### *Yesterday's Schools*

Yesterday's Schools; Public Elementary Education in Prince William County, VA 1869-1969 by Lucy Walsh Phinney, (RELIC 370.9755PHI)

## Suggestions for further research

- A source of interest that was not included in this index is material from the City of Manassas, Department of Community and Economic Development. They have additional information on the historic sites within the city limits.
- A source that was not included in this index because it does not list place names is the 1815 Directory of Virginia Landowners that lists only people's names.
