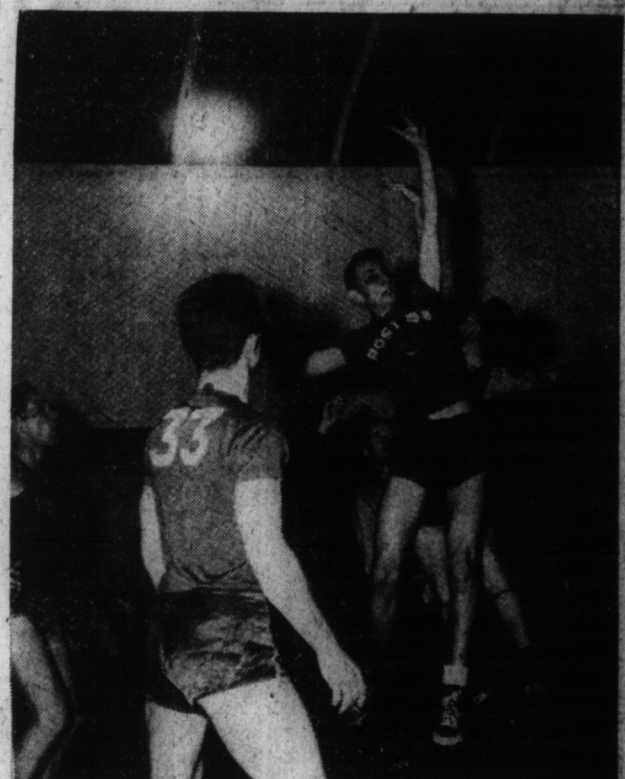

Baptists To Start Church Remodeling

The Manassas Baptist Church is
preceeding with definite plans for
the extensive remodeling of its
church edifice on East Center
street, it was announced by the
pastor, Rev. John D. Edens.

Approximately \$10,000 will be
spent on the project. Plans call
for altering the entire front of the
church building, and the facing of
the exterior with brick. A colonial
porch will be constructed to give
a rich and dignified architectural
appearance.

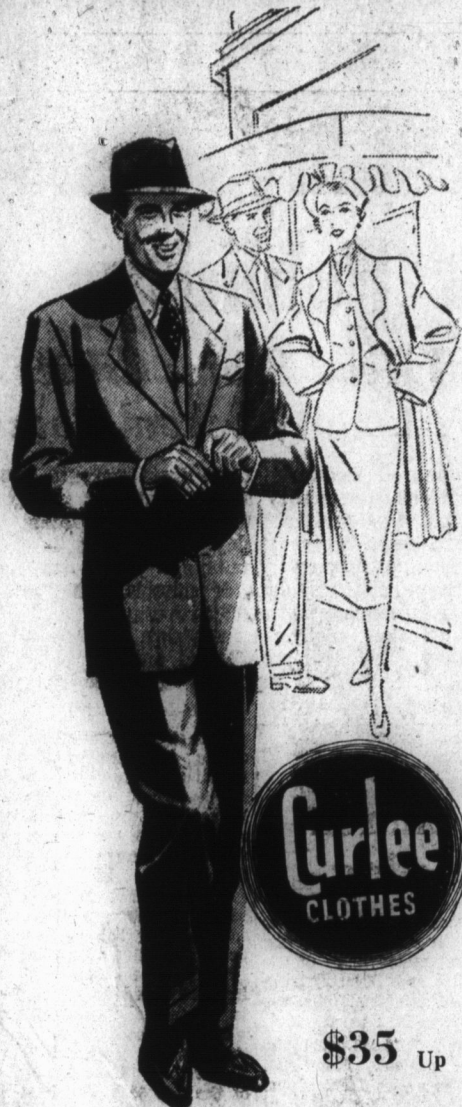

The congregation has voted ap-
proval of the project and it is hoped
to start construction as soon as
final architect plans can be sub-
mitted.

News From Nokesville

MRS. FRED SHEPHERD, Correspondent

Lawrence McMichael Passes Away Suddenly

Nokesville friends were saddened Friday evening to learn of the sudden death of Lawrence Harold McMichael, of The Rectory (Virginia).

Mr. McMichael had been in good health, and seldom missed a Sunday attending the Presbyterian Church at Greenwich. He was doing some carpentry work, and preparing to leave for home when he collapsed, and died before the doctor arrived.

Mr. McMichael was born at Carnegie, Pa., March 4, 1877, the son of Alexander and Mattie McMichael. The family moved to Virginia in February, 1898. In 1906 he went back to Pennsylvania. In 1920 he married Myrtle Stuart, who died in 1930, leaving one son, James H. McMichael, now of Hyattsville, Md. Later he married Anna McGreen, a widow, with one child. This Mrs. McMichael endeared herself to many children who loved her as a school teacher in the school at Nokesville. She passed away several years ago. They had one son, Alexandria, who also lives at The Rectory.

Funeral services were conducted at the Greenwich Presbyterian Church Monday afternoon. Wayne McMichael of Imperial, Pa., and Mrs. Hatch of Michigan, attended from out-of-town.

