## Marines Will Dedicate Iwo Jima Statue

Dedication ceremonies for the Marine Corps School's newly completed Iwo Jima Memorial statue, executed in Indiana limestone by the noted Washington (D.C.) sculptor, Felix de Weldon, will be held Nov. 10, at the junction of U. S. Highway No. 1 at Triangle, Va.

The dedication will begin at 11 a. m. with officers and enlisted men who participated in the Iwo Jima operation in attendance.

Lt. Gen. Franklin A. Hart, Commandant of the Marine Corps Schools here, who served at Iwo Jima as the assistant division commander of the Fourth Marine Division, will make the opening remarks. He will introduce Marine Lt. Gen. Keller E. Rockey, USMC (Ret.), who was commanding general of the Fifth Marine Division during the Iwo campaign. Gen. Rockey will make the dedicatory address and unveil the statue.

Appropriate music will be furnished by the Marine Corps Schools Band.

## Civic Group May Ask For New School

The Yorkshire Civic Group at its meeting last Tuesday discussed the possibility of building a small elementary school there to accommodate approximately 120 pupils in grades one through four, it was learned yesterday. It is expected that the Yorkshire group will formally introduce its proposal at the December meeting of the County School Board.

Pupils in that area are now being transported to Manassas. There are approximately 200 housing units at Yorkshire now and a possible \$50 additional units may be constructed within the next year or 16 months.

County Superintendent of Schools J. M. Garber reported that such a move would relieve overcrowded conditions existing in the Manassas Elementary System as well as release two buses for other needed routes.

## Quantico Legion Post To Meet November 13th

The regular meeting of the American Legion Post will be held Tuesday, November 13, in the Post Home at Quantico. The meeting will get under way at 8 p. m.

There will also be a short joint meeting with the Legion Auxiliary, which is reorganizing. All Legionnaires are urged to bring their wives for the Auxiliary session.

Plans for the Christmas party will be discussed and many new members will be voted upon.

Ladies interested in joining the Auxiliary are requested to contact Mrs. L. R. Peters, P. O. Box 7, Quantico, Va.

## 4 Local Men Elected Trinity Vestrymen

Four Manassas men were elected Vestrymen of Trinity Episcopal Church last night at a congregational meeting of the parish. The four men will replace those removed on the rotation system. The new vestrymen are John Galleher, John H. Merchants, Keith Lyons and R. Jackson Ratcliffe.

## Speech And Hearing Clinics Are Planned

Speech and hearing clinics, sponsored jointly by the Virginia Society of Crippled Children and the Prince William County Schools, will be held in the county schools December 3, 4 and 5, under the supervision of Miss Roberta Payne, visiting county teacher.

The program as outlined is designed to assist for speech correction in children determined as a result of these diagnostic clinics. Speech and hearing therapy is made available for individual cases.

## Brethren Ground-Breaking

MEMBERS OF MANASSAS CHURCH OF THE BRETHREN gathered Sunday for ground-breaking ceremonies for their new church to be constructed a mile closer to Manassas than the present structure. Huddled about the shovel are (left to right) Mrs. Mary Harley, Mrs. E. E. Brown, Mrs. Albert Breeden, Rev. Paul Swigart, Rev. John M. Kline and Mrs. M. J. Hotte. Looking on are Stanley Knapp, Gilbert Mauck and LeRoy Mauck. Construction estimated at \$75,000 will begin within the next week. Plans include a 210 person main sanctuary plus choir loft, balcony and fellowship hall in the basement with kitchen which will seat 200. Levi Miller, Manassas dairy farmer, is chairman of the church building council. —Photo by Churchill.

## School Board Hikes Tuition Rejects Nokesville Bids

The Prince William County School Board yesterday at its regular monthly meeting.

Went on record to up the tuition for out-of-county students effective for the next school year.

Repealed a ruling prohibiting high school teachers from refereeing athletic contests within the county. Directed Superintendent Garber to turn over to the heirs of William Posey the deed to the Smithfield School property near Hoadly.

Rejected two bids as being too high for the proposed agriculture shop building at Nokesville.

In regard to tuition, Garber was given the power to set the figures that the students will have to pay to attend County schools. The ruling goes into effect immediately for all pupils entering county schools after said ruling was passed. Students who entered this past fall will not be affected until next fall. At present, the tuition is \$36 for elementary children and \$72 for high school students.

Garber was directed to assess the out-of-county students exactly what it costs the county. It is expected that the new charges will amount to approximately \$46 for elementary children and \$94 for high school students, approximate increase of 31 per cent.

Selwyn Smith, Legion Post Commander here, appeared before the board and spoke in behalf of repealing the ruling against high school teachers refereeing non-school athletic events. The ruling was made several years ago after criticism mounted over how certain officials were calling basketball contests. Garber said that he knew of no other county in the state that had such a ruling.

In regard to the Nokesville construction, both bids exceeded the \$25,000 budgeted to the project. Garber was directed to explore the possibility of reducing the construction cost by the use of substitute materials and appointing a local person to supervise the construction.

Garber was directed to assess the out-of-county students exactly what it costs the county. It is expected that the new charges will amount to approximately \$46 for elementary children and \$94 for high school students, approximate increase of 31 per cent.

Selwyn Smith, Legion Post Commander here, appeared before the board and spoke in behalf of repealing the ruling against high school teachers refereeing non-school athletic events. The ruling was made several years ago after criticism mounted over how certain officials were calling basketball contests. Garber said that he knew of no other county in the state that had such a ruling.

## School Girl Killed On Route 28

A six-year-old local school girl was instantly killed early Thursday morning on Route 28, 3 miles south of Manassas. Betty Haun, pretty blonde daughter of Mr. and Mrs. Lee Haun of Bristow, was killed by an automobile driven by Emmett Winegard, also of Bristow. Winegard was charged with "manslaughter."

According to witnesses, two Haun children were on one side of the road and Betty was on the other. She cut behind a car moving south on 28 and failed to see the north-bound Winegard car. Winegard said that he saw the two children on his side of the road, but did not see Betty.

She was killed instantly from the head-on crash. Coroner Martin reported that she suffered a broken neck and two broken legs. Betty is a first grade pupil at Baldwin School in Manassas. She was in Mrs. Mary Kline's room.

Her father, Lee Haun, is a tenant farmer for W. D. Sharrett. Winegard is a clerk in a Centreville store. All three children were walking for the school bus to pick them up. The school bus was not involved in the accident.

Funeral services will be held Sunday at 2 p. m. from Front Royal, Dennis Baker, said today.

## 3 Teachers Released At Tech School

County School Superintendent J. M. Garber announced at yesterday's school board meeting that he has effected several economies at the Vocational School in an effort to keep it operating through June, 1952.

Three teachers at the school have been asked to resign, Garber said. They are P. J. Ramondi, Albert C. Bear and M. J. Finan. All three taught at the school last year. They will resign effective November 30, Garber added. The refrigeration course at the school will be dropped entirely for this year.

Garber said that Prince William is "shouldering the burden," and that relief must be forthcoming. He conferred with state officials who will help the school out over the hump for this year. Garber plans to get together with State Superintendent Howard and call a meeting of the county superintendents surrounding Prince William. They will then draft a plan to subsidize the school in the future.

He added that unless stronger support is evidenced in advance by the other counties, drastic action will have to be taken.

## Light-Sleeping Wife Saves Local Family

A light-sleeping wife is credited with saving a family of four from disaster last night. Mrs. J. L. McMeans heard a "popping noise" and thought someone was in the house" shortly after 8 p. m. at her home on Route 234 across from the Manassas Airport. The McMeans had retired earlier.

She awakened her husband who discovered a small blaze in the attic of their 2-story dwelling on P. A. Lewis farm. Grabbing a hatchet and buckets of water, McMeans succeeded in putting most of the fire out before he called Manassas firemen.

The firemen responded and doused the remaining smoking embers. Damage was very slight, firemen report. The blaze apparently started from a short-circuited wire in a corner of the attic.

McMeans is a tenant farmer for Lewis and the father of two children.

## Woodbridge Woman Buried In Princess Anne County

A Woodbridge woman died at her home Monday afternoon from a "self-inflicted wound." Mrs. Ruby Virginia Twiford, 39-year-old mother of four children, died shortly after 5 p. m. Monday. Mrs. Twiford had been in poor health for some time prior to her death.

She is survived by her husband, Marvin Twiford, and four children, 3 boys and one girl. One boy is in college and the other three attend Occoquan School. Her husband is a guard at Lorton Prison.

Funeral services were held Wednesday at 3 p. m. at Oak Grove Baptist Church at Creeds, Va. (Princess Anne County). Interment was in the Oak Grove cemetery.

Gerry A. Willard, Jr., member of the National Guard, air force jet unit, at Syracuse, N. Y., has been promoted from 2nd lieutenant to first lieutenant. A student at Syracuse University, Lieut. Willard plans to re-enter active service upon his graduation in January.

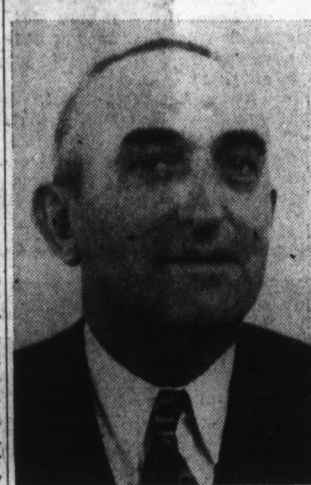

## Centreville Supervisor

Stuart T. DeBell, Democratic nominee, was elected supervisor of the Centreville district in Fairfax County, defeating his opponent, George W. Kirley, Independent, by a wide margin, 316 to 146.

# Lowe, Wheeling, Donovan, Fick Winners In Light Vote

## The Winners

JACK FICK

BRADFORD LOWE

## County Farmer Killed Sunday Near Own Farm

A Prince William County farmer was killed Sunday night on Route 211 as he walked along the highway. 48-year-old Roy Missey Sowers died instantly after being struck by an eastbound car operated by Alexander French of Washington, D. C.

The accident occurred less than a mile from Sowers' farm near the Stone House Inn at the intersection of Route 28. French will face a charge of manslaughter in Trial Justice Court, November 14.

Funeral services for Sowers were held Tuesday at 3 p. m. at the Baker Funeral Home with interment at Sudley Methodist Church cemetery. He is survived by his mother, Mrs. Frances E. Sowers; three sisters, Mrs. Nelson Thomas, Manassas; Miss Lydia Sowers, Baltimore; and Mrs. Stuart Monroe, Arlington; and a brother, D. E. Sowers, Concord, Mass.

## Centreville To Get Addition To School

A low bid of \$49,930 for the construction of a four class room addition to the Centreville District elementary school was accepted Tuesday by the Fairfax County school board.

An Alexandria firm was low bidder. The board had allocated \$55,000 for the much needed project.

## Seeley Visits Plants Of John Deere Company

Manufacturing methods used to produce farm equipment rival those for building airplanes and fine automobiles, both in modern efficiency and quality of work, according to Conway L. Seeley, who returned November 3 from a week's tour of John Deere farm implement factories in Illinois and Iowa.

Mr. Seeley, who is owner of the Manassas Hardware Co., visited five of the sixteen John Deere factories, including the planter works and plow works in Moline, Ill., the two huge tractor factories in Waterloo and Dubuque, Iowa, and the hay machinery works in Ottumwa, Iowa. He also visited the central material research laboratories, where he saw some of the exhaustive tests of the many kinds of materials... everything from steel to paint... used in the manufacture of John Deere farm implements.

A part of the week's program was devoted to discussing new farm implements which the John Deere factories are currently introducing.

A light vote without any major upsets climaxed this year's general election in Prince William County. The only surprise came in Coles District where Bradford Lowe retained his primary vote despite more candidates to cop the supervisor post from that district.

John A. K. Donovan won handily in his match with Nathan Paulson for State Senate while Frank P. Moncure was without opposition for the House of Delegates.

