Announcement

We take pleasure in calling attention to the convenience, dependability, and low cost of operation by Electricity—sales safely, if properly installed. The low rate charged by the towns and the excellent service rendered, together with the endeavor to make our installations attractive to the consumer, will result in a very gratifying degree of business. Therefore, we are now in a position to give you a quotation and are ready to commence work at the earliest possible moment.

Notice Regarding Insurance and Safety to Life and Property.

We should like to remind our patrons of the importance of life and property insurance. It is cheaper to prevent loss than to make good loss. The loss of a home or business may be a disaster to a family. Without insurance, the loss would be complete. The building of insurance is a wise investment. It is a way of saving money.

FOOT AND MOUTH DISEASE

The foot and mouth disease is the most deadly disease that ever struck the cattle, and if not properly guarded against, it will cause a great deal of damage. It is a disease that spreads rapidly and cannot be cured. The sooner it is eradicated, the better for all concerned.

you ever notice how "choice" favors those who are prepared to take immediate advantage of offered opportunities? Ever notice how "idealess" minds are lacking in "original" ones? Why not try "mindful" or "analytical"? There is a definite, practical method for constricting the "feather" and remaining till a lump sum suitable for making an investment.

THE DIXIE!

Beginning tonight, Thursday, November 19th, the Dixie will show Moving Pictures every Tuesday and Thursday night. We have made arrangements with one of the leading film companies to furnish us with their best films as soon as released, so you may depend on seeing something "worth while". The Dixie has been thoroughly renovated, one of Edison's latest models of machinery installed, comfort seats for everybody, and you will see only such pictures as you, your wife and your children will enjoy. Come see them. Come early. The show will commence at seven o'clock p.m. and last until two.

BIG SALE

Our entire stock of used Upright Pianos and Player-Pianos
must go at once

We must make room for our Christmas stock of new
Kimball Player-Pianos which will arrive at our warrors December 1st.

REMEMBER!

These used Pianos and Player-Pianos are not old, worn out instruments—no, in fact, some have only been used a month. They are instruments which have been traded in for new 1915 models of the well-known Kimball Pianos. We offer an absolute guarantee with each one of them. To further show our belief in this stock, we shall take the installment purchase now in trade any time within two years and allow you the full amount you have paid on or before signing a small interest charge.

Importer and breeder of Pecheron, Belgian, Shire, Coach and Hackney Stallions. If a good Stallion is needed in your vicinity write to me.

My present importation of Stallions have been delayed on account of the European War, but they will arrive some time later this Fall.

I have a pretty fine two-year old Hackney mare that I will sell at a low price. Also a Thoroughbred stallion that will sire good hunters. Both are good bargains.

The only Importer in the South that handles the above five Breeds. Write me about your wants. Correspondence solicited.

The Old-Fashioned Methods.

Thank God of Nature.——The old-fashioned methods are in favor once more. Not that the new and modern methods are not good, but they have not been perfected.