ON TRAILER TRIP

Mr. and Mrs. P. L. Trenis left Sunday with their trailer to spend a month with Mr. and Mrs. Jerome Trenis in Georgia. Mr. and Mrs. Trenis have been quite busy lately but enjoying very much keeping one or the other or both of their twin granddaughters. Their son-in-law, Carey Crismond, receives his Nokesville friends' sympathy on the death of his mother, who passed away last week at the Crismond home in Spotsylvania.

Russell Britton, Lou Beall and John Harpine are under the doctor's care.

CLASS ENTERTAINS

The Senior Women's H. D. Club was entertained by the Home Economics class, which includes Mary Thomasson, Sarah Wood, Mary Lou Cowne, Myrna Dove, Beulah Rittenour, Evelyn Ritchie, Helen Struhs and June Myers and their teacher, Mrs. Marang, at the H. E. cottage on Tuesday afternoon. The luncheon followed a demonstration on "Pruning."

Miss Hazel Saunders led the devotional, using as her theme Easter and St. Patrick. During the business session plans were made to serve the blood donors on March 22. The exchange of plants will be planned for the April meeting which will be held at the Fire Hall when fabric painting, re-seating chairs, etc. will be the demonstration for the day. Mrs. Ted Shepherd and Mrs. Fred Shepherd were appointed to plan for a bake sale in the near future. A sizeable Red Cross donation was voted. The business meeting was conducted by Mrs. Blake Fleming.

PALM SUNDAY SERVICE

The Aden E. United Brethren members are busy preparing their Palm Sunday evening service which will be on Sunday, March 18. The congregation and the many friends of the church are cordially invited. Something very special to look forward to is the fact that there will be "greetings" presented on the bulletin for the evening from each of the ministers who has served the Manassas Charge.

NEW ENTERPRISE

Nokesville is indeed "branching out." Now one of our very enterprising young ladies, Mrs. Betty Brown has opened up a shop in the building where the Roy Fitzwater's have their store and will be known as the "Arts and Crafts Shop." Mrs. Brown also is holding classes in figurine and textile painting.

Mrs. L. J. Bowman, Mrs. Fred T. Shepherd, Fred Jr. and Wade Whetzel Jr. spent Monday in the J. C. Snider home in Clarendon. They had a nice time visiting with Mrs. Eliza Snyder, Mrs. Perry Knapp and "Chap" Mrs. Bill Holland, Miss Della Fitzwater, and Mrs. Charles Albrite, all of whom were at the Snider home that day.

Father of Mrs. Miller Dies In Washington

Mrs. Carl Miller spent Friday with her mother, Mrs. Ira Welmer in Washington. Mrs. Miller just recently lost her father, who at the age of 78, suddenly passed away at his home in Washington, February 20.

Mr. Welmer was the oldest of twelve children, the son of Rev. Dennis and Catherine Kline Welmer, then of Mayfield, W. Va. When he was ten years old the family moved to Beaton where he lived on a farm until 1924, when he moved to Washington where he worked for the government on an Experimental Farm in Arlington. After the farm was moved to Maryland he began working for Safeway Stores from which he was retired three years ago.

He was a very devout member of the Church of the Brethren, serving as a deacon for 40 years. For a number of years he was a Sunday school teacher.

Surviving him are his widow, Mrs. Lillie Welmer; four daughters, two sons and nine grandchildren and eleven great grandchildren, live sisters, and four brothers. Burial was at Fort Lincoln Cemetery.

Our sympathy goes to Mrs. Miller and all her large family. Mrs. Welmer wants us to express her warmest thanks to all who remembered her in her bereavement.

SUNRISE SERVICE

The L. J. Bowman family again this year is making plans for the Sunrise Service to be held at the Bowman home on Easter Sunday, morning, beginning at 7:00. All are welcome to attend. Dr. Warren Bowman will be the speaker with Rev. L. W. Griggs, Rev. Albert C. Winn and Rev. D. D. Fleishman also taking part in the service. The service promises to be a good beginning for one of the most wonderful days of the year.

DIES IN HARRISONBURG

Nokesville relatives received word on Monday of the death of their brother and uncle, Van Whetzel, of Harrisonburg. Mr. Whetzel, as stated in last week's column, had recovered sufficiently from a recent illness to return to work, but suffered a heart attack on Friday. On Saturday, S. G. Whetzel, Mrs. Florence Keyser and Mr. and Mrs. Harry Whetzel visited him in Harrisonburg. Mr. Whetzel is survived by his wife, Dorcas Albrite Whetzel, and three sisters, Mrs. Florence Keyser, his twin sister, Mrs. Rachael Robinson, and Mrs. Sarah Wright and five brothers, Fred Whetzel, S. G. Whetzel, of Nokesville, Jesse Whetzel of Brentsville, George and David Whetzel of Washington, and a large number of nieces and nephews. Funeral services will be conducted on Thursday, to which a large number of his relatives from here will attend.

PRE-EASTER SERVICES

The Nokesville Church of the Brethren will have pre-Easter Services each night until Easter, beginning on Monday, March 19, with Dr. Warren D. Bowman, president of Bridgewater College as guest speaker. Sunday evening, March 25, the services will close with the bi-annual Love Feast.

BAND BOOSTER'S CLUB

When the parents of the band members met recently the name "The Band Booster's Club" was chosen by the group as the official title for the new organization. More about this later.

