Oh, You Hammond!

Hammond Feed always runs as high and higher than claimed by its manufacturers. There has been a great revival in the feed line in this county in the past few months - Chris Meetez has been doing the preaching and Hammond Dairy Horse Feed has been his text. The named brand convert has been large—more coming every day—Coming to Stay. Hammond leads others follow. Hammond is not made of oats, but pure grain by-products. We fear no competition.