Turner D. Wheeling polled a surprising majority of 3-1 over Independent Nick Reid for Sheriff.

Four other county officers were re-elected without opposition. They are Arthur Sinclair, County Treasurer; Worth Storke, County Clerk; Stanley Owens, Commonwealth's Attorney; and Charlton Gnadt, Commissioner of Revenue.

Elsewhere in the Supervisor race, Jack Fick easily won over Francis Coffey in Dumfries District in the only other contested supervisor race. R. S. Hall, J. Carl Kincheloe, R. L. Ellis, and R. B. Gossom were returned to office without opposition.

Turner D. Wheeling showed surprising strength in the lower end of the county in Tuesday's election to overwhelm Independent Hill contractor Nick Reid 1387 to 440. Wheeling carried every precinct in the county except for Joplin and Hickory Grove which gave both candidates the same number of votes.

Wheeling polled over four hundred more votes Tuesday than he did in the primary against incumbent John Kerlin. However, there were 514 less votes cast Tuesday than in the primary, in keeping with the generally light vote.

John A. K. Donovan polled 372 votes more Tuesday than in the primary against Andy Clarke but the latest vote was 544 less than cast in August. Donovan will represent Fairfax and Prince William Counties, and Alexandria and Falls Church in the State Senate at Richmond.

Arthur Sinclair polled the highest number of votes of any candidate in the county. Sinclair who was unopposed received 1579 votes.

The total vote cast was 1837 which occurred in the Sheriff's race—the top local contest. Other races polled less in proportion to the size of office.

In other elections, the following men were elected Justice of the Peace for their respective Districts. J. P. Melton, John R. Clark and Chester Lunsford, Gainesville; Wallace Hook, William A. Barbee and Roy Doggett, Manassas; John F. Pattie, Dumfries; R. E. Carter, J. L. Dawson, C. C. Wittner, W. I. Gooch and R. L. Oliver, Occoquan. W. H. Cockerill, J. R. Eggle and Paul M. Irvin were elected to the Soil Conservation Commission.

Bradford Lowe won over a field of five other candidates for the post of supervisor from Coles District in the county's only real contested office Tuesday in the general elections. Lowe received 57 votes, one more than he got in the August Democratic primary.

candidate to come close to Lowe, candidate to come close to Lowe. Clear polled 48 votes, running as an

The regular meeting of the Manassas Parent-Teacher Association will be held Thursday, November 15, at the Osborn High School.

## Recreation Institutes To Be Held At Middleburg Center

Home Demonstration Agent Leona K. Barlow and Assistant County Agent Palmer Wine will represent Prince William County at the National Recreation Association's leadership training institute to be held at Middleburg, November 13.

Mrs. Barlow reports that anyone in the county interested in recreation leadership should attend the one-day course which is admission-free. Anyone interested should contact her at the post office in Manassas before Tuesday, November 13, so that estimates for lunch can be reached.

"One of the functions of the volunteer recreation leader is to help young people turn their energies into the right channels," says Anne Livingston, of the National Recreation Association.

As a Training Specialist of the National Recreation Association, Mrs. Livingston will conduct an all-day course starting 9:30 a. m., Monday, November 13. This local course, which is open to all leaders of recreation, will be held in the Middleburg Community Center.

How to lead quiet games, how to conduct games for small spaces, how to lead active games, team games, stunts, mixers, folk and simple square dances, are a few of the things Mrs. Livingston will present during the institute. Leaders will learn by doing, have fun, and secure excellent material for use in their organizations for young or old, indoors or out.

Training youth leaders, both professional and volunteer, to lead wholesome recreation activities has been Mrs. Livingston's work and play for several years.

Already Home Demonstration Agents and club leaders, and 4-H leaders from several counties have expressed their interest in the institute at the Community Center, and in fact, have been instrumental in the preparation and planning for the event. Mrs. Dorcas Pearson, Fauquier County Home Demonstration Agent, and Richard L. Cooper, manager of the Community Center, are serving as co-chairmen of the Planning Committee.

Loudoun County representatives on the committee include Miss Mary K. McCoy, Home Demonstration Agent, Mrs. W. W. Turner, Mrs. T. H. Spates and Mrs. L. T. Payne. In addition to Mrs. Pearson, Fauquier County is represented by Mrs. J. W. Payne.

Since a pot-luck luncheon is being planned, all persons interested in the Leadership Training Institute are urged to contact their County Home Demonstration Agent no later than Tuesday, November 13, in order that the quantity and variety of food may be properly estimated.

There is no registration fee or charge of any kind for the Institute.

BRUMBACK AND ELLIS, Refrigeration Sales and Service. Phone 399.

## Centreville

MRS. THOMAS CLORE, Correspondent  
Phone 739-W-1 or 231-J-13

Mrs. W. E. Courtney was called to Charlottesville, Va. on Sunday due to the death of her brother.

The Centreville Lions Club will be host to the November Zone meeting of Lions Clubs Thursday at the Centreville School. The Lions Club will prepare and serve the dinner. The popularity of the Local Club as host is due in large part to the wonderful meals which have been furnished by the Lions for the past three years.

Mr. E. D. Gothwaite left by plane Tuesday for a three weeks business trip to South America.

Judy Entwistle, young daughter of Mr. and Mrs. Frank Entwistle, has returned to her home and is recuperating after a recent operation at the Alexandria Hospital.

Mrs. Marvin Reese and Mrs. John Collins entertained the Rock Run Garden Club at the home of the latter Tuesday. A "White Elephant Sale" followed the brief business meeting. Mrs. Karl Travis was taken into the club as a new member.

### HALLOWEEN PARTY SUCCESS

It was a toss-up to who enjoyed the Halloween Party at Centreville School more, the kids or the grown-ups. From all indications, this was the most successful party the P. T. A. has given, from both a fun and financial standpoint.

Upon entering the school, celebrants were greeted by Satan himself (Col. Norman Van Dam) who demanded the price of admission before allowing anyone to enter the fiery goings-on beyond. After that, you were on your own and it was every fellow for himself to cope with the gruesome figures encountered.

Having stuffed yourself with popcorn, hot dogs and other carnival fare (even taffy apples) you went to the auditorium to relax a little before the program for the evening began. There the clowning got underway when Mr. Archie Daniels, Master of Ceremonies, who, strangely enough was dressed as a clown, announced a song fest. Having thus put his audience in the proper frame of mind, Clown Daniels announced the Costume Parade. Three classes—Youngest, 4th to 7th grades and adults, participated. In the Youngest class honors were carried away by Pat Taylor, prettiest; Ruth Gayle Fones, most original; and Carolyn Goodenough, ugliest. In the 4th to 7th grades, Mary Mullen was prettiest; Arthur Buckley, ugliest; and John and Bobby Doane, most original. The adult prizes were won by Mrs. Dorothy Baldwin, ugliest and Mrs. Lois Waldron, most original. The judges for this event were Mrs. George Kirkley, Mrs. Harrison and Tom Clore.

Following the costume parade a three-act "Who Done It" was presented. This was an original presentation and deserved to be rated with Martin Kane, Private Eye, of TV fame.

Then came the pie eating contest. Stuart DeBell forgot his political aspirations and sought new laurels but that apple pie was just too much for him. He lost to a much younger and more capacious contestant.

Perhaps the most outstanding performance of the evening was that given by Barbara Jean Turpin and Pat Jones, Jr., who rendered in pantomime "How Could You Believe Me When I Said I Loved You." These two showed real talent and deserve a lot of credit for a flawless performance. Credit is also due Mrs. Payton Jones who directed Barbara and Pat. The whole act reflected hard work and skill.

The Balloon Contest was won by Joe Kushner, in the adult class. Mr. Kushner is now being lovingly referred to as "Windy Joe." A movie followed the aforementioned antics. Those who did not care for the movie enjoyed dancing in the cafeteria. The door prize was won by Mrs. Stuart DeBell.

There was only one forlorn and unhappy looking person in attendance—the janitor, who was just waiting to restore some semblance of order in time for classes Thursday morning.

Prizes for costumes, contests, etc., were donated by Washington area merchants.

There will be an important joint meeting of the Centreville Volunteer Fire Department and the Ladies Auxiliary on Monday evening at 8 o'clock at the Fire House. All members of both organizations are urged to attend to discuss several vital questions.

Hylton's Grocery Store is undergoing extensive re-modeling and is being converted into a modern self-service market, with a complete line of frozen foods, meats, etc. Congratulations to Mr. Hylton for the tremendous improvements he has made, both inside and out of the store.

Mr. George Menefee and Thomas Clore will leave by plane Sunday to get the new fire engine. They expect to return via said engine, November 15th. Delivery of this truck to our Fire House will fulfill an ambitious dream that has become a reality only through hard work, determination, loyalty and yes, a few heartaches. But whatever the cost it has been worth the gain and Centreville is a mighty proud community about now.

The Centreville Post Office was chosen out of this area to represent the typical 4th Class Post Office of the country. On November 1st, Mr. Daffer, senior assistant supervisor of the Washington Post Office with representatives of CBS visited the local post office and made the recording and movies which will be used in a portion of the show Sunday.

A program, sponsored by the United States Post Office Department and designed to encourage early Christmas mailing will be televised on Station, WTOP-TV, Channel 9, Sunday at 3 p. m.

Recent guests of Mr. and Mrs. Gothwaite were Col. and Mrs. E. M. Mallory of Haverlock, N. C. and Mrs. L. M. Robertson of Clearwater, Fla.

HOME FROM GUAM  
Staff Sgt. Robert Cornell returned home last week from Guam where he has been stationed for the past 23 months, and is with the maintenance department. Sgt. Cornell traveled by boat to Francisco, thence by train to home here. After his tour he will be stationed at Ft. Field, Denver, Colo.

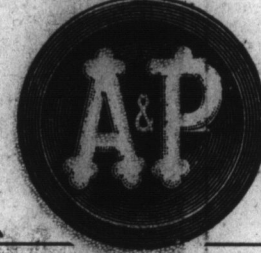

*I wish to thank the many citizens of this area who participated in the General Election on November 6th.*

John Donovan

## ARE YOU SAFE FROM THIS HIDDEN MENACE TO HEALTH

Chances are you don't even know what it is. Yet it's a condition so prevalent . . . and so serious . . . that it has become a major topic in national magazines.

**A HIDDEN MENACE TO HEALTH IS MALNUTRITION AND THE ALARMING FACT IS THAT MANY OF US WHO CONSIDER OURSELVES WELL-FED ARE ITS UNSUSPECTING VICTIMS!**

**DON'T TAKE CHANCES—take PLENAMINS**

TO PREVENT VITAMIN AND IRON DEFICIENCY  
An Exclusive Formula MULTIVITAMIN CAPSULES  
Containing 10 Different Vitamins with the plus-benefits of LIVER CONCENTRATE, IRON & VITAMIN B<sub>12</sub>

**72 CAPSULES 259**  
36 DAY SUPPLY

**144 CAPSULES 479** { **288 CAPSULES 795**  
(72 DAY SUPPLY) { (144 DAY SUPPLY)

Plenamins are sealed in air-tight, dust-proof "daily dose" wrappers.

**CHECK YOUR I. Q.** (Ingestion quotient)

- DO YOU gulp a cup of coffee and call it breakfast? . . . . . YES NO
- DO YOU indulge in sweets and soft drinks between meals? . . . . .
- DO YOU dull your appetite by excessive smoking? . . . . .
- DO YOU grab quick snacks at the lunch counter? . . . . .
- DO YOU turn up your nose at fresh fruits and vegetables? . . . . .
- DO YOU have a "weighty problem" and try all latest diets? . . . . .
- DO YOU reach for second helpings of pie and cake? . . . . .
- DO YOU choose food that's delicious in preference to food that's nutritious? . . . . .

Add all your "No" answers and score 10 points for each. This is your ingestion quotient (reflection of your dietary habits). If your score is less than 70, it is doubtful that you are getting sufficient vitamins and iron so necessary to healthy, well-nourished body tissues. Take Plenamins to be sure!