PERSONALS

The Albrite relatives in our community of Frank Albrite of Harrisonburg are encouraged to hear of the improvement in his condition. He is convalescing from a very serious operation, performed February 22 at the Harrisonburg hospital.

Mr. and Mrs. John Mann and baby daughter, Patricia Darleen, of Hyattsville, Md., spent the weekend with Mrs. Mann's sister and brother-in-law, Mr. and Mrs. Bobby Britton.

Mrs. Lora Dennis Ross of Alexandria spent the weekend with her parents. She has received letters from her husband, Cpl. Billy Ross, who says he landed safely in Germany.

Congratulations to Rev. and Mrs. Eugene Nolley of Bridgewater College on the arrival of little Master Ronald Eugene Nolley at the Harrisonburg hospital on Friday. Sunday dinner guests of the Ted J. Shepherds were Mr. and Mrs. Earl Seese of Falls Church and the Fred T. Shepherds.

LEADERSHIP TRAINING

The Brentsville district committee for Religious Education has announced leadership training classes which will start Monday evening, March 26, and to be held each Monday night for six weeks. There will be four separate classes, open to anyone who wishes to enroll, especially the teachers and leaders of all the Sunday Schools of the district. It will be held at the Nokesville Church of the Brethren.

PLAN BLOOD CLINIC

Lt. Col. Willard Wilkins and Mrs. Robert Beahm were hostesses to the Junior Women's H. D. Club at the Wilkins' home Tuesday afternoon. Plans were made for the ladies to serve the doctors and nurses at the Blood Clinic on March 22. The Senior Women's Club will serve the donors. Plan to give your blood at this clinic.

HAPPY BIRTHDAY

Master Leland Flory celebrated his birthday Saturday afternoon by having a number of his little friends with him for an afternoon of games, refreshments and all that goes with a birthday party. Those present were Linda and Stuart Fishman, Wade Whetzel, Jr., Brenda Flory, Elaine and Carol, Carl and Jeanie Hopkins.

Miss Marian Poole spent the weekend with the Bowman family from her nursing duties at St. Elizabeth's Hospital.

HOME - MAKING IDEAS

ST. PATRICK'S DAY SUGGESTIONS
Something simple to fix, fairly unusual and a little unusual. The ideas which follow are for St. Patrick's Day entertaining.

If you're entertaining your club this day here is an attractive party which could be served with coffee. Possibly you're one of those fortunate enough to have a home freezer. In this case the party for this refreshment could be stored in your freezer long before March 17th. This part of your party could be postponed until a short time before your guests arrive.

Angel Food Cake Shamrock
Cut out of the freezer come frozen peaches and a large angel food cake.

Put whipping cream in a tablespoon powdered sugar. Spoon almond flavoring. Angel Food Cake, (thawed) boxes peaches (thawed) green maraschino cherries. Whip cream. Stir in powdered sugar and almond flavoring. Spoon carefully over each cake serving with peach slices. Garnish with slices of green maraschino cherries.

If it's a large party why not have this Green Party Punch with Green Stone Cookies.

Green Party Punch
quart lime ice (not sherbert)
quart Tom Collins Mix
quart ginger ale
tablespoon Angostura (may be omitted)

MEAT CUT Quiz

Q. What is the name of this cut of meat?

A. American leg of lamb.

Q. Where does it come from and how is it identified?

A. As the name implies, it is the leg of lamb, corresponding to the round of beef. For this style leg, the meat is peeled back from the shank, then the bone is removed. The meat from the shank is tucked back under the fell and pinned in place.

Q. How is it prepared?

A. By roasting. It is placed skin side down on a rack in an open roasting pan. No water is added. The leg is roasted in a 300°F. oven allowing 30 to 35 minutes per pound. A roast meat thermometer inserted in the meat before cooking will register 175°F.-180°F. when the roast is done.

2 tablespoons top milk
2 teasps. grated lemon rind
2 teasps. grated orange rind
1 1/4 c. sifted all-purpose flour
1 c. chopped nut meats

Work shortening until creamy; add sugar gradually, combine beaten egg yolk, flavoring, top milk, and grated rinds, add to creamed mixture. Add flour; mix thoroughly and chill 1 hr. Beat egg white slightly; then coat one side of each rounded teaspoonful of dough in egg white, then in chopped nuts. Place nut side up on greased cookie sheets, about 2-ins. apart. Bake in moderate oven of 325 degrees F 20 to 25 minutes, or until slightly browned. Makes about 2 dozen.

To test a baked potato, press it between the fingers. If it feels soft, it is done. For rice, pinch a grain between thumb and forefinger. When no hard core remains, rice is done. The same test holds true for spaghetti or macaroni.

Oven regulators, kitchen clocks and timers will check the time and temperature, but there are foods best checked by touch, look, or feel. Some of the "tricks" are:

JOHN GALLEHER, President and Publisher

Published every Thursday, at the office of The Manassas Journal, Manassas, Va., by the Prince William Publishing Co., Inc.

Subscription Rates: By the year, \$2.00; outside Prince William County \$2.50; single copy 5 cents. All subscriptions payable in advance.

The School Argument

While news reports glaringly describe the Manassas school issue as "the third battle of Manassas," the citizenry doesn't seem to be up in arms.

