## PAY TUITION FOR HIGH SCHOOL

### Supervisors Vote Allowance to Students From Districts Outside of Manassas.

At the regular monthly meeting of the county board of supervisors, held at the courthouse Tuesday, all members of the board were present. Of chief general interest, is the appropriation of \$1,200 to the Manassas district school fund with which to pay the tuition of pupils from other districts of the county who attend the Manassas high school, and the appropriation of \$75 as awards for the extinguishing of rats in Prince William.

John Stevens was granted permission to erect light poles and wires along the streets of Quantico, with the approval of Wm. Crow.

C. E. Clarke, J. L. Hinton and Daniel Alexander were appointed viewers to report on a change of the Neaboo road known as Black Hill.

Invoices of F. E. Kanadeh and H. W. Herring, assistant land assessors, were certified to the circuit court.

Permission was given the Standard Oil Company to lay pipe lines and erect storage tanks at Quantico.

The sum of \$75 appropriated as awards for rat extermination is to be divided as follows—\$5 for the largest number exterminated in each district, \$3 for the next largest number, \$2 for next largest number, \$1 for next largest number, \$15. The contest is to begin October 1 and close December 17, 1920.

A number of accounts were examined, and allowed and warrants were drawn on the county treasurer in payment.

A warrant was ordered drawn in favor of T. M. Russell, paymaster, for the sum of \$788.57 to be expended in improving the permanent road from S. R. Lowe's corner to Independent Hill, this sum to be replaced by the fund yet to be received from the state for this purpose.

Several appeals were taken by Commonwealth Attorney Lion to allowances made in certain pay to members of the board of supervisors and others.

A. S. Robertson tendered his resignation as a member of the board, same to take effect at once. This was referred to the circuit court for action.

The resignation of H. S. Lam, as superintendent of roads for Manassas district was tendered and accepted.

It was ordered that the next meeting of the board will be held Tuesday, October 12, 1920.

The bride was gowned in white chiffon over white satin, her veil being caught with orange blossoms. The maid of honor was Miss Pauline Hollick, sister of the groom, and the best man was Mr. Albert Sholters.

After the ceremony, a reception was given at the bride's home. The large spacious dining rooms were attractively decorated with large clusters of gladiolus and potted plants.

## COMMUNITY FAIR AT BETHEL

(By Miss M. L. Harrell, Teacher)  
On Friday, October 22, beginning at 9 a. m., the first Bethel Community Fair will be held at Bethel School. The neighborhoods participating are Ocoquan, Woodbridge, Remedy, Minnieville, Dumfries, Slatfield and Parcell. Exhibits must be in place by 9 a. m., as judging will begin at 9:30 o'clock, promptly.

It is hoped that the various schools within the territory of the fair will be well represented by the presence of teachers and pupils. A complete education cannot be obtained from books. To see the results of each other's efforts means much to boys and girls and is a spur to further efforts. Each school is invited to bring any desired exhibit of their work, and to have their own "yell" or song.

Everybody come, bring exhibits and dinner, and spend a pleasant day.

Ice cream will be sold for the benefit of the school.

HON. R. WALTON MOORE

Hon. R. Walton Moore, of Fairfax, representative in Congress from the eighth congressional district of Virginia, and Mr. J. G. Hiden, of Culpeper, democratic elector for this district, will address the voters of Prince William at the Courthouse on Monday.

## ELECT HIGH SCHOOL ATHLETIC OFFICERS

### Supervisors Thanked for Approving Sum for Students From Other Districts.

Owing to the limited capacity of the high school auditorium, the second assembly of this session, on Tuesday morning, was held at the courthouse. The chief business transacted was the election of officers of the athletic association.

After the opening prayer of Prof. W. H. Sanders, the constitution of the athletic association was read and explained. Miss Eugenia Osborn then announced the decision of the board of supervisors to appropriate \$1,200 to cover the expenses of tuition of all students in attendance upon the Manassas High School who live in districts other than Manassas.

On motion of Professor Sanders, a vote of thanks was taken by a committee of the school to the board of supervisors, expressing appreciation of their generous attitude to the cause of education in Prince William.

The remainder of the program was given over to a discussion of the fall plans for athletics and the election of the following officers:

President of athletic association—William Hill Brown, Jr.; vice-president, Miss Annie Cress; treasurer, Miss Willibette Myers.