### Do you SEE YOURSELF in any of these pictures?

Do YOU wake up tired? Sneak an extra ten minutes after the alarm goes off, then have to bolt your breakfast in order to get off to work on time?

Do YOU start to sag around four o'clock in the afternoon . . . feel so drowsy and so weary that you'd give almost anything to be able to take a nap?

Do YOUR NERVES scream when the children get rowdy? Does your housework "get you down"? Door-bell ringers "drive you mad"?

If you have any of the above symptoms, you probably blame it on the fact that you're not as young as you used to be, or you're working too hard. Actually, the real reason may be, and often is, malnutrition of the body tissues due to an insufficiency of vitamins and iron. It's an established fact (proved by eminent research scientists) that many American diets lack sufficiency of vitamins and iron to insure health. Even so-called "balanced diets" may not contain necessary amounts of iron and vitamins. That's because our modern foods are robbed of valuable nutrients due to impoverished soil conditions, transportation to markets, modern processing and cooking methods.

If Vitamin Deficiency Caused Pain (instead of negative symptoms like fatigue, nervousness, irritability) people wouldn't have to be warned to do something about it!

The real danger of malnutrition catches up with its victim when sickness strikes. A person may be getting enough vitamins and minerals from the food he eats to give him "passable" health, but may not be getting enough to keep him in the most favorable condition to withstand the strain of sickness. In certain infectious diseases, nutritional instability becomes a contributing factor to physical breakdown.

The need for adequate daily vitamin and mineral intake couldn't be made plainer!

IT COSTS ONLY PENNIES A DAY TO BE ON THE SAFE SIDE WITH **REXALL PLENAMINS**

Rexall Plenamins are the multivitamin product that has kept pace with the latest developments in vitamin research. Improved Plenamins (now on the market) contain the most recently publicized "Red Vitamin B<sub>12</sub>", so effective in combating nutritional anemia. A reliable, reputable product . . . developed, tested, and perfected in the world famous Rexall Research Laboratories . . . Plenamins have been prescribed by many physicians for more than fifteen years. You take only two capsules a day, and you get MORE than the minimum daily adult requirements of ALL the vitamins for which such requirements have been established . . . PLUS valuable amounts of liver concentrate and Vitamin B<sub>12</sub> (to aid in prevention of nutritional anemia) AND iron, so important to the formation of red blood cells, and to relieve iron deficiency anemia which often accompanies other nutritional deficiencies.

## REA Demonstration Schedule

**Monday, November 12th:**  
10:00 a. m.—"Getting the most from your Appliances."  
2:00 p. m.—"How to Select Washer, Ironer and Dryer for Your Home"—"Soaps and Detergents"—"How to Overcome Hard Water Problems."

**Tuesday, November 13th:**  
10:00 a. m.—"Types of Washers and Their Uses."  
2:00 p. m.—"Laundry Twine"—"Keeping Nylons and Rayons White and New Looking."

**Wednesday, November 14th:**  
10:00 a. m.—"Table Cooking" and "Gift Ideas."  
2:00 p. m.—"Holiday and Party Treats."

**Thursday, November 15th:**  
10:00 a. m.—"Feeding Your Family."  
2:00 p. m.—"Vitamins and Nutrition in Electric Cooking."

**Friday, November 16th:**  
10:00 a. m.—"Using All the Range"—Meals.  
2:00 p. m.—"Cleaner Cooking with Energy."  
**NOTE:** The food cooked on these demonstrations will be given as door prizes.

**Saturday, November 17th:**  
11:00 a. m. to 1:00 p. m.—Demonstration on Small Appliances of Wednesday Meeting will be repeated for Manassas 4-H Girls.

## HOME-MAKING IDEAS

### PUMPKIN RECIPES

Thanksgiving brings thoughts of pumpkin pie and the bright orange pumpkins we see in the markets make the thought seem even more tempting.

Here is our recipe for pumpkin pie and one for pumpkin cake that's new and different.

### PUMPKIN PIE

1/2 cup sugar  
1/2 cup syrup  
1 full cup milk  
1 1/2 teaspoons ground cinnamon  
1/2 teaspoon ground ginger  
1/2 teaspoon ground nutmeg  
1 1/2 cups mashed pumpkin  
1/2 teaspoon salt

Peel the pumpkin. Cook the meat until tender in a small amount of water. Then mash finely. Mix ingredients and pour into unbaked crust. Bake at 450 degrees F. for first ten minutes, then reduce heat to 325 degrees F. Bake until custard is set—35 minutes.

### Pumpkin Cake

1/2 cup shortening  
1/2 cup granulated sugar  
1 cup brown sugar

3/4 cup strained pumpkin  
1-3 cup sour milk  
1 tsp. cinnamon  
1 egg or 2 yolks  
2 cups flour  
1/4 teaspoon soda  
3 tsp. baking powder  
1 teaspoon salt  
2-3 cup nut meats (broken)  
Cream shortening, add sugar, then egg, then pumpkin. Sift dry ingredients and add alternately with milk. Add nut meats last. Bake at 375 degrees F. for 30 minutes.

### Topping

1 cup whipped cream  
3 tsp. sugar  
1 tsp. ginger  
1 tsp. cinnamon  
Whip Cream. Add other ingredients and spread on cake.

## Pest Control Operator To Meet At VPI

Pest control operators and professional workers from five states and the District of Columbia, are expected to attend the third annual pest control operators' short course at V.P.I., November 14, 15, and 16.

Dr. J. O. Rowell, Extension entomologist at V.P.I., says structural wood pest control will be stressed at the course. In addition the group will hear discussions on rat control, will have a chance to inspect equipment used in termite control, and see demonstrations.

Speakers the first day will include W. H. Daugherty, associate director of the Extension Service; Frank J. Sherertz, manager, Better Business Bureau of Roanoke; J. M. Ames, associate entomologist at V.P.I.; R. A. St. George, Division of Forest Insect Investigations, USDA, Washington, D. C.; and Dr. Rowell.

Richard H. Smith, also of the Division of Forest Insect Investigations, and Dr. Ralph E. Heal, technical director, and W. O. Buettner, executive secretary, both of the National Pest Control Association, New York City, N. Y., will speak on November 15. Vernon E. Thomas, Washington, D. C., also is scheduled to appear.

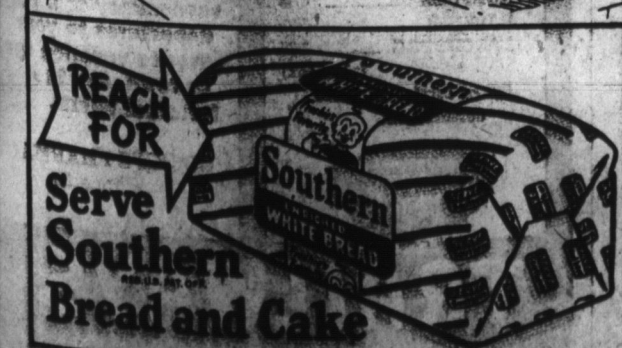

Joseph J. Wineburgh, Theodore Mayer Estate, Washington, D. C., will address the last day's session. Also planned for the three-day sessions are films, panel discussions, and demonstrations.

Correspondents are requested to send copy in early.

### Get In The Scrap

"We MUST have more scrap if the nation's mills are to continue operating," we have been warned by Robert W. Wolcott, chairman of the Steel Industry Scrap Mobilization Committee.

Mr. Wolcott's warning is sounded under the dark shadows of dangerously low inventories of heavy iron and steel scrap at the nation's steel plants and foundries. Supplies on hand are fluctuating between days and only a few weeks as compared with normal, safe-working inventories of about 60 days.

More than one and a half billion tons of steel are now in use in the United States. Normally millions of tons of this steel are discarded each year and find their way back to the mills as scrap.

Everybody can help in this all important scrap drive so vital to the economy and defense of the nation. Here in Prince William all individuals and organizations can help. In homes, in business places and on the farm, there is usually some discarded piece of iron and machinery that can be sold for scrap, and bring a much higher price than normally.

Get in the scrap! You help your nation and yourself.

### How's Business?

By Roger W. Babson

#### SELECTING INVESTMENTS

In normal times there are certain data that enable an investor to evaluate a common stock and draw a logical conclusion as to its worth and future outlook. Under war economy this normal method does not function. Rules of evaluation are not now a major criteria of a stock's net worth or of its future prospects. A chief determining factor today is how the government's activity of allocation, quotas, cutbacks, controls and taxation affects a company and thereby the price and outlook for its stock. The past history of a security under these conditions is not sufficient.

The control of wages, prices and production will go far to determine how much a given company can earn today under these regulations,—or, in fact, stay in business at all. Under these conditions what is the investor going to do to protect his hard-earned cash—which, incidentally, depreciates as the general level of prices goes up. Increased taxes will materially reduce net earnings of many corporations. Increased wages and other costs will have the same effect. Even prices have reached a point where they are building up a consumer resistance and hurting sales.

The investor's situation is aggravated by the fact that we have had a business boom for the past twelve years. The stock market, as measured by the Dow-Jones Industrial Average, has gone up about 195 per cent in the past ten years. Some day both business and the stock market will turn down—all booms come to an end. The recent action of the market suggests the turn downward has already started. In view of the above, the investor should have about 25 per cent of his total investment fund in cash, savings banks or in Government Bonds; 40 per cent should be in sound bonds and good grade preferreds and only 35 per cent of his funds should be in stocks. These, moreover, should be of good quality and well diversified. Partial profit, at least, should be taken today in speculative holdings and new commitments should be in issues with higher merit than those stocks sold.

#### HIT THAT LINE!

### Local Guardsmen Rehearse Armistice Day Ceremonies

COORDINATED DEFENSE AGAINST ENEMY PLANES is the job of an operations detachment in the antiaircraft artillery. Pictured here are members of the 177th Operations Detachment, a former National Guard unit from Manassas, Va. From l. to r. are: Sgt. Wade H. Whetzel, Cpl. Roy C. Reid, Jr., Major William F. Hale, Cpl. Thomas R. Baker and above is Cpl. Roy C. Strawderman. The

Detachment collects, evaluates and sends out information for use by defending "ack-ack" guns on the movement and character of enemy planes. The unit will play a major role in Camp Stewart's (Ga.) open house on Armistice Day which will spotlight the military preparedness of former National Guard units from ten states and the District of Columbia. —U.S. Army Photo.

#### EDITORS NOTE

The following story concerns Manassas National Guardsmen now in service at Camp Stewart, Georgia. The story as released by the Army concerns the part that Manassas boys will play in the Armistice Day parade to be held at Stewart, November 11. The Journal reprints the story in its entirety for readers interested in what our boys are doing.

CAMP STEWART, Ga.—Manassas' former National Guardsmen will play a major role in this Post's Armistice Day open house when the 177th AAA Operations Detachment goes into action.

The 177th, which was called to active duty last May, will participate in a full day's program which calls for the firing of 90-mm and 40-mm

antiaircraft guns, machine guns and the operation of radar, radios, vehicles and other antiaircraft equipment.

Men of the 177th will march with former National Guardsmen from ten states and the District of Columbia in a post-wide review honoring the memory of doughboys who died in both World Wars.

Other activities will include displays and religious services. More than 10,000 visitors from Georgia and surrounding states are expected to attend. Invitations have been extended to governors, adjutants general and congressional representatives, with Guard units at Stewart.

The Virginians are commanded by Manassas' Major William F. Hale, and are responsible for the gathering of information from the

Air Force, observation posts and radar units in order to form a true picture of the actual combat situation. The total picture is then relayed to fighting units for tactical use.

Major Hale has extended an invitation to all of his men's parents to attend the event, pointing out that the troops will receive the following day off so they can be with their families.

Camp Stewart, the Army's second largest antiaircraft artillery training center, is commanded by Brig. General Clare H. Armstrong, who recently said the 177th and other units at Stewart "are rapidly accomplishing the military goal of the national defense effort."