At least the battle cry wasn't manifest at the Prince William County School Board meeting yesterday. Not a person appeared in protest to the psychological adjustment tests about which the controversy has supposedly raged the past few weeks.

Superintendent of Schools R. W. Peters has answered his critics. And now that both sides have been heard, The Journal takes the stand that the energies of all citizens can best be directed to that problem of providing better, much needed school facilities.

Surely, constant antagonism of the educational system and its methods can lead to no good purpose.

Peters Defends

(Continued from Page 1)

"I contend that so-called quotations, all distorted, lifted out of context, tended to prove only the point of view of Mr. Muse. He sent copies of his editorial to other newspapers and a flurry of comment followed. This was irresponsible editorial policy.

"Not one person has approached me personally about this test. Not one parent or patron, nor anyone from Muse's newspaper came to my office in protest. The test itself does not bother me. If it were not this, it would be something else."

"The test," said Peters, "had been used for over 3 million children in the U. S. with but two reactions . . . the one in Manassas and the other in the neighborhood of Boston. In each case identical charges were made, that the school was trying to drive a wedge between the child and the home. These psychological tests have been used in all our schools for the past 15 years, he added.

Defends Teachers.

"The teachers of Prince William County feel that the time has come when I must speak out. They feel that I am letting them down by not replying to such attacks. The morale of the teachers of this county, and particularly the teachers of Manassas is terribly low because of unjust criticism. And I predict that we will lose a large number of the better trained and qualified teachers in the next session. They don't have to worry about getting a job . . . Prince William will be the loser when they go.

Specialized Field.

Continuing, he said: "Education, regardless of what anyone may say, is still a specialized field. Professional educators have a better chance to know how and what to do in the training of children. Public education has never asked for the wide range of responsibilities thrown on it. It has always believed that the family and the home and the church and the community have responsibilities for educating and developing the children. But, more and more, public education has had cast in its lap functions that should be performed in the home . . .

"Education is not something that can be accomplished by separating the brain from all other elements of personality. If it were that simple it would be a very easy thing to do. It is conditioned by the physical, emotional, too. A block in the emotional make-up of an individual child may be the controlling factor in whether he can learn to read, write or spell. You cannot minimize the importance of the environment and the emotions. Any use that has been made of any test—they are all subject to error and all subject to misuse. We have tried not to misuse them. I don't believe anyone can prove that we have misused the test. Had we permitted the test be published, or the results, we would have misused it.

"Present conditions in Prince William County make it impossible for the teacher to do the job for which she is trained. The children themselves have reached the point where they are listening to these unfounded criticisms of the schools, the curriculum and the teachers, and their moral is being undermined."

In conclusion, Peters emphasized these points:

1. There has been no fair sampling of the parents.
2. All big businesses give similar tests before hiring.
3. Not one parent has complained to any member of the school board, or to any member of the school administration.
4. Only one school board member reported that one member of board of supervisors came to him, stating he was upset about the editorial. The supervisor went over the questionnaire and was fully satisfied.
5. The test is given by personnel specially trained in child guidance.

Board Members Polled. A poll of Board members by the Journal reveal that: (1) The Board does not have the feeling that there is any widespread dissatisfaction among parents because of the use of the adjustment test; and that those who joined in criticism have done so because they were not cognizant of the true facts.

Richmond, Va.—With sixty per cent of the licensed operators of motor vehicles in Virginia, out of an estimated one million licensees, having to renew their operating permits during this year, the Division of Motor Vehicles laid stress today on the following eleven reminders which the Division trusts will be read carefully by all concerned. Here they are:

1. Should you permit your Virginia Operator's license to expire before applying for renewal you must undergo and pass an examination before another license may be issued for your use.
2. Your operator's license expires in your birth month.
3. You must be fifteen years of age before you may apply for a Virginia operator's license. (Note: In some localities in Virginia it is unlawful for anyone under sixteen years of age to operate a motor vehicle.)
4. If you are employed for the principal purpose of operating a motor vehicle, you must first secure a Virginia chauffeur's license.
5. Should you fail the examination in your first attempt to secure a Virginia operator's or chauffeur's license, you must undergo and pass the complete examination on any subsequent attempt.
6. If you establish residence in Virginia or accept permanent gainful employment in Virginia, you must apply for a Virginia operator's license immediately, although you may have in your possession a valid operator's license from some other state.
7. If you become disabled or your ability to operate a motor vehicle is impaired in any way, regardless of the extent, this must be reported to the Division of Motor Vehicles immediately.
8. If you make a false statement on any application filed with the Division of Motor Vehicles, your operator's license may be suspended.
9. You must be over eighteen years of age before you may secure a Virginia chauffeur's license.
10. You must be over twenty-one years of age and secure a Virginia chauffeur's license before you may lawfully operate a public passenger carrying vehicle.
11. You must have your father's consent and signature on your application before you may secure a Virginia operator's license, if you are under eighteen years of age.

Hearing on Changes In Fishing Regulations

At the February 26 meeting of the Commission of Game and Inland Fisheries in Richmond, the following proposals were ordered published for a hearing to be held on March 23, at which time they will be adopted or rejected.

Most important of the new proposals is the one to fix the season and creel limit on trout and the season on largemouth, smallmouth, and spotted bass.