Manager of football, Charles Trimmer; manager of track, William Hill Brown, Jr.; manager of baseball, John Marchant; manager of boys' basketball, Allison Hood; manager of girls' basketball, Miss Elizabeth Pope; manager of tennis, Miss Mary Cox, with Miss Elizabeth Covington and Rudolph Whitmore as assistants.

## MR. CLAUDE CUSHING MARRIED

Sunday afternoon at 2:30 o'clock at the Warrenton Baptist parsonage Rev. Mr. Harnden united in marriage Mr. Charles Claude Cushing, assistant cashier of the National Bank of Manassas, and Miss Harriett Elizabeth Boynton, of Upperville. The only attendant was Miss Adra Donohoe, of Manassas. The couple have engaged rooms with Mr. and Mrs. C. J. Timmons, where they will reside for the present.

Monday afternoon the remains of Albert M. Wrenn, of The Plains, passed through Manassas from Charlottesville, where Mr. Wrenn died late Sunday afternoon in the University of Virginia Hospital as the result of injuries sustained in an automobile accident that occurred outside of Charlottesville late Saturday night. In making a sharp turn in the road the Stutz car, with Mr. Wrenn at the wheel and four fellow students of the University of Virginia accompanying him, went through a fence and over an embankment, turning upside down. The occupants of the car were not injured.

## FOLLOW HEALTH RULES AND AVOID DIPHTHERIA

### Common Drinking Cup Should Be Banished, Says the State Board of Health.

"Banish the common drinking cup and you will have gone a long way toward getting rid of diphtheria and scarlet fever." This is the message that the State Board of Health is sending broadcast throughout Virginia now when the schools are re-opening and the season for those diseases is approaching.

The Health Department appreciates that there has been a very marked improvement in the situation relating to the diseases named above as well as other of the so-called non-spray borne type; but there is still room for improvement. As has been repeatedly stated by the State Board of Health, these diseases can not be acquired except by the transfer of secretions from the sick to the well; and by the "sick" is not necessarily meant those who show signs of illness, since many carry the germs of disease and yet exhibit no symptoms.

Among the means of transfer, the common drinking cup ranks as the chief; and that is why the board is urging its abolishment. It is an easy matter to fasten a drinking socket where there is running water and it is not so difficult to attach these to cups.

The Health Board does not want to see any school close this year because of an epidemic of diphtheria; and it feels that with no common drinking cup this disaster is not apt to occur.

## NEW MINIMUM POWER RATE

### Council at Monthly Meeting Raises Cost to Big Users.

At the regular monthly meeting of the town council held Monday evening, there were present Mayor W. Hill Brown and Councilmen D. J. Arrington, R. M. Jenkins, W. F. Hibe, J. L. Meier and O. K. Newman. Councilmen J. H. Burka, C. M. Larkin, E. Lynn Robertson and E. L. Byrd were absent.

Two trees in front of Mrs. J. R. Hornbaker's residence and one in front of Mr. C. J. Meester's are permitted to be removed on account of their decayed condition.

The request of Mr. R. L. Lewis for stringing of two telephone lines was referred to the Public Utilities committee.

The application of Mr. Goo, a relative of Mrs. Chandler of Buckhall, for the position of general superintendent of the power plant, was referred to the Public Utilities committee.

A transformer is to be sold to Mr. F. R. Spaulders for the cost of re-wiring.

The ordinance relative to charge for electrical power has been amended whereby the minimum rate is 5 cents per kilowatt hour.

## MISS KATHLEEN SPIES MARRIED SATURDAY

### Mr. R. E. Whitmore, Formerly Located Here, Claims Accomplished Bride.

A wedding that came as a surprise to many Manassas people was that of Miss Mary Kathleen Spies, daughter of Mrs. A. E. Spies, of Center street, and Mr. R. E. Whitmore, of Martinsville, Va. The ceremony was solemnized at the home of the bride Saturday night at 10 o'clock, Rev. A. A. Whitmore, father of the groom, officiating.

The bride, one of Manassas most accomplished musicians, was attired in a brown tulle-trimmed traveling suit and carried a bouquet of pink roses and orchids.

The event was the culmination of a romance begun a few years ago when Mr. Whitmore was assistant to Dr. E. C. Harper, county health officer. During the European war Mr. Whitmore was in the service, but now is engaged in business at Martinsville, where the couple will make their home.

Guests at the wedding were Rev. and Mrs. A. A. Whitmore, of Portsmouth, and Mr. and Mrs. Treadway, of Chatham, brother-in-law and sister of the groom.

