I H C Manure Spreader

The manure that does not spoil the soil.

1. It has a provision to keep the manure in a dry state and thus prevent it from spoiling the soil.

2. It has a provision to keep the manure in a dry state and thus prevent it from spoiling the soil.

3. It has a provision to keep the manure in a dry state and thus prevent it from spoiling the soil.

SPRINGTIME

Springtime, the season of growth and renewal, has arrived. In all walks of life the enterprising man or woman begins to plan and prepare for the new season. This is the time to think ahead and make the necessary preparations for the upcoming months.

Waves of manure spreaders that distribution systems into the rich soils of Manassas and the surrounding area. These systems are designed to deliver the perfect mixture of nutrients and minerals to the soil, ensuring healthy growth and optimum yield.

The Manassas Democrat.

FATHER PATRICK BROWN HEAD

Reported to be the most intelligent of the Union's...
"Joy Among the Cooks"

We have just installed a new Purifier in our mill at a cost of $200.00, and have given our mill a general overhauling, and have with us an expert miller, and our flour is giving entire satisfaction. We guarantee it to be as good as any of the Patent Flour shipped in the State. Five bushels wheat gets you 1 barrel of flour, and 51 bushels gets you 1 barrel flour and 65 pounds of offal. Your patronage solicited.
