## Sport Shorts

Down the fairways!... Wallace Lynn has the "golf" bug bad... has a new set of clubs, and is a frequent visitor to the Fairfax driving range... Ned Bradford gripping about shooting a 94 at the tough Quantico layout, while most of us duffers would be tickled pink to break a hundred. Some guys are never satisfied... Since so many of the addicts turned out for church last Sunday, they should find it a little easier to get in a little golf this coming weekend.

String-on-Finger Department... Don't forget the county's two football games this weekend. Osborn plays Culpeper here Friday night and Occoquan plays W&L JV at Occoquan Saturday afternoon.

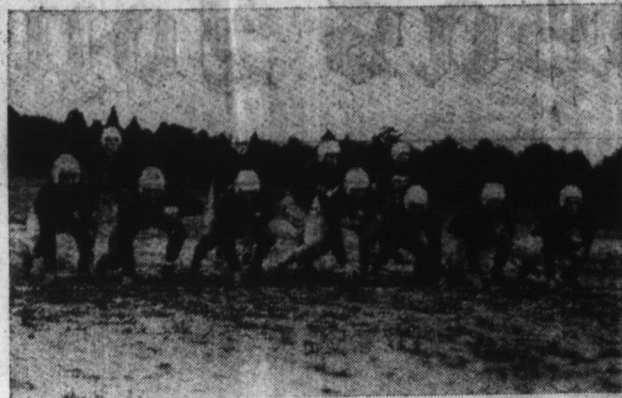

Rhubarb... Nokesville said they would protest Sunday's game with the Macs following the discussion over Stewart Vetter's fancy footwork around first base, but League President Guthrie Brown says he has not heard any official word from the Nokesville manager. Could it be that White Oak won?

Schedule Addition... Occoquan High School has added a tenth opponent to its schedule—Clarke County High School. Occoquan was angling to play Osborn around Thanksgiving, but too many people turned thumbs down on the proposal, so Occoquan has scheduled Clarke County for the Saturday following Thanksgiving, November 24.

Consolidation... Rev. Guthrie Brown, outspoken bolsterer of the Legion basketball team, says he definitely is opposed to consolidation of the Hawks and Legion since it decreases recreational facilities for Manassas basketball players 50 percent. Rev. Brown has a good point there.

The Journal classified ads get results in a hurry.

## Osborn, Occoquan Open Grid Season

STARTING LINE-UP FOR OCCOQUAN is shown above just prior to their opening game of the 1951 season with Washington and Lee JV's Saturday afternoon at Occoquan. Along the line are: (left to right) Bob Glass, Bob Paciocco, Jimmy Justice, Warren Barnes, Cliff Carney, Wayne Swank and Willie Weston. In the backfield, Billy Baukman is hunched over center backed up by halfbacks Jackie Keys and James Smith while Neil Williams is at fullback in the center.

Two games in the county this weekend formally open the 1951 High School gridiron campaign. Occoquan meets Washington and Lee JV while Osborn tangles with powerful Culpeper.

The Osborn game will be played under the lights of Swavely Field Friday night complete with band, cheerleaders and majorettes. Coaches Jim Leo and Joe Fortuna are hopeful but not optimistic about taking on a team of Culpeper's caliber. Culpeper laced the Yellow Jackets last year 59-6.

Occoquan is both hopeful and optimistic about the season in general and Washington and Lee in particular. Coach Johnny Suren feels his team should win more than half their games this year despite their rough schedule.

Both teams expect to field a good first string—and both are weak on reserves. Jim Leo is strapped this year because of lack of size, especially in the line. From the number of eighth graders out for the team, Leo should have some fine ball teams in the future, but that's not this year.

Williams Question Mark Suren, on the other hand, thought

play Saturday I'll have to run straight ahead to stay in the game?"

Expecting Williams to be sidelined, Suren has pulled 170-lb. Leonard Slack from center to fullback—this is Slack's first year of football which makes his change doubly difficult. Slack has improved but still has a long way to go before he can fill Williams' shoes.

Because of Occoquan playing most of its games on Saturday, football fans will be able to witness almost all home games of teams as Osborn at home on Friday night.

## Macs Bump Nokesville 6-5; White Oak Division Champ

White Oak, beating Bristersburg 16-4 Sunday, will meet Warrenton for the Northern Virginia League baseball crown. White Oak banged out 18 hits behind Jake Thomas and Jim Beard while Manassas brushed past Nokesville in a bitter, protested melee, 6-5.

White Oak travels to Middleburg Sunday for the first game of a three-game series. The second game will be played at White Oak Sunday week with a third game on a neutral diamond, if necessary. Last year, Hume won the B Division crown and romped past White Oak in two straight games.