It is now proposed that the open angling season on trout shall be from 12:00 o'clock noon of May 1 until one hour after sunset, September 15, Eastern Standard time, and from one hour before sunrise to one hour after sunset on intervening days. The proposed new creel limit on trout would be eight fish per day.

It was also proposed that the open season on the various bass species run from June 1 to December 31 west of the Blue Ridge Mountains, and from June 1 to March 15 east of the Blue Ridge.

4-H Club Week Is Observed

Prince William County's boy and girl farmers, nearly 500 strong, are joining this week in the national observance of 4-H Club Week. Like 4-H members throughout the nation, these young agriculturists are celebrating the accomplishments that have been achieved during the past year.

Here in Prince William County, the 4-H boys and girls have contributed widely to the program. They produced 18.5 acres of garden, 2,860 chickens; raised or milked 63 head of dairy cattle, grew out 2 head of beef cattle, fattened 91 head of swine, raised 115 rabbits.

They made 30 articles of furniture and lamps; repaired 10 pieces furniture; planned 314 meals and served 129; canned 543 quarts of fruits and vegetables and froze 110 additional quarts; froze 46 pounds meat; made 287 garments and remodeled 26 of them; improved the appearance of 12 rooms and remodeled 33 articles of furniture.

The theme for this year is "Working Together For World Understanding."

Coush-House Vows Are Taken In Pretty Ceremony

A very impressive candlelight ceremony, before an altar decorated with large palms and bouquets of white gladioli, snapdragons, and chrysanthemums, Miss Hunt House, daughter of Mr. and Mrs. John N. House, of Nokesville, became the bride of Kenneth Croushorn, oldest son of Mrs. Rose Croushorn, of Nokesville, on Saturday evening, March 3, in the Presbyterian church at Greenwich.

Wedding music was played on organ by Miss Edna Armstrong, Nokesville, and Miss Jessie Howland, Washington, sang, "I Love Truly," "Because" and "The Prayer."

Amelia Allen of Washington, in the absence of the bride's sister, Miss Frances Marie Hunt, who was to have been the maid of honor, but because of illness could not attend, was her sister-in-law. She wore a gown of white tulle with a train and a finger-tip length veil with a halo of tiny pearls. She wore a lovely three-strand necklace of pearls with matching earrings, a gift from the groom. The bride wore a large bouquet of white roses. Mr. House escorted the bride to the altar where the ceremony was performed by the bride's pastor, Rev. Albert C. Croushorn.

George Croushorn of the Manassas Journal was the best man. The ushers were Mr. and Mrs. Edward Nelson of Nokesville.

The reception for about 100 guests was held immediately following the ceremony at the home of the bride. Photographs for the wedding were taken by the bride's friends, Miss Billie Lathrop of Washington.

Following with the reception were the bride and her sisters-in-law, Mrs. Thomas Dulaney, Mrs. Thomas House, Mrs. Ewing House, Mrs. Thomas Tye, Mrs. Royal House, Mrs. John Gard, Mrs. Fred Huffman, and Mrs. Amelia House.

Immediately after the reception the young couple left for a South-western trip. For her going-outfit the bride chose a navy blue with matching accessories and a corsage of white roses.

The bride is a graduate of Nokesville High School and Lucy Webb Nursing School of Washington. She is now employed at the Nokesville Hospital. The groom also is a graduate of Nokesville High School.

Mr. and Mrs. Henry Fletcher of Manassas, Virginia, announce the engagement of their daughter, Gladys DeWitt Fletcher, to Mr. John Martin Hatcher, son of Mr. and Mrs. C. D. Hatcher of Leland, N. C.

Miss Fletcher is a graduate of Mary Washington College of the University of Virginia and is presently employed in the Administrative Office of the Arlington County School Board.

Mr. Hatcher attended the Newport News Shipbuilding and Dry Dock Company Apprentice School, served two years in the United States Navy during World War I, and is a member of the United States Naval Reserve. In June he will graduate from the School of Electrical Engineering of the North Carolina State College at Raleigh, N. C., where he is a member of the Phi Eta Sigma, Eta Kappa Nu, Tau Beta Pi, and Phi Kappa Phi Fraternities.

The wedding is planned for June 16, 1951.

Ray Lilly Gives Review of Book At Auxiliary Meeting

Roy Lilly gave a most interesting review of the book, "Near East Woman's Auxiliary of Trinity Pantheon," at a meeting of the Church Monday evening.

Mr. Lilly pointed out the many similarities between the Christian, Mohammedan and Jewish faiths. "Each one recognizes Abraham as the father of the faith, each recognizes the work of the great prophets, each has its own sacred book, each believes in the one, true God," he said. "One of the main points of difference is the refusal of the Jews and the Mohammedans to accept the divinity of Christ. They regard Him as a great teacher and a great prophet."

In discussing the difficulty of spreading Christianity among the Mohammedans, Mr. Lilly stated "that much ground work must be done first, in the same way that Jesus laid the ground work for his spreading of the gospel, by loving, healing and educating the people."

"The divine command, 'Love Thy Neighbor,' must undergird all efforts to Christianize the peoples of the Near East, and a truly Christian philosophy must dictate our country's foreign policy, for in the eyes of Near Eastern peoples Christianity is measured by our country's foreign policy."

