Security

In judging a bank's strength there are several things to be considered:

First—The men in control.

Second—The paid-up capital stock.

Third—Surplus, undivided profit, and stockholder's liability, which is $79,000.00, making the total financial strength of the National Bank of Manassas $129,000.00.

HAYING determined to devote his whole life to the development of this food trust, and having been appointed its president, will attract our attention to the fact that they will be able to supply all the food required by the people of this country.

The meeting of the board of directors was held in the office of the bank on Monday, July 21, 1913, and the following resolutions were passed:

1. The bank is continued in business.
2. The officers of the bank are elected for the year.
3. The bank is authorized to borrow $100,000.

The bank is open for business on all days except Sunday.
