SCHOOL BOARD ADOPTS BOUNDARY RESOLUTIONS

UNION BANK ENHANCES THEIR BUSINESS

The Manassas Union Bank and Trust Company has announced its intention of increasing its business by offering a new and improved service to its customers.

The bank has decided to extend its hours of operation in order to accommodate the needs of its customers. In addition, the bank has also requested the approval of the school board to divide the county into new school districts.

Lucy E. Green, President of the Union Bank, expressed her confidence in the success of the new plan and stated that the bank is ready to serve its customers in the best possible manner.

Despite the recent cuts in postal savings deposits, the bank continues to be a popular choice among customers due to its friendly and knowledgeable staff.

The school board meeting is scheduled for next week and is expected to discuss the proposed boundary changes in detail.

Monsieur de Nicholas, mayor of Manassas, and Mrs. de Nicholas, a sister of the Corn Chief, paid a visit to Manassas.

From a blazing tour of the city, they were met by a delegation of citizens who expressed their welcome.

The tour included a visit to the shops of local business men, and a meeting with the Manassas City Council in their Hall.

Despite the biting winds and cold temperatures, the citizens of Manassas turned out in large numbers to welcome the visitors.

The tour ended with a dinner hosted by the Manassas Business Men's Association, which included a speech by the mayor of Manassas.

TURKEY PLENTIFUL FOR THANKSGIVING

PRICE IS 18 TO 20 CENTS A POUND

Wild turkeys will be plentiful this Thanksgiving, according to the Department of Agriculture.

The price of turkeys is expected to be around 18 to 20 cents a pound, which is lower than last year.

However, there is a concern about the quality of turkeys due to recent reports of bird flu in the poultry industry.

For further information, please contact the Department of Agriculture at (555) 123-4567.

WHITE LOAF FLOUR
HAS MADE MILFORD MILLS FAMOUS

Why, not keep your money in the County?—Why do you buy flour from
other mills that never deal a penny's worth with you?—Why not buy from
your nearest mill and your own customer, who spends all he has to spend in
the county?—Our flour has made good, and if you will only try it, you
will find out for yourself. If our flour was not up to date, why would we be
grinding and selling it all the time and to the same trade? I have regular customers for White
Loft who had been using all kinds of spring wheat and fancy patent flour. We must
spend our money with those who spend their's with us.

MORE BEEF IN SOUTH

Many Southern Men Will Cast

News Stand is Full of Editions

The work of disseminating the "Non-
Beefer" is progressing rapidly in the South, and our papers fill to
the brim with the news of the work. There are few papers that are
not publishing an edition devoted to the "Non-Beefer". The Editor of
the "Manassas Gleaner" has been publishing a monthly supplement
for some time, and he has recently undertaken the publication of a
weekly edition. The "Richmond Free Press" also publishes a weekly
edition devoted to the "Non-Beefer", and the "Richmond Daily News"
has been issuing a daily edition devoted to the "Non-Beefer".

A new feature of the "Non-Beefer" movement is the publication of
newspapers devoted exclusively to the "Non-Beefer". The "Richmond
Free Press" has been publishing a weekly edition devoted to the
"Non-Beefer" for some time, and the "Richmond Daily News" has been
issuing a daily edition devoted to the "Non-Beefer". The "Manassas
Gleaner" also publishes a weekly edition devoted to the "Non-
Beefer", and the "Richmond Free Press" has been publishing a weekly
edition devoted to the "Non-Beefer" for some time.

The "Non-Beefer" movement is gaining momentum, and it is
expected to continue to grow in the coming weeks.
