White Loaf Flour
HAS MADE MILFORD MILLS FAMOUS

Why not keep your money in the County? Why do you buy flour from other mills that never sold a penny worth of flour? Why not buy from your own mill and support the company that spends all he has to spend in the county? Order those three mills going, and if you want one that may, you will find one for the price. We are all the time and to the same trade. I have regular customers for White Loaf Flour. It has been used all over the county and you will find a lot of people in the market for it. If you want a good product, you have come to the right place.