The following officers from Manassas are serving with the 177th at Camp Stewart: 2nd Lt. Robert

E. Byrnes, Charles L. Hall, Jr., and Virgil L. Williams.

Enlisted men who will participate in the Armistice Day program are: M-Sgt. Miller R. Whetzel and Sgts. First Class Welton C. Albrite, Ernest S. Brown and Wade H. Whetzel. Sergeants: Alby B. Conner, Jr., Rex L. Corbin, Jr., Patrick W. McNair and Melvin Slusher.

The Corporals are: James B. Baker, Jr., Thomas R. Baker, Donald H. Clark, Roderick E. Daffan, George A. Frew, Harry C. Gilley, Irwin B. Heinemann, Charles R. Johnson, Robert M. Johnson, Charles F. Miller, Roy C. Reid, Jr., Roy C. Strawderman, Jack L. Weisner, Benjamin T. Whetzel and John F. Wolfe. Also Privates First Class Isaac D. Golladay and Wheatley M. Lightner, Jr.

### Mrs. Joyce, Ocoquan Native Dies At Home

Funeral services for Mrs. Rosina Cooksey Joyce, wife of Captain Thomas F. Joyce of Ocoquan, were held Tuesday, November 6, at the Pohick Church with interment in the Pohick Church cemetery.

In addition to her husband, Mrs. Joyce is survived by one sister, Mrs. Elizabeth Cooksey Collison of Santa Barbara, Calif.; one daughter, Mrs. Mary J. Heider of Tennessee; one son, Thomas F. Joyce, Jr., New Jersey; and two grandchildren.

Mrs. Cooksey died at her home in Ocoquan Sunday, November 4.

### Dodge To Show New '52 Models On Saturday

New 1952 Dodge cars will be displayed in dealer showrooms throughout the nation Saturday, November 10, W. C. Newberg, president of Dodge, announced today.

The new models have styling refinements inside and out, and as an optional feature, Dodge Tint Safety Glass windows and windshields. Newberg predicted that this feature, which gives a slight greenish tint to the glass, will be in strong demand from motorists because it makes daylight driving easier on the driver's eyes, reduces interior heat on warm days and enhances the appearance of the car.

"Tests show that, on a typically warm summer day, radiant heat pouring through the windshield is reduced considerably by the use of Dodge Tint glass," Newberg said.

### Freshening In Fall Advised For Cattle

Dairy farmers are finding it pays to have a good percentage of their cows to freshen in the fall, says R. C. Connolly, dairy husbandman at V.P.I.

A larger amount of milk is needed for fluid consumption in the months August through November, so with careful feeding dairymen can fit their dairy cows for fall production when the demand is larger.

This year, the problem of getting a cow in good condition before she freshens is more severe than usual because of the pasture and hay shortage. Connolly says that grain added to a cow's diet, as much

as 8 to 12 pounds daily, may pay off in larger profits once she freshens.

Another dairy practice which is receiving "more than usual" attention is the growing of heifers so they will be large enough to breed at a relatively young age and freshen in the fall and winter. This year, however, the heifers may not have attained enough body weight for breeding, because of poor pastures, and such heifers should be held a while longer.

If animals are bred between November 7 and February 20, they can be expected to freshen sometime between August 17 and November 30.

### '52 DODGE CORONET SEDAN

Dodge Tint Safety Glass is optional on '52 Dodge cars. Green tint reduces glare and radiant heat.

### Railroads Ask Rate Boost

Representatives of major railroads throughout the United States have announced they will petition the Interstate Commerce Commission to reconsider its recent decision and grant the full 15 per cent freight rate increase that was requested last March.

The I. C. C. granted a 9 per cent increase in the Eastern territory and 6 per cent in the other territories in the original action on the March request. If the new request is granted, it will mean an additional 6 per cent in the Eastern territory and 9 per cent in all others, resulting in a straight 15 per cent increase.

The railroads insist that the original increases authorized are inadequate to enable them to maintain their properties in order to provide adequate and sufficient service. The roads assert that freight rates have lagged behind other price increases and have not contributed to inflated consumer costs.

### Obituaries

#### Emma Howard, Lifelong County Resident Dies At Daughter's Home

Funeral services for Mrs. Emma Jane Howard, 84, of Prince William County, were held Sunday, November 4, from the First Baptist Church. The Rev. Philip Lany officiated.

Mrs. Howard died Wednesday morning at the home of her daughter, Sarah Harris, Manassas, after a short illness. She was the wife of the late John W. Howard.

She was the daughter of Aunt Sallie Randolph and Uncle John, and was a resident of Prince William all her life.

She is survived by six children, 24 grandchildren and 12 great-grandchildren.

#### Mrs. Annie M. Sinclair, Ocoquan Native, Dead

Mrs. Annie M. Sinclair, 90, a District resident for the last 65 years, died Saturday at Casualty Hospital in Washington, D. C.

Mrs. Sinclair had lived for the last 45 years at 503 East Capitol street. The widow of John L. Sinclair, she was a native of Ocoquan, Va.

She is survived by four sons, Charles C., assistant superintendent of the Smithsonian Institute, of 1335 East Capitol street; Leith L., of Washington, Hugh H., of 503 East Capitol street; and William H., of Blossvale, N. Y.; a brother, Paul E. Hammill; two granddaughters, Mrs. Alice G. Higgs, and Miss Annie E. Sinclair; and a great granddaughter, Miss

Helen Carol Sinclair, all of Washington. Funeral services were held at a m. Wednesday at St. Paul's Catholic Church. Burial was in the Presbyterian Cemetery, Alexandria, Va.

The Journal is like a "home" to those away from home.

## Daughters Of Confederacy Meet At Compton Home

The regular monthly meeting of the United Daughters of the Confederacy was held Wednesday afternoon, November 7, at the home of Mrs. Guy G. Allen who was assisted by Mrs. Charles B. Compton. The president, Miss Isabel Hutchison, presided.

It was of genuine interest to the chapter to learn that General Samuel C. Shepherd, Jr., a native Virginian, had been appointed Commandant of the Marine Corps.

Thanksgiving baskets are to be sent to some of the former members, and to those having birthdays, cards will be sent. A card of remembrance, signed by the members present, was mailed to Mrs. Elinor C. Johnson, who is making her home in St. Louis. Ribbon calendars are to be sent to the shut-in members. Flowers, together with a note of sympathy, are sent to the family of the late Humphrey Hibbs, and a flag is placed upon her casket. Mrs. H. Marsteller and Mrs. Robert Hutchison were designated to read resolutions of respect for our former member, Mrs. Hibbs.

The chapter will present a prize to the student in American history the annual contest sponsored by the U. D. C. and the prize has been given by Mrs. Lewis J. Carper. The chapter will on January 19 (Lincoln-Jackson memorial) present an appropriate program during the assembly hour in Osbourne High School, and at the same time a cross of military service will be bestowed upon Commander O. D. Waters, Jr.

It was of interest to know that the exhibit of our local chapter in the Battlefield Museum has been rated as the most outstanding one in the U. S. Mrs. Yost Meitze, through the Chapter, has loaned to the Battlefield Museum, rare and unusual relics of the War between the States.

Regret of the chapter was expressed that Mrs. W. A. Newman was quite ill.

Mrs. E. H. Marsteller, chairman of the credential committee, presented to the chapter for the children of the confederacy, the name of Joseph Ryland Winston, great-grandson of the late Westwood Hutchison, and whose mother and grandmother are members of this chapter.

Young John Buffington, three years old, gave the pledge of allegiance to the Virginia flag, and thereafter was decorated with a badge bestowed upon him by the president of the chapter.

The social hour was one of great enjoyment, and a very delightful salad course was served by the hostesses.

The next meeting will be held at the home of Mrs. E. B. Giddings.

Correspondents are requested to send copy in early.

## Over 100 HDC Members At Sudley Church

Over 100 Home Demonstration Club members and friends attended the Prince William County Achievement Day, which was held on Tuesday, October 30, at Sudley Church with County Chairman Mrs. A. O. Beane presiding.

Mrs. Leona Barlow, Home Demonstration Agent, conducted an "Achievement Parade" as the main feature of the meeting. This event started by explaining the services of the U. S. Dept. of Agriculture and the Virginia Agriculture Extension Service with Mrs. Lucy Smith, Mrs. Edna Gue, Mrs. Susie Smith, Mrs. Charles Kempton and Mrs. Clay B. Hill participating.

In the parade Mrs. Joe Hale told of her experiences as a handicraft leader during 1951. Mrs. M. G. Garber, new President of District VIII of the Federation of Home Demonstration Clubs reported on her trip to Blacksburg to the State Federation Meeting and the Institute of Rural Affairs. She named her committee to plan for the District Meeting which will meet in this county in the spring.

A report was also heard from the National Home Demonstration Council which was held at the University of Michigan at E. Lansing, Michigan in August of 1951 where 1900 Home Demonstration Club members were attending.

4-H Club work in Manassas was explained by Mrs. Ava Gowl, a 4-H leader. 21 girls made 21 garments during the summer, modeled the garments in a dress review and entertained their mothers at tea.

Others who participated in the parade were Mrs. Betty Hoyt, Mrs. Robert Powell who told about the Brensville Mail Box contest, Mrs. A. H. Meyer with her corsage which she made, and Mrs. B. Higgs Lewis who modeled a suit she made and told how she saved by learning to tailor garments. Mrs. Thea Casey told about the help she had received with her house remodeling.

Mrs. Beane presented the fair booth exhibit winners with their awards and Mr. Palmer Wine, Ass't. County Agent was introduced to the group.

Following the business meeting, a delightful tea was served by the Catharlin Home Demonstration Club who acted as hostesses.

Two guests from the Sudley Church, Mrs. Etta Lynn and Mrs. Ayers poured tea and coffee. While enjoying the social hour the guests were invited to visit the small reading and music room which has been a project of the Catharlin Home Demonstration Club but will be used by both the club and the church groups.

### GARDEN SECTION MEETING

The Garden Section of the Woman's Club met Monday afternoon at the home of Mrs. Ian Ross, with the chairman, Mrs. A. L. Henry, presiding.

The program topic for the afternoon was, "Making The Garden Livable," and Mrs. R. E. Daffan presented this in a most interesting manner. This topic was discussed from various angles, and it held the attention of the members. Some of the members were out of town, and some ill, but there was a fair attendance.

### Annual Armistice Ball Friday at Osbourn Gym

The annual Armistice Ball, sponsored by Francis Cannon Post, V. F. W., will be staged at the Osbourn High School gym on Friday night. Dancing will be enjoyed from 10 p. m. until 2 a. m., with music by the L. Ray Hurst Orchestra.

John O. Gregory is general chairman of the affair. Tickets may be secured from members of the Post.

## In And Around Manassas

Mr. and Mrs. Ned Bradford and son, Tommy, visited Mrs. Bradford's parents, Mr. and Mrs. Lankford, in Baltimore recently.

Weekend guests of Mr. and Mrs. A. E. Jussame were Mr. and Mrs. Claude Hellman and daughter Ann, of Silver Spring, Maryland.

The Gay Nineties Chorus journeyed to Fredericksburg Wednesday evening where they were guests of the Junior Woman's Club at their annual dinner meeting. They performed after the dinner meeting, and were enthusiastically received.

Mr. Roy Allen Muddiman who is with the U.S. Air Force is stationed in Geneva, N. Y.

Rev. Emory C. Fritz has returned here after attending a convention in Philadelphia.

Students from their various colleges spending the weekend here with their parents included Betty Lee Jenkins and Mary Lou Breeden of Madison College, Orrin Kline and Billy Gue of Bridgewater College, Jesse Reid of the Medical College at Richmond.

L. L. Lonas, Jr. spent the weekend in Lexington where he attended the homecoming of his alma mater, Virginia Military Institute.

