DR. ROOP AND GUESTS

DEATH FLOOD IN FLOOD

date of Dr. N. H. Roop, the prominent residents of the community. The funeral was attended by a large crowd who followed the remains to the cemetery.

At the request of the family, the remains were placed in a casket and the funeral service was conducted by Rev. W. H. Roop.

The funeral was attended by many friends, who paid their last respects to the deceased.

THESE ARE OTHER FEEDS—but
Oh, You—Hammond!

Hammond Feed always runs as high and higher than claimed by its manufacturers. There has been a great revival in the feed line in this country in the past few months. Chris Meetze has been doing the preaching and Hammond Dairy Horse Feed has been his text. The number of converters has been larger—more coming every day—COMING TO STAY TOO. Hammond leads, others follow. Hammond is not made of stuff, but pure grain by prod- ucts. We fear no competition.

The Penn-Vir-Coal Oil and Gas Company has placed its primary focus on the development of oil and gas reserves in Maryland, Virginia, and West Virginia. The company has a significant portion of its operations dedicated to the extraction and refining of coal and oil. The company has a strong emphasis on environmental sustainability and is committed to reducing its carbon footprint. The company's operations are conducted in compliance with all applicable federal and state regulations.

The company's success is attributed to its commitment to innovation and efficiency in all aspects of its operations. The company has invested heavily in research and development to improve its processes and reduce its environmental impact. The company is also committed to providing a safe and healthy work environment for its employees. The company's dedication to excellence has earned it a reputation as a leader in the industry.

The company's commitment to its employees is evident in its comprehensive benefits package, which includes health insurance, retirement savings plans, and paid time off. The company also provides opportunities for professional development and career advancement. The company's culture is built on collaboration, respect, and a strong sense of community. The company's leadership team is dedicated to leading the company towards success while maintaining its commitment to its employees, customers, and the environment.
Answer This Question

When shoes promise positive and reliable proof that a certain remedy had cured numerous cases of female ill, wouldn't any sensible woman conclude that the same remedy would at least benefit her suffering with the same trouble? Here are two letters which prove the efficiency of Lydia E. Pinkham's Vegetable Compound.

Anchorage, Maryland: "I feel my daily duty to say a few words expressing my very sincere gratitude to Miss Pinkham for her wonderful Vegetable Compound. My cheeks are now as red as a rose, and my heart is filled with joy."

Erie, Pennsylvania: "I have been using your Vegetable Compound for months, and I am well satisfied with the results. My fever has been greatly diminished, and my energy has increased."

We will pay a handsome reward to any person who will gather documentation proving that either of these products were falsely advertised or that their testimonials, or that the letters are published without their permission, or that any original letters from which this statement was taken have been altered or falsified.

ABRUD PROCLAMATION

In an address before the recent Bi-centennial Convention of the Woman's Christian Temperance Union in Manhattan, Mrs. W. W. Williams of Warrensburg, revealed a golden truth when she declared that "we can never say any one into the Kingdom of our Lord but oft we can pray them in." She might further have said that the dry-bones apotheosis is to be found first most frequent and then prayed for, but she stated the main fact that forbearance, not fault-finding, is the power that attracts to salvation. A meek defensiveness, considered the golden rule of salvation from the world that he would fight. It is the same contrast right against right, that strikes the discordant note. Nagging is in the air, every effort is made to leave in the air, every effort is made to leave
