SUCCESS

SUCCESS means rising at five o'clock in the morning, rising at 5:30 if you own two. Raising your own tomatoes and smoking with other people.
SUCCESS means prosperity in all your undertakings, and the fulfillment of all your expectations.
SUCCESS means safety to God and your own resources. This kind of success is within your reach—let it help you.

Farmers' Business

We give particular attention to the business of farmers.

A checking account with a bank is a convenience no farmer should be without.

Our savings department is another excellent feature, affording, as it does, the privilege of withdrawing, with the advantage of interest on your funds.

Our commodious offices always at the disposal of our customers.

We cordially invite the farmers to make this their banking house.