Mr. and Mrs. R. Jackson Ratcliffe will spend the weekend in Roanoke as guests of Mr. and Mrs. Fielding Logan.

Mrs. Dan Eutsler has returned from a visit to her parents, Mr. and Mrs. Arthur H. Shattuck, in Erie, Pa.

### Doll Show Planned By Trinity Auxiliary

November 30th and December 1st are the dates selected by the Woman's Auxiliary of Trinity Episcopal Church for the unique Doll Show, which it is planning. Ladies of the Auxiliary have been holding weekly sewing bees for the purpose of making and dressing various types of dolls, and these will be on sale at the show, along with character dolls, rag dolls, baby dolls, etc.

In connection with the event there will also be a food booth; and an exhibit of dolls old and new, from the far corners of the globe. This will be an interesting pre-Christmas event.

Miss Carolyn Cooksey of Richmond Professional Institute spent the weekend with her parents, and on Saturday with her father attended the Morris-Hilldrup wedding in Fredericksburg.

Mrs. Genevive Halvey left last week for Charlottesville after a visit to her sister, Mrs. Bruce Whitmore on West street.

Mr. and Mrs. Robt. Wine journeyed to Richmond where they spent the weekend. They were accompanied by Mrs. Henry Gough who visited her husband in that city.

Miss Lillie Sutton has returned from Danville where she visited Mr. and Mrs. J. P. Pullen and family.

Mrs. Grace Whiting and daughter spent Sunday at Independent Hill with her parents, Mr. and Mrs. Clive Alderman.

Mr. and Mrs. Wilson Kite and sons, Randy and Barry, are visiting Mr. Kite's mother, Mrs. Lizzie Kite. Mr. Kite motored down from his home in Dover, Del. and will go on to Richmond where he will attend a conference of Southern States, Inc.

Mr. and Mrs. Reuben Hicks and family went to Charlie Hope for the weekend to visit Mr. Hicks' parents.

Sunday dinner guests of the R. E. Bennetts included Mrs. Dickson and her daughter, Miss Isabelle of The Plains, and Mr. and Mrs. Van DeLoon of Washington, D. C.

Benjamin Cross of Randolph Mason College visited his mother, Mrs. Roger Cross, over the weekend.

Mrs. Eleanor Wetherall and Mrs. Florence Wayland were Washington shoppers Friday.

Miss Mary Berkley Nelson was the guest of relatives and friends in Orange last weekend.

Mr. and Mrs. Charles Waldrop and their two daughters of Shelby, N. C. have taken an apartment in the home of Mrs. Roger Cross on Center street.

Mr. and Mrs. Martin Wetherall were recent guests of Mrs. Wetherall's parents, Mr. and Mrs. A. H. Kirk of Herndon.

Miss Hazel Wallace of Washington, spent the weekend with Mrs. Nina Wade-Dalton. Mrs. Dalton also had visiting her on Sunday, her sister, Miss Edith Haydon of Washington.

Mason Hollcroft, C. H. Wine, Charles Caldwell, and Elmer Suttle attended the Redskins-Chicago Bears football game in Washington last Sunday.

Mrs. Robert A. Hutchison, Mrs. Elizabeth Wine, Mrs. Mason Hollcroft and her daughter Lynn, were visitors in Herndon, Sunday.

Mr. D. D. Swinney, Jr. and family visited his parents, the Reverend and Mrs. Dan. D. Swinney at The Manse this week.

Mr. and Mrs. Paul Kopp of "Holly Gate" were called to Allentown, Pa. on Sunday, owing to the sudden death of Mr. Kopp's father.

Carol Conner of Ft. Meade, spent the weekend at his home here.

Miss Elizabeth Lloyd who was here at her home over the past weekend, left for Radford, Tuesday. She was accompanied home by Miss Nedra Bline of Fishersville, who was the guest of Miss Lloyd.

Mr. D. B. Dyer who was called to Chicago recently on account of the death of her father, Dr. Maechtle, has returned to her home on Grant avenue. She was accompanied home by her mother, Mrs. Maechtle.

George Bryant of Provincetown, Mass. is visiting his uncle, Paul Kopp, at "Holly Gate."

### LEGION AUXILIARY TO MEET

The Auxiliary of the American Legion will meet next Monday night, November 12, in the Legion Hall at 7:30 p. m. Mrs. Eloise Branch will be pianist, and there will be some spirited old fashioned singing. If any one has a favorite composition they wish rendered, they are asked to bring it for this occasion. Very much interest has been displayed along this line and the singing had added greatly to the evening's enjoyment. Mrs. Elizabeth Monaghan is president of the group.

### LUTHERANS HEAR SPEAKER

A group of people from the Bethel Evangelical Lutheran church attended a special meeting held last Sunday evening at the Church of the Resurrection in Arlington to hear Mrs. Ruth Juran Smith. This was quite an inspirational meeting and the group felt well repaid for their trip.

### ATTEND FORUM IN RICHMOND

A number of women will attend a forum to be held in Richmond, Thursday, the 8th, at Miller & Rhoades. This forum is on "Woman's Place in the Changing World," and many organizations will be well represented at the meeting. Among those from this place who will attend, Mrs. Elaine Levine, Mrs. W. L. Lloyd, Mrs. R. C. Powell, Mrs. Benjamin Johnson, and Mrs. Lyle Ditzler.

Correspondents are requested to send copy in early.

# Oscoquan, Osbourn 'On The Road'

## Stars Of The Week

BOBBY GLASS

BOBBY PAYNE

This week's star is nominated on the strength of one play in last Saturday's Herndon-Oscoquan footfest. End Bobby Glass made a spectacular catch of a wobbly Bauckman pass despite two Herndon pass defenders, eluded their grasp, and raced downfield for Oscoquan's only score.

Glass' play also had a terrific psychological effect on the Indians. Just prior to the moment he caught the pass, Herndon had scored and led 6-0 after a scoreless first half.

It looked impossible that Oscoquan could stage a comeback against a seemingly immovable Herndon defense. Glass play put Oscoquan back in the ball game, and although they were unable to score again, it gave them renewed determination to contain Herndon from breaking loose.

Runner-up posts this week go to three other county players. Bobby Payne gave another of his sterling performances Thursday night, scoring 18 points in spite of an injured right elbow hurt in the first period.

Two linemen, Larry Twford of Oscoquan and Bob Burchard of Osbourn contributed outstanding defensive play to boost their teams to the top showings they made.

## Osbourn Roms Over W&L As Oscoquan Ties Herndon

Prince William's two county football teams take to the road this weekend missing a few sparkplugs. Improved Osbourn will be in for a rough afternoon Saturday when they meet Falls Church while Oscoquan will have the going a little easier, playing Marshall Friday afternoon.

Coach Jim Leo reports he will rely chiefly on his passing attack against Falls Church. He says that his passers have clicked against Falls Church every year—and he hopes this year will be no exception.

There is a good chance that Osbourn will be missing the services of its star, Bobby Payne, who suffered an injury to his right arm in Thursday night's clash with Washington and Lee. Payne presently has the arm in a sling and is waiting on an x-ray report from a doctor. Payne hurt his right elbow and it is feared a bone may be chipped.

Oscoquan Without Fullback  
Meanwhile, Oscoquan will also be weakened in the backfield without the services of a fullback. Neil Williams who was supposed to return to action last week, is still out indefinitely and his replacement is also banged up. Jim Justice, who has filled Williams' shoes capably since the Leesburg game, was hurt last Saturday against Herndon when he was the victim of a savage Hornet block on their only touchdown.

Despite Justice, Oscoquan is figured to be a four-touchdown favorite over Marshall while Osbourn is a one-touchdown underdog against Falls Church.

### Oscoquan 6, Herndon 6

Oscoquan struck back through the air midway in the third period to tie up the score Saturday after a Bauckman gamble set up Herndon's first and only touchdown. Throughout the fourth quarter, Oscoquan played it safe and was content with a 6-6 tie—the final score.

Herndon's big line proved to be unmovable and Oscoquan's ordinarily successful ground attack came to a quick halt. Dick Detweiler, 6 foot 6 inch end, was the big thorn in the Indian's side on offense and defense.

Detweiler was the outstanding player on the field as he turned Oscoquan's end runs into losses and caught two passes on offense.

Both teams battled to a scoreless first half with neither team penetrating very deep into its opponent's territory. Midway in the third period on fourth down and 2 yards for a first, Bauckman took a chance and ran around his own end from punter formation, only to be stopped short by Detweiler.

Herndon took over on Oscoquan's 40-yard line. A short flat pass to Pickett along the west sidelines broke the deadlock as Pickett scampered down the sideline to score standing up. Detweiler's try at the extra point was just wide to the left, and Herndon led 6-0.

Oscoquan Strikes Back  
Herndon kicked off to Oscoquan and on the first play from scrimmage, Bauckman faked back to his own 30 and flipped a wobbly 30-yard toss to end Bobby Glass who raced the rest of the way untouched for the tying score. A bad pass from center enabled Herndon to block Bauckman's try for the extra point.

In the waning minutes of the fourth quarter, it was evident that Oscoquan was content with a tie. Oscoquan had possession of the ball on its own ten and moved successfully out to the 35 on the ground. With less than a minute to play, Bauckman stayed on the ground to run the clock out instead of passing for a possible touchdown. Oscoquan Coach John Suren told the Journal that he called for this strategy himself, saying he was afraid Herndon might intercept and score itself.

### Osbourn 25, W&L 13

Behind the running of a trio of backs, Osbourn High School rolled to an easy 25-13 win over Washington and Lee Jayvees Thursday night at Swavely Field.

Bobby Payne, Osbourn mainstay, personally accounted for 13 points on two touchdowns and one extra point. Payne's second touchdown came on the opening kickoff of the second half as he dashed 90 yards down the sidelines to score standing up.

Brice Corder started the ball rolling for Osbourn midway in the first period when he barreled 32 yards out of Leo's "L" formation to score. Payne ran the extra point over and Osbourn led 7-0.

A "Little General's" fumble in the second period gave Osbourn its second touchdown. The Yellow Jackets took over on the W&L 27 and Payne climaxed the short drive, going over from three yards out.

Osbourn coasted on its two-touchdown margin the remainder of the first half and Payne increased the lead with his run to open the second half.

Ralph Truesdale scored the Yellow

## Sport Shorts

Question Mark? . . . Bobby Payne is the big question mark as far as Osbourn Coach Jim Leo is concerned. Payne hurt his right elbow in Thursday's tussle with Washington and Lee and may miss the Falls Church tilt Saturday. Both are on pins and needles awaiting the doctor's findings.

Starting off with a bang . . . Arch rivals—The Hawks and Legion—open the Northern Virginia Basketball League schedule here Thursday night, December 6. Both teams will be playing their opening games with slightly revamped lineups from last year. Nice way to start the ball rolling.

Ce-Champions . . . Saturday's playoff between Oscoquan and Herndon was supposed to be the deciding factor as to who won the Group III title in this area. Herndon was unbeaten, untied until Saturday while Oscoquan was unbeaten, untied in league play, losing only to George Washington in the season's opener. There could have been a playoff game at Thanksgiving if Oscoquan had not scheduled for the Hawks and the Legion. The second team listed for each game is the home team.

Thursday, December 6:  
Hawks at The Legion.  
Saturday, December 8:  
Warrenton at Hawks.  
Legion at Gainesville.  
Thursday, December 13:  
Oscoquan at Hawks.  
Legion at Nokesville.  
Saturday, December 15:  
Warrenton at Legion.

uled Clarke County for that date. In the case of a tie as it now stands, the VHSL will have to decide. Oscoquan has only one more league opponent to face—Marshall—and is not figured to have much trouble keeping its slate clean.

Day-dreaming . . . A couple Osbourn High footballers were spectators at the Oscoquan-Herndon clash Saturday. All departed thoroughly convinced that Osbourn could lick Oscoquan. Unfortunately, no game can be scheduled for this year. Here's hoping the parties responsible will include the game in next year's schedule. It would be a welcome break financially for the two teams—and would certainly be welcomed by the spectators and followers of the two teams.