"The bonds I bought for our country's defense will see my twins through college!"

MRS. MARY CALLON OF INDIANAPOLIS, INDIANA CAN TELL YOU—IT'S PRACTICAL AS WELL AS PATRIOTIC TO BUY BONDS FOR DEFENSE

"I have twin reasons for buying bonds," says Mary Callon, introducing 17-year-old Jack and Janet. "I've been a widow since my children were 8, but they'll have a college education. The U. S. Savings Bonds I've bought will see them through."

"In 1942 I enrolled in the Payroll Savings Plan at the U. S. Naval Ordnance Plant where I'm an executive secretary. I put 10% of my pay each week into bonds. I've discovered it's regular saving that makes saving possible at all!"

"By careful managing, the twins and I live comfortably. How thrilled I'll be to see them enrolled in Butler University this fall, thanks to my U. S. Savings Bonds! Every breadwinner should buy bonds—there's no better way to save money!"

Mrs. Callon's story can be your story, too!

What Mary Callon did, you can do, too—start now! It takes just three simple steps.

1. Decide to put saving first, before you even draw your pay.
2. Save a regular amount systematically, week after week or month after month.
3. Sign up today in the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

You'll be providing security for yourself, your family, and our free way of life.

U. S. SAVINGS BONDS ARE DEFENSE BONDS—BUY THEM REGULARLY!

Social Security

RUTH G. DUFF, Manager

Alexandria Social Security Office

The child was not overlooked in the new social security law. The child in the average home will receive broader insurance protection and is assured greater benefits.

Children, like all other social security beneficiaries, received a substantial increase in their payments beginning with the month of September 1950. There were a number of other changes affecting children. The most beneficial change was the one permitting payment of benefits to children on the basis of their deceased mother's wages in most cases. Prior to the amendments it was not possible to pay monthly benefits to children on their mother's earnings if the children were either living with or receiving support from their father at the time of their mother's death. Often times the mother was the sole support of the family or chiefly supporting the children but there was no way for us to pay the children.

Under the new law a child under 18 may qualify for monthly benefits on his deceased mother's wages under either of these conditions:

1. The mother worked at least one and one-half years during the last three years of her life, or
2. The mother was furnishing at least half of the child's support, or
3. The mother was living with the child or contributing to the child's support and the child's father was neither living with the child nor contributing to the child's support.

It is apparent from the above conditions that where the mother renders material financial assistance in supporting her children, they will receive the protection of her earnings. This follows the general philosophy of social security, which is the partial replacement of the loss of income resulting from old-age or death.

This new provision of the law applies to all cases where the mother died after 1939. However, payments cannot be paid for any month prior to September 1950. In any event payments cannot be made until a claim is filed on behalf of the children.

The address of the Alexandria office is 815 King Street. Office hours are from 9:00 a. m. until 5:00 p. m. on Monday through Friday.

Miss Millie Welch of Washington, was a weekend guest of Miss Nancy Thomas at the home of her parents, Mr. and Mrs. L. E. Thomas.

MAY REOPEN SCHOOL

To alleviate the crowded condition of the schools in Nokesville it is reported that the school in Brentsville will reopen next fall, probably to accommodate the pupils of the first four grades.

Jack Dall, student pastor of the Brentsville Union Church, was a dinner guest of the J. J. Whetzel, Sunday.

Heart Campaign Laggging in County

Every county in Virginia has been alerted to the urgent need for last minute support of Heart Fund, according to Dr. M. Porter, president of the Virginia Heart Association.

"It is not too late to give generously to this important cause," he said. "So far, we have not received sufficient funds to carry on the Heart program planned for this state. We need money, quickly, if this work is to be sharply curtailed." This county's quota is \$15,000, though returns have been coming in slowly there is still time to meet that goal, campaign officials here believe.

TO FIX THE SEASON AND
CREEL LIMIT ON TROUT AND
THE SEASON ON LARGE
MOUTH, SMALL MOUTH AND
SPOTTED BASS.

A meeting of the Commission of
Game and Inland Fisheries was
held at Richmond, Virginia, Feb-
ruary 26, 1951 at which meeting
a proposal hereinafter stated was
authorized. A further meeting will
be held at Richmond, Virginia,
March 23, 1951 at which time said
proposal will be acted upon.

That the open angling season for
trout shall be from 12 o'clock noon
May 1 to one hour after sunset,
September 15 Eastern Standard
Time, and from one hour before
sunrise to one hour after sunset
on intervening days; that the creel
limit shall be eight trout per day.
That the open angling season for
large mouth, small mouth and
spotted bass shall be from June
1 to December 31 west of the Blue
Ridge Mountains and June 1 to
March 15 east of the Blue Ridge
Mountains.

That all regulations or parts of
regulations in conflict with the
foregoing be rescinded.

By order of the Commission of
Game and Inland Fisheries.
BEVERLEY W. STRAS, Jr.,
Chairman.

School Board

(Continued from Page 1)
School in the amount of \$97,542.00
for the next year. The tuition rate
of \$150 per full time student re-
mains the same for next year.
Prince William will pay in the
neighborhood of \$12,000. The Board
noted that the tuition of \$150 does
not actually cover the cost per stu-
dent. That cost is \$450, two-thirds
of which is contributed by the
State.

