THE DIXIE

SATURDAY, JULY 1 DUSTIN FARNUM

"IRON TO GOLD" In "Iron to Gold" the star enacts the role of a singularly attractive outlaw—in brief, an outlaw who is not a criminal, but a man hounded by the law unjustly. And through the tale runs a romance as delightful as the plot is thrilling. There is some delicious comedy in the picture. Pathe News. Admission, matinee, 5c-10c. Night, 10c-25c.

TUESDAY, JULY 4 DOUGLAS MACLEAN

"PASSING THRU" It's a paramount picture. Billy Barton, the leading character portrayed by Mr. MacLean, first draws a sentence to the penitentiary through having assumed the blame for a bank theft of which he was entirely innocent. Before he is placed behind the bars, however, he makes his escape in a spectacular train wreck and seeks refuge in the village of Culverton. Here, befriending a lazy mule being beaten by her master gets him into more difficulties, and his misfortunes continue to pile up until the final scenes of the story when a deluge of good luck more than evens the score. A much better picture than "One a Minute." Also Harold Lloyd's comedy. Admission—Matinee, 10c; night, 10c-25c.

THURSDAY, JULY 6 ETHEL CLAYTON

"WEALTH" Miss Clayton is noted for the superiority of the gowns which she wears in all of her pictures, but in no previous production has she worn costumes as stunning as those which she displays in "Wealth." They constitute a veritable display of the latest creations of the most famous Parisian modistes and every woman admirer of Miss Clayton will relish the showing. The story is dramatic and the various scenes are thrilling and appealing. Herbert Rawlinson heads a strong supporting cast of players. Admission—Matinee, 10c.; night, 10c-17c.

SATURDAY, JULY 8 DAVIS MAY

"FOOLISH AGE" "The Foolish Age" is based upon an idea that lends itself admirably to rapid-fire comedy. For instance, Miss May interprets the part of Margie Carr, the debutante daughter of a fond and wealthy father. Said father desires to have his daughter's marriage regulated by the wealth of his prospective son-in-law, but Margie intends to have it some other way. She has a big idea. She wants to uplift the poor and downtrodden. So she quits the college she has been attending, and puts her idea into effect. This opens the way to scores of laughs. One of the best comedy features that has been released recently. Admission—Matinee, 10c.; night 10c-25c. Special matinee week.

COMMERCIAL APPLE CROP Promises a Yield of Over 1,000,000 Barrels—Below Normal. A recent survey made by the Virginia Reporting Service indicates that the commercial apple orchards will have 28 per cent of a full crop, or 1,066,000 barrels. The commercial crop last year was almost an entire failure; in 1920 there were 1,988,000 barrels, and in 1919, 1,653,000 barrels, and 1,855,000 the average for the five years 1916-1920. The present outlook for the apple crop is somewhat less than was expected a month ago. However, the production will be nearly 60 per cent of the average produced during the five years 1916-1920. The June drop has been rather heavy, owing to damage from the spring frosts and freezes and to unusually severe injury from aphid, scab and cedar rust. Several sections in Nelson, Albemarle and Patrick counties suffered considerable damage from hail.

*The Standard of Comparison*

### Why Buick Cushions "Ride Easy"

Buick cushions are comfortable on all roads because of their "double-deck" springs and resilient hair pads. The upper springs, which are light and easy-acting, yield to the slightest road irregularity. The lower springs are larger and stiffer. They come into play on rough country roads, carrying the passenger in comfort over bumps which cause the ordinary seat to "strike bottom".

Between the springs and the French-plaited leather upholstery are two thick, yielding pads of interlaced hair which positively prevent "lumping".

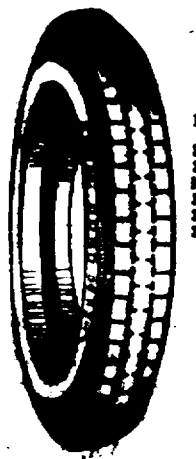

In Buick seat cushions, as in every other part of the car, is built the quality which has made Buick cars the standard of comparison.

#### BRENTSVILLE

A large crowd attended the Children's Day exercises at Hatcher's Memorial on Sunday night. A good program was rendered.

The ladies of the Brentsville Kensington will have a social at the school house next Saturday night.

Mrs. Alice Goldrose, of Manassas, spent the week-end with her cousin, Mrs. Paul Cooksey.

Mr. and Mrs. Lewis Jamison are the proud parents of a fine boy, who arrived June 21. He will be called Benjamin Lewis.

Mrs. John Seymour is on the sick list this week. We hope for her speedy recovery.

Mr. and Mrs. Roy Molair, who for the past year have made their home in Alexandria, have returned and opened their home here.

Mr. Walter Sloper, of Washington, visited Miss Easle Cornwell at the home of her aunt, Mrs. T. H. Cooksey, last Sunday.

Mr. and Mrs. G. D. Keys are spending some time in Washington.

A number of our people attended the Sunday school convention at Orlando last Sunday.