Dave Mayhugh, pitching one of his better games, held Nokesville to three hits. However, his control was bad, putting him in trouble in the eighth and ninth innings.

Nokesville threatened to protest the game on a freak play. With Kite Roseberry on third, Stewart Vetter hit an easy grounder to shortstop who made a nice throw

to first. However, the first baseman, in a hurry to make a throw to the plate to catch Kite, took his foot off the base too soon and Vetter was safe. His throw to the plate was wild sending the ball into the stands. Vetter, thinking he was out at first, trotted back to the dug-out, but got back to the base in time when he learned his error. Nokesville protested he was out, but the umpire ruled the ball was dead when it went into the stands and Vetter was thereby safe.

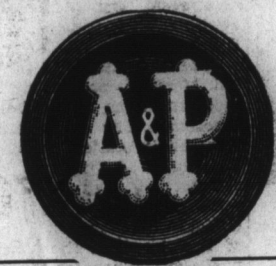

Kite Roseberry, filling in in right-field for the Macs played a terrific game, making several outstanding saves for Mayhugh. Kite played in place of the missing Jackie Saylor who was in Charlestown trying out with the Philadelphia Athletics.

## Ice And Fuel Tangles With Occoquan

Despite the definite football atmosphere in the county, softball is not over for the season. Manassas Ice & Fuel, league runner-ups, travel to Occoquan tonight to take on Woodbridge Brick, top team in the lower end of the county.

Woodbridge Brick romped to the league title at Occoquan finishing the year with a 18-2 record. In a post season inter-sectional game series, the Occoquan boys triumphed over Marine Sundry, Triangle league champion, two games to one.

Marine Sundry won the first game 8-7, but Woodbridge Brick roared back to take the next two 11-6 and 17-1 behind their slowball artist, Avery Reid.

## Show Your Appreciation

This week the Manassas Volunteer Fire Department issued an appeal for donations by the mailing of approximately 1,600 letters to the residents of Manassas and vicinity. This method of raising funds is being tried instead of holding the annual carnival, which in past years has enriched the coffers of the department substantially and enabled it to maintain its equipment at a high state of efficiency.

Already the response to the letters has been most gratifying. All of us can show our appreciation to the outstanding services rendered by the firemen by mailing our contribution today.

## We Offer Congratulations

On Sunday the Dumfries Methodist Church will dedicate its beautiful new church edifice to mark a new and important chapter in the history of this church, which records show is one of the oldest church organizations in Prince William County.

Our congratulations to the pastor, Rev. Clark H. Wood, and his parishioners on their efforts which have made possible this noteworthy contribution to the service of the community and to God. May every success continue to guide their efforts in the years to come.

## Mother Revolts Over Books; Wants School Board Splashed

Editor, Journal:  
Dear Sir:

For at least ten years now I have been going along complaining peevishly to anyone who would listen about the wild confusion that accompanies the annual sale and purchase of textbooks in the schools. Valiently ignoring the yawns of non-child-owning friends, I have expounded at great length on the teacher-strain, pupil hours lost, and depredation on the family budget of this yearly rat-race. To no, I might add, avail; who takes a reformer seriously?

You will therefore picture my surprise last week, while standing in McMichael's store waiting for the hamburger to be weighed, to overhear a couple of Nokesville ladies expressing themselves, emotionally, on this very subject:

"I thought it was bad enough when Mary was in the third grade," Mother No. 1 was saying, "but now she's in the fifth, I declare, it's simply scandalous!"

"Twelve dollars," groaned Mother No. 2, "that's what I had to pay for Johnny's books this year, and Sally and Tom and Frannie haven't even brought their lists home yet!"

"We tried to get second-hand ones," said the first, "but they've gone out of date. Or something."

"It's a regular racket!" exclaimed the second.

Having just, myself, completed shelling out twenty-two dollars and eighty cents, which did not include pencils, notebooks, or paper, I was in just the mood to go canvass Brentsville to find out what other people were being gouged for. The results of this poll, which are incomplete on account of having to get home and deal with the hamburger, I herewith submit, deleting names which may be had on request: Family K., 6 children, \$59.98; Family B., 3 children, \$36.00; Family S., 3 children, \$26.00.

And don't forget that this outlay is made every year for twelve years. Parental sentiment was uniform, and mostly unprintable.

Well, there is an old saying that nobody bothers to put out a fire until it threatens his own house; the fire having gotten uncomfortably close hereabouts, I now stand ready and willing to go and throw a bucket of water on the nearest school-board member, or whoever is responsible for what amounts to paying taxes twice. If anybody would like to join me in this worthwhile activity, I shall be glad to furnish them with a bucket.

Yours, for more violent protests,  
Agnes Webster,  
Brentsville, Va.

