A pipe won't burn your tongue if you smoke P.A.!

Get the pipe-party fun you're smoking for—burn your tongue and have your log burned at the same time! And you can wager your week's wage that Prince Albert's Cavendish and Prince wallow-and the freedom from lip and pocket (but not our cut-rate pipe papers) will give you 25 cents a week of which you never before could believe possible.

Have you tried Sunoco Oil yet?

J. B. Glenn, of Waick City, Mo., gave his car the first "dose" of Sunoco before he went to Maine a few weeks ago. He then drove home. Here's what he writes back:

"The Atlantic Oil I got from you proved to be fine—especially for the Haynes. The car runs better than it ever has before I bought it. I have been trying to buy some more of this oil since my return, but no one has been able to handle it. I am writing to the factory today to have them send me an engine.

Yes, Mr. Prince William Motorist, do get some to send you. The sooner you get out of your car everything that the engine can process.

One of our regular customers appreciates the real value of a 50-cent order, and he always orders it from us.
