MILK PRODUCTION

Surplus After Supplies "Whole Milk Market Can Be Held at Profit on Surplus"

(W. L. Browning, County Agent.)

The surplus of market milk that a farmer is able to sell at a price that gives him satisfactory returns to his dairy enterprise is a valuable product. Surplus milk can be sold at a profit, but the price that the producer is entitled to receive is determined by the cost of production, the quality of the milk, and the demand in the market.

SCHOOL DAYS

CONFERENCE VERY PROFITABLE

Annual Assembly of School Officers Held, Greatly Expense

The annual conference of school officers was held last week in Washington, D.C. The conference was attended by a large number of school officials from different parts of the country. The meetings were held to discuss the problems of education and to exchange ideas and experiences. The conference was a very profitable one, and the board of directors of the fair is planning to hold another conference next year.