## BRENTSVILLE

The Baptist Sunday School held its annual picnic on the church lawn last Saturday. The annual amusements, together with a bougeois dinner and plenty of ice cream, were the features of a very pleasant day.

Mrs. K. M. Bradshaw entertained the members of her Sunday School class and a few friends at her home last Saturday night. Every one reported a pleasant evening.

Two horses kicking others and injuring each so they had to be killed was the manner in which two valuable horses were lost here in the last few weeks. One of the horses was owned by J. M. Keys the other by O. W. Hedrick.

Mr. and Mrs. Paul Cooksey returned Sunday night after visiting friends in Washington.

Miss Ollie Holinger, of Washington, and Mr. Paul Holinger, of Baltimore, were Sunday guests at the home here.

Mr. David Keys has returned after visiting his sister in Washington.

Miss Mae Molair is visiting relatives in Alexandria.

Wednesday afternoon when C. & D. passenger train No. 5 pulled into Manassas, a heavy call was given out or a doctor to attend a young colored man who had been taken sick after the train left Alexandria. Mr. Ewell Evans tried to locate a doctor while the train was held but all were out. When he returned to the train five minutes later the colored man, whose name was not ascertained, was dead.

A physician on the train pronounced heart failure as the cause of death. A telegram found on the deceased indicated that he was on his way to Gordonsville in answer to a summons to come on account of a brother having

## SUDDEN DEATH OF MR. MACON CAVE

## VOTE FOR RACES AT COUNTY FAIR

### Volunteers to Be Called for to Endorse Notes to Meet Outstanding Debts.

At the special meeting called for stockholders of the Prince William Fair Association and held at the courthouse last Saturday afternoon the following resolution, by a vote of 73 to 22, was passed: Resolved that races be held at the 1921 Fair.

The meeting was called to order it was found that there were present 19 stockholders, representing 30 shares of stock, and 46 stockholders, holding 71 shares of stock, were represented by proxy.

Although a vote was taken, it was the sentiment of those present that next year's fair should be held for four days instead of for three.

The most advisable method of meeting the present indebtedness of the association was discussed and the following motion was passed:

That the proposed plan for meeting obligations of the association by issuing twelve notes of \$500 each, be published in the local papers and volunteers (three each) be called for to endorse these notes and sell the stock.

## WILL NOT TRY HALL

W. C. Hall, former State prohibition inspector, charged with the murder of Lawrence D. Hudson and Raymond Shackelford on the Valley Turnpike almost eighteen months ago, will not go on trial at Manassas October 4 when the Circuit Court convenes there for the session. Former State Senator Louis Wendenburg, who defended Hall twice before, when a hung jury resulted in both cases, and who has been engaged by Hall to defend him, made this announcement yesterday.

According to Mr. Wendenburg two important murder cases will come before the court at Manassas at its next term and it is impossible because of the stress of business to try the case. Hall is privately employing Attorney Wendenburg to defend him, having severed all connections with the Prohibition Department. For this reason the State cannot procure counsel for him to offer him any defense.

Hall, in company with Harry F. Sweet, W. C. Dunsenberry and J. H. Sullivan, shot to death Hudson and Shackelford on the Valley Turnpike when the two men, who were from Petersburg, were held up by the agents with an automobile, in which several hundred bottles of liquor were found. A dying statement of Hudson to the effect that neither he nor his partner shot at the officers but were shot to death by the officers, was made on account of a brother having

**A LETTER RECEIVED**  
 Warrenton, Va., Sept. 25, 1920.  
 The Prince William Journal,  
 Manassas, Va.  
 Gentlemen:—Please quote me rates  
 per inch on political editorials, relat-  
 ing to Harding and Coolidge.  
 The copy to be sent you each week  
 and to be run on the editorial page in  
 editorial columns in each issue of The  
 Journal.  
 This matter is now being taken by  
 other weeklies in the District and  
 there will be one half to one column  
 each week.

Yours very truly,  
 JOHN B. GRAYSON,  
 Chairman Eighth Congressional Re-  
 publican Committee of Virginia.

**AND OUR REPLY**  
 Manassas, Va., Sept. 27, 1920.  
 John B. Grayson, Chairman Eighth  
 Congressional District, Republican  
 Committee of Virginia, Warrenton,  
 Va.

Dear Sir:—Is there really a paper in  
 the eighth congressional district tak-  
 ing your political "editorials" relating  
 to Harding and Coolidge and, for a  
 price, running them on the editorial  
 page in the editorial columns? Your  
 statement to this effect is hard to be-  
 lieve; we hope no member of our frater-  
 nity in Northern Virginia so lightly  
 regards the sanctity of the editorial  
 columns.