Miss Martha Payne, of the Hoadly neighborhood, is visiting Mrs. Pearl Pearson.

There is a ball game scheduled for the home diamond this Saturday. Come out and cheer for our team.

Quite a number from here accompanied the ball team to Buckhall Saturday, where they again defeated the Ferndale team 9 to 6. The feature of the game was the "twirling" of our promising young pitcher, Cash Keys, who pitched the whole game, allowing only three hits. The Ferndale boys worked hard, played hard, and argued hard, but our boys were evidently too much for them.

#### CLIFTON

Celebrated Children's Day. The Presbyterian Sunday School celebrated children's day at 7 p. m. Sunday with a program of songs, recitations and a couple of plays. The theme throughout was "Children of the King." A collection of \$12.44 was given for Sunday School missions, which was sent Monday to the Secretary of Sunday School work of the Presbyterian Church.

Mr. and Mrs. Winfield Clinton have returned from their wedding trip and are at the home of Mrs. West, Mrs. Clinton's mother. Mr. West is filling Mr. Clinton's position on R. F. D. 1.

Mrs. Burnside, of Washington, is visiting her daughter, Mrs. George Kidwell.

The farmers are busy getting in hay and wheat, both of which promise good yields, especially wheat. The weather has been very favorable for getting the crops housed.

Mr. Willard Webb left Sunday night to join a surveying party in New Mexico, to be gone for six months. He will then return and enter the school in Washington at the end of his work in New Mexico.

Miss Effie Adams is at Atlantic City for her vacation.

Messrs. Buckley, Irvin and Lewis Quigg, Paul Quigg, Jack Detwiler and Robert Cross were among those visiting the bathing beach in Washington Sunday afternoon.

Miss Christine Ferguson is a Clifton representative at the University Summer school at Charlottesville.

Mrs. C. E. L. Hodge was a Clifton visitor last Sunday, arranging for a summer class in instrumental music.

The Clifton base ball team again played the Fairfax boys Saturday, and this time the score was reversed, being 17 to 13 in favor of Fairfax. Being tied now, they will have to have another game to determine which is the best team.

Miss Helen Arthur attended the agricultural club rally at Manassas on Saturday.

Mr. M. Bruce Whitmore and Mr. J. C. Parrish, of Manassas, accompanied by Mr. Pennywitt, of Chicago, were in Gainesville on Tuesday. Mr. Pennywitt is looking forward to purchasing a farm in Virginia and seemed favorably impressed with Prince William county.

Can we organize a Prince William County Poultry Association? There is some fine poultry in Prince William county, and the industry is in its infancy. There is scarcely a home where chickens are not raised.

Special Committee Of The Farm Bloc

Left to Right—Charles L. McNary, Oregon; Claude A. Swanson, Virginia; Arthur Capper, Kansas; Edwin F. Ladd, North Dakota; John B. Kendrick, Wyoming; Wesley L. Jones Washington; Pat Harrison, Mississippi.

This Committee was selected from the Farm Bloc in the United States Senate to formulate and draft a bill which will provide a method for adequate credits to the farmers of the country. Many suggestions have been made and various bills have been introduced, but none seem to meet all the requirements, and so the special committee was chosen to consider what kind of a bill was necessary. The Farm Bloc has been very successful in securing legislation of benefit to farmers, and whenever the bloc agrees on a bill that bill is almost sure to become a law. The special committee expects to prepare a bill which will pass before the end of the present session.

The seven members of the subcommittee have been noted as friends of the farming interests during the time they have been in public life. All of them represent agricultural states. Several of them have been engaged in agricultural pursuits. Senator Swanson, of Virginia, is particularly well qualified for service on this committee, as he lived on a farm during his youth for sixteen years and now owns a farm of 559 acres two miles from Chatham, Virginia, which he operates. Long experience makes him personally acquainted with the needs of farmers. Senator Swanson served for ten years on the Ways and Means Committee of the House of Representatives, and is therefore well acquainted with financial matters. To Senator Swanson more than any one else should be given the credit for rural free delivery, parcels post, and Federal aid to good roads. He was an earnest advocate of Federal farm loan banks and the extension of credits to farmers. Senator Swanson is a member of the Democratic Steering Committee of the Senate, which Committee largely controls and directs the Democratic policy in the Senate, and hence measures and legislation advocated by him will have substantial Democratic support.

Advertisement for USCO tires. Text: 'How did your neighbor's last bargain tire turn out? PROBABLY you know at least one car-owner who is always on the look-out for the cheapest tires he can find. He likes to get them by mail or at a sale or at some place where they have big red bargain signs over the door. It would be fine if he could get "the edge" in every tire trade. But the dealer can't afford to let him have it. Even if a man saw any slight percentage in tire shopping at all—it disappeared when the "USCO" brought the price down. A standard product—and the dealer sells it with pride. A good tire. The dealer has no desire to trade you into a larger profit for himself. United States Tires are Great Tires. Copyright 1922 U. S.
