Figures are things to conjure with. In the spring, when the most pop- ocratic politics in Virginia for ular literature is the seed catalogues, it gives pleasure to ait down and twenty years. He first was nom figure out how, in your 20 by 30 garden, you can raise remarkable crops. nated to be Minister to Spain You plan on so many rows of beans, so many hills of "cukes" and so much and on July 28, was confirmed of this and that, You dope it out that you will knock the high cost of taking up his duties immediately. living higher than the price of gasoline. But before fall you realize that Later, in September, when the there is no garden produce worth mention—your figures apparently were.

Few go through life without at some time keeping chickens. The desire to run out to the nests and get a few fresh-laid eggs is very natural. September 10. There is fun in this sort of business. You become an enthusiast. With a comfortable chair before the hearth, you take mad and pencil and proceed to make your fortune in poultry? Lets see now, so many dozen eggs at and Mrs. Roosevelt. He spen 65—no, 75—cents a dozen. Cost of feed so much—only a trifle. Isn't it an easy way to make one's living? Yes, sir, there's money in noultry. leaving here at the close of hi There would be, too, if the blamed hens would only lay.

Figures, they say, do not lie. When one observes the present styles of dress he is inclined literally to believe the statement. Figures themselves are the most logical things of which we know. When we add two and two and get four, the result is incontrovertible. Nothing under the heavens out how to make money. Our figures are all right. There are no errors to our computations. Things simply don't turn out as planned.

It is sometimes good sport, however, counting these chickens never hatch. It keeps the mind from stagnation. Still it is most profitable other notable persons. - Richwhen the figuring doesn't involve an investment of money.

A Byrd's store, Manager, Va.

Up to the moment that President Wilson signed the currency bill, there were furious objections and stormy if vague threatenings from some powerful Wall Street interests. They would secede from the Union, financially speaking, if the adminstration bill becam law. They would not loan money, they would not come in under the new measure, they would take their dolls and dishes and go home, and leave the country to its horrible fate.

Either these wrathful magnates have changed their minds, or th sober banking interests of the United States have refused to lister

From every part of the country comes word that bankers intend to make the best of the new law, instead of making the worst it. Banks by the hundreds are already applying for national chart ers under the new plan. Cities of secondary rank are engaged in heaithful rivalry for the distinction of federal-reserve centers. First class borrowers are finding it easier to get money now than even a January 14th. This is the day the General Assembly convenes. week ago. - Chicago Journal.

YEAR OF PROSPERITY

With the tariff lowered on a number of commodities and with forward with determination. The only dark cloud on the horizon is the railroad situation. The failures of the New Haven and Frisco systems, due to speculation, has destroyed confidence, and the values of stock of all kinds have declined. The country taised dur ing 1913 crops value at nine billism dollars and the manufactures were enormous. The money is still in the country, much of it is bank vaults. This money will come out of the dark recesses of the banks and move along in the currents of trade if confidence can be restored. Politicians have predicted all manner of dire calamities and not statesmanship. However, there are enough conscientious everyone unite in singing a song of confidence. The railroad situa- cel containing the body of any-wild animal or bird killed in viola-

## Business League's "Booster" Meeting

Sixth Annual Smoker to be Held in Conner's Hall To-Morrow Night, Beginning at 8.30.

The Manassas Business League, composed of a great majority of our local business men and citizens will hold their Sixth Annual Smoker in Conner's Hall tomorrow evening January 16, commencing at 8:30 p. m.

The evening's program opens with the serving of an excellently prepared luncheon, followed by the "smokes." As this is to be a Booster's Meeting, 5-minute boosts on Freight Rates, New Improvements, New Industries, The Council, New Town Hall, Retailer's Side of Credits, Insurance Rates, Agriculture, Board of Health, Disposal Plant, The "Hammer," The "Horn," and others, will be made by members of the League. The program also consists of the following songs: America, Old Black Joe. Old Oaken Bucket and Carry Me Back to Old Virginia.

The committees appointed for this meeting are; Invitation, C. R. C. Johnson, O. D. Waters, L. Frank Pattie, Ira E. Cannon, B. C. Cornwell; Reception, E. A. Brand, R. S. Hynson, C. E. Nash, James E. Nelson, W. Hutchison; Entertainment, G. Raymond Ratcliffe, W. R. Myers, Wm. C. Wagener; Arrangements, R. W. Payne and E. R. Conner. It is expected that this affair will be largely attended, and prove a most enjoyable function.
