White Loaf Flour

HAS MADE MILDORD MILLS FAMOUS

Why can't you keep your money in the Country? Why do you buy flour from mills that never deal with people who work with you? Why buy from your home mail and your own extraneous, who spends all his time in the country? Our flour is the best, and it can be had for the asking. If our flour was not up to date, why would we be grinding and selling it at all? It has been a long time since we have had a customer who had been using all kinds of spring wheat and fancy flour, and we are not ascendant with those who speak highly of it.
