The Man Behind The Plow

What a wonderful world it seems to me to be a man. The last time we were in a church service, we were all sitting in the pews, enjoying the music and the sermon. Some men make a big deal of it, but others keep it simple. I look out across the pews and see the faces of the men and women who are here. This is a wonderful world, and I'm glad to be a part of it.

WHAT IS LIVING?

When a person tells me that he has a "feeling" for something, I begin to understand what he means. I feel that we must all have some feeling for something, and that this feeling must be something that we can share with others. I think that this is what makes us human.

What a wonderful world it is to be a man. I like to think of it as a place where we can all come together and share our feelings. It is a place where we can all be ourselves.
