CALL TO DEMOCRATS

Manassas, Va., Aug. 26, 1912.

MANASSAS DEMOCRAT, Manassas, Va. GENTLEMEN: The State Chairman, J. Taylor Etlyson, has ad-143.66! dressed me a letter, as county chairman, requesting that I en-

deavor to enlist the services of you gentlemen in agitating the question locally of voluntary contributions toward the National Democratic fund, which is being done by the daily papers throughout the ebrating." the state: hence this letter.

men agitate this matter in your respective papers, agreeing to receive contributions from contributors and let it appear each wee the amount contributed. If you will do this at all I trust you will are needed for a worthy cause.

Yours, very respectfully, . Thos. H. Lion. The DEMOCRAT will be pleased to accept any contributions may be offered. This is the first time in the history of these United

States when a candidate for president has declared his intention of supervising the campaign expenses incident to his election and dursed popular subscriptions to the national campaign fund upor the grounds that as he (Governor Wilson) proposes to take the peo- Remus 1s. What do you know about that for a lot of ignorant ple into his confidence, to be a people's president, the common citi- Yankees? zens of the country can consistently contribute to his pre-election

ONE GOOD PLANK

for a pension for the aged

It seems to us that no greater step toward prosperity could be tional Weekly. taken than this. Prosperity for the whole country, for what community hasn't its old, indigent, unhappy people that a small pension-would relieve? Even where through this great land of ours there are a number of good, industrious, deserving people who, after long years of struggle, and themselves stranded upon old age and feebleness without any provision for it. And this condition somes upon them through no real fault of theirs. It is brought sprung in the Senate" in the form of a petition asking an inves about by a number of reasons: sickness, lack of training and sometime lack of brain, but from whatever cause is there any more pitiable thing than a dependent, poverty-stricken old age? A pension for people in this condition would be of benefit to the entire countants of the United States qualified to vote do not exercise the try and would bring more contentment, comfort, peace and pros- right of suffrage. If men will not vote when they may, why not perity than a dozen battleships of the class A type. Let's have it.

PRESIDENT PHILANDER

which the court finds rise if the mineral and the many the page of dential compaign as regards the outcome of the election. There is dict Ohio will eliminate the word "male" is her revised constitution. a remote possibility that, after all the hard work in nominating the THE LaFollette-Penrose resolution providing for congressions three leading candidates by their respective party followers and the investigation of all campaign funds for the presidential election of usual activity of a presidential campaign, neither may be privileged 1900-1912, will help clean the August stables of a once bearuled. to occupy the White House! Not that Debs or Chapin are "in trust-ridden government. Like munder, corruption funds "will danger of being victorious, but because even if the popular vote out should be so divided as to render an election by the electoras col- The proceedings of the First National Newspaper Conference, bere impossible, the political complexion of the House of Represent- at Madison, Wis., July 29-Aug. 1, were opened by Dean Louis E.
