White Loaf Flour
HAS MADE MILFORD MILLS FAMOUS

Why not keep your money in the County? Why do you buy flour from
other mills that never had a penny's worth with you? Why not buy your
home mill and your own custom, who spends all his time here.

Our flour has made good, and if you will only try it, you will find out for your
self. If our flour was not to your taste, why would we be growing and selling
its lines and so much more to the people? I have regular customers for White Loaf
who had been using all kinds of spring wheat and hard part flour. We must
want our own milling down the right line.

Hammond Dairy and Horse and Mule Feed
stands head and shoulders above all others. We are ready to put it up against
other feed for a deal. For a deal. A deal. 3 ears ordered. Nothingague it for milk and cream.

WOMAN IS BALLOONIST.

Captain Emery MacWorter
To Try Fight from New York

Cape Fear, N. C., March 14. - About two hundred people witnessed a balloon flight today from this point to Wilmington, N. C., and returned. Captain Emery MacWorter, of this city, started a balloon from this point at 12 o'clock, the hour the government had allowed him. The wind was from the south west at the time, and the balloon started south and east. Captain MacWorter, a veteran of the Civil War and a member of the National Aeronautic Society, is one of the most prominent members of the society. He is well known in the scientific world and is regarded as one of the best balloonists in the country.

Miss Charlotte Goode, a young
girl, was burned to death in her room in the Goode Hotel, New York, at 12 o'clock, this morning, after being on fire about half an hour. She was discovered burning in her room by a lodger, who made every effort to rescue her but was unsuccessful. The cause of death is believed to be a kitchen fire. Miss Goode had been staying in the hotel for about a week. She was a native of Georgia and had come to New York about six months ago.

A SURPRISE FOR FARRAGUT.

The Admiral - While the Yankee Staff
Was Under the Impression
His Ship Was Near the
High Water Mark,

The Admiral's visit to New York was a surprise to the people of the city. He had been expected to arrive at the time the Yankee Staff was in the city, but the Admiral arrived at the harbor before the Yankee Staff. The Yankee Staff, however, was not taken by surprise, as they had been informed of the Admiral's arrival. The Admiral was received with great honor by the city, and was entertained at a banquet by the Mayor and other prominent citizens.

The Afternoon Visit

The Yankee Staff was entertained at the Mayor's residence in the afternoon. The Mayor gave a speech in welcoming the Yankee Staff, and then the Yankee Staff gave a speech in return. The speech was received with great applause.

The American - The Yankee Staff
Was Under the Impression
His Ship Was Near the
High Water Mark,

The Yankee Staff was under the impression that their ship was near the high water mark. This was not true, as the ship was in the harbor. The Yankee Staff was received with great honor by the city, and was entertained at a banquet by the Mayor and other prominent citizens.

THE EVERGLADES.

The famous Everglades have attracted the attention of the world for many years. The Everglades are a region of marshy land, which is covered with water during the rainy season. The Everglades are a region of great beauty, and are a favorite resort for the tourist.

One of the strangest facts about the Everglades is the presence of alligators. The alligators are found in the Everglades in great numbers. The alligators are a dangerous animal, and are a threat to the safety of the tourist.

The Everglades are a region of great beauty, and are a favorite resort for the tourist.

The Virginia Publishing Company (Inc.)  

THE ELECTION  

The people of Prince William County have repudiated  
ring rule and chosen public servants in whom they have  
the fullest confidence. In other words, this election is a  
political housecleaning. This election heralds the dawn  
of a new era in the history of Prince William County, and from  
now on the people shall rule, and reign the empire of  
oligarchy. Much is expected of the newly elected officials,  
but they will fulfill their duties conscientiously, always  
serving the best interests of the people, as they are  
represented by the common people. They have reason to  
be satisfied, and the people are bound to be proud of this  
choice. 

A CARD  

To THE DEMOCRAT:  

Permit me to announce through the people's medium that I feel duly appreciative for the kindness of the good  
citizens of Prince William County, and that the success  
accorded me is not a personal success but an achievement  
of the people and to all credit is due. 

Respectfully yours,  

THOS. H. LOWN.  

PREPARE FOR REUNION  

Next week, on the 28th, we shall observe the anniversary  
of the birth of Brother William. It is a day of great  
importance, and the people of the county will come  
together to pay their respects to this great man. 

CONFEDERATE MEMORIAL DAY  

May 31st, 1865, marks the end of the Civil War and the  
beginning of a new era. The day is celebrated in memory  
of the brave soldiers who fought for the Confederacy. 

CRUSADE FOR CLEANLINESS  

On Sunday, May 29th, we shall hold a Crusade for  
Cleanliness. The event will be held at the Court House  
Square, and all citizens are encouraged to participate.

HAS MADE, MILFORD MILLS FAMOUS

Why not keep your money in the County? Why do you buy flour from other mills that never deal a penny's worth with you? Why not buy from your home mill and your own tin Alley, who spent the days of his youth in the woods and fields of Tolland County? Our flour has made good, and if you will only try it, you will find out for yourself. If our flour was not up to date, why would we be grading and selling it at the same time? We have regular customers for White Loaf, who have been using all kinds of spring wheel and fancy patent flour. We must spend our money with those who spend theirs with us.
