White Loaf Flour
HAS MADE MILFORD MILLS FAMOUS

Why not keep your money in this County? Why do you buy flour from other mills they carry that a penny's worth with you? Why not buy your own flour from the mill that made the country?

One mill has flour good, not at your own mill, you will find out for yourself. If our flour is not up to your standard, we will give you a refund. You can save money by using our flour, and we will give you service that you cannot get from any other mill in the county.