## Hopkins-Arnold Marriage Solemnized In Nokesville

The Nokesville Church of the Brethren was the scene of a very lovely wedding Sunday afternoon at 4:00 o'clock of Miss Kathleen Hopkins, daughter of Mr. and Mrs. Virgil Hopkins, to Eugene Arnold, son of Mrs. Laura Arnold. At the altar lighted with candles the couple exchanged vows in a double-ringed ceremony performed by Rev. Dewey D. Fleishman.

Given in marriage by her uncle, Mr. Mansell Hopkins of New Baltimore, the bride was gowned in pale pink marquisette fashioned with a lace bodice. The neckline was low with lace inserted, and her only ornament was a string of pearls. Her sleeves were short wearing dainty mitts. She wore a finger-tip veil, and carried a white prayer-book with gardenias attached and streamers.

The maid of honor was Miss Betty Flickinger who wore a gown of blue marquisette with a lace bodice carrying a bouquet of pink roses. She wore a headband of matching marquisette.

Carolyn Payne, niece of the bride, was flower girl wearing a long dress of blue marquisette carrying a basket of rose petals.

Best man was James Arnold, brother of the groom. Ushers were Byron Hoak, Harold Hopkins, Howard Miller, and Howard Payne.

The mother of the bride was most attractively attired in a dress of navy blue, a hat of matching color, and a corsage of gardenias. The mother of the groom wore a dress of black with a corsage of gardenias.

# NOTICE TO OUR CUSTOMERS

By reason of a current critical gas shortage caused by accelerated demands for gas and a limited supply of certain essential materials since the outbreak of the Korean War, the Virginia Gas Distribution Corporation will be unable to approve of any gas-fired equipment for space heating which replaces equipment using other fuels, or for any additional space heating equipment on premises now using natural gas.

Such action is taken by Virginia Gas Distribution Corporation because the additional load which would be created by such equipment would seriously impair the Company's ability to deliver gas to its domestic customers.

We wish to assure you that we are doing and will continue to do everything humanly possible to increase our supply of natural gas to the end that these restrictions may be relaxed or eliminated.

The following is the applicable portion of the text of the order of the State Corporation Commission of the Commonwealth of Virginia, made and entered on March 22, 1949 in Case No. 8983:

"Rule 1. The Company shall not supply or be required to supply natural gas service to any consumers, present or prospective, in the state of Virginia, for equipment designed to furnish the source of space heating which replaces other fuels or for additional space heating equipment, when in the judgment of the Company such additional load would seriously impair the Company's ability to deliver natural gas to its domestic consumers."

"To assist the Company in anticipating future peak load requirements, all installations of gas-fired space heating equipment made after March 23, 1949, to replace or supplement space heating equipment using other fuels shall be approved by the Company prior to such installation. Unless application has been made and approval received, the Company shall not be obligated to supply gas to such equipment."

The company will be compelled to discontinue the entire supply of natural gas to any customer who, without permission of the company, connects gas-fired space heating equipment in his premises contrary to the foregoing rule of the Corporation Commission and who fails to disconnect such equipment after ten days notice so to do.

### New Container Recommended For Sweet Potatoes

Virginia sweet potatoes being shipped to market should be packed in a wire-bound box, commonly known as the James crate, according to H. W. Hawks, marketing agent of the Virginia Division of Markets.

This container, says Hawks, has been successfully used for a number of years by shippers in some other sweet potato producing areas.

Some of the advantages of this crate as outlined by Hawks are: no bulge required by the trade, therefore, less bruising is incurred during shipment; the crate, if carefully handled, can be used first as a field crate, second, as a storage container, and finally as a shipping container; requires less for filling

when compared with the bushel basket. The James crate also requires less space in storage and in shipping than the bushel basket. Mr. Hawks cautions that persons using this container should fill it with only top quality sweet potatoes in order that its present favorable acceptance by the market will be maintained.

Old Whistles  
for the New South...

WE just don't have the heart to silence the familiar "voices" of the many old steam locomotives that our modern Diesels are sending to the iron horse "bone yard."

So now we are giving the whistles from retired steam locomotives...as long as they are available...to factories along our lines that want them.

Call it sentiment if you will. But we like to think of the whistles of these old locomotives—together with the many old locomotive bells we have given to churches—as still "belonging" to the people of the South...still serving, in another way, the communities they served faithfully for so many years.

# News From Nokesville

MRS. FRED SHEPHERD, Correspondent

A "pat-on-the-back" should be given two of our Nokesville ladies who stepped in at School and began teaching after much insistence from our principal. Mrs. W. R. Free and Mrs. Blake Fleming are now teaching the 4th-5th grade and first grade, respectively.

Rev. D. D. Fleishman left on Monday evening to begin a series of services at the Pleasant Hill Church near Grottos.