School Survey.
It was voted to suspend tempo-
rarily the school survey, commenced
in January by the University of
Pennsylvania, with the understand-
ing that it may be reactivated at
a later date when greater clarity
can be had on the potential enroll-
ment and school needs of the coun-
ty. This action was taken after
Mr. Peters pointed out that the
survey up to this point has been
very valuable. An analysis has been
made of every school room, popula-
tion analyses have been made and
trends noted.

Mr. Peters stated, however, that
to continue with the survey is not
feasible for the following reasons:
The rapidly changing population
trends of the County, the high
migration element noted during the
study, the strong possibility of the
dispersal of some Federal Agency
into or adjacent to the county, the
fact that official U. S. Census
figures will not be available for
several months, making it impos-
sible to analyze with any degree of
accuracy the potential situation
in the coming months.

Ocequan School Addition.
The Board approved the sub-
mission to the State Board of pre-
liminary plans for the addition to
the Ocequan School of 6 upper
elementary classrooms and cafeteria,
also, preliminary floor plans for
Bennett School additions and im-
provements.

Funds Allocated.
The sum of \$10,000 additional
was allocated from the State con-
struction funds to the Washington
Feed school to cover extra not in
the building contract. Previously
this school had been allocated \$25,
000. The Ocequan Elementary
school was allocated \$155,780. This
leaves \$108,310.00 unallocated.

A request from the Yorkshir
Citizens Association asking a new
elementary school was considered
but no action taken.

The Board welcomed Mrs. Nellie
Purvis of Quantico, who has had
recently been elected to succeed
the unexpired term of Mrs. Floy
McInteer, resigned.

The Board set March 22nd for
a special meeting to adopt and
transmit to the Board of Super-
visors the school budget for the
ensuing year.

Vepco To Spend 42 Million In Huge Power Expansion

The Virginia Electric and Power
Company's 1951 construction budget
of \$42,563,100 is the largest in the
history of the company, according
to Jack G. Holtzclaw, Vepco presi-
dent.

Additions to the company's gen-
erating and transmission facilities
account for a large portion of the
budget.

Approximately \$6,000,000 of the
1951 budget will be spent this year
on the new 100,000 Kw. addition
to the Chesterfield power station,
located on the James river near
Richmond, and which is scheduled
to be placed into operation in mid-
1952, and when completed will
cost \$13,000,000.

Near Quantico.
Work now in progress on a 60,000
kilowatt addition to the Possum
Point power station, near Quantico,
Virginia, will be completed this
spring at a cost of \$10,000,000.

The construction of a five-story
addition to the company's general
office building in Richmond, which
has been temporarily delayed pend-
ing authorization from the National
Production Authority, will require
\$1,000,000 of the 1951 construction
budget.

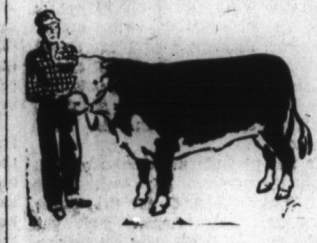

Transmission lines between the
Chesterfield power station and Sur-
folk and between Chesterfield and
Roanoke Point stations and Anoka
and Plymouth, N. C. account for
another \$5,000,000 of the budget.
Approximately \$11,000,000 has been
set aside for extending distribution
lines to new customers and improv-
ing existing facilities throughout
the system. The remainder of the
budget covers miscellaneous ex-
penditures for minor construction
throughout the system during the
year.

Construction will be started on a
new 100,000 Kw. steam power plant
at Chatham near Portsmouth, to
cost approximately \$17,000,000 and
to be completed in late 1952. Work
will also be commenced on the
Roanoke Rapids hydro plant at

Roanoke Rapids, N. C. unless it
should be delayed by court action
on the part of the Secretary of the
Interior who has opposed the com-
pany's application for a Federal
license. The license has been
granted by Federal Power Com-
mission, but a recent press notice
states the matter is being taken
to the District Court of Appeals.

The minute custard mixture coats
a spoon, pour it from double boiler
into a cool bowl, for then a stirred
custard is done. Add flavoring.
A stirred custard will cook in less
time if the milk is scalded then
added slowly to the egg mixture.
For a baked custard, insert a knife
into the custard. If it comes out
clean with only a fleck of custard
clinging to it, remove from oven.

PUT MORE FEEDING VALUE IN HOME-GROWN GRAINS...

Mix with Southern States 32% Milk Maker

Home-grown grains make excellent feed ingredients, but they are deficient in many of the essential nutrients needed for high milk production. Mix Southern States 32% Milk Maker with your grains. It supplies the vitamins, protein and minerals that corn, oats, barley and other grains lack. Mixed with 32% Milk Maker, your grains go further, they're more palatable and they make more milk. Try mixing 32% Milk Maker with your grains and check the results. You'll find complete directions and recommended mixtures on the Open Formula Tag. Order a bag today.

Legion Teams Beats Hawks In Close Tilts

The Manassas Legion boys' team closed their regular season last Saturday night with a close fought victory over the Manassas Hawks to take first place honors in the Southern division of the Northern Virginia League, winning by a score of 60-54.