You knocked at the wrong door  
 when you sent us your letter of Sept.  
 25th. You have not at your command  
 money enough to buy one line in our  
 editorial columns. As an advertiser,  
 to take the run of the paper, with the  
 word "advertisement" at the bottom  
 as required by law, we will quote you  
 rates on your "editorials" upon appli-  
 cation.

Your letter, we consider an affront  
 to the country press. There are  
 better and cleaner ways of spending  
 campaign funds than trying to induce  
 the poorly paid country editor to sell  
 his honor for a mess of Republican  
 porridge.

Very truly yours,  
 THE MANASSAS JOURNAL,  
 C. W. WAGENER, Editor.

**THE DAY OF COMPLEX LIVING**  
 How often in the rush and bustle of  
 present day living do you stop and  
 sigh for relief from the strenuous  
 pace? How often do you feel your  
 nerves tightening as you keep going  
 hour after hour at full speed? Is this  
 the way the creator intended man to  
 live, you ask?

After all, haven't the majority of us  
 the wrong conception of life? Surely,  
 with the almost total eclipse of home  
 life and the happiness that comes  
 from simple living, the goal of "get-  
 ting on" does not offer the peace and  
 contentment that many seek. The in-  
 dividual has not yet lived who has  
 "realized" on his plan to accumulate  
 and then enjoy.

While ambition to succeed is essen-  
 tial to an individual's and a nation's  
 progress, such an ambition should not  
 be all-consuming, neither should it be  
 placed above the resolve to live each  
 day to its fullest, as each day rolls  
 around. And to live life to its fullest,  
 nothing takes the place of simple,  
 home life, where love attends the tasks  
 of every member of the household.

Better to die a pauper and have  
 learned the fundamental truths of life  
 than to be buried in a golden casket  
 with all the pomp of an emperor and  
 go down in history as one whose chief  
 aim in life was to accumulate money.

September days are sad ones for the rosy checked school  
 boy except for the compensations provided by bent pins and  
 bean shooters. Although "Rudin", "Ritin" and "Rithmatic"  
 days are over for many of us, there are still many knotty  
 problems to be solved—how to sell the most goods with the  
 least expense, is one that bothers most business men.

 your problems.

IN MEMORIAM

In sad but loving remembrance of my dear mother, Mary Petty, who died November 30, 1916.

In the graveyard, sweetly sleeping,  
Where the trees so gently wave,  
Lies my own dear mother,  
Cold and silent in the grave.  
Farewell, mother, is a solemn word  
Which thrills every heart,  
But, oh! it is the will of God,  
Dearest ones must part.  
My dear mother laid to rest,  
Safe in the arms of Jesus,  
Safe on his gentle breast.  
By her daughter, ALICE CORNWELL.

The Ford Motor Company makes this reduction in the face of the fact that they have on hand immediate orders for 146,065 cars and tractors. The Company will suffer a temporary loss while using up the material bought at high prices. They are willing to make the sacrifice in order to bring business back to a going condition as quickly as possible and maintain the momentum of the buying power of the country. Henry Ford Says: "The war is over and it

is time war-prices were over. There is no sense or wisdom in trying to maintain an artificial standard of values. For the best interest of all it is time a real practical effort was made to bring the business of the country and the life of the country down to regular pre-war standards."

We are at your command, with regular Ford efficiency in service and eagerness, to fill your orders.

**HAYMARKET**

Rev. Edward Taber preached a fine sermon in the Baptist Church Sunday. In part, he left the following message with his hearers.

Christ is a character of many angles. The universal appeal of the gospel is largely due to its many-sidedness. This appeal is not to a limited sect but to all classes and conditions of men.

Perhaps the most striking of Christ's many qualities is His mercy. For hypocrisy and sham Christ had only the bitterest denunciation, but for the man made miserable by his own evil doing, He has words of sympathy and mercy. The gist of Christ's message is forgiveness.

The Haymarket school opened Monday with Rev. Edward Taber as principal. His assistants are Miss Moorhead, Miss Scott and Mrs. J. E. Jordan. The present outlook is for a very successful year. The people of Haymarket are urged to give the school their cordial support, as, in these days when Americanism and common sense are especially needed, the school is most important.

While some small children were playing with matches at the home of Mr. and Mrs. Walter Robinson at "Wayside," the bed clothes in the room were set on fire, causing rather severe burns on their four weeks' old baby, which was lying on the bed. It is thought that the child is now out of danger.