Weekend visitors of the Bowman family were Mr. and Mrs. Gerald Caplinger of Broadway, Mrs. James Caplinger of Mathias, West Virginia, Mr. Earl Iffert and his mother of Bethesda, Maryland. The Ifferts were friends of the Bowmans when they lived in Pennsylvania. The Ifferts and the Bowmans called on Dr. and Mrs. George Decker with whom he works. Dr. Decker is Chief of the College Loan Program of the Federal Security Agency, U. S. Office of Education. It also turned out Mr. Iffert years ago taught one of our Manassas friends, Mr. Kelso. All of which proves that this is really a small world and we are always meeting "someone who knows someone we know."

Mr. and Mrs. Carl Miller and Miss Grace Miller visited Mrs. Leonard Herron at the Charlottesville Hospital on Sunday. Mrs. Herron, who is critically ill, is a sister of Mr. Miller and Miss Grace Miller.

Dr. and Mrs. C. Hill and Mr. and Mrs. Sam Greene and little daughter, Barbara Ann, all of Washington, were Sunday afternoon guests of Dr. and Mrs. George Decker.

Weekend visitors of the Jacob Florys were Mr. and Mrs. Bill Hupp of Canton, Ohio and Mr. and Mrs. Albert Kline of Broadway.

Very special congratulations are in order for Miss Anna Hooker who will leave on Thursday for the college of William and Mary. Anna is the recipient of the "King" Carter Scholarship for the coming session. This scholarship is a merit award based on her academic achievement as a ranking scholar of the college.

Miss Mary Hooker left on Monday morning for Bridgewater College where she will be in school for the 1951-52 term.

Mr. and Mrs. Rex Corbin, Sr. spent Sunday in Nokesville. The Corbins recently returned from Georgia where they visited their son and his wife, the Rex Corbins, Jr. at Camp Stewart.

Mrs. Olive M. Hooker, Miss Anna Hooker and Mr. J. A. Hooker motored to Mt. Vernon on Saturday to attend a reunion of the Houchins and Terrell families, relatives of the Hookers.

The newly organized Boy Scouts Troop had a very successful bake sale at Fitzwaters Garage on Saturday, making \$32.00. This troop is becoming quite active and we will be hearing quite a lot about their activities.

Mrs. Walter Tolson entertained the W. S. C. S. of the local Methodist church at her home last Tuesday night. Mrs. W. R. Free had charge of devotions with Mrs. D. C. Link, Mrs. Howard Marshall and Mrs. Frances Olmsted helping out. During the business session, December 8 was set as the date for the Society's annual bazaar.

The Jr. H. D. Club will meet at the home of Mrs. R. S. Bowman on the fourth Tuesday. Election of officers will be the main feature of the business session.

Birthday greetings to another Nokesville Octogenarian, Mr. J. W. Croushorn of near Aden, who on Sunday celebrated his eightieth birthday. Present for the celebration were Mr. and Mrs. Roscoe Croushorn and family, Mr. and Mrs. Charles Croushorn and family, Mr. and Mrs. William Croushorn and sons, Mr. and Mrs. Henry Bars and family of Augusta County, Mr. and Mrs. Russell Byers and children of Mt. The Nokesville Community Cannery will be open on Wednesdays only until further notice, according to Mrs. Walter Flory.

## Clifton

The Clifton Baptist Church celebrated the seventy-fifth anniversary of the founding Sunday, September 16. There were many visitors and former members who had moved away present. The Presbyterian Church congregation was invited, and all together, the day was one long to be remembered. Dinner was served on the grounds to about 300 persons.

Mr. Judson Council of Baltimore was a weekend guest of Mrs. Inez Kincheloe.

Friends of Mrs. Annie Adair will be sorry to know she is still not able to be on her job as teacher at Clifton School.

Mrs. Inez Kincheloe has returned from a delightful visit to Harper's Ferry and Charlestown, W. Va.

Mrs. Cora Cassaday and Mr. and Mrs. Hogskiss of Washington were Sunday visitors here.

Wedding bells are ringing in the town—Friday evening. Miss Bettie Benheim became the bride of Mr. Linwood Whitman. The ceremony was performed by the bride's father, Dr. Benheim in the Baptist Church. ## Seed Treatment Of Grains Advised

Seed treatment of small grains before planting will help control many of the plant diseases that plague Virginia farmers.

S. B. Fenne, plant pathologist at V. P. I., said treatment with New Improved Ceresan, or Ceresan M, will destroy seedborne fungi that cause plant disease. It also helps check soil-infecting fungi that rot the seed or kill the seedlings. It will largely prevent stinking smut of wheat, the loose and covered smuts of oats, and the seedborne stripe disease and black loose smuts of barley.
