

A Rental for the County of Prince William for the year 1761-1762.

[Transcriber note: The first page of landholder data in this rental roll contains a small handwritten “3” in the page header. The prior adjoining page consists of two fragments, the first indicating “Rentall for the County of Prince William for the year 1761 by Maj^r Foushee Tebbs. . . .d ” and the second fragment has two columns of numbers reproduced below. The landholder listings continue in sequence through page 24 and are followed by a blank page numbered 25. Pages numbered 26 through 31 contain an accounting of cash collected from a subset of the landholders who are enumerated in the first 24 pages. The last page (unnumbered) contains a certification by Thomas Martin of the cash collection. The page numbering of this transcription corresponds to the pagination of the source document.]