## 4-H NEWS AND VIEWS

By Mrs. Bettie A. Dotterer

It isn't too early for you 4-H  
girls to think about Christmas and  
Christmas gifts. We have a lot of  
information in the office concern-  
ing decorations and gifts that can  
be made at home very easily. A  
gift means so much more when your  
thoughts and work are behind it,  
and if several of you get together  
to make gifts, exchange ideas and  
help each other you can enjoy your  
work. Remember, if a thing is  
worth making, it is worth making  
right.

Allow yourself plenty of time so  
that it isn't thrown together at the  
last minute. A decorating party  
would enable you to play and work  
at the same time. Mrs. Barlow  
has patterns and suggestions for  
pot holders, aprons, and towels  
made from washed and ironed feed  
bags, bedroom slippers made from  
wash clothes, flannel and felt, easy  
to make dolls, tie-dyed scarfs, and  
ornaments for decorating, just to  
mention a few items. If any of  
you would like help let us know  
and we will do what we can for you.  
However, decide just what you want  
to do for your part of Christmas  
and make your plans, so that you  
will be ready for the holidays well  
in advance.

November 10th — The Catharlin  
4-H Club will hold their meeting  
in the home of Roberts Costello  
at 10 a. m. This meeting was  
scheduled for last Saturday but  
because of the bad weather it was  
postponed. Project — Room Im-  
provement.

November 10th — The Manassas  
Jr. 4-H Club will meet at Mollie  
Owens' home at 2 p. m. Their  
project is Meal Planning, Prepara-  
tion and Service.

November 12th — Manassas Sr.  
4-H Club will meet at 7:00 at  
Christine Dotterer's home. Project  
— Clothing Unit II. The members  
that can attend should contact Mrs.  
Barlow so that she can furnish  
transportation.

## HOME DEMONSTRATION

The Prince William Electric Co-  
op will conduct an Equipment  
School at the R.E.A. kitchen No-  
vember 12th and continuing thru  
Friday, November 16th. There will  
be two meetings a day starting at  
10 a. m. and at 2 p. m. All of  
the Prince William County Women  
are invited but it is asked that  
you contact either Mrs. Barlow at  
Manassas 237 or Mrs. Goodrich at  
Manassas 235 so that plans can be  
made to accommodate those who  
want to attend.

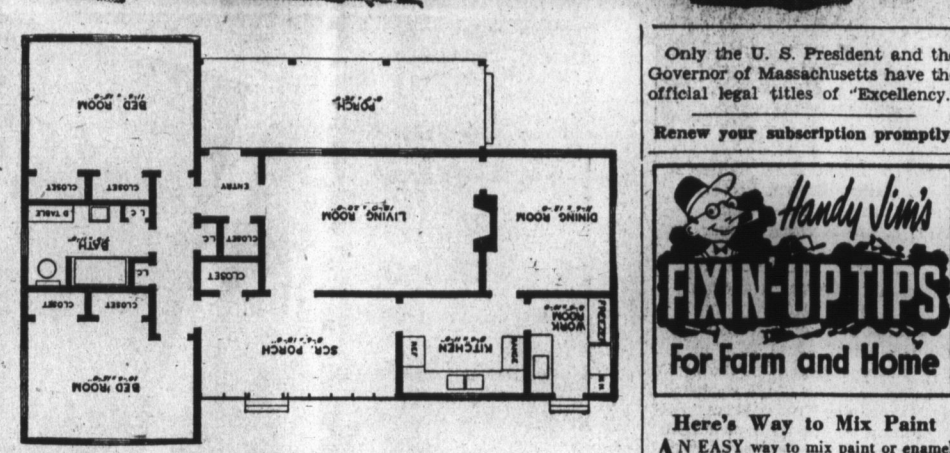

On Monday and Tuesday, wash-  
ers, driers and ironers will be dem-  
onstrated. Wednesday small ap-  
pliances (about 25 in all), Thursday  
and Friday, ranges will be ex-  
plained. This should be most in-  
teresting and will answer many  
questions concerning any electrical  
appliance.

November 9th — The Catharlin  
Home Demonstration Club will  
meet in the home of Mrs. Bertha  
Stamm at 10 a. m. This will be  
an all day meeting. Project —  
Fabric Painting.

November 12th — The Cannon  
Branch Home Demonstration Club  
will also study Fabric painting at  
7 p. m. in the home of Mrs. Orrin  
Cline.

November 13th — The Brentsville  
Home Demonstration Club will start  
their all day meeting at 10 a. m.  
in the Brentsville Court House.  
Project — etching aluminum trays.

November 14th — Sudley Home  
Demonstration Club will also have

## Lovely To Look At — Easy — To Live In

Here is a ranch house that will  
look good in the country or in  
town. To add to the original beauty  
we suggest you place it among some  
nice trees; if this is not possible,  
provide plenty of green shrubbery.  
The house was designed for just  
such a setting in green, with red  
brick veneer and white boards and  
batten on the porches. Although it  
is designed for brick veneer, 4-  
inch concrete block veneer or or-  
dinary wood siding will look good.

In addition to the outside at-  
tractiveness of the house, the in-  
terior arrangement is designed for  
the utmost comfort in living. The  
kitchen-work room combination is  
arranged so there will be a mini-  
mum of effort in preparing meals  
and preserving food. At the same  
time, the work room provides an  
excellent place for a home freezer,  
washing machine, water heater and  
work-clothes closet.

One glance at the floor plan and  
you'll be impressed with the abun-  
dance of always needed storage  
space. The screened porch on the  
back could easily be glassed-in to  
make an ideal everyday living room  
or a delightful place to serve the  
family meals both summer and  
winter.

You can obtain blueprints for  
this Journal FARM & RANCH  
House Plan No. 4899 and a handy  
list of materials by which you can  
figure your construction cost ac-  
curately. Send \$1 to Building Ed-  
itor, FARM & RANCH, Dept. M-76,  
Nashville 1, Tenn. Order by num-  
ber—Plan No. 4899. Blueprints are  
adequate for any farm carpenter  
or for any farmer handy with tools.

## Home Appliance Demonstration To Be Given Here At REA

Mrs. Thelma Goodrich, Home  
Electric Advisor for Prince William  
Electric Coop, has planned an ex-  
cellent program for homemakers in  
Prince William County.

Representatives from Bendix  
Home Appliances, Westinghouse,  
Monarch Co. and Detergents, Inc.  
will come to Manassas to demon-  
strate their particular wares next  
week on Monday, November 12  
through Saturday, November 17.  
Two demonstrations will be given  
daily at the exhibit kitchen at the  
R.E.A. office on Centerville Road.

Study the program and you will  
notice that on Monday and Tues-  
day it deals with laundry equip-  
ment and supplies. Wednesday is  
display and uses of small ap-  
pliances and Thursday and Friday  
will be devoted to a study of electric  
ranges.

Need cash! Sell unused clothes  
and furniture with a Journal  
classified.

## Your Child WILL LIKE THIS NEW COUGH HELP

For coughs and bronchitis due to colds

## Music Group Planning For Summer Series

Tentative plans for the coming summer season of the Blue Ridge Music Festival to be held at Avon Mills in Washington, Va., point toward the presentation of four concerts during August for the Guild Membership according to word from members of the Executive Board. Two of the series will be concerts

by the Virginia Symphony Orchestra under the direction of William Haaker. Surrounding Guild Chapters of the Virginia Symphony are being invited to name a summer chairman who will be a member of the governing Executive Board. Each of the 30 Guild Chapters that support the Virginia Symphony will send two local students to the Workshop this summer on scholarships issued by the orchestra. These young people will have the advantage of work with first chair members of the orchestra. Mr. Haaker is also director of the school.

**COCKE'S PHARMACY**

**I HAVE TO LIVE IN THIS WORLD!**

I'm just a little shaver—and it's big people like you who run the world. But I sure do wish you would think about me, 'cause I have to live in this world when I grow up. I know it's not your fault that things are the way they are. But if you want to give me a break, you might start improving the world now. The Church on the street can help you improve yourself. And pretty soon I'll be there too, learning the lessons I need. And the family next door, we could invite them to go with us every Sunday. And the rest of the folks in town—we can give them a sample of what we believe by treating them the way we like to be treated ourselves. Understand . . . I don't know all the answers. But God does! Just listen to Him—that's all I ask!

P. W. LYNN,  
W. F. FLEMING,  
Directors.

Notary Public for Prince William County, Virginia, do hereby certify that I am not an officer or director of this bank. My commission expires May 3, 1952.

## GOOD HEALTH

### Answer to Question No. 1:

It is the blocking of a vessel that supplies blood to the heart muscle. Its seriousness depends upon how large the vessel is, and how much muscle thereby loses its blood supply. A very small percentage die of the first attack. Other victims can, thanks to modern medical developments, continue for many years to live useful lives.

### Answer to Question No. 2:

Usually hoarseness is the result of a cold, or a chemical irritant, or too much use of the voice. If there is no simple explanation of your hoarseness, and it persists, see a doctor. A serious illness, such as tuberculosis or cancer of the throat, might be the cause.

### Answer to Question No. 3:

Pork is a delicious, nourishing food, but may be infected with trichinae, tiny parasites that cause the sometimes fatal disease, trichinosis. This disease is more prevalent than you may think. The housewife may protect her family by cooking all pork thoroughly until meat at the center loses its pink color and turns gray. Some communities are acting to eliminate the parasite, and danger of other diseases, by such public measures as requiring all garbage fed to hogs be cooked, and all pork products adequately processed and microscopically inspected. (Copyright 1951 by Health Information Foundation)

## Haymarket

Mrs. A. H. Meyer

The Rev. Samuel B. Chilton of Richmond will administer Holy Communion at St. Paul's Episcopal Church on Sunday, November 11th, at the 11:00 o'clock services.

Mr. Philip H. Smith, Jr. of Washington was a dinner guest of Miss Betty Anne Meyer on Saturday at the home of her parents, Mr. and Mrs. A. H. Meyer.

Mr. and Mrs. Billy Rust of Alexandria, and Mr. and Mrs. John Douglas and daughter, Mary Catherine of Arlington visited at the home of Mrs. Douglas and Mr. Rust's parents, Mr. and Mrs. A. B. Rust on Sunday.

Mrs. L. E. Thomas visited last week at the home of her daughter and son-in-law, Mr. and Mrs. Homer Allison in Barcroft, Arlington.

Robert George who has been quite ill in Doctors Hospital, Washington, had improved and was able to return to his home this week.

Mr. and Mrs. Boyd Parker of High Point, Arlington, spent the past weekend at the home of Mrs. Parkers parents, Mr. and Mrs. A. H. Uitterback.

Despite the weather a large crowd attended the Auction Sale held in the Parish Hall last Saturday. The sale, a benefit for St. Paul's Episcopal Church, was a huge success.

### P-TA TURKEY DINNER

The Gainesville District P-TA will hold its annual turkey and oyster dinner Friday, Nov. 9th, from 5:00 to 8:00 p. m. in the Haymarket school auditorium.

## Good Storage Important In Dahlia Care

Wondering what to do about your dahlias now that winter has come? Here are some tips from A. S. Beecher, associate horticulturist at V.P.I.

After frost has killed the dahlias, cut the tops off at a point about six inches above the ground. Dig the dahlias carefully so the tubers won't be injured by the spading fork. Before putting the clumps in storage let them dry so the soil will shake off easily. Inspect the tubers closely and discard any that are injured or not healthy. Cut the stem back to within two or three inches of the crown.

Proper storage is important. A basement where the temperature is around 40 degrees is ideal, but many cellars with furnace heat are warmer and drier. One solution to the problem of a dry, warm cellar is to make a small storage room by partitioning off an area of the cellar. Locate the area by a window so the temperature can be kept low. The room also will be a good storage place for apples and vegetables.

