CURRENT EVENTS

As Power, Stability and Wheel-base are the Leading Features in Any Automobile

The Flanders-20, the E.M.F.-30 and Studebaker-40

before you buy a motor car. If you have had experience, or have listened to the experts, then you will be able to judge the advantages of these cars. They offer a new type of car which is both practical and economical. The Flanders-20 has a speed of 40 miles per hour, while the E.M.F.-30 has a speed of 30 miles per hour. The Studebaker-40 has a speed of 20 miles per hour.
