FRESH VEGETABLES.

With the summer garden a thing of the past, you must turn to another source for those fresh vegetables you are so fond of. We daily anticipate your taste for lettuce, okra, greens, such as kale and spinach, and others in frequent demand.

It is found, we have a splendid variety. In fact we believe it may be the same as the one you will be

Why Is It?

That at the lower limit of life, the days in which we can do for others are the ones we least imagine are

the most effective. We said we should be careful in doing good in the hope of reward.

However, I cannot think of persons who are ready with daily acts of kindness.

We also agree that we have no right to be held to
