White Loaf Flour
HAS MADE MILFORD MILLS FAMOUS

Why not keep your money in the County? Why do you buy flour from
other mills that never do a penny's worth of work here? Why not buy
your flour here and save a dollar or two, where it is all but paid for in the country?
Our flour has made good, and if you will let it show its worth, why won't you try it?
If our flour goes out of style, we will not be a mill and stay here. Then you can
try another style of flour. We stand ready to serve those who prefer this kind.

Hammond Dairy and Horse and Mule Feed

stands head and shoulders above all others. We are ready to put it up against
any flour of its kind in the country. We have only produced it for two,
so much, I can understand. Nothing equals it for bulk and rep

One Advantage of a Red Head.

BY F. A. MITCHELL.

The man with a red head is not noted for his shrewdness, nor for his sagacity, but he has one advantage over all other men. It was not a case which occurred to me, but I heard of it after it happened, and I thought it was an explanation of the man with the red head.

It was a case in which a man had a horse stolen. A red head said, 'I'll find the man.' 'Well,' said the man, 'I'll be the judge.' 'I'll find the man,' said the red head. 'Who is the thief?' asked the man. 'The thief,' said the red head, 'is the person who has the horse.'

I have been able to verify the information given me by the man with the red head, and I think it is one of the best arguments for the man with the red head.

The order issued by the President in the case of Henry the thief is a case which is a matter of record, and I think it is an argument in favor of the man with the red head.