Mr. E. H. Hunt, a former townsman, has arrived from Quantico to take charge of the Haymarket Pharmacy for the present.

Mr. A. R. G. Bass, while working in the left of the barn on the place where he temporarily resides, stepped on a board which gave away, causing him to fall in such a manner as to injure the small of his back. It is thought, however, that Mr. Bass' injury is not serious and that he will be out again in a few days.

Mrs. S. G. Thornton, accompanied by her daughter, Miss Frances, spent last week in Lynchburg. Miss Frances has matriculated as a student in the Southern Seminary, Buena Vista.

Mr. R. B. Gosson, of Waterfall, was a caller here Wednesday in connection with the registration of women who wish to vote in the November election.

Several children took part in the exercises held at the Baptist Sunday School last Sunday morning.

Miss Ruth Hulfish and maid are in Richmond as the guest of relatives including Mrs. T. Ryland Dodge. Miss Hulfish will attend the state fair while in Richmond.

Miss Lucy Mayhugh, of Greenwich, is the guest of Miss Alma Brady for a few days.

Mr. and Mrs. Daniel Garrett visited Mr. J. W. Garrett the past week-end.

Mrs. Lyons and Mrs. Burton entertained several friends from Washington Sunday. The party, which motored to Haymarket, included Mr. and Mrs. S. O. Fox, Mr. and Mrs. George Deem, Miss Beattie Lynn, Mr. and Mrs. Carey C. Ritenour, Mr. and Mrs. Lee McGunigal and family, Mr. and Mrs. S. B. McGunigal and daughter, Miss Helen, Mrs. H. S. Hessel and daughter, Miss Alice, also spent the day with Mrs. Lyons.

Miss Kate Garrett is attending the Haymarket High School this year.

Mr. and Mrs. Geo. W. Hartley motored from Washington and spent the past week-end with Mrs. Lyons.

Mrs. J. W. Bell visited her daughter, Mrs. Katherine Prince, in Lynchburg, the past week.

Mrs. Fannie B. Herrall, of Washington, with her little granddaughter, Miss Theima Herrall, has been spending the past two weeks with her daughters, Mrs. Lyons and Mrs. Burton, of Haymarket, and Mrs. H. S. Herrall, of "Snow Hill."

**What Kills A Storage Battery**

IF YOU let a windmill tank be nearly empty repeatedly the storage will soon fall to pieces. Recharging a storage battery below the danger point, repeatedly has a further effect on the battery plates. A dangerous point does not permit this long before they are exhausted to the point that the Automatic Careless' automatically starts the generator recharging and stops it automatically when the batteries are full.

# Special Notice To Farmers

One of the most important things ever done by the Agricultural Experiment Station of North Carolina was a test to determine if National Hog Remedy has any value to the Farmer. A bulletin issued about June first tells that in a series of tests some figures were brought out that are startling.

Fifteen pigs of similar weight were bought for a test that was continued at the Raleigh test farm 88 days. One lot of these pigs were given National Hog Remedy and another lot was given the same feed but no remedy.

In the lot where the National Hog Remedy was given the hogs gained .70 of a pound each. In the lot where nothing was given but the feed the hogs gained only .47 of a pound.

Two hogs on National Hog Remedy increased in weight on the same ration as much as three hogs did without it.

Furthermore this test showed and stated that by using National Hog Remedy a saving was realized of approximately \$3.00 on each hundred pounds increase in live weight.

National Hog Remedy is sold by all dealers at One Dollar a package. In case your dealer cannot supply you kindly send us your name and we will see you get it. We do not use a filler to enlarge the package and we use high grade chemicals only.

**REV. T. D. D. CLARK REMAINS**  
At a congregational meeting of the Manassas Baptist Church, called by the pastor, Rev. T. D. D. Clark, Sunday morning to take action on the letter of resignation tendered by him early in August, Mr. Robert A. Hutchison was called to the chair. The letter was read to the church by Mr. L. Ledman, a member of the board of deacons. After due deliberation the congregation decided that the ground on which the pastor proceeded in resigning, namely, old age, was untenable and, therefore, the resignation should not be accepted. Majorities when unanimous prevail, hence the pastor remains.

**CARD OF THANKS**  
For the kindness and words of sympathy shown during the illness and upon the death of my husband, Dr. J. C. Meredith, I wish to express my deepest appreciation.  
MRS. EVA MEREDITH.