If you don't have a cool storage place, cover the dahlia roots to prevent them from drying out. Sand, peat moss, coal ashes, or sawdust can be used. Put the roots in boxes, baskets, or barrels.

## Warfarin Popular As Rodent Killer

Nearly 1,000,000 pounds of warfarin 5 percent concentrate were sold in the United States in 1950, says John M. Amos, rodent control specialist at V.P.I.

Amos says that results indicate warfarin is an effective rodent control material when used properly. It is relatively safe to use in most situations and gives a long period of protection from rat damage when used in bait stations that are serviced regularly.

For information on using warfarin, write the Agricultural Extension Service at V.P.I., Blacksburg, or see your county agent.

**THINK SAFELY ALL-WAYS**

## More Emphasis Needed On Rat Control

Farmers need to put more emphasis on rat control and rat-proofing farm granaries, believes John M. Amos, rodent control specialist at V.P.I.

He says that out of 2,000 samples of corn checked by the Food and Drug Administration, 90 percent were found to contain evidence of contamination by rats and mice. Most of this contamination undoubtedly occurs on farms.

Amos points out that rats eat about five times as much as a human being. This statement is based on observations in which the weight of the amount eaten is compared to the body weight of the animal. Rats eat about 1 percent of their body weight at a single feeding, and 10 percent in a 24-hour period. The amount eaten varies from 14 percent for young rats to 6 percent for old rats.

For information on rat-proofing and rodent control, write the Agricultural Extension Service at V.P.I., Blacksburg, or see your county agent.

# Rules the Road but not Your Budget

## Road Test a Mercury for proof of performance!

Watch a Mercury show its stuff when the light goes green. Feel that comforting reservoir of surplus power for safe passing on the open road. No doubt about it, you're the boss when you drive a Mercury. For here's a performer that never wilts when the going gets tough. Mountains are cut down to size by eight cylinders of high-compression V-type 8 power. Traffic

tangles unravel before its sure-footed gait. Byways become highways as its synchronized springing and foam-rubber cushioning snub out the bounce and jounce. Little wonder that Mercury is such a fast-growing star in popularity; you just can't beat its combination of performance, value, and prize-winning economy. Stop around for a road test and see.

## Budget Test a Mercury for proof of value!

- ☐ Does it have a down-to-earth first price? Mercury's price tag you can easily understand—a big dollar's worth for every dollar invested.
- ☐ Will upkeep stay low? You save money year after year. Mercury's famous stamping keeps repair bills at a rock-bottom low.

- ☐ Is it famous for long life? It is indeed! 92% of all Mercurys built for use in this country are still on the road, according to latest annual official registration figures.
- ☐ Will trade-in value stay high? Mercurys keep their value; used car market reports consistently prove it.

- ☐ Will you be sure of good gasoline mileage? Mercury has proved its more-miles-per-gallon by winning officially sponsored economy tests.
- ☐ Does it represent solid value? Mercury owners say YES! So will you when you get the story from your Mercury dealer. See him soon.

### 3-WAY CHOICE!

For "the drive of your life" Mercury offers a triple choice in dependable transmissions. Merc-O-Matic Drive, the new simpler, smoother, more efficient automatic transmission—or thrifty Touch-O-Matic Overdrive are optional at extra cost. There's also silent-ease standard transmission.

## Farm Prices Show Slight Decline in State

Virginia farmer are receiving slightly less for the commodities they sold in mid-September than they received a month earlier, the Virginia Cooperative Crop Reporting Service estimated recently.

The commodities showing the largest declines were hogs, chickens, wool, apples, soybeans, and sweet potatoes. These declines, however,

were partly off-set by increases in the prices of veal calves, eggs, turkeys, milk, hay, and potatoes.

Grain prices varied with wheat up 1 cent, while corn and oat prices were down 1 cent per bushel. Barley showed the greatest increase in grains with prices averaging 5 cents per bushel over August.

High prices declined during August, and the first half of September as the spring pig crop started to move to market. Veal calves were bringing higher prices, and beef cattle averaged about the same as a month earlier. Sheep and lambs were slightly lower.

## Brentsville

Mrs. R. F. Powell, Correspondent

Garvin Martin, student pastor of the Brentsville Baptist Church, and Charlotte Brett were entertained at dinner Sunday by Mr. and Mrs. Glen Liskey and daughters.

Curtis Harper, student pastor of the Brentsville Union Church, was a Sunday dinner guest of the Charles Croushore family.

Mr. and Mrs. Howard Counts entertained at a farewell dinner for S-Sgt. Johnny Bigelow Monday evening prior to his departure Tuesday for camp in Tacoma, Washington. Guests included Gilbert Counts, Stewart Bradford, Charles and James Bean and Nelson and Douglas Keys.

Mrs. Rosie Bean of Richmond visited her daughter, Mrs. David Dove and family, Sunday.

Mr. and Mrs. Harry Smith and Charles Dove of Herndon were Sunday guests at the David Dove home.

Mr. and Mrs. Sheffield and son of Alexandria were Sunday dinner guests at the home of her parents, Mr. and Mrs. Ray Hedrick.

Charlotte Breeden was able to return to school on Monday after a week's absence due to illness.

Mr. and Mrs. Nicholas Webster were entertained at dinner Friday by Mr. and Mrs. Howard Russell at Cornucopia Farm.

Charlie Breeden of Pender spent Sunday with his sister, Mrs. Willard Fogle and family.

Friends of Mrs. Joe Brannon will be glad to learn that she is progressing satisfactorily following surgery at G. H. Field Hospital in Washington, D. C. last Tuesday. She hopes to be able to return home the last part of this week.

Mrs. J. J. Whetzel and Mrs. Emma Wolfe, official members of the Potomac Parish Council, attended the dinner held at Catlett Saturday evening.

Mrs. Ben Shoemaker and Mrs. J. J. Whetzel attended the movie showing Parish work in Virginia which was shown at Greenwich Tuesday evening.

### BRENTSVILLE HDC

The next regular meeting of the Brentsville Home Demonstration Club will be held at the Court House Tuesday, November 13, at 10:30 a. m. Ladies are asked to bring their own lunches and a hot drink will be prepared at the Court House. This will be an all day meeting to enable the members to complete their work stenciling metal trays. Mrs. Barlow will be present to supervise this work.

Pfc. Alice Gunnerson and Sgt. Helvi Aho who are stationed at the Marine Barracks in Arlington were weekend house guests at the R. F. Powell home.

Mrs. Chas. P. Kempton accompanied by Mrs. J. J. Whetzel and Mrs. R. F. Powell attended Achievement Day of the Home Demonstration Clubs of the county which was held at Sudley Church October 30.

Mrs. Ethel Fairburn and two sons, Tammy and Frankie, from Iron Gate, arrived Thursday to visit her two brothers, Jim and Ben Shoemaker and their families. Mrs. Fairburn and sons departed for Washington, D. C. Saturday to visit and departed from there for their home Sunday.

Mrs. W. R. Stephens entertained at a birthday dinner Sunday honoring her husband and his sister, Mrs. Lillie Compton, of Warrenton. Mr. and Mrs. Lloyd Keys of Falls Church were also present for the occasion.

Seventy children of the Community enjoyed the Halloween party given by Mr. and Mrs. John Watson Cox at Moor Green. Games were played, apples were bobbed, and there was a wailing ghost present to add an eerie atmosphere to the occasion. Refreshments of cider, doughnuts, popcorn, candies and nuts were served to all present.

The Ladies Auxiliary of the Lake Jackson Fire Department will hold a meeting at the Brentsville Court House Tuesday evening at 7 p. m. The ladies wish to remind everyone of the Box Social followed by Bingo which is to be held at the Court House November 17 at 7 p. m.

### KNOW YOUR NEIGHBOR

Blessed indeed was the community when fifteen years ago Hazel and Wister Stephens left Bristersburg to buy a farm in Brentsville. Through the years they have improved the run-down farm into an attractive modern place to which they added, in May, 1950, a small village store known as Stephens Grocery.

Prior to their marriage Mrs. Stephens was a school teacher for twelve years in Fauquier County and Mr. Stephens was engaged in carpentering and farming.

Both Mr. and Mrs. Stephens now work — Mrs. Stephens commutes daily to Clarendon where she is a cartographic draftsman in the Geological branch of the Department of the Interior, while Mr. Stephens reports daily, as he has for the past eight years, to the Work House in Occoquan where he is a custodial officer.

Mary, a senior at Brentsville District High School, Bobbie, a seventh grader, and Mrs. Lloyd Keys of Falls Church are the three children of Mr. and Mrs. Stephens.

## Dairy Feed Prices To Be Hiked

Still higher feed prices are in store for dairymen, according to forecasts by dairy marketing specialists at V. P. I.

The worst drought since the early 30's has cut the growth of pasture and caused in many dairymen to dig into their winter feed supply of hay and silage to maintain current milk production.

The situation has and will put many, who heretofore have produced most of their own feed, buying on the feed market. Hay prices particularly are expected to show substantial increases. The hay price already has advanced about \$1.40 per ton from August to September.

Feed grain prices have been 10 to 15 percent higher this year than in 1950. Although October and November are usually the low price months for corn, little or no price decline is likely this fall. The reduction in the size of the crop this year, plus a strong demand for corn by livestock feeders will put an effective prop under the price, the specialists believe.

With livestock population at a near record high and supplies of all corn dwindling, farmers likely will be slow moving their corn to market. This could bring forth higher corn prices during the winter months; and corn prices generally pave the way for the price trends of other feed grains.

## Bradley Forest

By Mrs. Kenneth Jenkins  
Major Newman from Quantico was a Sunday evening guest of Mr. and Mrs. E. D. Hill.

Mr. and Mrs. O. J. Tweeden and family spent Sunday in Arlington visiting his mother and sister. They also visited Mr. and Mrs. Ostrows of Oakton.

Mrs. Mamie Townsend from Pennsylvania is visiting with M-Sgt. and Mrs. Kinnard and family.

Christy Tinsman spent Sunday with the Band children.

Mrs. Kenneth Jenkins and children visited last weekend with her mother in Washington, D. C.

We have another new family in the community—Mr. and Mrs. C. Miller and family from Manassas. We heartily welcome them to our community.

Mr. and Mrs. Oleff Larson from McLean, were Sunday guests at the Kenneth Jenkins home.

Mr. and Mrs. Herbert Phelps spent Thursday in Alexandria visiting Mr. and Mrs. Eula Carter and family.

Sunday, October 28, Mrs. J. K. Conner had a birthday dinner for Mr. and Mrs. Clay Leonard of Manassas. Those present for the dinner were the Leonard children, William and Nancy, Mr. and Mrs. Bob Hartley and son, Craig, Mr. and Mrs. Carol Conner, Alvin Conner from the Medical College of Virginia, and Abram and Jake Conner.

## If Your Stomach Is Like a Gas Factory!

When you eat a meal and it turns right into gas, it's a sign your food is not digesting quickly enough. It just lays there and ferments. So you are in misery with gas for hours afterward.

Many Manassas people used to feel that way before they got CERTA-VIN. This new medicine digests food faster and better. Taken before meals it works with your food. Gas pains go! Inches of bloated vanish! Contains Vitamin B-1 with Iron to give pep and make nerves stronger. Miserable people soon feel different all over. So don't go on suffering. Get CERTA-VIN—Cocke Pharmacy.

## Garlic Flavors Trouble Dairymen

How to avoid garlic flavors in milk is a question confronting Virginia dairymen these days.

