## The Manassas Bemocrat.

THE CHURCH-GOING CAMPAIGN

### Whether you want people to buy safety razors or breakfast food or pews in church, the modern way of getting your case to them is direct to advertise. Washington Sunday turned out what is declared to teenth amendment to the Constitution. single Sabbath in its history, and publicity did the business.

advertising as a means to get folks into the church; nowadays it is good form. In the last few months a thorough test has been made of the magnetic quality of publicity as a means of attracting the lat policemen in charge of Detective W. G. Baldwin, Tuesday raidpeople to the churches, and there is no room to doubt the success swer. If there is something inside the church that will do people good-and there always is-the real thing is to get them inside. he had to offer: so can a church get some people to attend its ser vices by the process of personal invitation. But just as the merchant finds in experience that the general publicity method is on the whole vastly more effective, so the churches have found that versity. advertising pulls better than any similar expenditure of energy and Oscar W. Underwood, for nearly twenty years representative

done something as a result of his own volition; he has considered Democratic primaries. the argument and made up his mind. Having once made it up, he has more or less definitely settled his policy in that direction; he boro, Mich., kissed his wife goodby and started presumably for his ntends to become a regular customer. - Washington Times.

### THE VALUE OF FOREIGN FRIENDSHIP

Our foreign trade has now reached a stupendous figure and is was going. something like four billion dollars annually. Our biggest commercial trader is Great Britain and the second biggest is Germany and nearly one-third of our stupendous foreign trade is with these two \$1,000,000. There are to be 35 standard steel coaches and five pargreat countries. When we passed the free toll measure in 1912 it lor and baggage cars. The order comprises some other steel equipmade Great Britain and Germany mad as hornets and so mad that they refused to participate in the San-Francisco Exposition to be for the United States mail on the Chesapeake and Ohio Railway of held next year in commemoration of the opening of the Canal.

There are many shallow thinking people in this country who consider we should do whatever we please without consulting any other nation on earth. No doubt there is no nation that would ever with the Canal, but the fact remains that the friendship of all the foreign countries will be greatly promoted by the repeal of the free toll, thereby treating every vessel of commerce exactly alike.

### FOREIGNERS AND MEXICO