In a bitterly contested game, the Legion girls won over the Hawkettes 36-30, to wind up in second place in the Southern division standings. Leo and Rolley led the Legion boys' team in scoring with 26 and 18 points, respectively. Vetter was high for the losers with 21 points.

In the girls' game scoring honors went to Blakeman and Merchant, with Lloyd, B. Swank and Chrisawn sharing honors for the Hawkettes. The losers came within 2 points of knotting the score in the third quarter.

In the playoffs at Warrenton this week the Legion boys will clash with Upperville A. C. for first place, while the local Legion girls will fight it out with the Upperville girls for second place.

Basketball Tourney Dates Set By Post

Plans for the invitational basketball tournament will be discussed at a regular meeting of Prince William Post, 158, American Legion, to be held at Legion Hall, Monday, March 12, at 8 o'clock. The tournament, which the Post is sponsoring for the 5th consecutive year, will be held at Osbourn high school gym March 20, 21, '22 and 24.

Sixteen teams, girls and boys, will vie for coveted hours and trophies. Four games will be featured each night. The sponsors anticipate one of the most successful tournaments ever held here.

SUNDAY SCHOOL LESSON

By T. H. CARRICO - Lesson for March 11

Jesus Asserts His Authority
Mark 11:11, 15-19, Mark 12:28-31
Golden Text: Mine house shall be called a house of prayer for all people—Isaiah 56:7.

"And they came to Jerusalem; and Jesus went into the temple, and began to cast out them that sold and bought in the temple, and overthrew the tables of the moneychangers, and the seats of them that sold doves; and would not suffer that any man should carry any vessel through the temple. And He taught, saying unto them, It is not written, My house shall be called of all nations the house of prayer; but ye have made it a den of thieves. And the scribes and chief priests heard it, and sought how they might destroy him; for they feared him, because all the people were astonished at his doctrine."

Jesus was bringing His ministry to a close. He had taught the people for three years. As He returned to Jerusalem and went into the temple, He did not wonder why He used His authority, for He saw everything in the temple that was contrary to His teaching. Oh, how sad He must have felt. He knew that this was the place of worship and prayer, but they had turned it into a house of merchandise and of men's traditions. It seems that God was left out entirely.

He began to cast out them that sold and bought in the temple and overthrew the tables of the moneychangers, and the seats of them that sold doves. We do not believe that this condition happened all at once. No doubt it was a gradual falling away from the true way of worship and following the traditions of men. We can imagine the difference in the looks of the temple when Jesus got it cleaned out.

We can hear some of these people say, "I am making money for the

Lord. I am working in His temple." We can hear Jesus say, "Obedience is better than sacrifice." I knew a man who was approached some time ago by a lady who tried to sell him some chances on a cake. He told her the chances were too high, and furthermore, he did not gamble. She said it was for the Lord's work. I, for one, do not believe that God honors that kind of work.

God has ordained that His work shall be supported with the free-will offerings of His people. God never intended that His house should be used for socials, bazaars, or for the purpose of making money. God's house is for the purpose of preaching, prayer and to lead souls to Jesus Christ, not for material gain and worldly entertainment.

Can we think of any churches today, that if Jesus should walk in and show His authority, would the tables be set at the overturned? There are many kinds of tables in our churches today, the tables of deceit, the table of jealousy; the table of hate; the table of backbiting; the table of idleness; the table of selfishness; and the table of unbelief. We do pray that the writer, or any one who reads this, is not guilty of sitting at any of these tables. If so, let us do something about it.

Thus we see that Jesus wanted the temple cleaned that the people worshipped in. He also had something to say about the temple in which He dwells. 1 Corinthians 3:16, 17. "Know ye not that ye are the temple of God, and that the spirit of God dwelleth in you? If any man defile the temple of God, him shall God destroy; for he temple of God is holy, which temple ye are. Christ is concerned about our having clean hearts today. How glad we should be that Jesus cleanses hearts from sin."

Explain Pay Scale For Army

One of the big questions arising with the induction of men into the armed service is the subject of pay and allowances. In order to help clarify the situation, State headquarters for selective service has released figures showing what a registrant may expect in the way of monetary reimbursement for his military services.

Upon going into active duty a basic private receives \$75 a month, and if he has no dependents this is his actual rate of pay. If he has one dependent his minimum pay deduction toward an allotment is \$40, which leaves him \$35 a month to spend on himself. The dependent will receive \$85 a month, the difference between \$40 and \$85 being supplied by the government.

With the soldier's pay and the amount of the allotment added as total income, it is found that he has actually earned in cash \$1440 a year, or an average of \$27.99 per week.

After five months of service the soldier is subject to a \$5 a month increase, which goes directly to him and does not affect his allotment, but does increase his yearly average to \$1,500 per annum or \$28.84 per week. Upon becoming a full private (E 2) he receives another \$2.50 raise per month, still not altering his allotment home. Another raise in pay is due the soldier when he is promoted to private first class (E 3). His pay is then increased to \$55.55 over the pay table and his allotment remains the same. In the meantime if a man has no dependents his actual pay has increased from \$75 to \$80 to \$82.50 to \$95 as a PFC.

The amounts given are subject to existing tax laws at present, but there has been some talk of exempting certain pay scales in the services. This has not as yet become law. Allotments are tax exempt.