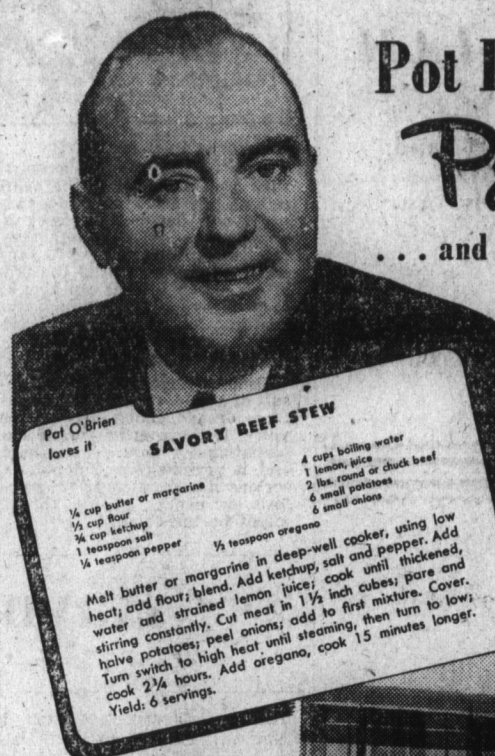

R. G. Connelly, dairy husbandman at V.P.I., says there have been complaints from farmers and distribu-

tors, and that some milk is being returned to the farm because of off-flavors.

Don't let the cows graze garlic-infested pastures for three to five hours before milking. Instead feed them good quality garlic-free hay and silage in a dry lot. They can graze immediately after milking.

From where I sit... by Joe Marsh

## "Talks Turkey" —Long Distance

Some people chuckled when Sonny Fisher rented a home recording machine to record the noise his flock of turkeys make.

"I sent the recording to a buyer for a super-market chain," Sonny said. "I told them 'My turkeys speak for themselves—listen to this record!' They not only took my birds, but bought the record!"

"Why did they want the record?" I asked him. "Very simple," he says. "They're going to play it over the loud speakers in their stores—and then an announcer on another record reminds the cus-

tomers that turkeys are plentiful and a good buy."

From where I sit, it's not always smart to make fun of someone just because he does things a little differently. I think a glass of beer is the most refreshing beverage there is. You—or Sonny—may prefer something else. But who's to decide one's right and the other's wrong? Let's stay "on record" that everyone's entitled to his own tastes and opinion.

## LEGAL NOTICES

VIRGINIA: IN THE CLERK'S OFFICE OF THE CIRCUIT COURT OF PRINCE WILLIAM COUNTY, NOVEMBER 6, 1951.

NATHANIEL FLEET, Complainant.

v. In Chancery.

CHARLES COTTMAN, Defendant.

The general object of this suit is to have the said Charles Cottman, defendant, to have no curtesy rights in the Fleet tract of 63.49 acres on Fuller Heights road, between Triangle and Quantico, Dumfries District, aforesaid County and State, but if he has to have the same commuted, and for general relief.

An affidavit and application having been made and filed as provided by statute that the defendant Charles Cottman is not a resident of the State of Virginia, it is therefore ordered that the said defendant, Charles Cottman, do appear before this court within ten days after the due publication of this order, and protect his interest, and that a copy of this order be published for four successive weeks in the Manassas Journal, a newspaper published and circulating in said county, and that a like copy be mailed the defendant at his last known address as set forth in said affidavit, and that a like copy hereof be posted at the front door of the court house of said county as directed by a statute.

WORTH H. STORKE, Clerk. A TRUE COPY: WORTH H. STORKE, Clerk. 29-4-c

IRVING E. TIER, Complainant.

v. In Chancery.

JNO. H. PERRY, Defendant.

The general object of this suit is to obtain for the complainant from the defendant a divorce a vinculo matrimonii on the grounds of willful desertion and for general relief.

An affidavit and application having been made and filed as provided by statute that the defendant, Jno. H. Perry, is not a resident of the State of Virginia, it is therefore ordered that the said Jno. H. Perry do appear before this court within ten days after the due publication of this order, and protect his interests, in the Manassas Journal, a newspaper published and circulating in the aforesaid county and that a copy hereof, by registered mail, be sent the defendant, at his last known address as set forth in said affidavit, and application and that a like copy hereof be posted at the front door of the court house as provided by statute.

## Nation Is Stocked

### On Poultry Meats

The nation is approaching the winter months with a well-stocked larder of poultry meats.

D. U. Livermore, poultry marketing specialist at V.P.I., says there were about 130,000,000 pounds of turkey, chicken roasters, and fryers on hand the first of October and that the peak is yet to come.

The supply of turkey totaled slightly more than 40,000,000 pounds slightly less than last year, but substantially more than in 1949. Cold storage of turkey usually reaches a peak in January.

If the pattern of the past few years holds good, turkey storage holdings should approach 100,000,000 pounds by December 1, and may hit a peak of around 125,000,000 pounds by January or February.

From then until mid-summer 1952, storage holdings will decline until the new 1952 crops begin to move to market.

The supply of 60,000,000 pounds of chicken roasters and fowl in storage is about 15,000,000 pounds in excess of holdings at the same time for the past two years. Holdings of roasters and fowl usually reach a peak around the first of the year.

A supply of nearly 100,000,000 pounds should be on hand January 1.

Storage holdings of broilers and fryers on October 1 totaled 20,000,000 pounds. Holdings of this type of chickens are never very large since the supply coming from farms is little affected by season. Broiler and fryer old storage holdings have varied this year between a high of about 30,000,000 pounds last February to a low of 15,000,000 pounds in August.

Storage holdings of broilers and fryers on October 1 totaled 20,000,000 pounds. Holdings of this type of chickens are never very large since the supply coming from farms is little affected by season. ## TRUE - BEAHM NUPTIALS

The Oakton Church of the Brethren was the scene Saturday evening, October 27 at 7 p.m. of the wedding of Miss Doris Louise Beahm, daughter of Mr. and Mrs. Ralph E. Beahm of Oakton to William John True, Jr., son of Mr. and Mrs. William J. True of Falls Church. The wedding was performed by Rev. Marvin Clingenpeel, before an altar decorated with white mums and candleabra.

The bride wore a white ballerina-length dress with lace insertions in the skirt and had a fingertip veil. She carried a New Testament with a white orchid.

Miss Rosa Lee Beahm was her niece's maid of honor. She wore a coral lace dress and carried a bouquet of roses and gladioli.

Robert True, brother of the groom, was the best man. The ushers were Richard Payne and Yancey Taylor.

Preceding the ceremony, Mr. Robert Beahm, uncle of the bride, sang "At Dawning" and "Because" and "The Lord's Prayer" at the close of the ceremony. Mrs. Robert Beahm was at the organ, rendering "Liebestraum", "Evening Star" and "Ah, Sweet Mystery of Life".

The bride's mother wore a beige dress and had a corsage of red roses. The groom's mother wore a dress of blue and had a corsage of yellow roses.

Following the ceremony a reception was held in the Church Hall. The couple then left for a wedding trip in the south. The bride wore for her going-away outfit a blue suit with black accessories.

The folks of the Aden E.U.B. Sunday School recently gave a nice shower for Mrs. James Hively and the new baby, Bruce. The little new arrival received many very nice gifts.

## News From Nokesville

MRS. FRED SHEPHERD, Correspondent

The ladies of the E.U.B. Church have been very busy lately with their needles. They are "on" their second quilt, have "pleced" one and tied two comforters and have another one about ready to complete. They find ready sale for them as fast as they can make them. The quilting is being done at the home of Mrs. Susie Smith.

## HARVEST FESTIVAL SUPPER

This will be a very busy weekend for the Nokesville Church of the Brethren folks. On Friday evening, beginning at 5:00 o'clock, the women of the church will be serving their annual Harvest Festival supper for the public will be year they are serving a turkey supper, complete with all the usual "trimmings". Along with the supper, the ladies have been busy for weeks making all kinds of articles for sale. There will be all kinds of aprons, homewoven rugs, the now-popular applebutter, embroidered scarfs and sets, hand-made dolls of various kinds, plenty of good things to eat (pies, cake, etc.), plenty of Christmas cards and stationery. On Sunday morning, Rev. D. D. Fleishman has chosen for the morning message at the 11:00 service, "It is good to be Here." During the service a special dedication ceremony will be held during which monetary gifts will be made toward the payment of the church debt.

In the letter recently "To the Editor", Mrs. Bowman unconsciously wrote Cpl. Rex Corbin instead of Sgt. Corbin. We all know that Rex is a Sgt. and regret we unintentionally made the mistake.

Mr. and Mrs. A. D. Sines spent Sunday with Mr. and Mrs. Nelson Hewitt in their lovely newly-purchased home in Maryland. Nelson and Mahala have been in it just one month.

Congratulations from all his Nokesville friends to Rev. Eugene Nolley of Bridgewater College on his being listed in the 1951-52 edition of Who's Who Among American Colleges and Universities. Both Eugene and his wife are two of the nicest people we know and we are always glad for their presence in our community.

We are so sorry to hear of the critical illness of Mrs. Jack Herndon and all who know her are so anxious for her recovery.

Mr. Carl Miller still continues to be very ill, we are so sorry to hear.

Mr. J. P. Smith, Sr., is still confined to his home, recovering from the mumps.

Mr. Saylor Diehl has recently had a letter from his son, Captain Ray Diehl who is now in the fighting in Korea. Ray doesn't write home many of his experiences for, as are most of the boys away from home, his family thinks he is very homesick.

Miss Carolyn Dennis of Seven Corners and Miss Marian Poole of Alexandria spent the weekend with the Fred T. Shepherds. Carolyn came "back home" to help Peggy celebrate her birthday. The Dennis family have a very nice little home on Noland Road, Laura, along with her work, is studying at George Washington University.

Mr. and Mrs. Charles Beahm and little son and Mrs. Daisy Crum-packer of near Roanoke and Miss Cora Beahm of Atlanta, Ga., recently visited the Beahm families here. They came especially to attend the wedding of the oldest Beahm grandchild, Doris Beahm of Oakton.

Mrs. Soph Morris, our second grade teacher spent the past weekend at her home in Front Royal.

Miss Alma Watts and Miss Edith Layman, the H. Ec. teacher in Manassas spent the weekend with Mr. and Mrs. James Donson and daughter, Andrea, of near Broadway, spent Sunday in the V. W. Zirkle and L. J. Bowman homes. Jimmy is a nephew of Mr. Zirkle and Madeline is a niece of Mr. Bowman.

Mr. and Mrs. John Zirkle and children, Donna, Philip, Douglas and Randall of Broadway spent Sunday with Mrs. Zirkle's sister and family, the D. D. Fleishmans.

Miss Jane Cole spent the weekend with her family at Chilhouse.

Cale Gibson of Leesburg spent Tuesday evening with Nokesville friends. He was to meet Mrs. Gibson in Manassas in the evening. She was returning from Huntersville, North Carolina, where she had been visiting her parents, Mr. and Mrs. L. S. Bigham.

## THANKSGIVING SERVICE

The annual Community Thanksgiving Service will be held at the school on Thursday evening, Nov. 20. Keep this date in mind for the service promises to make your evening worthwhile.

Miss Watt's homefolks at Low Moor, Virginia, which is near White Sulpher Springs, W. Va. While home she helped her folks move into their new home.

Mr. and Mrs. Leroy Browder, who live in the Cowne Apartment, spent the weekend with Mrs. Browder's folks at Bluefield, W. Va.

Miss Claudia Thomas of Madison College was the weekend guest of Mrs. Rita Beckner at the Bowman Apartments.

Winter Travel  
May Break  
Record—AAA

Vacation travel during the coming Winter months is expected to increase in volume as much as 25 per cent over last year, but travelers will be more inclined to "shop around" for bargains, according to Stanley T. Banks, supervisor of touring services, D. C. division, the American Automobile Association.

"During the past few months," the club official said, "the National Touring Department of the AAA has received 33 per cent more requests for Southeast travel publications than for the same period last year. This is a clear indication that more Americans than ever before are going to head for the sun-soaked climes of Florida and other warm Southern States during the coming Winter."

Mr. Banks said, however, that tourists, due to higher living costs and taxes, are spending more time shopping around for good accommodations. There is also evidence, he continued, that more travelers are spending only one night at resorts, then moving on to others, thus reducing the business of American plan resorts.
