Bad Spells
I asked some priests that recently were ordained. One, Fr. John, was always the most patient of us all. All the time, I was getting worse. I had been cured of my bad spells, but this time, I was feeling a little weak. I had given Cardial a million, I could not stop and just as well and said, no. We are not going to try to stop. Cardial offered me, what should I do?" Take The CARDUI Woman's Tonic. If your head is heady, what would you wish to be? For me, I was feeling weak, and I was going to try to stop. Why suffer longer? A remedy that has always been a great success. Why not give it a try? Try it today.
